Given in marriage by her father, the bride was radiant in a gown of white brocaded satin, fashioned with a fitted torso in full princess lines and short sleeves. Jewelled above-the-elbow gloves and a matching headpiece from which fell a chapel length veil completed the ensemble. Her only jewellery was a matching set of pearls and ear rings. She carried a white Bible on which there were red rosebuds with satin streamers trailing. She was escorted by her father down an aisle of white, with sprays of evergreen.

The bride was attended by her only sister, Mrs Herman Arvidson, as matron of honor, who chose an electric blue ensemble, including matching headpiece, gloves and shoes. She wore a necklace and earrings, a gift of the bride, and carried a colonial bouquet of yellow carnations.

The two flower girls Nancy Rose Arvidson and Carol Marie Arvidson, nieces of the bride wore geranium red velvet dresses with fitted bodices and very short crinolined skirts with matching gloves. Their headbands were of velvet with lily of the valley and their only jewellery was golden lockets gifts from the bride. Each girl carried a basket of white pom-pom chrysanthemums.

The ringbearer was Ronnie Brown, nephew of the groom. He wore a navy jacket, grey trousers and white gloves.

The groom was attended by his brother Mr Frank Schneider of Alder Flats as best man. Mr Richard Zeluf of Camrose and Mr. Bruce Brown of Forshee escorted the guests to their places.

Miss Elaine Norem of Red Deer played the wedding music on the organ. Mr. Carl Raabis of Forshee sang 'Oh Perfect Love', and 'I'll Walk Beside You.'

A reception for sixty guests was held in the Forshee Community Hall. The Hall was prettily decorated with pink and white streamers, bells and cedar. A large basket of fall flowers also graced the hall. The tables were decorated with tapers in silver sconces.

The traditional Scandinavian wedding cake of 24 almond rings, decorated in traditional style graced the bride's table. The junior guests carried baskets and distributed pieces of wrapped wedding cake to the guests.

Mr Amos Norem of Red Deer proposed the toast to the bride to which the groom ably responded.

To receive the guests, the groom's mother chose a blue dress with pink accessories complimented by a red rose corsage.

Following the reception, a large crowd gathered at the home of Mr and Mrs Martin Schneider Sr. where an open house was held.

A wedding dance followed in the Forshee hall.

Following the dance the happy couple left on a honeymoon trip to Great Falls Montana. The bride chose a blue tweed suit with matching gloves and hat, and wore saddle tan accessories. She wore a pink rosebud corsage.

The happy couple are making their home at Forshee.

Tips on Touring

By Carol Lane
Women's Travel Authority

You many not turn in your car every year but at New Year's you can turn over a new leaf and resolve to take better care of it. Here are some pointers on protecting your car in winter.

Snow damages a car more than rain because it sticks underneath rusting and corroding parts. The same action results on chrome and paint. Remedy for this is frequent washing.

You [illegible] your car another service by [illegible] oil more frequently in winter than in the summer. Cold starts rub tiny particles of metal off engine parts [illegible] the oil begins to flow. The particles carried by the oil act as abrasives through the engine. You can get [illegible] of them by putting in fresh oil.

Here's a word to those who run the risk of getting stuck in snow or on icy spots good for mud too: roll and store two pieces of metal lath in your trunk. Wedged in front of the rear wheels the metal lath provides good traction.

The best New Year's resolution of all is one everyone should make everytime he gets behind the wheel: Drive Safely.

WILDMERE WINKS

This week when these 'Winks' appear in print, the writer will have completed 25 years of writing this news column. It was the writer's intention to call it quits at this time, but because of numerous requests through letters and on Christmas cards to continue, from friends now moved away who like to get the 'old home news' we have decided to carry on for awhile longer. That is, if the Editor will put up with our news . . (Editor's comment – The Standard would not seem complete without Wildmere Winks, after all, 25 years is a long acquaintanceship).

Mrs. F. H. Gibson and baby daughter Ruth came home from the hospital on Sunday before Christmas. A baby sister for Mary, Isabelle and Ernest was a nice Xmas present.

Congrats to Mr. and Mrs. Elmer Isley on the birth of a baby girl on Dec. 19th.

A big crowd attended the concert at Preston Central school by the pupils and teachers Mr. and Mrs. H. Leighton. Everyone enjoyed the program very much and many eager wee folks were on hand [illegible] Santa. A well-laden tree awaited him too. J. Wallington moved a hearty vote of thanks to the pupils, teachers, chairman and any other who may have helped make it a success. Xmas concerts are becoming gradually a thing of the past, but we do believe they are, especially to the small children, very educational and something they remember for many, many years with fond memories.

Several Wildmere folks attended the Christmas concert at Thorncliffe presented by the pupils and teacher Mrs. D. Hughes. It was greatly enjoyed. The children participating did wonderfully well, as they are all small. Santa found his way there and found lots of good gifts under the tree. A short dance followed after lunch with George Stewart and daughter Mary supplying the music. Chas. Sweeney was M.C.

The [illegible] attended the wedding of Miss Betty Barlow on Saturday, Dec. 21st. It was a very pretty wedding and [illegible] was lovely as she walked up the aisle on the arm of her father. Her sister Catherine was bridesmaid. Dr. King sang before the bride entered and while the register was being signed. He was accompanied on the organ by Mrs. Hilda English, who came from Edmonton for the wedding. A reception followed for close friends and relatives in the Anglican church hall. May Betty [illegible] enjoy many years of happiness together.

We wish to [illegible] our own and the [illegible] deepest sympathy to the [illegible] and to Victor Tillett on the [illegible] of [illegible] father. Mr. Tillett Sr. took the writer and [illegible] wedding picture in 1913. Both the deceased lived good and long lives and their books of life held many pages.

The passing of little [illegible] Macnab who had been with us only three short years shocked everyone in these parts. May God comfort the bereaved parents and grandparents in their sudden hours of sadness.

One of the members of the Gay 90's in the person of Mr. Ballard Goad of Clandonald, passed away on Christmas day in Edmonton. We wish to extend to Mrs. Goad and [illegible] our sincere sympathy in their sorrow.

Mr. T. B. Wilson of Edmonton spent Christmas with his brother John and sisters Mrs. A. Morrison and Mrs. A. Holte. He returned to the city Dec. 29th.

Mary Gibson had a [illegible] at her home in Basswood on Friday evening last where a nice time was enjoyed by all, ending up with a delicious turkey buffet supper.

Mr. and Mrs. R. Lake and baby son of Grande Prairie spent Christmas with Mrs. Lake's parents Mr. and Mrs. L. Fadden of Wildmere. They all enjoyed Christmas day at the home [illegible] Mr. and Mrs. Abe Frissell [illegible] Vermilion.

At the Cruthers' [illegible] on Christmas were Mr. and Mrs. Albert Smith and family, Mr. and Mrs. Ken Shepherd, Joan Shepherd, Ian Clark and Warren Marfleet.

Thos. Best spent Christmas at the Wallington home; Peggy Graham got home for a couple of hours on Xmas; Howard Coburn family at the Lloyd Howard home; Anne and Roy Garnett were home for Xmas with their parents; Mr. and Mrs. W.J. Garnett, Mr. and Mrs. A. Holte and Baillie at the J. Wilson home in Vermilion; Mr. and Mrs. Don Cooper and family of Triangle spent Xmas with Don's sister Mildred Holman and family at Ponoka.

Mr. and Mrs. C. Cruthers visited Sunday evening at the Haines' home and W. J. Garnett home in Basswood, also called at the Wallington's where Gary Cruthers spent Sunday evening.

Miss Marlene Smith, nurses' aide at Claresholm, came home on Sunday to spend New Year's with her parents Mr. and Mrs. Albert Smith and family of Basswood.

Mr. and Mrs. C. Cruthers spent Monday and Tuesday this week visiting with Mrs. Cruthers' brothers Alex and Norman Smith in Edmonton.

Will the farmers who have livestock running on roads please look after them. With these icy and very slippery roads it is very dangerous to school buses and cars as it is impossible to stop quickly.

Edmonton Lady Honored, Mannville

MANNVILLE—Honoring [illegible] mother, Mrs. James P. Forsyth of Edmonton, Mr. and [illegible] J. Forsyth received their [illegible] Sunday evening, Dec. 22nd, [illegible] church. A most [illegible] time was spent over the tea cups and listening to Christmas carols. Assisting Mrs. Forsyth was Mrs. James L. Johnstone while Mrs. R. Lugg poured tea and coffee.

Agricultural Society Will Sponsor Farm Short Courses

Plans are underway for the Vermilion Agricultural Society to sponsor short courses for farm men and women in the early part of March. Special speakers and demonstrators will be brought to Vermilion in the hope that information of [illegible] may be imparted to [illegible] residents.

Special emphasis will be laid on practical subjects of use to the progressive farmer and his family and it is [illegible] that [illegible] numbers will take advantage of the opportunities afforded. There will be no charge whatever for such courses and times will be arranged suitably to the farming community. These courses will last for a three-day period and the instructors will go from Vermilion to [illegible] where similar courses [illegible] held, also under the sponsorship of the local Society.

Topics already tentatively in prospect for farmers will probably be divided in the manner following:

FIRST DAY

Special treatment of hogs with sessions on — Feeding; Diseases of Livestock and a panel discussion on this broad subject.

SECOND DAY

Field Crops, with stress being placed on Silage; the Use of Chemicals, and a session on Special Crops designed to assist with farm income.

THIRD DAY

A session will be devoted on the third day to Farming as a Business; one to Plumbing and Septic Tanks; a third deals with Electricity on the Farm.

Subjects for the ladies are being [illegible] by the Director of Home Economics for the province and it is expected that when the final details are complete the three days will be replete with valuable information for all who attend.

Dates tentatively selected are March 4th, 5th and 6th, with [illegible] starting the day after Vermilion Short courses.

The Old-Timers' Centre

After one month's operation the "Old Timers' Centre" seems to be an unqualified success and is filling a real need in the town of Vermilion.

During the month 485 signed the register as having used the facilities provided. The highest registration in any single day was thirty and the lowest 14. Many days there have been 12 to fifteen using the centre at the [illegible] time.

To date the centre has been used mostly by Vermilion residents but it is hoped that, as the centre becomes better known many old timers from out of town will avail themselves of this central place where they can meet their friends and have a friendly chat.

Articles of furniture to make the centre more comfortable have been received as follows: an easy chair from Hamblyn's; two fine benches from Hodgins'; a dandy table with painted checker board top, from John Shaw — made by himself; various stools, chairs and games from others, all of which are much appreciated.

A voluntary collection was taken from some of the old timers to help defray costs of operation and to improve the facilities, in the amount of $26. However, regardless of this, there is no implication whatever that there is any charge made for the use of the centre by any old timer. The centre and its facilities are provided absolutely without charge by Clendenning's Family Wear, Schurman's electric Appliance Service and Roy Watkins Real Estate.

Dewberry Bonspiel To Start Jan. 20

DEWBERRY. — The Dewberry Curling club will hold the men's open bonspiel starting on Monday, Jan. 20th. Entries are invited and should be phoned to Loyal Krawchuk, Dewberry.

Death of Mrs. Clara Christina Eyben

There passed away on Thursday, January 16, a pioneer lady who settled here in 1907, Mrs. Clara Christina Eyben, beloved wife of Mr. Johannes (Hans) Eyben of the Auburndale district.

Left to mourn the passing of wife and mother are the sorrowing husband, two sons, Frank and William of Vermilion, and three daughters, Mrs. Gordon Allen, Mrs. Albert Miller and Miss Lillian Eyben, all of Vermilion. There are two grandchildren.

Two brothers reside in the U.S.A., and one sister Mrs. Albert Carlson lives in Vermilion.

Funeral services will be held on Monday, Jan. 20th at 2:00 o'clock in the United church. Interment will take place in the Vermilion cemetery. Mr. Andrew Drummond will conduct the services.

Moyers are in charge of the funeral arrangements.

Poison Bait For Coyotes in the Dewberry District

DEWBERRY—People are asked to keep their dogs from wandering too far as the deadly coyote bait 1080 has been placed in various places where coyotes are thick. No poison is placed within a mile of any residence.

Kitscoty-Islay A. T. A. Meets

The Kitscoty-Islay sub-local A. T. A. met in Islay Jan. 13 with eleven members present. Considerable discussion took place on the questionnaire and opinionnaire prepared by E. J. Ingram on a Public Relations Program. Salary schedule was discussed briefly. Mrs. Jack extended an invitation to the sub-local to visit Wildwood. Next meeting to be called at the discretion of the executive. Islay staff served lunch at the conclusion of the meeting.

Anglican W. A. Elects Officers

MANNVILLE. — Twenty-one were present at the meeting on Thursday evening of last week of the Happy Hour W.A. held at the R. Lugg residence. Annual reports were given and votes of thanks tendered to the various leaders, especially the Senior W.A. Almost the entire slate of officers was returned for another year as follows:

Derwent School Raises Funds for Junior Red Cross

DERWENT—The Derwent Gr. VI class wish to thank everyone who helped them raise funds for the Junior Red Cross in a raffle they held recently in their class room. The lucky winners were Eugene Sheyka of Derwent getting the panda, and Marshall Porcina winning the pin cushion.

Islay 4-H Grain Club To Meet Jan. 17th

ISLAY. — The Islay 4-H Grain club will hold a meeting in the school Friday, Jan. 17th at 7:30. Guest speaker will be Mr. Alex Palin, acting principal of Vermilion School of Agriculture. Mr. Palin will be showing slides and discussing topics pertaining to our main industry, Agriculture. Parents, members and all prospective members are urged to attend as their interest and support is necessary to maintain and increase the worthwhile benefits and contributions of the 4-H movement. Let's help our young people to help themselves in constructive training that will make them better citizens and farmers.

Stagettes Thank The Public

We want to thank the general public of Vermilion and district for the splendid support we have received in various ways in the past. We are too few in number to carry on club activities at present and will have to remain inactive for the time being, but sincerely hope to be able to reorganize in the future. In the meantime we would like to express our gratitude for your cheerful co-operation in all our charitable efforts in the past.

Stagettefully yours,
Vermilion Stagettes.

Legion Ladies Install Officers

MANNVILLE—New officers installed at recent meeting of Ladies' Legion were: Pres.—Comrade Nancy Coxford, Vice Pres.—Comrade Helen Golinowski, Sec. — Comrade Frances Kreller; Treas.— Comrade Gladys Rudd. Executive council comrades— Ruby Younge, Nellie Cotter, Alma Scott, Edith Laidlier, Mary Morrison and [illegible] Croft.

Retiring President, Comrade Emmott congratulated Comrade Coxford on attaining her chair to which the latter replied most fittingly. It was decided to continue with concession at skating rink when Juvenile Hockey games are being played. One new member joined this group, Mrs. Alma Cropley of Minburn.

Pays 49th Annual Subscription To The Vermilion Standard

An ever welcome note was received from Mrs. L. M. Winters this week enclosing her 49th annual subscription to the Vermilion Standard. Mrs. Winters and her late husband, Mr I. Winters subscribed to the Standard when it commenced publishing in 1909. Mrs. Winters has never missed a copy of it since. Surprising as it may seem there are still a small number of original subscribers on the Standard's mailing list. Mrs. Winters' address is 3789 Cedar Crescent, Vancouver, B.C.

Junior High School Activities

The Students' Union election was held in October with executive officers being elected as follows:

President — Wynne Pockett
Treas. — Lynne McPherson
Secretary — Ruth Stewart
Social Conv. — Audrey Aarbo
Girls' Sport Rep. — Carol Hines
Boys' Sport Rep. — [illegible] Upshall
Press — Doreen Perkins

The first social activity in the new term was the Hard Time Hop on Nov. 8th, put on by Gr. 9A. On Dec. 20th all eight rooms from 9 to 6 participated in a fine Christmas program. Some of the highlights of this program were, Dickens' Christmas [illegible] 9B; Tumbling Act and Routine 9B; A Slight Mis[illegible] 9A; Piano Solo, Valeska, by [illegible] McMeekan 9A, and many more. The next social event is planned for later this [illegible]

SPORTS

Football was the favored sport in the fall for the boys. Teams were captained by Jim Ferguson, Wynne Pockett, Lawrence Ferby and David Ackerman. Semi-finalists were Ackerman and Ferby, the latter winning the final game 7 to 6.

Basketball was number two on the boys [illegible]. The following are captains of teams together with their wins and losses:

Ferby, won 4, lost 0; Ackerman, won 2, lost 2; Upshall, won 2, lost 2; Pockett, won 1, lost 3; Riedale, won 1, lost 3. Semi-finals will be played this week.

[illegible] in girls' basketball [illegible] also run high. Excellent coaching by Miss Barr and Miss Behnke is showing results. The standings of the five teams and their respective captains are:

Carol Hines, 8; Betty Leahy, 7; Reta [illegible], 5; Lynne McPherson, 4.

Change Made in The Town Act

Town Elections Now Held October

There will be no elections in the Town of Vermilion this February, the reason being that The Town Act has been changed and elections from now on are held on the third Wednesday in October. Numerous good reasons were advanced for the change.

Having elections in the fall gives the council a chance to properly induct the new members before budgeting for the year rolls around. More time is thus available for that necessary job and will allow earlier completion. This means that tax notices could be sent out at an earlier date and taxes paid sooner — at least so the line of reasoning goes.

Annual meetings in towns will be held at the same time as usual — the second Monday in February. This means the annual meeting this year will be Monday, Feb. 10th. The mayor and councillors, along with hospital board member, will give accounts of their jurisdiction at that time.

In 1958 nomination day is the fourth Wednesday in September, the 24th, and election day the htird Wednesday in October, the 15th.

Terms of Mayor Hill and Councillors G. W. Sutherland and P. E. Cooper expire at that time.

Ninety-five Members Join The Kitscoty Board of Trade

KITSCOTY Wednesday evening, January 8 was the date selected for the first meeting of the Kitscoty Board of Trade which was recently reorganized in Nov. of last year. Derek Griffin, executive secretary of the Canadian Chamber of Commerce for Alberta was the guest speaker who addressed about 25 assembled members following the business session of the meeting. Mr. Griffin is a gifted speaker and delivered an illustrated address on the work of the Canadian and Alberta divisions of the organization. He congratulated the Kitscoty chamber on their membership of ninety-five, which he said was probably a record for a village of 300 population. However at least half the membership is made up from the rural area surrounding Kitscoty.

During the business session, Bert Stokes, convenor of the membership committee presented Archie McLean with an elaborate hand-carved medal, suitably inscribed, in recognition of his personal drive in signing up over fifty members by his own efforts.

Two visiting delegates from the Lloydminster chamber, Mr. Harold Fawsey and Mr Galanders attended the meeting.

The meeting concluded with a fine lunch served by Charlie Grey and his committee. Charlie was congratulated on his effort, as well as having reached his 70th milestone that evening. Mr Grey was a charter member of the original Chamber formed many years ago in Kitscoty. Members were reminded by the chairman, of the general meeting sponsored by the F.U.A. on Jan 13 for Kitscoty and district citizens.

Death of Thomas Cairns At Coast

News was received here of the death of Mr. Thomas Cairns at New Westminster, B.C., who passed away Monday, January 13th. He was 93 years of age. The funeral will be held in Vermilion on Saturday, Jan. 18th at 2:00 o'clock in the afternoon at the First United church. Interment will follow in the Vermilion cemetery.

Mr. Cairns is a pioneer homesteader of the Wildmere district, settling there in 1906. For the past few years he has made his home at New Westminster.

He is survived by his loving wife, one daughter Mrs. Mary McLean and one son Thomas. There are two grandsons and one great grandson.

Moyers are in charge of the funeral arrangements.

Eight Local Rinks Have Brier Aspirations

The Vermilion Curling club is conducting eliminations at present to decide the rink which will represent the club in the Zone 8 Brier playdowns. Eight rinks have entered, the majority of them being straight club quartets. In the first round played on Monday night Rosequist defeated Kent; Roger Rowe defeated Newt Cooper; Bob Rowe defeated Chas. Heckbert, Scales defeated Chivers. Only one game was played Tuesday night with Cooper defeating Chivers. The draw is similar to a double knock-out, each rink has two chances. Several more of the games are to be played this Thursday evening.

Taylor-Pearson Play-Downs

Vermilion High school curlers are now practising for the Taylor-Pearson playdowns. District champion will be decided here on Jan. 24, 25 and 26.

Brier Play-Offs Here Jan. 31, Feb. 1 and 2

Play-offs for Zone 8 of the Macdonald-Brier will be played in Vermilion on Friday, Jan. 31, Feb. 1 and 2. It is necessary that each club have its champion rink decided by that time.

Lashburn Comets Play Tigers This Saturday, January 18th

An exceptional hockey attraction is billed for the Vermilion arena on Saturday night this week Jan. 18 when the Lashburn Comets invade the Tigers Lair in an effort to take home two much needed points. While Lashburn is standing third in their half of the E. A. H. L., they are only a point or so behind the leaders and a win means keeping right up in the race for the eastern zone leadership.

The Tigers are still hunting for their first victory They need it as a morale builder, and everyone feels that Saturday night is the time to do it. The Standard predicts a win for the Tigers Saturday night and furthermore looks for them to take the measure of several other teams before the schedule is finished. They uncovered some nice scoring punch Wednesday against Lloyd Chevvies — just watch them go from here on in.

Don't miss the game Saturday against Lashburn, it's a natural, the biggest crowd of the season will be on hand, the Tigers want that win—be on hand at the Vermilion arena Saturday, January 18 at 8 30. These Tigers deserve will be on hand—th Tigers want your support, they're playing crowd pleasing hockey —there is room for 1000 people in the arena, see you there!

Tigers Lose To Lloydminster But Show Scoring Punch

Vermilion Tigers lost a hockey game Wednesday night but in doing so uncovered some nice scoring punch and gave their best display of the season. The game ended 9 to 5 with the Tigers outscoring the Chevies in the third period three goals to 2 Altogether it was a crowd-pleasing game and an even 450 fans enjoyed it, going home satisfied with the progress that the team is making

Les Williams came out as a playing coach on Wednesday night and added a lot of ring generalship to the team. Hedley Dennill, centre on the line from Dewberry, gave a sterling performance notching two goals, and his efforts were well supported by linemates Bill Romanchuk and Sandy Ewen. The string of Jim Shepanski, Bruce Anderson and Ken Brown unleashed some nice combination efforts and Jim notched three counters as a result. Stu Barr showed to advantage on defence while Lorne Scoggins again was a tower of strength in the net. Andy Redford who now makes his home here, lined up with the locals Every one of the Tigers gives his very best and even a one-sided score seems to mean nothing . . . they continue trying from start to finish.

Lloydminster iced a number of familiar figures. Sandy Hill, Mills, Barrack, McLean, all old timers with the Chevies. Kay Strate who last summer opened a business in Lloydminster, was also in uniform and showed he still has plenty of hockey ability He is well known to Vermilion fans, from the Viking and Wainwright hockey wars. Chevies are also breaking in a number of young players.

The game was very clean with only one penalty, going to Barrack for a cross check. A one-penalty game between these two teams is something for the book.

Jim Shepanski, up from Vermilion Juvenile ranks, scored the hat trick for the Tigers.

Officials were Stan Manyluk and Bob Rowe. Official paid attendance was 450.

The game was broadcast from 9 o'clock on, over CKSA.

Lloyd Outscores Tigers 6 - 2

The Lloydminster Chevvies climbed into top spot in the eastern half of the E.A.H.L. on Saturday night when they turned back the Vermilion Tigers 6 goals to 2 in a fast clean game in the border town. The home-towners grabbed a 3—1 lead in the first, it was 3-2 in the second and 6-2 at the end of the game.

Sandy Ewen and Ken Brown tallied for the Tigers, with Ed Barrack and McKay 2 each for the Chevies while Hill and Babs scored sin[illegible]

A crowd of 660 watched the game.

Lorne Scoggins, Vermilion goalkeeper, was picked as the No. 2 star of the game.

Hockey Schedules Distributed By Clendenning's

E. Clendenning, manager of Clendenning's Family Wear, had the Standard print 1000 schedules of hockey games to be played at home and away by the Vermilion Tigers. These are now being distributed at the rink, the store and various other spots in town. They are a very handy reference [illegible] the home games on one page and road games on [illegible] and will keep you well [illegible] on the whereabouts of the Tigers.

Bob Cats Trim Marwayne In Juvenile League Hockey Game

Bob Cats were rather rough with Marwayne, the new entry in the Juvenile league, swamping them to the tune of 15 to 1 on Saturday night last. The Marwayne boys show promise though and with a season's play behind them will be contenders worthy of notice next season.

W Laird scored the solo for Marwayne

Vermilion sharpshooters fattened their scoring averages as follows Jerry Schmidt, 3 goals and 2 assists, Pete Link 2 goals; Chris Maggs 1 goal, 2 assists; Lee Coyne 1 goal, 1 assist; R. Mathison 3 goals and 2 assists for the big effort of the night Neil Gannon 1 goal and 2 assists; Lee Leahy 1 and 1; Ron Hemmingway 1 and 1; Art Redman 1 and 1; Bob Waldenberger 2 and 2

Eddie Mistal was referee and Ron Bodner linesman.

The Bob Cats were out in front 3 to 0 at the end of the first; 8 to 1 at the end of the second and 15 to 1 for the final count.

GIVE THEM A CHANCE

Some complaints are being heard that travellers staying at hotels in town have received traffic violation tickets for parking in restricted areas, in this case for parking along curbs which are marked with yellow paint indicating that they are too close to a corner or lane entrance. In the summer time the paint is quite conspicuous. At this time of year, even with the little snow we have the yellow paint cannot be seen. Such a violation costs the motorist $2. It is the Standard's opinion that the paint indicating a restricted parking area should be kept clear of snow, at least in the vicinity of the hotels. Nothing breeds so much ill will as being punished or [illegible] for same infraction of which the perpetrator had no way of knowing.

CANADA'S POPULATION

Canada's population at Dec. 1, 1957, stood at 16,880,000 and according to Dominion Bureau of Statistics, will exceed 17,000,000 early in the spring of 1958.

This is good news and means a slow but sure lessening of Canada's reliance upon export markets for her prosperity. Every addition to Canada's population adds to the size of domestic market, increases home demand for goods and services, and provides additional job opportunities.

FLUORIDATION AIDS ADULTS TOO—

The results of a 10-year study of the effects of fluoridated water on the prevalence of tooth decay in Grand Rapids and Muskegon, Mich., U.S.A., received by the Health League of Canada, show

1 A striking reduction of decay in the deciduous teeth. At six years of age the caries rate for these teeth was reduced by about 54 per cent.

2 A marked reduction in the prevalence of decay in the permanent teeth about 60 per cent among people whose teeth had already been formed when they started drinking the fluoridated water. So far it has been generally assumed that the benefits were confined to children.

Facts and Fancies

The pessimist has been well described as the person who only sees the hole in the doughnut. That seems to be the way these gloomsters look or rather half look at business statistics too, declares The Financial Post.

In recent weeks they have been trying to chill all foolish enough to listen with the rawest of raw statistics on business failures. They cite the total number of failures and make shuddering comparisons with the dark days of 1932. They completely ignore the fact that a lot more people and a lot of business firms have been added to Canada in the last 25 years, that totals which might have been grave for 11 million people in 1932 are little more than normal for the almost 17 million people in Canada today.

Business failures in Canada in 1932, reports Dun and Bradstreet, were 161 per 10,000 concerns. Business failures in Canada for 1956, says the same authority were 53 per 10,000 or less than a third the depth-of-the-depression rate.

RESOLUTION FOR '58

This year could be the biggest in Canada's history. It depends on you and me.

To prove that, I suppose I could quote the Chamber of Commerce or the Canadian Manufacturer's Association or the president of any big corporation. If I did, chances are that some readers would say 'Pooh' Those birds are just trying to squeeze more work out of us.' So, instead, I'll quote a man from the trade union movement.

'What it comes to is this, there is only a certain sized cake to be divided up and if a lot of people want a larger slice they can only get it from others. There is only one way by which we can with a given volume of employment increase our real standard of living and that is by each of us producing more or in other words putting up our productivity. There is no other answer.'

That was spoken by Sir Stafford Cripps to the Trades Union Congress. Blunt words but true. And because they are true, they present a challenge.

Are you personally, doing your best work? Or are you boasting? Are you a self-starter, or does your boss have to stand behind you and give you a nudge?

If you have been a slow-poke, a slow-down expert, are you willing for at least one year to make a change? If you and I and everyone who happens to read this column made a firm decision to extend ourselves in 1958 we'd set a pace that would inspire others. A few thousand really hard-working individuals can accomplish surprising things.

Of course, it would be much easier to sit back and hope that the government will make us all prosperous. However, I've sat in the gallery at Ottawa and watched parliament in action. They don't grow any grain, plow any fields, build any factories, dig any ditches. They make laws and they spend money your money and mine. If we count on them to create prosperity, we're going to be out of luck. They just can't do it.

The hard facts of life are that, as individuals we must do the producing. Sure, if many of us work hard there will always be a few who drag their feet and perhaps get more than their share of what we have produced. However if we all drag our feet, we all suffer for it.

So how's about a resolution? A faster gait in fifty eight!

A Happy and a Prosperous New Year to you all. The greeting may be a bit late, however, the wishes are heartfelt.

January is the month of cotton sales and so perhaps you'd be interested in the following information on cotton finishes.

Bellmanized Trade name for a starchless process which imparts lasting crispness to sheer cottons.

Colorfast Fabrics of sufficient color retention so that no noticeable change in shade takes place during the normal life of the garment.

Calendering A finishing process for fabrics producing a flat, shiny smooth surface. This surface is not permanent.

Crease Resistant: Term used to describe chemically treated fabrics that will resist and recover from wrinkling in much the same way as wool does naturally.

Embossing Process of pressing a raised design into a fabric by passing the fabric through hot engraved rollers.

Everglaze A patented resin impregnation process applied to cottons which produces a hard glaze durable to repeated launderings and dry cleanings and stabilizes the fabric to a guaranteed shrinkage of less than 2%.

Glazing: Fabrics treated with starch, glue, paraffin or shellac and run through a hot friction roller to give them a smooth high polish.

Mercerizing. A treatment using caustic soda at low temperature which makes cottons more lustrous more absorbent and more susceptible to dye.

Preshrunk Term used to describe fabrics or garments which have been given the shrinking process before being put on the market.

Sanforized Trademark. Garments labelled thus conform to shrinkage requirements of the owner and will not shrink more than 1% in either length or width.

Sunfast Dyed fabrics which will not fade under normal exposure to sunlight.

Tebilized Trademark applied by owners to goods which conform to specified standards of crease resistance and quality established by the trade mark owners.

Tips on Touring

By Carol Lane
Women's Travel Authority

Parking your car outside every night is no problem during the warm season, but the cold weather of winter is another story. Here are some tips that can help you to solve your winter parking problem.

If the car's not protected by a building make sure it's parked with it's back into the wind, radiator grill facing away from it.

Cover the hood of the car with an old blanket or strip of canvas. Anchor it by catching ends between the hood and the car's body.

Newspaper or cardboard over the windshield and rear window prevents snow and ice from caking on the glass. The windshield wipers should keep the [illegible] window covers from blowing away or you can buy a special vinyl plastic windshield cover. For the back window a [illegible] lulose tape should do the trick.

During these cold months, the car's finish is going to take a beating. Protect it by frequent washings, then give the body a coat of car wax. Cover all the chrome trimmings with a light film of oil, and retouch rust spots with paint.

If you always park your car close to the house, here's a trick you may want to try. Run an extension cord from the house to your car. At the end of the cord is an electric light bulb which you fasten on the car's engine block near [illegible]. When you get up in the morning, plug [illegible] end of the cord in the house socket. The heat from the [illegible] will keep engine cold [illegible].

Social Credit Government Plan More Aid To Municipalities

EDMONTON — Social Credit members of the Alberta Legislature were in Edmonton last week to hammer out policies for the program to be presented during the 1958 session of the House, which opens Feb. 20.

Social Crediters attending the caucus are by tradition among the least talkative people in the world, and last week they were as tight-liped as ever regarding the major items to be introduced during the fourth session of the 13th Legislature.

However, it has become fairly obvious that municipal financing will be the major issue during the forthcoming session. The Social Credit M.L.A.'s cheered and applauded Premier Manning in the opening session of the caucus as he outlined the government's proposed 'new deal' in provincial-municipal relations.

Details weren't discussed with the press, of course, but it's fairly certain that definite action will be taken this year. The new deal has been under study for more than two years.

Indications are that the government will channel more money into direct municipal grants with no strings attached, and less into building up reserves and paying off the provincial debt. The debt is so low that accumulated reserves (cash and investments) more than outweigh it. The thinking is that all revenue over and above what the province needs to finance its own operations might as well be passed on to the municipalities, to use as they see fit.

There is talk to the effect that lump sums will replace conditional grants to municipalities. For example, school and hospital boards would no longer receive separate assistance. Instead the money would go to the municipal council and the school and hospital boards would submit their requisitions to the council.

Caucus discussed the effects of the new deal on municipal and school assistance. Also on the agenda were mothers' allowances and child welfare. The government is expected to take over the total cost of both. At present, municipalities pay part of the cost.

The members also talked about homes for the aged, and there are indications that the government plans to take over the total cost of providing them. There was also discussion of disabled persons' pensions, and of the proposed new hospital scheme.

All in all, municipal financing should be the major issue of the upcoming session.

The final pattern of the new deal will determine to a large extent the shape and size of the provincial budget for the coming year. The big question is whether the budget will be larger or smaller than last year's.

Last year the government budgetted for record expenditures of $285,000,000. Following the pattern set over the last few years, the 1958-59 budget would be around $300,000,000.

PROVINCIAL REVENUES DECLINE

But for the first time in years, provincial revenues are down, mostly because oil markets have declined, and so far this year's government expenditures have been outstriping government income.

The program of low-cost loans to municipalities and school boards is expected to disappear this year, and that could account for a substantial drop in expenditures. It is believed the lending will be taken over entirely by the new municipal financing corporation, which probably will get all its money on the open market next year. Last year, the government invested $40,000,000 in the corporation, and that's an item that probably won't be repeated in the coming year.

The cabinet's three-man steering committee, headed by Education Minister Anders Aalborg, reported to caucus on proposed changes in the liquor laws. The changes, to permit establishment of additional types of liquor outlets, will be another big issue.

A completely new Liquor Control Act will be required to implement the changes necessary due to the Oct 30 plebiscite. Observers believe the new act will permit local option votes on cocktail lounges and liquor sales in hotel dining rooms and better class restaurants.

It may be late this year or early in 1959 before any new types of liquor outlets are actually in operation. Once the new act is passed, it will take considerable time to circulate petitions and hold local option votes.

The Social Crediters gave their approval in principle to the government program last week, but they'll be back for another caucus just before the session opens, to apply the finishing touches.

MARWAYNE

SCIENCE IN YOUR LIFE

On The Skin Side

Maybe it's only skin deep, but an itchy rash can be pure torture. Ask the housewife with dishpan hands, the lad with poison ivy itch, the baby with prickly heat, the worker with occupational rash, or anyone with hives or an allergic rash from food, cosmetics, wool or other fabrics.

Most of these cases come under the medical heading of "contact dermatitis", which simply means an inflammation of the skin caused by contact with or over-exposure to an irritating agent.

Besides the notorious poison ivy, most common aggravators among plants are the [illegible] and the appropriately-named sticklebur and [illegible]. Of the foods, tomatoes, citrus fruit, onions and celery are worst offenders.

[illegible] as they are, skin inflammations can be the easiest diseases to clear up with proper attention. Your doctor may suggest one of the new fast-acting ointments such as Magnacort which contains a relative of the hormone hydrocortisone. Dr. Ashton L. Welsh, Cincinnati dermatologist, recently reported that Magnacort proved successful in 40 out of 41 of his patients suffering from 15 different skin diseases.

Once the itchiness, the rash and inflammation are relieved, your doctor can get to the bottom of the trouble, the cause of the outbreak.

Meanwhile, an ounce of prevention. Before your family starts pitching into the backyard autumn leaf-burning ceremonies, remind them of the classical poison ivy warning: "leaflets three, turn and flee."

Lilacs For A Christmas Surprise

MANNVILLE — When the Birch Creek W.I. decided to hold their Xmas party, exchanging of gifts etc., tree, and all the trimmings early in December, with no Xmas trees yet available, hostess Mrs. Doherty had a brain wave. From her neighbors, Mr. and Mrs. W. Osborn a large lilac tree of good size was offered to fill the bill as a Xmas tree for the occasion. Said tree was placed in container which held dampened sand, used on the day of the party and then put aside for awhile. On it was noticed that leaves were budding so it was left. On Xmas day Mrs. Doherty called at her neighbors and asked them to come and see something unusual, the like of which may not be witnessed again. To their surprise the lilac tree had beautiful white blooms on it, a sight to behold on a Xmas day.

Tales of a Traveler

It's an often-told tale, among the older employees of the world-wide American Express organization, that one of the oddest assignments ever completed in a company, whose history is filled with a record of strange jobs, was that of a cruise director just before the start of World War II. He was taking a group of American Express-booked travelers on a journey around the world.

Before he returned home to New York he'd had to cope with a civil war in Shanghai; a millionairess who refused to go ashore except at night for fear she might be recognized; and an animal trainer who filled the ship's hold with a weird aggregation of birds, boas, monkeys and panthers. On the same cruise, a hotel in the wild mountains of Japan, to which some of the passengers had gone on a visit, burned down and the tourists had to spend several days with the rugged mountaineers.

But he felt his greatest achievement was in not losing his mind trying to reason with a passenger who demanded a refund because he lost a day when the ship crossed the International Date Line.

Then [illegible] is the odd fact that the novice traveler can sometimes get a better rate of exchange for his American money abroad than the "know-it-all" experienced traveler who has all kinds of "angles". This smart aleck will [illegible] you about a Paris back street where furtive currency "operators" will give you more than the regular rate of exchange for your dollars. But the "average American" in Paris, using travelers cheques, simply goes to regular retail shops and can get up to 15 or 20 per cent discount on merchandise as he buys—in fact, many shops display signs to this effect.

Ever try to spend foreign money? Take a 1000-franc note into the shopping [illegible] of your [illegible] and see how far you'll get making a purchase or getting change. No one will accept the foreign currency, until you go to a bank that handles [illegible] exchange and then the [illegible] will take a discount on the exchange rate. But go to any foreign country with American money in the form of 10- 20- or 50-dollar travelers cheques, and they'll be treated as "coin of the realm." You will gladly be given full exchange value at any foreign bank, hotel, restaurant, shop, and so on.

ABUNDANT LIFE

BY ORAL ROBERTS

TRY LISTENING TO GOD

A young school teacher in Massachusetts was confronted by a very dull looking class. To challenge their attention she tried an experiment. She said to them, "God is broadcasting all the time. George Washington and Abraham Lincoln listened to Him many times in moments of crisis. If you will tune in God's station, you will hear what He says."

The children bowed their heads reverently and were quiet. In a few minutes a little boy said, "I heard something. God told me to work hard and get better marks." Another said, "He told me not to talk in class." Another said, "God told me not to cheat on arithmetic." The class practiced this listening every morning and finally gave a play based on it before the entire school of 500 students.

Many of us wish we could have been in a school like that. But it is not too late to try listening to God.

I received a letter from a lady in Long Island, New York, the other day and I would like to share a portion of it with you. ". . . I had searched for God all my life. I tried many 'isms' and several religions without success. My life appeared to be full and successful, but in reality it was meaningless, void and full of anguish and heartache.

"As I read the Bible and some of your literature things began to change in my life. Or perhaps it was I who started to change. At any rate, there was a ray of light where all had been darkness, and hope where only despair had been.

"Several months passed and I felt I was on the right road, but was not so sure what to do about it. I had been fooled before.

"I went to one of your Crusades and the presence of Jesus was really there! It is almost tangible. I closed my eyes and just listened. And I heard the voice of God echoing in my heart. The words were musical, saying, 'This is it—this is it—this is what you have been searching for all of your life—come, Jesus wants you now.'

"I was filled with an indescribable joy and rapture, love and compassion. I had never felt anything like it in my life before.

"I dedicated the rest of my life to Jesus to serve Him always and to be obedient to His will.

"I listened to the voice of God and His words slipped into my mind and are forever written on my heart. 'Peace—My peace I give to you—let not your heart be troubled, neither let it be afraid—for I will be with you.'"

God is constantly broadcasting His thoughts and His words to His people. And as we daily practice His presence we come into a very intimate relationship with Him. We can get to know Him better than anyone else in the world and His voice will become very familiar to us.

Set aside your hour to listen. He will come to you. You can talk with God! It is your privilege and your blessing.

Couple Honored On Retirement

MANNVILLE. — Last Monday evening at Albert school, friends and [illegible] gathered to honor Mr and Mrs. Leyton Barss, old timers of that district, who are leaving the farm to live in Irma. The evening was spent in cards and social chats with old friends, dancing and community singing with Mrs. Archie Fleming and Mrs. Harley Barss leading the singing and Mrs. Parsons at the piano. Mr. Shippy was caller for a few old time square dances. Mrs. H. Barss, Mr. Shippy, Mr. E. Prior and Mrs. P. Holt supplied the music for the dancing. As the evening was drawing to a close, Mrs. A. Fleming sang "One Day When We Were Young". The day was also the occasion of Mr. and Mrs. Barss' 43rd wedding anniversary and the bride of that many years ago was presented with a corsage of multi-colored flowers by Mrs. W. Ramsay. Mr. John Allen as the M.C., with a few well chosen words, presented the honored guests with a chimes clock and purse of money from the community. Mr. E. Prior also spoke of the esteem in which they were held and of the good neighborly spirit of the guests. Mrs. Archibald, President of the Buffalo Coulee W.I. then presented Mrs. Barss, who was a charter member of the same W.I., with a cup and saucer, and made a short speech. The couple in return made most fitting replies of thanks. A delicious lunch was then served by the ladies of the community, assisted by the men. Old neighbors were present from Vermilion, Mannville and Irma for this enjoyable occasion.

OBITUARY

MRS. FRIEDA ALICE FRY

Funeral services for Mrs. Frieda Alice Fry, age 78 years, who passed away at the Royal Alexandra hospital Edmonton, on Dec. 26th were held Tuesday, Dec. 31st at 10.30 a.m. at First United church, Vermilion. Interment was in Vermilion cemetery. Rev. C. W. MacKay officiated.

Brownie Pack Hold Christmas Party

PARADISE VALLEY. — The Paradise Valley Brownie Pack held their Christmas party in the school auditorium on Dec 17th with the mothers as guests. Brown Owl Mrs. E. Knor and Tawny Owls Mrs. N. Surgenoff and Mrs. D. Levitt assisted in the evening's entertainment for the Brownies and their Moms.

The Brownies sang a couple of Christmas songs and repeated their motto. The rest of the program consisted of games and contests. A small decorated tree and exchange of gifts put a festive touch to the party. Lunch and candies were served by the leaders and a happy time was had by all.

A special 'thank you' is extended to all the mothers for turning out at such a busy time of the year.

Brownies this year will meet on Mondays at 7.30 p.m. in the new school auditorium.

"Elvis" Entertains At Search For Talent Show at Mannville

MANNVILLE. - The annual A C T — C F R N Search For Talent show played to a capacity crowd in the School Auditorium in Mannville on Saturday, Jan. 11. The first half of the evening was taken up with contestants from Mannville, Innisfree, Wainwright and other points, with 'Elvis' appearing frequently on the program. Some of the young men even wrote words of their own to popular songs of the day and others wrote both music and words.

An entertaining program of solos with guitar accompaniment, violin and guitar violin and accordian as well as solos and duets with piano accompaniment made up the first part of the show. With a bit of manouvering and fingernail biting, the entire list of contestants were included in the broadcast which will be heard over C F R N on Saturday, Jan. 18 and C K S A (Lloydminster) on Sunday afternoon, January 19 about 2 o'clock.

Among those appearing on the program were: Mervin Young and friend from Wainwright, David Lotoski, Innisfree; Mary Stewart, Vermilion; Brian Scoggins, Mannville; George Mac Stewart, Vermilion; Bill Hipson, Wainwright; Mrs. Thorson and Miss Randall, Innisfree; Mervin Young, Bill Hipson, Wainwright; Orest Hlus, Innisfree; George and Lillian Zaharia, Mannville; Andy Zaharia, Derwent; Harry Stelmaschuk, Mannville; Stanley Saint, Mannville; Marion and Anne Yacek, Mannville; Walter Smart, Mannville.

The standing at the end of the evening was Brian Scoggins, Bill Hipson and Harry Stelmaschuk. Voting will be closed on January 25.

Mr. Bill Fisher who is not a stranger to Mannville, was the captain of the travellers and he introduced those who accompanied the show to Mannville. These travellers and others give up many Saturdays during the winter months to travel to the various towns with the show, and as well suport a fund which helps to defray the expenses of bringing the show to the different centres so that the greatest possible amount made from each show is turned over to the Crippled Children's Fund.

Very few realize the work planning and rehearsing that goes into one of the A C T C F R N shows. Mr. Jack Dennistoun, talented producer of the show spends many hours whipping into shape a program that will hold the interest of the various audiences they play to. Then after weeks of rehearsal the show is put on for the A C T C F R N officials. With their seal of approval it is next put on for the Rehabilitation Centre and then taken to the towns on Saturday nights.

This year three new entertainers added greatly to the entertainment value of the show. Mr. Michael Darrow as Master of Ceremonies is new to this district but his personality and geniality made the audience feel right at home with him from his first appearance. And he can sing too!

Mr. Gilbert Nielsen referred to as the Great Dane has not been in the country very long but he won the appreciation of the local audience with his [illegible] with his [illegible] that certain [illegible].

Mr. Sid Gray another newcomer delighted both young and old with his "Family of Entertainers" his Dancing Dolls. To the accompaniment of the piano he made one, two and even four dolls keep perfect rhythm and step. He made the dolls and their costumes himself, and the Scotties, Indians and Cotton Pickers danced right into the children's hearts. But the surprise act won even more favor — a dancing horse who could count with his tail, dance on four feet or hind or front feet just as easily, was the hit of the evening. With the lights out the horse in his bright blanket and glowing feet brought squeals of delight from the children.

Mr. Nick Van de Meent returned this year with his harmonicas [illegible]. Besides being a virtuoso on the harmonica he sang in a trio with Jack Dennistoun and Mike Darrow.

Mr. "Tap Toes" Bernie Boyd added one more accomplishment to his dancing routine. This year after giving a demonstration of one learning to roller skate he kept them on and did a tap dance. His popularity was shown by the great ovation he received from the audience.

Mike Darrow, as well as emceeing the show, joined with Jack Dennistoun in a Hill Billy Soap Opera, and after a bit of fooling with background music, etc. he proved himself a popular singer in "Begin the Beguin." All in all the CFRN troup put on a show of excellent calibre and the appreciative audience were not slow with their applause.

Following the show, the Happy Hour W. A. of the Anglican church had a hot supper ready for the cast and the travellers and their wives in the church basement. Mr. Dennistoun expressed the appreciation of the group to the ladies for the wonderful home cooked meal.

SQUARE NOTES From Circle 8

Hi square dancers! This Saturday, January 18th is dance night again in the Legion Hall with Henry Lien at the mike. This will be a night that you won't want to miss.

A second series of lessons for this season is underway at the present. The fifth lesson will be on Monday, January 20th. Anyone who would care to brush up is welcome to attend. Many who have not danced for the last year may welcome this opportunity to become acquainted with the later dances and figures.

The Bible Today

Three translations of Scriptures for Africa will be provided in 1958 by an anonymous donor in Montreal, the British and Foreign Bible Society in Canada has announced.

A cheque for $3112 has been received to cover the cost of these three translations. The first is an edition of 20,000 copies of St. Mark's Gospel in Kikuyu, printed in large type for use this spring among the Kenya tribe in which the Mau Mau movement originated.

The second is a diglot publication in Luchazi-Portuguese of 5000 copies of the book of Genesis, to be used in south-east Portuguese Angola.

The third is for completion of the New Testament in Gourma, a tribal language in use in French West Africa. The contribution will cover the cost of printing the second half of the New Testament and of binding the whole book.

The anonymous donor has previously paid for publication of three African translations out of his modest income because of his desire to see the Christian gospel made available to all people in their own language.

Suggested readings for next week: Sunday, Matthew 11:1-15, 25-30. Monday, Matthew 12:1-21. Tuesday, Matthew 12:22-37. Thursday, Matthew 13:24-43. Friday, Matthew 13:44-58. Saturday, Matthew 14:1-21.

Vermilion Air Cadets and Hockey Fans Stage "Brent Macnab" Night At The Edmonton Gardens

Spearheaded by attendance of forty members of the Vermilion Air Cadets, hockey fans of the town and Buffalo Coulee district staged what amounted to a Brent Macnab night at the Edmonton Gardens on Monday of this week. Brent Macnab's [illegible] the Vancouver Canucks played the Edmonton Flyers on that occasion, the Canucks winning two goals to 1.

According to the Edmonton Journal fully 200 were present at the game from this area.

Unfortunately, Brent was sidelined with a leg injury late in the first period and will be out for several games.

The Cadets were taken to the game by bus under the supervision of their commanding officer, F/L Stan Manyluk. On reaching the Gardens they saw Brent before the game. Immediately following the final whistle they went to the Vancouver dressing room where autographs were collected and Brent was seen again.

Incidentally the tickets for the Cadets were supplied free with the compliments of the Flyers Hockey club.

Accompanying the Air Cadets along with Mr. Manyluk were Mr. Don Taylor, chairman of the Civilian committee and Mr. George Lyons, a member of the committee.

The Edmonton Journal had this comment to make:

"The night was not without a little sadness in the Canucks' camp. About 200 fans [illegible] a group of Air Cadets, from down the Vermilion line, where chunky defenceman Brent Macnab makes his home, came in for the fun, but they had to look fast in order to catch a glimpse of their native son in action.

Late in the first period Macnab was felled by a leg injury, and the resulting charley-horse sidelined him for the balance of the game, and he may miss tomorrow's engagement in Winnipeg as well ... perhaps the full prairie swing which only started last night."

Rotarians and Wives Attend Supper At Lloydminster

A group of thirty-four Rotarians and their wives attended a supper party at Lloydminster on Sunday evening. They were royally entertained by the staff of the Royal Cafe, while Rotarian Sandy Sunderland showed up and entertained them with piano music, all joining in a sing-song.

The menu was Chinese food and was greatly enjoyed by everyone.

If you must tell half truths be sure they're the right half.

Rotarians Hear Vocational Talk By Gil Rampling

Vermilion Rotary Club members listened to a very fine vocational talk at the meeting on Friday. This was given by Gil Rampling, well known Optometrist of Vermilion. Mr. Rampling is a charter member of this club and it is a mystery how he avoided giving his vocational talk all these years. However, it was well worth waiting for.

The speaker related the history of eye-glasses from the days of early Egypt until the present. Unground glass was passed around for the members' inspection. It certainly was difficult to visualize that these lumps of glass could later be ground to remedy individual vision deficiencies.

Gerry Stephens introduced the speaker and thanks for the fine address were extended by Cliff McCormick.

Ross Beaks presented a carnation to Gordon Park on his birthday, and no one seemed to know, not even Gordon himself, just how old he was.

Alex Palin introduced a visitor by name of Bill Olson. Bill is supervisor of maintenance at the School of Agriculture.

President Tom McPherson thanked the speaker of the day, and welcomed the visitor Mr. Olson.

Visits Rotary International

During the Christmas holidays J. W. G. Morrison of the Vermilion Rotary Club visited Rotary International headquarters at Evanston, Ill., which is not far from Chicago. Mr. Morrison has the honor of being the first Rotarian of the Vermilion club to visit Rotary International.

Mr. Morrison is at present a patient in Vermilion hospital but is making a very satisfactory recovery from his recent illness, suffered on his return from a trip at Christmas time to St. Louis.

Charter member Ed Corley was also a patient in the hospital here at time of the Rotary meeting last week. The first meeting he had missed since the inauguration of the club three years ago on April 23rd. Ed is making progress to recovery and has now returned home but is under strict doctor's orders. His hearty laugh is really missed around the weekly luncheon table.

SHORT COURSES

Plans are now being made to hold three day Short Courses at Lloydminster, Vermilion and Mannville. Talks on New Weed Chemicals, Cross Breeding of Pigs, Special crops, Silage and several other important topics will be discussed. The meetings will be held about March 1st. There is always something new in varieties of grain and livestock, Landrace pigs for example. The speakers will all be authorities on their subjects. Get a programme from this office and plan to take in some of these interesting talks.

FROZEN CREAM

In spite of all the good weather some frozen cream is coming in to creameries. It is hard to get the right test and then when it is frozen the cream and butter becomes rough, mealy or streaky. Cool the cream quickly but do not let it freeze.

TARTARY BUCKWHEAT

Several farmers called at the office recently to enquire if there is any new chemical that will kill Tartary Buckwheat. No, there is not but 2, 4-D at the rate of eight ounces per acre will kill 90 percent of the plants if sprayed when the buckwheat is in the two leaf stage. In tests made at the University a weed free crop of barley gave 60 bushels per acre. With 160 Tartary Buckwheat plants per square yard the yield was only 26 bushels per acre.

BULLS ON LOAN

We have started to organize new Bull Loan Associations. The plan is operated by the Canada Department of Agriculture and it provides bulls for groups of five farmers or more with 30 cows or more. Any group interested should get organized before the end of January. There is still one good Hereford bull available in this district.

DISCOUNT ON BULLS

Quite a number of cattlemen are picking up their bulls now. The Alberta Department of Agriculture allows ten [illegible] percent bonuses on bulls bought under the Livestock Improvement Plan. You can pick your own bull but do not take him home until he is inspected. Get an application form from this office. It looks like we are going to have a shortage of good bulls this year.

GRADE 'A' WEIGHTS

A lot of pigs don't make 'A' grade because they are too heavy. Even where pigs are within the weights the heavier ones have less chance of getting 'A' grade. The best live weight to market pigs is from 190 to 210 pounds. Scales are available through this office at $23.00 each.

DERWENT THEATRE

Showing at Derwent theatre this week end Sat. and Mon. Jan. 18 and 20. 'Desperate Hours', with Frederic March and Humphrey Bogart in a tremendous mystery drama: Jan. 22, 23, 24, 'Battle Cry', a picture so outstanding that it will be shown for three nights; Jan. 25 and 27, "Lieutenant Wore Skirts". 27

CLANDONALD HALL

Showing at Clandonald hall on Jan. 17 and 18 "The Animal World" an interesting picture for the whole family; Thurs., Fri. and Sat. Jan. 23, 24, 25, "Giant", starring Elizabeth Taylor, Rock Hudson and James Dean, in technicolor. There will only be one show a night while this picture is showing, starting at 8 p.m. 27

Canadian Legion Notes

POLIO CANVASS

I wonder if citizens generally know what it means to put on a canvass of this whole [illegible]? That is what Vermilion Branch of the Canadian Legion started on Jan. 15th. The canvassers will be around for the next week or so asking for donations for the Legion Polio fund.

Members of the Ladies' Auxiliary will call at all houses in town and Legion members will canvass business places, and in the country. Someone has said that maybe I will be paying twice. Does that hurt so much? It is all for a very good cause.

There is a rumor around that only Legion members and their families can receive benefits from this fund. This is not true. Every person in the province of Alberta can get help from the polio fund if it is needed. Quite a number of people in Vermilion and district have obtained help during the past several years.

Some claim too that the government gives free hospital treatment, yes that is true, but only in hospitals. What about expense involved in transportation and what about looking after the children when a mother is stricken with polio? The provincial fund helps where the families are unable to pay these bills. It is an insurance where a large number of people pay in to a fund and it is paid out where polio strikes.

So much for the polio fund. The chairman of the canvass is Vic Tillett and he asks that everyone be generous in their giving. Last year Vermilion and district donated $1280. This year the objective is $2000. Mr. Tillett asks that Legion members and others volunteer as canvassers.

JUNIOR HOCKEY

The Legion is sponsoring one of the teams in the Bantam hockey league. This team will be coached by Constable Frank Docking. Junior sports programs are assisted where possible by R.C.M.P. personnel so it is very appropriate that Constable Docking has taken on the job of coaching the Legion team. There will be regular games soon, maybe starting this week. All the Legion members are urged to support their entry in this hockey league.

NEW MEMBERS

[illegible] new members [illegible] elected last week to the membership of this branch. [illegible] names are George Pearce, [illegible] Underdown and Gordon Malbeck. We welcome you Comrades and we hope that a lot more veterans around here will [illegible] an inspiration to belong to Vermilion Branch of the Canadian Legion.

Hockey Flourishes in Mannville

MANNVILLE. — Organization of the Mannville Hockey Association took place in November, 1957. President of this group is Elmer Kreller; Vice-President is [illegible] Ewing and Secretary, Angus Smith. Executive members are Lloyd Bee and Dr. Hasinoff. Four Bantam teams were formed consisting of boys 9 to 14 years of age; Midget team 14 to 16 years and a Juvenile team 16 to 18.

Sponsors of the four Bantam teams are: K. Scoggins, L. Mann, Croft & Laidlaw Garage, Leitch Hardware; Proudfoot & Conford, L. Bee, Phil May; M. Malin, R. [illegible], Maurice [illegible]; Gerry Barr, Mannville Motors. Midget team is sponsored by the Elks Lodge and the Juvenile team by the Canadian Legion. The Association is responsible for the Bantam teams and the sponsors are responsible for arranging for coaches. It is encouraging to see among the teen-age boys, interest in coaching Bantam teams, they are Charlie Gerhart, David Croft, Danny Hasinoff, Benny Bery, Lorne Scoggins and Alan Mann. Enthusiasm the young lads are showing is rewarding to those who are encouraging the growth of hockey in Mannville. The Hockey Association and coaches would welcome parents at games and practises and do appreciate the efforts being made to get the boys out to same. Les Kreller is the coach of the Midgets and Elmer is now coaching the Juveniles. As regards Bantam games, the scores to date show teams are evenly matched, both resulting in 1-1 ties.

DERWENT LOCALS

Following the age old custom, Christmas carollers from St. Joseph's Parish visited many homes in Derwent and Vermilion districts. They were very well received and are thankful for same.

Mr. and Mrs. Vic Christensen have returned from a two weeks' holiday spent at Mr. and Mrs. H. Hornford's and Mr. and Mrs. R. A. Tone's of Calgary.

A surprise birthday party was held for Mrs. John Charchun on her 70th birthday.

Mr. and Mrs. Carson McConnell and son have returned to Red Deer after a holiday at the home of Mr. and Mrs. George McConnell.

Don't expect the government to reduce highway traffic accidents — it's up to you.

A man might think he is killing time, but sooner or later time puts him out of the running.

BY-LAW No. 963

Municipal District of Vermilion River No. 71

A BY-LAW to regulate the use of all nuisance grounds within the jurisdiction of the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of Section 298, Sub-section "J" the Municipal District has authority to pass a by-law to regulate nuisance grounds, and

WHEREAS this course is now considered to be advisable as abuses have occurred in the use of nuisance grounds under the jurisdiction of the Municipal District of Vermilion River No. 71 and located within the boundaries of the Municipal District,

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

> No person shall deposit straw, hay or animal manure or any dead animal or any car body or car frame or truck body or truck frame or running gear or box of any wagon or any piece of formed metal greater in area than four (4) square feet in pits on the property or on any part of the property provided and set aside as a nuisance ground by the Municipal District tof Vermilion River No. 71 and within the boundaries of said Municipal District.
>
> Any persons who are found guilty of a breach of this by-law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five dollars ($25.00) and costs, for a second offence to a penalty of not more than fifty dollars ($50.00) and costs, and for a third or subsequent offence to a penalty of not more than one hundred dollars ($100.00) and costs.

DONE AND PASSED in Council this 10th day of December, 1957, A.D.

This by-law to become effective immediately upon the passing thereof.

SPENDING WINTER AT MESA, ARIZONA

The Editor received a card from Joe Stewart all the way from Mesa, Arizona. Joe wants his Standard sent to him there for the balance of the winter.

F.O. and Mrs. Alton Ronning and three children from Montreal spent four days in town last week visiting Mrs. Ronning's parents, Mr. and Mrs. E.H. Buckingham. They left on Sunday for Saskatoon to which point F.O. Ronning has been transferred and where the family will make their home for the next five years.

Friends here will be interested to learn that Vic Kusek is spending some time at Snag, Alaska, reputedly the coldest spot on the North American continent. Vic is an installer with the Northern Communications System which is operated by the Canadian National. His wife did not accompany him to the refrigerated area. Vic expected to be in the far north for two weeks.

Tommy Wilson and Bob Elbrond are now in Calgary where they are taking electrical courses at the Provincial Institute of Technology and Art. They will be away until the end of February.

Clifford J. Isley, manager of the Revelstoke Sawmill store and lumber yard here, is in Calgary this week attending a meeting of branch managers.

Mr. and Mrs. John Jacobson and family are moving to Drumheller to which point Johnny has been transferred by Canadian Utilities Ltd. John will be greatly missed especially around the curling rink as he is a keen advocate of the game.

Following flowers and cards have been received in memory of the late Mrs. Frieda Alice Fry: Flowers — Eva and John Gordey: Lorraine and Mike White; Mr. and Mrs. Alex Stewart. Sympathy cards from — Mrs. Cyril Davis; Billie and Leona McLaughlin; Wilfred McLennan and family; The Cartwrights; Walter and May Fisk.

Mrs. Peggy Hamilton of Salmon Arm, B.C. arrived Monday morning to spend two weeks at the home of her mother Mrs. G N King and Mr King and other members of the family.

Mr. and Mrs. Cecil Weldon and family left last week for their new home at Fort Saskatchewan. Mr. Weldon's successor here as foreman of public works has not been appointed.

ALBERTA THE BEST

On November 12th, 1957, Mr. and Mrs. Charley Hollen and Mr. and Mrs. J. T. Johnson left Vermilion by car for the U.S.A. The first stop was Great Falls, Montana, then on to Pleasant View, Colorado, to Mr. Hollen's old home. The country of Mexico was visited with the boundary being crossed at Nogales, and Hermosillo, a nice Mexican city, was visited and a little shopping was done. White people were at a minimum in this city and it was quite a hard job making them understand. All went well however until on the way back at the Mexican boundary all had to be vaccinated for smallpox.

Leedy, Oklahoma, was next visited and a call made on the Owens family. Mr. Owens is a brother of Mrs. Frank Long of Vermilion. Old friends and school mates were also visited here. Mr. and Mrs. Hollen then went on to Mexico City to visit a daughter, while Mr. and Mrs. Johnson went there later for Christmas and New Year's.

Mr. and Mrs. Johnson returned by bus through Iowa, Kansas, to Winnipeg and home. On the trip Mr. and Mrs. Johnson saw rain, snow, sleet, fog; also oranges growing, flowers in bloom, farmers seeding grain, received tornado warnings over T-V. They arrived home on Jan. 10th, with Mr. and Mrs. Hollen to follow in the spring. To quote Mr and Mrs. Johnson: "Alberta is just a little bit better than any other place, folks!"

Special Attraction At the Columbia

"Giant" an extra special feature, will be shown at the Columbia theatre from Thursday to Saturday inclusive Jan. 23, 24, 25. "Giant" stars Rock Hudson, Elizabeth Taylor and Jas. Dean.

The story of an intolerant Texan and a strong-willed girl from Maryland, of their marriage, their children and their ultimate happiness.

This film version in Cinemascope and Warner color, of the best-selling novel by Edna Ferber, has pleased crowds everywhere it has shown, and was held over in many theatres in order that everyone would be able to see this extra-special drama. A treat for the whole family. Don't miss it! Special prices as follows, will prevail: Adults 65 cents, students 40 cents and children 25 cents. 27-8c

Turkeys Hatched By Hen January 4th

The earliest hatching of turkeys by natural means (eggs under a hen for the sake of the rising generation) was reported this week by Mr and Mrs Philip Smith of Landonville. The turkey eggs were hatched by a turkey hen on Jan 4th. A second setting was expected on Jan. 12.

WILDMERE WINKS

We are very pleased to see that the Elks have thought of the country women and children and are providing a rest room. It is something that has been desperately needed for many years in Vermilion. The country women's groups were about to invade the town about one. The townspeople do not realize how hard it has been for mothers with babies and small children to care for them in town. Only alternatives were to go to a restaurant and lay them on a table or change them in a car. Once again we say hats off to big brother Elks.

On Sunday January 19, Rev Mackay will hold church service in Preston Central School at 3 [illegible]. Plan to [illegible].

[illegible] attended the Gay 90's New Year's Eve dance where a big crowd welcomed in the New Year with lots of noisemakers and merriment. President Chas Waldenburger had Jim Miller of Islay as M.C. and he certainly kept everything humming. A Happy Birthday was sung for Fred Luchyk who had a birthday on New Year's day.

The Hanna orchestra supplied the music. At supper time Mr and Mrs. Thos. Thompson were called to the mike and presented with a gift from the Gay 90 group for their long service with the group. Long may they attend these good dances.

A nice skating party was put on by Betty Smith of Basswood on Saturday evening January 4 to celebrate her birthday on January 5. A good crowd attended. After skating, they gathered at her parents home, Mr. and Mrs. Albert Smith where [illegible] and games were played. A bountiful lunch complete with a birthday cake closed the pleasant evening. Everyone wished Betty many more such happy birthdays.

We understand Mr. and Mrs. Jack Veitch of Battleview have moved to make their home in Wainwright. This fine couple have lived several years in the district. Mrs. Veitch taught in [illegible] school before the Central school was built. They were grand neighbors and will be missed [illegible]. May they find things a bit easier from the busy farm life. Their son William is taking over the home place. A farewell party for Mr and Mrs. Veitch will be held on Friday, January 17 at Battleview School.

We would like to say that Mr L. Lawson Allan, Vice-President of the Home and School of Chauvin Alta. will be guest speaker at Preston Central School on Jan 21 at the Home and School meeting. Plan to attend and hear Mr Allan. The lunch committee for that night: Mrs W. Veitch and Mrs. Fred Haines.

A very successful Bingo sponsored by the F.U.A. was held at Preston Central School on Friday evening last; good prizes were given the winner of each game. The grand prize was won by Wm Garnett Jr. It was a nice blanket donated by Mrs. F Haines. Everyone enjoyed the pleasant evening.

Several Wildmere-ites attended the dance Friday evening at Thorncliffe where a large crowd attended. The Funnell orchestra furnished the music and Chas Sweeney was M.C.

Berdie Fadden suffered a gash in his forehead Saturday morning when his head struck the wind shield of his car when it slipped into the ditch on an icy turn. Cliff Crothers took him to the doctor where eight stitches were required in the wound.

WILDMERE WINKS TO [illegible]

There will be no Winks for a couple of weeks as the writer is going to Ontario with her niece Peggy Graham for a little holiday. We will be back with the Winks later on.

Thanks to our Editor and staff for the nice Pen set at Xmas. It's a very useful gift.

Vegreville Mayor, E. F. Morton Dies

Well known in Vermilion where at one time he was connected with the business of the late Charles W. Robinson, Edmund Forrest (Bill) Morton of Vegreville died suddenly in the Lamont hospital on Saturday. At time of his death he had served as Mayor of Vegreville for seven years. He was 65 years of age.

Mr. Morton had been secretary-manager of the Vegreville Exhibition Association for 6 years. He served in the army for seven years and ended his service as a major. He was president of the Vegreville branch of the Canadian Legion for nine years.

Mr. Morton is survived by his widow and two sons in Vegreville, and a brother, Alex in Calgary.

CARD OF THANKS

The matron, staff and patients of the Vermilion hospital wish to thank the general public for the many ways they were remembered during the festive season. It is deeply appreciated.

Camera Tips for "Sidewalk Superintendents"

Whenever you see a "Men Working" sign, plan to put your camera to work, too. Join the "sidewalk superintendents" to watch the ever-fascinating business of building.

There's always bound to be a lot of interesting activity going on around such signs, and your finished roll can turn up with some fine dramatic pictures. Men in overalls, a steam shovel and a mountain of rubble and dirt may not sound very exciting—but just wait and see. Good composition and a low camera angle can do wonders with this type of material. Choosing a low angle will give an impression of how small a man can be against huge machines and the universe in general. Yet, in effect, your picture will show that he [illegible] machines and even a part of the universe despite his small size.

Dramatic story-telling shots are waiting wherever men—or women, for that matter—are at work. Construction jobs are always naturals, but you'll find that other fields of activity can produce interesting "Men Working" shots, too.

Farm, factory, laboratory, workshop—just about any place of occupation you can name will inspire unusual action-filled pictures. Put your camera to work anywhere people work—and the results should more than justify your picture-taking efforts. In fact, you might even come up with some good entries for one of the national snapshot contests.

"PARTY" FOOD FOR ANY OCCASION

Regardless of the occasion, any night is a wonderful time to have a party. Enjoy yourself and still be able to serve a substantial late-night supper. When excitement is high appetites will be stimulated . . .

Your guests will all agree that this "Party Night Casserole" is a hearty and satisfying dish. Combine diced cooked turkey or chicken with spaghetti in tomato sauce and top with grated cheese. It is a dish so good everyone will think you spent hours preparing it. Yet, most of the ingredients are ready and waiting on your pantry shelf.

If you wish, combine the ingredients early in the day and refrigerate it until it is time to bake.

PARTY NIGHT CASSEROLE
2 cups diced cooked turkey or chicken
2 cans (15 ounce size) spaghetti in tomato sauce with cheese
2 tablespoons finely chopped pimento
¼ cup finely chopped green pepper
[illegible]
1 teaspoon garlic salt
Dash of cayenne pepper
¼ cup grated sharp cheese

Lightly combine turkey or chicken with all other ingredients except cheese. Spoon mixture into a 1½ quart casserole; bake in a moderate oven (350° F.) for 20 minutes; then sprinkle with cheese and bake 10 minutes longer. If refrigerated before baking, increase cooking time to 45 minutes. Makes 6 servings.

Other likely ingredients might be oven-cooked asparagus with lemon slices, a crispy tossed salad, piping hot [illegible] rolls, and "Choose-Your-Own" Pies.

To make the pies, just heat your favorite frozen pies (apple, cherry, peach or blueberry) as directed on the package. While warm, top with scoops of ice cream and [illegible] on [illegible] on top.

OUR LETTER FROM EDMONTON

Provincial Liberal Party Held Annual Convention in Capital

by KEN MASON

EDMONTON.—The federal Liberal party's reverses at the polls in June apparently haven't dampened the spirit of the provincial Liberal party.

Some 200 delegates were in the capital city last week for the annual convention of the Alberta Liberal Association, and the keynote was optimism about the future of the party both federally and provincially.

The convention opened with with more than a dozen Alberta Liberal MLA's on the platform, and this seemed to give the delegates a lift. If there was any pessimism, it was dispelled at least in part by the realization that Liberalism is a fairly strong political force in Alberta.

The meeting also appeared to put a new stress on party unity. Provincial Leader J. Harper Prowse made no bones about the fact that there had been some differences between federal and provincial Liberal organizations in the past, but these have been [illegible]

He said the party will no longer involve itself in 'senseless rivalry and misunderstanding' that could be easily cleared up.

Apparently, word has come from Ottawa that the idea of building a super-national party base, has been recognized as a wrong policy. Mr Prowse said this, and was backed up by Hon. Paul Martin, former minister of health and welfare.

All of which means the general electorate can look for an increased drive for active membership in the Liberal organization. In the individual constituencies, there will be no more distinction between federal and provincial Liberal goals.

Mr. Prowse was frank in his answers to a number of difficult questions, mostly concerning his status in the federal Liberal drive. His answer was that he had been virtually hamstrung by federal Liberal policy which dictated that the farther away from provincial politics the federal organization could remove itself, the better.

Like a true politician, Mr. Prowse also told the convention that the Liberals would form the government after the next provincial election. He pointed to such things as the $20 oil and gas dividend, and the provincial-municipal financial talks as indications that Premier Manning and his followers are 'running scared.'

The dividend, he said, is nothing more than a scheme to buy votes, and charged the government is using provincial municipal talks as a means of getting someone else to make it's decisions. The government has abdicated it's responsibilities, he said.

The Liberals, of course, are hoping they can better the showing they made in the 1955 election when their representation in the house climbed from four to fifteen on the basis of numerous groundless and irresponsible charges.

And far from regarding the federal defeat as an ill omen, they seem to view it as an opportunity to regroup their forces on a sounder basis and re-state their policies. Only an election will give the answer, but the Liberals certainly aren't lacking in [illegible]

FEDERAL LEADERSHIP

Hon. Paul Martin was an impressive speaker at the Liberal convention, and convinced most delegates that he'll be a strong contender for national leadership of the Liberal party when the convention is held in January.

Of course, he hasn't said definitely he'll be in the running and will probably hold announcement until he's back in his home constituency. He parried all questions on the subject, but when asked about his tour of the west said he wasn't doing it for his health.

He didn't divulge a thing in any of his talks before the convention, but in the hotel corridors and smoke-filled rooms there was little doubt in the minds of delegates that Mr. Martin will throw his hat into the ring.

Most of those present seemed to support Hon. Lester B. Pearson for the leadership, but there was agreement that either one would make a good party chieftain.

Mr and Mrs. John Schock and girls were Sunday visitors at the home of Mr. and Mrs. Gordon Terry at Vermilion.

Harry Arnold is a patient in the local hospital at time of writing this news.

Home over the week end were James Croft and Norma McLuckie, now of Edmonton.

Mrs. Fred Bey is a patient in Mannville hospital.

Joe Horbach is also a hospital patient in Mannville.

Russel Whitson is attending the Liberal Convention in Ottawa at this time.

Maggie Tod and her mother, Mrs. R.S. Tod, are enjoying a visit from Mrs. Charlie Nutting of Vancouver (formerly Effie Younge of Mannville).

Mrs. Arlie Marshall has accepted a position as clerk at the Co-op store here.

Mrs. E. Barlow and Miss Jean Peters of Edmonton were Mannville visitors during the weekend.

Past Year Worst in Automobile Insurance History; Higher Rates in '58

Generally higher automobile insurance rates will apply across Canada in 1958, with increases ranging from "minor" to "substantial," a survey of insurance company plans for the new year indicated today. For the past two months, companies have been studying the statistical data which has confirmed that the past year was the worst in automobile insurance history.

All Canada Insurance Federation, an association which does not itself have any authority over rates, undertook the survey of some 300 member companies to ascertain the general pattern for the coming year. And the general pattern is "up" — considerably in many cases.

The survey showed that higher price of cars — with the consequent higher cost of repairs — was the major factor forcing the increase in rates. Average cost per claim has jumped to an all time high—some 20 per cent over that of a few years ago. This has been only partially offset by the one encouraging note in the situation, the fact that the number of accidents in relation to the number of vehicles insured has dropped slightly.

"Longer cars, wider cars, cars packed with expensive — and breakable — equipment make each accident a more expensive proposition, and it just isn't possible to insure $4,000 or $5,000 cars at the price of $2,000 cars," the survey report said.

"Unfortunately, as far as insurance to cover a motorist's liability to others is concerned, the fact that he may still be driving an inexpensive car doesn't help any. It isn't what he is driving, but what he may hit that counts. A so-called 'cheap' car can still do a tremendous amount of damage to those shiny, new models with all their power assists. But the public wants the modern cars and so the insurance premiums have got to cover the extra claims costs."

The report noted that other factors were involved as well such as higher medical costs, higher hospital costs and higher "lost time" payments to persons injured in accidents. [illegible] the most potent factor in the sharply higher cost per claim was the repair bill which resulted when a late model car was involved in an accident.

Rates themselves, and the increases involved, vary widely from place to place and from person to person within each area depending on widely-varying driving hazards from area to area and on widely-varying uses to which vehicles are put within each area. There are also varying discounts off regular rates for drivers who have gone one, two and three years without an accident. The survey indicated that, of the 70 different areas into which Canada is divided for insurance purposes, increase range all the way from three per cent, up to a 35 per cent, increase.

The survey drew no conclusion as to the average rate of increase country-wide. It said that "because of the wide variations between areas, and the wide variations between various classifications of drivers within each area, plus the effects on rate changes for drivers moving from one no-accident district into an other, any attempt to quote an average would result in a figure which undoubtedly would be highly inaccurate in the great majority of cases."

United Church W. A. Meets

MANNVILLE: Reverend Ian Holter was present to install various officers of the United Church W.A. Thursday evening of last week at the home of Mrs. Gamble. There were approximately 15 members present and three visitors. The next meeting is to be held at the home of Mrs. Angus Smith, co-hostesses to be Mrs. Gamble and Mrs. F. Wood, on the second Thursday in February. Lunch at the close of the meeting was served to an appreciative gathering by co-hostesses Mrs. A. Rostron and Mrs. Fred Proudfoot.

NEWS from ISLAY

Grain quota is open again and trucks are roaring in and out. The grain buyers seem glad to be busy. Bill McLean of the Alberta Pool says it is a pleasure working in the new building and the office is gas heated adding to its comfort.

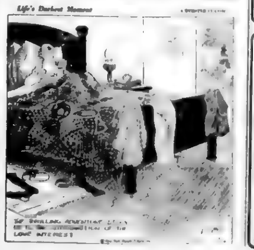
Mrs Robertson who spent a number of weeks with her son Clarence and his wife has now returned to an Edmonton hospital.

Mr and Mrs Dalt Torrance were on a business trip to Edmonton Monday, returning Tuesday evening.

Mrs. Axley of Dewberry had a family gathering for a turkey dinner Sunday evening including Mr and Mrs Bill Axley and family of Islay, Mr and Mrs. Ed McFadyen and Alex. Bruce McFadyen and Miss Marge Mathison of Dewberry. Bruce is now in the C.N.R. station at Lloydminster.

The monthly meeting of the United Church W.A. was held in the church hall Thursday afternoon with the newly elected President Mrs Sweet in the chair and newly elected Secretary [illegible]. Next meeting will be in the church hall Feb 5th when the program for the year will be planned. Guest speaker was Miss Mae Shields, missionary on furlough from Bolivia. It was a great pleasure to have Miss Shields for her second time as we enjoyed a visit from her in 1951 when on furlough. This time she had colored slides which were exceptionally well taken, giving us views of the country and the people where she labors, a most difficult place to work but the missionaries have made progress. In the evening a public meeting was held when Miss Shields spoke and showed more slides. She had much to tell but the time was all too short. This evening meeting was well attended. Miss Shields spent Thursday with Mrs. Schaffer, stayed over Friday with Gladys and Muriel Stone, had dinner with Mrs. Betty Purser and reminisced old days as Mae and Betty were children together in Vermilion and both worked in the same office after finishing high school. A grand afternoon was spent. We hope she is able to return here once more before leaving for Bolivia again in the late fall.

Life's Darkest Moment



HAVE FUN!

By LEE DRYAN

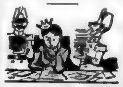
A sailor, after placing some flowers on a grave in a cemetery, noticed an old Chinaman placing a bowl of rice on a nearby grave, and asked: "What time do you expect your friend to come up to eat the rice?"

The old Chinaman replied with a smile: "Same time you friend come up to smell flowers."

"I'm sorry that I haven't a dime," said the lady as she handed the bus driver a ten dollar bill.

"Don't worry, lady, you're going to have 99 of 'em in a couple minutes."

Mother: "Where have you been, Johnny?"
Johnny: "Playing ball."
Mother: (severely): "But I told you to beat the rug, didn't I?"
Johnny: "No ma'am. You told me to hang the rug on the line and beat it."



HERE'S ONE THAT PUZZLED a queen. It is said the late Queen Victoria was fond of puzzles, and that she was completely stumped by this one. Make a good English word out of these letters:

The marvellous weather received from the weatherman all during our winter months has continued this past week. It did slip just below zero in the dead of night however on three occasions. Nearly two inches of snow fell but this was of a very light and fluffy nature and did not seem nearly that much.

Temperatures all winter have read more like those at the coast, but we have no rain and plenty of bright sunshiny days.

New Year Babes Win Prizes

Every year Clendenning's Family Wear welcomes the first baby to arrive in each of the four hospitals at Vermilion, Islay, Mannville and Myrnam with generous prizes. The parents of the first baby receive a $5.00 credit on merchandise in each district, then to the first arrival of the four goes an additional $10.00 merchandise credit, and to the newcomer the title of Mr 1958.

This year the prize winning parents are Mr. and Mrs. Oscar Krakaski of Mannville whose son was born in the Vermilion hospital on New Year's Day at 4 50 p.m. He is thus Mr. 1958 and wins the $5.00 and $10.00 prizes.

At Islay the little daughter of Mr and Mrs. Donald Maddex was the first arrival of 1958, born on January 8th.

A son was born to Mr. and Mrs. Wm. Sharp of Minburn in the Mannville hospital on January 2nd.

At Myrnam the first arrival was a daughter to Mrs. Mary Pawlyk and Mr. Pawlyk.

Honor Member On 88th Birthday

Highlight of the first meeting of the W.M.S. of the United Church was the honoring of Mrs. H.C. Oakley on the occasion of her 88th birthday. A birthday card on which the names of all members present were inscribed was presented to this esteemed member.

The meeting was held on Jan. 9th in the church hall commencing at 2:30 p.m., Mrs. Agnes McLean, the president, was in the chair. The session was opened with a hymn, followed by the devotional led by Mrs. MacKay who took for her topic "Building a New House in the New Year." The foundation was the Bible, the Word of God. The house was made with five doors: these symbolized Peace, Joy, Courage, Faith, and the fifth, Prayer. If we use this house we would have a wonderful life.

The Rev C. W. MacKay was called in at that time to install the new officers for 1958.

Minutes were then read for December, old business completed and new business taken up.

Roll call revealed 19 members present and two visitors, Mrs. Jones and Mrs. Merial.

In honor of Mrs. Oakley, a delicious and lovely birthday cake was served with the lunch, and happy birthday was sung. A social half hour was enjoyed before dispersing.

Explorers Active At Marwayne

The first activity for November for the Marwayne Explorers was a Hallowe'en party held on Nov. 7th at the home of Mrs. Ron. All were in costume, games were played and a very tasty lunch enjoyed. Everyone had a good time. During the month Lynell Shortt and Linda [illegible] of Kitscoty and Olga [illegible] and Rosemary Culford were welcomed to the group.

In December the highlight was a Christmas party held Dec. 12. At this party a White Gift box was packed, this being the Xmas project.

Church service was attended on Dec. 1st and eight new members were initiated to the group Dec. 5th. All attended the C.G.I.T. Vesper service on Dec 19th.

The group would like to thank all who contributed to the 'Imaginary Tree', and wish all our readers a Happy New Year.

Smith Family Enjoy Re-union

MANNVILLE—Sunday, Jan. 5, marked a pleasant day for Mr. and Mrs. Dan Smith of Mannville, when they, with their children and grandchildren, spent the afternoon at the home of Mr. and Mrs. Angus Smith. Present at the gathering were Mr. and Mrs. Dan Smith, Mr and Mrs. Don Lugg, Mr and Mrs. Maurice Smith and family, Mr and Mrs. C. Swain and family, (with the exception of Allan who was playing hockey), Mr and Mrs. Len Donaldson and family of Redwater, and Mr and Mrs. Angus Smith and family. A closely contested curling game, Donaldson versus Swain, followed by a session of darts, whetted the appetites of the party for the turkey dinner which was served at 4:30 p.m. All did full justice to the meal. After dinner, [illegible] enjoyed the showing of [illegible] movies. Because of travelling distance, the Donaldsons left for home at seven, the others leaving soon after.

Dewberry Home and School To Curb Rowdiness on Skating Rink

DEWBERRY. — The January meeting of the Dewberry Home and School Association was held on Jan. 9th with an attendance of around 45. It was encouraging to see so many men in attendance.

It was found that after treats were paid for there was a balance of $18.41 from the Xmas concert. Rather than carry this over it was decided to give this to the caretaker and to the volunteer musicians of the evening.

A new lunch committee was chosen, also a fun committee.

A motion regarding the skating rink was made as follows: "Anyone using profane language or showing rowdiness were to be reprimanded in a fair way, penalties to be: 1st offence — skating ticket to be taken away for one week; 2nd offence — 2 weeks; 3rd offence — 3 weeks.

Motion was made to have a school opening. This motion was lost.

Next on the program was a panel discussion on 'Children and Reading'. Members of the panel being Mrs. Haskell chairman, Mrs. W. Mathison, Mrs. Don Brown and Mrs. Holmen.

The discussion that followed was lively and interesting. Nearly everyone agreed that until they find a better method, phonetics are the only way of teaching reading. When a teacher in the grade 6 and 7 room has been advised to introduce phonics at that grade level, there is something drastically wrong.

It is found of course that reading is an absolute necessity. You couldn't possibly get on in school without being able to read — to solve math problems you have to know how to read. So it is essential that students learn to read, and grades 1, 2 and 3 is where it should be taught.

Next meeting will be held on Feb. 13th and it is hoped to have Mrs. W. S. McLean of Lloydminster as guest speaker. She at one time was executive-secretary of the Canadian Home and School Federation. The regional vice-president may also be present, and the Marwayne Home and School Association has been invited to attend.

Anyone interested in education is cordially invited to be present on Feb. 13th.

Public Meeting Culminates 3-day Assembly of Jehovah's Witnesses

A record attendance of 288 people listened in rapt attention while Mr. C. E. Hepworth, representative of the Watch Tower Society gave a scriptual answer to "What Are the Prospects For Lasting Peace?" at Vermilion on Sunday, Jan. 12th. The Bible talk was the culmination of a three-day Circuit Assembly of Jehovah's Witnesses of north-eastern Alberta.

Of striking interest to the audience was the information when Mr. Hepworth said: "Mankind will soon see a great change take place from the present wicked rule in which there is no peace, to a righteous government that will bring lasting peace." He quoted from Isaiah 9:6 which states: "For unto us a child is born, unto us a son is given and the government shall be upon his shoulder and his name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace".

"This will certainly fulfill the Lord's prayer that is so well known to all Christians", added Mr. Hepworth.

The convention commenced on Friday evening with the session 'Ministry School' which reviewed the qualifications of Christian ministers. On Saturday morning the delegates put these qualifications into practical use by calling upon the residents of Vermilion and district imparting Bible knowledge. In the afternoon a discourse on Baptism was heard which was followed by a baptismal ceremony with five new ministers immersed. On Sunday following the public talk Mr. D. M. Hosie, Circuit Supervisor, spoke on the respect and responsibility that Christians should have for their organization.

Three local ministers shared in the Assembly activity. Mr Abe Friesen, Convention manager stated "We sincerely hope that the advanced training planned for us will enable us to live closer to the Bible and its teachings. We maintain that if a religion is worthwhile believing, it is worthwhile putting into practice." Both Mr Neil Huff of Vermilion and Mr Mel Warren now of Ardmore, took time off from their business to share in the Christian gathering.

Another outstanding feature of the event that caught much attention was the catering of the meals which were made available to all delegates and visitors at a reasonable sum. The cafeteria was arranged for and managed by the Witnesses themselves and was done very efficiently resulting in a well-fed convention both spiritually and materially.

After the public talk Mr Hepworth called attention to the fact that Jehovah's Witnesses are having an International Convention in July in New York City at the Yankee Stadium and the Polo Grounds. This will be similar to the one held in 1953 when a peak attendance of over 165,000 people were present at the main session. Many of the delegates in attendance at Vermilion are already making their plans to attend this convention in New York.

Before the Assembly concluded the Witnesses expressed their appreciation to the residents and business men of Vermilion.

ESTABLISH GOOD FOOD HABIT IN CHILDREN

Simple well-cooked meals that are served at regular times in pleasant surroundings will go far toward encouraging good food habits in children. The most important consideration is to see that children eat a variety of foods and do not fill up on one food they like best. When introducing new food to a baby, present it at the beginning of the meal when the baby is hungry and give only small amounts. If the baby does not like it, do not act concerned or scold him, but give him another small bite in a moment. If he persistently refuses, and it is a food that is very desirable you may find that he will take it if you mix it with some other food to which he is accustomed. Sometimes it is a good idea to wait several days before trying the new food a second time.

Parents' anxiety about their children's eating is frequently the cause of poor food habits. Even babies and very young children may refuse to eat, as a means of getting attention. Habitual refusal should always be a sign for talking things over with the doctor. Children's appetites, like those of adults, may vary from day to day, so that occasional lack of appetite should not cause alarm. No attempt should be made to force the child to eat as it is likely to result in an emotional upset, which may have a permanent effect on his attitude toward food. Also when a child who has always had a good appetite refuses to eat, it may mean that the child is not well or is not getting enough rest.

HOURS OF SLEEP

The very young baby sleeps from 20 to 24 hours out of the 24, but gradually the length of time he sleeps grows less until at six months he is sleeping about 16 to 18 hours.

From the first he should have his longest sleep period at night, for your sake as well as his own. By the time he is nine months old he should be having twelve unbroken hours of sleep at night. As the amount of sleep your baby needs grows less, you will find that one of his daytime naps becomes shorter. Perhaps before he is 18 months old he will no longer need two naps a day. Between the ages of 2 and 6 years the number of hours a child sleeps gradually decreases from about 13 to 11 hours out of the 24.

Early to bed should be the rule all through childhood. Also, every young child needs a nap during the day. Some children tend to omit the nap earlier than others. The regularity with which you stick to a certain hour for naps will greatly encourage the continuance of the habit.

The place where your baby sleeps should not be too bright and should be protected from sudden noises and interruptions. However, it will not always be possible for him to sleep where it is completely dark and quiet, so it is advisable not to pull the shades all the way down, not to shut out every bit of noise. The baby should sleep in his own bed when possible. Both he and mother will sleep better separately, and the baby will not form the habit of having his mother lie down beside him when he goes to bed. A young child also should have a bed to himself. There should be a constant circulation of fresh air in the room in which your baby or young child sleeps. In warm weather all open windows should be well screened against flies and mosquitoes. Bed covers should be adapted to the temperature of the room.

Johnny Lettengarver, Ice Capades star and U.S. Olympic winner, as he appears in costume in the musical 'Rhapsody in Blue' based on the famous composition by George Gershwin.

WOODVALE NOTES

Readers who remember Rev. Charles A. MacDonald, a student minister in the district in 1949 and a supervisor in the Ganton school in 1950, will be interested in learning that Mr. and Mrs. MacDonald, now living in Dalhousie, N.S., became the proud parents of a son, Ian, on Nov. 29th. Another 1957 item is that Mr and Mrs. Jack Johnson (nee Joyce Goettsen) who were married in Creston, B.C., on Dec. 21, came for their honeymoon to visit Joyce's sister Mrs. Kay Barfett and husband who live along highway 16 near Islay and spent Christmas and the week following at the home of Mr. and Mrs. [illegible]

The Red Cross Auxiliary met on Jan. 8th at the home of Mrs. Ray McQuid with all members present but one, and Mrs. W. A. Anderson as guest. We all hope that Mrs. Anderson will become a regular member too. At the business portion of the meeting held first, it was decided to collect second hand clothing and the layettes which are now being sewn by the ladies for the Unitarian Service Committee, at the next meeting to be held at the home of Mrs. Amy Portsmith on Feb. 12. The ladies will make a few baby quilts that day also to be included in the shipment. After the meeting was concluded Miss Craig, our District Home Economist gave an interesting talk on "Flowers the Year Around" and showed some pictures which were very interesting and slides on flower arrangements. After thanking her, Mrs. McQuid served a delicious lunch and everyone took time off to do a bit of visiting and catching up on Xmas news.

A square dance party was held at Union school on the 9th with quite a good crowd attending to enjoy the evening of dancing with Mr. S. DeGuire as caller.

The next evening the Union hall was the scene of a Wheat Pool meeting with a big crowd present to enjoy four interesting films. The district delegate Mr. Clark Dobson gave a short report afterwards and Mr. Hill and Mr. Ross Taylor were introduced and made a few remarks about the 'Co-operative Store'. Coffee and lunch ended the very worthwhile evening.

Gordon Dixon has been in Edmonton for treatment to his eyes. We sincerely hope that the treatment will prove successful as he has had eye trouble for a long time.

We were indeed pleased to see the announcement in the Standard of the opening of the Elks rest room on Feb. 1st. A great many people, especially from the country, will be grateful to the B.P.O.E., and we hope the people will show their appreciation by helping to keep it clean and tidy, as other and smaller private restrooms have been closed in the past for lack of co-operation from the public on that account.

Snow and lower temperatures on Sunday probably means the end of the springlike weather we have been enjoying. At least we thought all were enjoying it but we heard a complaint from an ardent curler that it was too warm to make a good ice sheet! It's hard to please everybody isn't it?

Now is the time
for all good tradesmen!

This is the "Off Season" for carpenters, electricians, plumbers, painters, plasterers and other tradesmen. In Spring their services will again be in heavy demand . . . they may not be able to devote the time and attention that they can right now.

If you have a job that's waiting to be done . . . don't wait until the "busy Season" . . . HAVE IT DONE NOW! You'll not only be saving money for yourself—you'll also be helping everyone. You'll be providing gainful employment . . . helping to solve the problem of lost wages and purchasing power caused by seasonal "layoffs".

Any way you look at it, you'll be time and money ahead . . . if you

Iron Ore Trend

The Financial Post reports this prediction from a mining engineer who has been making special studies of Canadian iron ore properties: "In 10 years, all iron ore sold to steelmakers will have to be processed." Increasing demand for highgrade, treated ores is a major trend to watch.

News from Dewberry

(This bulletin was crowded out of last week's issue.)

The donations to bingo night held on Dec. 23rd are as follows: Ralph Lunden $2, Loyal Krawchuk $2, Jack Kiss $2, W. Woods $1, Dave Munro $1.60, Dennil's Garage $5, Farmers' Store $5.30, Co-op. Store $4.50, Hornigold's Store $5, Jones' Garage $5, Mrs. McKay $5, Redman's Garage $5, Hotel Cafe $2, one turkey each from Gordon Rainey, Tom Applegate, Harold McKnight. The Bantam hockey club wish to thank the above for their donations. Thanks also to all those who supported the bingo and made it the success it undoubtedly was.

RECORD GRAIN DELIVERY

The grain quota for Dewberry opened just before Xmas, the quota being two bushels per acre. On Monday Dec. 23rd the Wheat Pool elevator operated by Stan Chodak took in a record for one day of 12,800 bushels. It was noticed that 21 trucks were lined up at one time awaiting their turn to unload at the same elevator.

BANTAMS WIN

Dewberry Bantams won their first scheduled game against the Clandonald Bantams by a 5 to 0 score. Watch for the next league fixtures, dates of which will be announced soon. The boys hope to blossom forth in all new uniforms soon. In Dewberry all boys wanting to play hockey start doing so in their first year term at school. In all, Dewberry has 75 boys under 18 playing. Some play in Vermilion and some in Kitscoty with teams in these places.

DEWBERRY BOYS ACTIVE IN HOCKEY IN VERMILION

Six of our high school students attending school in Vermilion are now playing on the Juvenile team there, the Vermilion Bob Cats, namely, Ronald Mathison, Frank Mathison, Elmer Jones, Delbert Jones, Walter Elliott and Arthur Redman. This speaks well of the Dewberry system of hockey which starts the youngsters off young.

Patients in Islay hospital at time of writing are Mr. Tom Applegate, Mr. A. Redman, Mr. Gus Garnier, Mr. Gordon Mathison, Mrs. Craige Sr., Mrs. Kiss. Mrs. Jack Grant was in Vermilion hospital suffering from severe facial injuries received in a car accident. Best wishes are extended to all for a speedy recovery.

Bobby Walker's truck and Mr Laird's car were involved in an accident recently. Fortunately none of the passengers were seriously injured.

Earl Walker has gone to Calgary to take a course in welding.

Congratulations to Mr and Mrs. Vic Dennil who celebrated their 33rd wedding anniversary on New Year's day.

Congratulations also to Mrs. Iris Hodgson and Miss Margaret Hornigold on their fine singing over CKSA.

Mr. George Benjamin of Halifax is spending the winter here with his sister Mrs. M. B. Windisch.

C.G.I.T. VESPER SERVICE

Dewberry C.G.I.T. under the leadership of Mrs. Elsie Jones held their regular vesper service in the newly-enlarged church before Christmas. The candlelight service was very impressive. Comprising the group are the leader Mrs. Jones, Irene Parker, Sharon Braithwaite, Isabelle Jones, Lorraine Braithwaite, Cheryl Jones, Lea Anderson, Wynonna Lunden, Edna Mathison, Tina Whiteside, Mary Hornigold, Lynne Purser, Jean Holman. Just before the candlelight service the wee small Sunday school group under leadership of Mrs. Dorothy Oxton held a short service.

NEW YEAR'S DANCE BIG SUCCESS

The Dewberry New Year's eve dance drew the biggest crowd on record. People came from far and near for the event and report a very enjoyable evening. On the stroke of midnight noisemakers of all kinds, hats and streamers and all the essentials that go with a New Year's eve party made their appearance. Bedlam broke loose for awhile as happy merrymakers began wishing each other a happy New Year. The Dewberry Home and School sponsored the occasion, turning the proceeds over to the hockey club. Music was provided by Mr Fred Gould on the drums, Mrs. Mary Stewart violin guitar and Mrs. H. Webdale at the piano.

The large turkey donated by Mr. and Mrs. Steve Romanchuk was won by Jim Honey.

PUBLIC NOTICE
PROVINCE of ALBERTA

NOTICE is hereby given that the Government of the Province of Alberta has appointed a Commission and has authorized that Commission to study and consider the aims and objectives essential to maintain a proper and adequate educational program for pupils of the elementary and secondary schools of the Province, and to inquire into the various aspects of elementary and secondary education as they relate to the schools of Alberta. Interested persons may secure a copy of the terms of reference of the Commission by writing to the Secretary.

Notice is further given that during the months of May and June the Commission will hold public hearings in Edmonton, Calgary, Lethbridge, Medicine Hat, Red Deer, Grande Prairie and, perhaps, in other places for the purpose of receiving briefs and submissions from persons and organizations relative to the matters under deliberation. Publication will be made in the press, in the localities selected, of the times and places of the public hearings, at which times and places all interested parties must be prepared to present their respective submissions.

Ten copies of all briefs and submissions must be filed with the Commission secretary during the interval of time March 1st to April 15th, 1958. All submissions are to be typewritten and double-spaced, using one side of the paper only.

DATED at Edmonton this 3rd day of January, A.D. 1958.

Vermilion Teacher Married In Candlelight Ceremony at Marwayne

The Marwayne Alliance Tabernacle was decorated beautifully for a candle-light wedding on Dec. 30th at 5 p.m. when Martha Elizabeth, daughter of Mr and Mrs. Richard Swanson, became the bride of Norman Clifford May, son of Mr. and Mrs. George May of Calgary in a double-ring ceremony with Rev. Thos Addison officiating.

Given in marriage by her father the bride was lovely in a white satin gown featuring a slim bodice sloped to points at waistline, back and front, buttoning down the front, high collar and long sleeves and the gathered skirt falling gracefully to the floor. Her three-quarter-length veil was held in place by a band of tiny roses and she carried a white Bible with a cascade bouquet of red roses.

Attending the bride were the Misses June Gunderson and Janet Swanson, sister of the bride, wearing identically-styled waltz-length gowns of coral and green velvet respectively. In their hair were bandeaux of small satin roses and they carried Colonial bouquets of white mums.

The flower girl, Connie Swanson, niece of the bride, a lovely little two-year-old dressed in coral velvet, carried a basket of white mums.

Paul Swanson, brother of the bride, was the ring-bearer.

The groom was attended by Mr. Donald May, brother of the groom, and Mr. Philip Paulson.

The candlelighters were the Misses Norma May, sister of the groom, and Miss Betty Little. They wore light green net over taffeta waltz-length dresses and corsages of red carnations.

Messrs. Albin Swanson, brother of the bride and Teddy Kent acted as ushers.

Miss Phoebe Hines sang three beautiful hymns during the ceremony and the signing of the register, "The Wedding Prayer", "O Perfect Love" and "Let Them Burn Out for Thee, Dear Lord". Mrs. Duncan [illegible] presided at the piano throughout.

The bride's mother chose for her daughter's wedding a two-piece dress of navy blue with a dusty rose hat and wore a corsage of roses. The groom's mother was also attractively dressed in navy blue with rose hat and roses en corsage.

A reception followed at the home of the bride with 34 guests attending. The bride's table was attractively laid under a setting of pink and white streamers. A three-tiered wedding cake, beautifully decorated and topped with a miniature bouquet of flowers centered the table with three white candles on either side.

Mr Obert Gunderson proposed the toast to the bride to which the groom very ably responded.

Following supper the guests were entertained by solos and duets sung by Miss Phoebe Hines, Miss Virginia and Mr Roland Ford with Mrs. Addison at the piano. Accordion selections were played by Miss June Bergen.

The bride and groom then opened their many gifts for which the groom thanked the guests on behalf of his wife and himself.

Mrs. Albin Swanson was in charge of the guest book.

Out of town guests were Mr. and Mrs. George May, Mr. and Mrs. Donald May, Miss Norma May and Mr. and Mrs. Phil Paulson, all of Calgary; Rev. T. Addison, Miss June Bergen of Edmonton; Mr. and Mrs. Walter Boyce, Erskine, Mr. and Mrs. Robert Toews, Regina, Mr and Mrs. Obert Gunderson, Miss June Gunderson, Miss Betty Little and Ronald Mix, all of Vermilion.

For her going away costume the bride chose a charcoal grey suit to match her husband's and a charcoal grey coat with white hat and accessories and wore a corsage of red roses.

Mr. and Mrs. May will make their home in Vermilion.

THE WORLD OF WHEAT

by

SEARLE GRAIN COMPANY, LIMITED

A GOOD OPPORTUNITY TO PURCHASE QUALITY SEED

The Canadian Wheat Board has announced that producers will again be permitted over-the-quota deliveries up to a total of 100 bu. of commercial wheat, oats, barley, rye, flaxseed or any combination of these grains, proceeds of which may be applied against the purchase of up to 100 bushels of Registered or Certified seed of the above kinds of grain as well as of forage seeds for soil improvement purposes. As last year, in cases where seed is shipped freight collect, the producer will be [illegible] to [illegible] bushel maximum delivery to receive settlement for sufficient grain to pay the freight charges; however, the proceeds of the grain delivered under the arrangement cannot exceed the cost to the producer of the Registered or Certified seed grain purchased plus the freight charges involved. Moreover, all deliveries of grain made under this authorization will be subject to the usual deduction where the producer has received a cash advance under Prairie Grain Advance Payments Act.

This special 'over-delivery' privilege which will run until June 30 indicates that the Board is fully conscious of the part that good seed plays in maintaining quality and is anxious to do what it can to assist in this direction. Last year a number of producers took full advantage of the opportunity to obtain high quality seed under this provision and there are indications that there will again be a heavy demand for Registered and Certified seed during the present season.

DEPARTMENT OF INDUSTRIES AND LABOUR

THE DEPARTMENT OF INDUSTRIES AND LABOUR plays an important role in the economy of Alberta. It makes a significant contribution in maintaining an industrial climate favorable to Alberta's progress.

THE BOARD OF INDUSTRIAL RELATIONS

administers the ALBERTA LABOUR ACT which applies to all employees and employers except farm labourers and domestic servants. It is made up of six parts:

HOURS OF WORK—The General hours of work shall not exceed more than eight hours a day or 48 hours a week. In Calgary, Edmonton, Lethbridge and Medicine Hat however, there is provided an eight hour day and 44 hour week limit. In all areas daily limit may be exceeded by one hour but if the weekly limit of 44 hours is exceeded, overtime rates must be paid.
MINIMUM WAGES—The Board fixes a minimum wage and no employee may work for less without the approval of the Board.
LABOUR WELFARE—An employer in any industry is required to give his employees one week's vacation with pay after one year service and two weeks with pay after two years' service. In the construction industry an employee is entitled to 4% of his regular earnings in the form of vacation with pay stamp credits.
INDUSTRIAL STANDARDS—Any industry may, with the approval of the Minister, establish its maximum work hours, minimum wages and vacations with pay providing these are at least as favorable as required by the Act.
CONCILIATION AND ARBITRATION—The Act recognizes the privileges and right of employees to organize themselves for the purpose of collective bargaining. The Board has been very successful in encouraging industrial peace in its administration of this portion of the Act.
EQUAL PAY —Equal pay for women performing substantially identical work as men is provided for in the Act.

THE CO-OPERATIVE ACTIVITIES AND CREDIT UNION BRANCH

One of the functions of this branch is to assist interested groups in establishing and organizing credit unions. The credit unions provide members with a convenient method of saving and a source of credit. All credit unions are closely supervised and their books examined by the Branch to insure sound business standards.
RURAL ELECTRIFICATION—Also administered are several co-operative acts which encourage groups of farmers to install their own power facilities. The Alberta farmer can electrify his farm for as little as $100.00 down with the remainder payable over a period of years.
Other services of the Department of Industries and Labour are provided by the following branches:
- Apprenticeship Board
- Factories Branch
- Provincial Marketing Board
- Electrical Protection Branch
- Employment Liaison Office
- Welding Branch
- Gas Protection Branch
- Alberta Power Commission
- Bureau of Statistics

Pleasant Valley News

The weather is acting up a little, just enough snow to remind us that it is winter time despite springlike temperatures.

The roads are a little icy it's true but the ladies were brave and drove their cars and trucks to the meeting on Wednesday held at the home of Mrs. Carr at Borradaile.

It was a pleasant surprise to see Gladys and Muriel Stone drive in to pay a visit that same day at the Carr home.

Mrs. Gillies arrived home from Edmonton on Friday, also Mrs. Joy.

Mrs. Gillies visited Mrs. Dupuit at St. Joseph's and the latter was very pleased to see her and to hear all the local news.

Alex had the misfortune to upset his tractor last week but managed to jump clear. He drove too close to the edge of the road to let a car pass and the tractor slipped off. One should look back after passing a vehicle on these slippery roads.

Lawrence Gould came to Alex' rescue and pulled him out of the ditch with his tractor as he was nearby doing some brush-cutting. It is wonderful to see how quickly this can be done nowadays — much different than in the old days when the only way was by the axe. A job which would have taken three years then is now done in a week, all piled up in neat rows and ready to burn when dry.

David Giles and Lloyd Giles have also had some bluffs cut out.

Mr and Mrs. Christie Clark and family were dinner guests at the writer's home on Sunday. Then on Friday night Doreen and family were supper guests.

It is pleasing to hear that everyone who has been ill is now recovering from their various illnesses.

OBITUARY

CHARLES COTTRELL

A former resident of Paradise Valley passed away in the Royal Alexander hospital Edmonton on Dec 23rd in the person of Charles Cottrell after a short illness. Mr Cottrell was born in Devonshire England in the year 1880 and came to Canada in 1926 settling in the Oxville district where he farmed for several years. Mrs. Cottrell died in 1944 and in 1952 Mr. Cottrell moved to Vancouver and made his home with his daughter Amy. The deceased served with the Imperial Army for many years and Bermuda in the early years being stationed at Vancouver. He re-enlisted in 1914 and served in the First World War.

Funeral services were held from the United Church in Paradise Valley on Saturday, Dec. 28 with Rev Mr Potter of Kitscoty conducting the service Mr W.J. Street played the organ. Interment was in the Paradise Valley cemetery. Pallbearers were the Messrs Geo Moffatt, Geo. Elliott, Geo. Clay, Arnold Nickle, Frances Wiley and Clifford Frederickson.

He leaves two daughters and four sons: Amy (Mrs. Klaschinsky) of Vancouver, Gladys (Mrs. D. B. Baxter) of Paradise Valley; Stanley of Edmonton, Percy of Berwyn, Horace of Fabyan and Albert of Aklavik, N.W.T., also twenty-two grandchildren and two great grandchildren.

The Cottrell family wish to express their sincere thanks to all who helped them in any way, to those who sent flowers, donations and cards of sympathy.

How about that SUB. date?

First Farm Safety Conference In Edmonton Jan. 30 and 31

An enthusiastic response to the invitation to attend the first Western Canadian Farm Safety Conference will be held in the Northern Alberta Jubilee Auditorium in Edmonton January 30 and 31.

Invitations to attend the deliberations were extended to provincial ministers of Agriculture in British Columbia, Saskatchewan and Manitoba by Alberta's Minister, Hon. L.C. Halmrast. The invitation asked the Ministers to draw up provincial delegations of persons concerned with farm safety programs, with a view to exchanging ideas and co-ordinating activities where practical.

'It is now certain that British Columbia, Saskatchewan and Manitoba will be well represented' said the Alberta Safety Council's Farm Safety Director, Bill Perkins. 'and of course we look for a large representation from our own province.' Good support, too, has been promised from other segments of the agricultural industry, both business, and farm organizations.

The Saskatchewan delegation will be led by Christian Smith, provincial department of health, and Jack Peck, department of agriculture. Extension Engineer Ken May, will lead the British Columbia group and the Dairy Extension Engineer will lead the Manitoba delegation.

A program of panel and group discussions on farm safety themes, in addition to speakers on many phases of rural safety, has been planned by the Alberta Safety Councils farm safety committee under the chairmanship of B.T Stephenson, Associate Professor of Agricultural Engineering, University of Alberta. Included in the topics are the legal, liability, insurance and compensation aspects of farm accidents.

The Alberta Government will be hosts at the conference banquet to be held in the MacDonald Hotel on the evening of January 30 and the Alberta Safety Council will tender a luncheon both days.

Mannville Legions Defeat Kitscoty

MANNVILLE—Saturday, Jan. 11 saw Mannville's Juvenile team emerge the victors in a game between Kitscoty and Mannville, score being 4-2. Due perhaps to the Search For Talent Show held at the same time a poor turnout was recorded. The Mannville boys feel good about the win, as it was their first victory!

EXCHANGING GRAIN FOR SEED

The Canadian Wheat Board has announced that producers will again be permitted to deliver up to a total of 400 bushels of Commercial wheat, oats, barley, rye or flaxseed, over the quota, to apply against the purchase of up to 150 bushels of Registered or Certified seed. As last year, where seed is shipped freight collect, the producer is allowed, within the 400 bushel maximum, to receive settlement for sufficient grain to pay the freight charges.

Our agent will be happy to discuss your seed requirements and to supply full particulars of the above scheme.

Claysmore W. I.

Claysmore W. I. held their regular monthly meeting at the home of Mrs. Bill Woyewitka on Jan. 8th. It was pleasing to note 13 ladies enrolled for the year 1958. The President Mrs. F. Watling welcomed our visitors, Mrs. H. Seymour, then proceeded with the business session. The Creed was repeated in unison, followed by the Roll Call, "Handy Ways to serve festive left overs".

Minutes of the previous meeting were read and declared approved. The treasurer's report was adopted as read. It was moved that all outstanding bills be paid. Mrs. A. Olstad, social services convener reported 3 fruit baskets sent to patients in the hospital during December.

The Treas. Mrs. R. Bauer was advised to pay the yearly dues, namely provincial, constituency and directors fee.

Correspondence: A letter was received from Miss Edna Craig, Dist. Home Economist stating she could visit our group on Feb. 11th. if convenient to us. After a brief discussion it was decided to change our regular date of meeting to accommodate Miss Craig.

The Feb. meeting will be held at the home of Mrs. E. Livingstone, weather permitting.

The W. I. is sponsoring a dance on Feb. 7.

A vote of thanks was extended to those members who got the program book in order for distribution. The collection was taken and meeting adjourned. A delicious lunch was served by the hostess.

Soaring Appetite

Having been caught short just after the last war, hydro-electric power producers have been taking no chances since, comments The Financial Post. Every year has seen substantial amounts added to Canada's producing capacity and there's no letup in sight.

In 1957 output was boosted by 1.5 million horsepower to a total of almost 20 millions. Only in 1954 when 1.75 million h.p. was added, has that annual increase ever been exceeded. And producers are still building.

In sight for 1958, is a record addition of 2.2 million h.p. which will bring developed capacity up to 28% of Canada's total estimated hydro electric power resources.

If there is any slowing down coming in the country's demand for power, producers don't seem to be aware of it.

Mr. and Mrs. Barney Klashinsky Observe Golden Wedding

Vermilion Elks hall was the scene of a memorable occasion on Monday, Jan. 13th when Mr. and Mrs. Barney Klashinsky celebrated their Golden Wedding anniversary.

Married on Jan. 13th, 1908, at Humboldt, Sask., Mr. and Mrs. Klashinsky later moved to Avonlea, Sask., and in 1928 came to farm eight miles north of Vermilion. Since 1948 they have been retired and living in town.

Ladies of the Royal Purple catered and served a sumptuous banquet to fifty guests. Seated at the head table were Mr. and Mrs. Klashinsky's five sons and three daughters. Red tea roses flanked the beautiful three-tiered cake and yellow mums decorated the other tables.

Mayor Hill proposed the toast to Mr. and Mrs. Klashinsky, which was responded to by Mr. Klashinsky. Rev. Father Landrigan also gave a talk, followed by short speeches from many other guests, including an amusing anecdote from Mr. and Mrs. Klashinsky's eldest son, Leo.

Congratulatory telegrams were read from relatives at Cincinnati, Ohio and Humboldt, Sask.

Dancing followed the banquet, music being supplied by Mr. and Mrs. Klashinsky's family, namely, Albert and George Williams, saxophones; Kay Williams at the drums and Madeline McCann at the piano. The gathering ended with the singing of "For They Are Jolly Good Fellows".

Out of town guests signing the guest book, kept by Mrs. Leo Klashinsky, were son Barney Klashinsky and wife Amy of Vancouver; daughter Mrs. Bertha McCann, Vancouver; daughter Cecelia McKenzie and her husband John of Drayton Valley; son George Williams and wife Helena of Edmonton. Other Edmonton guests were Mr. and Mrs. Nick Wilson and Mr. Mike Craig.

From Humboldt came Mrs. Klashinsky's brother Mr. Joe Saretsky, Mr. and Mrs. Ben Hiebert and Mr. and Mrs. Paul Hiebert.

Mr. Ben Klassen of Humboldt, who had been altar servant at Mr. and Mrs. Klashinsky's wedding, also attended.

A pleasant surprise was the visit of Michael Sunka and his wife Mary of Winnipeg. Michael had lived with Mr. and Mrs. Klashinsky at Avonlea, Sask., as their foster son for four years and they had not seen him for thirty-seven years.

620 Fans See Vermilion Tigers Lose To Lashburn 5 to 3

Six hundred and twenty fans showed their appreciation of the efforts of the Tigers in putting Vermilion back into the hockey picture in this part of Alberta by turning out at the game on Saturday night, only to see their pets go down to defeat by a 5-3 score in an evenly-fought and exciting hockey game which was well worth anyone's time and money to attend. On the strength of the territorial play the score could have been either way. The Lashburn team was particularly strong on defence and no one will score many goals on them this season.

The visitors were away to a good start in the first period with two goals, Bonal notching the opener from Adair, and then the procedure was reversed with Adair from Bonal. Each team scored a single in the second period, Dennill putting the Tigers back into the running scoring on Bill Romanchuk's assist but Bud Johns came back and made it 3 to 1 for Lashburn.

Each team dented the hemp twice in the final stanza. First Jim Coolidge made things look glum for the Tigers scoring unassisted; Bill Romanchuk then brightened the picture with big Frank Docking getting the assist, and Hedley Dennill made it look as if the Tigers might come from behind when he scored unassisted making the count read 3 to 4. However, Bud Johns again came through for Lashburn to put the Saskatchewan boys two up and the game ended 5 to 3.

Some excitement was caused when the Comets collected a bevy of penalties in the third, three players being in the penalty box at one time, one of course serving a delayed penalty. However they survived without the Tigers beating goalie Fred Lamb.

Tigers collected two penalties during the game, Stew Barr and Joe Brower, each for accidental trips with the Comets getting three in a group.

Frankie Ewing was out for the first time this winter and shows he still has the old zip and energy of past seasons. He is an acquisition to the Tigers.

Playing coach Lee Williams is rounding into shape nicely. Scoggins was his usual scintillating self in goal on Saturday keeping his performances at an exceptionally high level, while the Dewberry line of Sandy Ewen, Bill Romanchuk and Hedley Dennill really gave a headline exhibition and accounted for all the goals . . . Frank Docking is developing fast and was a tower of strength on defence.

Jim Ferguson refereed.

Wainwright Here This Saturday

Arch rivals of the Vermilion Tigers, the Wainwright Commandos, will invade Vermilion arena on Saturday night and try to wrest two points at the expense of the local aggregation. Wainwright so far has only two points to their credit while the Tigers have yet to crash the win column, consequently both are points hungry and will be out there battling with everything they can muster.

Tigers have improved every time out, they are now scoring goals and keeping the opposing team from counting too profusely. It looks like a win for the Tigers on Saturday night. The weather is mild, the roads still easily passable, the arena seats 1080 comfortably — so come out and watch the Tigers claw the Commandos . . . this Saturday night, Jan. 25th, game time 8:30, at the Vermilion arena.

BOB CATS LOSE EXHIBITION GAME AT MAIDSTONE

Vermilion Bob Cats lost an exhibition hockey game played against the Maidstone Juveniles at Maidstone on Saturday last. The score was 8 to 4.

Legions Win Two At Mannville

MANNVILLE — In an exhibition hockey game last Thursday evening, the Vermilion School of Agriculture team went down in defeat at the hands of the Legion team from Mannville, in a lively demonstration at the game at the local rink here, 11 to 3.

Saturday night's game, also at Mannville between Marwayne and Mannville Legions again saw the homesters emerge the victors by a 6-4 score. Ladies of the Legion served coffee at both games. The referees in these games were "right on the bit" as the saying goes, thus ensuring good clean hockey being played.

Bake Shop To Start Operations Sat.

Free Coffee and Doughnuts

Renovations have now been completed in the local bakery and on Saturday products from Bernie's Bakery will go on sale. The new proprietors of the bake shop are Mr. Ed Sikorski and son Bernie who have recently sold their bakery business at Hanna in order to come to a bigger field here. Mr. Sikorski has had a lifetime of experience and son Bernie has grown up in the bakery business.

Since coming to Vermilion two weeks ago the new bakers have been hard at work and have completely overhauled and renovated the equipment and redecorated the bakery premises, as well as making some alterations.

The new business plans to market a wide variety of pastries, cakes, cookies and every kind of bread, baked fresh daily on the premises.

FREE COFFEE, DONUTS

On opening day, Saturday, everyone is invited to call at the bakery and enjoy a free cup of coffee and a donut, and to become acquainted with Vermilion's new business men, Ed and Bernie Sikorski.

The need for a bakery in Vermilion has been a long felt need and the new business is indeed a welcome and will no doubt get the support of the town and district.

Three New Teachers At Town Schools

Three new teachers were engaged by the school division board for positions on the Vermilion town schools. The vacancies were caused by the resignations of Mrs. Beecroft from grade 6, and her place was taken by Miss Agnes Sundby, a teacher from Saskatchewan with three years experience.

Mrs. Hilda Hancock of Marwayne is teaching a grade eight room formerly taught by Miss Gunderson. Miss Gunderson was filling in to Xmas time.

A new teacher, Mr. Ansley Hume, M.A., comes from Lloydminster to accept a position on the high school staff, replacing Mrs. Kibblewhite. Mrs. Kibblewhite is retiring from teaching due to illness in the family.

Advertisement From Standard Featured In Sales Circular

A sales folder circulated by the Dominion Rubber Company to their retailers spotlighted an advertisement inserted by Clendenning's Family Wear in the Vermilion Standard. It was used as an example of a well-planned promotion and pleasing typography. The advertisement featured gym shoes for boys and girls.

Ernie Clendenning is to be congratulated on designing the advertisement and conceiving the ideas, while the Standard takes pride in the attractiveness of the printed product.

Brier Play-Off At Vermilion Jan. 31

The Brier play-off for Zone 8 will be held in Vermilion commencing Friday, Jan 31 and continuing on Feb 1 and 2.

The eight local contestants, one of whom will represent Vermilion, have been narrowed down considerably with Scales meeting Roger Rowe in one half and Scales meeting Kent in the second half.

Anglicans Plan Annual Meeting

Members of Anglican churches at Vermilion, Islay, Pleasant Valley and King Edward have planned their annual meeting which will be held in the parish hall in Vermilion on Monday evening Jan. 27th. The gathering will commence with a pot luck supper at 6.30 p.m.

Activities of the past year will be reviewed and plans made for the ensuing year.

Bishop Clarke Officiates At Mannville Confirmation Sunday

MANNVILLE In an impressive service held in Christ church, Mannville Sunday evening, Jan. 19th, nine candidates were confirmed by the Rt. Reverend H. H. Clarke, Bishop of Edmonton through the Laying On of Hands.

In an inspiring address, the Bishop took as his theme one of the Christian's most urgent needs — "Prayer" — using as his text "But thou, when thou prayest, enter into thy closet and shut the door." (St. Matthew 6:6)

"Make all your prayers sincere, not selfish, shut out all evil thoughts," Bishop Clarke instructed the congregation.

Prior to the service, a turkey supper was served in the church hall to the visiting Bishop, candidates and parents, numbering about 22.

Following the service the congregation was invited to proceed to the basement where a reception took place, enabling those present to meet and visit with Bishop Clarke.

The church was filled to the utmost capacity for the service.

To Be Played Here Friday and Saturday

Nine Rinks Enter District High School Curling Championships

District high school curling champions for Zone 8 will be decided here on Friday commencing at 3 p.m., draws continuing the rest of that day and Saturday. This is what is popularly known as the Taylor-Pearson & Carson competition.

The first draw commences at 3 p.m. Friday. Following that a banquet for the curlers will be held in the Anglican parish hall. The students then play all day Saturday and by that evening the winning rink will be decided.

The rink winning this district play-off represents Zone 8 at the provincial finals in Edmonton on Jan. 31st and Feb. 1st.

The draw to be used on Friday and Saturday to determine the winner is the double knock-out. All games are ten ends. E. A. Locke of Vermilion is the draw-master. Clarke Richardson of Kitscoty is the high school convener while Aldous Kent of Vermilion is the Zone 8 convener.

HOW THEY WILL MEET

While times have not been set for the various games, here is how the draw reads:

SECTION A

Kitscoty vs. Derwent; Buffalo Coulee vs. Clandonald; Heinsberg vs. Vermilion; Paradise Valley plays the winner of Mannville vs. Marwayne.

SECTION B

Paradise Valley vs. Kitscoty; Clandonald vs. Marwayne; Derwent vs. Mannville; Heinsberg vs. winner of Buffalo Coulee and Vermilion.

Vermilion School Division Principals Plan Projects

The Principal's Association of the Vermilion School Division which was formed in the fall of 1956 is meeting once monthly during the current school year.

Broadly speaking, the purpose of the Association is to enable all principals and vice-principals within the Division to meet together regularly and discuss general operating policies and the problems pertaining thereto. In this way, each member can benefit from the experience of his colleagues. Mr. S. D. Simonson, superintendent, is present at all meetings and acts as a consultant. He also carries out liason duties between the principals and members of the Divisonal Board.

During each school year a major project is chosen. 1956-57 the project was to design new report cards for each section of the student enrolment. During September and October last year the results of the committee work on this task were drawn together and the new cards were used for the first time at the end of November. Work is now in hand for the production of a 'Divisional Handbook'. In this project, the Association is receiving the whole-hearted co-operation of the Divisional Board. When completed, the handbook will contain full information on such matters as duties of all personnel employed in the School Division; Divisional policy pertaining to the operation of the schools; sections of the School Act and departmental regulations which are relevant to such operation; a gazetteer of school locations and district trustees: in short, the handbook will be a vade mecum for teachers and trustees, and in particular, for those newly come to work in this Division.

In addition, the high school principals are in consultation with members of the I.O.D.E. on a project which will, it is hoped, include high school students in this Division in a public speaking contest.

Although this work takes the principals and vice-principals away from their classes for one afternoon each month, results so far achieved show beyond a doubt that the meetings are beneficial to the operation of our schools and thus to the students who attend them.

Trustees Re-elected To S. D. Board

Claude N. Brennan of Vermilion and J. E. Miller have been re-elected to the Board of the Vermilion School Division by acclamation. At the expiry of the time for nominations on Jan. 15th only one candidate had been nominated in each of the subdivisions.

Mr Brennan has completed three years on the Board representing subdivision 6 which is the Vermilion school district. Mr Miller is in subdivision No. 2 which takes in the village of Kitscoty and tributary areas to the border.

Officers Are Elected By Claysmore-Stellaville F.U.A.

At the annual meeting of the Claysmore-Stellaville F.U.A. local No. 746 held at Claysmore on Jan. 15 with 21 members present, the following slate of officers was elected for 1958:

President — Oliver Willes
Vice-Pres. — Ernest Livingstone
Sec.-Treas. — Andrew Machin
Directors — W. D Woywitka, Ed Sloan, Castle Scott, Bill Hart, Ronnie Bauer, Andy Schumacher, Mike Chanasyk

The next meeting is slated for Stellaville on Wednesday Feb. 19th at 8 p.m. It is probable that the advisability of forming a U.F.A. Co-op in conjunction with the F.U.A. local will be discussed at this meeting so all interested are cordially invited to attend.

Mannville Girl Recuperates From Operation on Heart

MANNVILLE. — Friends of Doreen Bennett are happy to hear that she has successfully undergone an extremely delicate heart operation, and is convalescing in Edmonton.

Doreen, who has never been able to enter into many exerting activities such as sports or dancing, may now expect to lead a normal life, and all Mannville rejoices with her. Doreen is an employee of the local Alberta Government Telephones, and will return to her job when she is sufficiently recovered.

Vermilion Sub-Local A.T.A. Plan Supper Meeting Soon

A meeting of the Vermilion sub-local of the A.T.A. was held on Tuesday, Jan. 14th in the Primary school. After an enjoyable lunch the matter of public relations was discussed at some length. A supper meeting is planned for next month.

United Church W.A. Elect Mrs. Kather

The United Church W. A. recently held its annual election of officers for the coming year. The following were elected:

President Mrs A. F. Kather, 1st Vice-Pres. Mrs. Lyle Dowdell, 2nd Vice-Pres. Mrs M Barr and Mrs F. Welsh, Secretary Mrs B Hawley, Treasurer Mrs W. A Anderson, Corresponding Secy Mrs L. A Larkins, Literary Secy Mrs A Christiansen, Press Correspondent Mrs. L. E. dern.

The standing committee chairmen are as follows: Christian Education, Mrs. W. Edwards; Christian Stewardship, Mrs. M Barr, Leadership, Mrs. L. Dowdell, Devotional, Mrs. W. D. Williams; Christian Citizenship, Mrs A. Cameron; Christian Fellowship, Mrs J. Wright; Manse Committee, Mrs. W. J. Bell, Mrs. Curtis Martin, Mrs F. Samuelson; Lunch Convenor for meetings, Mrs. John David.

At the January meeting an enjoyable fellowship was held. An inspirational film, "I Found A New World" was enjoyed by all. It was decided to hold the monthly meetings on the second Tuesday of each month.

4-H Leadership Course Held At Vermilion School of Agriculture

Sixty-one Club leaders, assistants and executive members attended the annual leadership course at the School of Agriculture on January 14th. Leaders came from such distant points as Chauvin, Czar, Lloydminster and Provost. The District Agricultural areas of Wainwright and Vermilion were equally well represented.

Those clubs with leaders present from the Vermilion area were:

Preston 4-H Beef: Joan Dibben, A. Roy Dibbon, A. M. Holte, Mary Gibson and F. H. Gibson.

Durness 4-H Beef: Murray Gratz, Jack Whiting, Harold Weaver, Leroy Weaver and Charlotte Robertson.

Dewberry 4-H Beef: Don Braithwaite and Ernest Garnier.

Marwayne 4-H Beef: W. F. Kvill, Louise Park, Eunice Grey.

Marwayne 4-H Grain: Ernest Grey.

Mannville 4-H Beef and Grain: C. F. Gamble, Mrs. M. McDonald, Josie McDonald and Marlene Philips.

Vermilion 4-H Poultry: Mrs. Bill Dixon and Mr. M. McDonald (Mannville).

Durness 4-H Clothing: Mrs. Joan Gratz and Jean Moore.

Marwayne 4-H Clothing: Mrs. Gladys Hutchinson, Betty Hale, Shirley Gordy, Isobel Grey and Gertrude Tupper.

Islay 4-H Clothing: Mrs. Joan Moncrief and Mrs. Olive Redmond.

Paradise Valley 4-H Foods: Mrs. Gertrude Tupper and Mrs. W. A. Gunn.

Paradise Valley 4-H Garden: Mrs. Lawrence Teasdale.

Proceedings got underway at 10 a.m. with all present repeating the 4-H Club pledge. Mr. Palin, principal of the Vermilion School of Agriculture welcomed the leaders. He stressed the importance of agricultural training in these days of constant change. Mr. Palin pointed out the advantages of a course at the school to young farmers and urged the leaders to encourage their members to attend.

Mr. Stewart Duncan, District Agriculturist, Wainwright, chaired the morning session. He introduced the headquarters staff: Mr. Less Usher, supervisor of 4-H Clubs, Miss Priscilla Newha, assistant 4-H supervisor (girls), and Mr. Victor Janssen, assistant supervisor. The Edmonton group came well equipped, displaying material available to the leaders and club members.

During the morning Mr Usher, Miss Newha and Mr Janssen presented new materials and new ideas for the 4-H program. During the afternoon the leaders were divided into discussion groups which dealt with club organization, debates, quizzes and making the club program work. Mr. Usher pointed the many opportunities which 4-H'ers sometimes overlooked in their own communities. In most districts considerable help existed if the right people were approached. The tendency today is to seek outside specialists in every field and to overlook the experts near at hand. Following the 3 o'clock break the Agricultural and Home Economic club leaders went into separate sessions. Miss Newha and the Home Economist for Wainwright-Vermilion, Miss Edna Craig, held the ladies' interest while Mr Usher and Mr Janssen carried on with the other group.

The Agricultural group discussed the new Dominion-Provincial grant to beef clubs in which the club will receive two dollars for each member completing the year's project. Most leaders were in agreement with this as the disposal of the grant will be left up to the 4-H clubs. The new senior beef project, the feeding of a group of five calves, caused a hot discussion. Everyone agreed that it was a worthy idea but they disagreed as to how it should be involved.

The sponsors of the 4-H wheat clubs, the Alberta Pools, were represented by Mr. Milo Fleming and the U.G.G., sponsors of the 4-H Oats clubs were represented by Mr Frank Kriskin. These men helped considerably in putting over the 4-H Leadership course.

At 3.00 p.m. the meeting was turned over to Mr Morley Douglas, Assistant District Agriculturist, Vermilion, who on behalf of the leaders thanked the 4-H club supervisors for the informative day, and thus closing a very educational leadership course.

Local Rink Wins Legion Zone Play At Mannville

MANNVILLE — A Vermilion rink composed of Bill Scales, skip, Geo Webb Jr., third, Neil McLean and Vic Tillett captured the Legion Zone Playdowns, which were played in Mannville on Sunday, Jan 19th. Other rinks competing were from Marwayne, [illegible] and [illegible]. In the round robin Vermilion and Marwayne rinks had to play an extra game as each had two wins and one loss. Vermilion came out the victors in the deciding encounter.

Civil Defence To Commence First Aid Classes

A series of First Aid classes will be commenced on Friday Jan. 24 in the junior high school at 8 p.m. Everyone interested in first aid is welcome to attend. The courses are being sponsored by Civil Defence and are open to everyone. Just come along on Friday at 8.00 p.m.

Board of Trade To Elect Officers January 29th

The Vermilion Board of Trade will hold the annual meeting and elect officers for the ensuing year at the regular weekly luncheon meeting on Wednesday next week Jan. 29th. The luncheon commences at 12.10 noon at the Rio Cafe.

Retiring president is Israel Miller who has held office for the past year, during which time E. A. Locke has been vice-president.

A review of the year's activities will be given by Mr. Miller and the financial statement presented by F. J. Richardson, the secretary-treasurer.

A cordial invitation is extended to everyone interested, business men, farmers, employees, to attend.

Platter Party huge success. Harvie [illegible] planning another in near future. Watch for date. [illegible]

To Outline Cub, Scout Activities

A meeting of the Cub and Scout Mothers Association will be held in the Scout Hall on Wednesday January 29th at 8 p.m. when speakers will outline Cub and Scout activities.

All mothers are welcome to come out and find just what their Cub and Scout sons are doing.

Brownie and Guide Mothers To Meet

All Brownie and Girl Guide mothers are asked to attend a meeting on Jan. 28 in the Anglican parish hall at 2 p.m. Miss Beth Riddock, Provincial Field Secretary will be in attendance.

Battle River-Camrose Member Speaks On "Parliament Hill"

James A. Smith, member of the House of Commons representing Battle River-Camrose was the speaker over the radio program "Parliament Hill" on Sunday. Mr. Smith spoke on the Farm Prices Support bill as proposed by the Conservative government, offering considerable amount of constructive criticism. His talk indicated many hours of research and thought had been given to his subject.

Students To Hear Duo-Piano Team

All of the students of the Vermilion Junior high and High schools, grades 7 to 12 inclusive, together with the students at the V.S.A. are to be given a real treat in the form of a free concert on Wednesday morning, Jan. 29th at the School of Agriculture auditorium.

The concert, presented by the duo-piano team of Stecher and Horowitz, is being made possible by the Lloydminster Overture Concert Association. A similar concert is being given the previous afternoon, for the high school students in Lloydminster.

The artists will be featured in the regular overture concert series Tuesday evening in the auditorium of the high school in Lloydminster.

The Vermilion school board is arranging to have buses take the students from the high school to the college at recess time in the morning. The program will begin at 11:00 o'clock and will last approximately one hour, after which the buses will return the pupils to the high school.

This is a unique opportunity for our young people to hear such well known personalities as Melvin Stecher and Norman Horowitz and to enjoy some really fine music. It is to be hoped that there will be many such opportunities when the new auditorium in the new high school is available.

Hurt Feelings Hurt Us Mostly

Nursing a grudge is not only silly — it's dangerous, according to Ardis Whitman, writing in the February Reader's Digest.

In her article "The High Cost of Hurt Feelings", she reports studies reveal that nothing is more likely to cause high blood pressure than fierce resentment boiling under a seemingly calm exterior, an ulcer patient's stomach-acid count has been known to double at the mere mention of a hateful object.

Bitterness can even cause accidents. Traffic experts say — "Never drive when you're angry". Women brooding over their husband's lack of understanding have more household accidents than those who don't brood. Factory studies reveal that resentment against bosses is one of the big reasons for sloppy production, inefficiency, industrial mishaps.

On the other hand, she writes, as surely as hate and bitterness destroy, love and compassion invigorate. And the first step in combating feelings of resentment is to locate their source—which is often surprisingly close to home. It is human nature to overlook our own failures and weaknesses, to transmute them, whenever we can, into resentment or blame of others.

Often too, she writes, the snubs or mistreatment we receive are the mirror image of what we have offered to others. University studies show that a genuinely friendly approach to another person calls forth a friendly response 65 to 80% of the time; an aggressive approach is responded to aggressively in about the same proportion.

"Thus", in the words of Dr Pitirim Sorokin, "the age-old observation that love generates love, and hate generates hate is essentially correct."

SEED SALESMEN FINED

Salesmen representing North Saskatchewan Seeds Ltd., Saskatoon were fined $100 at Morinville recently. They had been selling an inferior variety of oats at a high price. It would be better to check at your D. A.'s office before paying out good hard cash for poor varieties unsuited to the district.

YOUNG BEEF BULLS

A number of stockmen are buying young bulls for growing out at home. This is a good plan but it should be kept in mind that they need good feed or they [illegible] become thin and stunted. [illegible] quality grass or legume hay and [illegible] grain ([illegible] 5 lbs per day) should be fed regularly. A mineral mixture of 2 parts iodized salt [illegible] part of mono-calcium phosphate is advised if bulls or other stock for that matter are to be healthy, thrifty and able to grow out with good [illegible] and bone.

COMMERCIAL FERTILIZERS

After many tests and experiments it is agreed and conceded by soils and fertilizer professors that for every dollar a farmer invests in fertilizer that he can expect a return of three to five dollars. Get a bulletin from this office on the use of fertilizer. This circular discusses the value of different fertilizers and the amount to use per acre etc.

PURE BRED SIRE AREA

Everybody knows that Vermilion River M.D. is a purebred sire area and no one is allowed to keep a bull without papers. Some people however may not know that this municipality was set up as a purebred sire area for boars last spring. This [illegible] that starting shortly, checks will be made to find out if there are any grade boars being used for service. A word of warning should be given to raisers of Landrace pigs that they should be sure to get all the boars registered that they intend to sell. It will be a violation of the Pure Bred Sire [illegible] if a boar without papers is found on any farm in the area.

ORNAMENTAL SHRUBS

Two new illustrated bulletins on ornamental shrubs are now available free of charge from this office. The names are "Ornamental Shrubs and Woody Climbers" and "Ornamental Shrubs for Canadian Gardens". If you plan on setting out shrubs it will pay to get these bulletins.

Army Wives Set Off For Europe

WINNIPEG, Jan. 20. — Bound for Europe and a reunion with their soldier husbands serving with the Canadian Army, 25 Manitoba wives left here recently for Halifax. They were accompanied by 109 children, 64 of them infants.

The group entrained at the Canadian National Railways station in ten special sleeping cars for the east coast port, where they embarked the S.S. Saxonia for Europe.

In March, 1957, the federal government's payroll included 140,000 classified civil servants, compared to 116,000 in 1945 and 46,000 in 1939.

LIVEN YOUR LEFTOVERS

Leftovers become a problem if family appetites are jaded. Keep menus interesting by varying the way you use your leftovers. Creamed soups provide a very good sauce for vegetables - either as a creamed or scalloped dish. Cream of celery, onion, mushroom, corn or tomato are excellent as sauces for casseroles or a souffle base. Add sharp cheese to soup, use as a sauce for asparagus on toast.

A piece of soup meat, left-over stew or roast can emerge as a 'good-to-look-at' 'good-to-eat' dish. Grind the meat, season, moisten with gravy or soup, and use it to fill the center of a straight-sided baking dish or casserole which has been buttered or lined with cooked rice or noodles. Bake in a moderate oven until well heated. Turn out on a platter and sprinkle with chopped parsley or chives. Serve with gravy, tomato or mushroom sauce.

Here's an attractive way to serve leftover vegetables. Make a casserole by adding freshly boiled, diced celery and onion to the leftover vegetables and top with an undiluted can of cream soup—chicken, tomato or mushroom or grated cheese and bread crumbs.

A crumb crust for a pie is delicious when made from cake or cooky crumbs, white, spiced or chocolate. It is easier to crumb cake or cookies when they are dry. Place on paper napkins in a shallow pan and dry thoroughly in a slightly warm oven. Sift or roll well for an even crumb and store in the refrigerator or in a cool, dry place.

Here's a casserole idea to use up your mashed potatoes. Boil sliced onions until tender, season with pepper and salt. Place in the bottom of a casserole dish. Place over this a layer of spiced ham, weiners or sausages, then a layer of mashed potatoes which have been well seasoned. Cook until bubbly and golden brown.

The pinnacle of success is no place for the person who likes lots of company.

HAVE FUN!

The young lady eyed her escort with extreme disapproval.

"That's the fourth time you've gone back for more punch, Albert," she said coldly. "Doesn't it embarrass you at all?"

"Why should it?" the young man shrugged. "I keep telling them I'm getting it for you."

Mrs. Mather was going away after a long visit.

"Do you remember what time my train leaves tomorrow?" she asked her son-in-law.

"Sixteen hours, seventeen minutes, and thirty seconds from now, dear Mama."

Dentist: "I'm sorry, but I'm all out of gas."

Girl in Chair: "Is Gosh! Do dentists pull that old stuff, too?"

Tourist: "Good time for fish?"

Fisherman: "It must be. I can't persuade any to come out."

"How did Oscar lose the fingers on his right hand?"

"Put them in the horse's mouth to see how many teeth he had."

"And then what happened?"

"The horse closed his mouth to see how many fingers Oscar had."

"How far is it to the next filling station?" the driver asked a farmer.

"Nigh onto two miles as the crow flies."

"Well, how far is it if the doggoned crow has to walk and roll a flat tire?"

Little mama's wife sent him downtown for a basket of ice. He came back with a pail of water. "I got this for half price because it was melted."

Canadian Utilities Plan New Line, Vermilion To Vegreville

Plans for a $2,600,000 expansion program during 1958 were announced in Edmonton last week by the President and General Manager of the Canadian Utilities, Limited, J. C. Dale.

The capital works program includes transmission line extensions in eastern Alberta, rebuilding substations, transformer installations, the extension of rural electrification to some 800 farms in scattered districts and other local improvements.

A 55-mile extension of a 69,000-volt transmission line from Vermilion to Vegreville is planned at a cost of $392,000 in order to assure an adequate supply of power for future needs of the area. For the same reason $361,000 is earmarked for a 61 mile extension of the 69,000-volt transmission line from Vegreville to St. Paul via Duvernay.

During 1958 the company estimates an expenditure of $750,000 to extend rural electrification to 800 farms. In 1957 connections were completed to more than 1000 farms bringing the total number of farms electrified to 10,000. This is estimated to be 70 per cent of the farm potential in areas served by Canadian Utilities, Limited. In 1957 the rural electrification involved a $1,750,000 work program, completed at cost by the company for rural electrification associations.

With the one million dollar Sturgeon Lake plant, near Valleyview, ready to commence its operations any day, the company's total generating capacity will be 85,525 k.w. The northern plant will have a capacity of 10,000 k.w. and will serve the neighboring oilfield and the rapidly developing northwest. Flare gas from the oilfield will be utilized in gas turbines to power the generators.

Canadian Legion Notes

The Legion Polio Fund canvass is getting under way. The canvass committee headed by Vic Tillett says that you may expect someone to call on you soon, if they have not already done so.

The committee hopes that givers will be generous. The quota set for Vermilion and district is $2000. It is quite clear that it will take 2000 people giving $1 each to make our objective. We know from past canvasses that a good many will give more than $1 each.

In all Alberta, Legion branches collected $132,153.02 in 1957 for the Polio Fund. After payments had been made to deserving polio cases there was only $4,417.07 left at the end of the year. It might be of interest for people to know that $471,714.19 have been paid out since the fund was organized in 1953.

CHRISTMAS HAMPERS

The draws for Xmas hampers [illegible] here. The lucky winners were Harry Cooper and Art Morgan. Congratulations fellows.

SPECIAL NOTE

Legion members are advised to pick up 1958 cards from the treasurer, Thos. Wilson. Delay may mean that you will miss your copy of the Legionary.

CURLING NEWS

Vermilion Branch entry in the Legion Zone Curling competition placed first. The other rinks represented Legion branches at Marwayne and Vegreville. The Vermilion rink was made up of Wm. Scales, Geo. Webb Jr., Neil McLean and Vic Tillett.

SOCIAL EVENING

On Saturday, Jan. 25th we will hold our usual social hour. All Legion members, auxiliary members and their invited guests are welcome.

Marwayne Home And School Hold Interesting Meeting

The regular monthly meeting of Marwayne Home and School was held Tuesday, Jan. 14. An invitation was read from the Dewberry Home and School to attend their meeting in the Dewberry auditorium on Thursday, Feb. 13th when Mrs W. S. McLean will be guest speaker.

The committee in charge for the Feb 14 and 28 card parties will be Mrs. Curtis, Mrs. Dustow and Mrs. Culford.

The Home and School have sponsored the Scouts and the Elks the Cubs with two separate group committees, which according to the Scout Commissioner Mr Clark, was not a good arrangement. A motion has been passed by both organizations to have a joint group committee with representatives from the two. A donation of $10 was received from the O.O.R.P for the Boy Scouts.

Mr Gudzowsky gave a very complete and thorough explanation of the high school credit system and answered many questions. This was followed by a short discussion on text books.

Mrs Spence's class won the book for the second time in a row.

Lunch committee for Feb. 11 meeting is as follows: Mrs. R. Bendixon and Miss Baldwin for sandwiches; Mrs. Curtis and Mrs. Elliot for cake.

Pleasant Valley

The weather and roads are wonderful, the trees look so [illegible] at time of writing, all covered with hoar frost sparkling like diamonds in the sun. We hear there are lots of ducks at the salt plant and meadow larks at the Davidson farm. Why leave Alberta folks?

Had a nice chat with Mr Strang last week. He was asking about all the old neighbors in the surrounding district. He looks fine and is always pleased to meet friends from this area.

Our club party was held at the writer's home Friday night. A jolly crowd gathered together for fun and games. Sorry you did not get over Isobel, maybe a good laugh is what you need, it's a sure cure for the blues, you know.

On Sunday Christie and family spent the day at the writer's home.

Annie Clarke and family were dinner guests at the home of [illegible] Mrs. Bob Hobbis. Gordon and family visited at Hilda Bell's home in the evening.

Betty Gould was sick with the mumps and a bad cold. Mrs. Gillies spent a few days with Betty while the brush cutters were there.

We heard Mr Bowser was ill. We do hope to hear more cheerful news soon.

Give us a ring on the phone Lila, when in town.

Home Economist At Islay 4-H Meeting

The Islay 4-H Food club was held in the school on Jan. 6th at 7:30 p.m. Miss Craig, Home Economist, was present and gave an interesting talk on the making of project book covers and many suggestions for the achievement day. Leader Mrs Moncrieff gave a demonstration on the baking of biscuits. After the business part was over a few games were played and then a delicious lunch was served, this being baked by the girls.

Mannville Teen-Club Held Theatre Party

MANNVILLE. — Friday of last week was meeting night of Teen Club, who, instead of holding the planned square dance lessons, due to unforeseen difficulties, enjoyed in its stead, a theatre party. Lunch was served afterwards to an appreciative gathering of young people.

SQUARE NOTES From Circle 8

Hi square dancers! Were you at the Legion hall last Saturday night, Jan. 18th? If you were, I need not tell you the evening was a tremendous success. Now if you just couldn't make it I am truly sorry because Henry Lien was at his best and seventeen squares turned out in high spirits to complete the fun. Our visitors came from Wainwright, Paradise Valley, Albert, Mannville, Islay, Greenlawn, Clandonald, Elk Point and Rivercourse.

Our next dance will be on Feb. 1st with Johnny Maxwell as the caller. We are looking forward to the usual gathering of square dancing friends. We know of no other recreation that brings so many visitors to Vermilion twice a month.

Square up, one and all!

Company Honors Pioneers

Canadian Utilities, Limited on Jan. 17, paid tribute to thirteen long-time employees still active in various phases of the electric utility company's operations. The thirty and twenty year awards were presented by J. C. Dale, president and general manager, at the Company's 30th annual dinner held at the Airlines hotel, Edmonton. Among these thirteen were two well known to Vermilion and district people.

Roy Nurse, production superintendent, 14117-97th Ave., Edmonton, has the distinction of being the first to take a diesel engine into the Northwest Territories; the first to take a truck across the Smith Portage; installing Canada's first gas turbine used to generate electricity, this was in the power plant at Vermilion, and the first to convert a standard diesel engine to natural gas fueling — defying the opinion of factory engineers that it could not be done.

Born in England in 1888, Roy Nurse went to the U.S.A. in 1908 and in 1915 moved northward to Canada. He served in the flying corps and was commissioned during World War 1.

He spent a number of years in the Northwest Territories as an engineer on diesel and steam river boats and later served as port engineer. He commenced his thirty years service with Canadian Utilities, Ltd., in Grande Prairie in 1927 as district superintendent. Five years later he was transferred to Yorkton, Sask., in the same capacity.

In 1938, Mr. Nurse was appointed diesel plant superintendent, at which time the company operated 12 diesel plants. His appointment as production superintendent was made in 1952.

A former district manager at Grande Prairie and Vegreville, G. D. O'Brien, 9942 144th St., Edmonton, now south division manager, commenced his electric utility career with the Raymond Power Company, in southern Alberta, in 1924. Later as an employee of Canadian Utilities, Mr. O'Brien served at Lloydminster and Vegreville and was district superintendent in the Saskatchewan communities of Kerrobert, Wilkie and Kindersley.

He was named district manager at Grande Prairie in 1944 and at Vegreville in 1951. The appointment as south division manager came in 1956 when construction of the 32,000 k.w. generating plant on the Battle River, south of Forestburg, linked the Company's Vegreville and Drumheller districts.

NEWS from ISLAY

The F. U. A. met on Thursday in the club room of the school to hear the report of the delegate [illegible] the convention.

The 4H Grain Club met Friday night in the school. Guest speaker Mr. Alex Palin showed colored slides of the Agricultural College, all interesting, and gave a very interesting talk, informing the group of many topics carried on there, of which we knew nothing. It created quite an interest in at least one girl, who hopes she can go there. The bursaries Mr Palin spoke of also created interest. We suggest the parents of all those 4-H members be present. Remember the leaders of these 4-H groups are not in this work for financial reimbursement. It is all done free. So come out and give encouragement if nothing else, to the leader and to the 4H members.

There was a most pleasant half hour spent after the meeting. A couple of games, and a very nice lunch was served. And one thing [illegible] mentioned, these [illegible] people surely can carry through a business meeting in a business-like manner. Raymond Kowalski is the president and Frances Sherwood the secretary.

January 29th there will be another square dance in Islay hall when Mr Walter Parker takes his stand on the platform.

The Schaffer family were Sunday guests at the Chas Redmond home, going out with Charles after Sunday school for dinner, and there for supper too. Had a wonderful time.

Take notice, friends, the United church services are now at 7:30 p.m. You are invited to come at least once and we know you'll [illegible] again. Rev Jas [illegible] minister.

[illegible] Home and School Association met last Tuesday, Jan. 14th. It was a good meeting. The president, Mrs. Redmond, gave a short talk on health of mouth. A skit was acted, one with an excellent moral, and a film "Prejudice," was enjoyed. Then lunch was served, and oh! those doughnuts that Nancy Buchanan makes! A very nice sociable time was had. The Association expects to have Mr Simonson, Supervisor of Schools, as guest speaker next meeting. And please note, the day is changed to the SECOND MONDAY of month.

Mrs Gabrielson has returned to assist at the Dave Martin home, after being away a couple of months. Nice to have you back, Mrs Gabrielson.

Mr. and Mrs. Charlie Hanna spent Tuesday evening at the Hurst home.

Noticed going off to Vermilion Saturday evening to square dance: Mr and Mrs. John Maire, Mr and Mrs [illegible], Mr and Mrs Bill Axley, Mr and Mrs Lyle Anson, Mr and Mrs Bill Waterfield [illegible].

Bill Hancock showed the pictures that he took of the pot luck supper on Sunday evening. Very good, too.

From 1931 to 1956 the area of farm land in use in Ontario decreased from 22,840,898 acres to 19,879,646 acres. In the same period the average farm holding in Ontario increased from 119.0 acres to 141.1 acres.

The Bible Today

The Rev. E. Ralph Adye, L. Th., has been appointed senior secretary of the Upper Canada Bible Society and will begin his work in Toronto on March 1st. Mr. Adye is at present district secretary for Quebec of the British and Foreign Bible Society in Canada, with headquarters in Montreal, a position to which he [illegible] from a parish in Collingwood two years ago.

The new senior secretary is an Anglican minister who graduated [illegible] Wycliffe College in 1925. He served as a combatant in World War 1 and as an army has been prominent in the work of the Canadian Legion.

As senior secretary for the Upper Canada Bible Society, Mr. Adye will supervise the work in the largest auxiliary in Canada, with special responsibility for the metropolitan area of Toronto.

New Wildmere Curling Rink Is Officially Opened January 15

On Wednesday evening last, Jan. 15th the new Wildmere two-sheet curling rink was officially opened and a large crowd was on hand for the ceremonies.

George Harrison, president of the Wildmere Curling club in his remarks told of how the first curling rink came into being in the Wildmere district. Wooden [illegible], the building was made of poles [illegible] with straw, and with [illegible]. Later a 1-sheet lumber [illegible] was built. Both the [illegible] rinks were on the farm of John Wilson. The new two-sheet frame rink is built east of [illegible] central school on the [illegible] Ray Osterberg, formerly owned by the late Mr Cairns, but it was not his homestead.

Visitors in attendance for the occasion included several rinks from nearby curling clubs. Each visitor made a short speech. The clubs represented were Vermilion, Kitscoty, Wainwright, Buffalo Coulee and McLaughlin.

Mayor M Hill of Vermilion, following appropriate remarks, cut the ribbon and declared the rink open, and then threw the first rock down the ice into the four-foot ring. The curlers then went into action and some enjoyable ends of the roarin' game were played.

Mr. B. Seale of Auburndale had installed a loud speaker for the occasion and the speakers were easily heard from all parts of the rink.

Free coffee and doughnuts were served by the ladies. The Wildmere curlers are proud of their achievement and they have every reason to be.

Mel Lavold Retires From CKSA

Effective Jan. 15 the Commercial department at CKSA will be taken over by Rex Brooks.

With the announcement by S. M. (Mel) Lavold that he is retiring from active duties at CKSA to accept a full time position as group manager with King Merritt & Co (Canada) Ltd. CKSA has acquired the services of Mr Brooks, formerly of CKOX in Woodstock, Ont. Mr Brooks has more than ten years experience in sales and advertising, having been commercial manager and promotion director at CKOX for the past four years. He has accepted the same positions at CKSA.

On leaving active duty at the radio station Mr Lavold wishes to thank all business firms, organizations and individuals who have extended the utmost cooperation to him at all times and hopes the same courtesies will be extended to his successor.

Side-stepping may bring temporary relief, but it will never get you where you want to go.

HOW CAN I?

By ANNE ASHLEY

Ques.: How can I clean soiled photographs?

Ans.: If the photographs are soiled from dust and handling, wipe them with a wad of cotton dipped in a solution of warm water and ammonia. Wring the cotton before applying. Then dry the photograph with a clean cloth.

Q. How can I take away the cloudy appearance of soup?

A.: Try dropping the white of an egg into the soup, and when it curdles remove it. This will take away any impurity that is in the soup.

Q.: How can I make the teeth whiter?

A.: The application of a solution of peroxide of hydrogen diluted with one-half water will be helpful.

Q.: How can I remove fat from soup?

A.: If unable to do so with a spoon, wet a clean cloth with cold water, wipe over the top of the soup and the hot fat will adhere to the cloth. All fat should be removed from the top of soup as it is indigestible.

Q. How can I treat the white lines between the bricks in a fireplace that have become a dirty gray?

A.: Use a small pointed brush and paint them with black lacquer. The fireplace will be modern and clean-looking when it is finished.

Q.: How can I remove a stamp from an envelope?

A.: Soak a blotter in water, then place it over the stamp and hold for a minute.

Q.: How can I retain the sparkling appearance of decanters?

A.: In order to do this the decanters must be cleaned even if not used. The work can be made easy by using a solution of a little vinegar with a handful of salt. Place in the decanter, [illegible] shake thoroughly, then rinse in cold water.

Q.: What is a remedy for goldfish when they do not appear as lively as usual?

A.: It will often help them if one teaspoonful of salt is added to each quart of water.

Q.: How can I make pie crust [illegible] and [illegible]?

A.: Add a teaspoonful of sugar to the pie crust. It will not be noticeable to the taste.

Q. How can I mend rugs?

A.: Mend the rug as soon as it becomes worn. Mending tissue is effective when put on the back before a hole is worn through. Or darn it with colors of the rug.

Clandonald Rink Wins At Derwent

DERWENT—The annual men's open bonspiel of the Derwent Curling Club was held on Jan. 16th to 19th with 22 rinks entered. Entries were from Dewberry, Vermilion, Myrnam, Clandonald, Two Hills, and Derwent local rinks.

A banquet for the [illegible] and served by the Ladies' [illegible] Club was held in the [illegible] Hall on Friday [illegible] and was greatly enjoyed.

The Grand Challenge was won by Mr Gower's rink, skipped by Mr Laird of Clandonald, who defeated the local rink skipped by Mike Maksymec in the final. Third went to Albert Willmer, Derwent and fourth to Mr. Scheffran of Myrnam. Other results were:

MERCHANTS EVENT

First, Moyer, Vermilion; 2nd, Proskiw, Myrnam; 3rd, Park, Vermilion. 4th, Derwent High School rink.

CONSOLATION EVENT

First, Bowman, Dewberry; 2nd, Dr Cholod, Myrnam; 3rd, Max Hanasyk, Derwent. 4th, Nick Mithrash.

Caribou Crisis

Government at all levels in northwestern Canada will be asked to pass legislation aimed at stopping overslaughter of caribou, reports The Financial Post.

Drastic measures are needed now to preserve the shrinking herds on which more than 6,300 Indians, Eskimos and white hunters—one-third of the Territories' total population depend for food and clothing.

It's clear now also that the herds will disappear unless overutilization is stopped.

N W T Commissioner Gordon Robertson, who is also Deputy-Minister of Northern Affairs and National Resources, told the N WT's council session at Yellowknife recently: "We must recognize there is a distinct possibility that, if the present situation continues another three or four years, the caribou herds may be wiped out".

Freedom is an achievement — and like any other achievement it can be lost by indifference.

The demand for free advice is never equal to the supply.

MARWAYNE

MARWAYNE BONSPIEL STARTS JAN. 27th

The Marwayne curling club bonspiel starts on Monday morning, Jan. 27th. Mail or hand in entries to the Secretary, Roy Hutchinson. The ladies' curling club are in charge of the booth.

MARWAYNE PRETTIEST TOWN AT XMAS

In the competition for the best decorated home at Christmas time, first prize went to John Spence, second, Herman Wilson, and third prize was split between Lawrence Perks and J Reinheimer. Comments were heard from visitors and travellers that Marwayne was the prettiest town for many miles around.

CELEBRATE 50th WEDDING ANNIVERSARY

A family reunion was held at the home of Mr. and Mrs. H. Hillaby, Tuesday, Jan. 14th for their 50th anniversary. All the family were there and some of the grandchildren and great grandchildren.

Mr and Mrs J Kinshella and family have moved this past week end to Wetaskiwin.

Mrs. Sooley is a patient in the Lloydminster hospital. Mrs. Pinnent is with her daughter Marjorie in Edmonton. Mrs. Dow arrived safely in N.B. and writes that her mother is very much improved.

PLENTY OF HOCKEY

The hockey teams have been very active the past week. Although the boys haven't been successful in winning any games the scores are coming a little closer. The 14 and under team have been defeated by Dewberry 4-2 at Dewberry, Clandonald 4-3 at Clandonald, and Dewberry 5-3 here. The 18 and under team were defeated by Kitscoty 10-4 here, by Mannville 5-4 at Mannville and again by Mannville 9 to 4 here.

The 4-H Clubs held a Family Night on Jan. 7th. A short meeting was held and a social program and lunch followed.

There will be a Home & School card party in the school on Friday, Feb. 28th.

Respect is one thing that can neither be inherited nor borrowed — it must be earned.

Many a man goes broke because of the winning ways of horses and gamblers.

Suspicion is the thing that makes people try to find out the things they would rather not know.

More Uses for Nickel

You'll be hearing more about nickel, says The Financial Post. It's approaching over-production. Inco is boosting its sales drive in the U.S., laying on meetings with distributors to find new uses and new markets.

CLANDONALD HALL

Due to an error by the booking company the film "Giant" will NOT be shown as advertised: instead, this Thursday, Friday, Saturday, Jan. 23, 24, 25, the [illegible] "Rebel Without Cause" [illegible] be shown, featuring James [illegible] and Natalie [illegible]. An [illegible]. [illegible] week end: [illegible] of Eagle" in color.

HANDIEST, HANDSOMEST, THRIFTIEST PICKUPS that ever hustled a load!

Here's new hustle, new muscle and new style tailored to cut costs as no other light-duty trucks ever did before! Chevrolet's '58 pickup fleet brings you a new high in hard-working efficiency with more powerful high-compression V8 and 6-cylinder engines under the hood!

Bring on the tough jobs! Chevrolet's leading 1958 pickup fleet can handle them fast and at lower-than-ever costs. Under new contoured hoods you'll find improved fuel-saving 145-h.p. Thriftmaster 6's, or 283-cu.-in. 160-h.p. Trademaster V8's (optional at extra cost). Here's extra power when you need it — with maximum economy and trouble-free performance.

Rugged Chevrolet pickups have built-in muscle with new extra-rigid front end sheet metal and hefty frames that shrug off rough punishment. And you can be proud of Chevy's handsome new cabs and bodies. New style fenders, new grille, modern cab interiors combine good looks with can-take-it durability. There are plenty of other Chevrolet advantages — new dual headlights, concealed Safety Steps, High-Level ventilation, panoramic windshield, 12-volt electrical system and dozens more. Your Chevrolet dealer can show you the right pickup for your job. Visit him soon.

NEW HUSTLE...NEW MUSCLE...NEW STYLE

Ready to sic into tough chores with all these work-whipping features!

PICKUP BOXES UP TO 9 FEET IN LENGTH! Take your choice of 78", 98" or 108" pickup boxes. Each offers a full-width grain-tight tailgate, more load space (no inboard wheelhousings), low loading height. There's extra strength for long life and greater load protection.

HARDWOOD FLOORS, FLUSH TYPE SKID STRIPS. Sturdy pickup floors are constructed of resilient seasoned hardwood. Skid strips, recessed nearly flush in the hardwood, absorb much of wear from loads, give platforms longer life, facilitate sliding of cargo.

Personalized placemats — one for each member of the family, are gifts which even a child can make from plasti-coated fabric. In lovely tweedy textures and a rainbow of colors, 'Fabrilite' can be bought by the yard in most department stores. Use a ruler and pencil on the wrong side of the fabric to outline the mats, then cut them out with pinking shears to give a fancy edge. Cut initials from a contrasting color of 'Fabrilite' and glue them on with adhesive recommended for use with plastics. These placemats cost very little and can be wiped clean with a damp cloth.

IN MEMORIAM

In loving memory of our dear son and brother

Sgt. Ross Harvey Stanley

—reported missing over Germany in the R.C.A.F., Jan. 21, 1944.

"We do not need a special day,
To bring you to our minds,
The days we do not think of you
Are very hard to find.
They say time heals all sorrow
And helps us to forget
But time so far has only proved
How much we miss you yet.
God gave us strength to take it
And courage to bear the blow
But what it meant to lose you
No one will ever know.
So we think of you in silence
No eyes can see us weep,
But many a silent tear is shed
While others are asleep."

—Always remembered by the family.

IN MEMORIAM

In loving memory of

RILEY LEE

—who passed away Jan. 21, 1940.

"We do not forget [illegible] do we intend,
We think of you often, and will to the end
Gone and forgotten by some you may be,
But dear to our memory you ever will be."

—Ever remembered by wife and family.

People are always throwing a scare into themselves about something that never happens.

LOCAL NEWS

PUS—Born: to F/L. S. J. Pus and Mrs. Pus on Jan. 19th at Mont Apica, Quebec, a boy, Gregory John, 9 lbs. a brother for Gordon.

Mr. J. E. Bowman of the Kokone district left Thursday for Marlboro where he will be working for the rest of the winter.

W. A. "Bill" Dixon made a quick visit to the hospital late Sunday evening and had his appendix removed.

Friends will be pleased to hear that J.W.G. Morrison who has been a patient in the Vermilion hospital since early in January has now recovered sufficiently to return to his home.

APPRECIATION

We wish to express our sincere thanks for the gifts of money, parcels and the cards received from friends in Vermilion at Christmas time.

Sylvia and Roger Rooks,
84 Davisville Avenue,
Toronto 7, Ontario.

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors for their acts of kindness in our hour of sorrow and to all for their sympathy cards and memorial gifts. Special thanks to the MacIntyre family for doing chores.

The McCambridge Family.

CARD OF THANKS

We wish to thank all our friends who made our "Farewell to the Farm" party so enjoyable, also for the lovely gift which we will always cherish.

Mary and Jack Veitch.

Mr. and Mrs Philbin of Dewberry received a very pleasant surprise on the 26th in the form of a phone call from their daughter Mary, son-in-law and family, Mr. and Mrs. Joseph Kinshella of Windsor, Ont. It was over sixteen years since Mr. Philbin had seen them and he was very pleased to hear their voices and those of his grandchildren whom he has never met. The grandchildren are Irene 16, Tom 14, Gerald 11, Patricia 4½ and Catherine 9¼ months. Mrs. Philbin spent the winter of 1949 with them in Windsor so knew the three eldest children but was pleased to hear the voice of Patricia. The voices come over very clearly. Just to hear them all cheered up the whole day and will be recalled with happy thoughts for many days to come.

Mannville Home & School Entertained By Majorettes

MANNVILLE. — Thursday of last week was the monthly meeting date of the Home and School Association. In the absence of President [illegible], Mrs. Muriel Lugg occupied the chair. A goodly number attended. Parents and members were conducted through the Home Economics room as well as the Industrial Arts shop where pupils assisted teachers in explaining the uses of various equipment used therein, with displays presented to illustrate same. A lively discussion ensued at this meeting as regards Christmas presents exchanged, method, etc. As a result it was decided to adopt an entirely new practise in the coming year. Feature attraction of the evening for entertainment was a presentation of the Majorettes who becomingly attired in plaid skirts, white blouses, shoes and bobby sox, gave a demonstration of precision step in marching. Led by Miss Pat Tennant the girls were encored, showing the appreciation of the crowd. This effort has taken much time and patience and credit is due Miss Tennant and teacher - sponsor Mrs. Rea. Watch for these girls when they cheer lead the various sports of the school.

Wildmere Women's Institute Notes

The Wildmere W.I. met at the home of Mrs. Noel Garnett on Jan. 8th with ten members and one visitor Mrs. P. Sloan our director, in attendance. The meeting opened with the singing of 'O Canada' and the Creed. Roll call was 'Name a piece of women's wardrobe in the popular or latest style. This proved quite interesting.

The minutes were read and adopted. Mrs. Holte gave a report on Xmas treats. Treasurer's report stated that Mrs. D. Dibben had sent a donation to help the Wildmere W.I. as she is unable to be an active member this year.

A ring was ordered for Mrs. Wilson who, although she has moved to Vermilion, is still a member of Wildmere group.

Mrs. Haines gave a report as social convener. A spoon has been ordered for Mrs. Gibson's new baby.

Correspondence consisted of a paper received from Mrs. C. R. Wood of Stony Plain which will be circulated among the members to read.

Mrs. W. J. Garnett is to read and report on the Federated News; Mrs. Gibson to report on the Home & Country; writing paper and pen will be sent to Robert Dibben at the University hospital in Edmonton; handicraft list was read and members decided what they would like to do.

Johnny Jump Up was won by Mrs. Fred Haines; blanket report was given by Mrs. Haines who was the shipper.

Mrs. F. Gibson substituting for the president who was absent at the commencement of the meeting, welcomed our district convener Mrs. Sloan. Mrs. Sloan then addressed the meeting on W.I. work.

In her address Mrs. Sloan congratulated W.W.I. on their work for the past year. She then spoke on "Old Folks Homes" and said that she was going to ask all W.I. groups to take this up as a project and assist the municipality in that effort. She also said that we should strive to make our homes more attractive in order to keep young people on the farms.

A discussion took place on how long a member should hold office. It was decided that new members should be given a chance, they may be nervous but will do alright. Mrs. Sloan wants secretaries to tell of visitors, of topics given and their interesting points.

Everyone enjoyed Mrs. Sloan's talk very much and hope that she will soon visit our group again.

Some 38 articles for babies and small children were handed in as the January project.

The next meeting will be held Feb. 5th at the home of Mrs. R. Dibben. Roll call will be "Name a house plant"; topic to be given by Mrs. C. Sweeney; social by Mrs. Osterburg; lunch committee, Mrs. Sweeney, Mrs. Wallington and Mrs. Wilson.

Singapore Directs Shipping By T-V

What is believed to be the first installation of television to control harbor shipping is going into use in the port of Singapore. The Singapore Harbor Board has bought a 5½-lb. camera, a standard 17-in. receiver and monitor from the United Kingdom to go into a closed circuit to direct shipping, according to an article in "Foreign Trade", a publication of the Department of Trade and Commerce.

C.N.R. Places Big Diesel Orders

MONTREAL, Jan. 20.—Orders for 151 diesel-electric locomotive units have been placed by Canadian National Railways with Canadian builders.

The diesels, which will cost $27,500,000, are all scheduled for delivery in 1958 and will extend the railways' program of territorial dieselization.

General Motors Diesel Ltd. of London, Ontario, will supply 81 road switcher units — 55 of 1,200 horsepower and 26 of 1,750 horsepower.

Montreal Locomotive Works Ltd., Montreal, will build seven two-unit road passenger locomotives, 45 road switchers of 1,800 horsepower and 11 yard switchers of 1,000 horsepower.

Mr. and Mrs. R. Forsyth had as their guest Mr. Forsyth's mother, Mrs. J. P. Forsyth of Edmonton last week end.

Stanley Boe is home on sick leave from the far North, where he was working.

Rev. C. C. and Mrs. McPherson had as a week end guest the Right Reverend H. H. Clarke, Bishop of Edmonton.

Mrs. R. T. Clemett was a Mannville visitor last week from Heinsburg.

A number of Anglican vestrymen, sixteen in all, attended a special meeting in Vermilion on Monday of this week.

Mrs. Opal Miller, Tofield, was a visitor to Mannville on Wednesday last.

Helping out at the Hotel Coffee Shop are Mrs. Agnes Hinton, Mrs E. Hauck and Mary Anne Gartner. Mrs. Margaret Hinton has been looking after the hotel rooms, etc. in the absence of the Dolinskys.

Mr. and Mrs. Stan Boe were Edmonton visitors on Tuesday of this week.

SURPRISE BIRTHDAY PARTY

Friends of Allan Marz, numbering about eighteen, paid him a surprise visit on the occasion of his sixteenth birthday. Jiving, of course, was the main feature of entertainment during the evening, and lunch concluded a happy time.

NEWS from ALLANDALE

Weather — no complaints, it's just wonderful, mostly above zero.

Dec. 24th, a belated congratulation to Mr. Christman Sr. on his 70th birthday. May you enjoy many more. Seven children out of the family of ten were present for their dad's birthday party along with others, to make it a gala affair.

On Jan. 9th the Allandale W.A. met at the McPhee home in the evening. It was pleasing to have the men folk along. Mr. Dave McPhee accompanied Mr. and Mrs. Gus Throndson from town. The February meeting will be at the Baldock home. Lunch—Mrs. Mossy McPhee and Mrs. Evelyn Throndson.

The Clandonald Promenaders can be very proud of a square of the Promenaders Mr and Mrs. Elmer Gower, Mr. and Mrs. R. Strome, Mr. and Mrs. Kada, Miss Frances Zlomek and Mr. Peter Matayaschuk who motored to Marsden on Jan. 10th and obtained their "knot-head" badges. Well done folks, we're proud of you and hope you enjoyed yourselves there. By the way, to obtain this badge a full square has to travel 100 miles to a square dance. This is the second attempt for some — before they had the miles but only three couples.

On Jan. 10th Allandale was represented at the Princess Anne W. I. whist at three different places, Island Hill, Geo. Mead's and the Parczewsky home. At the latter place Orley Omness won first from Arnold Olson on the cut, Arnold 2nd, Mrs. Olson 1st and Mrs. Idelore Nelson 2nd. The evening's entertainment and lunch was enjoyed very much, thanks to Joe and Frances.

Miss Anna Nelson has been transferred to the Lloydminster phone office and commenced work there Monday last. She will board with her uncle and aunt Mr. and Mrs. John Nelson. Anna has been employed at the Vermilion phone office for over four years.

On Jan. 14th Harry Goldsmith, Walter Elliott, John McKeague, and the Little Bros. accompanied Don Wilson to the city for the Edmonton - Vancouver hockey game. They appreciated very much Mr. Little getting tickets beforehand, assuring them of good seats. The game was enjoyed very much.

Congratulations to Mr. John Arnold on his 74th birthday Jan. 18th. May you have many more.

A very enjoyable evening was had at the hall on Jan. 17th. Prizes were won by Mrs. Ivy Arnold, Mrs. Joy Dolman, Leonard McPhee, Hank McKinnon, Ralph Strome and Jim Miller. Travelling prizes — Helen Dolman and George Richardson. Old time dancing was enjoyed to the music of Mr. and Mrs. Herb McPhee and Mrs. Edna David and Glen Baldock. Modern square dancing was also enjoyed, our thanks and appreciation to Mr. and Mrs. Robert Repp for supplying the music and Betty for calling. Jan. 31st will be the next whist.

Mr and Mrs Paul Whelan, Paulette, Michael and Lynn arrived on Jan. 16th at the home of Mrs. Whelan's sister Mrs Walsh in the city. The following Saturday Don Wilson and Orley Omness met the family at Vegreville, Jimmy Walsh bringing them that far.

Visitors at the Omness home on Jan. 19th were Don and Hilda Wilson and family, Mr. and Mrs. Gus Throndson and Mr. and Mrs. Milton Lee from town, and Mr. and Mrs. Alvin Throndson.

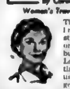
Closing Thought: "A smile is a light in the window of the face, by which the heart signifies it is at home and waiting. A face that cannot smile is like a bud that cannot blossom, and dries upon the plant."

SAD TO WOMEN

The following correction appeared in a small town paper: "Our paper carried the notice last week that Mr John Jones is a defective in the police force. This was a typographical error. Mr. Jones is really a detective in the police farce."

Tips on Touring

By Carol Lane
Women's Travel Authority



The 'Flat Look' in women's styles may be on its way out but the 'Flat Look' of a flat tire is still with us. If your car gets a flat you can't take it for granted that a Highway Prince Charming will come along and change it for you. In open country you may not see another car for an hour.

It's better to adopt the Boy Scouts' motto and 'Be Prepared'. Before you leave home take the jack out of the car and . . learn to use it! The bumper jack has proven the easiest type for women.

If a flat occurs when you're driving, move off the highway as soon as possible and park on level, firm ground. Put the hand brake on when you have stopped the car. If you are on an incline wedge any good wheel with a rock to prevent the car from rolling. Then take your spare tire out of the trunk (before [illegible] the jack).

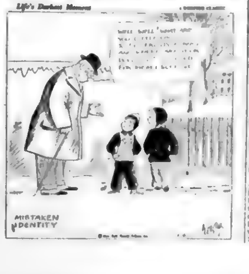
Place the jack under the bumper and begin to raise the car. If the car tends to slip, re-set the jack on a slight angle against the direction the car slips. Then elevate the car until the flat is just touching the ground.

Next pry off the hub cap and loosen the wheel nuts. Continue jacking until the flat is one inch off the ground. Now remove the nuts and the wheel. When you've replaced this wheel with your spare, partially tighten all nuts, lower the jack, and finish tightening all round.

If a flat tire occurs at night, be sure the tail light is on while you're changing the tire so oncoming cars can see you . . . and don't stand so you hide the light from approaching cars. A flashlight or troublelight will come in very handy.

Lastly, remember that it can happen again . . . so have your spare repaired or replaced without delay.

Life's Darkest Moment



OBITUARY

JOHN E. KILLION

Funeral services for Mr. John Ernest Killion who passed away on December 22, 1957, were held at Holy Name Catholic church on Friday, December 27th. Interment followed in the Vermilion Catholic cemetery. Rev. Father Selfverling officiated at the Requiem High Mass.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy, spiritual offerings and floral tributes, memorial gifts received from friends and neighbors during our recent bereavement in the loss of a loved one.
Myrtle and Joe Killion

The Yukon territory is in a separate standard time zone and clocks in the Territory are five and one half hours behind clocks in Newfoundland.

In the January-September period of 1957 Canadian labor income totalled $11,412,000,000 compared to $10,498,000,000 in the same period of 1956.

Safer Aloft

When a passenger plane crashes into a mountain or a [illegible] there are headlines and everyone hears about it. But points out The Financial Post a score of car accidents scattered over the continent on the same day and killing just as many people will only get a few lines in the press. Yet statistics show that the risk of a fatal accident is far higher on the highway than in the air.

In Canada and the U.S. last year almost 42,000 people were killed in auto accidents, or nearly 6 per 100 million miles of travel. In fatal civilian air crashes in the two countries during the same period 145 people were killed or well under 2 per 100 million miles of travel.

Vase-making this way is fun. Give nicely-shaped bottles a base coat of creamy beige flat paint and let dry overnight. In a good sized pail filled with water dribble several colors of quick drying enamel. The drops of paint will float on the water and can be flattened out on the surface by blowing. With a smooth, continuous motion dip the bottle into the water. It will pick up the colors as it goes down and will come up looking for all the world like modern pottery.

Ken Greenwood Speaks At Rotary Club Luncheon Meeting

One of the members of Vermilion Rotary Club, Ken Greenwood gave his vocational talk at last Friday's meeting.

Mr Greenwood related the history of the grain trade in Western Canada from the early days when wheat was brought to the market in sacks to the present day when large trucks are unloaded in a few minutes' time.

On the prairies now there are 5,370 elevators. Some people refer to them as skyscrapers and sentinels of the prairies. The total capacity is something in excess of 337,000,000 bushels. There are in addition, 33 terminal elevators at Port Arthur and Vancouver which can hold approximately 110,000,000 bushels of grain.

Mr. Greenwood stated that elevator agents these days are not confined to handling grain. Many of them are in the feed, coal, binder twine, weed chemical businesses etc. also.

In introducing Mr Greenwood, Chas. Heckbert related the long and interesting career the speaker had in the grain trade. Jack Kneale thanked him for his very instructive address.

The Lloydminster Rotary Club was out in force, there being five Rotarians from that point at the meeting. They were Rus MacKenzie, Art Shortell, Gordon Shepherd, Archie Miller and Neville Goss.

Gerry Stephens introduced his farmer guest, Henning Haverslew.

George Webb introduced his son John Webb who had just become the father of another girl. Someone said that Johnnie must be raising a girls' softball team. His only comment was: "Just lucky, I guess".

Ross Boake presented a carnation to Israel Miller on the occasion of his birthday. President Tom McPherson welcomed all the guests and thanked the speaker for his vocational talk.

It was decided that April 12 would be 'charter night', and the meeting be held at the Elks hall. The governor for this district, Art Balfour of Grande Prairie will be the guest speaker.

Joint Submission On "New Deal"

Representatives of the Alberta Teachers' Association and the Alberta School Trustees' Association, meeting in Barnett House on Saturday, Jan. 18, to discuss mutual problems, established a joint committee to prepare a united statement on educational finance, especially as it pertains to Mr Hinman's "New Deal."

The two associations hold similar views on the basic principles of provincial educational finance.

The committee expects to present the views of the two associations to the cabinet before the legislature opens February 20.

The representatives of the Alberta Teachers' Association at the Saturday meeting were: R.F. Staples, vice-president; H. J. M. Ross, past-president, Eric C. Ansley, general secretary; W. Roy Eyres, executive assistant; and F. J. Ingram, executive assistant. The Alberta School Trustees' Association was represented by E. Larr, president, R. Hennig, past president, T. Weidenhamer, general secretary, Mrs C. B. Andrews of Lethbridge, J. Thorogood of Edmonton, F. L. Woodman of Calgary, and Percy C. Johnson of Grande Prairie.

Patrick McCambridge Dies In Edmonton

On January 14, Patrick Gerald McCambridge, Sub P.O. 24, South Edmonton, age 42 years passed away. He leaves his loving wife, four sons and three daughters, Eugene, Shirley, Glen, Donna, Gerald, Daniel and Patricia, all at home, his parents, Mr. and Mrs. Patrick McCambridge, Vermilion, four brothers and two sisters, Mrs. M Simonette and Leo, Vermilion, John, Vancouver, Mrs. R. Dynes, James and Joseph, Edmonton. Funeral services Thursday 10 a.m. at the Assumption Church. Interment followed in the Field of Honor St. Joachim's Cemetery.

Death of Harry Hornigold, Dewberry

On January 16th, 1958, Mr. Harry Hornigold of Dewberry, formerly of Edmonton and Opal, passed to rest in the Elk Point hospital at the age of 62 years. He leaves to mourn his loss his loving wife Ivy, three daughters, Margaret, Joan and Mary, also his sister Margaret Ewen and brother Michael, both of British Columbia.

Funeral services were held on Tuesday, January 21st at 2 p.m. in the Dewberry United church. Rev J. Shortt of Kitscoty officiated and interment took place in the Dewberry cemetery. Moyers Funeral Home, Vermilion, was in charge of arrangements.

Mannville O.O.R.P. Visit Vermilion.

MANNVILLE. — Seventeen ladies of the O. O. R. P. Lodge visited Vermilion Lodge recently, and presented them with the travelling gavel. In the absence of Honored Royal Lady Rita Goshko, who was unable to attend, Lady Mae Proudfoot took her place. Following lodge a happy half hour was enjoyed during which a delicious lunch was served by the Vermilion ladies.

BUFFALO COULEE ACTIVITIES

We still seem to be in the banana belt but we have no complaints on the weather so far this winter. At least it has been cold enough for Clifford to get the ice in shape in the curling rink and the season got under way with a mixed bonspiel which started on Friday night. This is the latest start since the rink was built but maybe a short season will be a real active one. George Eyben's rink participated in the opening of the new Wildmere rink last Wednesday night.

Quite a number of people from the community attended the Vancouver - Edmonton hockey game in the city last week and while being disappointed in not seeing much of Brent in action enjoyed the game very much. Best wishes Brent for a speedy return to action.

HOME & SCHOOL HEAR SUPERINTENDENT HALL

Home and School met last Wed. for the January meeting with a fairly good attendance but this should still be much larger considering the number of pupils who attend school. Mr. Hall, superintendent of schools for the Wainwright Division was guest speaker. His talk on the problem of the child with the high I.Q. was most interesting. He stated that much is being done for the retarded and mentally deficient children but not enough for those who could advance well ahead of the average child and become discouraged because they are held back. In this day when keen students of science and mathematics are so urgently needed they should be given every opportunity. However he said he was pleased that the Alberta Government was starting a survey of the educational program and felt this problem would receive due consideration.

STUDENT'S UNION ELECTS OFFICERS

The Students' Union held their election of officers for the second term of the year. New president is Shirley Hinton replacing Donald Stone, Vice Pres., Alayne Stone, Sec. Marjorie Brook, Treas. Grant Haverslew, Point Sec., Roddy Haverslew.

The students are sponsoring a dance next Friday night in the B.C. gym. A tobogganing party is to be held when there is enough snow.

The boys have formed a hockey club with Pres.—Colin Kennedy, Vice Pres.— Donald Stone, and Sec. Treas. — Vernon Smith. They are to play a game at the Albert School on Tuesday.

RURAL ELECTRIFICATION MEETING HELD

The Auburndale R.E.A. held their annual meeting at the school last Thursday with a good attendance. Mr. F. Gale of Calgary, Superintendent of Calgary Power and several officials from Camrose were in attendance. Mr Gale spoke on future plans for R.E.A. construction. Other matters of local problems were discussed.

W.M.S. MEETS AT HOME OF MRS. WEAR.

The Autumn Leaf W. M. S. held their annual meeting at the home of Mrs. Wear. Articles for a layette were cut out and also blocks for a crib quilt which is to be made at the next meeting at Mrs. Frank Eyben's. These are all for overseas relief.

The Heatherbell W. A. group met at Mavis Haverslew's. The Sunshine Pal idea is being carried out again this year. Next meeting at Mrs. B. Macnab's.

The Square Dance Club is sponsoring a dance at B.C. on Jan 25 with Art Zeigler calling.

OLD TIMERS PASS ON

Once again another of our old timers has been called to the Great Beyond with the passing of Mrs. Hans Eyben. May the family be comforted with the thought that now all her labours and trials are o'er and she is safe on that beautiful shore.

Several from B.C. attended the funeral of Tom Cairns on Saturday, another early pioneer who retired some years ago to live at the coast. What changes he must have seen in over 90 years.

"The old order changeth giving place to new', but are we holding the torch as high as did the early pioneers?

Paradise Valley 4-H Beef Club Meets

The Paradise Valley Beef Club held their January meeting on Jan. 7th in the Paradise Valley high school at 8 p.m. The evening opened by Mr. Clark and the District Agriculturist's assistant Mr. Douglas giving shows on Australian sheep raising, the country of Sweden, and farming in the past and present. Ellen moved a vote of thanks to Mr. Clark for coming down and showing the films.

The meeting came to order by the members repeating the 4-H pledge. The roll call was answered by the members repeating their calf's heart girth. Wilfred read the minutes, Ellen moved their adoption, Eldon seconded it. Carried. The assistant D. A. talked on the shows which was very interesting. Stall signs were discussed and every member is supposed to make a sign and bring it to the next meeting.

Edith moved the meeting be adjourned. Dick seconded this, and carried. Myron moved a vote of thanks to Mr Douglas for coming down to bring the films and speak to the 4-H members.

Health Unit Notes

KEEPING YOUR CHILD WELL

A healthy youngster—baby or young child—is happy and lively. His skin is a healthy pink, his eyes bright, and his flesh firm and not flabby. His appetite is good, he sleeps soundly, and he makes a steady gain in weight. Regularity in eating and sleeping, freedom from over-excitement, cleanliness, protection from contagious diseases, regular medical supervision, and calm and assured handling will all help to keep your children well.

PROTECTION AGAINST COMMUNICABLE DISEASES

Everything possible should be done to keep babies and young children from catching a communicable disease. Such diseases including the so-called "common cold," are usually much more serious for them than for older children or adults.

Fortunately some of the most dreaded childhood diseases can now be prevented by immunization. Every baby should be protected from diphtheria, whooping cough, and smallpox before the end of his first year. The length of the period of protection varies with different diseases. The doctor or Health Unit staff will tell you when your child should receive additional treatments in order to continue the protection.

WHEN A BABY CRIES:

Babies soon learn to cry for many reasons besides hunger, thirst, pain, or discomfort. They find out that when they cry they are picked up and something pleasant usually happens, like being fed or talked to. If a baby stops crying almost at once after you pick him up, you can be pretty sure that nothing much is the matter.

If the crying seems to be associated with pain or persistent hunger, you should get your doctor's advice. But a healthy baby whose needs are all attended to will quickly give up crying to get attention when he finds that it does not work.

NEWS from KITSCOTY

Mrs. M. Symons and small son George left for Hamilton, Ont., last week end after spending the past six months here visiting with her parents Mr. and Mrs. A. W. Govier and family.

Miss Sheila McCorry will be one of the soloists when the U. of A. mixed chorus present their annual concert next week in Edmonton. Miss Sylvia Sheppard and Miss Janet Kent are also members of the chorus.

29 CRIB HAND TWICE IN TWO YEARS

A 29 hand while playing Cribbage is something one dreams of and perhaps is lucky to have once in a lifetime. But to Mr Thomas Givens such a hand has occurred twice in the last two years. While playing Crib with Mr. and Mrs. Alvin Wilks of Lloydminster last week end Mr. Givens was double-skunked by Mrs. Givens and Alvin who counted first to go out and left Tommy holding the 29 points. Such is fate! Better luck next time Mr. Givens.

Mrs. R. B. Hiltz has returned home to Brownvale after spending a holiday here with her son Mac, Mrs. Hiltz and the boys.

Mr. and Mrs. Russell Sutton of Calmar spent the week end here visiting with Marie's mother Mrs. P. Miles and sister Margaret.

Mr. and Mrs. L. E. Speelman left for Edmonton last week end and while in the city Mr. Speelman will undergo surgery on one of his eyes. Best wishes are extended for a speedy and complete recovery.

Mr. and Mrs. E. Cattapan and the boys of Edmonton spent the week end here with Muriel's folks Mr. and Mrs. A. Hale and Ronnie.

Congratulations are extended to Mr. and Mrs. Boyd G. Mitchell on the birth of a son on Jan. 18 in the Lloydminster hospital.

Mrs. J. McCorry is at present a patient in the University hospital having a medical check over.

Mrs. F. Butterfield is spending a holiday in Edmonton with her daughter and son-in-law Mr. and Mrs. G. Robinson and family.

TEA AND BAKE SALE

An afternoon tea and bake sale sponsored by the Vermilion W.I. will be held in the Legion hall on Saturday Feb 1 from 3 to 5 p.m. The draw for the wool blanket will be made then. 27-0

(UPPER LEFT) Ubiquitous black satchel in hand, Mrs. Faulkner approaches a farm home in the Breton district to conduct a routine check of pre-school age children and administer to adults in the household. Home visits form an integral part of the nursing service where persons are unable to attend clinics or make office calls. All nursing services, apart from emergency and minor treatments, are free.

(UPPER RIGHT) A regular day in the office requires Mrs. Faulkner to engage in many types of nursing activities. Here she checks weight of an eight month old boy after examining his throat for swollen tonsils. The throat was fine and so was the weight nearly 20 pounds. To provide adequate health care for district residents, Mrs. Faulkner endeavors to divide weekly time equally between school visits, home calls and office reception, two days of each.

(LOWER LEFT) A 91 year old pensioner living in the Hamlet of Breton is shown having a blood pressure check. These senior citizens receive close, periodic attention from municipal nurses. Were it not for municipal health nurses, senior citizens living in remote sections of the province would have to travel many more miles to receive drugs and medical injections.

(LOWER RIGHT) Preventative health programs among school children take up a good portion of municipal health nurses' time. Mrs. Faulkner is shown examining the throat of a youngster in a grade one classroom. Parents are informed of physical ailments or defects and advised to seek medical attention. Average rate of immunizations under various preventative programs is 300 per month, on an annual basis. On the provincial scene, health nurses currently serve 17 unorganized districts and eight sections of organized municipal districts.

During 1957, Canadian National Telegraphs established 47,000 miles of carrier telephone and 118,000 miles of carrier telegraph channels to meet the continuing heavy demand for private wire and other related services. Extensive facilities also were provided for use by the Canadian Government in defence purposes.

Bring Health Services To Remote Communities

Bringing health services to Alberta communities remote from hospital or doctor is the responsible task performed by a corps of 25 specially trained nurses employed by the Department of Public Health. Each is trained to administer all types of emergency treatment as well as a broad range of preventative medicine and sanitation programs, and prenatal and postnatal care for mothers and infants. Periodic examinations of school age and pre-school age children are also conducted.

Customary arrangements are for the community to provide the nurse's residence and transportation. Drugs, medicines and clinical apparatus are provided by the Department of Public Health. The nurse's home generally serves as office and treatment centre as well as living quarters. Most of the nursing services are provided free of charge but a reasonable levy is made on patients requiring emergency treatment. Services and medications are free to old age pensioners and others receiving stimulus financial aid. A nominal charge is made to persons in better circumstances.

Typical of the hardy and selfless nurses who devote their skills to helping residents of rural regions is Mrs Alice Faulkner, of the Breton district 75 miles southwest of Edmonton. Regular population of the Breton and Lindale districts for which she is responsible is about 1,000 persons. As happened in many other Alberta communities, recent oil development brought a heavy influx of transient and semi-permanent workers to the Breton district. Many of them came with their families, living in trailer homes. Occasional oilfield accidents and inadequate sanitation facilities have drastically increased nursing responsibilities.

Under various preventative programs, Mrs. Faulkner carries out an average of 300 immunization injections per month, the year round. During a concerted program against typhoid fever and poliomyelitis last spring she undertook a total of 1,786 immunizations in May and 1,204 in April. The work was carried on not only in her office but during visits to schools and homes.

Hardly any two working days are the same for Mrs. Faulkner. One day she may be checking school pupils for the presence of dental caries and abnormal tonsils, or for defective hearing and eyesight. The next day may be given over to a 'well baby' and immunization clinic at some central location. On the third day she may make the rounds of old age pensioners, dispensing prescribed drugs and medicines or making routine health checks. As an example, one pensioner in her district [illegible] B 12 injections twice a week. Perhaps the entire day will be spent in the office where nearby residents can come for special treatment, for examination, or simply for [illegible] on health problems. Her [illegible] nary work week may be divided into any combination of these and other nursing activities.

It is often the unexpected that [illegible] strain on the overall schedule of a municipal health nurse. One cold night early this winter there came an imperative knocking on Mrs. Faulkner's front door just before midnight. Several local residents bearing four injured teenagers of the district were seeking her help. Apparently the car in which the group was riding had overturned on icy roads. Within minutes the tiny office and reception room took on the bustling air of a hospital emergency room.

Mrs. Faulkner treated all the shock, lacerations and bruises. Two of the patients were suspected of having sustained internal injuries. Full body splints were applied and they were placed on stretchers. The group was taken to a city hospital, where examination disclosed that one of the accident victims had suffered a [illegible] back. The body [illegible] applied by Mrs. Faulkner had undoubtedly saved much pain for the patient and reduced the possibility of injury complications.

Steady driving brought Mrs Faulkner back to Breton at 6.30 a.m. After a brief nap, she was ready to carry out the work mapped out for that day.

Similar cases of emergency frequently arise through accidents on farms, in lumber and fishing camps, or in oilfield work throughout areas served by public health nurses. The comforting presence of a highly trained nurse at such times eases the strain of suffering and anxiety, apart from minimizing the danger of injury complications.

Municipal health nurses in Alberta are presently stationed at 17 points in unorganized areas. The districts are Bonanza, Breynat, Dixonville, Fort Assiniboine, Hilda, Kinuso, New Bridgen, Peers, Plamondon, Slave Lake, Sunnybrook, Valleyview, Wanham, Whitecourt, Youngstown, Smith and Hines Creek. Eight areas of organized municipal districts served by public health nurses are Alder Flats, Breton, Forestburg, Lomond, Tomahawk, Tulliby Lake, Warner and Winfield. Five districts remain to be staffed when qualified.

Together these nurses bring the advantage of modern health care to thousands of Alberta citizens who otherwise would have no ready access to regular professional aid.

House Sales Boom

Sales of new houses are reviving fast, says Clifford Fowke in The Financial Post.

This year could be one of the [illegible] ing history.

Homebuilders pushed starts to a new record last month as a result of the $150 million direct lending fund for lower - cost houses provided by the federal government through the Central Mortgage & Housing Corp.

A Lot Of Pens

Pen business is good business, and it's getting better, reports The Financial Post.

In fact, it's expecting a 31% increase in sales volume this year. It could hit a record $17.3 million.

Reasons for this optimism are:

The babies of the post-war boom are now going to school.

Growing popularity of quality fountain pens as gifts.

Recent improvements in ball point pens.

Increased use of fountain pen desk sets in both the home and the office.

PUBLIC NOTICE

PROVINCE of ALBERTA

NOTICE is hereby given that the Government of the Province of Alberta has appointed a Commission and has authorized that Commission to study and consider the aims and objectives essential to maintain a proper and adequate educational program for pupils of the elementary and secondary schools of the Province, and to inquire into the various aspects of elementary and secondary education as they relate to the schools of Alberta. Interested persons may secure a copy of the terms of reference of the Commission by writing to the Secretary.

Notice is further given that during the months of May and June the Commission will hold public hearings in Edmonton, Calgary, Lethbridge, Medicine Hat, Red Deer, Grande Prairie and, perhaps, in other places for the purpose of receiving briefs and submissions from persons and organizations relative to the matters under deliberation. Publication will be made in the press, in the localities selected, of the times and places of the public hearings, at which times and places all interested parties must be prepared to present their respective submissions.

Ten copies of all briefs and submissions must be filed with the Commission secretary during the interval of time March 1st to April 15th, 1958. All submissions are to be typewritten and double-spaced, using one side of the paper only.

DATED at Edmonton this 3rd day of January, A.D. 1958.

OUR LETTER FROM EDMONTON

ALBERTA GOVERNMENT DISCONTINUES MUNICIPAL FINANCE CORPORATION

by KEN MASON

EDMONTON. — Premier Manning's announcement last week of the suspension of the Municipal Finance Corp. amounts precisely to this: The government has washed its hands of the lending business.

From now on, and for the first time in several years, Alberta municipalities will have to secure their capital loans on the open money market at the best interest rates they can find.

This was the latest development in the proposed overall revamping of provincial-municipal financial relations.

The premier also announced that more money will be channelled into municipal, school and hospital operating grants in an effort to ease rising taxation. At the same time, smaller sums will be placed in reserve funds which have been used in past years to buy municipal debentures.

The announcement took municipal officials by surprise. They had been counting on borrowing money through the MFC for their capital works this year. Premier Manning said it won't make any difference because interest rates have eased in the past two months. Direct borrowings by municipalities would command market rates comparable to those at which the MFC could borrow, he said.

At the same time, it's not much help to municipal authorities who have been wondering how they're going to prepare their budgets. The overall study of municipal financing has created much uncertainty, and it still isn't resolved.

The big question is, why was the action taken? The examination of the background may answer that question, at least in part.

The Finance Corporation was set up a little over a year ago, and was supposed to have taken over from the government the financing of municipal capital works. If the government had any surplus money for municipal loans, it would buy MFC debentures. If it became necessary to borrow on the open market, the MFC would do it on behalf of all municipalities and the province would guarantee principal and interest.

In its one year of operation, the corporation lent out $40,000,000 — all provided by the government. This year, with revenue away down, it appeared certain the corporation would have to borrow all its money outside.

And municipal demands were staggering this year something well over $60,000,000 — which is the maximum amount the MFC could borrow. It would be a heavy debt for the province to underwrite.

So it could be that by demanding such huge sums the municipalities frightened the province into abandoning the lending program. Another factor could be that all MFC borrowing would represent indirect debt to the province, and the government's program is to reduce its [illegible].

Here's what Premier Manning had to say: "The demand for capital loans has reached proportions where continuation of this policy no longer is possible if the province is to assume a larger proportion of operational costs. The alternative is an ever-increasing burden on municipal ratepayers — a situation to which the government is opposed and determined to do all in its power to prevent."

Another possible factor is that some municipalities — notably Edmonton and Calgary — were slightly unhappy about the way the MFC cut a few million dollars off their requisitions last year. Premier Manning said the municipalities have expressed a desire to be free to borrow as much as they wish, and on the open market they have that freedom.

Granted, the MFC was set up at a time when interest rates on the open market were high, but it's apparent now that the operation wasn't working out as well as the government thought it would.

Premier Manning also spoke about other phases of the proposed 'new deal' in municipal financing. He was asked if any new forms of taxation are in store this year.

"For the hundredth time," he replied, "I'd like to say we have no intention of imposing any new forms of taxation or of increasing taxation, or of taxing farm buildings and improvements."

This impression, of course, has been created in speeches by Provincial Treasurer Ted Hinman, who has said repeatedly that demands for increased services from all levels of government will lead inevitably to new forms of taxation.

Asked if his statement contradicted Mr. Hinman's public utterances, the Premier said the Treasurer has been speaking only of the general principal that more and better services mean more taxation. The Premier said steps toward the new deal will be taken this year, but it is a process of continuing transition, and can't be accomplished overnight.

Special Attraction At the Columbia

BONTELL BULLETIN

Sorry, folks, no news for the past few weeks as the writer was on the sick list.

Thanks to our editor and staff for the lovely gift.

We are certainly having grand mild weather for January. The writer received a letter from Mrs. DeDelly, and Vic is much better in health. She reports they are having lots of rain, and it rained all Christmas day.

Many thanks are extended to those who made it possible for the old timers to have a place to gather. Also for the rest room which is grand for the country folk, both young and old.

The January meeting of the Loafers' Club was held at the home of Mrs. Caro. We were pleased to have the Misses Gladys and Muriel Stone as visitors. One new member joined, Mrs. G. Millar. The next meeting will be held at Mrs. McGaughey's, Feb. 5th. The next card party is at Mrs Harrison's on Jan. 31st.

Harold Knutson is home from Edmonton and is feeling much better after medical attention in the University hospital.

Mr and Mrs J Repp celebrated their fourth wedding anniversary January 12th. The latter enjoyed dinner on Saturday at the home of Mrs Cummings.

Frances Sherwood spent the week end at Lynne Davidson's home, and Jean Hannon visited the same time at Margaret Robinson's.

The Simenuiks are pleased to have their grandmother with them for the winter months.

Quite a number attended the annual telephone meeting held at the hall recently. On the board are Isabell Repp secy., Charlie Pearman, president, and directors Don Harrison, Bill Walker, Tom Sherwood and Bob Mullen.

George Gow had the misfortune to have a large piece of iron drop on his foot recently, badly smashing two toes.

Fred Playne is kindly doing chores at various neighbors since this 'flu has been going around.

Mr. McFarland is in the Vermilion hospital, after spending two weeks in the General hospital in Edmonton.

Veterans Build Their Own Homes

Under Part 11 of the Veterans' Land Act veterans in the Edmonton area have built 285 homes since the introduction of the plan four years ago. At first the veterans were hesitant in taking the responsibility of acting as their own contractor but now that so many have been successful, interest has become very keen.

In the Edmonton Regional office of V.L.A. over 200 veterans have been qualified to attend construction classes this winter. The construction classes are designed to qualify the applicants to take care of the details of their own contracts and enable them to complete the building of their own homes under the supervision of qualified construction supervisors employed by V.L.A. The veterans have the opportunity of contributing as much labor as time and experience will permit and thereby effect substantial savings.

One of the most attractive features of V.L.A. Part 11 is the comparatively small amount of cash required for a modern home. The minimum requirements to qualify are, the ownership of a lot worth $800 or more or the funds with which to purchase a lot, and about $400 in cash to take care of incidentals not included in the contract. 23% of the veteran's salary must be sufficient to make the monthly payments and pay the taxes after the house has been completed and turned over to C.M.H.C. for financing.

Officials in the Edmonton Regional Office of V.L.A. and Settlement Officers elsewhere will be pleased to give further information to veterans who wish to build their own homes. Applications should be made without delay in order that qualifications may be completed for the 1958 construction season.

Nova Scotia had the first parliamentary government in Canada when a 22-member elected Assembly met in Halifax in 1758.

Princess Anne W. I. Notes

The Princess Anne W.I. held its regular meeting on Jan. 7th at the home of Mrs. Alf Scarfe with 13 members present. Two new members were welcomed, Mrs. Alan Mead and Mrs. Fred Dougan making the enrolment now number fifteen. Roll call was 'Ideas for our new plan books' and was followed by the minutes. New committee conveners were chosen: Press — Mrs. Fred West; Social Services — Mrs. Fred Dougan; Agriculture — Mrs. Anthony Simonet; Health — Mrs. George Richardson; Handicraft — Mrs. Wm. McIntyre; United Nations — Mrs. Michael Simonet; Citizenship — Mrs. Alan Mead; Home Economics — Mrs. Alf Scarfe.

After that a discussion re social services took place and it was decided to give Mrs. Scarfe ready cash to handle her duties as official agent for the Rheumatism and Arthritis fund. It was decided to buy flannelette and make layettes for overseas and each one not sewing will donate pins, soap or vests at the next meeting.

On Friday night Jan. 24th the husbands of the members will be entertained at the home of Mrs. Rock Mead.

The meeting closed with the Mizpah after which a delicious lunch was served by Mrs. Alf Scarfe and Mrs. R. Strome.

Solve a Crime
BY
A.C. GORDON

You Are the Detective

An anonymous telephone call has brought you and Sheriff Dan Templeton to a secluded little farmhouse out in the hills. In the small kitchen you have found the body of the farmer, Lem Peters clad in coveralls sprawled face down on the floor. A blood-stained wound is in his back and on the floor nearby lies a huge, blood-spotted carving knife.

Evidently the victim had been in the process of preparing his breakfast on this particular morning, for you see several slices of bacon in the frying pan on the stove, four eggs lying on the table next to three slices of bread. A stack of dirty dishes in the sink tells you that the bachelor, Peters, hadn't been keeping up with his housework.

Hearing a noise outside, you and Sheriff Templeton quickly walk out and are confronted by a tall, thin, unshaven man who is on his way around the rear of the house. He pulls up, peers inquiringly at both of you, and asks, "Who are you?"

"Police officers," answers Dan Templeton. "And who are you?"

"Why, I'm Henry Kean. I work for Lem Peters. I just got here. I'm a little late this morning, but I was feeling a mite sick when I woke up and just couldn't seem to get going."

"And you don't know that Peters is dead?" Templeton asks.

"Lem Peters . . . dead? Why who would have . . . say, what do you mean asking me? I told you I just got here. I sure didn't do it!"

You and Sheriff Templeton usher Henry Kean into the house where he stops short at the sight of the dead man's body. "Just getting set to eat, he was" mutters Kean. "He was a hard man, and I guess I worked for him longer than anybody else. But I didn't do it. You saw me coming."

"Yes", you agree. "We saw you coming, but I think it was the second time you came today. I think you were here earlier this morning and murdered your employer!"

Why do you suspect Henry Kean of murder?

* * *

SOLUTION TO SOLVE-A-CRIME

Your suspicions were aroused by Henry Kean's too-quick and too-vehement denial that he had killed the famer. Templeton had not told him that Peters had been killed, simply that he was dead . . . but Kean immediately avowed his innocence.

Board of Trade Elects E. A. Locke President

E. A. Locke, for the past six years manager of the Treasury branch in Vermilion, was elected president of the board of trade at the annual meeting held Wednesday. The luncheon meeting was attended by 35 business men of the town, and district farmers.

Mr. Locke has taken a keen interest in all phases of community activity ever since coming to town and is at present a member of the town council, and is president of the Eastern Alberta Hockey league. He is a past president of the Vermilion Golf club and very active in curling circles.

Elected to the office of vice-president is Mr. J. V. Kneale, superintendent of the Canadian Utilities power plant here. An ardent supporter of all community projects, he is presently the president of the Anglican Men's club, a member of the curling and golf clubs of the town.

The retiring president, Mr. Israel Miller, gave a most complete report of the activities of the Board during the past year, and the number of projects carried on was most enlightening and actually, quite amazing. A more detailed account of the president's address will appear next issue.

Following their election the president and vice-president were sworn into their new offices by His Worship Mayor Hill.

The complete list of officers for the ensuing year is:

Hon. Pres. — His Worship Mayor Hill
Past Pres. — Israel Miller
President — E. A. Locke
Vice-Pres. — J. V. Kneale
Sec.-Treas. — F. J. Richardson
Farmer Rep. — Ralph [illegible]
Dir. of Pub. — Ashley [illegible]

The following members were elected to the executive for two years: E. M. Stewart, G. F. Stephens, Thomas Watts, E. Schurman, Martin [illegible].

The following members of the executive have one more year to serve: Angus MacMillan, A. J. Champion, Roger Rowe, [illegible] McKernan, T. E. McPherson.

Members who retired this year after serving for two years were Albert Harreuther, Warren Rosequist, Cliff McCormick and Don Wilson.

The committees of the Board will be appointed by the executive at a meeting to be held next week.

Town Sells Imperial Block; Building Will Be Re-modelled

The regular meeting of the Council, Town of Vermilion, was held on Monday, Jan. 20, 1958 with Mayor M. Hill and Crs. Cooper, Locke, Rowe, Sutherland, McCormick, Thompson in attendance.

Correspondence: J. T. Barnes re Imperial Block; I. Miller re Imperial Block; Alberta Civil Defence re Welfare Registration Course; Provincial Planning Bd. re transfer Pt. NW-5-51-6; S. C. Heckbert re insurance; Nelson Lumber Co. re approval of package homes; N. W. Utilities re renewal of gas franchise; Cr. E. A. Locke re parking fines; Applications re works superintendent position; Nick Klutz re purchase of Lot 30, Blk. 2, 6647S.

The following motions carried:

That Cr. P. E. Cooper be appointed Deputy Mayor for Jan. and Feb., 1958.

That the building known as the Imperial Block on Lots 1 and 2, Blk. 14, Plan 6647S, be sold to I. Miller for sum of $1500 cash. Sale to be subject to approval of plans for remodelling, by the Council.

That Council offer no objection to the transfer of part of 5-51-6 as proposed by the Town Planning Board.

That By-law No. 1-58, covering renewal of gas franchise, be given first reading.

That Lot 30, Blk. 2, Plan 6647S be sold to Nick Klutz at a price of $700, subject to usual building bylaws.

Mitch Taylor Speaks To Rotarians At Burns' Dinner

The Vermilion Rotary club celebrated Burn's night in regal fashion at their recent meeting.

Member wives were entertained to a dinner in St. Saviour's Parish Hall and to a programme of Scottish music and traditions.

The ancient rite of piping in the haggis was performed at the start of the dinner. Piper Neil MacLean led the parade. He was followed by Mitch Taylor carrying the haggis to an honoured place at the head table. Mr. Taylor then addressed the haggis in the customary scottish manner.

Mitch Taylor was born at Ayre, the birthplace of Robert Burns the famous Scottish poet, so it was appropriate that he should speak to the gathering on Burn's life and poetic works. In describing the ability and humanity of the poet Mr. Taylor quoted numerous poems from memory.

The speaker was introduced by Ernie Buckingham and thanked by Jim Robson for a most entertaining [illegible].

President Tom McPherson was chairman of the meeting. Mr McPherson introduced and welcomed the visitors, Rotarian Mel Lavold and Mrs. Lavold from Lloydminster, and Mr. and Mrs. Neil McLean.

Gerald Stephens led the community singing which consisted mostly of old Scottish songs. Mrs. Ross Baske was accompanist.

United Church Hold Annual Meeting At Mannville

MANNVILLE — The congregation of McQueen Memorial United Church held the annual [illegible] at 8 p.m. Monday, Jan. 20th in the Elks hall. One of the most interesting reports was that of the building committee. All are interested in the new church and are looking forward to the day when they may meet there for worship services. Mrs. Colborne and Mrs. A. Hubbard are new members to the board of session, and Oliver Willes was elected to the board of stewards, to which Ross Leitch and Percy Sloan were re-elected. A warm vote of thanks was expressed to all those who so faithfully gave of their time to the work of the church.

Coincidentally, the date chosen for the annual meeting was the 44th wedding anniversary of both Mr. and Mrs. Roy Hay and Mr and Mrs. James Hill, therefore both couples being present the remaining church members circled them singing "For they are jolly good fellows." Both bridegrooms of yesteryear responded fittingly. Mrs. Holter, having provided an anniversary cake, served same at the lunch following the meeting.

Mrs. Jim McLaughlin Has 29 Crib Hand

Mr. and Mrs. Jim McLaughlin were playing a game of crib Monday evening when lo and behold on picking up her hand Mrs. McLaughlin found that she held the fives of diamonds, hearts and clubs, and the Jack of Spades . . then to climax this the five of Spades turned up to give her a perfect count of 29 points.

Elks and Clandonald Bantams To Clash

The Clandonald Bantams will play the Elks in Vermilion on Saturday morning at 10:30. All who can make it should see this game.

Junior High School Activities

The first party of 1958 was held on Friday, Jan. 24th at the Junior High. The party, called "The Jail House Rock" was sponsored by the 9B class which did a thorough job of planning and carrying out the party. The lucky winner of the flash camera set, which was drawn at the [illegible] was Jimmy Stonehouse. In addition to Miss Barr and Mr Novak, the following [illegible] chaperoned the party: [illegible] Mrs. [illegible] Mr. and Mrs. Forbes, [illegible] and Mrs. Stephens, Mrs. [illegible] and Mrs. Strome.

SPORT

The [illegible] basketball 'A' team started [illegible] cuts last week under the supervision of their two coaches, Miss Barr and Miss Behnke.

The boys' 'A' team was also picked for eliminations, with scheduled practices on Tuesdays and Thursdays. The team is [illegible] by Bill Tough, a grade 12 student, and the manager is Mr Swayne. Wainwright has challenged both girls' and boys' 'A' teams to games on Feb 6th.

Curling is the new sport to be played on Mondays and Fridays. The skips and their rinks have been [illegible] and play commenced on Jan. 27th. The skips are [illegible] McPherson, Betty Leahy, [illegible] Soden, Bill Watt, Howard [illegible], Allen Armstrong, Bob Fisk and Wynne Puckett.

NICK ADAMS SELLS SHOPRITE

A thriving grocery and meat [illegible] in Vermilion changed [illegible] week when Nick Adams sold the "Shoprite" to Mr Les Hathaway. The new owner takes over on Monday. Besides purchasing the business Mr. Hathaway has also bought the new home of Mr. and Mrs. Adams' which was built only this past summer in the hospital subdivision.

Mr. and Mrs. Adams have no immediate plans but they will go to the coast for a holiday and to visit the former's parents.

Mr. Hathaway has spent some seventeen years in the grocery and meat business and comes to Vermilion from Calgary.

Nick will be in the store this Friday and Saturday when he hopes to see all of his customers to say goodbye and to make them acquainted with the new owner and proprietor, Mr. Hathaway, who will also be present.

Five-Day Week To Be Discussed By Business Men

Spread of the five-day week into towns and villages of Alberta has attracted notice locally and a meeting of business men of the town and everyone else interested will be held on Wednesday next, Feb 5th at the Rio Cafe immediately following the Board of Trade luncheon. Anyone who so desires may attend the luncheon which is due to commence at 12:10. Regular Board of Trade business will be confined to a minimum, so that the second meeting will start in good time, possibly by 1 o'clock.

John Zalaski Elected President Derwent Board of Trade

DERWENT — On Jan. 22 the Derwent Board of Trade held their annual meeting at a luncheon held in the hotel dining room. Officers elected for the ensuing year were as follows:

President — John Zalaski
Vice-Pres. — Felix Woloshyn
Secretary — John Paulikes.

Ex-High School-ites See Action In Basketball

The recently formed Town Ladies Basketball team, coached by Murray Millar, have now three wins to their credit. After defeating Vermilion High School girls twice, these ex-High School-ites defeated Lloydminster 28-23 on Monday night.

The local girls on the team are Doris Schmidt, Hazel Barr, Rhea Baddock, Marg Goodwin, Edna Martin, Jean Burdett, Adeline Jacula, Marg Behnke and Doreen Batke.

The town boys are not to be outdone by the girls however. They have played four games, winning two and losing two. The local boys are Murray Millar, Ken Brown, Wayne Ireland, Stewart Barr, Bob Barr, Bill Tough and Brian Ford.

Sunday will see these two teams in action against Lloydminster High School girls and boys. Watch for posters for further details.

Both teams hope that basketball enthusiasts will take this opportunity to see these young people in action.

BANTAM HOCKEY RESULTS

[illegible] defeated the Legion Bantams 2 goals to 1.

Ancient Music Box Unearthed

A very old type of phonograph or music box has been 'unearthed' at the section house in Vermilion. Mr and Mrs Prill reside in the house and a short time ago when their son was home from the east on leave he discovered the museum piece in the garage apparently left there by the last occupant, Mr George Koroluk.

Mr Prill Jr [illegible] some metal discs, with various sized holes or slits each with a little metal lug projecting from the underside. The machine was run by clockwork and played perfectly when dusted, oiled and worked over. A date on the box was 1870. It operated much like the musical jewel cases or powder boxes of today. It is really quaint and quite a curiosity.

Peculiarly enough Steve Krushinsky while dismantling the old home on the original site on his farm discovered metal disc records of much the same kind except that in this case there was no lug on the underside; the record was absolutely flat. The records were found in between a partition and were in good condition. The title of the one in the Standard office is quite easily readable and might well be the title of a modern song hit "I Can't Tell Why I Love You But I Do".

Mrs L. P. Horne recalls the music box quite well saying that it was sent out to [illegible] England and that the family received an enormous amount of pleasure out of it during the long winter evenings on the farm.

Wainwright Kin Holding Car Bingo

The Kinsmen of Wainwright are holding a car bingo with full [illegible] in this issue of the Standard. Some 48 numbers have already been drawn, so it will not be long before someone wins a 1958 Meteor Niagara . . . it can be you providing you buy a ticket. The numbers will be advertised each week in the Standard and cards may be obtained from Walter Fisk or Hillside Service.

Progressive Year Reviewed At Alliance Chapel Annual Meeting

The annual congregational meeting of the Alliance Chapel, Vermilion, and the Alliance Tabernacle, Mannville, was held jointly in the Chapel in Vermilion on Tuesday, Jan. 21st.

Preceded by a pot luck supper held in the basement at which about 70 members and adherents attended, the business session was held in the main auditorium with Rev. J. M. Schroeder as chairman.

Reports of all departments were made by responsible officers of each group. Much progress was evident in every case and all were urged to press forward to greater accomplishments in the new year.

Among other things it was noted that the interior of the chapel had been redecorated and a new platform built during the year.

Rev. J. M. Schroeder was re-engaged as pastor for another year at an increased salary.

Other officers were elected as follows:

Recording Sec. — E. Clendenning
Financial Sec. — L. Mayhew
Treas. — Mrs. W. B. Mix
Elders — Albert Tovell and Albert Mix; Deacons — W. B. Mix, W Stefanyk, Ed Magistad, L. McIntosh, F. Dibben; Vermilion S.S. Supt. — Albert Mix, Mannville S.S. Supt. — W. B. Mix, Youth Fellowship Pres. — Ron Mix; W.M. Prayer Band Presidents — Mrs. O. Gunderson (Afternoon Gr.); Mrs. J M Schroeder (Evening Gr). Librarian — Mrs. F. Dibben.

Among other activities it was noted that members of the Youth fellowship held a very successful toboggan party at the home of Mr and Mrs. Ralph Wilson.

On Thursday, Jan. 23 twelve members of the Sunday School staff journeyed to Edmonton to attend the Sunday School convention organized by the Pastor's Gospel fellowship of that city.

Visitors of special interest to the chapel recently include Rev and Mrs. C. Dreger and Miss Mae Shields, Missionaries home on furlough from Thailand and Bolivia respectively; Rev. and Mrs. Geo. M Blackett of Calgary, superintendent of the Western Canadian district of the Christian and Missionary Alliance spoke at services in Vermilion and Mannville on Sunday, Jan. 26 on behalf of Home missions. Pledges were received amounting to $1200.

New Departure In School Meetings

A new departure will be tried this year in regards to the annual meetings in the Vermilion school division. In previous years six separate meetings have been held, one in each of the subdivisions.

This year meetings will be reduced to two, the first of these will take place on Monday, Feb. 10th in the Legion hall, Vermilion, at 2:00 o'clock in the afternoon. It will be for the electors in subdivisions 4, 5 and 6. These subdivisions include the Town of Vermilion, the area to the north and the area to the south of the town.

The meeting for subdivisions 1, 2 and 3 will be held in the school gym at Kitscoty on Tuesday, Feb. 11th at 2 p.m. 29-30

Dewberry 4-H Calf Club Members

Attention all members of the Dewberry 4-H Calf club — there will be a meeting in the Dewberry school on Feb. 14th at 7:45 p.m. Mr. V. Jansson will be the speaker. Some films will be shown and Les Anderson and Norman Poitras will give a report on "Selection of the Club Calf". Lunch will be served after the meeting. 29-30

Diesel and Gas School Friday, Jan. 31st

A Diesel and Gas Service school will be held at the Delainey Implement Co. this Friday, Jan. 31 commencing at 1:00 p.m. sharp. Everyone interested is invited to attend.

Pontiacs Play Here Saturday

Bonnyville Pontiacs, at present sitting comfortably in the runner up spot in the E.A.H.L., will show their wares in Vermilion this Saturday evening. The Pontiacs are a fast, showy team and well worth watching.

Well founded rumor has it that Elmer Kreller who has been doing a lot of skating at Mannville, will line up with the Tigers and that Les Williams will be back on his accustomed spot on defence. These two cagey old timers should add a lot of strength both defensively and on the attack.

The game Saturday evening could well mark the beginning of a winning streak for the Tigers and once again, there is room for 1000 fans in the arena and the Tigers can use that kind of support.

Farmers' Spiel At Derwent Feb. 4, 5

DERWENT — There will be a Farmers' Bonspiel held at Derwent on Feb. 4th and 5th. Entries are to be phoned in to either number 75 or 31.

Dewberry Bonspiel Is Best In Twenty-year History of Rink

It was twenty years ago this winter that the first sheet of ice was laid in the Dewberry curling rink. A good many bonspiels have been held but this year was perhaps the best of all. Forty rinks were enough to have the draw master Neil Jones use a round robin schedule. Rinks came from Vermilion, Lloydminster, Marwayne, Islay, Derwent, Clandonald, Heinsburg, Lindberg and Elk Point.

Albert Dennill, one of the first original curlers here was on hand with a Vermilion rink.

The second night once again saw the Dewberry ladies serving up a most enjoyable hot turkey banquet. James Lawrence Clandonald was guest entertainer giving out with a recitation and two songs. All skips from towns sending a rink made a few remarks. All the first year original curlers of twenty years ago were asked to stand; those in the vicinity are Frank Bowman, John Whiteside, Albert Dennill, Vic Dennill, Neil Jones. The spiel lasted the full four days and mild weather was enjoyed although the ice gave some trouble the first day or so.

Grand Challenge winners were 1 Zarulak rink from Derwent 2. F Bowman rink Dewberry 3 S. Ewen rink Dewberry 4 McGuigan rink from Islay.

Second Event winners 1. F Mead Dewberry 2 Paul Steppa Elk Point 3. Van Camp Marwayne 4. Bill Belton Islay.

Third Event 1 Neil Jones Dewberry 2 Walter Sribney Heinsburg 3 Maik Clandonald 4 Kapjack Heinsburg.

The Dewberry ladies are holding their open bonspiel on the 1st and 2nd of February.

Vermilion Curling Vets Compete In Dewberry 'Spiel

A rink of Vermilion curling veterans competed at the Dewberry bonspiel last week and while the Standard won't give individual ages, these men are still curling enthusiasts despite the fact that the ages totalled 287 years. You couldn't guess them either but to satisfy curiosity the rink was George Webb skip, Loyal Amos, Albert Dennill, Graham Skinner. What's more, these "youngsters" curl right along.

Incidentally this rink won two games and lost two, not a bad average.

V.H.S. Curlers Win Taylor-Pearson Zone Play-Off

The Vermilion High school rink skipped by Brian Calvert with Roger Stephens at third, Bob Waldenberger second and Ken Graham lead, were the winners of the Zone 8 Taylor-Pearson and Carson play-off here last Friday and Saturday. As a result they travel to Edmonton this Friday and Saturday to compete in the provincial high school curling championships.

Eight rinks competed in Zone 8 play-off. A double knock-out system was used. In Section A Derwent defeated Kitscoty; Clandonald def. Buffalo Coulee; Vermilion def. Paradise Valley; Marwayne def. Mannville. In the second round Clandonald def. Derwent; Marwayne def. Vermilion. In the final Clandonald defeated Marwayne and thus won Section A.

In the first round of Section B Paradise Valley defeated Kitscoty, Clandonald def. Marwayne; Mannville def. Derwent, Vermilion def. Buffalo Coulee. In the second round Clandonald def. P.V.; Vermilion def. Mannville. In the final Vermilion def. Clandonald and so won Section B.

This meant that the winners of Section A, Clandonald, met winners of B, Vermilion. Each rink had only lost one game so the stage was all set for a real final.

The large gallery was treated to some very fine shot making and a remarkably high standard of ice generalship, the Vermilion quartet emerging the winners by a 12 to 7 score after getting away to a shaky start.

The score by ends—

Clan. 2 3 0 0 2 0 0 0 0 – 7
Vermil. 0 0 4 3 0 3 0 1 1 – 12

Clandonald rink was skipped by Eugene Zaph, Sandy MacDonald 3rd, Arthur Lawrence 2nd, John Convey lead.

It appears that many of the rinks were making a new start this season as the experienced curlers had all passed out of school, leaving a wide open field. Vermilion had a completely new quartet, not one of the boys having previously taken part in any portion of the Taylor-Pearson play-off. Their achievement is thus quite remarkable. Three of the four will still be in school next year.

The V. H. S. rink has been coached by Miss Fulcher of the teaching staff, who will accompany them to Edmonton.

The curlers are much indebted to Craig's Ltd. and Long's for their generous donations towards the costs of the trip.

School Curlers To Play Lacombe and 'Scona Friday

Vermilion high school rink will play Lacombe at 8:00 a.m. and Scona at 10:00 a.m. Friday, Jan. 31 in the provincial high school curling championships. The boys are leaving for the city this Thursday evening.

Consols Playdowns For Zone 8 Start Here On Friday

Play-offs in the British Consols for Zone 8 will commence at the Vermilion curling rink this Friday Jan. 31 at 2 p.m.

Seven rinks had entered at press time with the hopes that either Dewberry or Derwent will make up the number to eight. Entries have been received from Clandonald, Lloydminster, Wildmere, Blackfoot, Streamstown, Kitscoty and Vermilion.

This play-off will decide the Zone 8 championship with the winner continuing on to the northern play-offs in Edmonton.

Juvenile Schedule Nears Completion

The regular schedule of the Juvenile hockey league will be completed this week with Vermilion playing Myrnam this Thursday night. Myrnam has to play another game during the week still.

Play-offs will be due to start next week. At the present time it is a toss-up to see if Myrnam or Vermilion Bob Cats top the league. Until that spot is finalized it is impossible to tell which teams will meet in the play-offs.

Bob Cats went to Marwayne last Saturday and came home the victors by a score of 7 to 2. For Vermilion Dargatz scored 1, Link 2, Jones 1, Schmidt 2 and R Mathison 1. Elmer Leahy chalked up three assists. For Marwayne it was A Cote with 2 goals and N Hancock 1. There were no penalties in this game.

Playing at Kitscoty Sunday the Bob Cats ran wild and won 11 goals to 1.

Vermilion Elks To Sponsor Cash Bingo

Vermilion Elks now have plans underway for a newspaper bingo for a big cash prize. Details will be advertised in the Standard in an early issue.

Bill Scales Consols Representative Vermilion Club

Bill Scales' rink will carry the colors of the Vermilion Curling club in the British Consols Zone 8 play-offs which open this Friday in the Vermilion rink.

Scales skipped with George Webb Jr. third, Neil McLean 2nd and Vic Tillett lead. Eight rinks [illegible] for the honor but Bill and Co. went through the double knockout competition undefeated.

Complete Club 8 – Campion Wins

A "Club 8" was played at the Vermilion Curling rink on Sunday with six local and two visiting rinks competing. Winning the competition and the cash were Skip Chris Campion, Jack Baddock, John Hine and Vic Kapchinsky, who went through without a loss.

Runner-up to the Campion rink was the Glen Gibbons foursome who suffered only one reverse and by doing so regained their entry fee of $4 per player. [illegible] the other half of the spiel and also thereby having their entry fee of $16 refunded was the Newt Cooper rink [illegible] consisting of Andy Hine at third, Irvin [illegible] and Len Kohn lead.

The visiting quartets were skipped by Frank Schmidt of Lloydminster and Dr. Duncan Stewart of Edmonton.

Next game Bonnyville at Vermilion, Saturday, Feb. 1st.

Tigers Have Poor Game; Lose To Commandos by 10-3 Score

The Tigers got a poor game out of their systems on Saturday night not looking anything like the up and coming squad of the week previous, and by so doing took the decidedly short end of a 10-3 count at the hands of the Wainwright Commandos.

The Commandos unleashed a team with plenty of offensive spark, their forwards being decidedly smart in plays leading to goals. Their line-up also included a former Vermilion Tiger, Wally Footz who was here on the C.N.R. telegraphic staff.

Attendance dropped to 460 from the previous high of 620. It should come up this Saturday evening as the Tigers are hosts to the high flying Bonnyville Pontiacs. The Tigers will have Les Williams and none other than Elmer Kreller playing defence from now on, and this should add considerable strength to the winless Bengals.

Stan Manyluk and Bob Rowe handled the game.

LINE-UPS

WAINWRIGHT: Steel, Hallet, Allen, Footz, Bretton, Hardin, Carp, Fisher, Heruf, Jones and Kulka.

VERMILION: Scoggins, Barr, Brewer, Dacking, Gerrits, Romanchuk, Dennilla, Ewen, Anderson, Brown, Shepansky, Redford, Ford and Swain.

OTHER DAYS

The Editor was intensely interested to peruse a well-printed and edited volume this week entitled the "Review of the National Liberal-Conservative Convention." This was the story of the Conservative convention held in Winnipeg in 1927 which resulted in the Hon. R. B. Bennett being elected leader succeeding the Rt. Hon. Arthur Meighen. It was when looking over the names of delegates that interest in the volume became more intensified as pictures and short biographies of men long connected with the history of Vermilion and district, who were in attendance, are prominent.

The first of these was J. W. G. Morrison who even then had been created a King's Counsel, [illegible] J. Macnab, pioneer business man and farmer of the town and district, W. H. Anderson of Dewberry, whose son John attended the Conservative leadership convention only last year which saw the Rt. Hon. John Diefenbaker elected to the leadership of the party.

Probably not so well known but also present as delegates of Battle River constituency were F. I. Crossley of Lloydminster, Mrs. W. E. Stewart of Minburn, James R. Lowry, Lloydminster, Herbert C. Boyd of Edgerton, Frank Bailey of Heath, George L. Hadern of Wainwright.

A great many men whose names figure largely in the history of Canada were present at that gathering which numbered 1710 delegates.

Sound judgment can be given credit for a lot of silence.

MAKE A WILL

What happens to your family if you have left no will? Is your farm agreement with your son of any [illegible] value? Are you [illegible] that present laws may be [illegible] to your wife and family [illegible] you take legal steps to [illegible] them." Did you realize [illegible] contract farming may involve serious legal problems? These and many other questions will be considered by Farm Forums across Canada, Feb. 3 under the title "Let's Make It Legal".

Donald F. MacLaren, a lawyer from Barrie, Ont., along with members of the Canadian Bar Association from each province will be heard on the National Farm Radio Forum broadcast which will open the discussions at 8.30 p.m. Monday.

DEVELOPMENT IN ALBERTA AGRICULTURE

Great changes have taken place in the organization of Alberta farms since the outbreak of World War 2, says R. E. English, Department of Agricultural Statistician, Alberta Department of Agriculture. Some idea of the change that has taken place may be taken from census figures for the years 1941 and 1956.

In 1941 farm population was 383,961 or 48.2% of the total population in Alberta. By 1956 the number of people living on farms decreased to 332,191 or to 29.6 per cent of the total. In the same period the number of farms decreased from 93,000 to 79,400 while the area in farms increased from 43,277,000 to 45,970,000 acres.

We Don't Know

Some 34,000 books have been published about the American Civil War and, says The Financial Post, that is quite a contrast to the half dozen or so volumes dealing with Canada's two little civil wars or rebellions.

Of course the battles of Montgomery's Tavern, St. Eustache and Batoche were neither as big nor as sanguinary as Gettysburg or Shiloh. Historically, however, they were just as decisive. Like the two U.S. engagements they put an end to any dreams of national separation.

Scores of millions of Americans and a good many Canadians too, know all about Shiloh and Gettysburg, about who fought whom and why. But they know little or nothing about what happened here in 1837 and 1885.

Perhaps there have been too many American Civil War books but certainly there have been far too few, and interesting ones about our own struggles toward nationhood.

Birth Every Twenty Seconds, Death Each 41 Seconds In Japan

As of Oct. 1, 1957, Japan had a population of 91,100,000, which made it the fifth most populous nation in the world, exceeded only by China, India, the U.S.S.R. and the United States. In July of 1956, the population was 90,000,000 and increased by 1,100,000 in only 15 months.

There has been a total increase of 19,000,000 in the 12 years since the end of the Second World War. But both population increase and birth rates showed a downward trend in '57, the smallest increase in population in the post-war [illegible] and a birth rate [illegible] half that of 1948-49.

Actually the birth rate in Japan in 1957 [illegible] to the level of that in [illegible] and Denmark. Last year the death rate went up temporarily because of deaths caused by Asiatic flu.

Births in 1957 numbered some 1,560,000 which was 100,000 fewer than in 1956, while deaths totalled 760,000, an increase of about 45,000. A baby was born every 20 seconds and someone died every 41 seconds.

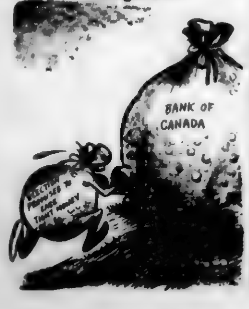
The Fight Is On



Anglican Vestry Sponsor Card Party

MANNVILLE — Judging from the laughter and good humored remarks at the recent card party, held Friday evening of last week, everyone enjoyed themselves. The sponsors of the party were Anglican vestrymen, while ladies of the church provided lunch. During the hands of confiscation (no talking) in this whist drive, it was noted that not only women had difficulty restraining themselves. Winners at conclusion of cards were: Ladies' first, score 211, Mrs. Walter Jackson; gents' first, score 29, Glen Coulter; ladies' consolation, score 155, Mrs. W. Fedechko; gents' consolation, 159, Bill Mercer. Warden Osborne thanked all attending.

CHOOSE BECOMING [illegible]

This often presents a real problem. Clothes and wearer should seem to belong together so first of all study yourself to find your most pleasing physical and personality characteristics.

If there is a feeling of daintiness about you, your clothes should express something of this feeling. Small, all-over designs which blend into the background, thin, delicate fabrics, lace and small decorated buttons all suggest daintiness and gentleness.

When calmness is your quality have quiet colors, smooth lines and soft textures in your garments.

Bold stripes, plaids, large prints, dark rich colors or vivid intense ones suggest dignity and have weight. They are suitable for a striking, forceful personality.

COLOR COUNTS

If you have nice eyes, a clear complexion or attractive hair, you should try to emphasize it. To do this, repeat the color or a lighter tone of it. Or you can make it less intense or smaller in amount than the color you are repeating.

Another way to emphasize personal coloring is to contrast it. The most usual way of contrasting personal coloring is by the use of black or near black (very dark) colors. Beware of these colors. They usually do not do the figure justice and they tend to drain color from the face. Richer, softer colors are more flattering than dull dark colors.

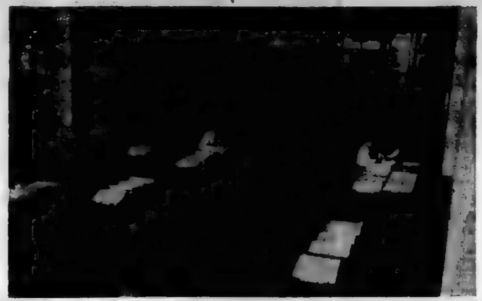
REPEAT TO EMPHASIZE

If you are slim and fairly short vertical lines will add height and emphasize slimness. Softened, rounded features can be emphasized by repeating curved lines in the details of [illegible] dress. However, if you are rather plump, avoid curved detail and stick to slimming diagonal vertical lines.

ACCESSORIES — Center of Interest

You can make well chosen accessories the centre of interest in your costume. Consider the whole picture in choosing them. A matching hat and scarf, which contrast with the costume, will create a single center of interest. Widely separated accessories, [illegible] contrast with the costume, [illegible] give a spotted effect. Limit [illegible] costume colors to two or at most three colors. It is often effective to choose gloves, bag and shoes in a blending color and add a note of accent in the contrasting color of hat and scarf. Several pieces of jewelry may give an appearance of being overdressed.

Two Million Land Titles Issued



Certificate of ownership of a piece of property — a land title, is a document Albertans treat with high regard. Charged with keeping an official record of such titles are two provincial government Land Titles Offices, at Edmonton and Calgary. Since 1906 an estimated two million titles have been issued and each year some 30,000 changes are recorded.

A 'land title' is a document defining the owner and location of a piece of property. It lists any encumbrances against the land. These may include mortgages, tax caveats, liens or other instrument judgments. Also are listed details of mineral rights. All titles issued by the offices are guaranteed by the government to be correct in every detail. In the event that an error is made, the Province then is liable for any losses that a party may have suffered. Such claims are payable out of 'Assurance Fund' to which each person securing a new title pays a nominal amount, based on the value of property registered.

System of guaranteed title or the 'Torrens System' is practised in Canada by two provinces, Alberta and Saskatchewan. Other provinces are in the process of converting. Under the Torrens method each owner of property is given a duplicate certificate of title, and original is filed with the Land Titles office. Endorsements of various types are listed on both. Under the system employed by other provinces each encumbrance is recorded on the same document, but no guarantee is given that all transactions have been recorded.

Any person is entitled to a 'search for title' upon payment of a nominal 50 cent fee.

Title [illegible] are the most common of [illegible] performed by staff. Duplicate title is accompanied by the transfer application. Title is checked for correct description of property, the name of last [illegible] [illegible], and information on any judgments held against the property. Accuracy is assured by additional checking by an assistant-registrar. The old title is cancelled and a new one issued to the new owner.

Staff at the two offices number 150 including a registrar, in each office deputy registrars, and assistant registrars.

The only reason some people give good advice is that they have no use for it themselves.

"GREEN ACRES"

GULLY CONTROL

The gully control programme as set up in Vermilion River municipality last year will be continued in 1958. Grass seed for seeding down gullies or for seeding down draws through a field that are likely to become gullies is available at one third the cost. A lot of gullies have started in cultivated land, some of them real serious. Anyone interested in getting seed under this policy should apply now, see or write to your Field Supervisor, Bert Hosack, Kitscoty or your D.A.

SUMMIT CRESTED WHEAT

A new strain of crested wheat grass known as "Summit" is yielding ten percent more than the commonly grown Fairway. Seed of this new strain is available this year. Anyone wishing to raise seed can obtain a start. Apply to this office.

FARMER-SON AGREEMENT

A good many farmers in this area have set up a farmer-son agreement with their sons. Your D. A. office has circulars free of charge which outlines how a father-son agreement works. It only right for the boy who stays on the farm to have a contract so that in case of an estate being settled up he gets his fair share.

YOUN[illegible]

The latest report states that 1,220,000 pigs were born in Alberta from June to November last year. About 235,000 or 19.1 per cent of these died before weaning. Here is the biggest loss of all in the pig business. Get a circular from this office on Swine in Alberta which contains quite a lot of information on diseases. Wrong feeding and disease take a big slice of the profits in raising pigs.

TREES AVAILABLE

Anyone wishing to order trees ought to get their order in right away. Supplies of Scotch pine, lilacs and honeysuckle have run out for the season. Get an application form from this office. There is no charge for trees but the land must be summerfallowed the year before.

NEW PRESS BULLETIN

Every year the University of Alberta issues a bulletin on field crop experiments conducted during the year. This year their special reports are on "Potato Scab", "Fertilizers for Flowers", "Selkirk Wheat", "Special Crop", "Growing Flax", "New Chemicals for Weed Control" etc. Get your copy now from this office.

Students Hear Talented Musicians

Three hundred and twenty junior high and high school students and seventy-five students from the V.S.A. gathered in the college gymnasium on Wednesday morning and listened for an hour to one of the country's top twin-Steinway concert combinations, Melvin Stecher and Norman Horowitz, shown above. The famous pair gave a similar concert to students at Lloydminster on Tuesday, and that evening were the featured artists of the Overture Concert Association, which was attended by approximately 50 people from Vermilion.

Stecher and Horowitz tour with their two perfectly matched Steinway pianos. Both are New Yorkers but their musical roads have taken them far afield. They are young, being 26 and 25 years of age respectively.

The concert in Vermilion was made possible through the kindness and co-operation of the Lloydminster Overture Concert Association.

Price Support Legislation Is Welcome, Says Platt

Amendments to the Agricultural Price Support legislation is welcomed by Alberta farmers said A. W. Platt, FUA President. The substitution of the cost price basis instead of the ten year average price for some farm products has been announced by the Minister of Agriculture, Hon. H. D. Harkness. This change removed one of the objections to the proposed legislation. The new status gives the agricultural committee added strength to carry out legislation for the benefit of the farmer, added Mr Platt.

We feel that this new legislation, if carried out, will do a great deal for farm families to provide a better standard of living and economic stability to our country.

The Bible Today

Today there are more than 200 evangelical churches in South Viet-Nam, with an active membership of 40,000, it is reported by the secretary of the British and Foreign Bible Society in Indo-China, the Rev. H. Curwen-Smith of Montreal.

The four gospels and the Book of Acts have been printed in 3 major tribal languages spoken in the hills, Radee, Koho, and Jorai. The entire New Testament is ready for the press in Radee. The gospel of St. Mark has also been published in Chru and Bahnar, two other of the 80 dialects spoken in South Viet-Nam.

In addition to this translation activity the British and Foreign Bible Society employs six full-time colporteurs, who sell the Scriptures from door to door in that area.

Suggested readings for next week:

Sunday	Matthew 20:1-16.
Monday	Matthew 22:1-14.
Tuesday	Matthew 22 15-45.
Wednesday	Matthew 25:1-13.
Thursday	Matthew 25:14-30.
Friday	Matthew 25:31-46.
Saturday	Galatians 6 1-18.

NEWS from ISLAY

Mr Omer Easton received a wire stating that his brother Charlie of Winnipeg had passed away Friday morning. Sympathy of the community goes out to Omer, he and his two brothers are the only survivors of a family of eleven.

Fishing through the ice seems quite popular here. Fishermen go to some of the lakes north of the river, among them Jack Hurst and Harold Brown, the Inmans and Percy Goldby and Richard Sweet. Harold didn't seem to be laying any fish in his basket. One of the men called out to him, asking him if the fish weren't biting, and he answered 'sure they are but I can't draw them through the hole.' Yes you guessed it, he hadn't made the hole big enough. After chopping out some ice he had no trouble and landed some.

Bill Belton had the misfortune to fall on the ice while curling coming down with a smashing blow on his face. He and his men were at Dewberry. He was carried off the ice unconscious and it was some time before he recovered. One side of his face is discolored.

Mr and Mrs. Albert Beck celebrated their 40th wedding anniversary January 4. They were married in London, England when Albert was overseas in the First Great War. They came to Canada in 1919 and settled on Albert's homestead in the Bridstow S.D. where they still reside.

A dinner and family gathering was held at the home of Mr and Mrs Dalt Torrance in Islay (daughter Edna) where 21 sat down. The table was prettily decorated with roses and centred by a 3 layer cake made and decorated by Mrs. Howard Beck. The families presented Mr and Mrs Beck with a coffee table and a mantle clock with chimes.

A happy evening was spent. Everon Inman and Lloyd Proudlove showed colored pictures of their own taking of the different families and scenery finishing the evening with some old time dancing. Present were Mr and Mrs Dalt Torrance and Linda, Mr and Mrs Howard Beck, Mr and Mrs Melvin Beck, Vivian and Phyllis, Mr and Mrs Clifford Beck and Monica, Mr and Mrs Lloyd Proudlove (Violet) and Lyle and Valerie of Eston, Sask., Mr and Mrs. Everon Inman (Ruby) and Gerald and of course the honored guests, Mr and Mrs Albert Beck.

The regular meeting of the Home and School Association will be held Monday Feb. 10 at the school at 8 pm. Guest speaker will be Mr S D Simonson. His topic will be 'Teacher Parent relationship.' It is hoped to have some visitors from Marwayne and if time permits a film. Come parents, help your children win the prize for their room.

Hi Annie Young in the hospital in Victoria [illegible] Island. We hope you are out and at home when this reaches you. Best wishes from the folks at Islay.

The Islay school boys are certainly quick to lend a hand. The writer's car was stuck in the snow when Jack Teskey, Ed Winterfield, Jim Schaffer, Douglas Van den Dolder and Don Schaffer happened along. They heaved on the back of the car and away we went. Many times we have seen the boys of the school help in good and all with a gay laugh. Some of our sidewalks have been cleared too, for which many of us are very thankful to the boys.

Do you listen to CKSA Sunday evening at [illegible]? You'll hear Rev. Raymond R. Smith of Grace United church, Lloydminster. Also children [illegible] at 10:0[illegible] a.m. Sunday.

A letter received from Mrs. Alex Gilchrist, Toronto, who will soon reach 90 years, kindly inquires for the [illegible] and Mrs Harry Elliott.

Last Friday evening the Alberta Wheat Pool treated its patrons and others to a very pleasant evening. Some really interesting films were shown. The delegate to the convention, Mr Roy Kent, gave his report. Mr Fleming spoke and Mr [illegible] McLean was M.C. A tasty lunch was served and altogether a most enjoyable evening was spent by the large crowd present.

Alberta Wheat Pool Meeting and Show At Allandale

The Wheat Pool meeting and show was held at the Allandale Community Centre on the evening of January 23 with a record attendance of around one hundred and twenty.

Mr. Milo Fleming, Wheat Pool field man, extended a cordial welcome to all.

Films were then shown, "In the Covered Wagon Days," cowboy songs and comedies. The colored film had a very good moral to it.

Mr Roy Kent, Wheat Pool delegate from Marwayne, Mr. Art Christianson, Wheat Board travelling superintendent from town, Mr. Ike Huxley, Clandonald Pool agent, and Mr. George Fluney, the Borradaile Pool agent, were all present.

Mr. Roy Kent gave a very informative talk on the Wheat Pool convention held in the Calgary the latter part of November. Mr. Fleming also spoke briefly on the convention.

These gentlemen were ready to answer any questions asked.

More films were then shown, including one on Stockholm, Sweden, such a beautiful city, 700 years old and yet so new, with lovely large modern buildings. "People of Mississippi" was very interesting, and lastly "Amsterdam, Holland," the beautiful flower garden of Europe. Such beauty is rarely seen.

All were very pleased to have Mrs. Christianson, Mrs. Fleming and Mrs. Huxley attend this important and social gathering. Lunch was served by the ladies.

The trouble with people who know but little is that they want to tell a little more.

This fine new four roomed elementary school was officially opened at Paradise Valley by the Vermilion School Division on Friday, Jan. 24. The guest speaker for the special occasion was the Hon. Anders O. Aalborg, Minister of Education, whose home was in that district.

Others taking part in the program were W. Davidson, chairman of the Paradise Valley local school board, E. H. Walter, vice-principal of the Paradise Valley schools, Claude N Brennan representing the School Division Board, E. D. Simonson, school superintendent, D L. Clark, president of the Vermilion local of the A.T.A. who is also principal of the Paradise Valley schools, W A. Gunn, a pioneer resident of the district, and J. R. Robson, secretary of the school division who introduced the Hon. Mr. Aalborg.

Several musical numbers were rendered by the school pupils.

Chairman at the interesting program was Mr. Allen Weeks, of Paradise Valley, a member of the Vermilion School Division board.

Mannville Ladies Hold "Little Spiel"

MANNVILLE — Lady curlers held a little spiel among members of the home club last week, and the rink of Ethel Mercer copped first prize, while Bren [illegible] quartette were successful in the secondary event. Following a delicious luncheon served by Mrs. McBeath to 25 members, a short meeting was held, at which matters pertinent to the Club were decided.

Marwayne 4-H News

The 4-H meeting was held on Tuesday, Jan. 7th with a good number of parents and members attending, as it was "Family Night." After the business meeting, talks were given by George and Bert Quist for the Grain Club, and Rod Boothman and Charlotte Chrichton for the Beef Club. A short program consisting of piano, accordion and saxophone solos, songs, a juggling act and a few skits were performed by members. Lunch ended an enjoyable evening.

A reorganization meeting of the Grain Club was held January 21st.

The Clothing Club of the 4-H will hold their next meeting on Feb. 4th. Miss Edna Craig, District Home Economist, will be present to check on the work done so far and to talk to the girls. All the mothers of the Sewing Club members are invited to attend this meeting.

Four of the 4-H Club leaders and five of the executive members attended a Leadership Day in the Vermilion School of Agriculture on January 18th.

Vermilion Tigers Hockey Schedule

Vermilion Tigers are scheduled for the following games as indicated:

Sat. Feb. 1st — Bonnyville at VERMILION.

Wed. Feb. 5th — Vermilion at Wainwright.

News from Dewberry

Our sympathy and that of the community is extended to Mrs. H. Hornigold, Margaret, Joan and Mary on the loss of a loving husband and father. Also to the sister and brother of the deceased and all left to mourn his loss.

Mr Harry Hornigold was a well known and respected storekeeper in Dewberry, coming here thirteen years ago to live and work amongst us. The large attendance at the funeral service in the United church showed the respect in which he was held in the community. Interment followed in the Dewberry cemetery, Rev. Shortt officiated.

Belated but none the less sincere congratulations to Mr. and Mrs Donald Maddox on the birth of a daughter on Jan. 9th in the Islay hospital. The New Year baby there.

Mrs. Ernest and Mrs. [illegible] Garnier were in Edmonton with their mother, Mrs. R. Wade. Mrs. Wade has to undergo a [illegible] operation.

We are sorry to report that Miss Marilyn Whiteside has resigned from the teaching staff owing to ill health caused by a slow recovery from the 'flu. Miss Pat Kneen is teaching grade one and Mr Lamplit of Lloydminster is teaching grades 7 and 8 for a few months.

Speedy recovery is wished Mr. Gus Garnier and Mrs. [illegible] Lamp in the Islay hospital. Also other Dewberry folks who are there and whose names we have not heard yet.

Mrs. Malie Michalo is now home from Elk Point hospital where she recently underwent an operation. She is improving and is wished a speedy recovery.

The men's curling club banquet was much enjoyed and was very well catered to by the curling ladies.

The dance put on by the curling club on the 24th was well attended and a good time is reported.

The Hornigold store will change hands on Feb. 15th when Mr. Win Braithwaite will be the new owner. Win ought to do well as he was born and brought up on a farm near Dewberry and is well acquainted. He has been manager of the Graham Gardiner store in Hazeldine for the last few years.

Mrs. Hornigold, Margaret and Mary are leaving on Feb. 15th to make their home in Edmonton where Joan is now working.

Mrs. Margaret Ewan from the Pacific Coast spent some time with the Hornigold's coming here for her brother's funeral.

Marwayne Legion Elects Ron Whitfield President, 1958

The Marwayne Branch No. 116 of the Canadian Legion, B.E.S.L. has completed a very successful year under President W. Carpenter and his executive.

At the annual meeting held in the Legion hall, Jan. 2, all were thanked for their good work during their terms of office. A very encouraging financial report was presented by Comrade Whitfield, the secretary-treasurer.

Elected officers for 1958 of Branch 116 are:

President — Ron Whitfield
1st Vice — Cliff Espedveidt
2nd Vice — Chris Swan

Members of Executive — Past President Bill Carpenter, Comrades Bob Young, Jack Swan, Slim Anderson, Bill Dudlyke and Bill Ashworth.

Sec'y-Treas. — Jim Elliott
Sgt.-At Arms — Colin Midgley.

Officers elected for the Ladies' Auxiliary are:

Pres. — Mrs. Ellie Anderson
Vice-Pres. — Mrs. Claire Perks
Standard Bearer — Mrs. Betty [illegible]
Sec'y. — Mrs. Elsie Midgley
Treas. — Mrs. D. Campbell Sr.

Many thanks are due to our Ladies' Auxiliary whose untiring efforts at all times have done so much to assist the Branch to mention only one service. Cards sent to cheer the sick and in sympathy to those bereaved, remembrance to those in hospital when known — which brings this reminder — unless you notify the branch or the auxiliary, of, veterans and dependents who are sick or in need, how can they be given the assistance the Legion offers?

Finally, there are lots of veterans in this district who are not members of the Legion. What's the matter Comrades, have you forgotten the many services of the Legion during the wars in which you served? Do you not know that without the efforts of the Legion, the recent increases in vets' pensions might not have been realized? Let every veteran show pride in the Legion. There is no other organization that has done so much for the servicemen and you can join the Legion for less than ten cents a week. Won't you start now and put that dime to good use?

Fine Hockey Season At Dewberry

Dewberry hockey players are enjoying a fine winter. The Pee Wee's are continuing their weekly doubleheaders on Saturday afternoons and have played [illegible] outside games, winning two over Marwayne and losing one to [illegible].

Dewberry Bantams as yet are undefeated having also played several games in their league. Richard Good one of the goalies is not back on the job yet after having suffered an injury to his hand at school when it was cut by glass.

Sentiment Pays Dividends

Here's an unusual new type of business, reported by The Financial Post. Robert Carpenter, of Buffalo, has developed a highly successful enterprise making bird caskets. They sell at about $6.50 apiece. They are made of pottery, white on the outside with colored linings.

He is getting orders from all over for his canary and parakeet burial trappings. How did he get started? Through the classified section of the newspaper.

"The caskets are going over so well," he says, "I'm seriously considering putting out a line of bird [illegible]

SOLID PROGRESS

SOUND MANAGEMENT and steady growth have earned for The Manufacturers Life a reputation for strength, safety and service in the public interest. The funds we hold in trust for policyholders and their beneficiaries are profitably invested by a team of experienced investment specialists. Returns on these carefully selected investments help to lower the costs of life insurance for our policyholders.

ASSETS OF $761,669,880 are more than ample to fulfil our obligations to pay the sums of money promised in our policy contracts. This figure includes an amount of $59,047,558 set aside in surplus funds providing a wide margin of safety.

THE 71ST ANNUAL REPORT shows The Manufacturers Life now provides $2,610,637,086 in insurance and retirement protection for over 500,000 policyholders. In 1957 41,000 people purchased $380,499,333 of new insurance to take care of tomorrow's uncertainties. The 71st Annual Report also shows that the Company paid to living policyholders and to the families of those who died, a total of $48,338,145 in benefits last year.

Mrs. Harry Hamilton of Salmon Arm, B.C. has been visiting with her mother, Mrs. G. King and Mr. King, her sister Mrs. O. Willes and family, and other relatives in Vermilion. They plan to leave early this week for the trip home.

Mr. J. Williamson is spending a few weeks with his brother and family, Mr. and Mrs. Harry Williamson.

Junior Williamson, who has been ill in hospital has returned home and is much improved in health.

The W. I. ladies are sponsoring a dance at the school on Feb. 7. A velvet cushion will be raffled.

The income tax was unknown in Canada before 1917.

Collapsible Boat

From the United Kingdom comes news of an inflatable 2-man craft for use as a yacht tender, family boat or life raft, says The Financial Post. The neoprene-proofed Terylene fabric used in construction is said to be weather and oil resistant. Almost impossible to capsize, it weighs only 15 pounds. Two models have strengthened transom to take outboard motor.

the Snapshot Guild

A picture such as this tucked in with a Valentine will make the greeting doubly welcome.

A Picture for Your Valentine

Among the many happy faculties pictures possess, there's one that stands out head and shoulders and heart—above all the others. And that is, their ability to carry a message of love and thoughtfulness to family or friends who live too far away for frequent visits.

What really started us off thinking about this was a glance at the calendar. There it was—the month of February all neatly divided into twenty-eight little boxes—and right in the middle was the day set aside to honor good old St. Valentine, patron saint of the loved and the loving wherever they may be.

Why not, we thought, suggest to our readers that this Valentine's Day they arm Cupid with snapshots as well as a bow and arrow to convey their sentiments of love and friendship? And the more we thought about it, the more we liked the idea. For pictures can really be "the heart of the matter" whether your Valentine greetings are sentimental or comic, for young or old—for lovers or loved ones.

What's more, your camera enters the Valentine picture in two ways—picture taking and picture-giving. Since preparations are half the fun, you'll need your camera as much a few days before February 14th as you do on the day itself. There'll be the children to snap as they concentrate on turning art work and "heart" work, lace paper and library paste into expressions of their affection. There'll be snapshots, too, of the decorations and party fare set out before the guests arrive. And, of course, the fun and festivities of the party itself—whether it's just an "excuse" for good friends to get together, a full-fledged engagement party, or a surprise shower.

Pictures—anything from a set of wallet-size prints to a specially framed enlargement—are a gift that says "Happy Valentine" more personally than a heartshaped candy box with a red satin bow. And a photographic Valentine card—using a snapshot, a red cardboard mat and a paper doily frill—doesn't need a single word to say "Will you be my Valentine?" Or try tucking a tiny picture into an old-fashioned nosegay—it'll express your special sentiments in a very special way. And how about sending a snapshot or two along with any of the cards you buy—especially for friends and relatives you haven't seen in a long time?

'World's Number One Money'

In any typical week, the more than 3,000 employees of American Express, employed in 239 offices in 25 countries, are likely to be involved in a wide variety of assignments.

As guardian angel to travelers in trouble or those with a problem, American Express and its employees are daily called upon to solve seemingly insuperable travel difficulties.

To keep their traveling customers happy, American Express sometimes goes to great lengths. Like the time a sick man on one of their around-the-world cruises asked if he could see Mt. Fujiyama from his cabin window. The only way he could see it was if the ship was turned around—so the ship was turned around.

American Express likes to repeat two stories about the acceptability of the cheques, which are often called the "World's Number One Money."

A traveler once tried to buy a blanket from an Arab, offering to pay for it with a gold coin. The Arab refused. However, when the man presented an American Express travelers cheque the desert chieftain accepted it without hesitation.

One advantage of travelers cheques is that they are good indefinitely. Some have been cashed 25 or 30 years after they were issued. Only last month, for instance, a batch of American Express travelers cheques were uncovered in a buried cookie jar by an excavation crew tearing down a Knob Hill mansion in San Francisco. They had been buried there since 1930. The contractor mailed them to the home office of American Express at 65 Broadway in New York City. American Express promptly mailed a check for $250 to the original buyer, who couldn't even recall why or when he'd put the checks in the cookie jar and buried it.

Throughout the world many odd forms of money are still in use. In certain sections of the Malay Peninsula, for example, tree shaped tin castings are still used as currency. To make a purchase one breaks off the "limbs" of the tree. On the West Coast of Africa an open "ring" of bronze is still used by some tribes as money. These "rings" are made in Birmingham, England, especially for export to this region. On the Island of Yap in the mid-Pacific, 100-pound stone slabs are legitimate currency.

But the American Express Travelers Cheque, invented in 1891, may be said to be the only true international form of currency. Millions of dollars worth are in circulation every day, and they are recognized and accepted everywhere.

In the 1947-1957 period retail prices in Canada rose at an annual rate of 3.7% compound, productivity per member of the employed working force rose at about an annual rate of 1.86% compound, and average annual earnings per employed member of the whole working force rose at a rate of 6.5% compound. —Quick Canadian Facts

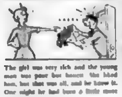
HAVE FUN!
By LEE RYAN



The girl was very rich and the young man was poor but honest. She liked him, but that was all, and he knew it. One night he had been a little more tender than usual.

"You are very rich," he ventured.

"Yes," she replied frankly. "I'm worth one million dollars."

"Will you marry me?" he asked.

"No."

"I thought you wouldn't."

"Then why did you ask me?"

"Oh, just to see how a man feels when he loses one million dollars."

The speaker was getting tired of being interrupted.

"We seem to have a great many fools here tonight," he said.

"Wouldn't it be advisable to hear one at a time?"

"Yes," said a voice. "Get on with your speech."

"How come you teach your dog all those tricks? I can't teach mine at all."

"You just have to know more than the dog."

Three men registered at a hotel and took a room for $30. Since the room was worth only $25, the clerk's conscience began to trouble him, so he called the bell-hop and gave him $5 to return to the three guests. The bell-hop, however, had only half a conscience and returned only $3 . . . pocketing $2 for himself!

Now since the guests paid $27 for the room, with the $3 the bell-hop returned from their $30, and since the bell-hop kept $2 (making a total now of $29) what happened to the extra dollar?

Connie Gerhart Receives Cap

MANNVILLE. — Parents of Connie Gerhart, along with Mrs. A. Reich and Norma McLuckie, were present at the "capping" exercises for student nurses at the University hospital, held on Saturday of last week in Edmonton. Miss Gerhart was one of 82 girls receiving caps, with an average of 70, 65 being the necessary average. While obtaining caps, the Ladies' Auxiliary to the Gideons International presented each nurse with a white leather New Testament. Each mother present received a red rose, thus distinguishing her from other guests. Guests and nurses were treated to a buffet luncheon.

HOW CAN I?

By ANNE ASHLEY

Q. How can I remove medicine stains from white fabric?

A. Paint the stains with tincture of iodine, then soak in a strong solution of ammonia for 30 minutes, and follow by washing thoroughly.

Q. How can I remove obstinate cigarette stains from the fingers?

A. Use well-soaped pumice stone and hot water. The lighter stains can be removed with plain lemon juice.

Q. How can I wash dress shields?

A. Use lukewarm soapy water and a teaspoon of baking soda. Rub soap on a small brush and brush both sides of the shields. Rinse in water of the same temperature and dry in a shady place.

Q. How can I prepare an invigorating bath?

A. When one is tired, and every muscle seems to ache, a warm bath at bedtime, to which has been added 1 cup of Epsom salts and 2 tablespoons of mustard, is often effective.

Q. How can I separate two drinking glasses that have stuck together?

A. Pour cold water into the inner one, and place the outer one in warm water. They will separate readily.

Q. How can I freshen day-old rolls?

A. Place them in a paper bag and twist the end shut. Dip the bag in water and remove immediately, then put the bag in a hot oven and by the time the paper is dry the rolls will be just right.

Q. How can I remove rust from knives?

A. Plunge the rusty knife blade into an onion and leave it there for an hour or so. Then polish in the usual way.

Q. How can I keep lettuce, celery, parsley fresh for a longer time?

A. Wrap in a cloth wrung out of cold water and keep in the refrigerator.

Q. What are some simple helps for reducing?

A. Eat slowly. Masticate thoroughly. Take but one serving. Do not eat between meals. Avoid starchy vegetables, pastries, candy, salad oils, butter, cream, cake and all things containing sugar. However, reducing should be done under the care of a competent physician.

Q. How can I darn a woolen garment that has many colors?

A. Try using a strand of each color in the needle when darning it.

Anglicans Gather At Annual Meeting; Elect Officers

Members of the Parish of St. Saviour's with representatives from country parishes of Islay and Pleasant Valley gathered in the parish hall on Monday night for the annual meeting. Believing that the value of social contact should not be overlooked in the [illegible] of the church, those attending brought along the essentials for a pot luck supper with the result that a sumptuous repast was enjoyed by all previous to the business session.

The Rector of St. Saviour's, Rev K. A. Minchin, was chairman and the order of business was the calling on representatives of each of the nine church organizations to give reports of the activities, progress and achievements of the year 1957. The financial statement of each body had been printed and copies were already in the hands of the members present.

AFTERNOON BRANCH W. A. RAISES $1819.42

The report for the Afternoon Branch of the W.A. was given by Mrs W G Urquhart, the secretary. She notated the many activities of the branch, commenting on numerous new members. The financial statement revealed that this group of energetic ladies had raised $1819.42 by means of various projects. They had also carried forward from 1956 a balance of $699.86.

Donations amounting to $1050 had been made to the general church fund, $334.14 to the Diocesan Board, and the gas and light paid for the church and the hall for the year, amounting to $261.28.

HAPPY HOUR GROUP

Mrs. Victor Tillett reporting for the Happy Hour group stated that there were 19 active members in that branch of the W.A. A variety of fund raising and social projects had been carried out with receipts amounting to $638.91 and a balance from 1956 of $219.66. Disbursements for the year totalled $765.28. Chief expenditures had been $300 to the general church fund and $182.50 paid for the caretaking of the church.

SUNDAY SCHOOL REPORT

Mr Alex Palin, superintendent of the Sunday school reported that 71 were now enrolled in the Sunday school. This number was down a few from the previous year due to several Anglican families moving away and their positions being taken either by adherents of other churches or by smaller families. Nine classes were being taught with favorable progress in all.

THE CHOIR

High praise was given by Mr. Tom Watts on behalf of the choir to organists Mrs. C. King and Miss Dorothy [illegible], and to the choir leader [illegible] Minchin, for their help and leadership. There were twelve active members in the choir who attended quite faithfully. The [illegible] was always pleased to welcome new members.

Miss Margaret Taylor reported for the Badminton club and Mrs. Gladys Fooks for the Altar Guild.

DRAMATIC SOCIETY

Fifteen hundred people attended the presentations of St. Saviour's Dramatic Society. 'The Will of Lucille Evans' resulting in financial success of the 1957 production. This was apparently well received and much enjoyed wherever it was played.

MEN'S CLUB

President Jack Kneale stated that the Men's club had enjoyed a wide variety of programs as well as menus. Average attendance was from 24 to 28 and there was no sign of lack of interest.

LITTLE HELPERS

Mrs. W. Boulton remarked that there were now 71 members on the roll of the Little Helpers, 14 new members had been enrolled during the year while eight had reached the age limit of seven years.

Mr Tom Watts, who acts as envelope secretary, revealed very interesting figures indicating a decided upward trend in giving by envelope. He had hopes that there would be 126 giving by the envelope method during 1958.

The People's Warden and Vestry secretary, Mr. Lorne Pockett gave reports covering the general fund, rectory and building funds of the church. Receipts totalled $14,500 and a balance in the bank of $313.18 was recorded at the end of the year, with liabilities of $1570.

The election of wardens and vestrymen resulted as follows:

Rector's Warden — E. H. Buckingham
People's Warden — L. H. Pockett
Vestry — J. R. Robson, M. Taylor, J. V. Kneale, D. Keen, K. King, O. Stephen, J. K. Thompson, W. Fooks, A. H. Cooper, H. Brown, S. Burdett, A. Palin, L. H. Playne, J. W. G. Morrison.
Auditor — J. R. Robson
Envelope Sec. — Thos. Watts
Lay delegates to synod—E. H. Buckingham, D. Keen, K. King; alternates, H. Brown, W. Fooks, J. K. Thompson.

REV K.A. MINCHIN SPEAKS

Some interesting church statistics were given in the report of the Rector, Rev. K. A. Minchin. Some 213 services had been held in the parish. Of these 100 were services of Holy Communion. Approximately 5,818 had attended service with 1510 at Holy Communion. Nine weddings had been solemnized in the church and twelve funerals. Twenty two had been confirmed. Mr. Minchin had special praise for the wardens Mr. Pockett and Mr Buckingham, the lay reader Mr. Playne and envelope secretary Mr. T. Watts.

In concluding the report of the rector's warden, Mr. Buckingham expressed the thanks of the congregation to Rev. and Mrs Minchin for their devoted service during 1957.

Numerous projects for advancement of church work during 1958 were discussed before the meeting adjourned.

CLANDONALD HALL

Showing at the Clandonald hall this week end, Jan. 31 and Feb. 1, "The Wings of Eagles", a family picture in color starring John Wayne, Dan Dailey and Maureen O'Hara; Feb. 7 and 8, "Davy Crockett, Indian Scout". 29

Features of the weather this week have been lack of sunshine, beautiful hoar frost decorating trees, wires and fences, and a heavy fog. Temperatures continue mild with nothing below zero registered.

It snowed Wednesday night and this is continuing today (Thursday). 1.6 inches is the total snowfall this week to date.

Discuss Homework At H. & S. Meeting

The Home and School Association held their January meeting on Tuesday 28th, with a good attendance of seventy members.

Minutes of the last meeting were read and adopted. The treasurer Mrs. Tovell reported a bank balance of $59.79.

The program took the form of a panel discussion on the topic "Homework". The panel members were: teachers — Mr. Metcalfe, Mr. Stewart, Mr. Welsh and Mrs. Scott (who spoke as both parent and teacher); parents — Mrs. Good and Mr. R. Taylor. Mr Novak acted as chairman for the panel.

After a very interesting and lively discussion from the [illegible] members the audience participated by asking a varied number of questions. The interest seemed to be very keen and many good points were offered by both parents and teachers.

Lunch was served following the meeting.

Canadian Legion Notes

Time marches on and so does the Legion Polio Fund Canvass. From all reports it would appear that collections will be satisfactory. There is still a lot of canvassing to be done. The committee asks that any body who has been missed can hand in their donation to Vic Tillett, Ernie Buckingham or Tom Wilson. Receipts for income tax purposes will be issued.

NEW MEMBERS

This is the year that the Canadian Legion is to double its membership. The membership committee of Vermilion Branch asks that all former members who dropped out for one reason or another should carefully consider picking up a membership card again. Those returned men who never joined up as yet will be very welcome. There are not so many of them. See the secretary, E. H. Buckingham or any legion member.

LEGION BANTAMS

The first scheduled game for the Legion sponsored 'Bantams' will take place on Saturday. Legion members are urged to come out and support their own team.

Zazulak Rink Wins Dewberry Challenge

DERWENT. — The Zazulak rink of Derwent captured the Grand Challenge trophy at the Dewberry open bonspiel held from Jan. 20th to 22nd. In the final game they defeated the Frank Bowman rink of Dewberry.

The Derwent rink was skipped by Steve Zazulak, Henry Lychak third, John Polinko 2nd and Paul Zazulak lead.

United Church W.A. Meet at Clandonald

The monthly meeting of the Clandonald United Church W. A. was held Jan. 9th at the home of Mr. and Mrs. A. de Jong with 12 members and one visitor present. Three members reported ill, including the president, Mrs. Opal Cooper. In her absence Mrs. J. de Jong managed well in her first attempt at such a position.

Next meeting will be held Feb. 13 at the home of Mr. and Mrs. W. A. Thompson. Roll call to be a bazaar item.

The district is pleased to have the Rev C. W. MacKay of Vermilion holding service every second Sunday at 3:00 p.m. in the church. Next service Feb. 9th.

A correction in last month's news bulletin to the Standard: — Mrs. Schoonmaker and Mrs Cooper attended the St. Paul Presbytery committee meeting in Minburn. Mrs. Goddard, Mrs. Sophie Feenstra, Mrs. Nancy Feenstra and Mrs. Cooper attended the fall rally of St. Paul Presbytery held in Irma.

Good Dividend Is Declared By Vermilion Savings & Credit Union

A dividend of 3½% to shareholders of the Vermilion Savings and Credit Union was approved at the annual meeting on Jan. 21st in the School of Agriculture.

This is the highest dividend that has ever been paid by the Credit Union and shows the lively interest the people of Vermilion and district are taking in the co-operative organization.

The board of directors reported 21 new members accepted in the past year with several more applications in to start the new year.

The directors this year are: Tom Davis, D. Folk, K. Stone, F. van Wageningen Sr., H. Pearman, H. Cooper, Angus MacMillan.

Supervising Committee — Gordon Ross, F. van Wageningen Jr., Mrs. M. McGaughey.

Credit Committee — Ross Taylor, Klyne DeBruin, Angus MacMillan.

A great deal of discussion took place over doughnuts and coffee and many questions were answered by the directors and committee members.

People who have the ability to accomplish things can afford to let others do the talking.

Nelson Modin Is Host To 4-H Clubs At Mannville

MANNVILLE. — Mannville 4-H Beef and Grain clubs recently held a joint meeting at the home of Nelson Modin. Present were Mr. Douglas, assistant District Agriculturist and Chester Gamble, Club Leader. Main feature of business was to divide the Calf club into two clubs owing to the large membership.

Officers of Mannville North are as follows: President — Emil Fedechko; Secretary — Gordon McLaughlin; Vice-Pres. — Nelson Modin; Press Reporter — Josie McDonald. For Mannville South: Pres. — Gene Schreyer; Secretary — Rosie Semaniuk; Vice-Pres. — Marilyn Bennett.

Reorganization of the Grain club resulted in the following officers being elected: Pres. — Nelson Modin; Secretary — Lily Fedechko; Vice-Pres. — Vernon Smith; Press Reporter — Arleen McLaughlin.

Josie McDonald and Gary Bennett have accepted the position of assistant club leaders for the Calf and Grain clubs. Thematic display committee was elected as follows: Lily Fedechko, Josie McDonald, Gary Bennett, Nelson Modin and Bob Willis. Talks [illegible] of a beef [illegible] with aid of a diagram were given by Nelson Modin and Vern Smith. Lily Fedechko spoke on "Why I Joined the Wheat Club Again". Mr. Douglas and Mr. Gamble outlined a report on the tour of the Club calves and also on the Club conference of leaders in Vermilion. The evening ended with bingo games and all enjoyed a delicious lunch served by the Modin family. The next meeting will be held at the home of Lily Fedechko on Feb. 13th. Anyone interested in joining the Wheat club may do so at this time.

Greenlawn Good-Will Club

The annual meeting of Greenlawn Goodwill club was held at the home of Doris Jones on Jan. 16th with 21 members and two visitors present.

The first new business on the agenda was to elect new officers for the year, these being:

President — Veeva Jones
Vice-Pres. — Alberta Lumley
Sec'y. — Jessie Curtis
Sunshine Committee — Dagmar Holmen, Ruby Thomson, Vivian Curtis.

A vote of thanks to the retiring directors was passed. Florence Avery was welcomed as a new member to our club.

The club is sponsoring a whist drive in the hall on Jan. 31 with good prizes and a floating prize also.

The February meeting will be held at the home of Veeva Jones and a card party will be the order of the day to honor and reveal the secret pal. Please bring a Valentine for your Secret Pal.

The door prize was won by Jessie Curtis. The meeting was then adjourned and a lovely lunch was served by the hostess with some of the ladies assisting.

Manufacturers Life Report Record Year

A new record for service to Manufacturers Life policyholders [illegible] was set in 1957, when the Company paid out more than [illegible] millions in death claims, matured endowments, annuity payments and other policy benefits including $8 millions in dividends to policyholders. The total of benefits paid since the incorporation of the Company in 1887 now exceeds $690 millions.

The Company reports that the new business total of $380 millions was also an all time record. Business in force now totals $2,610 millions.

Assets held in trust for payment of future policy benefits now total $781 millions. Government and government guaranteed bonds constituted 11% of assets, while corporation and municipal bonds totalled 46%, mortgages made up 26% of assets, preferred and common stocks 5%, cash and other assets amounted to 12%. The net rate of interest earned was 4.79%.

The mortality rate was favourable and the Company's surplus funds now amount to more than $69 millions.

WOODVALE

Quite a few people of the Tolland district were present at the opening of the Preston curling rink and we have heard very high praise about the pleasant evening, the large building and the excellent ice. In fact, interest has been great in the building of the rink and making of the ice on this side of the coulee and many have put in a lot of time and work to help rush it to completion. Now four rinks are playing there regularly and one includes two local ladies, Mrs. Flo McQuid and Mrs. Dorothy Seitz who with their husbands, form a foursome. In all we hear there are 14 rinks in the regular draws at Preston. We wish them all a happy and successful curling season.

It is surprising that with the nice weather we have had there were not any skating parties. The only family we know of that cleared some ice and where children and grandchildren and visitors enjoyed skating is at the Goutier farm.

We seem to be very short on news this time, maybe the different kinds of flu and colds still prevailing have something to do with lack of activity. We hope everyone will soon be better, especially those who are confined to hospital like Ted Monger, Noel Garnett and George Haines.

Though the dance at Woodvale hall was not a financial success it was pleasant enough to warrant the holding of another one, to be held Feb. 14th.

NOTICE

MUNICIPAL DISTRICT OF VERMILION RIVER No. 71

Re: Bang's Disease Restricted Area Regulations

The following resolution is published as required by O.C. 1468/57 Section 6 (b) (11)

WHEREAS to avoid misunderstanding as to animals to be vaccinated for Brucellosis under The Livestock Diseases Act and regulations thereunder, The Agricultural Service Board of the Municipal District of Vermilion River No. 71, resolves as follows:

(1) That this Board declares that all heifer calves shall be vaccinated not earlier than four months after birth and at any age more than four months but not exceeding sixteen (16) months old and the vaccination of all such calves is hereby authorized.

This resolution was moved by Councillor J. C. Anderson, seconded by Mr. E. H. Buckingham and carried at a meeting of the said Agricultural Service Board, held at Kitscoty, Alberta, on the 4th day of April, A.D. 1955.

J. C. WALLINGTON, Chairman.
A. R. KAY, Secretary-Treasurer.

St. Saviour's Church Is Scene of Burningham-Barlow Nuptials

Bouquets of white chrysanthemums and red carnations banked the altar of St. Saviour's Anglican church, Vermilion, on December 21st for the double-ring wedding of Miss Betty Ann Barlow, daughter of Mr. Harold Barlow and the late Mrs. Barlow of Vermilion and Mr. Kenneth Willes Burningham, son of Mr. and Mrs. B. W. Burningham of Wainwright. Rev. K. A. Minchin performed the candlelight service.

Given in marriage by her father, the bride looked lovely in a full-skirted gown of white nylon chiffon ending in a flowing train, with a fitted bodice of white lace, styled with a scalloped neckline, lilypoint sleeves and tiny self-covered buttons down the back. Her coronet headpiece held in place her fingertip veil of French illusion. Red roses and red carnations formed the bridal bouquet.

Miss Katharyn Barlow, sister of the bride, was bridesmaid and Miss Jennifer Sheffield, niece of the groom, was flower girl. They both wore princess-styled gowns of white chiffon with yellow headpieces and boleros. Each carried a bouquet of Christmas red and yellow chrysanthemums.

Cadet Dennis Burningham, wearing the dress uniform of Royal Rhodes Military College, acted as his brother's best man. Ushering the guests were Mr. Stanley Barlow and Mr. [illegible] Liggett. Mrs. Hilda English played the wedding music and Dr. Ben King sang "The Lord's Prayer" and "The Wedding Prayer" during the ceremony.

At the wedding reception which followed, Mr. Henning Haverslew proposed the toast to the bride to which the groom fittingly responded.

Mrs. Rose Harle, aunt of the bride, who was acting as hostess wore a black and white crepe dress with white accessories while Mrs. Burningham, mother of the groom, chose a crepe dress of navy blue with pink accessories.

For a honeymoon trip to Edmonton, the bride changed into a tan wool dress complemented with blue accessories.

Out of town guests at the wedding were Mr and Mrs. B. W. Burningham and Dennis, Jimmy Rustand, Mr Tom Burningham, Mr. and Mrs. Basso, Mr and Mrs. Bill Sheffield, all of Wainwright; Mrs. Hilda English and Jimmy, Mr and Mrs. Jack Beresford and family, Mr and Mrs. Jim Burke, Mr. and Mrs. Harold Bushell, Audrey Hamilton, Noma Mansfield and Anne Driscoll, all of Edmonton; Mr Dave Love of Lamont and Mr and Mrs. Wm. Bushko of Vegreville.

Gnr and Mrs. Burningham will reside in Brandon, Man., where the groom is at present undergoing training for a career in the army.

DEPARTMENT OF ECONOMIC AFFAIRS
CULTURAL ACTIVITIES BRANCH
This Branch promotes the growth of interest and participation in various cultural activities. Boards, comprising individuals skilled in representative fields, are associated with the branch and cover libraries, music, drama, visual art, handicrafts and recreation.
There are many talented and interested persons throughout the province who have not had the opportunity to learn various handicrafts and recreational activities. Schools of training are attended by recreational leaders who are then able to pass on their knowledge to everyone's enjoyment and benefit.
Applications for 1958 scholarships in Drama, Handicrafts, Library Training, Music, Recreational Leadership and Visual Arts will be considered by the Branch until February 28, 1958. For further information contact

WILDMERE WORKS

One of Wildmere's oldest pioneers in the person of Mr. Thos. Cairns was laid to rest on Saturday, Jan. 18th in the Vermilion cemetery. This last 12 years he has made his home at New Westminster, B.C., where he passed away on Sunday, Jan. 12 at the grand old age of 93 years. He homesteaded here in 1906 and saw the country develop from the oxen and sod shack days to the modern way of farming and up to [illegible]. For a time he worked on the railroad out of Wainwright. His first wife passed away in 1911. He and his family were then residing on his homestead. In 1920 Mr Cairns journeyed to Scotland and returned with the present Mrs. Cairns who so faithfully cared for him through his long illness. One son George [illegible] him several years ago. One by one our old timers are going on to their well-earned rest. The community joins with the writer in extending heartfelt sympathy to his loving wife, daughter Mrs. McLean (Mary) and son Tommy. The well-filled church bespoke the high esteem in which the family is held in Wildmere and surrounding districts, and the town of Vermilion. Mr. T. Watts sang "The Lord Is My Shepherd" at the funeral. Pallbearers were Lloyd Howard, Cliff Cruthers, John Wilson, Albert Smith, Thos. Wilson and R. Gilholme.

On Monday another pioneer in the person of Mrs. Hans Eyben was laid to rest. She too came to what was later known as the Autumn Leaf district when it was just bald prairie. These fine old timers who so faithfully and laboriously opened up the country have left a mark and a spirit that can never be erased. One always felt better after having chatted with this grand woman and her cheery greeting will be greatly missed. The large attendance at the funeral spoke much more than words can express. Mr Drummond conducted a service very fitting to the life of the deceased. It can truly be said, "Well done thou good and faithful servant, take now thy rest". We wish to extend to the sorrowing husband and family and sister Mrs. Carlson our deepest sympathy in their hour of sorrow.

We were pleased to see so many attend church on Sunday. Rev MacKay gave an interesting sermon on "Membership and what it stands for". Glad to have Mrs. Cairns, Mrs. McLean, Mrs. H. Howard, Mrs. J Farkash, Mrs. Noel Garnett and Glenn, and Mrs. K. Shepherd, also Mrs. H. Wear and Lester, Mr. and Mrs. Geo. Harrison and Sandra attend. Services will be held again on Feb. 2 at 3 o'clock.

A farewell party was held on Friday evening Jan. 17th at the Battle[illegible] school for Mr. and Mrs. J Veitch who have moved to Wainwright. A nice crowd attended and a good time was enjoyed by all dancing for a few hours to the music of Barton Beale's record player. A good lunch was served after which, on behalf of all present, a beautiful lamp was presented to Mr. and Mrs. Veitch by their neighbor Gilbert Harrison. Mr. and Mrs. Veitch heartily thanked everyone for their kindness, both for the gift and for the neighborliness shown them through the years of residence in the district. Jack said he had been saving reading material for years and now he was going to sit in an easy chair by the lamp and read to his heart's content. A short voluntary program was given. Miss Wilhelm and her brother sang several songs, Jack Veitch rendered some of his favorite ones. Mrs. Wellington gave a couple of recitations, then "Jolly Good Fellows" was sung, bringing the wonderful evening to a close. Pleased to see Mr. and Mrs. Brooks, Mr. and Mrs. R. Buchanan attend from Carr.

We chatted with Mrs. A. Morrison, Miss Gertrude Craig, Mrs. B. Regan and many others. On Friday evening Mr. and Mrs. C. Cruthers and Maureen, Mr. and Mrs. J. Wellington and Lloyd Howard called at the Hole home and visited with Mrs. Cairns; A short visit was enjoyed with Mrs. Cairns and Mrs. H. Howard at the Lloyd Howard home on Sunday evening; We were pleased to see Mr R. Gilholme, Elsie and Dick on Saturday, they too were neighbors a few years back. Mr. George [illegible] and Noel Garnett who have both been hospital patients are getting on well we are pleased to report; Glad to hear Mr. Corley and Mr. Morrison are improving too; the writer is still going on her trip but Peggy flew to Uranium City so it will be the end of the week of Jan. 25th before we get away.

OUR LETTER FROM EDMONTON

Higher M. D. and School Grants From Alberta S. C. Government

by KEN MASON

EDMONTON—More this week about municipal finance.

It's fairly clear now what can be expected in the government's new proposals during the session of the Legislature which opens in the capital city Feb. 20. The main feature will be higher grants for municipalities and school boards.

This will be the direct result of the government's decision, announced recently, to abandon the lending business. Smaller sums will be set aside in reserves, which have been used to buy municipal debentures, and more will be given in direct grants.

It isn't known yet just how much the grants will be increased. In fact, reliable sources say the government does not yet know how high the grants will be. Apparently the cabinet still has to put the finishing touches on a new grant distribution formula.

Despite the talk you may have heard, there isn't likely to be any formula under which grants are paid in lump sums to municipal councils, leaving school boards to get what they can from local authorities.

Municipal Affairs Minister Alf Hooke made this fairly clear in Calgary last week when he addressed a Social Credit meeting. He was questioned about opposition among school trustees and teachers to the idea of lump sum grants, and his reply was: "They've got nothing to worry about."

Actually, there is some support in the government for the idea of a single grant to each municiality to cover school and municipal operating costs, but it's a political hot potato and would bring heavy criticism from many quarters. It would work satisfactorily under the county system, where a committee of the local council takes the place of the school board, but otherwise the idea is out.

Other measures proposed for this year have been discussed before. The province will take over the full cost of mother's allowance and child welfare, and will abolish the poll tax and personal property tax.

Premier Manning was asked at a press conference what would be done this year about the new deal, and he replied that he didn't like the term 'new deal' because it implies sudden, sweeping changes.

Of course, the new deal label came directly from a number of the premier's own cabinet—Provincial Treasurer Ted Hinman, who in 1955 launched the current review of provincial—municipal relations with a paper entitled, 'Time for a New Deal in Municipal financing.'

While he didn't say it in so many words, the premier left the impression that talk of a new deal has embarrassed him. Rather than making sudden, big changes, he said, it will be a process of continual transition. Important steps will be taken this year, he added, but every measure this year and in future years will be toward improvement.

The premier also made it next to obvious that talk of possible new forms of taxation has embarrassed him. He said flatly there will be no increase in taxation and no new forms of taxation. Once again he was pointing the finger at his own cabinet.

Mr. Hinman has never publicly advocated new taxes, but in talks all over the province he has left the impression he believes more taxes are inevitable. Many Albertans who have listened to him have the impression he favours a sales tax.

Changes in municipal financing won't be known in detail until the House is in session. It appears now that the 'new deal,' or process of transition, or whatever you want to call it, will be one of the major issues, if not the major issue, of the session.

Provincial health department officials think there's a chance Ottawa may begin paying it's share of hospital costs on April 1, the date Alberta's new health plan goes into effect. Alberta Health Minister, Dr. J. D. Ross has written to federal Health Minister Monteith asking for an early start. Monteith had said federal participation may start by July 1. Once Ottawa begins paying it's share, insurance benefits will go to all residents of the province, giving them standard ward hospital care at $1.50 to $2.00 a day, with no residence requirements. Alberta will go ahead April 1 with or without federal aid, but the 12-months residents clause will be retained until Ottawa comes in.

They all count, but it's the bottom dollar that really counts.

December with the W.I.

HAZELDENE—DEC. 3

Meeting held at the home of Mrs. D. Beckett with 12 members present and Mrs. R. Braithwaite as a visitor. Roll call—a favorite carol.

Mrs. E. Merback volunteered to continue to look after the W.I. scrapbook. Mrs. L. Hanna and Mrs. Geo. Needham gave the report of the Handicraft Committee meeting held in November. It was decided to take up the project of studying other countries during the following year. Mrs. Lloyd Hanna offered to keep a scrapbook of clippings, pictures and letters of the countries studied.

Mrs. John Kinsholle was presented with a lovely cup and saucer prior to her departure from the district. The election of officers followed: Pres.—Mrs. F. D. MacLean; Vice Pres.—Mrs. Lloyd Hanna; Sec.—Mrs. J. K. Whiteside; Treas. — Mrs. W. Braithwaite. Directors are: — Mrs. T. Farberg, Mrs. D. Beckett, and Mrs. J.K. MacLean.

Branch Standing Committee Chairman as follows: Education —Mrs. N. Romanick, United Nations—Mrs. K. Trimming, Handicraft,—Mrs. L. Hanna, Social Services — Mrs. T. Farberg, Health — Mrs. W. Romanick, Home Economics—Mrs. J. MacLean; Citizenship — Mrs George Needham, Canadian Industries and Agriculture—Mrs. D. Beckett.

A lovely lunch was served by Mrs. F.D. MacLean and Mrs. N. Romanick.

VERMILION—DEC 10

Meeting was held at the home of Mrs. J. C. Perrier with 14 members present and 3 visitors. Mrs. Loyal Amos was enrolled as a new member.

During November 20 sick calls were made and 10 get well cards sent. Reader's Digest subscribed to the hospital. Christmas cards to be sent to all patients and flowers to be sent to the W.I. ward for Christmas.

Mrs. E. Rooks as guest speaker read a humorous poem, 'How to Kill an Organization'. The election of officers followed and all were returned unanimously for another term. Program directors to be Mrs Del Astley, Mrs Helen Bell and Mrs. D. Perkins. Christmas gifts were exchanged and a lovely Xmas lunch was served.

CREIGHTON—DEC' 12.

Mrs. W. Donnenworth was hostess to the 12 members. Roll call answered with a Christmas reading. Five Point W.I. sent five dollars for the book of remembrance fund. A letter was read from a member of parliament. Five dollars was sent to the A.W.I. fund.

Election of officers followed: President—Mrs. E. Bauer, Vice Pres.— Mrs. O. Bauer, Treas.—Mrs. W Donnenworth, Sec.—Mrs A. Hess. Branch Standing Committee Chairmen. Agriculture and Canadian Industries, Mrs. H. Robertson. Citizenship, Mrs. F. Scott; Education, Mrs. K Weaver. Handicraft, Mrs. A. Westover; Health, Mrs. G. Clark; Home Economics, Mrs. L. Donnenworth, United Nations, Mrs. O Bauer, Social Services, Mrs. W Donnenworth.

Exchange of Xmas gifts followed. Mrs. A Westover won the mystery. A lovely Xmas lunch was served.

KITSCOTY—DEC. 3

Mrs. T. Joy was hostess to the seven members present. Roll call was an exchange of Christmas candles.

In November a donation of five dollars was sent to the Arthritis fund in memory of Mrs. John Dale. Flowers were sent to Mr and Mrs Jas. Finlin on their 50th wedding anniversary. The Bazaar and Tea held on November 15 was very successful, $81.80 being taken in, most gratifying considering so few members.

A gift and card was sent to Mr and Mrs R. Fox on their 40th wedding anniversary. Mrs. Fox is the convener of the visiting committee.

Two squares are being purchased for the new floor of Tracy memorial Hall.

Hello Everybody:

I would like to take this opportunity to thank all the members who assumed office for the coming year. Remember that in service to our Institute and through our Institute to the community lies the strength of our power for good.

While browsing through some articles I came across this Women's Institute Ode and thought you might enjoy reading it too —

A goodly thing it is to meet
In friendships circle bright,
Where nothing stains the pleasure sweet
Or dims the radiant light.
No unkind word our lips shall pass,
Nor envy sour the mind.
But each shall seek the common weal,
The good of all mankind.

PLANING HELP

The planing of the edges of doors, storm windows and screens always presents quite a problem. You can simplify the job of holding them upright by making a steel fork, as illustrated. Shape the fork from [illegible] rod, grinding the bottom [illegible] to points. When used, the fork is driven into the ground and the door, window or screen [illegible]. If you want to provide even greater support and allow yourself to plane in either direction, make two forks, one for each end.

Health Unit Notes

TREATMENT OF EPILEPSY

Only a qualified medical practitioner should diagnose and treat epilepsy. X-rays and brain-wave recordings give him additional information about the nature and possible cause of the seizures. The electro-encephalograph is the machine which measures brain-wave by a simple and painless procedure. Flat metal discs are held against different parts of the head and the brain's own electrical impulses appear as wavy lines on a roll of paper. By studying these lines the doctor is helped in his diagnosis.

Recent medical advance in the treatment of epilepsy by anti-convulsive drugs used under strict medical control can control seizures completely in over 50% of cases and in an additional 30%, seizures have been checked to such an extent that patients can lead a normal and productive life. It should be noted that treatment is more in the nature of a control than a cure (similar to insulin for diabetes). The medicine is usually taken by mouth and each patient must have his dosage carefully planned by his doctor. To attempt to cure oneself by patent medicines is less effective, more expensive and even dangerous.

Once his medical treatment has been worked out for him the epileptic is faced with considerable social problems. To the ignorant an epileptic is simply a "person with fits" who is to be shunned and treated like an inferior being and he may find it difficult to get a job or join in games. This can disturb and depress an epileptic and aggravate his seizures. It is to be hoped that education of the public about the true nature of epilepsy will eliminate these prejudices and get a better deal for epileptics. Too many people still think of epilepsy as an indication of mental inferiority and family "taint"—an attitude which is contrary to the facts. Not only can epileptics hold responsible jobs but they find that physical and mental activity is of great help in overcoming the seizures. It is only in about 5 to 10% of cases that epilepsy is severe enough to require prolonged institutional care. Naturally there are some jobs which should be avoided, such as driving vehicles, working on scaffoldings or anything involving exposure to moving machinery. It has been found that epileptics do not lose any more time at work than others and also have no greater accident rate. It is unfortunate that many employers are unaware of these facts and are unwilling to hire epileptics. A person with epilepsy should be treated as a normal human being who has a handicap which may disappear with proper treatment or continue in a milder form.

Epilepsy usually starts in childhood and as more children have epilepsy than any other age group, most cases showing up in the first two years of life. It is important that an epileptic child lead as normal a life as possible and that the parents do not try to do too much or overprotect him as though he were a semi-invalid. A full and happy active schedule rather than a guarded isolated existence will actually decrease the severity and frequency of the seizure and will help to ensure that the child grows up into an emotionally mature adult. There is no reason why an epileptic child under proper medical care cannot attend a regular school and it is healthy for them to have the companionship of other children of their own age. They do not get hurt at school any more than other children, and other pupils are not disturbed over seeing a seizure if they know that epilepsy is a disease but not contagious. It is only in severe cases that parent will have to make special arrangements for schooling at home or in special classes. A common, sense approach to what the child may or may not do at home and at school should be worked out in consultation with the family doctor.

OBITUARY

THOMAS CAIRNS

Funeral services for Thomas Cairns who passed away in the Royal Columbian hospital, New Westminster, B.C., at the age of 92 years, were held on Saturday, Jan. 18th at the First United church, Vermilion. Interment was in the Vermilion cemetery. Rev. C. W. MacKay officiating.

Pallbearers were R. Gilholme, T. Wilson, C. Cruthers, A. Smith, J. Wilson and L. Howard.

He leaves to mourn his passing his loving wife, one daughter Mrs. McLean, and one son Thomas, both of Vancouver; also two grandsons and one great grandson. His first wife predeceased him in 1911, also a son George, in 1904.

Born in Leven, Fifeshire, Scotland, on Nov. 25th, 1865, Mr. Cairns served as a railroad engineer in Scotland and later in South Africa with the Cape Government Railways. In the spring of 1906 he, with his family, came to Canada and settled in the Wildmere district. Here he carried on farming operations until 1946 when he and Mrs. Cairns moved to New Westminster. Mr. Cairns was one of the earliest pioneers in the Wildmere community.

Flowers were received from: The Family; Tom and Jessie Bebbington; Mr. and Mrs. Freeman; Mr. and Mrs. Lilly; Tom and Lillian; Mr. and Mrs. Peter Jensen; Mrs. Ruud Sr. and family; T. B. Wilson; Albert and Janet Holte and Baillie; Mr. and Mrs. E. M. Stewart, Mr. and Mrs. A. M. West; Wilfred, Kay and Margaret; Henry and Christine Howard; the Gilholme Family; Mr. and Mrs. A. Ross.

Flowers to the house: Mr. and Mrs. Cecil Farrell; Mr. and Mrs. Durland; Mr. and Mrs. Douglas Alexander.

Cemetery Fund: Mr. and Mrs. A. Galloway; Mrs. I. Osterberg.

The Gideon Bible Society: Mr. and Mrs. E. Schurman.

The Crippled Children's Fund: Mr. and Mrs. Jack Murfitt.

Wildmere Church Memorial Fund: Naomi and Cliff Cruthers and family; Dorothy and Walden Westman and family; Jennie and Albert Holte and Baillie, Mrs. Hazel Batke; Elsie and Ray Dibben and family; Marjorie and Albert Smith and family, Ethel and Lindy Fudden and family, Gladys and Lloyd Howard and family; Thos. Best; Jessie and Fred Haines and family; George Haines; Elsie and David Dibben and family; Gwen and William Garnett and family; Margaret and Frank Gibson and family; Mr. and Mrs. H. R. Howard Sr., Beryl and George Neuffort and Alley; Edith and Eric [illegible] and family; Mr. and Mrs. Abe Friesell; Olive and Bert Friesell; Winnie and Lewis Alexander and family; Gladys and George Symes and Audrey, [illegible] and Robert Martin and Doreen; Irene and John Wilson; Betty and Ray Osterberg and family; Enid and Charlie Sweeney and family; Ruby and Arnold Ruud and family; Mr. and Mrs. Wm. [illegible] Sr., Nellie and Robert [illegible] and girls, Mabel and [illegible] Friesell and family; Mrs. Kate Whitlock and Hazel; Lottie and Ted Riley and boys; Lawrence Graham; Christie and Alex Morrison, Maudie and Jim Wallington and family.

Moyers were in charge of the funeral arrangements.

CARD OF THANKS

We wish to express our sincere thanks to the many friends who gave their kindness, sympathy and beautiful floral offerings and contributions to benefit funds during the illness and death of Mr. Cairns.

Mary Cairns, Mary McLean, Tom Cairns, Maude McLean, Robert McLean and family.

Solve a Crime

A.C. GORDON

You Are the Detective

A gang of hoodlums has been terrorizing the city for some time getting away with a goodly number of robberies and thefts. It has been determined that the gang comprises four men — Orville Miller, Dusty Carlson, Red Steele and Ham Keller.

The police have been hot on the trail of the gang, and a detective sergeant, Howard Sherman, succeeded in locating the gang's hideout, but in a lone attempt to raid it was shot and killed by one of the hoodlums.

You have been working alone with the police, and you have managed to come up with the following information regarding the gang:

(1) The leader of the gang was formerly on the stage; (2) Red Steele had tried to lure the former actor into a private scheme of his own, but the leader did not trust him; (3) Ham Keller's two pretty sisters are the sweethearts of the gang leader and Dusty Carlson; (4) The former actor and Sherman's killer are good friends, and were formerly associated in some shady deals in another city; (5) When the gang pulled its last successful robbery, Ham Keller and the killer split the greater part of the loot because of the extra risks they had taken.

After you have carefully sifted through this information, you name the killer to the police who immediately put their dragnet into operation.

Who have YOU identified as the killer of Howard Sherman?

* * *

SOLUTION TO SOLVE-A-CRIME

Dusty Carlson is your man. First, in identifying the gang leader, you determine that he is not Steele (2) nor is he Keller or Carlson (3). Therefore, the leader is Orville Miller, who is not the killer (4). The killer is not Steele (2 and 4), and Keller is not the killer (5). This leaves Dusty Carlson as the killer.

At the most recent census there were more men than women employed as cooks in Canada.

Annual Meeting of Ratepayers Monday, February 10th

The annual meeting of the ratepayers of the Town of Vermilion will be held in the Elks hall on Monday evening Feb. 10th at 8:00 o'clock. Reports will be given by His Worship Mayor Hill, chairmen of the various committees of the town council, the auditor, secretary-treasurer, for the year ended Dec. 31st, 1957.

A report will also be given by Mr. Frank Welsh, town representative on the Vermilion Municipal Hospital board.

The terms of two councillors, G. W. Sutherland and P. E. Cooper expire, but as previously explained in the Standard, town elections are now held in October each year instead of March, as set out in the Provincial Town Act.

It is confidently expected that there will be a goodly percentage of the ratepayers in attendance at the annual meeting.

To Address The United Church W.A.

Thursday, Feb. 11th will be United Church W.A. guest night. An invitation is extended to everyone in the congregation to attend and to bring a friend.

For the special occasion the W.A. have been fortunate in securing Mr. Krishan Tuli of Lloydminster as guest speaker.

Mr. Tuli was born in Armritsar of N.W. India. He is a graduate in chemical engineering of the University of Delhi, India. He came to the States on a research fellowship and to Lloydminster last November where he is employed by the Husky Oil Co.

Mr. Tuli has a wide background and will speak on India's Role in World Affairs. He invites questions and discussions after his address. You will find his message stimulating and thought-provoking, especially as it does not follow the general Christian pattern.

Mr. Tuli hopes that his contacts with people will help towards creating better relations and understanding of India's way of life and philosophy.

The meeting will be held in the church hall at 8 p.m., Feb. 11th.

New Departure In School Meetings

A new departure will be tried this year in regards to the annual meetings in the Vermilion school division. In previous years six separate meetings have been held, one in each of the subdivisions.

This year meetings will be reduced to two, the first of these will take place on Monday, Feb. 10th in the Legion hall, Vermilion, at 2:00 o'clock in the afternoon. It will be for the electors in subdivisions 4, 5 and 6. These subdivisions include the Town of Vermilion, the area to the north and the area to the south of the town.

The meeting for subdivisions 1, 2 and 3 will be held in the school gym at Kitscoty on Tuesday, Feb. 11th at 2 p.m.

HI-SCHOOL HI-LITES

Well, the basketball season is pretty well over and curling is coming into the picture.

House League curling has begun and a lot of enthusiasm has been shown as there are thirteen rinks competing.

The following pupils played on the High School Taylor & Pearson rink. Skip, Bryan Calvert, third Roger Stephens, second, Bob Waldenburger, lead, Ken Graham.

In the play offs in Vermilion on January 24 and 25, this rink won over Clandonald in the finals by a score of 12 to 7. This gave them the right to represent Zone 8 in Edmonton on the following Friday and Saturday. In Edmonton, however, they didn't do so well as they won the first game over Lacombe and then lost two in a row to Old Scona and Ross Shepherd.

We would like to extend our thanks to Long's drug store and Craig's departmental store for their generous donations in aid of the Taylor and Pearson rink.

The High School A teams have played a number of games. The boys were defeated 37 to 17 by Lloyd in Vermilion, and back at Lloyd, it was 60 to 29 in favor of the Lloyd team. The girls were also overpowered by the Lloyd girls by a score of 15 to 12, and back at Lloyd it was 27 to 17 in favor of Lloyd. However the girls were on the winning end of a 28 to 12 victory over Derwent.

The House League standings are remaining pretty well the same and up to date are Carman, Service and Laurier.

The Parent-Student Dance will be held in the armouries on Feb. 14, in the form of a Valentines Dance. Although our parents are welcome at any of our parties, this dance is planned especially for them.

At this dance the flash camera that is being raffled will be drawn for, so if you haven't already got a ticket, get one now. The proceeds from the sale of these tickets are in aid of our Year Book fund.

Active Year Reported At Annual Meeting Of United Church

The annual meeting of the First United Church was held in the church basement on Jan. 29th. After a very fine pot luck supper the meeting got underway with Bill Anderson in the chair and about one hundred members present.

The session reported 17 new members added to the roll. The Sacrament of Communion was conducted on four occasions with an average of 142 taking communion.

The new manse was completed during the year with the dedication ceremony taking place on June 12th.

The church school reported an average attendance of 130 per Sunday. The youth groups were well organized under good leadership and reported very interesting programs throughout the year.

The A.O.T.S. club [illegible] a boys' hobby class under the leadership of Dr. Elmer Young that has created a lively interest among the boys. They have completed a project on woodwork and future projects are stamp collecting, copper smithing, plastic lacing, model airplane building and talks and demonstrations on coin collecting and model railroading.

The W.A. raised a total of $3,306.20 during the year and the W.M.S. $436.98.

The Board of Stewards report receipts from all sources of $11,415.91 plus Missionary and Maintenance fund of $427.74. Members elected to the Board of Stewards were Messrs. E. M. Stewart, Dr. Stephens, C. Wilson and R. Watt. Delegate to conference, Dr. Clarke, alternate E. Schurman.

Election Called For March 31

Canada's twenty-third Parliament, which convened October 14, 1957, was dissolved Feb. 1, 1958, after a single session of 78 sitting days.

The general election date is Monday, March 31. Parliament is summoned to meet again on May 5th.

Member of Parliament for the Battle River-Camrose constituency is James A. Smith of Vermilion.

Commons standing at dissolution: Progressive Conservatives 113; Liberals 106, CCF 25; Social Credit 19; Independents 2; total 265.

Last general election was June 10th, 1957.

Nomination day will be March 17th.

Board of Kitscoty Pastoral Charge Sets Allocations

KITSCOTY. — The annual official board meeting of the Kitscoty Pastoral four point charge was held recently in the Kitscoty United church with Islay, Dewberry and Marwayne well represented.

F. O. Seward of Kitscoty was re-elected treasurer and S. A. Berg of Marwayne was named recording secretary.

Plans were discussed for the coming year and each charge willingly accepted their new allocation. The next official board will meet in Marwayne on March [illegible].

Sudden Death Of Lloyd McFadden Shock To District

The sudden death of Lloyd Elmer McFadden, 64 years of age, who passed away while returning to his work at the Alberta Wheat Pool elevator on Monday, Feb. 3, came as a decided shock to people of Vermilion and district.

The well known and deeply esteemed grain buyer had walked along elevator row, had exchanged greetings and conversed with friends along the way and had walked part way up the ramp at his own elevator when he collapsed with a heart attack. He was noticed from Ken Isley's service station and implement warehouse across the street, help was secured but death must have been instantaneous.

Mr. McFadden was born in Ontario and came to Islay in this district as an elevator agent. He moved from Islay to Chauvin in a similar capacity, then to St. Albert. His last transfer was in 1941 when he and Mrs. McFadden came to Vermilion.

At Islay he became known as quite a ball player, curler and all-round good citizen. When coming to Vermilion he still maintained his interest in curling but due to a heart condition had not curled for the past several seasons.

He leaves his wife and one sister, Mrs. Ivor Hansen of Gilbey, North Dakota, to mourn his passing.

Funeral services were held at the First United Church, Vermilion, on Wednesday afternoon Feb. 5 at 2:00 o'clock. The Rev. C. W. MacKay officiated. Interment is taking place at the Mt. Pleasant cemetery in Edmonton this Thursday afternoon, Feb. 6.

Moyers are in charge of the funeral arrangements.

New Drive-In Open At Westpoint

The district has a new lunch and snack bar called the "Snow Queen", located at the Westpoint service station, just west of town. The name "Snow Queen" is derived from the fact that soft ice cream is a specialty here. The new lunch spot is actually designed as a drive-in and many are already driving up and lunching in their cars, while others prefer the spotless white interior. The proprietors are well known to Vermilion and district people, Joy and Percy Walsh. Official opening will take place in the spring when weather is more conductive to the opening of a drive-in lunch spot. In the meantime, drive out and have a snack. It is open from 2 p.m. to 12 midnight, and on Sunday to 10 p.m. On the menu are chips, hamburgers, sundaes and soft ice cream.

Mrs. Molly Young Elected President Derwent U.C.W.L.

DERWENT. — An annual meeting of the U.C.W.L. was held recently with a new slate of officers elected for the coming year as follows.

Pres. — Mrs. Molly Young
Vice-Pres. — Mrs. Verna Charchun
Sec'y. — Mrs. Helen Kobylnyk
Treas. — Mrs. Olga Lychak

There are 60 members in this league and it was decided at this meeting that a "Pyrohy Supper" will be held on Feb. 10th at the National hall.

A delicious lunch was served by the ladies which brought the evening to a close.

Buk Rink Wins G. C. At Derwent Ladies' Bonspiel

DERWENT. — The Buk rink of Two Hills won the Grand Challenge Shield at the Derwent [illegible] annual bonspiel in the recent one-day event with nine rinks competing.

The Grand Challenge event winners were:

1st Mrs. Mary Buk, of Two Hills.
2nd Mrs. Derda, Elk Point.
3rd Mrs. Anne Palinka, Derwent.
4th Miss Marilyn Kwasnicia, Derwent.

Second event winners were: 1st Mrs. [illegible], Myrnam; 2 Mrs. [illegible], Dewberry; 3 Mrs. Irene [illegible], Derwent; 4 Mrs. A[illegible] McConnell, Derwent.

A banquet was held for the lady curlers and executives at the Derwent hotel dining room. [illegible] were presented and [illegible] were made [illegible] of the [illegible] skip [illegible] the members of her rink. Jokes and a sing-song concluded the festivities.

Canadian Legion Notes

Vermilion Branch curlers are making quite a record for themselves. Last week it was reported that the legion rink consisting of Bill Scales, skip, and ably assisted by Vic Tillett, Neil McLean and Geo. Webb, Jr. had won the zone pay-offs for the Legion Provincial Competition.

Now this week the same team by hard work and good curling were declared to represent this district in the Briar playoffs.

LEGION MEETINGS

Don't forget the monthly meeting on Friday, February 14th and the social evening on Saturday, February 8th.

BANTAMS

Our Legion sponsored Bantam Hockey team is going strong. They played Dewberry last Saturday with Dewberry ahead at the finish 4 goals to 3. Coach Frank Docking has been transferred to Edmonton and Roger Stephens has taken over.

First Game Here Feb. 14 vs. St. Paul

Kinsmen Midgets Enter Play-Downs

Vermilion Kinsmen Midgets, coached by Bill Novak, have entered the provincial play-downs and meet the St. Paul Midgets in the first round on Friday night of next week, Feb. 14th in the Vermilion arena at 8 p.m. The boys in the midget section are 15 and 16 year olds.

So far this year the Midgets have had few games, but they have been practising faithfully with a big squad turning out.

WIN FROM VEGREVILLE

On Wednesday night, however they played against the Vegreville Midgets and turned in a well deserved 2-0 victory.

Big Pete Link set up the first goal, carrying the puck across the Vegreville blue line and sliding a well directed pass over to Jones. That husky sent a screaming shot past the visitors' goalie. The second goal was scored by Link himself, with Ackerman setting up the play. Both goals were in the first period.

There was plenty of action throughout the game, with the visitors drawing no less than 11 penalties to four for Vermilion.

On the Vermilion line-up were Russell in goal, Link, Ross, Ferbey, Hemmingway, Roberts, Ireland, Wasylik, Ferguson, Mialck, Risdale, Park, Beattie, Carmichael, Jones and Ackerman.

Lee Coyne refereed, and regulation Midget hockey rules prevailed. Chief differences are that the puck must be carried over the blue line, or if shot over must be recovered by the same player. Body checking is allowed only in the player's own defence zone.

Vegreville have been meeting with considerable success in provincial play-downs for years and the showing made by the Kinsmen Midgets against them Wednesday night indicates that the Vermilion team has a lot of ability.

See these 15 and 16 year old boys trot their stuff at the local arena Friday evening, Feb. 14th in the first round of the provincial play-offs.

Tigers vs. Commandos on Monday

Neilberg Here Saturday, Feb. 8th

Plenty of hockey action is billed for Vermilion hockey fans during the next week. Starting out this Saturday the Neilberg team will play their only game on Vermilion ice. This is an inter-zone fixture. Neilberg is in the cellar of the eastern half of the league and as the Tigers occupy a similar position in this half of the league, both will be out for those two points. A real hockey battle should be the result.

COMMANDOS HERE MONDAY

Wainwright Commandos will be back in Vermilion on Monday night to play a game postponed at the start of the season. The Commandos gave a smart display of hock.., in their last appearance here but the Tigers will have a strengthened line out against them and are confident they can upset their old rivals.

This game is Monday evening Feb. 10th, 8:30 sharp.

Vermilion Wins First Game – Wainwright

Vermilion Tigers played their best game of the season on Wednesday evening at Wainwright and trimmed the Commandos 6 goals to 2 for their first victory of the season.

The Tigers feel that they are on the beginning of a win streak and are out to better their standing with two home games, the first against Neilberg on Saturday Feb. 8th, and the second against Wainwright on Monday Feb. 10th. Don't fail to see the rejuvenated Tigers roar at these two home games.

VERMILION LOSES DEFENCE MAN

Vermilion Tigers lost their biggest defence man this week, when Constable Frank Docking of the R.C.M.P. was transferred to Edmonton where he will see duty on the traffic squad. Constable Docking was a member of the R.C.M.P. detachment here for nearly two years.

E.A.H.L. Results of Wednesday Games

Vermilion 6, at Wainwright, 2, (first win)

St. Paul 3, at Bonnyville, 10, ([illegible])

Lloydminster 14, at Neilberg, 2.

Lashburn 4, at Maidstone, 5.

Sportsmen's Banquet Is Planned For Monday, March 3rd

An outstanding program and a galaxy of sports celebrities will feature the Sportsmen's banquet to be held in Vermilion on Monday, March 3rd under the auspices of the Vermilion Tigers Hockey club. Tickets will be $5 each as the event, besides giving everyone an opportunity to see and meet big names in the sports world, is an effort to raise funds for the hockey team.

Whether you can attend or not, every business man should buy two tickets as a donation towards hockey this season. In St. Paul recently the business houses were canvassed for funds to support their hockey team and subscribed [illegible] which meant that they were donating far more than $10 each.

Every person is invited to attend this banquet. It will be an interesting and very entertaining event.

KEN FOSS TO EMCEE

Ken Foss, sports commentator on CJCA, outstanding in his field, will be emcee and guest speaker. Watch for more details of those attending in later issues of your Standard.

Scouts To Meet Wednesday Nights

Regular weekly meeting night of the Vermilion Boy Scout troop will now be Wednesday nights instead of Monday as heretofore. The change is being made to avoid conflicting with Air Cadet Monday night parades.

Officers and Executive Members of Vermilion Board of Trade

The above members of the Vermilion Board of Trade were elected as officers and members of the executive for the ensuing year at the annual meeting held on Wednesday of last week, Jan. 29th. New President

E. A. Locke, who was elected president of the Vermilion Board of Trade at the annual meeting held on Wednesday of last week.

Mr. Locke came to Vermilion six years ago and is the manager of the Alberta Treasury branch here. He has taken a keen interest in all community affairs since coming to town and is a member of the town council at present, a past president of the Vermilion Golf club, an ardent curler, and is president of the Eastern Alberta Hockey league.

Mr. Locke presided at the board meeting on Wednesday of this week in his new capacity of president.

Council Engages New Public Works Foreman

At the meeting of the town council held on Monday evening Mr. Dean L. Barlow was engaged as superintendent of public works for the town. He succeeds Cecil Weldon who recently moved to Fort Saskatchewan.

Mr. Barlow is a registered surveyor and comes to Vermilion from Pincher Creek. He spent the past week end in Vermilion where he became acquainted with many of the business men. He has now returned to Pincher Creek and will bring Mrs. Barlow and the three children back with him. His duties commence on Feb. 17th.

Officials Attend Guide Meeting

Members of the local Girl Guide-Brownie Mothers' Association gathered in the Anglican parish hall on Jan. 28th for a meeting at which Mrs. H. Schlosser, provincial commissioner, and Miss Beth Riddock, provincial field secretary, were present.

A short talk by Miss Riddock proved very informative and inspiring to all in attendance. This was followed by a question and discussion period.

After tea the two provincial officers carried out the enrollment ceremony for both the Brownies and Guides at which the following girls were enrolled: Brownies — Robin Anderson, Shirley Calvert, Candace Clendenning, Eleanor Duncan, Yvonne Pockett, Loreen Ross, Carol Mapstone, Glenys Moss, Barbara Wasylishen, Barbara Wright and Georgina Young.

Guides — Sue Ellen Clendenning, Betty Jones, Helen Mayhew, Wendy Wright, Judy Russell and Susan Young. Five of the above Guides received their wings on enrollment.

THAT FIVE-DAY WEEK—

It was a pleasure to sit in on the Board of Trade meeting on Wednesday with representatives of farm organizations, employees, business and professional men, and to hear such a controversial question discussed as the five-day week in an amiable and sensible manner. Good feeling prevailed, remarks made were much to the point and were designed to arrive at the most reasonable solution to a new departure.

Peculiarly enough the day which would interfere the least with the general routine of business at the present time would be closing all day Wednesday, the day which would afford the most freedom to the employee group would be Saturday as that is the day the school children are also free. As a mid-week holiday does not offer the opportunities for outings possible on a long week end, the Wednesday closing is not looked upon very favorably. Saturday is apparently definitely out as that is the biggest business day of the week, and farmers request that shopping hours on that day remain as they are now. This brings up Monday as being favored by the majority for the full day's closing judging from the discussion and remarks passed at the meeting. The farmers present were of the opinion that we are on the eve of the five-day week and raised no objection to it providing that it was some day other than Saturday.

Professional Driving Instruction Reduces Accidents

An increasing proportion of automobile drivers will be of teen-age in the years ahead and, unless these young people can be taught to be responsible behind the wheel Canada faces a "staggering" toll of dead and injured, says the Imperial Oil Review in its February issue.

Today drivers in the 16-21 age group have twice as many accidents as all other drivers and kill 50% more people. They kill 11 times more people than the safest drivers, the 45-50 year olds.

The Review warns that the situation "could blow up in our faces" as the bumper crops of war and post-war babies reach driving age. Today there are 1,600,000 Canadians in the 13-21 age bracket: by 1966 there will be 2,700,000.

The article proposes stricter law enforcement and a stepped-up program of professional instruction for young drivers. In three Manitoba high schools offering safe driving instruction, the accident rate among graduates was only one-eighth that of the average motorist.

Major Factors In Farm Accidents

Fatigue from long operating hours was named as a major factor in farm accidents by a rural doctor, a farmer and farm wife who participated in a panel discussion at the first Western Canada Safety Conference.

Moderated by C. Cheshire, extension engineer with the Alberta Dept. of Agriculture the session heard Clover Bar district farmer Dick Bailey stress proper training of youth in safety practice. "We need to instill a proper respect for power machinery," he said. Farm operators who learned to farm with horses have to "adjust their sights" to mechanization.

Mrs. Glenn Valleau, of Wainwright, referred to home safety saying that with modernization our homes should be safer than ever. "Lamps and lanterns are no longer a fire hazard in the electrified farm home." But this new servant, electricity, must also be understood and handled properly and we have a responsibility to impress the proper attitudes upon our own minds and those of our children.

Dr. L. Edmunds, Vegreville medical practitioner, blamed the human and mechanical elements of modern farm life for most farm accidents. Using case histories from his rural practice to substantiate his theory Dr. Edmunds recommended the increase of public consciousness of the potential dangers present in farm operation. Farm safety should be made more adequate by the improvement in design of farm equipment, he said.

The panel feature was followed by general group discussions on farm safety topics, coordinated by J. E. Hawker, Superintendent of Alberta Schools of Agriculture.

Electric headlights on locomotives were first used early in 1881.

Marwayne F.W.U.A. Members To Sew For Hospital

The Marwayne F.W.U.A. held their January meeting at the home of Mrs. Ella Quist with 24 members and 2 visitors present. Lil Quist and Lil Hamernyk were the co-hostesses. Roll call was answered by "What the F.W.U.A. means to me".

It was decided to do sewing for the hospital again this year and Mildred Sinclair volunteered to ask at the hospital just what was needed and to get material. She was also asked to buy a doll for which a complete wardrobe will be made and a raffle held for same at a later date.

Each member is to make an article for the Hobby Fair, Feb 27th. The article will belong to the club after.

We wish to thank all those who attended our tea on Jan. 17th and also to thank the Elks for donating the hall rent free for this occasion. $80 was cleared and has gone to Darwin Franklin.

A 'Helping Hand' from the club was extended to Mrs. W. Fairbairn by a gift of a clothes dryer.

The next meeting will be held at the home of Irene Johnson on Feb 26th.

Part of the convention report was given by the two delegates, Frances Gray and Joyce Katzmarzyk. Their interesting report will be continued at the next meeting.

HOW CAN I?

By ANNE ASHLEY

Q.: How can I clean old coins?

A.: Apply powdered whiting with a damp cloth. Or, if the coin is placed in a raw white potato and allowed to remain for about 12 hours, the original lustre will be restored.

Q.: How can I remove warts from the hands?

A.: By washing in water in which a quantity of washing soda has been dissolved. Let the hands dry without wiping. Repeat this bathing frequently, or until the warts disappear.

Q.: What is a good fertilizer for potted plants?

A.: Take tea leaves that have been used and put them around the plants.

Q.: How can I easily stitch heavy material on the sewing machine?

A.: When stitching heavy materials, such as cretonne or canvas, rub the seams with hard soap and the needle will go through the material easily.

Q.: How can I prevent chapped or parched hands?

A.: Apply glycerine and rosewater or lemon juice several times daily and at night before retiring.

Q.: How can I cut lemon meringue pie without difficulty, and prevent sticking.

A.: By wetting the pie knife with cold water before using.

Q.: How can I prevent having rough and unsightly elbows?

A.: Scrub the elbows [illegible] night with warm wa[illegible] and soap, using a soft brush. After they are clean, rinsed, and dry, massage with warm olive oil. Keep up this treatment for two weeks and see the improvement.

Q.: How can I renovate black satin slippers that have become shabby at the toes?

A.: By giving them an application of wood alcohol, rubbed the same way as the satin. This applies only to black or very dark [illegible].

Q.: [illegible] can I avoid cracks or broken [illegible] on the birthday cake [illegible] by inserting the candle [illegible]?

A.: Merely by inserting the candle holders in the cake before the icing has set.

Q.: How can I prevent soggy potatoes?

A.: Never cover the potato dish when sending to the table, or the potatoes will become soggy by absorbing their own moisture.

BUFFALO COULEE ACTIVITIES

Most of the activity of the community at present is centred around the school and curling rink.

The Buffalo Coulee hockey team played a game at Albert school losing out 4-1 but evened things up when the Albert boys came back to B. C. this past week, by a score of 4-2. A game arranged at Fabyan had to be postponed.

The Senior room has organized for curling, having five rinks. They will play their games after school on Mondays and Fridays. Maybe next year they will be able to send a more experienced rink to the high school playdowns.

The students have also organized basketball teams and hope to have some games with Mann[illegible] in the near future.

The dance put on by the Students' Union with the Wainwright orchestra in attendance was quite successful but owing to several other dances around the same night the crowd wasn't as large as hoped.

Reports of a good time come from the recent square dance but there weren't many local square dancers in attendance. Another one is to be held before too long with Henry Lien calling.

Regular curling is finally underway with quite a number of new curlers. There are more ladies curling this year than for the last year or two.

Three rinks from Buffalo Coulee skipped by Hennig Haverslew, John Eyben and George Eyben took part in the Wainwright Farmers' spiel. The only rink to reach the prizes was the one composed of John Eyben, Bernard Eyben, Hubert Rogan and Morris Cooper, winning 1st in the fourth event.

Three or four rinks from the two Farm Forum groups plan on going to the Forum spiel being held in Vegreville Saturday, Feb 8th.

Teachers from here curled in the Teachers' Spiel held at Mannville Friday night and Saturday.

Quite a few people from the district attended the Ice Capades in Edmonton recently, the Cunningham family, Vera Brook and Hazel, Mr. and Mrs. Gordon Larsen, Mrs. Majury and Matt, Mrs. B. Macnab, Mr. and Mrs. Henry Haverslew, and Mrs. F. Semeniuk.

The Boy Scouts held a toboggan party on Elward's hill and cooked their supper outdoors. Ski and toboggan races with the winners getting points for their patrols, were held. Scoutmaster Hennig Haverslew was in charge assisted by Jerrold Elward, a member of the Scout board.

The winter months are frequently devoted to sewing of your own and your family's wardrobe. If you happen to be making a garment of jersey, the following tips will be helpful to you.

TIPS FOR SEWING JERSEY

Jersey material in various designs is one of the most popular materials this winter and proves to continue in popularity. Jersey is usually sold in a tubular shape. The crease mark in jersey as it comes off the bolt is often impossible to press out. If the pattern cannot be cut to avoid it, place the crease lines in center front or back, so they will look as if they fit in with the construction lines of the dress.

Due to elasticity of jersey, it has to be handled differently in sewing. Seams such as shoulder and waistline seams which are subject to strain have to be taped. Seam binding, ribbon or cotton twill tape can be used. Any of these tapes should be preshrunk before using.

If the jersey dress is a sheath style, the skirt has to be lined. It is often advisable to line the bodice also to prevent stretching when hanging on a coat hanger. The lining used for this must be a firm weave such as satin, but still soft so that the jersey will retain its soft appearance.

Silk sewing thread has an advantage over cotton thread in sewing wool jersey because it is more elastic. Synthetic thread is not advisable for wool since it will melt at the temperatures required for pressing wool.

It is advisable to stretch some seams in jersey while sewing. This will prevent seams from snapping during wear. The fabric relaxes to its original shape after sewing and pressing, leaving a more elastic seam. This can be used on skirt, sleeve and some bodice seams. Neck seams and seams which have to be taped should not be stretched.

Collars, cuffs, skirt band, belts, etc., keep their shape if [illegible] faced. Pellon can be [illegible] for skirt bands, belts and in stand-up collars.

Keep the seam binding slack when putting up the hem to prevent the finished hem from puckering.

No seam finish is needed for jersey.

Canada's highest mountain, Mt. Logan in the Yukon, is 19,850 feet in height. Mount McKinley in Alaska is 20,320 feet in height and Mount Everest in India is 29,028 feet high.

HEAT LAMPS FOR PIGS

It is a good deal easier to raise winter pigs when one lives on the power line and uses a heat lamp to keep the young pigs warm and alive in the cold weather. Circulars are available from this office on building and operation of practical pig brooders where heat lamps can be used.

GROWING FLAX

Flax is one special crop that has been paying off for farmers in this area. It would appear that there will be a good market for flax for several years. Supplies of seed are still available. Get a circular from this office on growing flax.

VARIETIES OF GRAIN

Some changes have been made this year in the varieties of grains to grow in this district. Posters have been sent to every grain elevator. These posters set out very clearly by zones as to which varieties are most suitable. Circulars are also available from this office.

GRADE "A" HOGS

In spite of the prevailing idea, it is proved by experiment that it takes more feed to produce a pound of fat meat than a pound of lean meat. This means that there is not so much money in raising Grade "C" pigs as in raising Grade "A"s.

WARBLE FLIES

February is the month that we see the warble fly lumps on the backs of cattle. The old treatment, Derris root is very effective. A new treatment Trolene can be bought in some drug stores. The cost of neglecting to do something is from $10.00 to $15.00 per animal.

FORAGE SEED POLICY

Each year I put out in my district grass, clover and alfalfa seed, for trying out. If you wish to grow forage seed for trials in checking erosion, weed control or for growing seed for the market let me know. I will send you an application form so that you can get seed at half price as long as the supply lasts.

New Nurses' Aide Training Centre Opened in Edmonton

An expanding program of nurses aide training in Alberta began Feb. 3rd with the opening of a new training center in Edmonton. The new school is part of the Department of Public Health's expanded program of providing qualified staff to Alberta hospitals. A school has been operating in Calgary since 1943 and will continue to provide training facilities in southern Alberta.

The new center in Edmonton can accommodate up to 100 students. New classes will get underway every five weeks. The 40-week course of instruction comprises 20 weeks theory at the school, and 20 weeks practical work at various hospitals.

The Edmonton center is located in the former Garneau High school near the University of Alberta campus. The two-storey structure has been completely renovated.

Applicants should be over 17½ years of age and should have a minimum of grade 9 schooling.

Cost of training is borne by the Provincial Government. In addition to the supply of uniforms, a daily allowance is paid. Students are responsible only for their own living accommodation.

Subject matter in the course includes: mother and child care; anatomy and physiology; common diseases; geriatrics; personal care and hygiene; the administration of medicine; nutrition and cooking, ethics; community health; bandaging, and general nursing procedures. A self-improvement vocabulary course will also be offered.

Main floor of the new Edmonton school boasts a modern food laboratory where students will be instructed in cooking. Each student will be assigned individual lab space. Three stoves, three sink and cupboard units and two refrigerators provide ample facilities. An attractively appointed students' lounge, two classrooms, a conference room, staff lounges and principal's office are also located on the main floor.

Two procedure rooms complete with ten hospital beds and a baby crib in each are on the second floor along with two large classrooms. One classroom will also be used for audio-visual instruction aid. Nursing arts will be taught in the procedure rooms.

Locker rooms for staff and students are located in the basement. Sewing room is located on the lower floor.

Staff at the Edmonton school will consist of five professional nurses as well as clerical and other members.

Islay Young People Conduct Service in United Church

Mr. Wm. Junk left Sunday to spend a week with friends at Lashburn, Sask.

The church service Sunday night, Feb. 2nd was conducted by the young people. Wayne Shortt of Kitscoty assisted and gave the address. Don Martin was leader, Peggy Hancock read the story, Sandra Bell the Scripture lesson, Marion Teskey the [illegible]. Dorothy Axley announced the worship by giving our offering and gave the dedication prayer after Jack Teskey and Jim Shaw presented the offering. The choir sang a hymn with Mrs. Bill Hancock presiding at the organ. There was a good attendance.

Mr. Bill McLean and son Tom and Charlie Hooker went fishing at one of our northern lakes, through the ice, and landed a ten pound jackfish and some perch.

A rink composed of Mrs. B. Teskey, Mrs. Doreen Gould, Mrs. Nellie Hurst and Mrs. Jean Axley played in the Dewberry bonspiel on Saturday, three games. All were very close, an extra end being needed in one of them, but they lost out in all three. The day was much enjoyed even though three games is a lot of curling.

On Monday the men went to the Kitscoty bonspiel, Dalt Torrance and Paddy McGuigan each taking a rink.

On Feb. 21st the Students' Union of the Islay [illegible] will present two plays, following up with a dance to finish the evening, in the Islay hall. This is taking the place of the ice carnival.

The sudden passing of Mr. Lloyd McFadden of the Alberta Wheat Pool at Vermilion on his way to the elevator after dinner on Monday shocked the Islay community. For some years Mr. and Mrs. McFadden lived here when he was agent in the old Northern elevator, where now stands the Searle. Mrs. McFadden of course was one of the very early pioneers here Nellie Gilchrist, coming with the family from Hartley, Ont., in 1906, (near Islay, Ont.)

Teen Club Takes Up Square Dancing

MANNVILLE. Through the courtesy of Walter Donnenworth and his wife members of the Teen club are having an opportunity to learn the Modern Square dances. Walter is prepared, if members and parents so wish, to give these young folks the full course. On Friday evening of last week the first attempt was made to try out, and three squares were first begun with another being completed later, making four altogether. Lunch was served at the conclusion. Next meeting will be held in two weeks, so anyone interested take note.

The Bible Today

From Korea comes the story of a young boy who worked from early morning until late at night to make 453 feet of straw rope, with which to purchase a New Testament in Korean.

The Bible Society was happy to make the exchange, since cash is scarce in Korea, and the Society put the rope to good use in binding up cartons of Scriptures which were being shipped by rail.

The Korean Bible Society, which is supported by the British and Foreign Bible Society and the American Bible Societies, recently published the first complete Bible in Korean Braille for the blind.

Suggested readings for next week:

Sunday — Ephesians 4:1-32.
Monday — Philippians 2:1-30.
Tuesday — 1 Thessalonians 5:1-28.
Wednesday — 1 Timothy 6:1-21
Thursday — 2 Timothy 3:1-36.
Friday — 2 Timothy 4:1-22.
Saturday — Hebrews 1:1-14

WILDMERE WINKS

While Mrs. Wallington is away to Ontario visiting relatives with her niece Peggy Graham, we will try to keep up with a few 'winks.' Enjoy your well earned rest M[illegible]

Curling is the order of the days at Wildmere. Kenny Graham played lead on the High School rink from Vermilion which played in Edmonton Friday and Saturday in the Taylor and Pearson play-offs.

The rink skipped by Kare Selte with Bill McGrath, Bobby Graham and Art Lysons which took part in the Zone play-offs for the MacDonald Brier won 2 out of four games, being beaten out by Bill Scales who went on to be the representative for this Zone.

Wildmere also made a good showing at the Farmer's 'spiel at Wainwright on Friday and Saturday. The rink skipped by Cliff Cruthers with Dick Donily third, Frank Gibson second and Howard Colbourn lead, copped the Grand Challenge, winning five games straight. They beat out the Ray Osterburg rink with Gilbert Harrison, Arnold Rud and Louis Alexander. A rink skipped by Forest Seale took top honors in the second competition.

The skating party and picture show at Preston Central put on by the Student's Union on Friday night was a huge success. We were glad to see Mr. Leighton back in the harness again after a bout with the 'flu. Mrs. Burton Seale took over his teaching duties last week.

Maureen Cruthers is home taking her turn with the measles. Judy Harrison also has them.

The quota has opened in Vermilion, 1 bu., so all the trucks will be busy this week.

There will be a bingo party on Feb. 14 in Preston School sponsored by the F.U.A.

The nice crowd at church on Sunday showed their appreciation for Mr. MacKay's effort to bring the word of God to the country people in the winter months.

We have just heard of the sudden passing of Mr. Lloyd McFadden of the Pool elevator in Vermilion. He has been well liked and made a wide circle of friends among town and country people where his smiling face will be missed by many. To Mrs. McFadden we say "Not lost, just gone before."

Another old timer, Mrs. Joe Thompson, was laid to rest on Monday. To the sorrowing family, may you be comforted in knowing her troubles on earth are over.

Noticed around: All the curlers wives busy curling behind the glass in the Wainwright curling rink on Saturday. One household having 9 girls and 1 boy with 2 baby sitters. Jeff Martin helping Waldon Westman haul hay from Clarence Lewis' and bundles from Ernie Stuhl's. Howard Colbourn driving a new Chev car purchased from Buffalo Motors in Wainwright. Gary Cruthers home for a few days. Warren Marfleet doing some carpenter work at the Hughes home.

A Nation Of Sitters

Education is not the only race the people of this continent may lose to the Russians. Physical fitness declares The Financial Post, is another. It cites some statistics concerning the stamina of the children of North America. Their leg and abdominal muscles are far weaker than they should be, it reports. They are more prone to certain diseases of the bones and organs of movement than were the children of a few generations back.

In the old days, says the Post, children had chores to do, walked miles to school and played outside. The modern child has few if any regular family chores, sits around inside and rides everywhere.

If we are going to regain our old-time vigor then young and old must get out of their seats and cease being a race of riders and spectators.

SEEDING FOR HARVEST

By Dr. F. J. Greaney, Director, Line Elevators Farm Service, Winnipeg, Manitoba

Sponsored by the following companies: [illegible]

FLAX SEED GERMINATES POORLY GERMINATION TESTS URGENT

One of the most disappointing flax crops of record was harvested in the Prairie Provinces in 1957. No factor was more important in reducing yields and grades of the 1957 flax crop than the virus disease known as "Aster Yellows." Furthermore, this disease has seriously impaired or lowered the vitality of the seed. In plain words, much of the flax seed produced in the Prairie Provinces in 1957 is germinating very poorly.

Germination Results. So far this season our own seed testing laboratory has completed germination tests on 884 farmers' seed samples of flax from the crop of 1957. Here are the results. No less than 82% of these samples failed to give a germination percentage of more than 81%. Furthermore 40% of the samples germinated less than 61%, and what is more important, 15% of all samples tested have given a germination percentage of less than 30%. In no season has the germination situation in flax been more serious than it is this year.

A Warning. The results of these germination tests on flax seed from the 1957 crop emphasize the following points: (1) Be sure and have all your flax seed stocks tested for germination this year. (2) Exercise special care in cleaning flax seed. Get rid of all those small, light, weak seeds. They won't germinate—so why [illegible] them for seed. (3) This is one year when seed treatment of flax will pay high dividends. Don't fail to treat all your flax seed with one of the recommended organic mercury chemicals.

Be Wise. As every flax grower knows, planting low-germinating flax seed can only result in erratic, weedy field stands. We therefore urge every farmer to have any flax from the 1957 crop he is planning [illegible] for seed this Spring tested [illegible]. Free germination tests [illegible] by local elevator agents of the Line Elevator Companies listed above, and by others. Be wise. Have your flax seed tested for germination.

The things we learn from experience come under the heading of compulsory education.

"CRAB FANCY" GOES TO A PARTY

It's party time . . . you're a summer [illegible] party. What to serve? Why not cool refreshing Crab Fancy! [illegible] please all hot-weather wilted appetites.

It's easy to prepare and something that can be done long before your guests arrive. Crab Fancy is canned [illegible] consomme, well chilled in the can, just broken up with a fork into which you fold chunks of canned crabmeat. A combination so delicious.

Add extra attraction to this simple dinner. Lemon slices with crisp watercress [illegible] give that final touch. Vary the recipe from party to party, all summer long. Substitute [illegible] or shrimp for the crab, next time.

For a [illegible] accompaniment, pass a tray of fancy sandwiches. Fresh peach [illegible] topped with whipped cream and tall glasses of iced coffee complete this party luncheon. You'll be delighted with the compliments you receive.

You will be that charming hostess if you try this recipe:

CRAB FANCY (Consomme)

2 cans (10 ounces each) condensed consomme
1 cup flaked canned crab (6½ ounce can)
Lemon slices
Watercress

Chill consomme until set (about 4 hours in refrigerator). Put through sieve or break up with fork. Fold in crab. Makes 4 to 5 servings. Serve with lemon slices and watercress.

SOUP SCOOPS

CHILL THE ASPARAGUS-CHICKEN SOUP

Start this soup to summer by chilling it. Try this combination of condensed soups for chilling: 1 can condensed cream of asparagus soup with 1 can cream of chicken soup and 1 soup can milk. Blend well. Chill 4 hours. Serve in icy bowls. 4 servings.

January 1958 Ninth Mildest in Alberta

It is rather surprising to learn that while it was generally considered that January 1958 was about the mildest in history, it ranks only ninth according to records at the Edmonton record office.

Vermilion has its own records since the establishment of the weather station here in 1946, and shows that the high for January was the second highest in that time while our lowest temperature was much higher than any of the other low marks.

The following table indicates the high and low marks since 1946, as compiled at the Radio Beam station, Dept. of Transport in Vermilion:

Year	High	Low
1946	34	-34.4
1947	42.2	-40.9
1948	40.4	-39.2
1949	46	-40
1950	14	-35.4
1951	34	-35
1952	37	-41.1
1953	37.2	-37.9
1954	45.7	-47
1955	35.9	-35.3
1956	14.9	-32.3
1957	33	-30.7
1958	45.4	-16.9

Mountain of Meat Will Disappear — Take One Year

PRINCE ALBERT — The tiny population of Island Falls, an isolated Northern Saskatchewan settlement, will soon be looking at a huge mountain of appetizing meat which has been brought hundreds of miles by the C.N.R. and tractor train for them to eat.

No less than 140,000 pounds of juicy steaks, roasts and other choice cuts will be in front of them.

Rather too much for a tiny settlement to ever cope with, a stranger would confidently speculate. But he would be wrong, for the residents of Island Falls will eat their way through the vast mountain of meat until not one scrap remains.

However it isn't because they are the world's champion meat eaters. It's because the settlement is so isolated that it orders it's meat supplies just once a year.

Making up the largest single order of meat ever shipped by the Burns and Company plant at Prince Albert, this year's supply to Island Falls is valued at $75,000.00.

Island Falls is 216 miles northeast of Prince Albert and to reach the little community, the vital meat cargo was freighted from Prince Albert to Flin Flon by the CNR. Then the meat was carried the remaining 80 miles by tractor train across the frozen countryside.

Island Falls is a northern power site and supplies electric power to the Hudson Bay Mining and Smelting plant at Flin Flon.

Ancient Gun Signals Noonday in Ottawa

Each day for the past 90 years a resounding boom has signalled Ottawans that it's noon—time for lunch and time to check their watches. The sound comes from the oldest gun still in use in Canada, according to an article in a recent issue of C-I-L Oval.

Situated on Parliament Hill, the gun was first sounded at noon one day in 1867. It was a present from Britain and its first big boom marked the start of a new era in the Dominion. Ever since, every week day sharp at 12 noon the gun is fired. On Sundays, Christmas, New Year's day, Thanksgiving and Good Friday, the time has always been 10 a.m. traditionally, to let the gunner attend church and not disturb others at worship.

The old cannon nearly sounded for the last time a few months ago. A check made of the detonating caps used to fire her showed that the supply was running low. When it came to re-ordering, it was discovered that the caps used were made in 1918 and were no longer manufactured. To have the caps made to order would cost nearly $10 for each one.

It was a TV movie that saved the time gun. While watching some outlaws blowing up a bridge the official responsible for the cannon began to wonder if modern blasting equipment might be adapted to keep it in service. A call to C-I-L explosives experts brought the suggestion of using "squibs" — little caps used for testing blasting machines. The idea worked and instead of costing the government $10 a boom the "squibs" cost only 16c each.

And so the gun which had been doomed still resounds over Parliament Hill. Sometimes the noonday signal has its repercussions like the time a man working up on the tower of the Parliamentary Library was so startled he nearly fell off the scaffold. Bill Davies, who fired the gun until his retirement a few years ago, recalls another incident. "There was a dignified lady standing nearby, leaning on a parapet overlooking the canal. After I fired the gun she came over and told me off loudly. It seems she had been drinking a cup of hot coffee and sloshed it all over herself. Boy, was she mad!"

Though sometimes startling, the bellow of the old gun would be missed if it were ever silenced. Now, thanks to modern explosives, it still has a long life ahead of it. Together with the bells in the Peace Tower, it will continue to signal the approach of noon day in Canada's capital for many years to come.

Chrysler Head Says Defeatism Is Major Threat

WINDSOR. — "Every competent authority in Canada appears agreed that the second quarter of 1958 will see a marked upswing in business activity," Ron W. Todgham, president of Chrysler Corporation of Canada, Limited, told the Windsor Chamber of Commerce at their annual meeting recently. Mr Todgham said that a second quarter upswing "is especially true in the forecasts for automobile and truck sales.

"It is of overwhelming importance that the business community in Windsor and elsewhere in Canada provide the leadership through positive thinking that will get us back on the road of progress. In the months ahead," Mr. Todgham asserted, "as we work our way back to the high levels of production and employment we have in the past achieved, it will be the businessman — not the politician or the economists — whose attitude either of confidence or of pessimism will set the pace for the nation.

"How incredible it is that in a nation of such infinite promise, with so much wealth and prosperity at our command, we should permit ourselves to be bums-rushed into the hurricane cellar of panic thinking. Defeatism, pessimism, the philosophy of 'let's pull in our belts,' represents in my opinion a more sinister sputnik than the Soviets have yet been able to hurl into the sky," said Mr. Todgham.

The Chrysler of Canada chief cited 1957 record-high personal savings and insurance purchases by Canadians as indications of the strong position of Canadian buyers, and pointed out that outstanding per-capita consumer credit at last report was only $74 in Canada, compared with $250 per person in the United States.

"It lies within our power to destroy the . . . sputnik of defeatism and of panic before it ever gets off the ground: If we are positive in our outlook: if we are confident in the future of our community and our country: and if by our words and our actions we demonstrate that confidence at every opportunity," Mr. Todgham concluded.

Our freedom will never be completely safe until freedom is enjoyed by men everywhere.

A four-leaf clover is considered lucky because its four leaves form a cross.

Life must be worth living—the cost goes up and up and people still pay the freight.

In Siam houses are constructed with odd numbers of floors and steps to insure good luck.

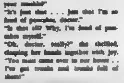
The sad, quiet, big-eyed little lady sat in the psychiatrist's office. The good doctor questioned her gently as to why her family wanted her locked up.

"Now, tell me," he said, "just what is your trouble?"

"It's just that . . . just that I'm so fond of pancakes, doctor."

"Is that all? Why, I'm fond of pancakes myself."

"Oh, doctor, really?" she thrilled, clasping her hands together with joy. "You must come over to our house . . I've got trunks and trunks full of them!"



"Excuse me sir, did you happen to have seen a policeman anywhere about here?"

"I'm sorry, but I haven't seen a sign of one."

"All right, hurry up and give me your watch and pocketbook then."

Caller: "Madam, I'm the piano-tuner."

Pianist: "I didn't send for a tuner."

Caller: "I know it, lady; your neighbors did."

Smith: "Shall we have a friendly game of cards?"

Brown: "No, let's play bridge."

News from Clandonald

The unusually mild winter may even be affecting the sale of new cars. Ernie Hieniemann of the Landonville district is the proud possessor of one of Chevrolet's finer creations in a hard top model. Leon Roberge came home with a Station Wagon of the same make.

A very welcome visitor at the weekend was the first trip made by the municipal snow plow. Although most side roads were still passable, the going was getting a bit heavy following the last snowfall and moderate drifting.

Mr. and Mrs. Arthur Rowntree are home following an absence of almost two months visiting daughters in Edmonton and Calgary. One of their grand children was struck by a car around Christmas and thrown thirty feet. However apparently suffered no permanent injuries and was back at school at last reports.

Mr. and Mrs. Ernie Stanley are at present holidaying at the coast visiting two of their daughters and other relatives. The trip was made from Edmonton by air as Mrs. Stanley felt that that was the least dangerous way to travel. They expect to be away a month or more.

Another daughter of the Stanleys', Mrs. Ivy Lefevre, now living at Hairy Hill was a week end visitor. Ivy brought a tape recorder much to the delight of the youngsters in the choir.

A former Clandonald boy, John Masik, now in the accounting department of the R.C.A.F. is home on leave for a few days. Johnny spent some time at Comox B.C. but is now at Gimli, Man., and likes life in the Air Force very much.

Another former local boy, Mike Dyjur is spending a few weeks at the farm home. Mike has been working on a government survey gang for a couple of years or so but activities have been suspended temporarily.

Mrs. Harry Brake's mother, Mrs. Sikstrom of Jay Lakes has been visiting at the home of her daughter for the past few weeks. We were sorry to hear that Mrs. Sikstrom was admitted to the Vermilion hospital last week suffering from an old ailment.

A patient in an Edmonton hospital Mrs. Bud Elliot has been taking treatment for some weeks. Friends wish both these ladies a speedy and complete recovery.

We understand that the Junior hockey team coached by Arnold Olson finally succeeded in defeating their old rivals, the Dewberry school team. Also the pee wees report success in an encounter with the Derwent boys.

Congratulations also to the Gower rinks skipped by Clair mont Laird which was successful in bringing home the trophy from the Derwent 'spiel.

A former resident of this district for many years, Bill Goad spent several weeks here visiting relatives and friends following his brother's funeral. Bill has farmed for several years twenty miles or more north of Valleyview in the Peace River district. Other former local residents Harry Vance and Jimmy still have the store there while Harry Vance is now living at Kelowna B.C.

In a lengthy letter from Rev. and Mrs Brown they report they are now nicely settled in their new home at Tofield. While in the city not long ago Rev. Brown had his car rammed from behind by a taxi while waiting for a light. He in turn rammed a police car which when the dust settled turned out [illegible] Bykewich [illegible]. No doubt Eddie made things as simple as possible for the former Clandonald resident.

A quite enjoyable affair was held in the Orange hall not long ago when the Anglican choir sponsored a platter party. Starting at 8:30 with lunch over at midnight many felt that it would be a fine thing if more dances followed the same plan. Thanks for helping make the affair such a success go to Bob Peck, now of Marwayne who very kindly loaned his equipment and time. Although the gentlemen present were rather backward at showing their ability to jive we believe that at the next party the fathers and maybe even the grandfathers will be ready to show off some fancy steps.

A provincial survey gang spent several weeks in the district in late December and early January working on municipal roads. The two miles from town to Highway 45 rebuilt last summer by the municipal crew is to be widened and straightened, according to the stakes and information available. We understand that roads from town to a provincial highway are eligible for a special grant.

IN MEMORIAM

In loving memory of our son and brother
JOHN W. MAYER
who passed away Feb. 3, 1957
Though he has gone on before us,
His memory will never fade from our hearts
Ever remembered by Mom, Dad, brothers and sisters

Death of Mrs. Beulah Thompson

A well known pioneer lady of the Vermilion district, Mrs. Beulah Glenn Thompson, passed away on Thursday, January 30th at the Vermilion hospital. She was 63 years of age.

Born in the United States Mrs. Thompson came to Vermilion in the old homesteading days with her parents, the late Mr. and Mrs. A. C. Branham who settled in the Ottawa district northeast of Vermilion. She married the late Ernest Telford and lived for many years in the Chatsworth district until the death of her husband. Following his death she took up residence in town and after some years married Mr. Jas. Thompson who predeceased her.

Surviving members of the family are four sons, Albert, Bill and Jack Telford of Edmonton, and Ray Telford of Sangudo, Alberta; two daughters, Mrs. R. Whalen, Edmonton, Mrs. C. Crocker, Vermilion; two brothers, Russell Branham of Edmonton and Emmett of Detroit, Mich., and two sisters, Mrs. A. Manning in Vancouver and Mrs. Neil Ford, of Seattle. There are 19 grandchildren.

Funeral services were held at the First United Church, Vermilion, on Monday, Feb. 3rd at 2 o'clock, with interment following in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyer's Funeral Home was in charge of arrangements.

Farewell Party For Mrs. Clifford by Legion W. A.

The Vermilion Ladies Auxiliary to the Canadian Legion held a farewell party in honor of Mrs. Jessie Clifford who has now moved to Kitscoty.

The evening was spent playing games, organized by Mrs. Helen Bell. The President of the Auxiliary then presented the guest of honor with a parting gift for which she very fittingly thanked the ladies.

A delicious lunch brought a most enjoyable evening to a close. Best wishes follow Mr. and Mrs. Clifford to their new home at Kitscoty.

Logan Gow of the Borradaile district is a visitor to Winnipeg this week.

Anglican Men's Club Meets

A menu of roast beef and Yorkshire pudding with all the extras that contribute to a sumptuous dinner was enjoyed by the Anglican Men's club on Monday night. Chefs for the occasion were Ernie Buckingham, Ken Rowe and Morley Douglas. Twenty-eight were in attendance.

Following the dinner Mr Dick Withington of the Island Hill district showed colored slides of pictures taken by himself of flowers which he had found on his farm. Surprising as it may seem, he has pictures of sixty varieties of wild flowers, and has the names of thirty more which he knows grow there. This proved very enlightening indeed and the colored pictures of the blooms growing in their native state were beautiful.

This Friday night a number of the members of the club are going to Lloydminster invited there to discuss formation of an Anglican Men's club in the Border city.

Harry Brown outlined plans for the formation of a 'teen club which he contemplated organizing. The plan was heartily supported by those present.

Surprise Party Honors Mrs. Gilbert

A very delightful surprise party was held at the home of Mr. and Mrs. A. Osbaldeston on Saturday, Feb. 1st in honor of Mrs. J. Gilbert who celebrated her 70th birthday.

In attendance at the enjoyable event were Mr. and Mrs. Don Matheson of Dewberry, Mr. and Mrs. Vincent Conlon and daughter Debbie (great granddaughter of Mrs. Gilbert) from Edmonton, Mrs. John Wilson and sons, Mr. and Mrs. H. Goad, Mr. and Mrs. Percy Cross, Mr. and Mrs. A. Osbaldeston, Mrs. Alice Marfleet, Mr. W. Twyning, Mr. Mark Stump, Mr. C. Maltais, Miss Judy Malewey and Miss Pat Toner. [illegible] Mr. Wilson winning the ladies first prize, Mrs. J. Gilbert second and Mr. Maltais the consolation.

With Christmas over for another year, partly damaged clothes are finding their way to the cleaner. To help him do a better job of removing spots and stains, pin a note to the garment saying what caused the spot. Then he knows exactly what chemical to use for removing it.

Yet, if it didn't go up — it must have come down.

Rabbit In Telegraph Wires – Solve This Mystery

SASKATOON — It may rain "cats and dogs" sometimes in Saskatchewan. But it never rains rabbits.

Or so thought Canadian National Telegraphs lineman Jack Cruden, when he went out recently to investigate a fault which had put two lines out of operation. Now he knows differently. It does rain rabbits sometimes in Saskatchewan.

The reason he has come to this conclusion is the fact that just outside the hamlet of Steen, 30 miles east of Tisdale, Sask., he found the fault which had caused the line failures. It was a rabbit, nicely enmeshed in the telegraph lines a full 15 feet from the ground.

Now rabbits can jump. But a 15-foot leap straight up to the telegraph lines was really just a little too much, even for a rabbit with Olympic training.

A mystery, but the CNT think they have found the answer. Examination of the rabbit's carcass by the lineman leads him to believe the rabbit had been dropped by an owl or a hawk as it winged its way across the sky.

It takes only a little time to put slides in order and file them neatly—and it is so worthwhile in terms of smoother showings.

Make it a Good Show

Color slides are something almost everyone enjoys shooting—and showing. But remember, no one likes to look at them projected upside-down. Nor is it considered quite cricket to let your audience languish while you go through heaps of slides in search of a particular one you want to show.

To avoid these pitfalls of slide show business, some of our friends put little tabs on the upper right-hand corners of their slides. That way, they can tell at a touch that every slide is going to be shown right-side-up and "reading from left to right"—as it should be.

If you don't want to fuss with sticking tabs on, there's another simple procedure to follow. Just make an "X" mark on the upper right corner of the side facing you when you put the slide into the projector.

As for missing or mislaid slides, the best solution is to have your slides arranged in series or groups according to subject, event, place, time, or what have you. This will help you know where each slide is and make it easy to have it right at hand when you're ready to show it.

Shuffling's fine for card-players—but taboo for slide-showers! So take these little precautions before putting on your next slide show and you won't get "lost in the shuffle"!

Slide file boxes are inexpensive—there's even one which looks like a book and will sit up right on your favorite book shelf. Having them all in one box is easier than keeping them in the original package.

I.O.D.E. Offer $100 For Best Play

The Imperial Order Daughters of the Empire, Provincial Chapter of Alberta, has generously offered an award of $100 for the best one-act play submitted for competition. The purpose of this offer is to encourage Alberta playwrights, and to foster the production of Alberta plays by theatre groups within the province.

The competition is open to anyone residing in Alberta, over 18 years of age.

The play shall be an original one-act play only, of such length as may be acted within 45 minutes, but not less than 20 minutes playing time.

Plays should be written or typewritten on standard size bond paper, double spaced, on one side only. A description of the setting, time and place should be included, with a floor plan of the setting and a list of the required properties.

For further particulars apply to Miss Fulcher, Educational Secretary for Frog Lake Chapter I.O.D.E., Vermilion.

All plays must be in the hands of the Department of Extension, University of Alberta, on or before April 15, 1958. 30-1

APPRECIATION

We wish to express with deepest sincerity our thanks and appreciation for the acts of kindness, messages of sympathy, the beautiful floral tributes and memorial tributes received from our friends, neighbors and relatives during our recent bereavement in the loss of a loving wife and mother.

Hans Eyben and family

CARD OF THANKS

Our sincere thanks to all those who visited Mother during her last stay in the hospital, for the many beautiful cards, gifts of flowers, candies and fruit she received. Special thanks to Dr. Evans and the nursing staff of the hospital for all their care. Thanking you all.

To Launch First Heart Fund Drive in Alberta This Month

Alberta, through its University Hospital and faculty of medicine, has become a major Canadian medical centre and the work of heart surgeons and research workers is gaining importance.

Open-heart surgery and grafting of new blood vessels is becoming a daily occurance, where, as little as a year ago individual cases made headlines.

To intensify the field of heart and blood vessel research and to inform physicians and public of the latest advances made the Alberta Heart Fund has been established. In February it takes part in the first nation-wide appeal for funds to carry out this work.

In the part of the province north of Red Deer, the campaign will be directed from Edmonton where Hon George Prudham former federal cabinet minister has been named Northern Alberta chairman. Assisting the details of the campaign for points outside of Edmonton is K.M. MacKenzie, who is styled northern regional committee chairman.

Emphasizing the need for research and public education are the mortality figures of the dominion bureau of statistics. In 1955 diseases of the heart and blood vessels caused 49 percent of the 128,151 Canadian deaths of all kinds. That was an increase from 46 percent in 1950.

Dr John B. Armstrong, the medical director of the National Heart Foundation, puts down a common public conception that heart and blood vessel diseases are confined to older persons.

"In men 35 to 54 years," he says, "at the prime of life disease of the coronary arteries alone cause 27.2 percent of all deaths."

He stresses the importance of a great deal of research into the nature of these diseases.

The Alberta Heart Foundation, part of the national organization, is a voluntary group of medical and lay people devoted to furthering the needed research and telling physicians and Alberta citizens what they have discovered and what can be done to prevent heart diseases.

Through the Heart Fund, the money needed to carry out these programs is being raised. A total of $[illegible] is the objective in northern Alberta.

Chartered banks have agreed to accept donations for the Fund and to issue receipts to donors.

The president of the national foundation, Dr. John D. Keith, says there is particular need for a central body to review and facilitate requests for research grants and fellowships. Several [illegible] heart research projects are delayed because of lack of funds [illegible] and much vital work is being left undone.

Another neglected field of heart work is education. Dr. Keith says: "The National Heart [illegible] is expected to [illegible] literature, films and [illegible] that will keep both the medical profession and the public up to date on progress in the fight against heart disease."

Only a few years ago the thought of performing surgery on the heart of a living person seemed like a dream. Today with instruments like the heart lung pump at the University of Alberta Hospital that surgery is possible and lives are being saved.

Further research is needed to improve the methods now being used and to devise new methods for persons who cannot be helped at present.

The Thrill That Comes Once in a Lifetime

Teachers Hold 'Spiel at Mannville

MANNVILLE. — Emerging victorious in the Teachers' spiel held on Saturday last, were P Woloshyn and curlers L. Park, L. Allen and O Brown in order of position from skip down, with a score of 24½ points. A new point system was used this year. Winning second honors were Skip J Park and curlers J. Bauman, H Bohaichuk and S. Baldwin with 20½ points, while Skip D Lugg captured third place with curlers A. Toronchuk, H. Drury and D Myhre with 19¼ points. The contest for top honors was a close one with the above rinks getting prizes. Each rink played three six-end games and each skip was given individual score sheets on which they kept records of the points earned. A banquet served at noon by the local Home and School Association was much enjoyed, while a coffee bar was in operation all day, run by the same group.

Vermilion Bonspiel [redacted] for Feb. 24

The annual bonspiel of the Vermilion Curling club has been set for Monday Feb. 24th and will run for four days. Five events will be played with the progressive type of draw being used. Every rink is sure of five games. Outstanding prizes are being offered for the various competitions.

A buffet type luncheon is being served in the Legion hall on Tuesday evening, and everything possible is being done to give all the curlers a good time.

Entry fee is $20 per rink and entries should be in the hands of Secretary Russell Carroll by 6 p.m. Feb. 22nd. Entries are limited to 72 rinks. Six sheets of artificial ice, a comfortable rink and matched rocks assure good curling for all.

Bantam Hockey Players in Action

Vermilion's Bantam hockey players saw outside action last Saturday morning.

The Elks Bantams defeated Clandonald 4 goals to 2. Scoring the Elks goals were McPherson, Upshall and Ford.

Legion Bantams lost to Dewberry 7 to 3 with Stonehouse being the leading scorer for the Legions.

Basketball Teams Lose and Win

Basketball enthusiasts had the opportunity to see the local town teams in action on Sunday last when they were hosts to Lloydminster High school.

After a fast moving game the town ladies suffered their first defeat at the hands of Lloyd High by a score of 37-26. High scorers for the visitors were Repach with 12 points and Braithwaite with 7. Hazel Barr and Reah Baddock took top honors for Vermil with 8 and 7 points respectively.

However the town boys evened up matters and added another win to their total. When the final whistle blew the score was 37 to 37. After a three minute overtime the score stood at 40-40 so a sudden death overtime was decided upon and after a few seconds of play Lloydminster fouled Bob Barr of the Vermilion team who obtained the one point necessary for the win. Final score 41-40. Leading scorers for the locals were Bob Barr, 10 points. Wayne Ireland and Ken Brown both with 9 and Murray Miller with 8; for Lloydminster Kondro and Fisher shared the spotlight with 12 and 11 points respectively.

SQUARE NOTES From Circle 8

Last Saturday evening was a chilly one but ten squares of dancers didn't mind the weather at all. Our visitors came from Myrnam, Derwent, Wainwright, Islay and Mannville. We had an exceptionally fine turnout from our own home club and were pleased to welcome the newest graduates from the recent class at Rowtell.

Our next dance will be on Feb. 15th in the Legion hall with Johnny Maxwell calling. Upon checking with your calendar you will realize that Feb. 14th is the second Friday of the month and the 15th is the third Saturday, thus our dances will be the night after Mannville's for the next three consecutive times. This makes a busy week end every second week.

There will be a square dance at the Rowtell community hall every Monday night for the benefit of anyone who cares to get in a bit of extra practice on the newer dances before the OH introduces a new pair of guest callers to this district. It is hoped that we may have a treat in store for all square dancers on March 1st.

Attention all males — if you were among the stagline last year wishing for more single girls try turning out on Feb. 15th and make square dancing more exciting for ten attractive, unattached females who now turn out to every dance.

Scales Rink Again Win Consols Zone 8

For the second successive year the Bill Scales' skipped quartet of Scales, George Webb Jr., Neil McLean and Vic Tillett won the Consols playdowns in Zone 8.

Section A of the competition, played at the Vermilion curling rink, was won by Scales and Section B by Ralph Lunden of Dewberry.

In the play-off Scales won two straight games 15 to 7 and 11 to 3.

In the opening game in Edmonton Scales lost to Olchowy of Redwater 12 to 3 and then a close one to the schoolboy sensation, Trout, of the city Crestwood Curling club 7 to 6. Both these rinks were still going strong late Thursday, Olchowy handing Matt Baldwin his first defeat.

The Dewberry rink was composed of Ralph Lunden, Frank Bowman, Stewart Heartwell and Bruce Bowman.

Myrnam Juveniles Win 8 to 1

A team of sharpshooting, fast-skating Juveniles from Myrnam outscored the Vermilion Bob Cats 8 goals to 1 last Thursday night. Both teams gave a snappy display of puck-chasing, the chief difference being the goal-scoring proclivities of two of the visitors, Chomyk who scored four goals and Rudkowski who notched three. Chomyk, by the way, is lining up with the Vermilion Kinsmen Midgets for the provincial play-offs and will be seen in action here on Friday evening Feb. 14. Arychuk scored the other Myrnam goal. For Vermilion it was hard-working Lee Coyne who notched the lone counter with Jerry Schmidt getting an assist on the play.

Juveniles Meet Kitscoty in League Play-offs

The unofficial standing of the Juvenile league shows Myrnam in first place, followed by Vermilion, Mannville, Kitscoty and Marwayne.

This means that in the semi-final play-offs Myrnam meets Mannville, Vermilion plays Kitscoty. The bottom team, Marwayne, is eliminated.

Watch the Standard for dates of play-off games.

Funny Egg

Usually, big eggs make the headlines, but the one left at the Standard office, laid by a Leghorn-New Hampshire cross, on the Harry Teasdale farm, resembles a baby's bottle fitted with a nipple. It is a new design in eggs and one that is not likely to be duplicated. Peter Jensen received this one as a birthday present.

Willie Syer Is Class Captain

MANNVILLE. Word has been received by Mrs. Tom Syer that her son Willie has attained honor in the Navy at Nova [redacted] being made Class Captain of his Radar Training group. Willie is well known to many friends in Mannville, having received his education here.

Farmers who attend the John Deere Day program will meet an old friendd in Tom Gordon, whose fame as the "stubbornest man in the county" has been widespread for several years. In this scene, Tom offers one of his inevitable, if illogical, arguments against common sense.

In order to retain her reputation of the melting-pot, America should make it hotter for those who refuse to melt.

Mannville School Students Present Excellent Concert

MANNVILLE. Congratulations are in order for Mr. H. Doherty and the teachers of the Mannville school who will be mentioned later in this report, for the interesting program enjoyed by over 300 people in the school auditorium recently.

Opening remarks were made by Principal Doherty and "O Canada" was sung.

First item on the programme was entitled "Songs of the Prairies" by Mrs. Muriel Lugg's class, against a background of the colorful Calgary Stampede, same being a mural by this class (part of their enterprise work), and used as a backdrop, proving most effective. Songs were well sung and accompanied by pupils mostly, with one exception. Versatile indeed were young actors, showing themselves capable as well on the flutaphone.

Songs heard were: "Hiawatha's Melody of Love," pianist Mrs. A. Smith; Red Wing, pianist Merle Smith; Chisholm Trail, pianist Merle Smith; Cowboy Song, pianist Heather Morrison; Square Dancing on Corner (dance), pianist Marty Park, Banjo accompanist Lorne Weaver; Yellow Rose of Texas (song), pianist Doris Johnstone; "Coming Round the Mountain", Flutaphone number; Prairie Schooner, pianist Bobby Baldwin. Announcing the songs was Dennis Hess of the same class, in a most capable manner.

Second item on the programme was a Snowman's Drill by Mrs. Keating's grade 1 class, who as Mr. Doherty explained have been in class only five months. This was from Enterprise of "Winter Fun." This number delighted the audience with its refreshing simplicity, and the nonchalance of the youngsters. Snowstorm could easily be recognized: very well [illegible].

Next came a four-act play by pupils of Mrs. Gamble entitled "By Rocket to Planets," announced by Jill Holter. Space ships cleverly constructed, and take-off was quite effective. Constellations were well represented, and anyone planning a trip to the moon should contact grade 5, or Mrs. Gamble. On the whole well acted, and landing of the ship back on earth was as rough as could be expected.

Number five on this variety concert was a light and airy Balloon Drill by pupils of Mrs. Hubbards' room. Songs sung were "Balloons," a sweet melody, and "Float Float Float," nicely sung. All in all a most colorful performance, with balloons of every color held aloft by sticks. Costumes matched the balloons and the whole was very decorative.

Item number four was well received and was announced as "The Redskins," being a culmination of grades three and four enterprise "Indians of the Western Plains." Headdresses and shields were well made and painted. Flutaphone music aided the dancers as they circled the campfire, while songs sung were "Peace Pipe" and "Indian Lullaby." Well acted throughout.

The sixth item was "Old Timers Orchestra" with musicians from Grade VII and VIII rooms. Three violins, three guitars and one harmonica made up the septet. Walter Smart was given credit for aiding guitar players, while Mrs. North was responsible for getting the orchestra together. This group had perfect time; they were encored.

"Paul Wrecks the Car" was the next item and proved to be hilariously funny and well interpreted. Pupils of Mr. Bohaichuk, they take Dramatics as part of the course. Play was directed by Mrs. North. What happened to father, who never had an accident, only goes to show "there's always a first time."

Eighth item on the programme was a violin solo by Barry Weaver, entitled "Perpetum Mobile." Barry is a pupil of Mr. Bohaichuk's room and shows a good choice of selection, interpreting well.

In the ninth item of the evening Billy Calder's vocal solo "Rockin Shoes", though unaccompanied was well sung with rhythm one might expect from the title. Billy has a pleasing manner of presenting his number, a smile gains favor with an audience.

In the final number, "Adventures of Isabelle" the choral speech was excellent, and the various creatures who appeared were also well made up. Here Mr. Bohaichuk arranged the number for Mrs. North's class, again demonstrating the art of working together in school. Mrs. North, it may be noted, directed Mr. Bohaichuk's play in item no. seven.

Following words of thanks from Mr. Doherty to all in attendance, the concert was concluded with "The Queen."

Farm Radio Forum February 10th

Have you ever wondered what happens to the ideas and resolutions presented at your local farm meetings? Do you feel that farm organizations are doing the job as far as representing the farmer's opinions is concerned? Have you ever attended a meeting of a national farm organization? Norn Garrlock, CBC farm broadcaster from Toronto, attended the recent meeting of the Canadian Federation of Agriculture in Montreal. He was trying to view the meeting with the eyes of a farmer from any part of Canada. On February 10 he will present these views to Canadians from coast to coast.

Farm Forum topics as well as the latest news and developments in Canadian agriculture came up for discussion at the CFA meeting. These will be reviewed and commented upon by Mr. Garrlock on National Farm Radio Forum at 8:30 on February 10.

It's an I for an I when two egotists get together.

NEWS from ALLANDALE

January has slipped by with a wonderful weather report — very few sub-zero readings, but considerable more snow.

Allandale community centre held the annual meeting on Jan. 20th with a good attendance. Officers elected for the coming year are: President — Idelore Nelson for a three-year term; Directors — Herb McPhee (2 years) and Woody Wilson (1 year); Secretary—Alvin Throndson; Entertainment committee—Mrs. Elsa Nelson, Mrs. Verna Armstrong, Mrs. Evelyn Throndson, Woody Wilson and Orley Ottesen; Secretary of this group is Mrs. Verna Armstrong.

Mr and Mrs. Don Wilson and Mr and Mrs. Harry Goldsmith motored to the city on Jan. 24th to attend the Ice Capades. They reported a wonderful evening.

A long newsy letter arrived recently from Mr. and Mrs. James Phillips of Victoria, B.C. They are enjoying fine health and wish to be remembered to their many friends in Allandale and districts. Though they are living in Victoria their heart is still in Alberta with old friends and some day hope to return.

Friends and relatives from Allandale, Clandonald, Vermilion and Lloydminster gathered at the lovely large new modern home of Mr and Mrs. Johnny Nelson in Lloydminster at a house warming party on the evening of Jan. 25th. It provided an opportunity to be shown through such a grand home. It must be a great pleasure for the family to enjoy such comfort in their retirement from farm life. May they enjoy it for many years. A delicious lunch was served at midnight by the hostess and ladies which brought a very enjoyable social evening to a close.

On the afternoon of Jan. 25th Miss Alva Nelson, daughter of Mr and Mrs. Johnny Nelson of Lloydminster was hostess at a birthday party when around 14 [illegible] and friends helped her celebrate her fifth birthday.

On Jan. 20th Mrs. Idelore Nelson and son Leslie went to Lloydminster and spent the balance of the week with daughter Helen, (the Schmidt family) while Frank was away on business.

I will pass on this 'thank you' note from Mr Dee [illegible], Wheat Pool agent at Clandonald. Quote "On behalf of my wife and I, I would like to thank you and all the other ladies who so graciously brought lunch and coffee to the meeting on Thursday night." Your thoughtfulness is appreciated very much Mr Hanley.

Mr David Williamson from Dixonville in the Peace River area arrived at the home of sister Joyce and Selius Lee for a short holiday. While here he will be visiting sister Muriel and Philip, the Lovell family, at Landonville and other relatives and friends in the near-by districts.

On Jan. 28th Bill Axley from Islay encouraged our roads, doing a fine job cutting all the weeds and grass along the sides as well as putting the snow into the ditches. It was the first time this winter.

Nine tables of whist were played at the hall on Jan. 31st. Proceeds were for the polio fund. Prizes were won by, ladies — Mrs. Jessie Strome, Mrs. Evelyn Throndson and Johnny Starko; [illegible] Herb McPhee Wm. Armstrong, Idelore Nelson. Travelling prizes won by Mrs. Dulcie Strome and Harry Butler. Next whist will be on Feb. 14th. Join in for a social evening.

On the afternoon of Jan. 28th a birthday surprise party for Mrs. Jim Rochford on her 70th [illegible] was held at the home of her daughter Betty and Dick Arnold. All members of the family were present except daughter Mary. Her five grandchildren on behalf of Mr Rochford and family and Dick and Mr and Mrs. John Arnold, presented the honored guest with a mahogany arborite top coffee table. Grandma was truly surprised. She thanked all very graciously for the gift and expressed her appreciation of the kindness shown her. A buffet supper and a lovely birthday cake baked by Mrs. John Arnold was enjoyed by all.

May we add our congratulations Mrs. Rochford and may you enjoy many more birthdays.

Mr and Mrs. Louis Baldock accompanied their son Glen and Mrs Baldock to the city on Feb. 1st to visit daughter Beryl and Tommy Greaves for the week end.

Closing Thought: "Speak no ill but [illegible] be to others' failings as your own. If you be the first the fault to see be not the first to make it known. For life is but a passing day, no lip may tell how brief its span, then, Oh, the little time [illegible] stay, let us speak of all the [illegible] we can."

Continued strides toward greater operating economies were made by Canadian National Railways during 1957 through addition of its program of dieselization. By last September, 70% of all freight gross ton miles recorded on the system was in diesel operation, as was 72% of yard locomotive miles and about 64% of passenger train miles.

Average hourly wage in Canadian manufacturing at [illegible] 1957, was 160.5 cents, compared to 152.3 cents one year earlier, and 129.2 cents five years earlier. —Quick Canadian Facts.

OUR LETTER FROM EDMONTON

Alberta Legislature Session Begins Thursday, Feb. 20th

by KEN MASON

EDMONTON—A spirited battle is going on between the provincial government fish and game branch and the Alberta Fish and Game Association.

E. S. Huestis, fish and game commissioner, and members of his staff, have decided to stay away from the annual convention of the Fish and Game Association in Lethbridge this week because of treatment accorded them at last year's convention.

At the time of writing neither side had backed down—the Fish and Game Association hadn't asked Mr. Huestis to reconsider and Mr. Huestis hadn't changed his mind.

The fuss started at last year's convention when some delegates questioned the right of Mr. Huestis and his biologists and officers to take part in discussions. The commissioner was asked for information on a certain point, and the chairman called a vote before he was allowed to speak.

Then a resolution came up urging that government officials attending the meeting refrain from speaking unless requested to speak by the meeting. The resolution was defeated, but the fact that it was even introduced rankled the government delegation.

Mr. Huestis, a life member of the Fish and Game Association, says it's a matter of principle. If he and his staff are going to be invited, they should be able to take part in discussions, he argues. As a result of what happened last year, he and his staff voted unanimously against attending this year.

The commissioner has the backing of his boss, Lands and Forests Minister Norman Willmore, who gave the fish and game branch staff the green light to fight its own battles.

The dispute moved into the realm of politics last week when Ernest Watkins, newly-elected Progressive Conservative M.L.A. for Calgary, questioned Mr. Huestis' right to instruct his staff to ignore the meeting.

Mr Willmore quickly set Mr. Watkins straight with a statement pointing out that Mr. Huestis had given no such instructions. As the commissioner's letter to the association explained, the staff voted unanimously to stay away.

Regardless of who's right and who's wrong, the Fish and Game Association is the loser. Government officials attending the convention can be a big help in explaining and clarifying matters of fish and game management policy.

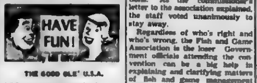
MAN TO WATCH — Edgar H. Gerhart, M.L.A. for Edmonton, may be a rising star in the Social Credit firmament.

Last week Premier Manning announced that Mr. Gerhart has been chosen to move the reply to the Speech from the Throne on the second day of this year's session of the Legislature.

This is one of the highest honors that can be given a backbencher, and on some occasions it has preceded an appointment to the cabinet. Mr Gerhart's father, Hon. C. E. Gerhart, was provincial treasurer until the 1955 general election.

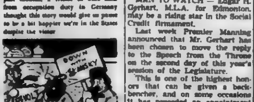
There's also something else in Mr. Gerhart's favor. He is studying law at the University of Alberta. At present there is no lawyer within the Social Credit elected ranks, and Premier Manning has carried the portfolio of attorney-general since 1955.

Of course, Mr Gerhart won't have his law degree for another two years or more, and then he'll have to article for a year before he's a full-fledged lawyer, and much can happen in that time. However, it's obvious that he's highly regarded by the Socreds who gave him the job of heading the House investigation of the liquor laws in 1955.



THE GOOD OLE' U.S.A.

While commenting on the international political mud-slinging these past months, a friend of ours back from occupation duty in Germany thought this story would give us pause to be a bit happier we're in the States despite the vistas.

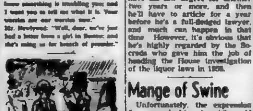


Some three prisoners in a Russian work camp were talking.

The first asked, "Why are you here?" His co-prisoner replied, "I was for Slansky. Why are you here?" The first said, "I was against Slansky." They then turned to the third and asked, "Why are you here?" He muttered, "I'm Slansky."

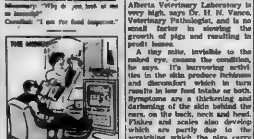
Mrs. Newlywed: "Norval, my dear, I know something is troubling you; and I want you to tell me what it is. Your worries are our worries now."

Mr. Newlywed: "Well, dear, we've just had a letter from a girl in Boston; and she's suing us for breach of promise."



Missionary: "Why do you look at me so intently?"

Cannibal: "I am the food inspector."



"Sam stopped looking at television ages ago, but he still loves to turn off the commercials."

Mange of Swine

Unfortunately, the expression "a mangy-looking bunch" could be all too accurately used on many Alberta pigs. The incidence of Sarcoptic mange of swine in pigs submitted to the Alberta Veterinary Laboratory is very high, says Dr. H. N. Vance, Veterinary Pathologist, and is no small factor in slowing the growth of pigs and resulting in profit losses.

A tiny mite, invisible to the naked eye, causes the condition, he says. It's burrowing activities in the skin produce itchiness and discomfort which in turn results in low feed intake or both. Symptoms are a thickening and darkening of the skin behind the ears, on the back, neck and head. Flakes and scales also develop which are partly due to the scratching which the pigs carry out vigorously. Microscopic examination of skin scrapings is the only sure way to identify the condition and your veterinarian should be consulted.

Mrs. Paul Martel of Elk Point spent last Wednesday here visiting with her mother Mrs. P. Miles and sister Margaret.

Mr. and Mrs. Elmer Lang and Kathy, accompanied by Miss Deanna Green were week end visitors to Edmonton.

Mr. James McCorry has been in Edmonton for several days recently so as to be near Mrs. McCorry who is a patient in the University hospital. Best wishes for a speedy and complete recovery are extended to Mrs. McCorry.

Week end visitors to the home of Mr. and Mrs. Henry Joy were their daughter Arlene and Miss Juliet Mauws of Edmonton.

Miss Beverlie Jack of Edmonton spent the week end with her parents, Mr. and Mrs. A. Jack in the Wildwood district.

The Kitscoty-Blackfoot [illegible] bonspiel opened today, Feb. 3rd, with 30 rinks entered from district points.

A warm welcome is extended to Mr. and Mrs. Wilfred Clifford and family of Vermilion, who have taken up residence here. Mr Clifford is the manager of the hardware store here and will soon be open for business.

The polio drive for funds under the Kitscoty branch of the Canadian Legion is now in progress. If the canvassers do not call on you, please leave your donations with Alan Batty, R. S. Pidcock, Herman Lenz or William Murray.

OBITUARY

BALLARD PRESTON GOAD

Death has written the final chapter in the life of one of our dearest friends, Ballard Preston Goad, farmer of the Clandonald district, who passed away in the Royal Alexandra hospital in Edmonton on Christmas day after a very brief illness.

His kindliness and neighborliness were known to many. Always ready to lend a willing hand where needed and a great lover of children, he made many friends, old and young alike.

Mr. Goad was born Jan. 7th, 1880, at Waseca County, Minnesota and moved to East Chain, Minnesota with his parents at the age of two. He received his education at East Chain where on Jan. 7th, 1908 he married Lena Mary Blint.

They moved to Vegreville, Alberta the following spring where they lived for three years, of which 18 months of this time was spent in the dairy business. They moved to the Landonville district in the spring of 1912 where he farmed up until the time of his death.

He leaves to mourn his loss his sorrowing widow and six children, Mrs. Ernie Shirrmacher of Edmonton, Mrs. Charlie Climie of Wetaskiwin, William Ballard Goad of Clandonald, Mrs. Albert Easterday of 8864-Hildreth Ave., South Gate, Calif., Clifford at home and Mrs. Pat McCafferty of Vermilion; also three sisters and three brothers, Mrs. Courtland Rowlie and Mrs. August Olson both of East Chain, Minn.; Mrs. Effie Allen of Dewberry; Raymond of Dewberry; Bill, of New Fish Creek and Richard of Edmonton. There are ten grandchildren.

Fine tribute was paid to a very dear neighbor by the sorrowing community on Tuesday, Dec. 31st when funeral services were held at St. Saviour's Anglican Church, in Vermilion. Rev. [illegible] and Mr. Preston of St. Mary's Anglican church, Clandonald, officiated. Interment was in the Vermilion cemetery.

Pallbearers were Messrs. Fred Douglas, Wm. West, Wm. McNamara, Wm. Morrison, Harry Brake and George Butz.

Beautiful floral tributes were received from:

Loving wife and family, Mr. and Mrs. Courtland Rowlie Mr. and Mrs. Aug. Olson, Mrs. Effie Allen, Ray and Margaret Goad and family, W. E. Pet Upkeep

What does it cost to keep a dog or cat? No figures are available for Canada but in the U.S. says The Financial Post it works out like this. Average expenditure is $78 a year per dog, $11.68 per cat. Dog population numbers 23 million, accounts for $1.8 billion a year. The less pampered cats, 28 million of them, cost only $327 million.

Solve a Crime
BY A.C. GORDON

Malcolm Kennedy, one of the town's most popular politicians, has been shot and killed just as as he was entering his office building this afternoon. You look down at his powerful-looking six-foot-plus figure, now sprawled lifeless on the sidewalk — his brilliant career cut short by an assassin's bullet that entered his muscular neck and lodged in his heart.

Later, when you have returned to headquarters, Inspector Philip Riley calls you into his office where he is interrogating a suspect in the shooting of Kennedy. He explains to you what has happened.

"Just a few seconds after the shot was fired, one of our patrolmen noticed this young man making his way hurriedly through the crowd that began to gather at the scene, and then running down the street. Patrolman O'Hara set out after him and it was only because he has one of the fastest pair of legs on our force that he was able to overtake this man. He says his name is Bert Johnson and, of course, he claims he knows nothing about the shooting."

"You can bet that's right," chimes in Johnson. "You have no right at all to hold me!"

"What were you running for?" you ask.

"It just happens that I don't have the usual morbid curiosity about dead bodies. And besides I was late for a date."

Johnson rises quickly from his chair, lights a cigarette, and nervously paces about the room. Your eye is caught by his dapper appearance and flashy taste in clothes: the gaily-colored sport coat, the huge Windsor knot in his brilliant necktie, the blue suede, crepe-soled sport shoes. Despite his lack of height, which you judge to be about five feet and a half, he cuts quite a figure of sartorial elegance.

"You have nothing more to add?" you ask him.

"Nothing more than what I've already told the Inspector here. I heard the shot, thought at first it was a car's engine backfiring — then I saw the body lying there on the pavement in front of the building — and that was enough for me. I left."

You turn to Inspector Riley. "It looks as though you'll have to release this man. He couldn't have shot Kennedy."

What has led you to this conclusion?

Red Cross Sunday Set For March 2nd

Sunday, March 2nd, has been designated as "Red Cross Sunday" throughout Alberta, with Saturday, March 1st, set as "Red Cross Sabbath."

Each year the Sunday nearest to March 1st, opening date for the annual Red Cross campaign for funds, is selected as "Red Cross Sunday" with clergy of every denomination invited to mention the work of Red Cross either from the pulpit or in church announcements.

Myrnam Juveniles Win At Mannville

MANNVILLE—A good crowd witnessed an action packed hockey game on Saturday evening of last week in a Legion game between Myrnam and Mannville, with the former winning 5 to 4. One enthusiastic spectator was heard to remark that this game was the best he had witnessed since he was last at the Edmonton Gardens. Referee Ewing came in for his share of praise too for handling the game which was clean throughout.

SOLUTION

The five-foot six-inch Bert Johnson could hardly have fired a bullet into the neck of the six-foot-plus Malcolm Kennedy and have the bullet take a Downward course into the victim's heart.

Speaking to world conditions in the light of Bible Prophecy.

Relatively modern Bible and historical research had disclosed the fact that the Anglo-Saxon and kindred peoples are actual descendants of the Northern Kingdom of Israel when in the year 721 B.C. was conquered and carried captive to Assyria (II K. 17 : 6-24). From Crimea they immigrated North-west (II Esdras 13 : 40-50) to the Isles of the sea (Jer. 31 : 8-10; Isa. 41-1 : 49 10-12 Isa. 11-12 : 24 24-16 Isa. 49 : 1-8-12. Jer. 3-18 23-8) to become a Great Nation and a Company of Nations (Gen. 35 : 11 Gen. 48 : 19). A Christian Nation (Isa. 49 3-18-20) as well as a great Missionary people (Isa. 43 : 10-21 Matt. 7-20, Mark 16:15) Their National Heraldry the Lion and the Unicorn (Num. 24 : 8-9; Deut 33-17).

EASIER SLIDING

Overloaded dresser drawers sometimes are very difficult to slide in and out. You can remedy this situation simply by use of ordinary thumb tacks, forced into the slides a short distance back from the front edge of the drawer. A little wax rubbed along bottoms of the drawers where they contact the tacks will also help matters.

Health Unit Notes

COMMUNICABLE DISEASE REGULATIONS

The full co-operation of all concerned is necessary if the following diseases are to be prevented from spreading throughout the community and it would be advisable to keep this article for future reference.

The following diseases should be notified to the Health Unit by the doctor, if he is consulted, otherwise by the parent or affected person: Scarlet Fever, Septic Sore Throat, Measles, Diptheria, Food Infections, Rubella (German Measles,) Whooping Cough, Poliomyelitis and Dysentry.

The regulations concerning the isolation and quarantine of patients and contacts is as follows:

SCARLET FEVER AND SEPTIC SORE THROAT

For patient, seven days isolation is under the care of a physician from whom treatment is being received and taken and if declared by physician to be free of infection, otherwise for 21 days. All cases will remain isolated until clinical recovery, and until all infected discharges have ceased.

Contacts under 18 years of age and under who remain in the same house, to be quarantined for the isolation period of the case. Contacts over 18 years of age who remain in the same house to be excluded from occupations involving contact with children or foods which may transmit the disease, for the isolation period of the case. Other contacts under 18 years of age to be in quarantine for seven days. (This applies to all contacts whether they have had the disease or not.)

MEASLES (RED)

Isolation of patient is ten days. Quarantine of susceptible contacts for 14 days. (Those who have not had the disease.)

RUBELLA (German Measles)

Isolation is seven days. No quarantine for contacts.

WHOOPING COUGH

Isolation of patient is 21 days from the onset of paroxymal cough. Quarantine of susceptible contacts for ten days after last exposure.

POLIOMYELITIS

Isolation two weeks. Quarantine all contacts under 18 years and all over 18 who are in contact with children or handling food for 14 days.

DIPTHERIA

Isolation two weeks or 10 days depending on bacteriological examinations. Quarantine of all contacts until proved not to be carriers, subject to certain regulations.

FOOD INFECTIONS

Isolation—exclusion from handling and occupation involving the care of children until clinical recovery and until two stool specimens taken within an interval of at least twenty four hours between them are negative. No quarantine for contacts.

No isolation for amoebic dysentry. Those infected with the bacillary type should be isolated for the duration of the disease in a room screened against flies. No quarantine for contacts.

Further particulars and literature can be obtained from your Health Unit Offices.

EXPENSIVE SITTING

Take a seat. It will only cost you $75,000 to $90,000, if the seat you fancy is on the Toronto Stock Exchange, says Vincent Egan in The Financial Post.

The other day one was sold for $75,000. That's dirt cheap — compared with the $120,000 paid by the last previous buyer of a TSE seat. A stock exchange seat, as almost everyone knows, is more than just a place to sit down. It represents one of the 113 available memberships in Canada's biggest (and North America's second busiest) securities trading place.

The price depends largely on the dollar volume of stock trading on the exchange.

The higher the volume, the higher the revenues from brokerage fees that can be expected by the stock exchange members.

Bobcats Start Provincial Play-offs With 6-2 Win

As a result of a 6-2 victory in a lightning fast game played here Wednesday evening the Vermilion Bob Cats carry a four-goal lead into the second of the two game total goal series against the Mundare Aces this week end. The game, one of the fastest seen here this season was played before only a handful of fans. This marks the beginning of the Juvenile play-offs.

The Bob Cats are practically an all-star aggregation for the provincial play-offs, with five boys from Myrnam, three from Mannville and one from Kitscoty strengthening the local team. All the players are from the juvenile league of this winter.

Despite the fact that the Mundare team was playing only ten men they kept the pace up to the bitter end and but for their very well deserved penalties there might not have been the four goal margin. Three of the Bob Cats goals came with the Aces shorthanded.

In the first period Dolinsky of the Aces went off for tripping and the Myrnam line of Arychuk, Chomyk and Rudkowski slapped home the opening goal for the Bob Cats.

Only one minute went by in the middle canto before Malko scored from Dolinsky to even the count. The Bob Cats dented the hemp three more times before the period ended, Bob Cats Waldenburger from Jerry Schmidt, C. Gerhart from Manz, and then Gerhart again from Croft, the Mannville line really digging in. The last goal was scored with Borowsky serving time for interference.

At this stage goalie Usyk chopped down the speedy Chomyk with his stick, clipping him across the side of the head very deliberately. It is to be hoped that he is penalized by coach and manager for such action. Goalie Usyk received 5 [illegible] for the act and Borowsky had to serve it for him.

Coming out for the third it was 4-1 for the Bob Cats and the home towners soon added another—Elmer Leahy sliding over a timely pass to Rudkowski who beat goalie Usyk. Dolinsky made the picture a little brighter for the Aces, scoring an unassisted goal.

Just at this stage, Mundare had two men and then three in the penalty box at the same time, one on a delayed penalty. They didn't quite weather the storm as Larry Dargatz slapped home Lee Coyne's pass to finish off the scoring at 6-2.

Final game of the series will be played at Mundare this week end, with the winner advancing to the next round.

Russell Carroll refereed with Eddie Mistal as linesman.

LINE UPS:

Mundare — Usyk, Kwaschuk, Dolinsky, Yurko, Malko, Ostachuk, Borowsky, Lalible, Cochran, Werbiski.

Vermilion—Reid, Jones, Dargatz, Walter, Swripa, Schmidt, Coyne, Waldenberger, Arychuk, Chomyk, Rudkowski, Gerhart, Manz, Croft, Leahy.

STATISTICS

First period—Arychuk, (Chomyk: pen. Dolinsky.

Second period—Malko (Dolinsky): Waldenberger (Schmidt): Gerhart (Manz): Gerhart (Croft). Penalties—Borowsky, Usyk (5 minutes.)

Third period — Rudkowsky (Leahy): Dolinsky, Dargatz (Coyne) Pen. Borowski, Malko Ostachuk.

One of the bright spots of the game was the net minding of Jim Reid in the Vermilion goal. Jim had a scintillating night and the two shots that got by him had to be really good to beat the young goalie.

Kinsmen Midgets Play St. Paul

Provincial Play-Off Hockey At Arena This Friday Evening

Vermilion hockey fans will be treated to provincial play-off hockey this Friday night when the Kinsmen Midgets, coached by Bill Novak, will play the St. Paul Midgets. The series is a two-game total goal affair. The age group is 15 and 16 years.

LOSE AT ST. PAUL

Playing at St. Paul on Sunday the local Midgets lost 5 goals to nothing. However on their own ice they claim the story can be more than reversed and they are going out to do it.

FROM INDIAN RESIDENTIAL SCHOOL

Vermilion fans will have another surprise in store for them as the visiting St. Paul Midgets for the most part are full blood Indian boys who attend the Indian residential school at St. Paul.

Remember the game on Friday evening at 8:00 o'clock in the Vermilion arena. These boys are 15 and 16 years of age and really play an energetic type of hockey. Pack the arena on Friday evening and see 'em go!

League Leading St. Paul Hornets Here Saturday

Hockey fans of Vermilion have had a full menu of hockey this week to date and to wind it up on Saturday evening the league leading St. Paul Hornets make their final appearance on Vermilion ice for a regular league game. The fact that St. Paul has only been humbled once in league play so far this season does not in the least bother the Tigers, they think it's about time the Hornets bit the dust again and they are the ones to do it. The Tigers have worked up a nice little win streak and want to lengthen it at the expense of the hive dwellers.

The Tigers only have one more regular game at home after this week, with Maidstone playing here on Saturday, Feb. 22nd. Don't miss either of the remaining games, the Tigers are better every time out.

Tigers Click For Second Win

Vermilion Tigers clicked for their second victory of the season on Saturday night last when they outscored the Neilberg Monarchs 6 goals to 3. Bill Romanchuk of the Dewberry line led in the goal scoring parade with three markers, followed by Joe Brower, Shepansky and Anderson with one each.

For the visitors singletons were notched by Bienach, Armstrong and Swimmer.

It was a remarkably clean game with only two penalties being handed out to Brower and Anderson, both of the Tigers.

The game was witnessed by a smaller crowd than usual due to the cold weather, but still 364 fans were on hand.

Jim Ferguson was referee with Lee Leahy linesman.

LINE-UPS

NEILBURG—Hack, Brockhoff, Gordon, Ferguson, Orr, Gibbons, Parker, Swimmer, Armstrong, Kokula, Bienach, Thompson, Pagett, Thompson.

VERMILION — Scoggins, Barr, Brower, Redford, Anderson, Shepansky, Brown, Romanchuk, Dennill, Ewen, Gerrits, Ford.

STATISTICS

First period — Brown (Ewen): Romanchuk (Dennill, Redford): Shepansky (Anderson, Brower): Bienach (Thompson): Romanchuk (Barr), Armstrong (Pagett)

Second period — Romanchuk (Dennill) Penalties: Brower for holding Anderson (trip).

Third period—Anderson (Redford): Swimmer (Orr).

Tigers Lose At Neilburg

The Vermilion Tigers journeyed to Neilberg Wednesday, losing a regular league game there 3 goals to 1.

In another inter-zone game on Wednesday, Lashburn lost at Bonnyville 5 to 4.

Town and Country Hockey Tourney To Be Revived

Once a very popular event here, the hockey tournament open to all country and village teams not operating in league play, will be revived and held on Saturday, March 8th. All entries should be in the hands of Murray Miller by noon, March 5th.

Good prizes of $60.00, $45.00, $30.00 and $15.00 are being offered. The event is being sponsored by the Vermilion Tigers hockey club.

Admission for the day is $1.00.

Wainwright Drops Out Of League

Wainwright Commandos have dropped out of the league, consequently Vermilion Tigers won the advertised fixture of Monday evening by default.

The Commandos gave as the reason lack of support by the fans of Wainwright and district. Playing against the Lloydminster Chevvies, eastern division leaders on Saturday night at Wainwright the Commandos dropped $25; at the home game before that they had a profit of two bits. Under the circumstances they thought the best thing they could do was to drop out of the league to avoid piling up a big deficit.

Emil Mudryk Wins Farmers' Bonspiel At Derwent

DERWENT.—Derwent Curling Club sponsored a Farmers' Bonspiel on Feb. 4th and 5th with twelve rinks participating.

The Grand Challenge was taken by a local rink skipped by Emil Mudryk. Placing second was Mr. Koshowski of Myrnam, third, Nick Klutz, Derwent, and fourth Paul Mudryk, Clandonald.

In the Merchants event the winners were as follows: First, Frank Podlubny, Derwent; 2nd, Harry Lychak, Derwent; 3rd, Andrew Jacula, Vermilion, and 4th, John Bober, Derwent.

36 Rinks At Mannville Bonspiel

MANNVILLE Monday at 4 30 saw the opening of the Mannville Men's Open Bonspiel, with 36 rinks entered from local and outside points. Already the interest is keen, and some good games are being witnessed by spectators. Coffee and lunch is being served by local lady curlers for the bonspiel's duration. Further results will be published as regards bonspiel winners, etc.

A banquet was held for all the curlers and visitors on Tuesday evening and catered to by W.A. ladies of the United church.

Water Main Breaks At Mannville — Floods Garage

MANNVILLE After having water seep into Mannville Motors for some time, it was inevitable that a break should develop in the mainwater line. This it did on Friday last week in mid-afternoon. About five inches flowed over the garage floor, into the mechanics pit, and things really looked serious for the garage business. Climaxing the situation garage mechanic Howard Stevenson thought it safe to go down into the pit seeing that he could see the floor boards quite easily. However on jumping down he received a rude and chilly shock as the boards had been floating and he sank to his arm pits. Howard now says that he much prefers to swim in water of a higher temperature, and during the proper season.

Elmer Kreller, manager of the garage advises that they have one sheet of ice in the west shed which requires only one more flood and then can be used for additional ice during the Mannville bonspiel.

Water supply was shut off from 4 p.m. to 1 o'clock in the morning while the Bernie Acker man construction crew worked to discover and repair the break.

Junior High School Activities

The time of reckoning has come again to the Junior high. The students take pen in hand to write the mid-term exams this Thursday and Friday. A general atmosphere of study prevails throughout the halls and classrooms.

SPORTS

On Feb. 8th the girls and boys basketball 'A' teams made a trip by bus to Wainwright. The girls returned victorious, 20-12, while the boys were overpowered 33-10. Return games will be played in the Vermilion armories on Feb 22nd at 10:00 a.m. Miss Barr, Miss Schultz and Mr Swityw accompanied the players.

In league play standing is as follows: Sinden 8 points, Armstrong 6, Pare 5, Watt 4, Pockett 3, Leahy 3, McPherson 2, and Searle 1.

No Complaints By Ratepayers At Annual Town Meeting

The members of the Vermilion town council heard few complaints from the 46 ratepayers at the annual meeting on Monday evening. In fact those present seemed to be well satisfied with the administration of the town's affairs.

G. F. Stephens was moved to the chair and Frank Welsh, the town member on the municipal hospital board, led off the reports. The hospital has had a good year financially, with an excess of revenue over expenditure of $13,978, even after paying debenture debt interest of $7,930, making provision for bad debts of $1,400 and depreciation of $17,498.

G. W. Sutherland in charge of public works, mentioned extension of sidewalks, some road building, work on the south hill river valley road to prevent washing away during heavy rains and in the spring run-off, and purchase of crushed rock stockpile, as pit-run gravel was becoming very poor as well as scarce.

Councillor E. A. Locke dealt with recreation and community services on which some $12,680 were spent during 1957.

K. E. Rowe, in charge of water and sewer, reported the satisfactory working of the newly-installed iron removal plant, stating that many favorable comments had been made on the results by housewives. Fifteen new water and sewer services had been installed during the year and a new ten-inch water supply line had been completed from the wells to the underground reservoir as a reserve to the original 8-inch line.

Two other councillors were absent, Charlie Thompson due to illness and C. J. McCormick who is out of town. Sixth member of the council, P. E. Cooper, was present but being new to that body is not the convener of any committee.

Other items were covered by Mayor Hill in his general report.

Financial statement was explained by the auditor, Mitchell Taylor, and reveals the Town of Vermilion is in good financial condition. The revenue for 1957 amounted to $204,908 with expenditure of $178,491 leaving an excess of revenue over expenditure of $26,417. Water and sewer department also showed a small surplus of $2,559. In addition to this there is a sinking fund of $25,085 called the 'Utilities Reserve' fund.

Mayor Hill gave a detailed report to the meeting, touching on departments of the absent councillors, and generally reviewing many phases of the council's activities. He paid tribute to the members of the council, to the office staff and town crews for the excellent work of the past year. The fire brigade under fire chief Urquhart was commended, while the R.C.M.P. continue to give good work in policing the town.

The Board of Trade came in for some complimentary remarks and thanks for efforts in trying to keep the town to the forefront in business and other activity.

NEW BUILDING CONTINUES

The steady growth apparent during the past few years has continued through 1957 with a total of building permits of $554,000. Included in this are 13 new dwellings totalling $118,000, a new school valued at $412,000, one new business building $20,000 additions to existing buildings, private garages etc., $4,000.

Mayor Hill also mentioned the progress at the provincial park, being improved each year and for which there was a sizeable increase in grants for 1958.

George Martin, Director of Civil Defence, was commended for his tireless devotion to that duty.

OLD FOLKS' HOME

The building of a home for senior citizens was outlined by J. R. Robson on behalf of the Vermilion Rotary club which is fact finding in connection with the project at the present time. After considerable discussion a motion was passed to the effect that the Town of Vermilion support the principle of the home for old folks.

The Rotarians' plan is to have an old folks' home available to the people of the Municipality of Vermilion River, a portion of Minburn M.D., the Town of Vermilion and such villages in the area which would like to co-operate in the plan.

George Martin advocated a one-way street along Riverside Drive.

The meeting closed with motions of thanks to the mayor, councillors, hospital and school trustees.

Impaired Driving Charge Dismissed

The appeal by the Crown from the dismissal by Magistrate L. Basler of a charge of impaired driving against Paul Sawko of Vermilion was heard in District Court on Tuesday, Feb. 11th by His Honor Chief Judge Buchanan who expressed himself as having the same doubt of guilt of the accused as did Magistrate Basler in the Court below, and as a result His Honor dismissed the appeal. Mr Anderson of the Attorney General's Dept. acted for the Crown and Mr. F. J. Richardson for the accused Paul Sawko.

Islay 4H Food Club Sees Cooking Demonstration

ISLAY The meeting of the Islay 4H Food Club was held at Mrs. Moncrieff's on February 3rd at 7 30 p.m. Shirley McGuigan and Sandra Hell gave a demonstration on the making of custards. A demonstration was also given by Mrs. Redmond on the making of white sauce. After the meeting a lunch was served by the hostess. The next meeting is to be held in the school on Feb 17 at 7 30 p.m. Matron of the Islay hospital will attend to give a demonstration on First Aid.

Co-op Curlers Win

The local Co-op curling foursome consisting of Vic Tillet, Hector Cameron, Leo Klashinsky and Merv Hill returned with the provincial honors in the Co-op. spiel held in Vegreville last week. The handsome trophy which is up for annual [illegible] is presently on display in the local Co-op. store.

Top Crib Hand At Kitscoty

KITSCOTY — Twenty - nine hands, the highest possible in crib, seem to be happening here quite frequently. Mr. and Mrs Speelman were playing crib on Monday when Mrs. Speelman clicked for the perfect hand, the first in a lifetime of crib playing.

Mannville Creamery Wins Dairy Award

MANNVILLE. - In a close competition at the recent Dairymen's Convention, Edmonton, N A D P, Mannville was awarded third prize for workmanship.

J. J. Goshko is the manager of the local Creamery here, and Bernard Chrysler is the butter maker to whom credit is due for this honor.

Restroom Open for Women, Children

The new rest rooms made possible to the people of the district through the co-operation of the Vermilion Elks and the Town of Vermilion, are now open for the convenience of all women and children. Wash room and toilet facilities are provided downstairs with a sitting room upstairs. Any person noticing any infraction of the rules as to cleanliness or loitering are asked to report same to officials of the Elks lodge.

Additional furniture will be placed in the rest room later.

The move of providing a commodious rest room for ladies and children is a co-operative one, the Elks provide the premises and facilities for which the town pays a rental of $160 a month.

Bruce McDonald Wins Further Honors As Student At 'Varsity

Bruce McDonald of Mannville who is a graduate of the Vermilion School of Agriculture and winner of the Eaton Scholarship, has gained further honors as a student of the University of Alberta. Bruce has recently been awarded a DEKE Foundation Fellowship, one of six, which are awarded annually to members of the Delta Kappa Epsilon fraternity. Although there are five chapters of DEKE's in Canada, Bruce was the only Canadian student named. The scholarships are for the value of $300 each.

The purpose behind the DEKE Foundation Fellowships is to promote scholarships among the members of the fraternity at the various universities throughout Canada and the United States. Funds come from donations of the Alumni paid into the DEKE foundation.

The Fellowships are awarded on scholarship, campus activities and contribution to the Fraternity chapter where the applicant is a member.

Bruce intends to use the scholarship towards financing of his school years while working towards his Master of Science degree. This will be taken in Poultry Nutrition at the University of Alberta. Following this he hopes to enroll at the University of Wisconsin for work on a Ph.D. degree. His present plans are to eventually go into the field of teaching and research. Providing everything goes according to schedule Bruce will graduate this May with his degree of B.Sc. in Agriculture.

Executive Appoints Board of Trade Committees for Year

Committees of the Vermilion Board of Trade for the ensuing year were appointed by the executive as follows, with the first named being chairman of each committee:

Agriculture — Ralph Wilson, Don Wilson, E. H. Buckingham, Roy Walker.

Retail — Gerald Stephens, L. Miller, Roger Rowe, Albert Harcuther

Industrial — T. E. McPherson, E. M. Stewart.

Roads — C. J. McCormick, Angus McMillan, Lawrence Webb.

Publicity - Ashley H. Cooper, F. J. Richardson.

Ways & Means — Stan Waldenberger, Martin Shalka, Mervyn Hill, Roy Watkins.

National Affairs—G. W. Sutherland, Warren Rosequist.

Airport — Baden Anderson.

Civic — Ernest Schurman, E. Clendenning, T. Watts.

Each chairman has been instructed to call a meeting of his committee and outline a program of work for the year 1958.

Islay Road Will Be Widened, Improved

ISLAY. — The road leading south from Islay to highway 16 at Kenilworth corner is to be widened in the spring. The sharp corners at the correction line will disappear. The new right-of-way will make the road come very close to some of the farm homes and it looks as if Mr. Val Budzilka's house will have to be moved back. Mrs. Garfield Simmons says that she will have to dig up some of her flowering shrubs and several front yards along the present road will disappear. Survey parties have been surveying the road for several days past.

Anonymous Donation To St. Joseph's Parish at Derwent

DERWENT. — On Feb. 4th Mr F V Podlubny, secretary of the St. Joseph's parish, received a letter containing a $200 money order payable to the St. Joseph's parish. The donor's wish was that the money be added to the parish fund and used for whatever purpose it is most needed.

The person who donated this money wishes to remain anonymous.

The trustees of Derwent St. Joseph's parish join with the parishioners in extending their thanks to the donor and may God reward him or her for such a worthy contribution.

Elks To Start Cash Bingo

The Vermilion Elks plan to start their newspaper bingo for a big cash prize next week. Watch for further details in the Standard.

Cards will soon be on sale.

Evangelistic Campaign At The Alliance Chapel

A special evangelistic campaign will be conducted at the Alliance chapel in Vermilion with Rev. Myrddin Lewis of Birmingham, Eng., as the guest speaker.

Meetings will be held nightly at 8 p.m. (with the exception of Saturdays) commencing Tuesday, Feb. 18th through Sunday March 2nd. Sunday services will be 11:30 a.m. and 7 30 p.m. with a service each Sunday in the Mannville Alliance tabernacle at 3 p.m.

Dr. Lewis comes to Vermilion after successful campaigns in other churches throughout western Canada. He is well known in Great Britain and the U. S. for his forceful Bible-centred ministry. He is a gifted preacher with a warm Welsh humor. His ministry has proven a blessing wherever he has been.

The subjects upon which Dr. Lewis will speak are based upon the general theme "Mountain Peaks of Prophecy" and many matters of current interest and importance will be presented.

For further details see the display ad elsewhere in the Standard.

Lenten Meditation Series Here

A series of Lenten services will begin on Ash Wednesday, Feb. 19th at 8:00 p.m. in St. Saviour's Anglican church. These services will take the form of Lenten Meditations, conducted each Wednesday throughout Lent by the Rev John Flagler, rector of St. Thomas' church, Wainwright. Everyone is welcome.

Ed Herzog Shows Rotary Picture

At Friday's luncheon meeting of the Vermilion Rotary Club Ed Herzog one of the club members showed slides illustrating the methods to be used in making a Rotarian. The pictures and the comments were greatly appreciated by all present. Fred Stewart assisted in showing the slides.

Bill Pettigrew introduced the speaker and Ken Greenwood thanked him on behalf of the club.

Simon Simonson introduced his guest Duff McGrath, Jim Robson introduced Claud Bronson, Gerald Stephens introduced Paul Mahe, Dr. Ben King introduced Bernie Ackerman, Mitch Taylor introduced Bill Ball and Ed Herzog Fred Stewart.

President Tom McPherson welcomed the guests and thanked the speaker. President McPherson also made reference to Rotarian J W G Morrison who has been in hospital for some weeks and was now able to be back and attending club meetings again.

Mr McPherson also welcomed to Vermilion, Rotarian Jim Smith M.P. who arrived in town unexpectedly from Ottawa last week.

Birthdays recorded were Ash Cooper and Ken Greenwood — both these boys are growing up, but one faster than the other!

Anyone interested in good singing will be glad to learn that the Rotary Club is planning on bringing the Don Cossack Chorus to Vermilion. It is quite a large undertaking and will need the support of music lovers in Vermilion and over a large area if it is to be a financial success. A few words of encouragement to the Rotary Club officers would not be amiss.

AVERAGE COST OF UNIVERSITY $1215.00 PER YEAR.

A campaign to gain more scholarship aid is being carried out by students at the University of Alberta, as a part of a nation wide endeavor by Canadian University students. A drive began February 3 and will include individual contact with provincial and Federal MLA's and MP's meeting with representatives of the Alberta government, and contact of various service and interested persons. The campaign is being carried out under the auspices of the National Federation of Canadian University Students (NFCUS). The Federation represents all major Canadian Universities and over 55,000 university students.

N. F. C. U. S. proposes that a Royal Commission be appointed to study educational needs at all levels. In addition, NFCUS advocates that 10,000 scholarships of $250 each to be issued to worthy students who might otherwise be denied of a university education. A report from the National Bureau of Statistics shows that only 8% of our students of university age attend Canadian universities. This is the lowest average among Western countries with a comparable standard of living. The United States for example has more than 21% of her eligible students in universities. The NFCUS brief based on research data asserts that financial resources prevents young Canadians from attending university. The brief shows the usual costs of a college education and the approximate manner in which various students meet this cost.

Students on the average spend $1215 a year, with those enrolled away from home spending from $200 to $300 more than those attending university in their home town. A total of 92.5% of the cost of a year at university is borne by aid from parents, summer employment, or military [illegible] plans, only 7.5% of the cost comes from scholarships.

NFCUS calculates that the $250 they propose for scholarships is the minimum amount of outside aid an average student requires for a year at university.

Smiles and frowns may appear to be little things, but they are a powerful force for good or evil.

500 Votes Could Decide

In the election of June 10, 1957 more than 6,600,000 Canadians voted.

In 31 of the 265 seats, the winner had a margin of fewer than 1,000 votes over the second place candidate.

That means that on March 31, in those ridings only 500 voters or fewer need to switch their votes from the 1957 winner to the party that ran second, and that riding will have a new M.P. says The Financial Post in a special election survey.

Here's a box-score of the less than 1,000 margin seats.

Conservatives won 21 from Liberals, one from CCF.

Liberals won 10 from PC's, three each from CCF and SC, one from Independent.

CCF won four from Liberals, one from PC.

Social Credit won two from PC's, one from Liberal, one from CCF.

Independents won three from Liberals.

Doing your duty is easier than trying to explain why you didn't.

Lowdown On Unemployment

Out of the welter of statistics and talk about unemployment some important facts are beginning to emerge says The Financial Post, which outlines them as follows.

Fewer Canadians have jobs today than a year ago. It is the first month in which total employment fell below the level of a year ago.

But output per man is increasing — an important trend if Canadian industry is to remain competitive.

The drop in employment is greatest in forest industries and other exports. Their pickup depends on U. S. and overseas.

Backed by housing and government spending at all levels, total capital investment may not be lower than 1957.

Over-all personal income plus social welfare benefits will maintain high consumer spending for services, utilities, foods, etc.

Look out for the man who is always looking out for himself.

The C. P. R. now operates a fleet of 43 'dayliners' self-propelled rail diesel cars, second largest of any railway in the world.

NEWS from KITSCOTY

The Kitscoty Boy Scouts will hold a bottle drive on Saturday, Feb. 15th. Please have your bottles ready.

Everybody is welcome to a Pancake supper in the Tracy Memorial hall on Shrove Tuesday, Feb. 18 from 5 to 7 p.m., sponsored by the Kitscoty Boy Scout troop.

Kitscoty and district lost another old timer in the passing of Mr Harry G. Beaton in Lloydminster hospital last Saturday after a lengthy illness. Sincere sympathy is extended to Ethel and Alan and other relatives, in their bereavement.

Birthday greetings are extended to Mr J. R. 'Bob' Fox and Mr. E. 'Ted' Joy, two of our senior citizens who celebrated birthdays this week.

Mr. L. E. Speelman came home at the week end from the University hospital and is much improved. He was accompanied by Mrs. Speelman who had been in the city for the past three weeks.

SHORT COURSES

Agricultural Short Courses will be held shortly in Lloydminster, Vermilion and Mannville. During the past three years these meetings have been very popular and well attended. Some of the best speakers on their subjects in Alberta and Saskatchewan will be on the programme. Every farmer should attend some of these meetings. So many times we have noticed that only the well-to-do farmers come out. There are new ideas for everyone so why not take a couple of days off and take in the meetings and meet old friends whom you have not seen for some time.

CROSS-BRED PIGS

This subject is discussed everywhere among hog raisers. Some of us, and I am one, think it is greatly over rated. The other day a farmer in this district paid $185.00 for a Landis boar. If he had looked for a Yorkshire boar at this price I think he would have been just as far ahead in improving the type and gains in his pigs.

There will be a panel of three experts dealing with cross-breeding at the Vermilion and Mannville Short Courses. Why not come out and hear what they have to say?

FRUIT TREES

Some people have a good deal of success in growing fruit in this area and they get a lot of satisfaction from the results. Apples, crabapples, and plums are easy to grow. Raspberries, gooseberries and currants give good yield nearly every year. Now is the time to order fruit trees and small fruit bushes. Catalogues can be looked over at this office. The Horticultural Guide lists the best varieties for growing in this area. Get a free copy at this office.

IODINE FOR SOWS

Lack of iodine in the sows feed can be blamed for most of the dead and weak pigs at farrowing time. Dissolve one ounce of Potassium Iodide in a gallon of water and give one tablespoonful to each sow per day in her feed. This is a little troublesome to do in cold weather but it sure pays off when the litter come strong and thrifty.

GERMINATION TESTS

Seed is beginning to move. Quite a few tests are low and sprouts are weak. Tests can be made at home by putting some soil in a tobacco can and planting 100 kernels a half inch below the surface. Keep moist but not wet. Kitchen temperature is alright but do not allow to freeze. Count the strong sprouts at six to eight days.

TOAD FLAX

This weed is increasing in Vermilion River Municipality. Several years ago it was only found to any extent in McLaughlin and Rivercourse districts. Now there are a good many fields of this weed as far west as Vermilion and hundreds of farms have small patches. It looks like this whole area will be big Toad Flax field inside of a very few years.

WILDMERE WINKS

Not much news this week, but with the mercury down to 32 below Thursday morning is it any wonder?

The W.I. held their monthly meeting at Mrs. W. T. Garnett's Thursday afternoon but not as many as usual were present because of the cold day.

Doris Fadden was home for a few days last week, from her job at Ponoka.

For those interested, don't forget the Calf club meeting at Preston Central school on Monday, Feb. 17th at 8 p.m. and the Home and School meeting the same evening, place and time.

Mr. and Mrs. Ken Sheppard spent the week end at the Cruthers' home.

Mr and Mrs. Leighton were supper guests at the Gibson home on Sunday.

Noticed around: Mr Leighton assisted by Albert Smith, Ray Osterberg and George Harrison teaching some of the older children the ins and outs of curling on Friday afternoon.

Some of the teen-agers having a curling game Friday evening.

A rink consisting of Cliff Cruthers, Dick Dunlly, Frank Gibson and Albert Smith played host to a carpenters' rink from Vermilion Saturday night. The visiting rink consisted of Glen Gibbons, Bob Martin, Cliff Reid and Alex Callas (how did Alec sneak in there anyway?)

Anglican W. A. Meets, Mannville

MANNVILLE—Fourteen members of the Happy Hour W A met at the home of Mrs H.R. Forsyth on Thursday of last week. Reports of various committees were read and approved. Following the main part of business a guessing game was enjoyed by the ladies when an intriguing parcel was passed around, shaken and inspected for each one's guess as to its contents. Peanut [illegible] by two winners. It was decided to postpone the Card Party scheduled for Friday due to inclement weather. G.A. and J.A. groups of the Church have now begun their Home Nursing instruction, so all patients be prepared for practise as these young first aiders go into action.

PLEASE PASS THE PANCAKES!

Isn't it interesting to hear how certain foods and customs came to be associated with religious celebrations? Did you ever hear of the origin of the custom of eating pancakes on Shrove Tuesday (this year February 18)?

Shrove Tuesday, the day before Ash Wednesday, is the beginning of Lent and the day on which all are "shriven" of their sins. In England women traditionally baked pancakes early on the morning of Shrove Tuesday and these eventually became known as "shriving cakes."

In those days, pancakes were prepared according to a precise formula prescribed by the church.

Sour for the staff of life, milk for innocence, salt for wholesomeness and eggs as a proper lenten food. The pancakes were commonly fried in meat fats which were forbidden during Lent. In those days no refrigeration was available and it was an effort to use up the accumulated meat fats before Lent that the pancake making custom gained such a foothold in the English speaking countries.

These are not the only countries in which some form of pancake is the highlight of pre-Lenten celebrations. Two such instances are the Mardi Gras of the Latin countries and Fastnacht Day, the German version.

So if you haven't already adopted Pancake Day in your home, why not start this year? Try a new pancake variation and you'll be asked for a repeat performance by your family.

VARIATIONS

1. Add ¾ cupful of finely chopped apples or well drained canned pineapple to the batter.
2. Add ¼ cupful of your favorite nuts, peanuts, walnuts, or pecans to the batter.
3. Add ½ cupful of raisins.
4. A little cornmeal or granular meal is frequently used to improve the texture of plain pancakes.

PANCAKE PROBLEMS

If they stick to the pan, increase the shortening in the recipe.

If they're soggy, increase eggs or baking powder.

If they're not crisp enough, use more egg and increase the shortening slightly.

HARD LESSON

At least the man who is always trying to get something for nothing picks up a lot of experience.

The man who knows his own imperfections is just about as perfect as it is possible for anyone in this world to be.

HOME AND SCHOOL HEAR S.D. SIMONSON

The Home and School Association was quite well attended on Monday night. More parents should show interest in their school. Mr Simonson gave a most informative talk on text books, promotion of pupils, report cards, I.Q. tests and problems arising from various methods used in school, how to cope with them and finishing off with parent relation to school. Pupils problems may be discussed with the teacher to the best advantage. Mr. and Mrs. Midgley and Mrs. Bill Hancock of the Morwayne Association were guests. A very tasty lunch was served and everyone visited for a time. Regular meetings are every second Monday now. Parents bring ideas, newspaper articles on education etc. for dis[illegible]. It's your school, how progressive do you want it?

Noticed in town: Bill Bellchambers, Albert Beck, Alva McFadyen, [illegible] and Maurice Watt who was taking Teddy Menger home after spending some time in hospital.

Mannville Ladies At St. Paul Bonspiel

MANNVILLE A rink comprised of Mrs. D. Hasinoff, Mrs. J. Park, Mrs. M. Morisson and Miss Anne Laberge entered St. Paul Bonspiel and captured first prize in the second event, same being silver butter dishes and trophies. The girls are loud in their praises of the wonderful hospitality extended to them by St. Paul. They were warmly congratulated on their win and the local press had photographers on the spot to take their pictures.

W. I. Hear First National Convention Report At Mannville

MANNVILLE—Fifty-four women representing nine W. I. groups gathered in the Anglican Hall the afternoon of Feb. 10 to hear Mrs. Martha Beilach of Warspite, District director of the Alberta Women's Institute report on the First National Convention held in Ottawa last fall. The director thanked members for contributions toward delegates fund for this purpose. Every W.I. in District 2 had responded to this appeal for funds. There were twenty delegates from Alberta and Mrs. Beilach spoke in glowing terms of the privileges enjoyed by Alberta W.I.'s in comparison to some of the other provinces. By way of proof she spoke of British Columbia, who must have their government's OK before than can do anything. B.C. were amazed that Alberta W.I.'s could make reports, histories, etc. without any supervision from the government. They receive a form of monthly news letter only. Alberta was well advertised during the conference, as there was on each chair in conference room the first morning, a History of Albert Women's W.I.'s a book of Alberta's History and a map. Mrs. Ethel Adams, president of Federated ACWW paid tribute to W.I.'s over the past fifty years, calling the various accomplishments of W.I.'s birthdays of the past. Example: first candle lit in 1897 upon forming of first Institute; 2nd in 1914 when W. I.'s formed in every province. 1933 saw lighting of third candle when W.I.'s became Nationally organized, and 1957 was First National Convention which was Mrs. Ethel Adam's dream come true. Mrs. Beilach stated how proud were Alberta delegates when competition results were announced. Coutts W. I. winning first with their Tweedsmuir Histories and Mrs. Lefurud coming second with her painting (she is past president of A.W.I.) Details of new competition to be announced shortly. In citizenship Mrs. Beilach brought out a point which is perhaps not realized here. That is of the 90,000 W.I. members in Canada, 40,000 of them are from Ontario thus prohibiting them from having a Provincial Convention, for there is no place large enough outside of Maple Leaf Gardens, for them to gather.

Various subjects were covered reported Mrs. Beilach, during group discussions held outcome of which were submitted to Federated Board as were resolutions. Some of the latter covered subjects of toys being painted different colors to real article, for example guns. It was felt red would be a better color, thus safeguarding children's play.

Installment paying of fines was another topic under discussion and more research urged toward cause and cure of mental illness, also pensions looked into for the blind etc. Gavel was turned over by Mrs Ethel Adams to Mrs Keith Rand of Nova Scotia, the new President. Second vice is from Alberta, in person of Mrs T.H. Howes. Many prominent persons addressed the conference but Mrs. Beilach stressed particularly the talk given by Dr Berg entitled 'Are there Any Canadians Here?', in which he insisted Canadians must learn to think in terms of Canada and not just of their own province. To quote an example, many people are met during the holiday season States bound, and those from there coming here. It is noticed that a man with a Montana licence plate wants to make friends, so pleasantries are exchanged with the inevitable question 'Where are you from?' Nine times out of ten he will answer, 'I'm an American. . . I'm from United States', whereas we would answer, 'Me? I'm from Alberta.' Since this speech was given just before closing of the conference with 'O Canada' new zest was added to its singing. Mrs. A Hubbard thanked Mrs. Beilach for a wonderful report as did all the ladies gathered. Mrs. R. Lugg gave a reading as part of the entertainment and the Majorettes (six representing group) gave a colorful performance with twirling batons and appealing attire. The W.I. were grateful to these girls for this treat. Lunch was served and a question period followed.

Dog Foils Attempt At Burglary

MANNVILLE - Thieves were reported to have broken in at the garage of Croft & Laidler this week, but nothing was taken, no money being available. A similar attempt was made at Joe's Service station where entry was gained in the same manner by breaking a window in the door. However in this case Joe's faithful dog apparently scared the culprits off as a check revealed nothing missing. Break ins were reported further west in other towns and the thieves finally apprehended by R.C.M.P.

India Is Pictured by Speaker At United Church, Vermilion

The United Church W.A. guest night was a very successful evening.

The meeting was opened by singing "In Christ There Is No East Or West." The guest speaker, Mr Krishan Tull, was then introduced by Mr. McKay, who gave a short outline of his training and work.

In opening his address, Mr Tull stated that he had left India 4 years ago with very distorted ideas of America gotten from books and movies. He said that our ideas of India are equally distorted.

Mr Tull went on to give us a better knowledge of the people of India. While India's history is very diversified, her culture has remained alive through the ages. Hinduism, which is a philosophy of life, rather than a religion, teaches contemplation and freedom of thought but neglects materialism. There are five schools of thought but belief in only one God. All people must maintain an altitude of respect to other faiths. Originally, cattle were made sacred so as to prevent their extinction during times of famine. Centuries ago the caste system was instigated to further the interests of workers in the different fields of work or learning but unfortunately it developed into a system which became an obstacle to the materialistic progress of the people. It is very much on the decline now it is hoped.

India's independence (1945) is a living memorial to Mahatma Gandhi who taught that the means of acquiring any reform must be the same as the end desired.

In the world today there is a lack of understanding among the people and prejudice toward that which we do not comprehend.

Communism can never be accepted by a people steeped in Hindu philosophy. It is a truly democratic way of life. In the last election 150,000,000 persons went to the polls — 50% were women. Hinduism teaches freedom of speech and worship and equal rights to all groups of men and women.

In conclusion, Mr Tull emphasized the fact that the world is getting smaller and if we wish the human race to survive we must try to understand each other. We must work for peace and goodwill between all people.

The meeting was closed with a hymn and a prayer.

During the lunch hour which followed many made a personal acquaintance with Mr. Tull and found conversation with him easy, friendly and thought provoking.

OBITUARY

HARRY HORNIGOLD

Funeral services for the late Mr Harry Hornigold who passed away on Jan. 16th in the Elk Point hospital after a three weeks' illness, were held in the United church, Dewberry, on January 21. Rev. James Shortt officiated at the service and interment, which followed in the Dewberry cemetery.

The hymns "Faith Of Our Fathers", and "O God Our Help in Ages Past" were sung by the congregation. The choir rendered the hymn "The Old Rugged Cross". Miss Cheryl Jones was the organist.

Pallbearers were Neil Jones, David Munro, Victor Dennill, Alf Purser, Jack Machon and John Romanchuk.

Mr Hornigold was born in Mullingar, Ireland, on March 1, 1897. He went with his parents to England when he was a young boy, and came to Canada in 1912. He enlisted in the services in September 1915 was wounded in the Battle of the Somme and was hospitalized until 1919. He then returned to Canada where he filed on a homestead at Opal, Alberta.

In 1924 he purchased a soldier settlement farm at Opal. In 1936 he married Miss Ivy Simpson. A move was made to Edmonton in 1941 and then to Dewberry in 1945 where he purchased the Ewan store which he operated until his final illness.

The deceased had suffered very poor health for the last seven years.

Left to mourn his loss are his loving wife Ivy, three daughters Margaret and Mary at home and Jean in Edmonton; one sister Mrs. Margaret Ewan of B.C. and one brother Michael, also in B.C.

The large number at the funeral testified to the respect and esteem which the community felt for him. He was a man of upstanding character and many acts of kindness and charity were performed by him which the general public never heard of.

Floral tributes were received from Wife Ivy, and daughters Margaret, [illegible] Mary; Mr and Mrs. A. Ewan; Mr. and Mrs. Robert Simpson and family; Mr and Mrs. Walter Simpson and May; Mr and Mrs. J. Robertson; Mrs. M. Freeman; Mr and Mrs Flack and family; Mr and Mrs Ruddy Donna and Jacque.

Donations to the United Church pew fund in lieu of flowers were received from the community, also many sympathy cards.

Mr Hornigold will always be remembered with affection by his loved ones and all who knew him well.

"There is no Death! What seems so is transition:
This life of mortal breath
Is but a suburb of the life Elysian,
Whose portal we call Death."

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and for gifts in lieu of flowers, to the Dewberry [illegible] received from our relatives, friends and neighbors during our recent bereavement in the loss of our 'Daddy'. Special thanks to Dr K. C. Miller and the nursing staff of Elk Point hospital, as well as Rev. James Shortt and the pallbearers.

The Hornigold Family.

Mrs. Iris Hodgson Wins Grand Challenge At Dewberry 'Spiel

DEWBERRY. — The Dewberry Ladies' Open bonspiel was once again a great success. The nineteen rinks competing came from Derwent, Clandonald, Marwayne, Lloydminster and Heinsburg. The banquet this year saw a number of curlers in attendance who curled for the first time in Dewberry twenty years ago. Included in this group were Mrs. H. M. Anderson, Mrs. McKay, Mrs. V. Dennill.

The Grand Challenge final was a thriller all the way and was in doubt until the last rock was thrown. Iris Hodgson was the winner over Elsie Jones, but to reach the final game won a very close one from Mrs Murphy of Lloydminster 5 to 4. Mrs. Jones edged Mrs. Braithwaite in an extra end to qualify.

GRAND CHALLENGE

1. Skip I. Hodgson, Dennill, Brett, Anderson.
2. Skip E. Jones, Mead, Onton, Young.
3. Skip Murphy, Lloydminster.
4. Skip Olga Braithwaite of Dewberry.

In the number two event [illegible] Bruce of Clandonald won first, Mrs. Bowman of Dewberry, 2nd.

This makes it the second year in a row that Mrs. Hodgins' rink has won the Grand Challenge in Dewberry. Each member of the rink received an electric iron as well as trophies.

NEIL JONES WINS AT HEINSBERG

Neil Jones with his father throwing lead rocks won the Grand Challenge in the Heinsberg open spiel. Personnel of the rink were skip, Neil Jones, 3rd, Don Rainey, 2nd, Roy Jones and lead Grandad Jones.

Ralph Lunden came home from the Marwayne open spiel with second in the Grand Challenge event.

News from Dewberry

The sympathy of the community and the writer is offered to those left to mourn the loss of the late Mr Fred Collins. Fred was an old timer of the Dewberry district and was at one time a member of the municipal council.

Belated congratulations to Mrs. J. Gilbert of Vermilion who recently celebrated her 70th birthday. Many more happy birthdays are wished her. Mrs. Gilbert is very well known here as she is one of our old timers.

Best wishes to Mr and Mrs. Albert Quickstad (nee Yvonne Lutz) who were married in Vermilion on Feb. 8.

Congratulations to Mr and Mrs. H. Brosinsky on the birth of a daughter on Feb 3. Also to Mr and Mrs. George Purves of Islay on the birth of a daughter on Jan 29. Now Grandma Purves can find a use for her knitting needles. Hope you still have them handy Mrs Purves.

The young explorers under the leadership of Mrs. Dorothy Oxten assisted by Miss Evelyn Parker held a very nice Valentine Tea in the United Church on Saturday the 8th. We enjoyed our tea and service very much. Much credit is due these youngsters for the way they acquitted themselves at the tea. To see them one would think they had been doing the same work all their lives. Congratulations to the girls and their leaders.

Mr. and Mrs. C. Moore of the Deer Lake district paid a surprise visit recently to the home of the writer. We enjoyed their visit very much and hope that it will be repeated soon. We have a lot to talk over yet, Mrs. Moore.

By the time we receive the Standard with this news, Mrs. Hornigold and girls will be leaving for Edmonton where they have purchased a house. We will miss you very much Ivy and girls and wish you the best in your new home. We hope to visit you in the not too distant future.

We are pleased to see Mrs. John Maltais out and about again. Also baby Romanchuk. Mrs. Philip Lamb is also home as is Miss Florence Laboucane. Best wishes for a speedy recovery to all patients in the hospitals.

Council Approves Principle of Elderly Citizens' Home

GOVERNMENT SERVICES

know them better to serve you better

DEPARTMENT OF HIGHWAYS

The construction and maintenance of Alberta's roads is a difficult and expensive task due to the vast distances covered and the extremes of both summer and winter climate. The upkeep of an efficient means of transportation is vital to the economic life of the province. Alberta's trucking industry, operators of bus and school van lines ask for better surfaced roads and highways while farmers ask for better roads to established markets.

The construction and maintenance of main and secondary highways and the licensing and registration of motor vehicles, operators and chauffeurs is the responsibility of the Department of Highways.

SURVEYS BRANCH

The Alberta Surveys Act and the Surveys and Expropriation Act are administered by the Surveys Branch. Land required for the construction of highways and other roads and for the Department of Public Works are surveyed by this branch. It arranges for compensation for lands required for highway construction and damage to personal property arising out of such construction. All plans for roads, townships, sub-divisions and townsites are arranged by the branch and examination and approval of such plans is required. An accurate record of plans and maps is prepared and preserved. Permits for all right-of-way for oil and gas, water, sewer and power transmission are issued by the branch after examination of plans for such projects.

MAINTENANCE BRANCH

The upkeep and repair of main and secondary highways, construction and maintenance of district highways and roads in improvement districts are some of the duties of the Maintenance Branch. Where assistance in the form of government grants is given for construction of roads in counties and municipal districts this branch supervises such construction. Ferry construction and maintenance, snow removal, repairs to highway surfaces, centre stripping, bridge and culvert repairs, regravelling, erection of warning and railway crossing signs and traffic counts are handled by the Maintenance Branch.

MOTOR VEHICLES BRANCH

The Vehicles and Highway Traffic Act, The Motor Vehicles Accident Indemnity Act, The Public Service Vehicles Act and portions of other acts involving the purchase and sale of motor vehicles are administered by the Motor Vehicles Branch. The registration of all types of motor vehicles, drivers and chauffeurs is the responsibility of the branch. Issuing of regulations covering the operation of commercial vehicles in the province and The Public Service Vehicles Act administration are the duties of the Highway Traffic Board.

Other services of the Department of Highways include The Bridge Branch . . . The Construction Branch . . . The Locations Branch . . . The Accounts Branch.

Sixteen Years Ago

FEB. 12, 1942

Dr. W. H. Scott and Cliff Porter headed the race for aldermanic honors in Vermilion on Monday and will thus be members of the town council for the next three years, in the natural course of events. Defeated candidates were Jas. J. Part and Melvin Hill.

SIX RINKS AT MANNVILLE BONSPIEL

The Vermilion Curling club is well represented at the Mannville bonspiel which started on Tuesday of this week, there being six rinks entered there. No doubt by the time this appears in print the spiel will be practically completed. The Vermilion rinks are H. R. Parker, S. C. Heckbert, Ed Corley, E.M. Stewart, Jack Beresford and Harry Marfleet.

OIL PLANT NOW ON CONTINUOUS OPERATION

The oil conditioning plant of the Vermilion Consolidated Oils Ltd., is now on regular schedule and is operating 24 hours per day. One car of fuel oil, containing 250 barrels or about 8,750 gallons, is being loaded daily. Contracts call for this to be stepped up to two cars per day after the first of March and three cars after April 1st. The output of the plant is being purchased by the Canadian National Railways and is taken to Jasper for use on the [illegible]

Tips on Touring

By Carol Lane

Woman's Travel Authority

You'll have less trouble starting your car these cold mornings if you will follow this routine:

1. Shift into neutral and step on the clutch to free the transmission and ease the engine turnover.
2. Before you turn the ignition key, push down on the gas pedal two or three times. This primes the engine so ignition will take place quickly.
3. If your car has a hand-operated choke pull it out all the way.
4. Turn ignition key on, then to starter position. If the engine doesn't respond, release starter key and try again.
5. When the engine starts depress the accelerator slowly to avoid flooding the engine. Push the choke three-quarters of the way in. Give the motor a few minutes to warm up, then push choke all the way in.

And most important — never race a cold motor. Let it idle for a few minutes before you back out of the garage.

LOCAL NEWS

To Attend Rescue Course at Arnprior

Albert Hareuther, deputy chief of the Vermilion Fire Brigade will leave by TCA Saturday evening for Arnprior where he will attend the Civil Defence College. Albert will take a two weeks' course in rescue work.

Mrs. E. Filgate attended the funeral of her son-in-law Charles H. Royer in Bowmont on Friday Feb. 7. Mr. Royer passed away on Tuesday Feb. 4. He leaves to mourn his loss his loving wife, two children, Wayne 14 and Shirley 10 years.

Coach of the Ross Sheppard high school curlers who won the northern Alberta championship recently is none other than Clarence Welsh, who now goes by his first name George. George is a Vermilion man, at least he grew up here and probably watched many a curling game in the old rink. Clarence lost his number 1 skip when young Johnny Trout who attends Ross Sheppard was ineligible because his marks were not high enough. Johnny it will be recalled, was one of the best four in the British Consols playoff.

James A. Smith returned home from the sessions of the House of Commons on Wednesday of last week.

CORRECTION

An error occurred in setting the story of the United Church annual meeting which appeared in last week's Standard. Figures became mixed and these should have read as follows: Missionary and Maintenance Fund $1139.43. Memorial Fund $424.71.

CARD OF THANKS

I wish to express my sincere thanks to Dr Stephens and the nursing staff of the Vermilion hospital, and would like also to thank my friends and relatives for the lovely gifts, flowers, fruit and cards, also for the [illegible] shown to my husband and daughter by neighbors and friends while I was in the hospital.

Wins Prize At Bonnyville 'Spiel

A rink composed of Newt Cooper, skip, Andy Hlus, Irvine Gordon and Len Kohn played in the Bonnyville bonspiel last week and brought home first prize in the third competition. The boys lost their first two games and then clicked for five consecutive victories to annex the big prize of the event.

Social Credit-ers To Nominate at Viking February 26th

Social Crediters of Battle River-Camrose Federal Constituency will nominate at Viking on Wednesday, Feb. 26th. Registration of delegates starts at 12 noon and the convention convenes at 2:00. Accredited delegates must be members of the Alberta Social Credit league and appointed as delegates from the Social Credit locals or polling divisions.

The Battle River-Camrose seat is held in the last House by Jas. A. Smith of Vermilion. Mr Smith will be nominated at the convention. He was first elected to the House of Commons in the by-election of June 1955, again in the general election of June 10, 1957. If he is once again the Social Credit candidate he will have conducted three election campaigns in less than three years.

The decision to hold the nominating convention at Viking on Feb. 26 was made at an executive meeting of the Social Credit [illegible] Smith, Hon. Anders O. Aalborg, Chester Sayers, M.L.A. for Camrose, [illegible] M.L.A. [illegible] and John Holman of Sedgewick [illegible]

How about your SUB?

Jim and Mary Johnson drop the Standard a line to tell of their recent change of address from Devon to Edson, Alberta. Mr. and Mrs. Johnson invite any friends from Vermilion, Clandonald and Landonville who might be passing that way to stop in and say hello. Jim can be found at Edson Motors any week day.

Mr. and Mrs. Vic Rogers left on Friday last week for Los Angeles where they will spend the next month holidaying and visiting the former's father and mother. The trip is being made by car.

A little surprise pary for Mrs. E. Real took place at her home on Monday the 10th, when a few of her friends dropped in to wish her a happy birthday. A tasty lunch was served by the ladies including a nicely decorated birthday cake. In the course of the afternoon a few pictures were taken. A very enjoyable time was spent by all, after which her friends left, wishing her many more happy birthdays.

The following additional floral tributes were received in memory of Mrs. Clara Christina Eyben: Harold and Lucienne Everett, Albert and Eleanor Cleland flowers to the home: Jack and Lucille Leacock.

Lovingly remembered by her Husband, Sister and Brothers.

IN MEMORIAM

In ever-loving memory of
EILEEN

"I do believe that just the same sweet face
But glorified is waiting in the place
Where we shall meet if only I Am counted worthy in that Bye and Bye.
God never made spirit for spirit answering shade for shade
And placing them side by side So wrought in one, though separate mystified
And meant to break the quivering threads between
I am quite sure we will be very glad
That for a little while we were so sad."

Vermilion Girls Accept Positions At Fairview Hospital

Miss Florence Isley and Miss Patsy Callaghan journeyed to the Fairview hospital to commence duties there on Feb. 1. Pat Callaghan met Patsy and Florence at High Prairie where they enjoyed a visit over the coffee cups at the bus stop. Both girls were doubtful as the country became rougher from Edmonton north to Fairview. On arrival however they think the town is quite nice. The population is 1400 and there are two theatres. The hospital has 46 beds and is very modern. Friends here are wondering if Pat and Florence have located any 'Mukluks' yet.

ENROLLED AS GUIDE

The name of Joan Taylor was omitted from the list of girls who enrolled as guides in the story which appeared in the Standard last week.

The sale will be subject to the following terms and conditions:

The Department reserves the right to withdraw any of the lands from the sale or to include any other lands therein.

Lands sold shall be subject to reservation for existing surveyed roads, or roads hereafter surveyed, provided application for such roadway is made by the provincial authorities prior to the issue of the patent. The areas of lands sold are subject to adjustment in accordance with the revised plans of survey.

Purchasers of timbered lands must take out a permit subject to the usual dues and fees before cutting any timber except for their own use.

Sand or gravel must not be removed from the lands sold until a permit has been obtained from the proper authorities and payment made of the required fee and dues.

The sales will only convey the surface rights of the land and will be subject to the usual reservations in favour of the Crown.

The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at the date of sale. All such improvements are fixtures and shall remain on the land and be the property of the Crown and shall not be removed or destroyed until final payment of the land has been made.

If any improvements are stated in this notice to be the property of anyone other than the Crown then the preceding paragraph shall not apply. The improvements may be sold at the sale but no representations are made and no warranty of any kind is given as to ownership or otherwise.

TERMS OF PAYMENT

On areas in excess of forty acres: Payment in full of the purchase price shall be paid at the time of the sale or one-fifth of the purchase price shall be paid at the time of the sale and the balance of such purchase price shall be paid in nine equal annual instalments, with interest at the rate of 3½ per cent per annum which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid. Any instalment not paid when due will be subject to interest at the rate of 4½ per cent per annum.

Upon a parcel of land being sold, the purchaser shall immediately pay the Clerk of Sale the full amount of the purchase price or pay the amount of the first instalment, and in addition make payment in full for the improvements which are listed here, otherwise the parcel will at once be up again.

Payment sufficient to cover the requirements of the first instalment, calculated on the upset price, must be made in cash, or by marked cheque on any chartered bank of Canada, payable at par at the place of sale, or by certified treasury branch cash order, bank money order, or postal money order. If the amount bid for a parcel of land exceeds the upset price the difference between the upset price and the amount bid may be paid in cash or personal cheque.

Further particulars covering the terms and conditions of the sale may be obtained by communicating with the Director of Lands, Department of Lands and Forests, Edmonton.

Prospective bidders should satisfy themselves as to the quality, etc., pertaining to the lands.

By Order,
V. A. WOOD, Director of Lands.

Department of Lands and Forests,

Dewberry Ladies' Aid Present Departing Member With Gift

DEWBERRY — The monthly meeting of the Dewberry Ladies' Aid was held on Thursday Feb. 6th at the home of Mrs. Wm. R. Young with eleven members and one visitor present. Following the opening hymn, "What a Friend We Have in Jesus," the Bible reading was given by Mrs. D. Munro and Mrs. G. Ewen read from the Upper Room.

Several items came up for discussion and were dealt with as the group saw fit. The Aid catered to the ladies' curling banquet and the proceeds realized were very satisfactory. It was decided to have a tea in March at which a film by Canadian Utilities will be shown. It is planned to hold a flower show later in the year. It was agreed to have each member give a short talk on some topic of interest and Mrs. Ewing volunteered for next month.

Before the meeting closed Mrs. J. Porter presented Mrs. H. Hornigold with a parting gift in recognition of her services as a member of the Aid. Along with it went the good wishes of everyone.

Lunch was served by the hostess assisted by Mrs. Porter and Mrs. N. Jones.

The next meeting will be held on Thursday, March 6th, in the church.

Death and Funeral of Fred Collins of Hazeldine

Father Time has closed the books on another of our early pioneers in the person of Fred Collins of Hazeldine. Mr. Collins came from England about 1898 and worked as a clerk on the railroad from North Battleford to Vermilion. He took out a homestead on the NW [illegible] in the summer of 1905, just north of Dewberry where he farmed for many years before moving to another farm near Hazeldine. He was the first person in this locality to have a grain grinder and did much early custom work with it.

Mr. Collins belonged to many organizations, a member of the Barr Colonists, one of the first directors of the present Farmers' Union, along with Wm. Hawrelak, now mayor of Edmonton, Wheat Pool, U.G.G., local co-ops, school boards and councils. He was always lending a helping hand in local social activities where he often audited the books of same. Mr. Collins was a great lover of trees and had many hedges of different varieties on his farm. His flower garden too, was his pride and joy. As a delegate he travelled to many conventions in the interest of farming. At these meetings and conventions he was widely and favorably known. During the latter years of his life he was often called Grandad by all of the neighborhood children who became very fond of his gentle ways with them.

Mr. Fred Collins was born in 1870 and passed away quite suddenly while watching TV at his daughter's home at Sedgewick, Alberta.

Funeral services were conducted by Rev. Mr. Shortt from the Dewberry United church and interment took place in the Dewberry cemetery.

The pallbearers were all sons of neighbor pioneer families, Rhinall and W. Ile Klemek, John and Joe Maltais, Winston Braithwaite, Nick Romanick.

Besides his wife he leaves to mourn his loss two sons Tom and Herbert of Dewberry; three daughters, Mrs. Bob Trimmins and Mrs. J. Henderson of Sedgewick and Mrs. Avaleda in California, a sister Mrs. H. M. Anderson of Edmonton and 17 grandchildren and one great granddaughter.

Floral tributes were received from:

The Family; Eileen and Bob; Arley, Betty; Wayne; Babe and Chicky and boys; Sis, Jim and girls; Tom, Harriet and family; Herbert, Hep and family; Joyce, John and family; Sam and Laura Gray and family, Mr and Mrs. C. Kinshella; Arley, Betty and Lindy; Dewberry F.U.A.; Dewberry Community; [illegible] and Ralph Brinkner; Mr. and Mrs. [illegible]

How about your SUB?

HOW CAN I?

By ANNE ASHLEY

Q.: How can I remove old putty?

A.: Pass a hot soldering iron, or red hot poker, over the putty. Do not let the iron touch the glass, or it might crack it. Or, cover the putty with soft soap and allow it to stand for several hours, it can then be removed with any sharp instrument.

Q.: How can I remove the brown stains from baking dishes?

A.: By using a strong solution of borax and water. Soak them in this solution over night.

Q.: How can I clean a white felt hat?

A.: Use a mixture of one quart of cornmeal, one cup of salt and one cup of flour. Cover the hat with this and allow it to remain for 24 hours, then brush off. This will clean only the soil, not the spots.

Q.: How can I make use of left-over cereals?

A.: Left-over cereals are delicious when used with cooked tomatoes or creamed vegetables. Cover with grated cheese and bake.

Q.: How can I soften cuticle around the finger nails?

A.: Ordinary table butter has been found very effective for this purpose.

Q.: How can I treat a vase that has an uneven bottom and scratches the furniture?

A.: Cut a piece of felt from an old hat or house slipper and paste it on the bottom of the vase. A thick piece of blotting paper will serve the purpose if no felt is available.

Q.: How can I polish ebony toilet articles?

A.: They can be given a brilliant polish by rubbing a little white petroleum jelly into them with a soft cloth. It is necessary to keep rubbing until the wood has absorbed all the jelly.

Q.: How can I prevent rough hands caused by dishwashing?

A.: Use a good white soap for [illegible]. It will benefit the hands and also the fine china and glassware.

Q.: How can I make olive oil palatable for one who must take a wineglass of it daily?

A.: Many people who will not take olive oil on account of its not being palatable have found if a pinch of salt is added to a wineglass of oil, this is overcome.

Q.: How can I remove castor oil stains from washable fabrics?

A.: Try dipping the goods in alcohol before laundering.

Miss Freda Morris has ceased employment at the telephone office in Lloydminster.

Mrs. Ingver Beisheim is a patient in the Elk Point hospital.

Logs have been arriving in a steady stream at Roy Morris and Son's Sawmill on the shore of Badger Lake. Last week, sawing operations were renewed and truckloads of shiny new lumber were hauled away.

Mrs. Christine Maas is a patient in the Elk Point hospital.

Mr. and Mrs. Leonard Parke made a trip to Cabri last week and on their return they brought Mrs. Parke's mother, Mrs. Knut Larson, with them.

Several power failures came our way last week. The hardest hit with several blackouts were those subscribers living east of the Behrens hill. The subscribers to the west of this hill were affected only a couple of times. Power authorities stated that the increased volume of hoar frost prevalent at the time was mainly responsible for interruptions.

Betty Beisheim was a patient in the Elk Point hospital for a few days last week.

It's pleasing to see Mrs. M. Trimble back again in the district after a stay in Edmonton.

The Alex Nolins have left on a rambling trip which took them first to Belbutte, Sask., to visit their daughter June, and her husband. From there they plan to go to Gull Lake and on to Calgary. We understand their plans from there on were uncertain.

4H Clubs Active At Marwayne

MARWAYNE — The Beef and Grain Club held their regular monthly meeting Tuesday Feb. 4th in the school, with a good attendance. Roll call was answered with land location.

It was decided to sell calves at the Lloydminster Calf Show and Sale around June 1st.

The project talk was given for the Calf Club by Eunice Gray on "Points to look for in Choosing a Beef Calf." Allen Midgley gave a Grain Club talk on "Points to Look for in Judging a Grain Sample," and Leonard Holwaychuk spoke on "Preparing a Seed Sample." Following this, Morley Douglas, Asst. D.A., Vermilion, gave an interesting talk on the formation of a Swine club.

A lively debate between the two clubs took place "Grain Club vs. Beef Club." Donald Kvill and Ron Golightly of the Beef club against Terry Dow and Bobby McClean of the Grain club. The Beef club was declared the winner by Mr Douglas. Lunch followed which ended the meeting.

On Wednesday night, Feb. 5th a tobogganing party was held north of town with a good number attending despite the cold.

At the Grain Club re-organizational meeting held in January the following were elected: President, Mervin Olmstead; Vice-President, Bert Quist; Secretary, Grace Hale; Club Reporter, Terry Dow.

[illegible]

The Clothing Club held their meeting on Tuesday evening Feb. 4th in the school with a good attendance. Miss Craig, D.H.E., and the mothers were present. Roll call was answered by "Hints on Good Manners."

Miss Craig welcomed the girls into her circle of clubs and hoped that they would get enjoyment and much benefit out of their work. Miss Craig also answered many questions from the girls and the mothers.

Gertrude Tupper thanked Miss Craig for coming to the meeting.

Shirley Hale gave a talk on "What I Get out of the 4 Club." Shirley Gordie, Isabel Gray and Gertrude Tupper gave a skit. Jackie Crichton, in charge of entertainment, had a contest on naming materials. A very tasty lunch was served. The next meeting will be Feb. 18th.

World progress is achieved by people who do things that others have declared impossible.

Prime Minister To Give Campaign Speech in Edmonton

EDMONTON.—Edmonton Progressive Conservative headquarters reports that Prime Minister John Diefenbaker will give a major election campaign address in the Jubilee Auditorium here March 8th.

It will be the first time Diefenbaker has spoken in the Alberta capital since he was elected tory party leader in December, 1956. He is scheduled to spend one day in Edmonton on his tour of Western Canada next month.

The Prime Minister will speak to conservative supporters in Calgary March 14th on his return journey across the prairies.

Form 4H Beef Club At Preston

In November a 4H Beef Club was formed at Preston. Mr. Buckingham attended and gave a very interesting talk. The leaders and officers are:

Club leader, Mr Holte; Assistant leader, Mr. Leighton; President, Mary Gibson; Vice-President, Adam Smith; Secretary, Joan Dibben; Press Reporter, Ernest Sweeney.

The second meeting was held on Jan. 20th when Mr. M. Douglas, assistant DA., gave a talk on the objects of the Club and keeping supply records. The talk was much enjoyed by all present.

Next meeting will be held on Feb. 17th when some films may be shown. Lunch committee — David, Allister, Adam and Ernest. Linda and Joan will give a talk on how to select a club calf.

Two Fire Calls To Borradaile

The Vermilion Fire Brigade went out on two calls during the past week, both to the Borradaile district. The first was to the residence and office of the Pool elevator, and the other to the house on the Johnson farm occupied by section worker Bill McGaughey. The fires were put out with very little damage being done in either case.

Mannville Farmer Buys Landrace Pigs

BUFFALO COULEE ACTIVITIES

Bonspiels seem to be the thing for all kinds of organizations and Farm Forum is no exception. The Waskawa Forum tried a new venture this year and sponsored a bonspiel at Vegreville on Feb. 8 for all Forums of N.E. Alberta.

It proved a most successful affair with seventy-six rinks participating. Quite a number of women and men who had never thrown a rock before really seemed to enjoy themselves. One rink from near Vegreville, made up of two ladies and two men, whose combined ages were two hundred and sixty-seven years was skipped by Philip Gafka. They proved to be real sports right to the last.

Two rinks from the Auburndale Forum and two from Edenvale, with some extra supporters, also took part. All rinks played three, six-end games with a point system being used, four points for a win and one point for each [illegible]. The Auburndale rink comprised of Ernie Gabrielson, skip, Ruby Larsen, third, Allan Cuningham, second and Ruth Everett, lead were successful in winning the trophy prize for the highest number of points. The other Auburndale rink of Gordon Larsen, Lester Wear, Willie Cleland and Evelyn Cunningham were third and the Eyben rink, Bernard, John, George and Henry were tied for fourth. The second rink from Edenvale, Harold, Albert and Loretta Cleland and Lorentz [illegible] lost their first game and so were out of the running.

The draws and scores were very capably handled by Mr. Wil[illegible], Wheat Pool elevator agent at Inland. Everyone went home hoping it will be an annual affair, thanks to Waskawa Forum [illegible] all who worked to make the day such a success.

The B.C. mens bonspiel is being held the week of Feb. 17 so good weather is hoped for, as bad roads make it difficult to get around in the country.

The Autumn Leaf W. M. S. met at the home of Mrs. F. H. Eyben last Thursday. Articles for a layette were turned in and a crib quilt was quilted during the afternoon. These along with some good used clothing are to be sent to Vancouver for overseas relief.

We were very pleased to have Mrs. Albert Carlson and her daughter Clara (Mrs. Winge) from Portland at the meeting and also Miss Lily Eyben.

The central meeting of the Auburndale W.A. groups is to be held on Mar. 6 at 8 p.m. at the home of Mrs. Forrest Seale in Battleview. Mrs. Mckay of Vermilion is to be guest speaker. Let's have a good turnout ladies.

Congratulations to Bert and Ernie Duncan on the birth of a son in the Vermilion hospital on Feb. 7.

"Education" To Be Discussed On Farm Radio Forum

"Education—who should Pay?" is the subject for discussion on National Farm Radio Forum, February 17th. The broadcast will originate from Ottawa where the Canadian Conference on Education is taking place.

Gordon Hawkins, Associate Director, Canadian Association for Adult Education will chair the broadcast panel consisting of Mrs. C.T. Armstrong, president of the Farm Women's Union of Alberta; Dr. George Flower, Director of the School of Graduate Studies, Ontario College of Education, Toronto and Mr. Stan. Deakes, Managing Director of Industrial Foundation of Education, Toronto.

The advent of the Russian 'Sputnik' has created a great deal of interest in the standard and emphasis on science in Canadian schools. Are our children being fitted with the kind of education necessary in this new scientific world? How are schools to be financed in the future? Should there be federal aid to education? Should the provinces carry the main burden? Discussions of these questions and others will occur in Farm Forums across Canada when they consider the topic "Education—Who Should Pay?"

SCARLET FEVER

The odd case of scarlet fever occurs from time to time in the district and it is important that parents understand the disease and the precautions to take to prevent its spread throughout the community.

It can only be contracted from a previous case and the germs are contained in the secretions of the nose, throat and discharges from the ears. Therefore great care should be taken in handling all handkerchiefs, bed linen and utensils used by a patient.

A mild unrecognized case handling milk or uncooked foods may transmit the disease to others.

Symptoms of the disease are sore throat, headache, fever, vomiting and 'strawberry tongue'. The rash appears within 24 hours and is first seen on the chest and then spreads rapidly over the whole body. During an epidemic all cases of sore throat should be regarded as suspicious and quarantined until a diagnosis is made.

TREATMENT

Isolate the patient and send for the doctor. If the case is treated by a doctor the isolation period is one week, otherwise, three weeks isolation is necessary. All contacts under 18 years of age must be quarantined for the duration of the case. Contacts over 18 years of age may not continue in any occupation involving contact with children or the handling of food.

The patient should be kept in a warm, well ventilated room and given a light diet with plenty of [illegible]

The person looking after the patient should wear a special overall while in the room, which should be removed and the hands thoroughly washed before leaving the room. All things used by the patient should be disinfected and the room thoroughly aired. Care must be taken that infected articles from the sick room are destroyed or disinfected before going back into general use.

PROTECTION

One attack usually protects for life but second and third attacks have been recorded. Inoculations with anti toxin are not now given as even after five injections the person was not fully protected as there are so many strains of the germ causing scarlet fever.

The best protection against the disease is attention to the general health of the children: good food, plenty of sleep and fresh air to keep the resistance to disease high. At the same time strict attention to isolation and quarantine will prevent the disease spreading to others. If in doubt, keep your child at home as the first 24 hours of illness are the [illegible]

BIG GAIN FOR VOLKSWAGEN

Canadians bought nearly 22,000 new Volkswagen cars in 1957. If that seems like a dull statistic, says Rodney Touche in The Financial Post, note this.

It's a gain for Volkswagen Canada Ltd. of 60% on 1956.

It adds up to $34 million, retail.

Volkswagen is now the seventh biggest seller in the Canadian new market.

The order is Chevrolet, Ford, Pontiac, Dodge, Plymouth, Meteor, Volkswagen. In one province, Nova Scotia, Volkswagen has 40% of the market.

The Bible plainly shows that there is going to be World Government on this earth. The capital of the world is going to be Jerusalem. The Head of this Government is going to be Jesus the Christ, our Lord and King. Under His reign for the next thousand years there is going to be perpetual peace with the Laws of God administered, enforced and obeyed by the people of all nations. The standards of civilization, social conduct, decency and fair play will be those enunciated in the Commandments, Statutes and Judgments of Almighty God. WOODVALE NOTES

Curling is still very much in the news in the Telland area. Not only do foursomes travel regularly to the Preston rink, but play-offs in Vermilion always attract the men folk there. Knute Solin, Art Lyseng, Bill McGrath and Bud Graham tried their luck in the Briar eliminations, had a good time, but did not come out on top of the heap.

We are sorry we missed mentioning that Elmer Wolters went to Edmonton in January to take a diesel course; also that Mrs. A. McQuid went to Calgary to visit her daughter and that Fred Slocum was in the Vermilion hospital.

Sincere sympathy is extended to the Telford and Thompson families on their recent bereavement, the death of their mother Mrs. J. Thompson, who lived for many years in the Woodvale district and who had, besides her children, many friends here.

Mr. and Mrs. Harry Portsmith received word from their son Bernard, that he will leave for a post at the Canadian Embassy in Moscow in August. He received and is still getting training for this interesting assignment.

Bill McGrath and Ralph Martinson travelled to Edmonton to see the Ice Capades.

The writer is going away for a little while and would appreciate it very much if someone would take over sending in news to the Standard from this district. We are finding it increasingly hard to discover what is happening around here and feel that some person who is more in touch with community activities would do a better job.

CHEAP TOURS

Canadian students with $685 (or more) can take a conducted tour of Europe this summer, reports The Financial Post. Tours run from 35 to 60 days and start weekly from June 20 to July 18. They are conducted by 'prominent educators.'

Despite the growth of secondary manufacturing in Canada since the war, manufacturing's share of the Gross National Product has been declining percentage in recent years due to the rising volume of imports of manufactured goods.

—*Quick Canadian Facts.*

The current psychiatric story is of the distraught wife who reported that her husband thinks he's a cow. "All day long," she said, "he stands in the back yard, eating grass." The psychiatrist explained that this probably was a temporary eccentricity

and there really was nothing to worry about. The woman, comforted, asked for the bill. "That'll be $50," said the doctor. "I can't afford that much," said the wife. "How about $20 in cash and 100 quarts of milk?"

Two strangers stood on a Budapest street corner admiring an automobile parked at the curb.

"My, that's handsome," said the first. "The Russians certainly know how to make an automobile."

"That's not Russian," the second man answered, "don't you recognize an American car when you see one?"

"Of course I do. I know it was an American car, but I had no idea who you were!"

The young bride hadn't done too well in her first encounter with the cookbook and gas range.

Telephoning her mother, she sobbed "The cookbook says, 'Bring to a boil on a brisk fire stirring for 2 minutes, then beat it for 10 minutes,' and when I came back it was burned to a cinder."

"Let's try something different—let's split a case of beer!"

OUR LETTER FROM EDMONTON

Federal Election Campaign Will Likely Be Felt in Alberta Legislature

by KEN MASON

EDMONTON — Well, it seems that once again the peaceful Alberta countryside is going to reverberate to the thunder and crash of a federal election campaign.

The announcement by Prime Minister Diefenbaker was inevitable in view of the awkward situation when a minority government is in power, even if it does seem too soon for another general election. One thing is for sure: no one can say the political scene in Canada has been dull these past few months.

One of the main battlefields in the federal campaign undoubtedly will be the Alberta legislature. The date of the election, March 31, falls nicely during the legislative session.

Don't be surprised if politicians of all parties use legislature debates as a handy platform for giving out with propaganda at the federal campaign level.

Look for the three Progressive Conservative MLA's in particular, to put on a bigger show than they have in the past. Last June's results should give the Tory party in Alberta a shot in the arm. J. Percy Page, P C House leader, has already predicted the Tories will gain two extra seats in Alberta and three in B. C.

He could be right. The Tories think they have a good chance of picking up Edmonton-Strathcona (they came remarkably close in June) and, in view of the party's success, it might not be hard to nab another. Of course, Social Credit is still a potent force in Alberta.

Whatever happens, the next couple of months will be anything but dull. And if the excitement dies down later on, that situation will be only temporary, because 1959 is very likely a provincial election year.

Full marks to Alberta Highways Minister Gordon Taylor for his appearance before the U. S.-Alaska International Rail and Road Commission in Washington, D.C., last week.

Mr. Taylor went to Washington to present the case for Alberta retaining the major share of traffic between Alaska and the mainland United States.

As a result of his appearance, the commission decided to include Alberta in its studies. Under its original terms of reference, it was restricted to studying possibilities of routes through British Columbia. The commission was set up to explore the development of new links between the U. S. and Alaska.

Mr. Taylor argued that Alberta provides the 'most logical' location for additional traffic, and added that the route through Alberta would serve as 'the most easily defended, durable route in times of emergency.'

The commission has already scheduled a visit to interior B.C., but now that it has learned about Alberta it may also visit this province.

PINK CARD RECOGNITION

Alberta's pink financial responsibility cards may soon be valid in British Columbia and Manitoba. It was announced last week that a reciprocal agreement has been reached with Manitoba, and government spokesmen said it is hoped B.C. may soon come in.

The agreement is the first between any two provinces, but Highways Minister Taylor says he hopes it will lead ultimately to reciprocal agreements between all provinces.

Last week's announcement means Alberta pink cards are valid proof of financial responsibility in Manitoba, and it is no longer necessary to obtain a Manitoba non-resident card.

COMMISSION ON ENERGY

The Borden royal commission on energy opened hearings in Calgary last week, and while no promises were made it appeared likely Premier Manning's request for an interim report will be granted.

Mr. Manning has asked for a report on oil and natural gas, mainly so the federal government can establish a national policy on gas export. The Premier says lack of such a policy is stifling development work in Alberta.

The commission is devoting the first phase of its study to oil and natural gas.

Solve a Crime

BY A. C. GORDON

The girl with the startlingly bleached hair and the overly made-up face is angry and defiant as she stands before you in your office.

"It was Steve Wayne who killed Mike Mitchell. I saw the whole thing," she cries.

"You're telling us about this today," you say. "Mike Mitchell was killed more than two months ago. If you've known about this all the time . . . . "

"I know all about that," the girl breaks in. "You can take me in for withholding evidence or information or what have you. I don't care about that. I was Steve Wayne's girl . . . or, I thought I was. But it wasn't until today that I found out for sure that he's been cheating on me . . . playing me for a sucker. Going around with that silly-looking, redheaded Lillian Clark. I know what town he's in now, too, and she's with him. He can't treat me this way and get away with it!"

"What proof have you that Steve did the killing?" you ask.

"Well, for one thing I can take you to where he hid his gun. I know you can match it with the slugs you probably dug out of Mike's body."

You accompany the blonde girl to a lonely wooded spot about three miles out of town. She rummages around with her high-heeled shoes through the leaves under a tall elm tree, and finally points down to a place on the ground. You dig down about a foot into the damp soil and come up with a .45 calibre Colt. After peering down its wicked looking glistening barrel, you then take note that there are still three unfired cartridges in the chamber. You, of course, remember that Mike was shot three times.

You glance up and catch the girl's disdainful gaze on you, and then you say, "You're in this pretty well, too, you know. You claim you saw Steve Wayne shoot Mike Mitchell. I can take you in and hold you as an accessory before the fact — and after the fact, too."

"We've been all through that," she exclaims. "Do whatever you like. I just want to see Steve burn for what he's done to me. I've told you I saw him shoot Mike, and I saw him hide the gun afterwards. What more do you want out of me?"

"I want a little more of the truth out of you," you retort. "You have been lying to me!"

How do you know this?

- - -

SOLUTION

Surely, if the gun had been buried in the ground for more than two months after the shooting as the girl claimed, it would have been rusty. But you looked down its glistening barrel!

BOWTELL BULLETIN

The prizes at the card party held at the Harrison home went to the following ladies: Beverly Sherwood, Donna Ray Harrison and Frances Sherwood. Gents prizes went to Bill McGaughey, T. Sherwood and Jim Repp. It was nice to have Mrs. C. Gannon with us.

Jack Caro of Cold Lake and sister Bertha of Edmonton spent the week end here visiting their parents.

Mr. and Mrs. J. Repp and T. Sherwood motored to Edmonton Tuesday. Mr. and Mrs. E. Williams were visitors to the same city for a few days.

We were sorry to learn Charlie Pearman's father has been quite ill and also that Charlie's sister's mother-in-law was killed in the three car accident at Lacombe.

Two fires were reported in our district recently. One at the Wheat Pool elevator and one at the home of Mr. and Mrs. McGaughey. Due to the prompt action of neighbors and fire brigade, the damage wasn't too serious.

We would like to draw attention [illegible] to our telephone subscribers — one long ring, one half minute is an emergency call.

We are pleased to report at time of writing, Logan Gow is down visiting in California after being to Rochester. We understand the Doctor ordered a holiday.

Mr. and Mrs. Wells and family of Paradise Valley were guests for supper on Sunday at the home of the writer.

Mrs. Knutson visited Tuesday at the home of Mrs. O. Repp.

Grandma Jones is spending a few days in Edmonton this week.

February meeting of Loafers' Lodge was held at the home of Mrs. McGaughey. Mrs. F. Robinson won the lucky draw. The next meeting will be held at Mrs. Harrison's and the card party at the Robinson home on Feb. 14.

Noticed around—The hall kitchen being remodeled and nice cupboards installed. Fred and Larry Playne, Mr. and Mrs. B. Risdale and Brian visiting Sunday at the Sherwood home.

Wildmere Women's Institute Notes

The Wildmere W.I. held their monthly meeting at the home of Mrs. W. T. Garnett on February 6th. The president was in the chair, there were 9 members and two visitors present, Mrs. David Dibben and Mrs. Robert Smith. Mrs. David Hughes called in later.

The meeting opened in the usual manner and for roll call each member named a house plant. Minutes of the last meeting and the treasurer's report were read and accepted.

Mrs. Fred Haines, Social Service convener, gave her report, and presented Mrs. Frank Gibson on behalf of the W.W.I. with a silver engraved baby spoon for her little daughter Ruth Rosalind.

A letter from Mrs. Percy Sloan, thanking the branch for the welcome given her at the January meeting was received.

An invitation from the Happy Centre W.I. Mannville, asking members to attend the special meeting on Feb. 10th at Mannville to hear Mrs. Bielish, our district director, speak on the National convention of the W.I. which she attended last October in Ottawa.

A blanket was donated to the Preston Central school for use on the bed there, when at any time the children do not feel well.

A long letter from Wildmere's pen pal Mrs. John Davis of the Brabon W. I., Lancashire, Eng. was received. She told of a trip with her husband to Jamaica last summer and of one of their members attending the Associated Country Women of the World's conference in Ceylon in December last. She also sent to the branch the Home & Country magazines for the past year of the British Women's Institutes and their last year's program book.

The topic was given by Mrs. Charles Sweeney on "London, the Heart of Empire". It told of the city's long history, from the beginning to the present day.

Two more parcels were added to the Xmas hamper. Johnny Jump Up was won by Mrs. Ray Osterberg.

The next meeting will be held at Mrs. W. J. Garnett's home on March 5th. Roll call will be, 'A favorite magazine or newspaper you like and why'. Topic, by Mrs. John Wilson; Social, Mrs. Charles Sweeney, lunch, Mesdames Cruthers, Dibben and Garnett. Project — subscription to the Canadian Association of Consumers.

A man cannot expect to make a place in the sun for himself without acquiring some painful blisters.

the Snapshot Guild

Snapshots like this—tucked between the pages of a letter or placed in a special folder—will be welcomed by family and friends.

Snapshots Make Your Letters Welcome

How many times has something like this happened at your house? You get a batch of wonderful snapshots back from the photo-finisher, and immediately decide you must enclose a picture or two in your next letter to Aunt Mamie or Cousin Fred. But somehow weeks slide by and the letter just doesn't get written—or if it does, it's posted without a picture because the prints have already been put away.

Well, we think we've found the answer to this little problem. Next time you pick up a set of prints at your camera store, take a look at the attractive folders—complete with envelopes — that are available for your convenience. Aptly enough, they're called "friendship folders"—and each is especially designed so that a wallet-size print may easily be inserted. Four little slits hold the corners of the snapshot firmly in place inside the folder.

One of these folders we particularly like has a colorful scene of a house, lawn and trees on the front cover along with the words "Just dropping in to say . . ." Inside, the message continues, "Hello—Now I'd like to see one of you," and an open door reveals the space in which a snapshot is to be inserted.

All you have to do is slip in your snapshot, tuck the folder into its envelope, address it and send it on its friendly way to someone you're thinking about. Some folders are available with Happy Birthday greetings printed on them, others, without any printed message, may be used for any occasion or as party invitations and special announcements.

I.O.D.E. Offer $100 For Best Play

The Imperial Order Daughters of the Empire, Provincial Chapter of Alberta, has generously offered an award of $100 for the best one-act play submitted for competition. The purpose of this offer is to encourage Alberta playwrights, and to foster the production of Alberta plays by theatre groups within the province.

The competition is open to anyone residing in Alberta, over 18 years of age.

The play shall be an original one-act play only, of such length as may be acted within 45 minutes, but not less than 20 minutes playing time.

Plays should be written or typewritten on standard size bond paper, double spaced, on one side only. A description of the setting, time and place should be included, with a floor plan of the setting and a list of the required properties.

For further particulars apply to Miss Fulcher, Educational Secretary for Frog Lake Chapter I.O.D.E., Vermilion.

All plays must be in the hands of the Department of Extension, University of Alberta, on or before April 15, 1958. 20-1

Unless a man is doing all he can he is doing less than he should.

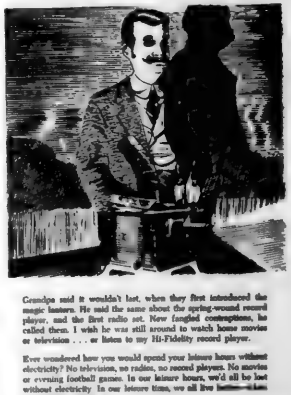
ON WINTER NIGHTS THERE WAS ALWAYS THE MAGIC LANTERN



Grandpa said it wouldn't last, when they first introduced the magic lantern. He said the same about the spring-wound record player, and the first radio set. New fangled contraptions, he called them. I wish he was still around to watch home movies or television . . . or listen to my Hi-Fidelity record player.

Ever wondered how you would spend your leisure hours without electricity? No television, no radios, no record players. No movies or evening football games. In our leisure hours, we'd all be lost without electricity. In our leisure time, we all live better—as we live electrically.

CHATSWORTH CHATTER

It appears that more people than we had realized look for our 'Chatter', so will try to contribute more regularly. Some of these items are a bit late, but perhaps still of interest.

On Jan. 10, a whist party was held at the school, with a good crowd in attendance. There were nine tables, and winners were: Ladies 1st, Mrs. Erich Ludwig; 2nd, Mrs. Cyril Davis and Mrs. John Wilson, tied: (Mrs. Davis winning on highest cut) and consolation, Mrs. H. Henningsen. Gents 1st, Ken Thompson, 2nd, Orest Mlalk: consolation, (tied), Gordon Nelson, Kenny Ludwig, Don Mlalk and George Barton, Gordon Nelson emerging the winner.

Weather throughout January has been most conducive to visiting and social doings, as roads have remained open until this past week. Some snow plowing has been done, and with the rather high wind of Sunday (9th) there will quite likely be need for more.

During January a number of meetings were held. On Jan. 13, there were 18 in attendance at the F U A. meeting held at Henningsen's at which P. Taylor reported on the convention held in Edmonton in December. On the 14th, there was a showing of films at the school under the sponsorship of the U. G. G., which were enjoyable and attended by a large crowd. Lunch was served afterwards by the ladies of the community. A Community Association meeting was held at J. K. Thompson's on the evening of 21st, with a goodly number also present. The entire slate of officers was re-elected, namely: J. K. Thompson, Pres; J. Farcash, Jr. Vice-pres; and Mrs. J. K. Thompson, sec.-treas. Directors are H. Henningsen, Mrs. R. Wilson, Albert Tovell. The Ottawa Mutual Telephone meeting was held also in January at the school.

On Jan. 24, the Community Association held a whist party at the centre, seven tables being played. We were pleased to welcome friends from the Carleton district Mr and Mrs. R. Walker, Mr. and Mrs. Colpitts, Mr and Mrs. Cliff Hollen and L. Anderson. Winners were, ladies 1st, Mrs. J K. Thompson, 2nd (tied) Mrs. R. Walker, and Pat Thompson, Pat winning on highest cut, and consolation Mrs. J. Farcash Jr. The gents' prizes were taken by Mr Colpitts, 1st; Ken Thompson; and the consolation was won by Joe Farcash Jr.

On Jan. 17, a party consisting of Mr and Mrs. E. Ludwig, Mr. and Mrs. H. Good and the Henningsens attended a whist party at Carleton, and on the 31st, Ludwigs', Henningsens' and Ken Thompson journeyed there also from this district and J. Thompsons' from town.

On Feb. 8, a crokinole drive was held at Chatsworth, and in spite of the chilly weather, there were seven tables in play. Matt Farcash was responsible for this party, and tho' his mother was away, he did a creditable job. The winners were ladies, Mrs. E. Ludwig, Mrs. Albert Tovell and consolation was won by Mrs. J. K. Thompson. Gents prizes were won by [illegible] Albert Tovell and [illegible] by W. Jaraseo. Visitors from Carleton were Messrs. J. Coats and [illegible]. The coffee was [illegible] and donated by Mrs. Erich Ludwig.

Mr. and Mrs. Steve [illegible] were visitors in Edmonton last week.

Mrs. Julia Farcash is ill in hospital this week. Here's best wishes for a speedy recovery.

Mrs. Cyril Davis is visiting in the east, with a sister at Kingston. She expects to be away for a couple of months.

The January meeting of the Chatsworth Country club was held at the home of Mrs. Steve Sturt in town and there were 17 in attendance with a very enjoyable afternoon spent. Reports were heard re the Christmas concert and tree, which was held at the school on Dec. 20.

Donations were made to the polio and multiple sclerosis funds. It was planned to have some films shown at the Feb. meeting which is to be held at Mrs. Joe Farcash Jr. on Wed. 19th. Sick committee named was Mrs. Sturt and Lillian Hutchinson.

We are certainly pleased to see the Old-Timer's Centre at last coming into its own. Perhaps it is not too common knowledge that this building was erected by the volunteer efforts of the old-timers of the Vermilion communities of U. F. A. locals. Everything which went into it was donated, in the line of labor, articles of furniture, etc. However, the facilities available were abused—practically everything movable was stolen. A committee of three ladies of the United Farm Women of Alberta locals was left in charge, with intended use of the building being suspended. It is now fitting to see it back in the use for which it was originally intended, and we're sure that those who are responsible are happy to see it so. Let us give credit where credit is due.

The district extends deepest sympathy to the Telford and Thompson families in the loss of their mother, Mrs. Beulah Thompson. As Mrs. Telford, she made her home in the Chatsworth district for many years.

To Mr. and Mrs. B. Klashinsky, one-time residents of our district also, we extend congratulations and all good wishes on the occasion of their Golden Wedding anniversary on Jan. 13. May they celebrate many more happy years together.

Canada's 1957 mineral production reached the record value of $2,134 million, compared to $2,085 million in 1956. In value of production Alberta displaced Quebec for second place to Ontario in the year.

Paradise Valley

The annual meeting of the Paradise Valley United Church W.A. was held on Tuesday afternoon, Jan. 7 at 2 p.m. at the home of Mrs. Wolf with Mrs. Rose Hirsch as co-hostess. Reports of committees on the year's work were heard and the president read the constitution. The W A decided to take over the responsibility of [illegible] the M & M fund each [illegible]. The benediction was [illegible]. A delicious lunch was [illegible] by the hostess. The next meeting will be held at the home of Mrs. Thibodeau with Mrs. J W. Guy as co-hostess.

SCIENCE IN YOUR LIFE

Caught In The Draft

The cold season is coming, but icy drafts may have no direct connection with the sniffles, sneezes and hoarseness that are common signs of winter weather. Recent studies in England suggest cold weather helps spread such ailments mostly because people huddle together in crowded buses and trains.

Crowding during winter is difficult to avoid, and so are the ills that often follow. Once you catch cold you might as well resign yourself to a couple of weeks of nursing your symptoms. A scientist at Johns Hopkins University has developed a vaccine which appears to be effective in preventing one type of cold virus from causing trouble. But as far as a cure is concerned, medical science can't do a thing.

The best thing anyone can do is try to ease the annoying symptoms. Cutting down on smoking is sensible, and it's a good idea to take in plenty of fluids such as fruit juices at the first sign of a sniffle or sneeze. Mild nose drops and aspirin will help tide you over, too. Candettes — antibiotic lozenges sold at drug [illegible] — will help ease a scratchy throat.

If a sore throat persists, be sure to see your doctor at once. A serious throat infection may not stop there; so don't trifle with it.

And if it is possible for you to avoid crowds, give it a trial. You may manage to go the whole season without a single cough or sniffle!

LANDRACE SWINE BREEDERS FORM ALBERTA ASSOCIATION

On Feb. 1st a meeting was held in the 4-H club rooms at the Edmonton Exhibition grounds for the purpose of forming an association of Landrace swine breeders in Alberta. Forty-one interested breeders attended from all parts of the province and a very [illegible] enthusiastic meeting resulted. Mr. W. H. T. Mead, Livestock Commissioner for Alberta and Dr Roy I. Berg, Department of Animal Breeding, of the University of Alberta, both gave very inspirational talks to the group.

The following are the executive elected to act until the first general meeting of the Alberta Landrace Swine Association.

President — C. M. Cleve, Edmonton
1st Vice-Pres. — Elwood Meyers, Vulcan
2nd Vice — Ray Jorgensen, Chancellor
Exec. Dir. — Dick Hill, Edmonton
Sec.-Treas. — Sten S. Berg, Edmonton Exhib. Assoc.
Directors — Al Aitken, Innisfail and Stan Price, Acme.

A charter membership was purchased by 41 breeders attending the meeting.

At a meeting of the executive and directors following the general meeting it was decided that a membership fee of $5 be levied for this, the first year of operation.

The secretary would be very pleased to hear from anyone breeding Landrace or [illegible] interested in this newly-formed association.

Sound Suggestion

Two members of the Canadian Trade Mission to the U.K. have made a very sound suggestion, thinks The Financial Post. Let's have far less emphasis on this 15% diversion of business from the United States and simply go ahead and boost our trade with Britain, they say. It is not good business to continue stressing trade diversion from Canada's best customer. Such talk is likely to hurt Canada in the U.S. and it is bound to be misunder-[illegible]. After all, the important [illegible] is to build up more business [illegible] Britain, not cut down elsewhere.

He who is prejudiced is usually down on something he's not up on.

Call Tenders For New Post Office; To Be Built This Year

The Department of Public Works, Ottawa, is calling for tenders for the construction of a new federal building in the town of Vermilion. Tenders will be open until Wednesday, April 2.

The announcement that tenders were actually being called was made by Ashley Cooper at the Board of Trade meeting on Wednesday and received with a great deal of jubilation. A new post office for the town and district has long been a project of the Board of Trade. Assurances were received from Mr. James A. Smith, M.P. at Ottawa last October that the plans for the new building had been approved and that the 1958 estimates were expected to call for an item covering the expenditure involved in the construction of the building.

The new federal building will be erected on 50th Ave. and 51st Street, on the corner across the street north of the Canadian Legion memorial hall. The government own three lots there.

Matt Baldwin To Attend Sportsmen Banquet Here on March 17th

Matt Baldwin of Edmonton, an all-time great in the game of curling, will be a guest at the Sportsmen's banquet which will be held here on Monday, March 17th. Matt isn't the only name famous in the world of sport who will attend, in fact the guest list appears very much like a list in "Who's Who". Ken Foss, well known sports [illegible] of CJCA will emcee the event, Henry Singer who is now more famous for his speeches than his clothes, Bud Poile of hockey fame, John Ducey, baseball promoter, and a member of the Edmonton Eskimo football club will all be here for the gala event.

Buy your ticket early from any member of the Vermilion Tigers Hockey club. The date has been changed from March 3 to March 17th, as the Canadian Curling championships are being played the week of the third and some of the guests, namely Ken Foss and Matt Baldwin will be in attendance at Victoria.

The Tigers deserve a huge boost for arranging this dinner with its galaxy of names, and at the same time you are also making a donation to hockey when you buy your tickets at $5 each from the hockey boys. 32-3

Cliff Saville To Carry Lib. Banner

At a nominating convention held in the theatre at Viking on Wednesday afternoon, Clifford Saville of Hardisty was selected as the official candidate for the Liberal party in the Battle River-Camrose constituency.

C. of C. Leadership Course At St. Paul

L. H. Drouin, President of the St. Paul Chamber of Commerce has announced that a Leadership clinic for officers, secretaries and members of boards of trade and chambers of commerce will be held on Thursday, Feb. 27th in the St. Paul Elite theatre. The Clinic is expected to draw representation from Lac la Biche, Lloydminster, Waskatenau and Cold Lake.

The Leadership Clinic, organized in co-operation with The Canadian Chamber of Commerce and the Alberta Associated Chambers of Commerce and Agriculture will feature discussions of many board and chamber problems. Subjects on the Clinic program will include membership fees and campaigns, program planning and committee organization, the preparation of briefs and resolutions, and the local chamber's relationship to the Provincial and National Chambers. Also included will be a session on current district problems.

Jack Park Rink Wins Challenge At Mannville

MANNVILLE.—Curling in the recent men's bonspiel of last week was enjoyed by young and old alike, there being plenty of competition. Climaxing this annual affair was a smorgasbord style banquet, convened and catered to by the W A. of United church, proving highly popular with all present, according to all accounts, as a bountiful supply of food was reported.

Results of the curling were as follows:

Grand Challenge—1st, J Park rink, Mannville; 2nd, Reg Mitchell, Vermilion; 3, Les Kreller, Mannville; 4th, H. Haverslow, Buffalo Coulee.

Merchants—1st, Verne Willes Claysmore; 2nd, D. Croft, Mannville; 3rd, Bob McFadzean, Minburn; 4th, E. Kreller, Mannville.

Citizens—1st, E. Merrier, Vegreville; 2nd, S. McCreavey, Edmonton; 3rd, M. B. Vandusen, Mannville. 4th, W. Rosequist, Vermilion.

Grandstand Show Set for 1958

Grandstand entertainment for the Class B fairs circuit in 1958 will be provided by the Tom Drake Agencies, of Kansas City, Mo., it was decided Sunday in Moose Jaw.

Attractions committee delegates from member fairs in Alberta, Saskatchewan and Manitoba met Saturday and Sunday to make the decision prior to the opening Monday of the Western Canada Fairs Association two-day semi-annual meeting.

Ten entertainment agencies sent representatives to Moose Jaw to bid for the circuit's grandstand contract. The Tom Drake organization will be making its first Western Canadian appearance in 1958. —The Billboard.

Surplus of $7,173.03 Reported At Mannville Annual Meeting

MANNVILLE. — The annual meeting of ratepayers of the Village of Mannville was held in the council chambers on Monday, Feb. 10 at 8 p.m. A very poor attendance is reported at the meeting to hear reports of the mayor, auditor, secretary-treasurer, hospital representatives and other committees, there being only 14 present. The financial report showed taxes collected as $30,639.82, government grant received $5,520.60. Surplus of revenue over expenditure for the year was $7,173.03. Mill rate for 1957 was: municipal 26, school 27, hospital 6; business tax was 32 mills. Expenditure included the following items:

General Govt.	$ 3,520.65
Fire Dept.	1,340.50
Police Dept.	2,097.50
Street Lighting	1,720.60
Work on Streets	1,730.65
Sidewalks	720.34
Rink	1,060.00
Scavenging	1,170.00
Hosp. Requisition	4,081.00
School Requisition	17,381.00
Debentures	9,097.12

Mayor Williams gave a detailed report on accomplishments of the past year, and outlined work to be undertaken in present year. W. N Crooks read the hospital report while J Hills presented a most interesting report covering the Alberta Hospital Insurance plan. Delegation of ladies from W.I.'s was present with appeal to village council, ratepayers, etc., to investigate possibility of new hospital and have present hospital taken over as old folks' home.

Many Candidates For Council In Vermilion River

There was no lack of candidates for two seats on the council at the annual meeting of Vermilion River M.D. held at Kitscoty last Saturday.

For Division 1 there were four candidates nominated: J. W. Gordon of Paradise Valley; R. D. Heath, McLaughlin, the present member on the council; John Serediak of Lloydminster; Allen F. Weeks, McLaughlin. Mr. Weeks is a member of the Vermilion School Division board.

For Division 2 there are two candidates, the sitting councillor James C. Wallington of Wildmere and Donald E. Wilson of Vermilion.

Vermilion Hospital Ward 5—R. C. Mead re-elected by acclamation.

Islay Hospital Ward 2 — D.B. Shirreff re-elected by acclamation.

Islay Hospital Ward 4 — Erven Gardner, elected.

Elections Loom For Minburn M. D.

There will be elections in two divisions of the Minburn M. D. as a result of nominations made at the annual meeting held in Innisfree on Monday, Feb. 17.

In division 6 sitting councillor John Orfino is being opposed by Robert Robert.

In division 7, sitting member Nick Petrick and Arthur Schmidt have been nominated.

Arthur Roland was re-elected in Div. 2 by acclamation.

Elections will be held on Monday, March 17th.

Currah Rink Runs Nice Total of Wins At Lloydminster

A rink composed of Daryl Currah, Glen Gibbons, Roger Rowe and Gordon Park brought home first prize in the third event at the Lloydminster bonspiel last week. The boys lost only one game while winning seven. The game they lost ousted them from the Grand Challenge.

'Road Knights' Hear Cpl. Aime, RCMP

A meeting of the Road Knights was held in George's Lower Deck on Monday, Feb. 17 with an almost full attendance of club members.

Cpl. Aime, of the R.C.M.P. at Vegreville, was introduced and handled the meeting. A most interesting talk was given in connection with driving schools and safe driving practices.

A film on safe driving concluded the meeting.

The Road Knights are promoting a driving school to be held here during the summer months. This school is sponsored by the A. M. A. and if enough applicants and interested parties are obtained, an instructor and training car will be made available by this organization.

More information to those interested in the school can be obtained by contacting the Road Knights' president, Earl Pollard or their secretary, Philip Capatos.

Another Road Knights' feature, by courtesy of "The Standard", starts in this week's paper under the caption "Road Tips by Road Knights". Look for it and follow the tips for safer driving.

NURSES' ASSOC. TO MEET

The regular meeting of the Vermilion Nurses' Association will be held at the home of Mrs. Thomas Watts at 8 p.m. Monday Feb. 24th. All nurses of the district are cordially invited.

News from The Halls of V. S. A.

Friday, February 14th, the Vermilion School of Agriculture Boys' Basketball team played Wainwright high school in Wainwright. V.S.A came out on the long end of a 39-26 score. Lloyd Miller of Winterburn was the high scorer of the evening with 16 points.

Saturday, Feb. 15th, Vermilion School of Agriculture was the scene of the annual "Boys' Ball." The boys had the gym gaily decorated in a valentine theme. The highlight of the evening was the crowning of the "Queen of the Boys' Ball." Loys Stonehocker of Cherry Grove was the young lady chosen as "queen for a day." Florence Mills of Alcomdale and Myrna Trimble of Vegreville were the queen's ladies-in-waiting.

Rehearsing for "Play Night", to be presented on March 1st at V.S.A is in full swing. This year the Choral Group will present a number of selections as part of the Play Night program.

The House League basketball schedule has been wound up. The teams are now engaged in a play-off series. The Mutnicks defeated the Sputniks Tuesday evening by a score of 25-21 for the right to enter the best of three finals.

47th Annual Bonspiel Commences Monday

The 47th annual bonspiel to be held in Vermilion will commence on Monday, Feb. 24th and continue for four days. Five events will be played with good prizes and the progressive type draw will be used. Every rink is sure of five games even if they do have a losing streak.

A buffet type luncheon will be served in the Legion hall on Tuesday evening, and everything possible is being done to give all the curlers a good time.

The entry fee is $20 per rink and entries should be in the hands of Secretary Russell Carroll by 6 p.m. Saturday, Feb. 22. Entries are limited to 72 rinks. Six sheets of artificial ice, matched rocks and the warmest rink in the west — no matter what the outside temperature — assure good curling and sociability associated with the roarin' game.

C.C.F. To Nominate At Viking Saturday

The C.C.F. nominating convention for the Battle River-Camrose federal riding will be held in the community hall at Viking on Feb. 22nd commencing at 2 p.m. Mr. Elmer Roper will be the convention speaker.

Social Credit-ers To Nominate at Viking February 26th

Social Crediters of Battle River-Camrose Federal Constituency will nominate at Viking on Wednesday, Feb. 26th. Registration of delegates starts at 12 noon and the convention convenes at 2:00. Accredited delegates must be members of the Alberta Social Credit league and appointed as delegates from the Social Credit locals or polling divisions.

The Battle River-Camrose seat is held in the last House by Jas. A Smith of Vermilion. Mr Smith will be nominated at the convention. He was first elected to the House of Commons in the by-election of June 1955, again in the general election of June 10, 1957. If he is once again the Social Credit candidate he will have conducted three election campaigns in less than three years.

Injured in Fatal Car Crash

William Good, a son of Mr and Mrs Archie Good of Innisfail and a nephew of Mr Dick Good of Vermilion and Mr W L. Roebuck, was seriously injured in the car accident last Friday evening on highway No. 2 south of Millet which took the lives of four young people and injured two more. William is now in hospital in Edmonton. He is a first year student at the University of Alberta and was going to his home at Innisfail for the week end when the accident occurred, a head-on collision with a car travelling northward. Mr Good was a passenger in the car in which four were killed.

Knights Columbus Host Their Ladies

A gay crowd of around one hundred people danced the hours away at the Legion hall on Wednesday, Feb. 12th when the Vermilion Council of Knights paid tribute to their ladies at a Valentine dance.

Bro. Angus McMillan, District Deputy for the Knights, acted as M.C. and kept everyone mixing with well-timed novelty dances.

Bro Herb Lamoreux and his wife Lorna prepared and supervised a marvelous chile con carne buffet supper which was so well received a second large batch had to be prepared.

Mrs. Peter Noster of Derwent was the winner of the boxed chocolate Valentine presented to the lady whose birthday was closest to the night of the dance.

Bro. Jos. McIntyre, Grand Knight of Vermilion Council addressed the ladies on behalf of all the Knights.

A hearty round of applause was called for and given to Young's Orchestra from Islay for the rousing music they gave out with all evening.

It is planned to run these dances regularly three times a year from now on.

Zone Meeting Of Retail Merchants At Innisfree

MANNVILLE. Special representative of the Retail Merchants Association Incorporated, of Canada Mr Trevorton Self of Edmonton, held a meeting with merchants of Innisfree with the purpose of electing a zone delegate. Said delegate would attend two meetings a year, was the information given this evening meeting by Mr Self. Present at the gathering of businessmen were Walter Tym, John Pahyk, John Chomik, Fred Pahyk, Albert Schmidt, Harry Metruneс. Chosen by unanimous vote to represent the group was John Pahyk. The retail code is "Fair competition in business practise and other important matters concerning retailers as well as the consumers."

Much Activity Among Scouts, Cubs

Activities of the Vermilion Boy Scouts since September include several after school hikes when complete meals were cooked over open fires. An overnight hike was undertaken in early December. The four boys able to go, slept well and comfortably despite the chilly atmosphere, ate heartily, and enjoyed the outing immensely.

Test work has been done on knots, the Scout Promise and Law.

Plans for the future include supper hikes, overnight hikes, further test work, recreational boxing or wrestling.

It is hoped that more boys will become interested and join.

CUBS

Both Vermilion Cub packs have been very active since September. 1st Vermilion Pack has 22 members; 2nd Vermilion Pack has 28 members. The boys enjoyed a hike down to the lake and a camp fire in October.

Awards won to date in 1st Vermilion Pack are:

1st Star — Robert Lynn, John Evans, Dale Downey, Richey Young.

Gardener's Badge—Glen Hemmingway, Brian Keen.

Toymaker's Badge — Wayne Coulbourne, Richey Young, Gary Tidsbury, Blake Tidsbury, David Tidsbury, Dennis Calvert, Dennie Moren.

Collector's Badge — Charles Kapchinsky, Dale Downey, Brian Keen, Bobby Christianson.

Awards won in 2nd Vermilion Pack. The following boys have earned their Tender Pad: Dene Cooper, Billy Palin, Bernie Shalka, Jack Fleming, Wayne Arnold, Charles Russel, Roger Krushinski, Stanley Winters, Richard Ackerman, Robert Reid, Terry Gibbons, Robert Kleger, Richard Nelson, Andy Rosequist and Richard Cooper.

Attendance has been almost perfect with the boys showing keen interest in the work.

Edmonton Bellevues To Play Local Bob Cats Here in Provincial Juvenile Play-Offs Friday

A sell-out crowd is expected at the Vermilion arena this Friday evening at 8 p.m. when the Bob Cats meet an Edmonton team, the Bellevue Vellan Construction in the second round of the provincial play-offs.

The Bellevue team eliminated Westlock in a two-game total goal series, while the Bob Cats ousted Mundare. Bellevue have been undefeated in 11 straight games with Doug Duncan apparently the man to watch as he has been scoring the major portion of the team's goals.

This is a two-game total goal series, the first here Friday night and the second back in Edmonton on Saturday night.

Craigs Present Trophy to Bob Cats

Craig Bros. Ltd. through their local store manager Mr. A. M West, have donated a handsome trophy to the Vermilion Juvenile Bob Cats' management. This trophy will be known as a best player award and will be presented to a member of the Bob Cats upon completion of the season's play.

Bob Cats Advance In Provincials

Vermilion Bob Cats advanced another step in the provincial juvenile play downs by defeating Mundare on Saturday night last in a game played in the Vegreville arena. The score was 6 to 4. The Cats won the first game played here 6 to 2, giving them a 12 to 6 total on the series.

The Mundare boys played a rough brand of hockey in the Veg game and drew eight penalties. Vermilion was penalized once.

The Bob Cats now meet the Bellevue team from Edmonton in the next round with the first game in Vermilion Friday night and the return game in the city on Saturday.

It's Maidstone Monarchs and Tigers This Saturday Night, Feb. 22nd

The regular league season is drawing to a close and this Saturday night Maidstone Monarchs, 2nd place in the Eastern division, make their first and last appearance on Vermilion ice. The game is scheduled for 8:30 p.m. sharp. The Maidstone team is fighting to hold its second place spot being hard pressed by Lashburn, and they will be out for those two points. The Tigers are just as anxious to improve their showing for the year and one way to do it is to defeat the Saskatchewan club.

The weather is mild and as it is Air Cadet night at the arena a big crowd should be on hand to urge the players on. Everyone else will be at the hockey game Saturday night . . . time that you came along too.

Marwayne Ladies Hold Fine Bonspiel

MARWAYNE. Thirteen rinks were entered in the ladies' bonspiel at Marwayne on February 12th and 13th.

The weather was very cold and the four sheets of ice were in excellent condition. A hot turkey banquet catered to by the Anglican W. A. was served on Wednesday night. Eleven curlers from other years brought the number sitting down to 63. A reading and lively sing-song followed the introduction of the rinks and then back to more curling.

Following are the results:

Grand Challenge—1st, Jones of Dewberry; 2, Braithwaite, Dewberry; 3, MacDonald, Marwayne; 4, Espetveidt, Marwayne.

Second Event: 1, Klemik Dewberry; 2, Gower, Clandonald; 3, Gardiner Marwayne; 4, Hines, Streamstown.

Third Event: 1, Gray Kitscoty; 2, Bowman, Dewberry; 3, Robbie, Marwayne; 4, Hodgson, Dewberry.

Consolation — Hutchinson Marwayne.

Air Cadet Night At The Arena

Saturday night Feb. 22 is 'Air Cadet Night' at the Vermilion arena, and every Air Cadet in regulation uniform will be admitted to the game free, courtesy of the Tigers Hockey club. The attraction is Maidstone Monarchs versus the Tigers and a real game is in prospect.

Clifford Smallwood Pro.-Conservative Candidate

ENTHUSIASTIC NOMINATING CONVENTION HELD ON WEDNESDAY

Clifford Smallwood, a well known Irma district farmer, was again chosen as the candidate for the Progressive-Conservative party in the Battle River-Camrose federal constituency. Mr. Smallwood was the candidate in the 1957 Federal election, receiving 3,730 votes. There was no Conservative candidate in the 1955 by-election.

The nominating convention, a very enthusiastic one, was held in Viking with 130 in attendance. Of these 112 were accredited delegates.

In addition to Mr. Smallwood, Mr Al Warren was nominated. Mr Warren is the president of the Constituency Conservative Association. He is a hardware merchant at Bawlf.

In the voting which followed the two nominations, Smallwood received 67 votes and Warren 45.

Officers in charge of the convention were the president, A. Warren, vice-president Don Williams of Vermilion and Dr. A. H. [illegible] of Islay.

Speakers during the afternoon sessions were M. E. Manning of Edmonton, a past president of the Provincial Conservative Association, and Wm. Pettigrew, the party's northern Alberta co-ordinator.

It was quite apparent that the success of the Conservative party in the 1957 election has revived the followers and injected a great deal of hope and enthusiasm into the movement.

Story with a Moral . . . Advertise

This is the story of the man who lived by the side of the road and sold hot dogs. He was hard of hearing so he had no radio. He had trouble with his eyes so he read no newspapers and saw [illegible]. But he sold good hot dogs. He put signs up on the highway telling how good they were. He stood on the side of the road and cried "Buy a hot dog, mister?" And people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade.

He finally got his son home from college to help him. But then something happened. Said his son: "Father, don't you ever watch television or listen to the radio? Haven't you been reading the newspapers? There's a big recession under way. The European situation is terrible. The domestic situation is worse. Everything's going to pot." Whereupon the father thought, well my son's been to college, he reads the papers, watches television, and listens to the radio and he ought to know.

So the father cut down on his meat and bun orders, took down his advertising signs and no longer bothered to stand out on the highway to sell his hot dogs. And his hot dog sales fell almost overnight. "You're right, son," he said to the boy, "we certainly ARE in the middle of a big recession."

Only 45?

Commenting editorially on the announcement that 45 people died on Canada's highways during Safe-Driving Week, 1957, the Winnipeg Tribune writes:

"Only 45? Surely this is still a disgrace to the nation. If some dread disease were killing off Canadians and maiming others at a similar rate it would [illegible] a national panic.

"[illegible] 45 persons a week is [illegible] 2,300 a year. This [illegible] toll for a country of 16 million. And it is not inevitable.

"The vast majority of accidents are caused by human stupidity, human carelessness, ill mannered driving and all the other human failings summed up by the highway safety people in one word - 'attitude.' The record of Medicine Hat and Trail has proven that death on the roads can be beaten by a concerted effort, the prime requisites of which are strong public revulsion against the heavy toll and staunch public determination to wipe it out."

Much Confusion About Jobless

Recently published statistics show how wide of the mark current statements about unemployment in Canada may be, says The Financial Post.

In December the Dominion Bureau of [illegible] 386,000 people out of work and looking for jobs. In the same month the Unemployment Insurance Commission showed 733,000 'applicants for work' on file. These are the latest totals available from the two sources.

The commission figure, explains [illegible], includes many people who are not genuinely unemployed in any reasonable or commonly accepted sense of the word. It includes married women who have worked in the past, now wish to stay at home but claim unemployment insurance; retired persons collecting insurance; those seasonal workers, who freely choose to be idle in the winter months and claim insurance, and finally, persons who registered for employment, found jobs on their own initiative, but neglected to notify the commission.

Sensible people will keep in mind the fact that it is only the DBS figure which is any real index of the 'jobs needed-wanted' picture in this country.

Dewberry 4-H Club Meeting Hears Interesting Program

DEWBERRY - The meeting of Dewberry 4-H Calf club was held in the gym on Feb. 14th at 8 p.m.

The meeting opened with the President Bob Wilson asking all members to repeat the pledge. The minutes of the previous meeting were read by Secretary June Craige and adopted as read on a motion by Dennis Lemp and Les Anderson.

Norman Poitras and Les Anderson gave a talk on the selection of a good club calf. There were seven visitors and all 13 club members in attendance.

The club leader, Don Braithwaite, Mr Douglas and Mr Horack also attended the meeting. Mr Hozak showed films of "Quality Beef" "Royal Winter Fair" and "4-H Clubs in Alberta."

After the showing of the films the very interesting meeting was adjourned on motion of Stanley Garnier and Les Anderson.

The 4-H girl members served a delightful lunch.

The next meeting will be held in the Dewberry school on Mar. 5th at 7:45 p.m. At this meeting Wayne Garnier will give a talk along with Allan Stone on "Supplementary Diet for Dam-Reared Calves". Garth Sweet, Norman Poitras and Allan Stone are to bring lunch to the next meeting.

Hope to see you all out again, fellow club members.

Tom Drake Pacts Canada B Loop Show

MOOSE JAW. — Tom Drake, of the Kansas City, Mo., booking office bearing his name was awarded the grandstand show contract for the Western Canadian Circuit of B Fairs at the annual convention of the Western Canada Fairs' Association.

This marked the first time the [illegible] office was awarded the pact. The Grossman office of Des Moines provided the show in 1957. The contract is for a total of 12 fairs and covers six split weeks, three days at each of the fairs.

Other offices bidding for the pact included: Charles Zemater Theatrical Agency of Chicago; Barnes Carruthers Theatrical Enterprises of Chicago; Hetzer Agency, Huntington, W. Va.; Di Paolo Attractions, Calgary; Al Sheehan Agency, St Paul and Grossman Agency, Des Moines.

Member fairs in the loop include Weyburn, Estevan, Portage la Prairie, Carman, Yorkton, Melfort, Lloydminster, Vermilion, Vegreville, Red Deer, North Battleford and Prince Albert.

Of Many Things . .

By AMBROSE HILLS

EDUCATE YOURSELF

When I was very young I [illegible] school, all the grades from one to eleven, in a [illegible] classroom. Too many youngsters, too many grades — it might have been a frustrating experience had I not made a discovery that has served me well ever since.

Most children and many adults are capable of educating themselves if they knew how. Fortunately, a normal school teacher, Mr J W Gordon (I'll thank him to the end of my days) had told me the secret of self-education.

"You should know," he told our class one day, "that education is an inner process, personal process. It is not a matter of merely cramming [illegible] facts. It's a three-step process always used by men like Alexander Bell, [illegible], and other thought leaders. Teach your pupils to take these steps — observe, remember and compare!"

That was back in 1920, and it was something that stuck with me when I faced a classroom of assorted sizes in which some of [illegible] ones couldn't even speak English. I soon had to devise ways to keep them all busy and learning on their own, for I couldn't split myself up into enough [illegible] to be teaching them individually.

I remember sending a lad from Grade 9 out for a pail of water, so that he could then come in and write out in detail how he thought the water was brought to the surface. That lad did quite a bit of thinking that day, I'll tell you, and from his own observation, memory, and some thoughtful comparison, he learned more science from the pump than I had time to teach him. At night, after school, I spent a great deal of time thinking up questions: for I discovered that if I asked the right questions, the students built answers they remembered and understood. I am afraid too many teachers content themselves with giving students a lot of answers, [illegible] ing them to think through to the answers on their own.

[illegible] I am glad to say, [illegible] own youngsters have excellent teachers. Our encyclopedia is getting a [illegible] going over [illegible] scientific experiments — sometimes to the chagrin of my wife — are being undertaken at our kitchen sink. Questions are flying, and at the [illegible] table the old man has been stumped a few times, but it has perked us all up and I feel my children are now getting a real education.

They'll need it in this modern world. A man who [illegible] observe, remember and compare is putty in the hands of politicians or salesmen. He will fall for the shoddiest nonsense handed out as pure logic. But a self-educated man is no blotter for every new kind of political fantasy urged upon him: he observes, remembers and compares.

Better News

There is a little [illegible] news from the traffic accident [illegible] a definite indication that highway safety campaigns are beginning to pay some modest dividends says The Financial Post.

Total road traffic deaths were down over a thousand in the U.S. last year and while there was still a slight increase in this country "the upward trend of the last four years," as the Canadian Highway Safety Conference points out, "appears to be definitely halted."

There were over 3,200 highway fatalities in Canada last year. This compares with just under 3,300 the year before. Prior to 1956, however, there was a substantial rise each year.

This is only part of the picture. It has been achieved, it should be noted, in the face of far more traffic and far more cars.

United Church W. A. Meets

MANNVILLE - Nineteen turned out to the meeting Thursday of last week at the United W. A. meeting at the home of Mrs. Angus Smith, with sixteen members and three visitors. It was decided after some discussion to cater to the local men's bonspiel at a banquet for the curlers.

The next meeting will be held at the home of Mrs. A. Baker. Co-hostesses Mrs. Gamble and Mrs Wood served a dainty ulnch, while a happy time ensued over the tea cups.

Box Car Distribution Inquiry Starts

OTTAWA, Feb. 14. — Mr. John Bracken announced today that he has begun his inquiry into the distribution of box cars for the movement of western [illegible].

The first part of the inquiry will be conducted formally. Mr Bracken plans to leave Winnipeg shortly to meet with the Canadian Wheat Board and the Board of Grain Commissioners to familiarize himself with the general grain situation in its relationship to the movement of railway box cars.

Mr Bracken then proposes to request written submissions from the elevator companies, railway companies and farmer organizations which have an interest in the matter before the inquiry.

When these written submissions have been received and studied, an opportunity will be provided for public hearings, if such hearings are found to be necessary.

'It is my intention to proceed without delay in getting all the available facts and to try to be in a position to make recommendations well before the end of the current crop year,' Mr. Bracken said.

Mr. John Rayner, of the Board of Grain Commissioners, Winnipeg, will be Secretary of the inquiry. Other staff will be appointed as the need arises.

Safer Insecticide

Available is an insecticide which will control aphids and caterpillars without risk to vegetable consumers, reports The Financial Post. It can be applied to vegetable crops up to three days before marketing. Breaks down into harmless components after application, permitting consumption after this period with safety. Also said to give a high kill on top fruit crop.

Despite the growth of secondary manufacturing in Canada since the war, manufacturing's share of the Gross National Product has been a declining percentage in recent years due to the rising volume of imports of manufactured goods.

A WAY OF LIFE

Farming is no longer a way of life. It's a business. H[illegible] much we regret the transition, these are the cold [illegible] facts. If we concede that [illegible] is true then we make the $ sign our [illegible] than a herd of cattle [illegible] hillside at sunset. If [illegible] to have the comforts of modern living, have enough to educate their children and enough for their old age then they have to think more of the business of farming.

At the Agricultural Short Courses at Vermilion and Mannville, this subject will be discussed by an authority in the name R J McBain, Farm Management Supervisor for the Provincial Department of Agriculture. You ought to hear this man. Get a program of this Short Course from R C Herkhert, Chester Gamble or F. H Buckingham.

EGGS AT PROFIT

When producers are selling eggs for 50c a dozen we forget about efficiency, but when they are down to 30c it takes a lot of "know how" to make a profit. Many producers are not worrying about 30c eggs. They are using every known method to produce eggs cheaply and [illegible] making money, but [illegible] do it on 100 hens or even 300 hens. The profits per [illegible] are less as they raise hundreds of hens to get enough returns to make a business profit.

LANDRACE ASSOCIATION

On February 1st, 41 Landrace breeders got together and formed an association for the Province of Alberta. Anyone intending to buy a Landrace boar should get in touch with this association for breeders with stock for sale. It is poor business at any time to buy livestock by mail order. It is better to look them over before paying out hard-earned money.

Why not attend the Vermilion and Mannville short courses and hear what the panel on cross breeding has to say?

STILBESTROL

When properly used Stilbestrol will result in faster and cheaper gains in feeder cattle. There is no evidence to prove that it will help hogs. It is not a substitute for poor rations. Every feeder using Stilbestrol should [illegible] that plenty of protein, [illegible] and vitamins are present in the feed. Get a bulletin from [illegible] office on feeding cattle for [illegible] market.

LIVESTOCK PRICES

So many heifers have gone to the U S lately that there is a shortage of breeding stock. In spite of the higher prices it will pay any farmer to hold on to young heifers or to pick up some on the market. If beef prices are high consumers will turn to pork. It looks like, for both beef and pork, prices will be fairly high for a year or two at least.

A NEW LIGHT ON LIGHTS

Light bulbs are now being produced in several colors. The color affects our furnishings and fabrics.

1. A pink light enlivens red colors and enriches walnut and mahogany.
2. A yellow bulb makes all colors gay and mellow, adds lustre to green and makes maple and pine lovely.
3. Green bulbs intensify the green of your plants, walls or materials.
4. In winter a pink bulb makes a room cosier and warmer.
5. In the hot summer, blues and greens give a cool effect.

A QUILTING PARTY

For the women's groups who are making a quilt to enter into competition, the following pointers may be helpful:

Be sure your quilt has:

- Firmly woven material which will be fast to light and laundering.
- A thin interlining.
- A simple design.
- Attractive colors put together in an attractive way.
- Uniform stitches in quilting.
- Individual pieces cut accurately.

These points are taken from the booklet "Standards For Judging" available from my office.

For those planning to exhibit in the Vermilion Fair, this booklet would be helpful. A recent release from the Fair Board indicates that all judging will be based on these standards. This includes baking and canning as well as the various craft classes.

FAIR CAMP

Again this year, the annual Boys' and Girls' Fair camp will be held from July 21 to July 26. It is held each year at the Vermilion School of Agriculture with practical short courses and an active social program. Boys and girls between 12 and 18 are eligible to attend. Applications should be sent to the secretary-manager of the fair. Since there are usually more applications than can be accepted, it's a good plan to place yours early. It's a worthwhile week and I would urge boys or girls who are able to attend to do so.

TOUGHER BAGS. Process for shrinking paper so that it's strong and stretchable will be used soon in the production of unbleached kraft, reports the Financial Post. It's claimed to be so strong that a bag of groceries can be dropped 20 times before bursting. (Most bags apparently withstand only two drops, some not one.)

Check that date on your label.

Canadian Legion Notes

The Legion meeting last Friday was very poorly attended. Even all the executive were not there. What are you going to do about it? Better resolve to attend next month.

* * *

On Saturday of this week the regular social evening will be held in the club rooms. All members and wives, ladies' auxiliary and husbands, honorary members and wives are welcome. Also, you may invite your friends.

* * *

Bob Carmichael is preparing for a variety show. He is coaching artists in and around Vermilion for singing, dancing and musical selections. It's going to be a good show and worth looking forward to. It is being sponsored by the Legion and proceeds will be turned over to the Legion Polio fund.

* * *

At the meeting on Friday, [illegible] treasurer, Thos. Wilson, reported that $480 had been turned in to him by the Polio Fund [illegible]. It looks like we are going to be a long ways short of the $1150 collected last year. Anyone who has been missed in the canvass can still donate. See Thos. Wilson, Vic Tillett or E.H. Buckingham. Your donations will be greatly appreciated.

Mannville Rest Room, Library Assoc'n Meet

MANNVILLE. — The annual meeting of the Rest Room and Library Association was held on Saturday, Feb 15 with eight ladies present. President Mrs. Mabel Finlay conducted the meeting with Mrs. Rutherford giving the financial report and statement from Mannville village. It was decided to hold the annual rummage sale, tea and home bake sale on Saturday, April 19th at 2:00 o'clock.

In the election which followed all officers were returned as follows: President — Mrs. M. Finlay; Secretary — Mrs. J. J. McLaughlin (Mrs. M. Johnson acting in her absence); Treasurer—Mrs. A. Rutherford. A hearty vote of thanks is due these ladies, having acted in this official capacity for fourteen years. The new hospital project was discussed and hope was expressed that all ratepayers will support this worthwhile project as a new hospital will benefit the entire community.

NEWS from ISLAY

There was a clan gathering at the home of Mr. and Mrs. Harry Waterfield last week when 25 relatives sat down to a turkey dinner. A very sociable time was spent.

The Valentine tea on Saturday was well attended — even better than was hoped for, as it was not a pleasant day. The church hall seems just the place for such an event. Long tables were used and the people all seemed to visit and enjoy themselves. The financial returns were good. We were pleased to have several visitors from the country. Say, Gladys Gould, don't you ever come to Islay any more? Better keep March 31st an open date — lunch served that day!

At the Stone's a nice visit was had on Friday with Mr. Bothwell and Mr. Maddex.

Two plays will be presented on Friday night, Feb. 21 in the Islay hall by the Students' Union. This takes the place of the usual ice carnival which cannot be held as there is no rink here this winter.

You should see the square dance! Last Wednesday night in the Islay hall fifteen sets of dancers were on the floor and a number of persons sitting by. All were having a grand time.

Sunday evening after church Mr. and Mrs. Neil McLennan stopped in at the Stone household for a cup of tea; Mr. and Mrs. Bruce McLennan were at the Martin's.

Islay children are missing the sermonette given for their benefit by Rev. Mr. Shortt; stories of Wington, most interesting about birds. There is a moral to each. Last Sunday's story was a 'special'. Listen to CKSA Sunday at 10 a.m.

Pallbearers were stepsons Luther, Joseph and Archie Thompson and step-sons-in-law Johnny Tattersall, Karl Nelson and Ken Watt.

Rev C W MacKay conducted the services in which the hymns "Rock of Ages" and "Abide with Me" were sung.

Interment was in the Vermilion cemetery.

'Teen Club Enjoy Square Dancing At Mannville

MANNVILLE. — "Square dancing is so much fun . . . even when you goof" is the report of teen-agers who are taking square dancing lessons under the able direction of Edwin Donnensworth. There were only enough for three squares last time and the young folk would like to add to their number in this group. No matter how warm they become from this vigorous exercise, it is definitely "cool." Lunch came as a welcome treat to all gathered on Friday of last week in their usual meeting place, the Anglican church hall.

Even the conceited bore has one striking virtue — he seldom talks about other people.

'The Bible Today'

Contributions to the British and Foreign Bible Society in Canada totalled $10,080.90 in the year 1957, it has been reported from the national headquarters in Toronto. This represents an increase in receipts from the ten auxiliaries throughout the country of $63,218.68.

The Society received an additional $130,000.00 in legacies and proceeds from trust funds.

After carrying out its work in this country amongst Indians, Eskimos, New Canadians, the blind men and women in the Armed Forces, the Society forwarded to London headquarters as a Canadian contribution to world-wide work more than $32[illegible]000.00 in 1957, it was reported by the Rev. K. G. McMillan, General Secretary in Canada.

SQUARE NOTES From Circle 8

The Circle Eight Square Dance Club of Vermilion is proud to have so many enthusiastic people among their square dance members this year. Last week was one of the coldest yet but over thirty square dancers represented our club at Islay on Wednesday and Mannville on Friday and those same thirty plus many more also attended square dances at Bowtell on Monday and here in town on Saturday of the same week. The cold has never yet succeeded in frosting the enthusiasm in this area.

On Monday night of this week ten squares squeezed in the Bowtell community hall to help Johnny Maxwell celebrate his birthday. All of his graduates and many more of Johnny's fellow square dancers from Islay, Mannville and Vermilion gathered for the festive occasion. A special thanks to the ladies who provided such a delicious lunch which was generously topped off with ice cream. After everyone was stuffed to the eyebrows a lovely birthday cake appeared on the scene so Johnny auctioned it with the total proceeds of its sale going to the Bowtell Community club in appreciation of the fine job they have done in renovating their kitchen. Mr. Linton of Islay bought the cake, then ordered it to be cut and served.

The Circle Eight club has a treat in store for our next dance on March 1st in the Legion hall when we shall introduce the Dorwards of Onoway as our guest callers for the evening. Dorothy does the singing calls and her husband Frank takes the 'mike' for the patter. Their voices harmonize very well together in many duet calls. We are pleased to be the first to bring this popular couple to this vicinity and they were only able to come by getting a guest caller to replace them at one of their regular club dances. We aim to make this dance a decided success so a prize will be given to the couple travelling the greatest distance and also various other prizes. Be seeing you the first of March'

Funeral Rites Are Held For Mrs. Hulda Bauer

MANNVILLE. — Funeral services were held February 10th at 2 p.m. for Mrs. Hilda Bauer in Mannville Lutheran church, with Rev. Mueller of Bruderheim officiating. Mrs. Bauer passed away on February 6th in St Joseph's hospital, in Edmonton. Born in Russia June 19th, 1890, she passed away at the age of 68 years. Left to mourn her loss are her loving husband and 12 children, eight sons, Fred and John of Edmonton, Walter of Calgary, Victor of Haines, Alaska, Karl of Ottawa, Joe and Ernie of Mannville and Arthur of Lashburn Sask; four daughters, Mrs Geo Lewis, Edmonton, Mrs. Stanley Rutledge, Calgary, Mrs. F J Oberhauser, Toledo, Ohio and Mrs Fred Watling, Mannville as well as thirtytwo grandchildren.

Town and Country Hockey Tourney To Be Revived

Once a very popular event here, the hockey tournament open to all country and village teams not operating in league play, will be revived and held on Saturday March 8th. All entries should be in the hands of Murray Millar by noon, March 5th.

Good prizes of $60.00, $45.00, $30.00 and $15.00 are being offered. The event is being sponsored by the Vermilion Tigers hockey club.

Admission for the day is $1.00

WILDMERE WINKS

The cold weather is still with us but there's always someplace worse off than we are from all reports.

The monthly W. A. meeting was held at Preston school on Feb 12th with ten out of 12 members present. A letter was read from Miss Horning a former student at Wildmere telling of her missionary work in Japan. What a challenge, and what a feeling of satisfaction you must have when your job is accomplished. Next meeting is on March 12th.

The annual school meeting was held on Feb. 13th with not too large an attendance. More people should come out and support their trustees. Mr Bert Carey is the new trustee for Triangle and Mr Harry Symes for Battleview.

The Bingo party sponsored by the F U A was well attended and a financial success. A nice way to spend an evening.

Mr Bill Garnett Roy Dibben and Frank Gibson from this area attended the annual municipal meeting at Kitscoty Saturday. They report it being much more comfortable when held in the new school there.

Mr MacKay chose for his sermon "Giving your left-overs to God" on Sunday. A very interesting topic. Too bad that more couldn't have been out to hear him. Next service will be on March 2nd.

Mr and Mrs Ken Sheppard were week end guests at the Cruthers' home.

Roy and Anne Garnett spent the week end with their parents Mr and Mrs W J. Garnett.

Visitors at the Cruthers' home for supper on Sunday were Mr and Mrs Bob Martin and Doreen Mr and Mrs. Frank Gibson and family; Warren Marfleet and Bob Sheppard.

Four rinks from the Wildmere Curling club are participating in the Buffalo Coulee spiel this week.

Mrs. Wallington is having a grand holiday visiting relatives, and Peggy has a job at Barrie, Ont., according to word received by Mrs. Cruthers.

TULLIBY LAKE

This week we are overanxious to report that perhaps spring is 'just around the corner'. There seems to be a basis for this as the Ingver Belsheim family saw a crow last week. Naturally at first they could not believe their eyes. When the crow went through its well known noisy antics, they had no other alternative but to believe what [redacted] saw.

Those who rely on the [redacted] hog as a forecaster of wh[redacted] come can't quite agree [redacted] themselves as to what th[redacted] pects for spring are. Some [redacted] he should see his shadow by 10 a.m., others give him all day to look for it. Oh well, let's all wait and see.

It is reported that the heirs of the late Mrs. Margaret Hall have sold what is known as "The Hall Place" just west of Onion Lake. The new owner is said to be Mr. Percy Haslam. The old Hall place was the original homestead of Const. John Hall when he represented the North West Mounted police soon after the turn of the century. The old log house still stands.

Everyone was deeply saddened by the news from San Antonio, Texas, concerning the passing of Dr Elizabeth Matheson. In the early years of the century she was the only doctor from Lloydminster to areas north unknown, and from Battleford to many, many miles west of Onion Lake. She will be laid to rest in the little Anglican cemetery beside her husband and two children at Onion Lake.

The Frenchmen's Butte orchestra sponsored and played for a dance in the North Park hall on Feb. 7th. Due to the cold weather a poor attendance was registered.

Square dancing is still in full swing between the Riverton and Tulliby Lake clubs. The dances are held alternately every Tuesday between these two clubs.

Another unfortunate experience was suffered by Mrs. Mollie Behrens last week. When chopping ice out of a trough a piece flew up and hit her near the left eye. This resulted in a small blood vein being severed which necessitated medical attention.

We are glad to report that Mrs. Ingver Belsheim is home from the Elk Point hospital. During Mrs. Belsheim's absence [redacted] Ward assisted with the [redacted] duties.

The Lea Park Rural Electrification Association held their annual meeting on the afternoon of Feb. 8th in the Tulliby Lake Central school. The minutes of the previous meeting were read and adopted. After discussing several business matters a new slate of directors was nominated for the coming term. Proceedings came to an end with the serving of a delicious lunch which was much appreciated by all.

Edward Dumais and the two Moyo lads from Frog Lake were callers at the Behrens' home on Monday last. Juvenile got out his recorder and Edward taped some songs.

Mr "Doc" Cook has bought the house of Mr. George Parks in Marwayne and will be moving into it [redacted] spring.

Joe [redacted] nephew has been [redacted] Joe and his family for the past while.

Harry Whitestone from the Reserve at Onion Lake was a visitor in the Behrens' home on Sunday last and while there Harry took advantage of the opportunity to tape some songs on Juvenile's recorder.

THE WORLD OF WHEAT

by W. G. MALAHER, Director, Research Department, SEARLE GRAIN COMPANY, LIMITED

THE PRODUCTION AND USE OF WHEAT IN THE UNITED KINGDOM

Inasmuch as the United Kingdom is Canada's best wheat customer, trends there in connection with the production of wheat and the uses to which it is put are of particular interest. Information recently contained in the Corn Trade News of Liverpool, England, suggests that whereas in the immediate pre-war years, the total U.K. wheat crop was only slightly over 61 million bushels of which 27 million was used by millers and 34 million was retained for seed, feed or sold for feed, the figures since the end of the war have been very different.

During the past three full seasons the United Kingdom crop has averaged slightly over 102 million bushels of which almost 31 million was used by millers, a similiar quantity being retained for seed, feed or other uses. While these figures of course, show a big increase since pre-war years in both the quantity milled and fed or used for seed, there has actually been a fairly sharp decline since 1953 in the quantity of home-grown English wheat milled and a corresponding increase in that used for seed or animal feed. This is attributed in large measure to the competition of French milling wheat and also to the poor quality of the crop grown in 1956.

The interesting thing to note is that the production of English wheat is being maintained and even increased. English farmers today are producing an average of over 43 bushels of wheat to the acre as compared to approximately 33 bushels per acre in pre-war years. Mainly responsible for the increase are latest production techniques and high yielding varieties. Among the latter, are the high yielding Capelle wheats of French origin which now form the basis of the winter wheat crop there, while the varieties Atle and Koga II seem to be competing for a major share of the spring wheat acreage.

"Lazy and Indifferent Students" Discussed at Marwayne H. & S.

MARWAYNE. - At the February meeting of Marwayne Home and School Association a panel discussion was held on the "Lazy and Indifferent Student." The panel was made up of two students, Eunice Gray and Betty Ann Murray; two teachers, Mrs. Spence and Mrs. Reishus; two parents, Mr. Golightly and Mr. Hale, and the chairman, Mr. Petryshen. Many comments came from the audience.

This discussion pointed at no one, as the problem of lazy and indifferent students is nation wide. A lazy student was defined as one who continually neglects his daily work.

Laziness and indifference appear in all grades and the parent-teacher interviews have solved a good many problems by parents and teachers working together. It must be remembered that all children do not have the same ability to learn and quite often it is the very bright one that is the lazy one.

In answer to a question there is a basic course for Grades X and XI and if a student completes this course and gets 25 credits each year, the way is wide open to choose any career he or she may wish in Grade XII. It is in these grades that the lazy or indifferent student may show up by taking a so-called "cinch course" in order to get just enough credits to get a high school diploma, and thereby closing the way to many careers.

The general feeling of the whole group seemed to be that a student should be given every chance up to a point. A student that dawdles through Grades X and XI, getting only a few credits each year, consistently refusing to do his work or co-operating with his teacher would be better spending his time elsewhere. He is usually a disturbing influence in the school and keeps others from doing their work.

Mr. Gardiner commended our H.&S. group for being so wide awake. He said we certainly did not expect to find all the solutions to this problem but we can go a long way by a group of this nature being able to sit down and discuss the problem. Through this co-operation we can solve some of them in our own schools at least.

The attendance at this meeting was very good and quite a few new members joined.

The card parties so far have proved very successful. Committee for March parties is Mrs. Reishus., Mrs. Fairbairn and Mrs. Spence.

Mr. Lawson Allen, regional vice Pres. of the Alberta Home and School Assnc. will be guest speaker at the next meeting March 11. Invitations are being sent to Dewberry, Tulliby Lake, Islay, Kitscoty and Streamstown. Will our members please bring lunch.

Three of our members attended a meeting at Islay Monday Feb. 10 when Mr. Simonson gave an interesting talk. Eight members went to Dewberry on Thursday the 13th when Mr. Lawson Allen gave a very enlightening talk on the Home and School and what it is trying to do.

SURPRISED ON BIRTHDAY

On Sunday, Feb. 2 Mrs. Robert Butler was pleasantly surprised when three ladies called to wish her a happy birthday. They noticed the birthday of their neighbor in the Rotary calendar. A very nice time was enjoyed and Mrs. Butler invited her visitors to be sure to come again.

John and Joe Gourley and nephew Alex had been there earlier in the day. Following this Miss Sheila Toner came in to tell here there was a long distance phone call. Mrs. Butler said "Hello" and her daughter Mrs. McGinnis from Saskatoon said "Happy Birthday Mother". Mrs. Butler talked to grandchildren Shannon Billy and Marina. She thinks how nice it is to have good neighbors and how the phone helps when the family lives at a distance. Mrs. Butler also received a lovely card from Miss Keith from Honolulu, Hawaii last week.

HAVE FUN!

by LEE [illegible]

Two ducks were walking down the road towards the pond when one of them quacked: "Oh, quit trying to walk like a woman wearing slacks."

Two farmers at a country fair were fascinated by a booth where six little celluloid balls bobbed on top of a water jet. Customers were offered substantial prizes if they succeeded in shooting a ball off its perch. One of the farmers spent six quarters in a vain attempt to pick off a ball. Finally his friend pushed him aside and said, "Now watch!" He took a single shot. All six balls disappeared. As they walked away from the booth laden with prizes, the unsuccessful one asked, "How did you do it?" "It just took knowing how," explained the other. "I shot the man working the pump."

The United Church W.M.S. held the regular monthly meeting at the manse on Thursday, Feb. 13th. The president, Mrs. Agnes McLean was in the chair. The meeting was called to order with a hymn. Mrs. Wm Roebuck conducted the devotional. Her theme was "Christian Citizenship" Mrs Roebuck was also in charge of the study book on Japan, and a very interesting synopsis of the second chapter was very much enjoyed.

Minutes were read and approved. Reports were given. Roll call showed 26 members and two visitors present.

As it was the President's birthday on St. Valentine's Day she was presented with a birthday card.

At the conclusion of business Miss Craig was asked to close the meeting with prayer. The committee in charge then served a very tasty lunch. During lunch time a pretty heart shaped birthday cake was brought in with lighted candles and 'Happy Birthday" was sung to Mrs. McLean.

Dr. A. H. Goodwin, who resided here with his daughter-in-law and family for several years and who now lives in Edmonton, observed his 90th birthday on Sunday, Feb. 16th at the home of his daughter Mrs. R. Walker.

AGE NO BARRIER IN CURLING

MANNVILLE.—Age proved no barrier to a rink of curlers from Vermilion which participated quite successfully too -- in the Mannville open bonspiel last week. The rink was entered in the name of Albert Dennill with George Webb, Mark Stamp and Graham Skinner making up the foursome, all coming from Vermilion. The ages of the group added up to 289 years, an average of better than 72. This is quite a record, and hats off to these "young" gentlemen, who apparently support the theory that a woman's as old as she looks while a man is only as old as he feels.

Success usually comes to people who count every cent and make every cent count.

the Snapshot Guild

It is easy to picture one section of a room at a time ... with a simple camera.

Picture Your Favorite Rooms

Since so much of the picture taking we do centers around home activities, it's natural for our homes to serve as the background for many of our best snapshots. Today we're suggesting an about-face—how about letting your living room—and the other rooms of your house, too—serve as the subject of your pictures for a change?

There are several good reasons for doing this, especially if you're a "moving" family. Such pictures belong in your family record to help you remember the various places in which you've lived. And, of course, pictures of your home are the next best thing to a visit when they're tucked into your letters to friends and relatives who live too far away for frequent calls.

The really nice part of using your home as a main subject is that you'll have a chance to do a little experimenting. You can try out different compositions and various sources of light. Even if you make a few fluffs the first time, nothing's lost. Just start out again with a fresh roll of film and snap another series of shots. After all, this is one subject that won't move or change position between snaps!

When you shoot interiors, remember that you can't take a whole room in one picture. Study the room in your viewfinder and you'll see it's actually composed of a series of small units. That's just the way you set about arranging it in the first place—sofa and chairs around the fireplace, loveseat and lamp table, built-in cabinets below the wide window, framed prints over the console, wing chair and reading lamp near the bookshelves. Each of these units is a picture in itself—or at least the focal point of interest for a picture.

As for lighting, since this is indoor picture-taking, flash is the simplest choice. But if you want to experiment with flood lamps, here's a perfect opportunity to do so. Try softening any deep shadows or dark corners by placing one or two floods outside the camera's field of view. This should distribute the light evenly—which is especially important if you've loaded your camera with color film. Just make sure that your lights don't reflect from mirrors and other shiny surfaces — or you'll get bright glare spots in your picture.

MARWAYNE

The Home and School card party on Feb. 14th was the best attended to date with eight tables for Crib and six for Whist. Crib winners were, high Mrs. G. Boyce and Mr. Gudzowaty; low Mrs. E. Gray and Mr Petryshen. Whist, high Mrs. D. Kvill and Mr. Bert McClean; low Mrs. W. Ashworth and Mrs. W. Hancock (as a gentleman).

In hockey action this week, the 12 and under team won their game at Kitscoty by a score of 4 to 0. The 14 and unders bowed to Dewberry 4 to 3 at Dewberry.

The World Day of Prayer service for women will be held in St. George's Anglican church on Friday, Feb 21st at 3 o'clock. The theme will be the "Bread of Life". Women of all denominations are cordially invited to attend.

Marks made in music exams: Theory 1 taught by Mrs. Reishus, Gail Gardiner 97, Shirley Hale 91, Betty Ann Hathaway 91. In Theory 2 taught by Mrs. Batty of Kitscoty Peggy Hancock got 86.

Mr. and Mrs. Benny Murray, Mr. and Mrs. Norman Murray of Edmonton visited relatives and friends in town over the week end.

Marvin Little, until recently our Canadian Utilities assistant, was married in Clandonald on Friday last to Miss Lenore Michael. They will make their home in Vegreville.

Mrs. Annie Reichenbaugh's sister Betty passed away in Edmonton. Mrs. Lorne Franklin attended the funeral with her mother. Mrs. Reichenbaugh is staying in Edmonton for a time.

Vernon, son of Mr. and Mrs. Len George had the misfortune to fall on the ice and break his leg. He is now at home with the leg in a cast.

Mr. Rudi Isert is very ill in Elk Point hosital. Mrs. Doull is improving after her recent operation. Mr. Parker and Mrs. Clarence Duchering are making miraculous recoveries from their illnesses.

Measles are still rampant in the school. Miss Balwdin fell victim on Thursday and is at her home in Fort Pitt. Mrs. Hathaway is teaching in her place.

The Farm Women's meeting will be held at the home of Mrs. Bella Ramsay on Monday, Feb. 24th instead of the home of Irene Johnson as was previously announced.

'Finest International Detective Service'

When American Express was formed 108 years ago, the company's only service was carrying goods and valuables between Albany and Buffalo, N. Y. and between Boston and New York City.

However, the firm is best known around the globe for its famous travelers cheques—and least known for its behind-the-scenes corps of special agents who insure the safety of the cheques.

If such cheques are lost or stolen before the owner has countersigned them for spending, American Express replaces them or refunds the money promptly. Then, if theft or robbery is involved, it turns loose its own Special Agents. These are the men of the Inspectors Division, which has been hailed as "the finest international detective service," by none other than Scotland Yard.

Theft, forgery, burglary or any other improper acquisition of travelers cheques, anywhere in the world brings the American Express Inspectors Division into action. In fact, some of the underworld's most notable members have found themselves behind bars because they made the mistake of trying to cash stolen travelers cheques.

Nowadays, big-time professional criminals seldom go for travelers cheques. The work of American Express' special criminal detection bureau is largely aimed against small-time thieves, pickpockets, bag-snatchers and the like, who prey on citizens grown careless or distracted. Vacation-time is especially the busy season. In the typical case, travelers cheques are among loot which a thief has taken from a home or from a person's pocketbook. And whereas the cash or other valuables frequently cannot be traced, many a thief has been brought to justice because of the travelers cheques which bring the American Express agents into action.

The fact that these special agents are protecting a travelers cheque funds makes 'em feel safer on a tour, cruise or even on an individual trip.

The underworld itself shows the highest respect for American Express operatives. Sometimes when travelers cheques are stolen by a pickpocket or sneak thief along with other loot, his immediate reaction is to rush to the nearest mailbox and send them back to the company. They have learned to worry that, like the Canadian Mounted Police, the Inspectors Division too, "always gets its man."

Causes of Death Among Women

American women are just about the healthiest you can find anywhere in the world, according to prevailing mortality rates reported by statisticians of the Metropolitan Life Insurance Company to the Health League of Canada.

Only the women of Norway, among the 19 countries included in a study made by the statisticians, have a lower mortality than those of the United States. In Norway the female death rate from all causes is 6.4 per 1,000 per year; in the United States the corresponding rate is 6.9 per 1,000.

Although differences in mortality between countries have been decreasing in the last few decades wide international variations are still observed, the statisticians report. For instance, the female death rate from tuberculosis of the respiratory system ranges from a low of 4 per 100,000 in the United States, Australia and New Zealand to a high of 47 per 100,000 in Japan. Pneumonia as a cause of death among women also shows a wide variation from the 16 per 100,000 in the United States to the high of 53 per 100,000 in Finland.

Only in deaths from motor vehicle accidents do American women suffer the highest rate in the world, 11 per 100,000. The lowest death rate from this cause 2 per 100,000 is found in Israel.

"International data on mortality from specific causes are instructive, even though they are not strictly comparable," the statisticians comment. "The variations are influenced by the general level of medical practice, mode of certifying causes of death, and classification procedures."

In 1958 tax payments of all governments in Canada will be about $900 per capita.

OBITUARY

LLOYD ELMER McFADDEN

Funeral services for the late Lloyd Elmer McFadden were held in the First United church, Vermilion, on Wednesday, Feb. 5th, and at the Foster and McGarvey Funeral chapel in Edmonton on Thursday, Feb. 6th. Interment was in the Mount Pleasant cemetery in Edmonton. The large attendance at both services testified to the esteem in which Mr. McFadden was held. A favorite hymn of the deceased "In the Garden" was sung by Dr. A. Ben King.

Lloyd Elmer McFadden was born in Neche, North Dakota, on May 14th, 1893, the youngest of twelve children. He came to Canada at an early age, always working in the grain trade. At the time of his death he had been with the Alberta Wheat Pool for 29 years. In the year 1925 he came to Islay and here he married Nellie Gilchrist who survives him. Left to mourn his death also is one sister Mrs. Laura Hanson of Gilby, N.D. He was a member of the Masonic Lodge at Bathgate, N.D., for 43 years.

The pallbearers were Dr. H. J. [illegible], A. Christianson, W. L. Roebuck, J. R. Robson, R. G. Ross, K. Greenwood at the funeral service in Vermilion, and in Edmonton all were nephews of the deceased, Don Gilchrist, Jack Dingle, Jim Forrest, Brice Gilchrist, Don Connell and Gordon Ballhorn.

Legion Curlers In National Final At Copper Cliff

OTTAWA. — The Canadian Legion's second national curling final will open at Copper Cliff on March 10th with Lieutenant-Governor Keiller Mackay throwing the first stone.

An event which will draw top Legion curlers from every province but Newfoundland, the national bonspiel climaxes months of elimination matches at branch, district and provincial levels.

Last year a team from Kamloops won the first nation-wide competition. Manitoba and northwestern Ontario curlers tied with Saskatchewan for second place, and Ontario's Kirkland Lake team was third. Alberta and New Brunswick drew for the fourth position, followed by Quebec, Nova Scotia and Prince Edward Island.

In addition to the actual participants, a number of Legionnaires are expected to attend the bonspiel.

HOW CAN I?

By ANNE ASHLEY

Q. How can I dry the hair quickly after a shampoo?

A. If the hair is very heavy and drying it takes a long time the following method may be used: light the oven, turn the gas low, lower oven door and then place electric fan on the lowered door. The warmed air will quickly dry the hair.

Q. How can I relieve a bad head cold?

A.: Place a piece of camphor in an old saucer, set it on the fire and after burning for a few minutes blow it out and inhale the camphor fumes. This has often proved effective.

Q.: How can I remove varnish stains from fabrics?

A.: By saturating with turpentine, rubbing between the hands and then sponging with alcohol.

Q.: How can I prevent the smell of tobacco smoke in a room?

A. Place a lump of crystal ammonia in a jar, with three or four drops of oil of lavender. Add a few teaspoonsful of boiling water and let the jar stand uncovered in the room.

Q. How can I prevent cake icing from hardening if interrupted by the doorbell or telephone while applying the icing?

A.: Place a damp cloth over the bowl containing the frosting and it will prevent hardening.

Q.: How can I soften finger nails that are hard and brittle?

A. By immersing the nails in warm olive oil every night. Or try rubbing a little petroleum jelly on them every evening.

Q.: Should electric light bulbs be cleaned often?

A.: Yes. It is surprising how much light dirty bulbs and soiled glass globes prevent throwing out. If they are neglected the housewife will be paying for illumination that she is not receiving.

Q.: How can I keep the crust of rolls and bread smooth and tender when baking?

A.: Place a saucepan of boiling water in the oven when baking. The steam will keep crust smooth and tender.

Q.: How can I avoid accidents caused by a stepladder slipping on wet floors?

A.: Find an old wornout rubber overshoe, cut out a few small rectangular pieces to fit the bottoms of the stepladder legs, and tack or glue a piece to the bottom of each leg.

St. Lawrence Will Be Ice Free Soon

Winter navigation in the lower St. Lawrence may be relatively commonplace a couple of years from now, says Michael Parkway in The Financial Post.

By 1960 the Canadian government expects to have adequate facilities and trained personnel to provide necessary services.

By 1961-62 it will have 10 fully protected icebreakers and five more lightly fortified ships to station at intervals all the way from Montreal to the Gulf of St. Lawrence.

From Dec. 1, 1956 to Dec. 1, 1957 Canada's population increased by 532,000 to a total of 16,[illegible]. growth in the period was at the record high rate of 3.4 per cent.

Cpl. Stan Surby Is Transferred To Westlock

Cpl. Stanley Surby, who has been in charge of the R.C.M.P detachment in Vermilion for the past 6½ years, has been transferred to Westlock. He took charge of his new detachment which consists of six officers, on Sunday of last week. Cpl. Surby will be succeeded by Cpl. Peter Morris of Redwater. Until his arrival here Constable Kelly is in charge.

Cpl and Mrs Surby and family were feted at several farewell parties prior to their departure, and carry with them the very best wishes of a host of friends. They leave this Thursday for their new home in Westlock.

Death of James Kirwin, Clandonald

James Kirwin, resident of Clandonald district since 1926, died at his home on Saturday, Feb 8th at the age of 75 years. He was born in County Fermanagh, Ireland coming to Canada in [illegible] Moreton district until retiring about four years ago.

He is survived by his son Conrad in Dewey, B.C., three grandchildren, one brother and three sisters in Ireland, and two nieces in Edmonton.

Prayers were said for the deceased on Wednesday Feb. 12 in the St. Columba church, Clandonald. Requiem high mass was offered the following morning by the Rev. Father Stewart at 10:00 a.m. and interment was made in the parish cemetery.

CARD OF THANKS

Construction Starts On New Power Line

Construction commenced Feb. 11th on Canadian Utilities Ltd 35-mile Vegreville to Vermilion 69,000 volt transmission line. To be constructed at a cost of $392,000, the line is slated for completion by July of this year.

The thirty-man construction crew supervised by Steve Hrushka, is setting the H-frame structures.

The new line is being built to specifications that will facilitate an efficient and speedy change to a 138,000-volt line when necessary. Poles 60 and 65 feet in length are being used and all corners and dead-end structures are being insulated for 138,000 volts. Main runs however will be insulated for 69,000 volts.

The new transmission line is one of the first steps being taken by the electric utility company to meet the ever increasing power demand in the Vegreville district. When completed the new line will be one of seven transmission lines feeding in and out of the new Vegreville West substation which was built in 1957. The new line will take the burden off the heavily loaded 34,000 volt number 5 line from Vermilion, which at present serves the Vegreville area and the northwestern portion of the company's Vegreville district system.

Canada's 1957 mineral production reached the record value of $2,134 million, compared to $2,085 million in 1956. In value of production Alberta displaced Quebec for second place to Ontario.

E. A. H. L. Executive Arranges Play-Offs for League Title

At an executive meeting of the E.A.H.L. held on Sunday last, every member attended and details of play-offs were arranged.

It was also the consensus of opinion that the league as operated this year had been quite successful. It is proposed to hold the annual meeting in April instead of in the fall. At that time the constitution will be brought up to date. President E. A. Locke conducted the meeting.

WESTERN ZONE STANDINGS NOW DECIDED

The western zone standings are now finalized, although some games are left to play the results will not affect the positions of the teams. St. Paul Hornets are first, Bonnyville Pontiacs second and Vermilion Tigers third. The Wainwright Commandos dropped out of the league in the latter stages due to lack of support.

Starting March 1st Vermilion will play Bonnyville in a best two of three series, for the right to meet St. Paul. The first game of the semi-finals will be Saturday March 1st in Vermilion, remaining games on Sunday and Wednesday at Bonnyville, if needed.

Winner of the Bonnyville-Vermilion series meets St. Paul in a best of five series starting on March 9th.

Winners of the two zones meet in a best of five series. The B section standings are still doubtful, but it is certain that Lloydminster will be first, Neilberg fourth, with Lashburn and Maidstone battling it out for 2nd and third spots. Dates will be set later.

Bob Cats Start League Play-Offs; Hang 7-3 Defeat on Kitscoty

Vermilion Bob Cats got away to a good start in search of the league championship on Wednesday evening when they trimmed a re-inforced Kitscoty squad 7 goals to three in the first of the semi-final play-off. Myrnam plays Mannville in the other half of the semi.

The game Wednesday night was a fast, sparky affair, productive of good hockey throughout. The Bob Cats, sporting new uniforms, looked particularly good. White predominates in the sweaters and they did look snappy.

Kitscoty goals were scored by Blair from Rabl; Hutton from Machon, Wolters.

Vermilion — Coyne (Schmidt); Maggs (Redman); Coyne from Schmidt; Schmidt (Leahy and Coyne); Waldenberger (Schmidt and Leahy); Coyne (Waldenberger); Leahy (Schmidt and Coyne).

Eddie Mistal refereed.

LINE-UPS

KITSCOTY — McLean, Machon, Potvin, Niven, Blair, Tipper, Hutton, Wolters, Rabl, Sholdice, Gallagher, Priest.

VERMILION — Reid, Waldenberger, Link, Dergatz, Jones, Leahy, Coyne, Schmidt, Mathison, Gannon, Maggs, French, Redman, Hemmingway.

St. Paul Trims Tigers 11 to 2

The league leading St. Paul Hornets had too much scoring punch in the final period for the Tigers last Saturday night, the game ending up 11 to 2. In the first period play was quite even and so was the scoring, 1 to 1. Even the second was not at all one-sided, with the Hornets scoring three more without a reply. They added seven in the third, with the Tigers notching one.

Joe Brower and Bernie Anderson notched the Tigers' duo, with Jim Shepansky getting an assist.

For St. Paul, Bellerive, the league' leading marksman, scored three with one assist. Charuk 2 Pundik 2; Laboucane, Dehld, Zaharchuk and Foisy one each.

Next home game is on Saturday night, Feb. 22nd, against Maidstone.

Vermilion A.T.A. Sponsors Bonspiel

The second annual bonspiel sponsored by the Vermilion Local A.T.A. for teachers, their wives or husbands, board members and personnel of the divisional office was held in Vermilion on Saturday Feb. 15th with sixteen rinks participating. Several high school students very ably assisted by filling places left vacant by teachers unable to attend at the last minute.

Winner of the first event was a rink skipped by John David of Vermilion. Second place was taken by a rink skipped by Bill Tough of the Vermilion High school. In the second event, first went to Clark Richardson of Kitscoty, with Art Swayne, Vermilion, in second place.

Winning rinks were made up as follows:

John David, M. Ostashek, H.J. Enns, I. Pestra; Bill Tough, Sheila Dowdell, Hugh Leighton, W Mathison; Clark Richardson, Keith David F. Hannis, Dick Cosh; Art Swayne, D Mathison, D Gudzowaty, Judy Lang.

Prizes were donated by Craig Bros., Vermilion; Dustbane (Alberta) Limited, Edmonton; W.E. Greer, Limited, Edmonton; G. H. Wood's & Co., Limited, Edmonton; Vermilion Local A.T.A.

LEGION CURLERS REACH FINALS

On Sunday, the curling team representing Vermilion branch of the Canadian Legion advanced to the finals of the district play-off at Wainwright. Here they were eliminated by the Viking Branch of the Legion, a rink coached and skipped by none other than Jimmy Collins of Matt Baldwin's Brier and car 'spiel rinks in 1954. The score of the final game was Viking 12, Vermilion 7.

In the fours of one of the knockout competitions Vermilion turned back the Hilliker rink of Killam, and Viking eliminated Sam McGoon of Bonnyville. In the other competition Vermilion ousted Bonnyville and Viking eliminated Killam.

The Vermilion rink won the zone contest two weeks ago, advancing the team to the finals of district 3. The district elimination now permits the Viking rink to compete for provincial finals to be held at Drumheller in about two weeks' time.

The Vermilion rink is skipped by Bill Scales, with George Webb Jr., Neil MacLean and Vic Tillett.

AWAKENING

I have a boy who can tell you precisely when the sun went down last night what you would pay for nails in a hardware [illegible] today and how much [illegible] weighs. I envy his [illegible] awareness of what goes on [illegible] him his insatiable curiosity, his breadth of interest. I hope that as he grows older he will add wonder imagination, and a touch of philosophy to this awareness.

If he does he may some day write a book of poems as good as the one I've just been reading with considerable fascination. It was written by R. G Everson, published by Cambridge Press, Montreal with drawings by Colin Haworth. The title is "Three Dozen Poems." They combine the sharpest kind of observation with a whimsically tender sense of wonder. Some are complex, some like this example, have classic simplicity.

"Half a dozen white loaves lie
in the oven of the sky,
round above and flat below.
Who is baking? I don't know,
but, whoever set them there
in the oven of the air,
had better damper down the
sun
before the batch is overdone."

I wish I could give you a sample of the drawing, too. They complement the mood of the poetry. Indeed, this combination, in one book, of both art and poetry, seems to me to be a particularly brilliant idea and I am amazed that publishers have not thought of it before. As far as I know this combination is purely a Canadian development (though I note that R. G Everson, the poet, while a Canadian, appears frequently in Atlantic Monthly). This idea will undoubtedly be taken up by European and American publishers, and turn out to be a not insubstantial combination to the world of culture.

Perhaps, after all, Canadians can export as well as import our full share of the culture of the world.

The Vermilion Standard

Vermilion, Alberta, Thursday, February 20th, 1958. Page 1 -- Second Section

With Vermilion W. I.

The Vermilion W.I. met Feb. 11th at the home of Mrs. E. T. Rooks with 13 members answering the roll call with a poem. All were pleased to welcome Mrs. Annie Cameron and Mrs. Olive Currie as visitors. 47 sick calls were reported; 6 get-well cards and 3 sympathy cards were sent. Four boxes were sent to Unitarian Relief containing six layettes and a quantity of good used clothing.

The report of the tea and bake sale, as well as the draw on the wool blanket was given. The blanket was won by Mrs. Thos. Wilson of Vermilion. Vermilion W.I. wish to thank all who attended the tea and helped make it the success it was.

An interesting and informative paper was given by Mrs. J. D. Perkins on making Oxo cubes. Did you know it takes 30 pounds of beef to make one pound of Oxo? This was a surprise to all.

Mrs. Helen Bell donated the mystery box which was won by Mrs. Rooks.

The next meeting will be held March 11th at the home of Mrs. Perkins. Roll call will be answered with 25 cents donation from each member for the Canadian Arthritis and Rheumatism Society, Alberta Division.

The meeting closed with a tasty lunch served by Mrs. Rooks, Mrs. Gordon Dunsmore and Mrs. Tom Davis. A social hour followed.

President Young Conservatives Visits Edmonton

EDMONTON, — Douglas Jung, president of the national YPC, and member of the last parliament for Vancouver Centre, was in Edmonton during the week end of Feb. 15th and spoke at his honor at the Seven Seas a large Tory luncheon given in restaurant. Born in Victoria, B.C., of Chinese parents, Jung served with the Canadian Army during the second world war in the south west Pacific where he was dropped behind the Japanese lines.

He studied at the U. of B.C. and was called to the bar of that province in 1954. Last June he captured Vancouver Centre from the Liberals and by doing defeated Defence Minister R. Campney. He was the first member of his race to sit in the Canadian House of Commons. He was elected president of the Young Conservatives in Ottawa last month.

By steamer from Halifax to Bristol is 2,400 miles; by rail from Halifax to Vancouver is 3,400 miles.

Retiring President Reviews Work of Board of Trade

The following is a slightly condensed report of the review of the Board of Trade activities during 1957, given by retiring president Israel Miller at the annual meeting held January 29th:

"It has been a privilege and an honour to be your President during the past year.

"First of all, I wish to thank the members of the Executive and the various committees for their help and co-operation during the year, and also the members at large for their loyalty to the Board of Trade. I know the members of this Board are interested in our work because of their unfailing attendance at our weekly luncheons, which has averaged 25 to 26 persons per week.

"The Board of Trade or Chamber of Commerce has been called the "Parliament of Business", including in the term "business" the occupation of all those in the community engaged in earning their livelihood, because everyone so engaged is in the larger sense 'in business.' Consequently, the Board of Trade is interested in promoting anything which is for the good and general well-being of the community at large, not only in the town but also in the district. I am satisfied our organization renders a worth-while service to the entire community and justifies the support of everyone.

"In this connection, I might mention that the week of the 13th of April next to the 19th, will be known as "Chamber of Commerce Week." As you know, "Chamber of Commerce" and "Board of Trade" means the same thing. The purpose of this week is to create a more widespread and public knowledge of the service given and the value of a Chamber of Commerce or Board of Trade, not only in your town but at the provincial and national levels. I hope the incoming Executive will do all it can to join with the Canadian Chamber in putting across this "Chamber of Commerce Week."

"As you know, we cannot pass laws such as a legislature or a town council does, but we can keep ourselves informed and we can suggest, recommend, and promote matters which are important and which should be attended to.

ROAD SIGNS

"During the last year, as you will observe from the Financial Statement, we devoted a considerable part of our efforts to publicity and advertising, particularly with reference to the Vermilion Provincial Park. We finally induced the Government to put up directional signs on Highway 16 indicating the location of the Park. In addition the Board erected large signs on Highway 16, one at the west side of Kitscoty and one at the east side of Minburn, and a large sign in the Town park advertising Vermilion and the various service clubs and organizations, including Board of Trade. All of this was done at a considerable cost to the Board which I think was well incurred.

COMMUNITY SALES PROMOTION

"With our Retail Committee in charge the Board put on a very successful "Spring Promotion Sales Campaign" namely a shopping week of "Dollar Days" with a picture contest the same as we had the year before. Apart from attracting a certain amount of business to the Town, I believe this Shopping Week project was excellent advertising for the town as a whole.

"At our luncheon meeting on May 8th we had the pleasure of welcoming the "Shopping Week" winners, Mrs. Carl H. Johnson (first prize) and Mrs. W D Williams (second prize) as our guests, and presenting to them their prizes.

PROMOTE FAIR PARADE

"The Board co-operated with the Fair Board in promoting the Vermilion Fair. We appointed a special committee consisting of Mr Jack Kneale chairman Mr Angus MacMillan Mr Jim Champion and Mr Cliff McCormick to obtain entries for the floats in the Fair parade, and to assist the Parade Committee of the Agricultural Society. The Board had its own float in this parade, and I wish to congratulate Mr Jack Kneale and his committee for the good work they did in organizing an excellent parade.

CHRISTMAS HOME DECORATION

"For the first time the Board sponsored a "Christmas Home Decoration Contest" with first second and third prizes. This contest was very successful. The judges reported it was amazing how many beautifully decorated homes there were for a town of this size.

"In the matter of publicity we could not do without our Director of Publicity, Mr. Ashley Cooper. He has given freely of his time, and the Standard has given us all kinds of free publicity. Mr. Cooper has also seen to it that anything of moment concerning the Board ultimately reached the Edmonton Journal and radio station CJCA, and we are fortunate to have his help and assistance in this direction.

COMPLETE ECONOMIC SURVEY

"The Economic Survey of the Town of Vermilion, completed at the end of 1956 by the Industrial Committee, Mr. McPherson and Mr. Sutherland, was printed last year by the Government and distributed. Incidentally, your Secretary and I saw to it that a goodly number of these booklets were distributed at the Annual Meeting of the Canadian Chamber of Commerce in Victoria last year.

HOSTS TO REEVES AND SECRETARIES

"On May 13th, the Board held its usual annual "Spring Dinner Meeting" at which the Board was host to the Reeves and Secretary-Treasurers of the Municipal Districts of Vermilion River and Minburn, and to the Presidents and Secretary-Treasurers of neighboring Chambers of Commerce and Boards of Trade, namely Innisfree, Myrnam, Islay, Marwayne, Wainwright, Vegreville, Mannville, Elk Point, Kitscoty, Derwent and Dewberry and the Clandonald Community Affairs Association.

"Guest speaker at this meeting was Professor B A Lindberg, Director Commerce, University of Alberta, who gave a very fine address which was thoroughly enjoyed.

CLEAN UP DAY

"Under the able chairmanship of Mr. Clendenning, the Civic Committee promoted and conducted a very successful "Clean Up Day" during the spring.

"As chairman of this committee Mr. Clendenning also made arrangements for certain of our business men, namely Mr. E. A. Locke, Mr. K. G. Urquhart and Mr. G. F. Stephens, to attend a meeting of the Home and School Association last spring. These gentlemen addressed the Association on the requirements of High School graduates seeking positions in the business world. I think this is a worth while endeavor and something of the sort should be repeated.

REST ROOMS

"The matter of a public rest room in the Town of Vermilion is a matter of some urgency. The Board made representations to the Town in this regard and the Town Council decided to leave the matter of a rest room for another year because of the lack of finances. It is understood the Council estimated the cost of a proper rest room would be in the neighborhood of some $15,000 in addition to which there would be the cost of a full time janitor. I understand, for the present, arrangements are being made by the Town with the Vermilion Elks for the use of their rest room.

MUNICIPAL FINANCES

"The matter of Municipal Finances was brought before the Board by Mr Don Wilson Chairman of our Agricultural Committee and as a result at our meeting of May 22nd we had as our guest Mr Kelly, the Reeve and Mr Wallington one of the councillors of the Vermilion River Municipal District together with Mr Kay secretary treasurer. Mr Kelly gave us a very interesting address on Municipal Finances.

PROMOTE INTEREST IN V S A

"The Board also interested itself in the matter of enrollment in the School of Agriculture which appeared to be dropping. In this regard, our Agricultural

Retiring President Reviews Work Of Board of Trade During 1957

(Continued from page 1, Sec. 2) Committee recommended the following:

(1) To publicize the School of Agriculture.

(2) To endeavor to interest the youth of this area to enroll in the School by means of contact through various successful farmers in this area and their wives.

(3) To urge the modernization of the School particularly in various types of equipment.

FARMER MEMBERS INCREASE

"I am glad to note that this last year we had 43 farmer members, whereas in 1956 we only had four. This increased membership was due to the energetic efforts of Mr Roy Walker and Mr Don Wilson who obtained practically all the farmer memberships. This Board is representative not only of the people in the town but also of farmers in the surrounding district, and we hope is of help and service to the farmers as well as to the business men.

190 ATTEND COUNTRY BANQUET

"Last November we held a splendid Town and Country Dinner Meeting with a total attendance of 190. Professor Gade, Associate Professor, Faculty of Engineering, University of Alberta, was the guest speaker and he gave us a very interesting and witty address on the "Sputnik."

TEACHER RECRUITMENT

"The matter of Teacher Recruitment and Retention also had the attention of the Board and at our meeting on May 29th we had the pleasure of listening to an interesting address in relation to this from Mr. Aubrey Erle, Co-ordinator of Teacher Training of the Department of Education of the Province. At a later luncheon meeting in June the local school teachers were the guests of the Board. Last fall we were pleased to have as our guests the teaching staff of the Vermilion School of Agriculture and Home Economics.

DELEGATIONS

"Last June a delegation of representatives from Vermilion Wainwright Derwent and Elk Point attended upon the Minister of Highways in Edmonton and a written brief was presented to him urging the re-building and hard surfacing of Highway 41.

"The President and three members of the Board attended a F U A meeting at Preston school house. I think we should endeavor to have more of such visits during the year.

"We sent delegates to the Annual Meeting of the Alberta Associated Boards of Trade and Agriculture at Edmonton, your President and Mr Paul Godt attending.

"In October the President and Secretary were delegates from this Board to the Annual Meeting of the Canadian Chamber of Commerce at Victoria.

FIVE DAY WEEK

"Last fall Mr Albert Harestaher a member of our Retail Committee, and Mr W A Anderson attended a meeting of representatives of Boards of Trade at Wainwright, called to discuss the proposed five-day week for retail stores. I understand our Retail Committee will call a meeting of the local merchants in Vermilion early this year to go into this matter and report to the Board.

ADDRESSES

"During the year we had several very interesting speakers address the Board in addition to those already mentioned.

"In February Dr A J McCalla Dean of the Faculty of Agriculture of the University of Alberta gave us some informative comments on the "Gordon Report."

"A very interesting account of the operations of the Alberta Poultry Producers was given by Mr B Klatt manager of this company here.

"At our next meeting Mr Jack Knowle gave a most interesting talk on the Canadian Utilities plant here of which he is manager.

"We also had the pleasure of listening to Mr S Graham, Assistant Director of the Extension Services of the Provincial Department of Agriculture on the marketing problems facing the farmers today and farm management.

"In April Mr R W Whitson, M.L.A. from Mannville, gave a very interesting address on the highlights of the 1957 Session of the Alberta Legislature.

"Mr N N Bentley Principal of the Vermilion School of Agriculture in an address to the Board gave us a [illegible] informative and factual [illegible] of the functions and activities of the School.

"Last September Mr Bryant, Director of Publicity for the Province of Alberta was a guest at our luncheon meeting giving a very graphic description of the display put on by his Department at the Chicago Land Fair which was put on with the object of inducing tourists to come to Alberta.

"Among other guests and speakers who attended our luncheon meetings I might mention Mr D M Cameron, Registrar of the Alberta Pharmaceutical Association; Dr. J. K. Murray, Professor in the Faculty of Pharmacy, University of Alberta; Dr. Marvin J. Huston, Dean of the Faculty of Pharmacy, University of Alberta; Mr. McTavish, Vice-President of the Alberta Associated Chambers of Commerce & Agriculture; Evangelist Mr Edwardson, and the Rev Allen Dawe of the Zion United Church, Vancouver.

"We enjoyed having all these people as our guests and each had a message to convey to us. I believe it broadens one's outlook to have people from other places visit us, and helps us to keep from becoming perhaps too "local" in our viewpoint.

MISCELLANEOUS

"The Board, through our Civic Committee, supported Civil Defence Day in Vermilion which was on October 4th, and Mr. George Martin, Director of Civil Defence for the Town and Municipal District of Vermilion River addressed the Board on this subject.

SPRING STOCK SHOW

"At our luncheon meeting of April 3rd we had the pleasure of entertaining as our guests the youthful prize winners at the Spring Stock Show, namely Master Keith Barr, Master Billie Robinson, Miss Betty Robinson, and Miss Louise Barr.

"At this luncheon meeting we also had as our guests Mr. Ronnie Barwick, President of Elk Point Board of Trade, and Mr Jack Deakin, District News Editor of the Edmonton Journal. Mr Barwick, who often visits us, addressed the Board briefly. In this connection, I suggest this coming year it might be a good idea to invite at different times the presidents of some of our neighboring Boards of Trade to be our guests at luncheons and address us.

"I wish to take the opportunity here to thank Mr Leo McKernan for the film showing which he arranged for our luncheon meeting of March 27th "Meet Your Gas Company" shown by Mr Mathews of North Western Utilities Vegreville, and Mr Rosequist who arranged for the showing of the film entitled "Power to Serve" shown by Mr W. D. Stafford of Canadian Utilities at our luncheon meeting of September last.

"Mr. McPherson, chairman of our industrial committee, who is always alive to the possibility of introducing a new industry or new industrial activity here extended on behalf of the Board the co-operation of the Board to Standard Oils who we understand contemplated engaging in operations in this vicinity.

The Board, as in the past, through the Ways and Means committee arranged for transportation of our hockey players to the different games.

"The executive of the Board played host to the members of the Northern Alberta Ladies' playdown which visited Vermilion last year. Under the able chairmanship of Mr. Rosequist this was an enjoyable affair and was much appreciated by the ladies.

"Mr. Mitchell gave the Board a concise and informative report on the meeting in December of Economic Development board of the province in Edmonton, of which he is a member.

"Mr Urquhart who is a member of the executive of the Yellowhead Route Association and who attended the meeting of the Association in Edmonton when the highway ministers of the four western provinces were present gave a very comprehensive report of the meeting.

"I am glad to note from Mr Urquhart's report at our meeting of June 26th, that the Vermilion Provincial park facilities are being improved all the time. This park is a valuable asset to the Town of Vermilion. We should do everything in our power to encourage its development. I feel we are fortunate in the permanent park committee which we have, consisting of Messrs. Hill, Urquhart and Sutherland. Mr Urquhart in particular has unsparingly given of his time and even of his personal labor to this project and I would like him to know we all appreciate what he is doing in this regard.

"At this time I wish to thank our secretary Mr Richardson for the help he has been to me through my term of office, and for the efficient and businesslike manner in which all the board of trade work is handled.

"Speaking of work and effort, this applies to board of trade work as well as to other lines of endeavor. If we want this board of trade to be successful and to progress we have to put work and effort into it. If we wish to preserve our way of life and the freedom we now enjoy we have to work for it. We must not be complacent. At the annual meeting of the Canadian Chamber of Commerce at Victoria, Mr. Grant W. McConachie, President of Canadian Pacific Airlines Ltd., dealt with the 'Responsibilities of Freedom' and stated:

" 'It is truly said that the greatest present danger to our way of life is our own complacency. This is particularly true in times of prosperity when we are inclined to take our freedom for granted and to assume that the present system is part of the permanent order. And yet the statement of the great Edmund Burke was never more accurate than it is today 'the only thing necessary for the triumph of evil is that good men do nothing'."

"In conclusion therefore, I say to you, if you do not wish to keep what you have, if you do not wish to make further progress, do nothing. I know the members of the board of trade have not been of that mind in the past, and I am sure in the coming year our board will make further progress and be of greater service than ever to the town and community.

"I extend to my successor in office my sincere wishes for a useful and successful year."

Road To Aid In Development Of North Country

EDMONTON. — Alvin Hamilton, Minister of Northern Affairs, announces that he has sent a letter to the Alberta Government outlining a five-year co-operative program to open up and assist in the development of Canada's natural resources in the north.

The minister explains that the deal will be similar to that offered to all provinces. It will involve spending up to $15 million to construct transport facilities to link up with a net work of highways in the territories.

He said the blueprint for development of Canada's natural resources, now being prepared by the Conservatives, will build the base of a nation of 50 to 100 million persons in the future". While in Edmonton he outlined a road construction program in the north as the first step to aid exploration in the delineation of the nation's resources in the Territories.

Hamilton declared the people of Alberta would be able to appreciate that at long last there is a government in Ottawa which has bold and imaginative plans for the building of Canada that "many of us have felt long overdue."

Peace of Mind Cost Man $25.00

WINNIPEG. — A Winnipegger rests more easily in his mind now, untroubled by his conscience — but it has cost him $25 to secure this peace of mind.

This week the man sent the $25 to the C.N.R. station agent at Winnipeg with a simple note appended, explaining, "This is conscience money".

No one knows who the man is or what was troubling his conscience but both the C.N.R. and he feel better about it now — whatever it is.

Not Culture Starved

Most Canadians, declares J.B. McGeachy in The Financial Post, are now within easy reach of good music and the theatre. "The complaint by disappointed newcomers that what they miss here is 'culture' is usually either pretense or self-deception, though it's true that Canada has fewer ancient monuments than other countries."

Health Unit Notes

MEASLES:

This is a common disease amongst children and parents should be able to recognize the early symptoms so that they can isolate the child and put other children in the family in quarantine if necessary.

RED MEASLES

The child has a fever and is irritable and may vomit. Sneezing, a dry cough, watery eyes and a running nose are followed on the fourth day by the appearance of the rash. This rash is blotchy red and covers the whole surface of the body and lasts three or four days.

Red measles is quite a severe illness and the child should be kept in bed in a well ventilated room and protected from draughts. The room should be darkened while the child's eyes are inflamed. A light diet with plenty of fluids should be given and care taken that the bowels act regularly.

A child with red measles must be isolated for 10 days and should not return to school until fully recovered. If there is not a complete recovery after two weeks, a doctor should be consulted. All children in the household who have not yet had measles must be quarantined for two weeks and this means not going to school and NOT playing with children who have not had the measles.

GERMAN MEASLES

Red measles can be distinguished from German Measles by the rash which in the latter case appears on the first day of the illness. Also in German Measles the glands behind the ears and at the back of the neck are swollen. German Measles is not as severe an illness as the Red Measles and only severe symptoms are usually nose bleeds. The rash disappears within about two days. The child must be isolated for seven days and there is no quarantine for contacts.

The law requires that Measles be notified to the doctor or Health Unit.

MUMPS

As in most other infections the first signs of illness are irritableness in the child, lack of energy and a desire to sleep. The child may or may not complain of a sore throat. The swelling soon appears in front and below the ear on one or both sides and chewing is usually painful.

TREATMENT: Keep the child in bed and give plenty of bland drinks avoiding things too acid and too hot. The child may get up when the swelling subsides but should not return to school for at least a week and only then if perfectly well. Adults as well as other children who have not had mumps should be kept away from the patient but they need not be quarantined.

Complications in this disease are swelling and inflammation of the ovaries or testes which may cause sterility in later life but this can be avoided if the patient is kept at rest in the acute stage of the illness and adequate convalescence is allowed before return to active life.

Solve a Crime
BY A. C. GORDON

The wealthy old millionaire, William J. Templeton, has come to a violent end. His body lies slumped in the wheelchair to which he had been confined for the past two years. Across his lap lies a shotgun, the weapon which ended his life and, hardened though you are, you cannot repress a shudder when you look at what is left of Templeton's right side by the shotgun charge.

The victim's two sons, Henry and Warren, are standing behind you, and you turn to them.

"I heard the shot while I was out in the yard," exclaims Henry. "I ran in and found him sitting there next to the table like this! I was so horrified I couldn't think straight. I just sat down in that chair — unable to do anything — until Warren arrived home from town, I guess that was about fifteen minutes or so later. He was the one who phoned you."

Warren speaks up. "Father had threatened suicide several times during the past year. Said he would do it the quick and easy way with the shotgun. He even went so far as to demonstrate how easily he could do it — that his arms were long enough to reach the trigger if he laid the gun on the table. He kept saying that he was just too useless around here since his legs became paralyzed and that he was just a drain on our energy with all the care we had to give him."

"We became so uneasy about his threats," says Henry, "that I put the gun up on a closet shelf and stuck the cartridges in a kitchen drawer."

You gaze at the table to the left of the old man's chair, notice the pipe lying on it with its well-chewed stem, the ashtray with its contents of pipe dottle and burnt matches, the shell rimmed eyeglasses, and a section of this morning's newspaper lying open nearby.

Finally, you swing back to the two young men. "This was no suicide! Your father was murdered, and you both are coming in with me for further questioning!"

What is your reasoning?

SOLUTION

Three separate items have aroused your suspicions. With his legs paralyzed as they were, you wonder how the victim could have stood up to get the gun down from the closet shelf where Henry claimed he had put it. The table is to the *left* of the victim's chair. If he was supposed to have fired the gun as it lay on the table he could not have shot away his right side. Finally, the gun is lying on the victim's lap where he most certainly could not have placed it after shooting away his side.

NEWS from ALLANDALE

Weather, Feb. 7th 32 below, [illegible] so far this winter. Cold the following week and more snow.

Feb. 2nd. Our appreciation to the Princess Ann W. I. and all who helped, for a jolly afternoon for around a hundred people and for the privilege of skating on the Heatherington Lake. It was a perfect day, sunny and around 20 above. It was a pleasure to see the children learning to skate and some went right along. For the convenience of the people there was a camp fire and benches. Coffee and hot dogs were available for all. It was a grand afternoon.

Our deepest sympathy to Mrs Nellie McFadden in her sorrow on the loss of a dear husband. The late Mr McFadden was well known to many. "The depths of sorrow we can not tell of the loss of one we loved so well, and while he sleeps a peaceful sleep his memory we shall always keep."

Feb. 8th - An enjoyable five days was spent in the city at the Walsh home visiting with daughter Della, Jimmy and family and daughter Orlene. Paul and family. Paul is working at Calgary and Orlene and family will join him [illegible] Edmonton. A home at the Air Force base will be available at that time. Paul joins his family in the city over the week ends. HAVE FUN!

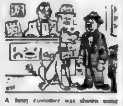
In Los Angeles, a defendant in municipal traffic court pleaded guilty. "Did you have an accident?" asked the judge.

"Nope," replied the defendant, "I hit a pedestrian."



A fussy customer was shown some puppers in a pet shop.

"No, I must have an older dog," he said. When the proprietor trotted out older dogs for his inspection, he objected, "They're all too expensive."

"Then, sir, if I may suggest," the owner said haughtily, "perhaps you should look up a used car dealer."

Weather Control

What sort of weather would you like for this week or month? Sooner than you think control is coming, reports The Financial Post. Hopes of such have increased a hundred times or more over this last decade.

This is the conclusion of a committee of the U. S. National Academy of Sciences.

The Committee lists three recent achievements that have increased hopes of control.

It has been proved that under very special conditions it is possible to increase rainfall by a perceptible measurable amount by seeding the clouds with crystals.

Also under very special conditions it is possible to make clouds disappear over an appreciable area.

It has been shown possible to cut down evaporation of water from lakes, reservoirs and the like by spreading over them a very thin layer (only one molecule thick) of certain substances.

ELEPHANT BRAND FERTILIZER RECOMMENDATIONS FOR ALBERTA
what, when and how much?

These are three very important questions to every farmer planning to use a fertilizer — what analysis should be chosen . . . when should he apply it . . . and how much per acre should he apply?
Alberta farmers can find the answer to these questions in a new Fertilizer Recommendation Pamphlet, now available from all Elephant Brand Fertilizer agents and sales offices. The pamphlet gives information on the correct fertilizer for all Alberta soil types and major crops, as well as the most effective application rates.
The information contained in the new Fertilizer Recommendation Pamphlet has been compiled with a background of more than 25 years of fertilizer test work and practical experience on the Prairies. The pamphlet is designed as a service guide for Alberta farmers, to ensure a sound fertilizer investment. Free copies may be obtained from any Elephant Brand Fertilizer agent.

PARADISE VALLEY NEWS

The Paradise Valley 4-H Beef Club held their meeting in the Paradise Valley [illegible] on Feb. 3 at 8:00 p.m. The meeting was opened by the members repeating the 4-H pledge. The minutes were then read, and we picked out the stall sign we wanted. Ruth Homan's sign was chosen as the best. We also discussed what we want to wear to the sale. It was decided to wear black pants, red shirts, white hats for the girls and black hats for the boys. We plan to go to Edmonton and visit the new auditorium, the parliament buildings and try to take in a wrestling match. For roll call we had sing, say or pay which was very good. Myron Sunderland received a trophy [illegible] the Toronto Dominion Bank of Lloydminster as his own, and another one for one year. Mr Fyann of the Toronto Dominion Bank spoke on banking in relation to farming which was very interesting. Mr Larson of Empire Locker Plant took pictures all through the evening, and also showed some interesting slides. The evening came to a close by the members serving lunch.

Mr and Mrs Frank Wiley attended the Capping Ceremony at the University hospital when their daughter Shirley received her [illegible] for the class of 1960.

Mr. and Mrs. Wm. Davidson and Mr. Wilfred Winson attended the funeral of a former resident of the Paradise Valley district, Mrs. R. Williams, who passed away in Edmonton on Tuesday, Feb. 11. The district extends their sympathy to her husband Bob and daughter Dorothy of Edmonton, and her brother Wilfred Winson of Paradise Valley.

Another goodwill project was carried out in Paradise Valley when so many men turned out to lay a new hard wood floor in the Community Hall in record time. It required long hours and quick work so as to be ready for the Square Dance club which held their anniversary dance on Wednesday night.

Mr David Clark with the members of the Variety Musical and Mr E. Walter with his cast in the one-act play "Too Much Matrimony" are busy every evening that is available, practising for the concert to be held in the hall Feb. 28 at eight p.m. This is going to be good. There might be some unexpected characters doing some unexpected acting so be sure and be there to see. A dance will follow with Ole Nissen's orchestra from Irma.

Mrs. Dick Smith is holidaying in Edmonton visiting at the E. Olsen home. Mrs J. McAmmond left this week for Enderby, B.C. to attend the wedding of her granddaughter, Shirley McAmmond. Mr and Mrs E. Kragness spent the weekend in Edmonton visiting their daughter Beatrice and husband.

We are glad to see Mrs. Gordon Teasdale home after her stay in the Lloydminster hospital. Mrs. Clifford Fredricksen is a patient in the Lloydminster hospital. We wish her a speedy recovery.

A short 4-H meeting was held at Mrs. Gunn's on January 11 at 7 p.m. The chairman, Ellen Teasdale brought the meeting to order by all singing 'O Canada'. The secretary read the minutes of the last meeting. There wasn't any old business. We decided to have our meetings on Monday nights instead of Tuesday. Mrs. Gunn gave out project books and the meeting was dismissed by singing God Save the Queen. A regular 4-H meeting was held at Mrs. Gunn's on January 24 at 7:30 p.m. Chairman Ellen Teasdale called the meeting to order. The hostesses for that evening were Ellen Teasdale and Edith Teasdale. Shirley Nystrvold and Sharon Dobson gave a demonstration on how to measure ingredients accurately. Another demonstration was given by Mrs. [illegible] on 'Crocheting.' A lovely lunch was served by Ellen and Edith. A 4-H meeting was held at Linda Stepanoff's on Feb. 10 at 7:30. The meeting was called to order by Ellen and a sing song was led by Linda Stepanoff. The Roll Call was answered to 'Sing, Say, or Pay.' The project for that evening was teaching and practising the 4-H pledge to the beginners led by Linda. A demonstration was given by Ellen Teasdale on 'Eat your Way to Health and Beauty.' A game was led by Mrs. Don Levitt and a lovely lunch was served by our hostess Linda Stepanoff.

Tips on Touring

By [illegible]
Woman's Travel Authority

In the days when cars were rarities for the rich, new ones were broken in by the company drivers before delivery. Today, however, the purchaser must assume this task.

Improper handling and impatience can make an old lady of your factory-fresh limousine long before its time. Your new car will last longer and function better, say Shell Oil's automotive experts, if you follow these rules:

1. Keep below 40 miles per hour for the first 200 miles.

2. Between 200 and 500 miles speed may be occasionally upped to 60 miles per hour (where legal) for short periods only.

3. Never race the engine to warm it quickly.

4. Keep an eagle eye on your temperature and oil pressure gauges. New engines are fitted tightly and are subject to greater friction which may cause overheating. They also require more oil at the beginning.

5. Drain and refill crankcase at 300 miles; repeat and lubricate thoroughly every 1000 miles.

6. Metallic particles in a new engine will tax the oil filter. Change at the first 1000 miles.

An extended trip during the early life of the car is a smart idea because that's when the deeply hidden defects are usually found in the engines.

The 1939 Royal Tour of Canada by King George VI and Queen Elizabeth was the first visit to this country in history of a reigning British ruler.

OUR LETTER FROM EDMONTON

Alberta Legislature Opens Thursday, February 20th

by KEN MASON

EDMONTON—The fourth session of the 13th Alberta Legislature opens in the capital city this week (Thursday) and all indications point to a lively six or 7 weeks of parliamentary activity.

Following the traditional color and ceremony of the Speech from the Throne and the reply from the Social Credit back benches, the House will get down to business Monday when Liberal leader J. H. Prowse opens the Throne Speech debate.

Liquor and provincial-municipal financial relations still appear to be the major issues of the [illegible]

Sometime during the first few weeks, the government will introduce an entirely new Liquor Control Act, with amendments in line with what the majority of Albertans requested in the province-wide plebiscite last October.

Main feature of the new act will be provision for new types of liquor outlets. No one outside the cabinet knows exactly what new types will be permitted, but it seems probable that Alberta will have cocktail bars and licensed dining rooms.

The people of the province made their wishes fairly clear in the October plebiscite, but that doesn't mean there won't be plenty of debate on the liquor issue. The House is still sharply divided in varying degrees of wetness and dryness, and there is plenty [illegible] argument on the extent to which liquor laws should be relaxed.

The major features of the long awaited 'new deal' in municipal financing have already been announced, but nothing will be official until Provincial Treasurer Ted Hinman brings down his budget, probably early in March.

INCREASED MUNICIPAL AND SCHOOL GRANTS

It is expected that the changes will include increased municipal and school grants, no more low-interest loans, and abolition of the poll tax and personal property tax. In addition, the government will take over the total cost of child welfare and mothers' allowances. Both are now shared by the municipalities.

[illegible] members will probably have lots to say about municipal matters. They'll undoubtedly ask some embarrassing questions about all the talk of possible new forms of taxation, propagated mainly by Mr. Hinman.

Premier Manning has left the impression that this talk of more taxation has embarrassed him, and he made a point of telling a recent press conference that the government has no intention of imposing new or increased taxes.

The opposition may be able to make the premier even more uncomfortable on this point, and it could prove interesting if someone asks for a report on what was accomplished by the provincial-municipal committee which spent about two years studying financial matters.

The province's interim financial statement, for the first nine months of the fiscal year, could provide ammunition for some vigorous attacks on the government. For the first time in years, the government is operating a deficit. The report, released last week, shows a cash deficit of nearly $40,000,000 on operations to Dec. 31, 1957.

This could bring about another bitter debate over the oil and gas royalty dividends, with the opposition asking how a government which is operating at a deficit can afford to give away nearly $11,000,000. The government will point out that the cutback in oil sales resulted in lower revenue than had been anticipated, and that school loans and grants drained unprecedented amounts from the treasury. It also can be pointed out that the province spent nearly $50,000,000 this year to reduce its debt.

Among other important items expected this session are reports from royal commissions on [illegible] development and teachers' salaries. It's too early to [illegible] whether either report will result in legislation this year. The federal government's announcement that it is prepared to share in the cost of building northern roads may have a bearing on what is done with the northern development report.

Legislation also is expected to eliminate the 12-months residence clause from the new Alberta hospital insurance plan once the federal government begins contributing toward the cost.

These are the main items of business as they shape up at present. Of course, there are always other issues that develop as the political pot boils, and sometimes they're the most interesting of all.

WORKBENCH HELP

When you are marking wood on your workbench against a pattern or template, you can do the job much easier and faster if you fit the end of your bench with a turning piece of wood against which you can butt your pattern and work simultaneously. This little piece of wood can be tuned out of the way when not in use. For even greater convenience, fit a yardstick to the end of your bench, as illustrated, to use in conjunction with this other gadget.

From Dec. 1, 1956, to Dec. 1, 1957 Canada's population increased by 532,000 to a total of 16,880,000. growth in the period was at the record high rate of 3.4 per cent.

Auditor's Certificate

I have examined the books and accounts of the Vermilion Municipal Hospital District No. 2 for the year ended December 31st, 1957, and have obtained all the information and explanations I have required. My examination was conducted in accordance with generally [illegible] auditing standards and accordingly included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as I considered necessary in the circumstances.

I report that, in my opinion, the accompanying statement of financial position and the related statements of revenue and expenditure and application of tax requisitions and proceeds from sale of contracts, present fairly the financial position of the Municipal Hospital and Municipal Hospital District as at December 31st, 1957, and the results of their operations for the year ended on that date.

PROMOTED

Thomas B. McPherson

Tom MacPherson, bank manager of the Canadian Bank of Commerce for the past 3½ years, has been promoted to the managership of the Commerce at Red Deer. He takes over his new position on March 24.

While his many friends here are congratulating Tom on the move to the managership of a city branch, everyone is nevertheless very sorry to see the popular manager, his wife and family leave town. Ever since arriving in town they have been most active in the community and social life and they will all be very much missed.

Among the positions Tom presently holds is that of President of the Vermilion Rotary club, and chairman of the Industrial committee of the Board of Trade.

Mr. MacPherson's successor here will be Mr. Curtis Alke who comes from the town of Peace River.

Agricultural Short Courses For Farmers and Farm Women At V. S. A. and Mannville

The Vermilion Agricultural Society in conjunction with the Field Services Board of the M.D. Vermilion River and the Provincial Department of Agriculture, cordially invites all district farmers and their ladies to attend short courses at the School of Agriculture on March 4th, 5th and 6th. Interesting programs have been arranged as follows:

March 4th — Morning: Feeding for Grade 'A' pigs, A. J. Charnetski; Afternoon: Old and New Livestock Diseases, Dr. Ballantyne and Panel Discussion on Landrace Hogs, Dr. Berg and Mr. J. Stothart.

March 5th — Morning: New Chemicals in Weed Control, Wm. Lobay; Afternoon: Special Crops, E. H. Buckingham, and Silage has a place, Dr. L. W. McElroy.

March 6th — Morning: Cutting costs in the use of electricity, Chas. L. [illegible] Afternoon: Septic Tanks, Hot and Cold Water, Chas. L. Cheshire, and The Business of Farming, B. J. McBain.

The ladies' short course will consist of the following:

March 4th — Morning: Choosing Becoming Clothes, Miss Edna M. Wright; Afternoon: Demonstration of Sewing Machines, Singer Sewing Machine Co.

March 5 — Morning: Kitchen Planning, Miss P. Masculak; Afternoon: Flower Arrangement for Color and Charm, Mrs. Alice Krause, and Hair Styling and Cosmetics, Mrs. Bell Carmichael.

March 6th — Joint session with men.

The speakers will go to Mannville on the days following their courses at Vermilion, the courses at that centre being on Mar. 5, 6 and 7. These courses are free and all are urged to attend.

Pontiacs and Tigers Start Semi-Final Play-Off Here Saturday

The Vermilion Tigers and the Bonnyville Pontiacs meet in the best two of three games semi-final series in the Vermilion arena this Saturday evening, March 1st. If you haven't been supporting the Tigers by attending the games, now is the time to start.

The series swings back to Bonnyville on Sunday afternoon March 2nd, and if a third game is needed that will also be played [illegible] Bonnyville as they were second [illegible] the league with Vermil third. Top spot was occupied by the St. Paul Hornets.

Winners of the Bonnyville-[illegible] series then meet St. Paul in the final of the Western zone. The winner of this zone then plays the winner of the Eastern zone league play-offs for the league championship and Craig cup.

Conservatives To Hear Prominent Speaker March 7th

A meeting will be held at the high school auditorium in Lloydminster on Friday, March 7th at 8 p.m. with Mr J. B. Hamilton, M.P. for North York, Ont., [illegible] Parliamentary assistant to [illegible] Hon. Geo. Hees, Minister of Transport, as the speaker. The meeting is being held in support of Albert Horner, Progressive-Conservative candidate for the Battlefords, and Clifford Smallwood, the candidate for Battle River Camrose.

OLD TIMER DIES AT KITSCOOTY

KITSCOOTY — A long time resident of Kitscooty and district Mr. Roman Swyripa, passed away suddenly in the Lloydminster hospital on Saturday, Feb. 22nd. Sincere sympathy is extended to Mrs. Swyripa and family in their sad bereavement.

Everything Stops For "Tea"!

MANNVILLE—Like England, at the Vermilion Men's Bonspiel, everything stops for tea—maternity. When Doc Stephens was called off the ice Monday morning during the 'spiel, being one of the Hitchcock rink who were playing against the Goshko rink from Mannville, the opposition did not default, but waited. Upon the good doctor's return, it was learned that the baby he had delivered was a new granddaughter to Fred Prill of the Goshko rink. The mother was Mrs. Art Scoggins, Fred's daughter. By the way, the Mannville rink won the game!

Ali El-Moursy Of Egypt Addresses Rotary Club Meeting

Vermilion Rotary Club at their Friday luncheon meeting listened with wrapt attention to a speech on Egypt by Ali El-Moursy of Cairo.

Mr. El-Moursy told of his experiences in Canada since he arrived here last October. He related his impressions of the Canadian way of life and compared it to living in Egypt and with the culture of that country. Many of the speaker's observations were of a humorous nature and greatly amused the meeting.

Mr. El-Moursy showed a number of coloured slides taken in Cairo and along the banks of the Nile. The pictures of the pyramids and the Sphinx along with a running commentory gave the club members a half hour long to be remembered.

The guest speaker is taking post graduate studies in the entomology department at the University of Alberta. Student El-Moursy hopes to get a doctor of science degree from his classes under Dr. B. Hocking at the University in Edmonton.

Mr. Wilbur F. Bowker, Dean of the Faculty of Law, University of Alberta accompanied Mr. El-Moursy to Vermilion. Mr Bowker related the speakers life history and mentioned how glad he was to have the privilege of bringing the speaker to address the Rotary Club.

Bill Sutherland a long time friend of Mr. Bowker introduced him to the meeting and then he in turn introduced Mr. El-Moursy.

Alex Palin thanked the speakers for their very interesting speeches.

The only guest was Homer Campbell, farmer of Clandonald district who was introduced by George Senz.

President Tom McPherson welcomed the farmer guest and thanked the speakers.

Vermilion Cubs Entertain Mothers

The mothers of the First Vermilion Cub Pack were pleasantly entertained at the Scout hall on Monday afternoon.

The Cubs put on a play about "Mowgli", a story taken from Rudyard Kipling's book of "Jungle Stories".

It is about a small boy who got lost in the jungle and is found by some wolves. The wolf pack holds a big meeting to decide whether Mowgli should be allowed to join the pack as a cub.

The play was enacted very well with some very realistic growls.

After the play the boys served lunch to the mothers, which was very much enjoyed.

Trustees Tour New School

The regular meeting of the Vermilion local school board was held in the divisional offices on Monday with the chairman Don Taylor and trustees Ashley Cooper, Claude Brennan, Ernest Schurman present and F. Clendenning absent. Also in attendance were the four principals, Mrs K Shalka, Mr W.F. Stewart, Mr William Novak and Mr. John David.

The reports of the principals showed that there are 127 pupils in the five rooms in the primary school, 205 in the 10 rooms in the elementary, 238 in the 8 junior high rooms, 147 in the high school for a grand total of 777.

The board members and principals adjourned to the new high school at this point and made a tour of the building. It is expected that the building will be completed by the end of April.

The Board however does not intend to move into the school until the opening of the September term.

The new arrangement calls for [illegible] to 12 inclusive to be accomodated in the new school. Grades 1 to 6 will be divided between the present schools in the east and west ends according to the part of town in [illegible] they live. No child in these grades will have more than a few blocks to travel to school.

As Home Economics and shop are being provided with the new [illegible] it will be necessary to [illegible] teachers for [illegible] subjects to the staff. The board is already taking steps in this connection. It is also the intention to engage a physical education teacher.

The next regular meeting of the Board will be held on Monday, March 17.

Lord Baden Powell's Birthday Will Be Commemorated

A parade and service to commemorate the birthday of Lord Baden Powell, founder of the Boy Scouts and Girl Guides, is to be held in the Legion hall on Sunday, March 2nd at 1 p.m. The service is for all Girl Guides, Brownies, Scouts and Cubs. Parents are also welcome.

Cubs and Scouts are to meet at the Scout hall at 15 minutes to one.

Teacher Accepts C.C.F. Nomination

VIKING — Harold Roiseth, a Rosalind school teacher, was named the CCF candidate at a nomination convention at Viking on Saturday to contest Battle River-Camrose federal riding in the March 31st election.

Other nominees were Sigurd Lefsrud of Viking, Elmer Roper of Edmonton, and Alfred Arnston of Hay Lakes. Mr Lefsrud and Mr Roper withdrew and in a secret ballot Mr Roiseth defeated Mr Arnston.

More than 90 delegates from all parts of the riding besides visitors were present. Mr. Roiseth was the CCF candidate in the June 1957 election but lost in a four-party fight for the seat.

Red Cross Campaign Begins March 1st

The 1958 campaign for the Canadian Red Cross Society begins on March 1st. The quota for the Vermilion area [illegible] at $2,[illegible]. We can raise this amount if we are all [illegible] to do our share.

Someone must do it. The [illegible] campaign will soon be in progress and we hope that we may call on you again for assistance. Our results in this area have always been good and we feel that this success has been due to the splendid team work we have had in town and country.

Do you know that in the Vermilion hospital we use 80 pints of blood in a year? A phone call from our hospital and the blood arrives on the bus that night. Also, many of our patients are referred to Edmonton for operations and six to seven pints of blood may be required for one operation. Because of the Red Cross the supply is available.

It is expected that all residents and [illegible] will be visited by our volunteer canvassers during the next few weeks. Please have your donation ready for them when they call, or if you are not visited, your donation may be left at one of the following offices: Mitchell Insurance Agency Ltd., Vermilion School Division, the Canadian Bank of Commerce.

—Red Cross Committee.

Campaign At The Chapel Continues

Rev. W. Myrddin Lewis, F.R.G.S. of Birmingham, England, continues his teaching ministry at the Alliance Chapel through Monday, March 3rd, with services every night at 8 p.m. including Saturday, and on Sunday, March 2nd at 11:30 a.m. 3 and 7:30 p.m. All services are being held in the Alliance Chapel, Vermilion. The service at Mannville Tabernacle has been cancelled.

Rev. Lewis is essentially a Bible teacher; was formerly in the theatre and his messages are sparked with considerable Welsh humour. He will give his personal testimony at the service on Sunday afternoon at 3:00 p.m.

Several hundreds have attended the Chapel to hear this man of God teach from the Bible the unsearchable riches of the Christian gospel which makes our way of life possible.

Vermilion 'Spiel Nears Completion; Finals This Thursday Evening

The Vermilion bonspiel is now reaching the final brackets and the finals in the first three events will be played this Thursday evening.

Sixty-four rinks have competed under perfect weather and ice conditions. Of the 64, 24 were local entries and forty were visiting quartets. A complete report of the spiel will be carried next week when all is over.

ZAZULAK AND DOBRY IN CHALLENGE FINALS

The final of the Grand Challenge is between Steve Zazulak of Derwent who captured the main event two years ago, and Dobry of Viking. To reach the final Zazulak defeated Johnson of Edmonton with Dobry eliminating Alex Fallow also of Edmonton.

The Brunswick Hotel, No. 2 event, has reached the fours. Christie of Blackfoot will play Thumlert of Mannville, while Aldous Kent plays McGrath of Wildmere.

The third event, the Vermilion Beverages, will also be completed this Thursday evening. In the fours Bill Vietch of Wainwright plays Harris; the Newt Cooper foursome of Vermilion waiting for the winner of Scoggins of Mannville and Clare Ross of Lloydminster to reach the fours. Standings given are at noon Thursday.

Louis R. Hicks Dies At Age of 86 Years

One of the most widely known of the Vermilion district's old timers, Louis Randolph Hicks, died at the Vermilion hospital on Monday, Feb. 24 after an illness of only two days. He was 86 years of age. On June 1st, 1957 Mr. and Mrs. Hicks celebrated their 60th wedding anniversary.

Mr. Hicks is survived by his loving wife Mary, three sons Earl and Clyde in Vermilion and Fred at Derwent, two daughters Mrs. Frank Keating of Grand Centre and Mrs. Lillian Stonehouse of Vermilion. There are twenty grandchildren and nine great grandchildren.

Mr. Hicks came from Mount Albion, Ontario to Vermilion in 1906 and has lived in the district ever since. He homesteaded, was postmaster at Derwent for many years, then retired to live in the town of Vermilion.

Funeral services will be held at St. Saviour's Anglican Church, Vermilion, on Friday Feb. 28 at 2 o'clock in the afternoon. Interment will follow in the Vermilion cemetery.

Moyers are in charge of arrangements.

Suckers for the Asking

A large number of suckers are congregating in the open water at the dam in the Vermilion Provincial Park lake. As Geo. Senz, Provincial Fish and Game officer is interested in taking out as many of these suckers as possible, anyone interested in these fish please contact Mr. Senz who is supervising the catching of these fish.

Flash Fire Causes Heavy Damage In Rand Calvert Home

A flash fire caused fully $4000 damage in the home of Rand Calvert early Tuesday evening of this week. Fumes from a can of cement, being used to put down arborite on a cupboard top, is thought to have been the cause of the blaze.

Fumes apparently permeated the house fully before the flash blaze. For some reason fumes around the cupboard ignited and this was followed by puffs of fire in practically every room in the house, the paint being burned off the walls in each case with furniture upholstery coming in for considerable damage also. A good percentage of the plaster in the house will have to be replaced with all interior decoration done as well.

The Calvert family were all home at the time of the mishap.

In removing the can of cement outdoors, it was spilled down the basement steps and this ignited, causing damage there also.

The fire brigade responded promptly to the call of the siren but used water only on the basement stairs.

School Division Operations Approach One Million Dollars; Interesting Annual Meeting

A new departure was tried by the Vermilion School Division Board this year in regard to annual meetings. In place of the meetings in each of the six subdivisions, two meetings were held. Subdivisions 4, 5 and 6 met in Vermilion and 1, 2 and 3 in Kitscoty.

At the Vermilion meeting held on Monday in the Legion hall, C. N. Brennan was moved to the chair with 33 in attendance when the session opened. The chairman of the board, D. C. McGrath, briefly reviewed the operations of the division during the past year. Of the 28 mills required for school operation in the Vermilion division, 12 went for transportation. Efforts were being made through increased bursaries to attract teachers at the high school level. Despite this a shortage will likely be experienced in 1958-59.

The extensive building program commenced two years ago was now nearing completion, the new buildings which included gymnasiums were in use at Dewberry, Kitscoty, Paradise Valley, and the one in Vermilion would shortly be finished. A new building will be erected in Marwayne.

The indifferent high school student was causing concern, while living accommodations for teachers were being investigated and studied.

J. R. Robson, secretary-treasurer, reviewed the financial statement which indicates that the cost of operating the schools in the division is now reaching up towards ehtn llmol suy).b up towards the million dollar mark $960,295, to be exact. Of this amount $16,315 was for administration, $373,843 for instruction; $201,320 for buses and transportation; $106,924 for operation and maintenance of school buildings including caretakers' and repair crews' salaries, $33,274 for instructional aids; $13,963 for auxiliary services, $61,451 for debenture payment and interest. These were the largest items of expenditure.

SUPERINTENDENT'S REPORT CONTAINS VAST AMOUNT OF INFORMATION

A vast amount of general information concerning schools, attendances, and teachers was given in the general report of the school superintendent, Mr S. D. Simonson.

The Vermilion school division actually contains 110 school districts. Of these the number in which schools are operating number only 30. Total number of classrooms operated at present is 107. The total number of school pupils in the division is 2880, of this number 145 attend schools outside the division, at Lloydminster 97, Derwent 21, Clandonald Separate 17, others 10.

Total number enrolled at centralized schools is 2470 with the average enrollment 25.5 per room. There are 223 in the rural schools with an average of 13.9. Enrollment per classroom in high schools is 20.7.

There are 1469 pupils travelling to school by bus or a percentage of 54.5. In Vermilion with 791 pupils, 294 come to school by bus. There are 60 school buses operated in the division.

A great many other interesting facts are contained in the report which is incorporated in the auditor's report.

At the conclusion of the reports a number of questions were asked and answered.

JAMES A. SMITH

Vermilion Man Is Acclaimed Social Credit Candidate

At an exceptionally well attended nominating convention held at the Viking Community Hall on Wednesday Feb. 26th, James Alexander Smith of Vermilion was the unanimous choice of the 173 accredited delegates present. In attendance also were 46 visiting delegates. The attendance was larger than expected, as it was well known that Mr. Smith, the member of Parliament for the past three years, would be unopposed for the candidature.

In attendance at the convention and guest speaker was the Hon. Mr Solon Low, leader of the Social Credit party. Mr Low paid high tribute to Mr Smith. Right from the first day he entered the House of Commons, Jim Smith has taken a leading part for the group in all debates and activities, said Mr Low. Also, speaking briefly were the Hon. Anders Aalborg Minister of Education for the Province and Mr Orvis Kennedy, president of the Alberta Social Credit League.

Mr Smith was nominated by Ashley H. Cooper who drew attention to the fact that [illegible] the larger percentage of [illegible] members of the House of Commons elected by old line parties rarely take part in the debates according to Hansard, Mr Smith during his very first full session had debated on 36 bills and acts. During the session just closed, a short one of three months, he had taken part in the discussion of 28 bills and acts. All of these of vital importance and interest to the welfare and prosperity of Canada.

Mr Smith while at Ottawa was the chairman of the Agricultural Committee of the Social Credit group in the House of Commons, and was deputy whip of the party.

ATTENDS ANNUAL F.U.A. MEETINGS

Since being elected he has attended every annual meeting of the Farmers Union of Alberta.

During the past session he has consistently urged that a deficiency payment of 10c per bushel be paid on the 1956-57 wheat crop.

Assisting in the registration which took place from 12 noon to 2 o'clock were Leo Kashinsky of Vermilion, Peter Noster of Derwent and Ralph Wagner of Mannville.

Ladies of the Viking and Holden Social Credit groups served dinner during the noon hour and lunch during a four o'clock break in the afternoon, making the convention a most enjoyable one.

Number of delegates is regulated by the number of memberships in the Alberta Social Credit League and thirty-five were present from that portion of the Vermilion constituency within the Battle River-Camrose federal riding. This representation was exceeded only by the constituency of Camrose.

The candidate Jim Smith as he is popularly known, was first elected to the House of [illegible] on June 21st, 1955, in a bye-election. He was re-elected in the general election of June 10, 1957, so with the coming election will have taken part in three election campaigns in less than three years.

MARCH IS RED CROSS MONTH

In the minds of most of us there is an inherent sense of duty and a desire to help others. This is not a cultivated interest but one that is a part of us from birth.

During our lives we have many opportunities to do many acts of kindness for our friends and neighbors. Quite often our conscience stirs us to wish to do more.

This month we have an opportunity to share in thousands of kindly acts by giving our financial support to the Canadian Red Cross Society.

Through the Red Cross we can give help through our dollars. They will form a powerful weapon when disaster strikes here at home or in any part of the world. We know the Red Cross will be on the job doing the things we would like to do for victims of fires, and floods and famine. Truly the Red Cross is a never failing friend for the unfortunate and through our interest we can share our good fortune.

In war and peace, the Red Cross has achieved an enviable record of service to humanity. In peace, its work is equally as important as in war.

This year when the volunteer canvasser calls at your home or office think then give generously. You will have the satisfaction that you will be helping others and you may be helping yourself.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Mannville, Alberta.

The Editor,
Vermilion Standard
Dear Sir:

There seems to be much concern over the word Landrace that it has touched off so many heated arguments.

Just last year when Landrace breeders made a special exhibit of their breed at one of our great summer fairs, Yorkshire men petitioned the fair committee asking that the Landrace sign be removed from the premises. It is a strange fact that in this country the breed has often been bitterly attacked by certain agricultural officials of the government, even though it was the government itself which pressured Landrace men to register in Canada two years ago. We should be proud of, and encourage new breeds in our country to help get new blood and improve our hog markets. No one breed of hog of any kind should be run down especially when it's made for improvements. Thus even the development of the Lacombe breed combines 55 per cent of the Danish Landrace, 23 per cent Berkshire and 22 per cent Chester White. Put that in our pipes and smoke it. I've heard some say they wouldn't buy a Landrace. They would rather buy a Lacombe breed — thus having 55 per cent Landrace blood.

Therefore we should look into things better before we speak. True, we need Yorks, but we need Landrace too.

Yours truly,
Dave Shields

Home and School Meet At Dewberry

DEWBERRY—The Home and School meeting was held in the gym on Feb 13. Owing to cold weather (25 below) and curling, our attendance was not what it should have been although about 40 people ventured out.

We had just one teacher in attendance owing to a teacher's divisional meeting in Kitscoty. Our president, Mr. Whiteside, was taken to the hospital that morning. A speedy recovery is wished him. Mrs. McLean from Lloydminster who was to have been one of our guest speakers was unable to attend due to illness.

We were happy to welcome 8 members from the Marwayne association and our other guest speaker Mr. Allen, our regional vice president from Chauvin. Mr. and Mrs. Allen braved the weather all that distance. He gave us a very enlightening talk on the association as a whole.

Meeting closed with a contest matching pieces of hearts to make a valentine verse. Coffee and lunch was enjoyed by all.

On March 7 all members are cordially invited to attend the Marwayne Home and School meeting.

Canadian history shows that the country's progress has always been closely identified with the advance in rail transportation. The year 1957 was no exception as both C.P.R. and C.N.R. opened up new areas of mineral exploration by provision of new rail lines.

Guest Weekend At University February 28th to March 1st

More than 6,000 people are expected to visit the University of Alberta campus this year when the university throws its doors open to the general public on Varsity Guest Weekend scheduled this year for February 28th to March 1st. In keeping with the 50th anniversary of the University, the keynote of the weekend activities will be fifty years of progress.

Varsity Guest Weekend, from its beginning 7 years ago has increased its scope to include musical concerts, teas, variety shows, guided tours of the campus, and displays designed by all faculties, schools and departments. This weekend, sponsored and directed by the student body, is designed to acquaint the citizens of Alberta with the work being carried out at the University. Al Bryan, student director of the weekend, extends a special invitation to senior high school students and their parents.

Popular Varsity Varieties, an all student production under the direction of Mark Cohen and Ken Young, will be performed in the Jubilee Auditorium the evenings of February 28th and March 1st. The title of this year's Varieties is "Rhapsody in Red."

Highlighting Saturday's activities will be dozens of displays exhibited by all faculties including Medicine, Dentistry, Education, Engineering and Arts and Science. A special bus service will be operating on the campus to transport visitors from the main campus to the Education and Nurses' Residence. The attractive new Administration Building will be open to visitors for the first time.

The well-known University Mixed Chorus and the University Symphony will provide entertainment Saturday afternoon. As a wind up attraction Saturday evening, the Block "A" Club will be sponsoring a dance in the University Gymnasium.

"GREEN ACRES"

SEED TREATMENT

All grain and flax aught to be treated before seeding for control of smut and root rot diseases. The three seed plants in Vermilion River Municipality can treat seed at the same time as they clean it. One of the easiest ways of treating seed at home is to use a grain auger with an automatic meter to control the amount of chemical used.

WIRE WORM CONTROL

Wireworms cause for more loss in cereal crops in this area than we ever suspect. Most fields have some wireworms and some soil is badly infested. Seed can be treated for wireworm control at the same time as it is treated for smut and other diseases. The seed plants can do it or it can be done at home. The cost is much less than it used to be.

SEED MORE FLAX

There is no crop that looks so good for the next three years as flax. As there will not be enough flax to take care of the demand the price will likely hold up pretty well. There is no quota on flax. Get a circular from this office on growing flax and get your seed early.

HAPPINESS PILLS

Tranquilizer pills are calming nerves all over the western world. The latest tests prove that livestock also suffer from nervous disorders. It might be a good idea to feed a two year old heifer some tranquilizer pills before you milk her for the first time. Maybe they would also help a baulky horse to get his mind off his stubbornness. The possibilities are endless.

PACKAGE BEES

Once again we shall take orders for package bees for the Beekeepers Co-Op at Edmonton. Orders will be listed up to March 15. After that, late orders will be placed but cost of shipping will be more. Don't forget that bees put out April 15 will most likely produce a lot more honey than bees put in hives around May 15.

AGRICULTURAL SHORT COURSES

Three days of Agricultural meetings will be put on at Vermilion on Tuesday, March 4, 5 and 6. Then on March 5, 6 and 7 the same speakers will be at Mannville. These meetings are sponsored by the Vermilion Agricultural Society for the people of this district. It is hoped that there will be as good a crowd as last year. Everybody is welcome but especially it is expected that members of the Vermilion Agricultural Society will come out. Get a program from S.C. Heckbert, Chester Gamble or E.H. Buckingham.

SHORT COURSES

Three Short Courses are being held in this district this winter. The following points are to have these courses: Vermilion Mar. 4, 5, 6, at the School of Agriculture; Mannville, March 5, 6 and 7 at the Elks hall; Chauvin, Mar. 11th.

Topics of interest to rural homemakers will be featured at these courses. Among the subjects to be discussed are kitchen planning, costume selection, use of sewing maching attachments, hair care and floral arrangements. Besides lectures, discussions in which all participate will be included.

These courses I feel will be of value to any homemaker who is able to attend. Programs have been printed and will be available for anyone wishing further information. These are available on request from my office or the office of the District Agriculturist.

SEWING CLINICS

If any women are interested in holding a three day sewing clinic, now is the time to make arrangements. A successful clinic was recently held in the Saltaux district. Eight homemakers took part and completed several garments including blouses, dresses, and a boy's shirt. These clinics are designed to help you with your sewing problems and improve your techniques. They can be adapted for experienced or inexperienced sewers.

Anyone interested in further details should write to this office in Wainwright.

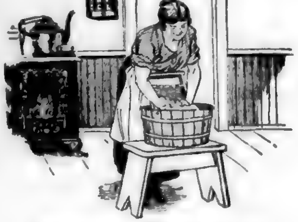
GRANDMA ALWAYS WASHED ON MONDAYS



Grandma used to hate Mondays . . . for Monday was always wash day. It was such a big operation it took all day, and the house used to smell of hard soap and boiling clothes. Grandma hated Thursday, too. Come Thursday and the ironing . . . and the trouble she had trying to keep the irons hot.

Today, with all the electrical appliances, you can wash, dry and iron in less time than it took Grandma to get the first lot of hot water. Even Grandma admits that the 'Good Old Days' would have been so much better — if they'd lived electrically.

St. Paul United Presbytery Holds Spring Meeting At Wainwright

The St. Paul United Presbytery of the United Church of Canada recently held its two-day spring meeting at the new Grace United church in Wainwright. Ministers and lay delegates from eleven pastoral charges attended the meeting which was highlighted by the address of the Rev. Dr. Kenneth Prior, former missionary in Angola and now field secretary of the church's board of overseas missions. In his address to the court, Dr. Prior mentioned the great need for missionary personnel for the church's overseas work as well as the need for funds to assist the new churches of Asia. Wherever possible the United Church of Canada assists the indigenous Church and co-operates with other denominations in the support of other United Church bodies. At least 41 missionaries are needed by the church in 1958 to go into overseas work.

The Presbytery discussed in its session the needs that face the Christian Church in the 20th century and the Church's response to the challenges presented to it.

The missionary and maintenance givings in Presbytery showed an increase of 20% for the past year. The Presbytery adopted an objective of $13,000 for the M. and M. fund for the current year.

The Rev Morse Johnson, Field Secretary of the Board of Christian Education addressed the Presbytery on subjects relating to the Christian Education work of the church. He drew attention to the varied program which the United Church of Canada provides through its curriculum and drew attention to special leadership training institutes which have been conducted throughout the Presbytery and Conference.

The report on Home Missions was given by the chairman of Presbytery, the Rev. H. W. Inglis. Mr. Inglis referred to the assistance given to varied church projects in the Presbytery by the Board of Home Missions. Loans and grants were made for a Sunday school hall, two new churches at Wainwright and Viking and a new manse was built at Ashmont. Besides summer student missionary work had been conducted on four mission fields. A Home Mission Field of the church was reconstituted at Two Hills and a summer student supply will be placed there this year. The Presbytery approved substantial grants to support the mission work of the church in the Presbytery.

The new executive of Presbytery taking office in July will consist of Rev. I. C. Holter of Mannville, Chairman; Rev. T.E. Thomas of Vegreville, Secretary; Rev. Clinton Swallow of Viking, Treasurer and Rev. R. R. Smith of Lloydminster as member at large. Dr. A. E. Caldwell of Viking was elected to represent the Presbytery as a lay commissioner to the General Council of the Church which will be meeting in Ottawa this fall.

Other reports dealt with Evangelism and Social Service; the National Evangelistic Mission; Recruits for the Ministry; Camp Whitney; the radio ministry of the church; election of lay delegates to the Alberta Conference; publications and pastoral relations.

Mannville Women Curlers Successful

MANNVILLE. A rink of lady curlers comprised of skip Nancy Coxford, Mae Proudfoot, Annie Hubbard and Mabel Majeau won third or fourth prize, depending on the play-offs in third competition in the Annual Bonspiel at Fort Saskatchewan last week end. Also showing evidence of good curling were the rink comprised of skip Ethel Mercer, E. Gerhart, M. Morrison and Joy Manz, who won either third or fourth in the citizens event at Heinsburg, having to default to Jones of Dewberry due to time etc. They report having a good time, there being 22 rinks competing in the spiel.

Tigers See 2-Goal Lead Fade As Maidstone Wins

Vermilion Tigers saw their 2-goal lead fade as the Maidstone Monarchs came on to win by a score of 5 to 3. The game was played before a crowd of 451 actual paid fans. Considering that 465 cash customers were at the arena only the night before to see the Juveniles play in the provincial play-offs, the attendance was very good.

Bruce Anderson put the Tigers out in front in the first period with each team adding a singleton in the second. Going into the third the Tigers couldn't hold the fast-travelling Monarchs and the visitors outscored the home town team 4 to 1.

Ken Brown scored Vermilion's second goal but Coolidge cut the lead in half late in the second. In the third Squair scored for Maidstone in 55 seconds followed by Coolidge and Bone and then Bone again. Bruce Anderson finished off the scoring with his second of the night to round out the count at 5 to 3.

Scoggins in the Vermilion net turned in one of his best displays of the season and at times was really a busy boy. Bruce Anderson was travelling at a merry clip and so was Andy Redford who fills in both on defence and adds power to the attacking forces.

The game was clean with five minor penalties, three to the Monarchs and two to Vermilion.

LINE-UPS

MONARCHS — Nickolet, Foster, Wakefield, Bratcher, Vinnell, Saunders, Squair, Skrudland, Coolidge, Bone, Boehm.

TIGERS — Scoggins, Barr, Brower, Redford, Gerrits, Anderson, Brown, Shepansky, Romanchuk, Ewing, Ewen, Swain.

STATISTICS

'The Bible Today'

Advertisements in daily newspapers are being used in India to publish portions of the Bible in serial form, it has been reported by the Bible Society in India and Ceylon. Selections such as the Sermon on the Mount have been printed in instalments through subscriptions given for this purpose by Indian Christians, creating wide interest in the Bible.

With the support of the British and Foreign Bible Society close to a million copies of Scripture were circulated in India last year, but this does not begin to meet the demand that comes from a population of 400 million. In fact, the circulation of the Bible is falling tragically behind the annual increase in population.

Newspaper advertising is being tried as an experiment in reaching a wider reading public.

Suggested readings for next week:
Sunday — Psalms 84:1-12
Monday — Psalms 85:1-13
Tuesday — Psalms 86:1-17
Wednesday — Isaiah 12:1-6
Thursday — Luke 4:1-32
Friday — Luke 6:1-26
Saturday — Luke 6:27-49

Ambitious Program Planned For Mannville Ice Carnival March 7th

MANNVILLE -The Canadian Legion and Ladies Auxiliary are co-sponsoring an Ice Carnival this year. The school has given up the project for various reasons and the Auxiliary and Legion were asked to take over. The carnival will be held March 7.

Meetings of the committee have been held and a tentative program has been drawn up. The senior and junior high schools are being asked to propose candidates for the Carnival Queen and there will be one representing the Legion. These have now been voted on and are Doris Winters, Eleanor Kusechnig and Kay Emmott. A member from each of the Auxiliary and Legion will be appointed campaign managers for each of the candidates. Ticket selling for the Queens will commence as soon as arrangements have been completed. The Legion wishes to thank the students at school for their co-operation and effort in selecting the Carnival Queen candidates.

The program will start at 7:30 p.m. sharp with the Costume Parade led by the Vermilion Legion pipers and the Mannville Legion color party. The colors will be flown from the north end of the rink during the entire evening's performance. Costume judging will be at 7:45 p.m. and parents are urged to have their children on hand in time to be placed in their proper categories for judging prior to the initial parade on to the ice. The Carnival Queen will be crowned at 8:00 p.m. followed by the presentation of her award and gifts to the Ladies-in-waiting. The crowning will precede the Grand Costume Parade led by her majesty followed by the Pipers, the prize winners, the other costumed contestants and of course, the clowns.

There will be Ladies Broomball pitting the North against the South with Railway Avenue in Mannville and its continuance along the old highway as the dividing line. Referees and Judges of play will be the Clowns. Races are planned for all ages and has a new class for pre-school kiddies in their own class.

The Majorettes have kindly consented to stage a drill on the ice and one or two of the numbers featured in the recent school concert will also be a part of the program. A Tug-O-War is on the order paper which well see the Canadian Legion challenging the world. Twelve men will constitute a team and each is allowed a coach. Fred Proudfoot has agreed to organize the Legion's opposition for this event. Men's Broomball is planned as well and the same division of north and south as for the Ladies will be used.

The Queen will be escorted off the ice to the skirl of the pipes and the Colors will be retired. The evening will close with a moccasin dance on the ice.

. . . Signs of Spring . . .

Signs of spring are now being reported to the Standard. Last week it was the wary old crow who had returned a mite early. Now Mike Wynnyk saw a gopher who cut short his winter's nap and was cavorting on the road Saturday, Feb. 22nd. Then on Sunday Monte Hunter was mystified to hear the unmistakable call of the meadow lark. He could hardly believe his ears, but on glancing about sure enough, there was the yellow-breasted birdie sitting on a gatepost at the farm of Elmer Isley just three miles south of Vermilion. Herb Hemmingway who was with Monte at the time verifies the story. Just what this big likable songster will eat until the snow clears off the fields is the big question.

Residents are asked to keep an eye out for any song bird which may have been a little over optimistic and returned too soon and help them out with a good meal.

Men's Open Bonspiel Completed At Buffalo Coulee

The Buffalo Coulee eighth annual open bonspiel was completed Thursday night last ending a very successful four-day event. Following are the winners from the 22 rinks taking part:

GRAND CHALLENGE — 1. Jack Park and company from Mannville; 2. Geo. Webb, Jr., Vermilion; 3. Carl Heckbert, Vermilion; 4. Bernard Eyben, Buffalo Coulee.

SECOND EVENT — 1. Frank Renaples, Buffalo Coulee; 2. Ted Marfleet, Buffalo Coulee; 3. Henning Haverslew, Buffalo Coulee; 4. Geo. Harrison, Wildmere.

In the consolation first went to the Ed Lyons' rink of Vermilion; 2nd, Geo. Eyben, Buffalo Coulee; 3. Garfield Coulman, Irma; 4. Frank Gibson, Wildmere.

The members of the Ladies' Curling club assisted by other ladies of the community, served lunches during the spiel.

The ladies plan on holding a short bonspiel in the near future if the ice holds. Saturday of this week several intend to take in the ladies' bonspiel at Wildmere.

Gordon Larson, Henning Haverslew, Brent Macnab and Morris Cooper, made up a rink for the Masonic spiel held in Vegreville last Saturday.

A few B.C. rinks are competing in the men's bonspiel in Vermilion this week.

The Home and School meeting was cancelled for this month owing to the bonspiel. The regular meeting will be held on March 19th when it is hoped to have a guest speaker.

Just a reminder to the ladies of Auburndale W. A. that the quarterly meeting will be held at the home of Mrs. Forrest Seale on March 6th at 8 p.m. with Mrs. C. W. MacKay of Vermilion as guest speaker.

Several ladies from Autumn Leaf W.M.S. group plan on attending Presbyterial at Irma on Thursday of this week.

Mr. Ken Kennedy returned home recently from visiting relatives in Vancouver.

The Cleland family spent a few days in the city the past week end.

Mannville Men Curl At Innisfree

Successful in the Innisfree Men's Bonspiel was the rink made up of C. Thumlert, M. Malin, R. Ewing and Oscar Meyer of Mannville, bringing home not the 'bacon', but casseroles to cook some in, winning second in the 2nd event.

Sixteen Years Ago

The council of the town of Vermilion set a new record for the number of meetings during the year 1941 when it held 50 sessions. The meetings averaged slightly over 3 hours in length, making a total of 150 hours which each member spent during the year at meetings alone. On top of this, each member of the council is responsible for committee work which he has to carry on each and every day of the year with no renumeration whatever except the very doubtful thanks of the ratepayers at the annual meeting.

Going into the hours a little further reveals that 150 hours each during the year means that the council as a whole spent 1050 hours or over 40 days of 24 hours each in looking after the business of the town. It further means that every councillor spent nearly 20 working days of 8 hours each attending council meetings, irrespective of all other time they spent on matters pertaining to the welfare of Vermilion.

Fred Brimacombe was home this week on a 48-hour leave from R.C.A.F. duties at Camp Borden.

Mrs. Gerald Stephens was an Edmonton visitor from Monday to Wednesday this week.

32 Years Ago

Vermilion Juniors defeated Stettler 4-2 on Stettler ice in the semi finals of the Alberta Junior High Hockey playdowns. The second game is scheduled for Vermilion [illegible].

Soft weather has set in and the snow is going fast.

W. F. Cash returned on Sunday from Bowling Green, Missouri, where he spent a pleasant holiday.

'Safety First', a jolly farce comedy will be presented in the Columbia theatre on Monday by St. Saviour's dramatic club.

Skips Parker and Fallow defended the Blair cup against McLean and McKinnon of Mannville and skips S.R.P. Cooper and H.P. Long turned back McFadden and Wray of Islay for the same mug during the past week.

40 YEARS AGO

The cold wave continues and Sunday night the mercury touched the low spot, 45 below being registered and Monday it was 38 below. The cold wave is general in the west and followed the evaporation of the 'tramp comet.'

At the regular meeting of the town council Monday night, the request of the Sec.-Treas. for an increase in salary was favourably passed upon and he will receive for the year $480., which covers his renumeration as [illegible] as well. The sum of $17[illegible] will be required by the town this year to function, $9,000 being for school purposes. The prospects under the circumstances for the reduction in the rate of 25 mills are slim.

J. C. Mooney of Islay shipped his second carload of horses this month on Feb. 21.

The death occurred on Feb. 15 of Dougal Jameson, [illegible] of Islay.

Married—At St. [illegible] Church [illegible] on January 18, Evelyn [illegible] to (Rev.) Harold A. Edwards of Islay, Alberta.

The public eyesore, the park, will have $300. to $400. expended upon it, in the way of [illegible] cultivation, laying out [illegible] etc.

GOVERNMENT SERVICES
know them better to serve you better

THE UNIVERSITY PROGRESSES WITH ALBERTA

The University of Alberta has seen tremendous growth since its establishment more than 50 years ago. The beginning curriculum was just two areas only, science and the liberal arts, taught at Edmonton. Today every type of professional school is found within its scope. From the initial opening in Edmonton the University of Alberta has extended to other parts of the province. A branch in Calgary, the School of Fine Arts in Banff and the junior college at Lethbridge are all extensions of the University of Alberta. The university, its operation and expansion is another government service maintained for the people of Alberta. Government grants have resulted in the construction of fine buildings for the establishment of a wider range of courses available to students.

UNIVERSITY PLANS FOR THE FUTURE

The University of Alberta continues to expand and grants from the Government of Alberta this year will assist in several large expansion and construction projects. These include a Physical Education Building, a six-storey addition to the Medical Building, a new building for Chemistry and one for Physics and Mathematics. The addition to the Medical Building will provide increased facilities for medicine, dentistry, pharmacy, nursing and physio-therapy. New university buildings are being planned on a 325 acre site in Calgary which was given to the university as a gift from the city.

PROVINCIAL GRANTS TO THE UNIVERSITY OF ALBERTA

Government of Alberta grants to the University of Alberta during the current fiscal year total $4,521,740. These grants cover the cost of operation of the university and the financing of university building projects.

University construction projects this year received a grant of $2,170,740 and an additional $200,000 for furnishings.

The operational grant was $2,225,000 which with an enrollment of slightly more than 5,000 pupils amounts to about $500 per pupil attending the University of Alberta.

LOCAL NEWS

At a farewell party held in the Elks hall last Wednesday, Cpl. Stan Surbey was presented with a credit note for a TV set by his many friends hereabouts. George Martin was emcee for the enjoyable evening with Carl Heckbert making the presentation. A large crowd of well-wishers for the departing Stan was on hand and a nice time enjoyed.

Mrs. L. R. Metcalf returned Tuesday from Calgary, where she was visiting her daughter and son-in-law, Mr. and Mrs. L. O. Alho and new grandson, Rolland Alexander.

On his 90th birthday, Tuesday, Dr. A. H. Goodwin was honored when Mr. and Mrs. Guy C. Wright entertained at their home in the afternoon and evening. Mrs. Wright was assisted by Dr. Goodwin's daughter, Mrs. R. H. Walker. Messages of congratulation and gifts included a bouquet of flowers from the Maritime Association of Edmonton. Among guests was Dr. Goodwin's granddaughter, Miss Margaret Goodwin of Vermilion.

Mr. and Mrs. Al Douglas who are now at St. Paul, were visitors in Vermilion at the home of Mr. and Mrs. Bernie Ackerman.

Mrs. Jim Emsland and Mrs. Moris Cooper spent Friday and Saturday of last week in Edmonton. While there they visited with Mrs. Emsland's sister, Mrs. Fred Waite and family.

Home to attend the funeral of their grandfather the late Mr. L. R. Hicks are Leading Seaman CR1 Stanley Hicks of the HMCS Stettler at Esquimalt, B.C., Stan arrived home on Wednesday by air and will return Sunday; Edwin Hicks and George Stonehouse both of Uranium City, Sask., and Bob Stonehouse of the staff of the Toronto-Dominion bank at Calgary.

Mr. and Mrs. James A. Smith were guests at the opening of the Alberta legislature last Thursday.

Mrs. Nellie Creasy of New Westminster, BC, probably more widely known in the Islay district as the former Mrs. Bob Davies, drops the Standard a line and wishes to be remembered to all old friends hereabouts.

Mr. and Mrs. E. H. Bailey of Lloydminster spent Sunday at the home of Mr. David E. Brown in Vermilion.

Mr. and Mrs. Sev Berg from Edmonton visited at the home of her aunt and uncle, Mr. and Mrs. Milo Brower. A visitor at the same home was son Floyd to see Earl following the latter's emergency operation.

Dan Leveredge was home from Edmonton to spend the week end at the family home at the farm at Claysmore.

Mr. Hal Martin, Director of Publicity, Province of Alberta, was a business visitor in Vermilion last Friday week. While here he was a caller at the Standard Office and attended the weekly Rotary luncheon as the guest of Ashley Cooper.

An additional donation in memory of Mr. Lloyd McFadden has been received from Muriel and Gladys Stone to the Women's Missionary Society; flowers to the home were received from Dorothy and Tom Watts.

The following additional donations, to Community Wreath and Crippled Children's fund have been received in memory of the late Mr. James Kirwin of Clandonald: Mr. and Mrs. Hugh Hagen and Ann; Mr. and Mrs. Johnny Nelson; Mr. and Mrs. Tommy Stockwell; Mr. and Mrs. Wm. Specht; Mr. and Mrs. John Taschuk; Mr. and Mrs. D. McIntyre and family.

CARD OF THANKS

We wish to thank Dr. Evans, Dr. King, Dr. Stephens and the nurses of the Vermilion hospital for the wonderful attention and special care taken of our son Earl Brower during his emergency operation and stay in the hospital. Also to the many friends who called concerning his welfare and for the cards. Special mention also of the taxi driver Julius Mueller and to Mary Laurence for her help.

Mr. and Mrs. Milo Brower

CARD OF THANKS

Mr. McFarlane wishes to thank Dr. Evans, the nurses and staff of the hospital for their wonderful kindness and care during his long stay in the hospital. A big thanks also to the ladies for their kind Christmas treats. Again, many thanks.

CARD OF THANKS

I would like to thank Mrs. Peter Link and John Sadownik and staff of the Brunswick hotel and some of the customers for the beautiful gifts presented to me on the eve of my departure for Vegreville.

Mrs. Eugene Hamel

CARD OF THANKS

We wish to express our heartfelt thanks to all those, who, by words or deeds, helped to make a trying time easier following the sudden loss of a dear husband and father, Robert (Bob) Maxwell.

Special thanks to Reverend Clennett for comfort and assistance given us.

Mrs. Maxwell and girls

CARD OF THANKS

I would like to thank Dr. Evans, the nurses and staff at the Vermilion hospital for the care and attention I received while a patient there. I would also like to thank my neighbors and friends for their gifts and cards and for coming to visit me. It is all very much appreciated.

World Day of Prayer Observed, Mannville

MANNVILLE With women of all denominations joining together in a worship service, Friday of last week, in Christ Church, the World Day of Prayer was observed. A good number was in attendance, with ladies present from Minburn also, as well as from country points.

IN MEMORIAM

In loving memory of
ALEX MANYLUK
who passed away Mar. 4, 1957.
Beyond life's gate
There is an open gate at the end of the road,
Through which each must go alone;
And there is a light we cannot see.
Our father claims his own.
Beyond the gate our loved one
Finds happiness and rest;
And there is comfort in the thought,
That a loving God knows best.
—Ever remembered by loving wife, daughter Olga and sons Frank and Stan.

W. W. Cook Writes From Victoria

An item of interest to old timers in the Vermilion district appeared in the Victoria Daily Colonist recently advertising an estate sale of well-kept power carpenters' and machinists' tools, belonging to Ben Calvert, formerly of Vermilion. The tools were described as well kept, expensive and comprising a complete collection. The executors of the estate are the Royal Trust Company.

The clipping with the above information was sent to the Standard by W. W. Cook, also a former Vermilion man. Bill will be well remembered locally and pens the following interesting note:

"Enclosed find a clipping from the Victoria Daily Colonist. Old timers will well remember Ben Calvert as a photographer in Vermilion in 1914 and later at his machine shop in the west end of Vermilion. It is strange that I should have run into him in Duncan one day this fall, not having seen him for some 25 years and to find that his property adjoined the home of my daughter in Duncan.

"Vermilion and district is well represented in these parts, the climate seems to be the attraction. Kindest regards to all old friends."

The aircraft industry—one of Canada's newest in the large industry field—made sales in 1957 in excess of $355,000,000.

NEWS from ISLAY

The Jr. High School presented two plays Friday night to a well filled hall 'Mother Walks Out' and 'His First Shave'. Both were very well done.

Paddy McGuigan accompanied Dalt Torrance with a load of cattle to Edmonton.

On Saturday, Mr. and Mrs. Dalt Torrance and Linda motored to Edmonton. They visited Mrs. Yvonne Steinhauer and Miss Laurel Woodrow, both polio patients in the University hospital. They took both out for a tour around the city. Going into the hospital they visited for a time in the sitting room with Mrs. Dorothy Webber and Mrs. Margaret Good (nee Margaret Roebuck). Mrs. Good had been in while her son William is confined to hospital, having been injured in a car accident. William Good is in first year Varsity. Mr. and Mrs. Torrance and Linda returned Sunday.

Miss Betty Martin of Alberta College was home for the week end.

Miss Katherine Grout who is employed in a Treasury Branch in Edmonton was home for the week end. Home also were Janet Bell and Gerry Grant.

HOSTESS RELAXES AT SOUP-SANDWICH BUFFET

Enjoy yourself, Mrs. Hostess, by making your spring parties the easiest kind possible.

You might do it this way. Set up a buffet with a colorful array of tempters — savory hot soup and assorted sandwich makings. Fill your biggest pitcher with iced tea, polka dotted with golden circles of lemon or fresh green lime. For a sweet, arrange dainty slices of marble cake or coconut cookies on your best glass platter.

Heap a tray with sandwich makings; then let guests make their own. The breads could include pumpernickel, rye and rolls. For fillings, have Swiss cheese, smoked cheese, ham or bologna, ketchup and mustard. Remember the lettuce, radishes and onions for nibbling.

When you choose the soup, remember the special appeal of the chicken kinds. Their delicate flavors seem to entice appetites even more than usual in warm weather. Besides, you can offer some of the doubly appealing, double-feature soups to win honors as a hostess of distinction. For instance, try:

CHICKEN NOODLE GUMBO

1 can (1¼ cups) condensed chicken gumbo soup
1 can (1¼ cups) condensed chicken noodle soup
1 soup-can water

Mix soups and water. Heat well. Ladle into 3 or 4 bowls. Prepare enough soup to have plenty for your guests.

CREAMY CHICKEN GUMBO

1 can (1¼ cups) condensed cream of chicken soup
1 can (1¼ cups) condensed chicken gumbo soup
1 soup-can water

Blend soups, first put cream of chicken in saucepan, then gradually stir in gumbo and water. Heat well. Makes 3 or 4 servings. Prepare enough soup to offer seconds.

CHILI SPICED TOMATO SOUP

Chilled tomato soup, spiced with allspice and cloves, starts a meal in a most refreshing way on a warm day. To prepare it, mix a can of condensed tomato soup with 1 can of water plus a dash each of allspice and ground cloves. Heat well, simmering a few minutes to blend flavors. Chill. To serve, pour tomato soup into chilled bowls. Garnish with sour cream or salted whipped cream. Makes 4 portions.

MARWAYNE

There was a fair attendance at the World Day of Prayer Service in St. George's Church on Friday, Feb. 21. Mrs. Dudlyke gave a brief address with the 'Bread of Life' as the theme. The offering of $11.60 goes to the Women's Inter-Church Council of Canada for buying Christian literature to be sent to many places.

At last the tide has turned for our young hockey aspirants with three victories to report this week all of the games being played at home. With the 14 and under team it was Marwayne 5, Dewberry 4 and with the 12 and under team it was Marwayne 6, Streamstown 3 and Marwayne 4, Kitscoty 2.

Mrs. Dustow, Grade 1 teacher has resigned and is being replaced by Mrs. Ardis Conlon of Dewberry.

Mrs. Sonley is doing well after her operation. Mrs. A. Parker and Mrs. C. Crichton were in Edmonton to see her this week end. Mr. Sonley went with his grandson David and Mrs. B. Crichton on Sunday to see her.

Another old land mark has been moved from its old site. Stretton School has been purchased by Mr. O.H. Quist and moved into town the past week.

Remember the Home and School Card Party in the school on Friday, Feb. 28.

Mrs. Clarence Duckering has returned to her home in Red Deer.

Sympathy is extended to the Hale and Allen families in the passing of Mr. Allen in Lloydminster Hospital on Saturday.

The Ladies Auxiliary to the Canadian Legion are having a Bake Sale in Mr. Elliot's office on Sat., March 15 from 3 to 5 p.m. They are now selling tickets on a copper tooled photograph album made by Bob Dudlyke and donated by Mrs. Dudlyke. The draw will be made on March 15 and the proceeds from this raffle will go to the Polio Fund.

Mr. Dave Rose is a patient in Lloydminster Hospital.

Tips on Touring

By Carol Lane
Women's Travel Authority

If you plan to pack the family pet feline or canine into the car come vacation time, here are a few hints you may find useful.

The touring dog is usually a good traveller and needs only a little special care. Don't feed him for at least two hours before leaving. Take him for a few short rides before the 'grand tour'. And teach him the few essentials of car obedience: to stay put in the car, to sit or lie, not to bark, and to come when called, after he's been released for exercise.

Get him an oversize dog tag (in case he gets lost in strange country).

Don't worry about accommodations. Some of the best hostelries now welcome travellers with dogs.

Cats, generally speaking, do not travel so well as dogs. If you're planning to take Kitty with you, I'd advise putting her in some kind of enclosure. A box with a side of chicken wire should do. Take along a leash and collar so she won't stray when you reach your destination. Don't feed her too much before starting out, a cat is a more nervous traveller than a dog. Feed her canned food and fresh milk when you've reached your stop-over point. Cats are noted for cleanliness, so don't worry on this score.

With cats and dogs, as with human travellers, the same rule applies — plan well and you'll travel pleasantly.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Bohstedt
Emeritus Professor of Animal Husbandry
University of Wisconsin

Good Care For The Dry Cow Pays In Future Production

A modern dairy cow has the maternal or sacrificial nature so highly developed that she spends herself at all costs and practically puts herself into the milk pail. In the drying-off and the dry period she needs good feed with special attention to salt and mineral needs to restore herself, in preparation for future calving and future lactation.

Dr. Bohstedt

Too often, however, farmers feel that the dry cow is the non-productive member of the herd and they fail to provide feed and [illegible] in the [illegible] and [illegible] required by the animal. This is not good management.

Dr. E. B. Hart, of the University of Wisconsin, estimated that during a heavy lactation, cows lose as much as 25 per cent of the calcium and phosphorus of their skeleton. They even become subject to hip and leg fractures because of these mineral losses.

During the drying-off and the dry period the cows, for the first time since calving, are in a position to restore their necessary [illegible] nutrients. Not merely the [illegible] reserves that show up as [illegible] condition of flesh, but also the invisible reserves, the minerals and vitamins that are stored in the skeleton, the liver, and other organs of the body. In addition to restoring her reserves during the dry period, the cow is meeting larger and larger nutrient demands of the growing fetus.

It is vital to make sure she receives the right kind and amount of minerals. Dr. E. B. Meigs of the United States Department of Agriculture has demonstrated that an adequate supply of phosphorus during the dry period is rewarded with a better flow of milk during the following lactation. The opposite is true too — phosphorus deficiency during the dry period resulted in lowered milk production.

At the Ohio Experiment Station, Dr. E. B. Forbes showed that cows accumulate the vital calcium and phosphorus in their bodies most effectively only during the dry period and in the latter period of lactation.

Good management calls for care during the *dry* period. To restore the nutrient reserves she has put into the milk, she must have decent roughage, whether hay or silage or both. If her body condition requires it, don't hesitate to feed a few pounds of suitable grain mixture. Protein level of the mixture would depend on the kind and quality of the roughage fed. When limited amounts of grain are fed a mineral supplement mixture of one part trace mineralized salt and one or two parts of dicalcium phosphate or steamed bonemeal should provide the necessary [illegible].

This attention to the feed and mineral needs of the dry cow will pay off in better calves and in better production throughout lactation.

SEALED TENDERS addressed to the undersigned and endorsed "*TENDER FOR FEDERAL BUILDING, VERMILION, ALBERTA*" will be received in the office of the Secretary, until 3:00 p. m. (E. S. T.), Wednesday, April 2, 1958.

Plans and specification can be seen and forms of tender obtained at the offices of the Chief Architect, Department of Public Works, Ottawa, Ontario, the Regional Director, Department of Public Works, P.O. Box 488, 10018-105th Street, Edmonton, Alta., and the Post Offices at Calgary and Vermilion, Alta.

To be considered each tender must be accompanied by a security in the form of a certified cheque or bonds as specified in the forms of tender and made on the printed forms supplied by the Department and in accordance with the conditions set forth therein.

The Department, through the Chief Architect's office, or through the undersigned, or through the office of the Regional Director, Department of Public Works, P.O. WILDMERE WINKS

Here we are back again. We want to thank Mrs. Gibson for her kindness in writing "Winks" while we were away. We truly appreciated this very much and the readers enjoyed them too from all reports. We had a grand trip by car going. Good roads and good weather. We went to Calgary and travelled Trans-Canada highway to Winnipeg, then south and into Minnesota at Emmerson, Man., and travelled via Duluth along the south shore of Lake Superior. It was nice to watch the waves roll up on shore of the big lake as we drove along. It would be a lovely summer drive. Crossing back into Canada at Sault Ste Marie the writer visited at Echo Bay, Walford and Sudbury, Ont., passed through the booming town of Blind River, the big Uranium mines are at Elliott Lake near by. Here a population of 20,000 appeared overnight and where 35 acres of trailers are located. A big dock is being built at Cutler, Ont., so that large boats can come in. A sulphuric acid mill is located there. The dock will cost 2 million dollars.

The weather in Ontario was on the cold side and some areas have lots of snow, especially the southern part of the province. All in all we had a wonderful holiday but it was still nice to get back to sunny Alberta and home.

Peggy Graham is nursing at the Royal Victoria hospital at Barrie, Ont.

We were indeed sorry to hear on coming home of the passing of two fine people, Mrs. Thompson and Mr. McFadden. We chatted with Mr. McFadden the Saturday before leaving on our trip. The Grim Reaper can close our book of life all too quickly.

On Friday evening Feb. 28th a party will be held for Mr. and Mrs. John Wilson in Basswood community hall. All friends and neighbors please attend. Mr. and Mrs. Wilson now reside in Vermilion.

Hello Mrs. McAmmond, Paradise Valley, we had a nice chat with your sister Mrs. Keating while in Echo Bay, Ont. May be some time we will meet you too; also Mrs. Marsden of Wainwright who is a niece of Mrs. Keating.

Some curlers from here are playing in the Vermilion bonspiel this week. Cliff Cruthers has the same rink he won the Grand Challenge at Wainwright with. Good luck boys.

On Saturday the ladies of Wildmere are having a spiel with a limit of eight rinks. Then next week the men are having their bonspiel with a limit of 32 entries. Hope the weather holds so that these events can be realized.

If we have overlooked any items please forgive us as it is rather hard to get caught up on the doings in the district.

Members will please note that the W.I. meeting will be held on Wednesday, March 12, postponed on account of the short course at the college. Keep the 12th in mind folks.

Preston 4H Beef Club Sees Films, Plan Next Meeting

On Feb. 17th at 8 p.m. the Preston 4-H Beef club held its meeting at the Preston Central school. The meeting was highlighted by films which were shown by Mr. Morley Douglas, assistant D.A. These were much enjoyed by all. At the conclusion of the films the president thanked Mr. Douglas for the educational entertainment.

The talk given by Linda and Joanne on the points to keep in mind in the selection of a club calf was enlightening.

Joan Dibben gave a very interesting talk on the Leadership course. It was decided that the club members would go to the V.S.A. to the judging class.

A demonstration was given by Mr. Dibben and Mr. Douglas on how to make a rope halter. This was very closely watched.

A delicious lunch followed.

The next meeting will be held in March at Preston school. Hewitt and Jimmy Dibben will give a talk on "How I taught my calf to lead". The lunch committee is Harvey, George, Jack and Jimmy.

Volkswagen Sales Climb

Toronto — Highlight of the 1957 Canadian automotive story is the increased share of the market held by imported vehicles and particularly Volkswagens, leader in the import field.

Tempering the story, however, was the news from Volkswagen Canadian Ltd. that Canadian allocations in 1958 would remain at about the same level as last year because of increasing world demand.

For Volkswagen, this means a levelling off in its sales climb which has seen total sales doubling each year since the company was established in this country in 1952.

Chief reason for Volkswagen's success in Canada lies in the words 'economy and service.'

The economy feature begins with a low initial price and is continued with low operating and maintenance costs. And the highest calibre of service has been basic policy with the company which insists that its dealers maintain adequate spare parts and service facilities, and backs this up with a Toronto depot containing more than $4 million worth of spare parts.

Commenting on the overall sales of Volkswagens in Canada during 1957, a recent issue of The Financial Post noted the contribution these sales had made to trade between this country and Germany. "Germany buys 30% more goods from Canada than it sells here. It is our second largest wheat purchaser, our third largest customer," The Post says. "Volkswagen exports to Canada pay for nearly 50% of Germany's wheat imports from Canada."

Old Timers Centre Proves Popular

The old timers' centre maintains its popularity with our senior citizens, an average of 23 daily registrations being maintained since its opening.

As many as 23 have been seen using the centre at one time, with four tables going at once. To date there have been 134 different individuals register, with the total number of usages being 1128. New users during the past month were 17.

It is pleasing to note that out-of-town old timers are using the centre more as it becomes known to them.

Some pictures of Vermilion's early days have been framed and placed in the centre. If there are those who have old picture frames or other items which would be of interest to old timers, sponsors of the centre would be glad to have them, as a gift or on loan.

As the Centre becomes an increasing source of pleasure to our senior citizens, we are more than ever appreciative of those who made the centre available in the first place -- members of the U. F. A. Locals. If it were not for their generosity the Centre as it is now would hardly be possible.

We acknowledge with thanks contributions from Mr. and Mrs. Lyle Robinson: the Crown Lumber Co.: the Northern Hardware, and many of the old timers themselves in their efforts to keep the Centre clean and presentable.

As the Centre becomes a source of pleasure and relaxation to an increasing number of our senior citizens the sponsors are amply repaid

Vermilion's Bob Cats went to Edmonton on Tuesday night for the second game of their provincial play off series with the Edmonton Bellevues. The game was played in the gardens and Jim Ferguson's proteges went into the encounter with a two goal deficit as a result of their losing the first game here 7 goals to 5.

While they won the Edmonton game, as many claimed they could, by a 3-2 score, they lost out on the two game total series by 9 goals to 8.

During the first period in Edmonton the Bob Cats dominated the play and went one goal up on the game, Nestor Chomy netting on a pass from Arychuk. In the second the Bob Cats kept up the good work, Jerry Schmidt scoring with an assist going to Ernie Walters and then Bob Waldenberger came through with an unassisted goal. This made the game 3-0 for the Bob Cats and gave them a one goal edge on the series.

The Vermilion lead held for the first 11 minutes of the third then Bob Ceaaford tied up the series for the Bellevues. It looked like overtime to break the series tie when with only 1½ minutes left Ceasford scored the goal that won the series for Edmonton.

It was a valiant bid for honors by the Bob Cats, and they came through with colors flying.

DETROIT SCOUT ATTENDS

Mr. Moore, a scout for the Detroit Redwings attended the game and chatting with Russell Carroll who refereed, stated that he was very favorably impressed with the playing of both teams. He had special praise for Jim Reid, the Bob Cats starry goalkeeper.

Incidently prior to their defeat by the Bob Cats on Tuesday night the Bellevue team had won twelve consecutive games.

The Bob Cats enjoyed the trip to the city and the chance to play on the big ice surface in the gardens. They took along a quota of supporters despite the short notice. The players were pepped up by having such fans as the George Doherty, Herman Dargatz, and the Coyne families in attendance as well as Harvey Anderson and friends.

The boys were especially appreciative of a wire wishing them the best of luck from an ardent hockey suporter, Albert M. West.

LEAGUE PLAY-OFFS COMING

Watch for advertising for the juvenile league play-offs with the Bob Cats meeting Kitscoty in the second game soon.

Bob Cats and Edmonton Bellevues In Brilliant Play-Off Game

The Vermilion Bob Cats came from behind a 4-0 deficit against the Bellevue Vollans Construction team from Edmonton on Friday night last to tie up the game at five-all only to see the visitors come through with two more counters late in the third. This was the first of a total goal two-game series in the Alberta Juvenile play-offs. It ended 7 to 5. The feeling persists about town that but for spotting the visitors a four goal lead, which won't happen again, the Bob Cats would have breezed home the winners.

As it was the game was a thriller with the crowd never given a chance to take a breather. The Edmonton team played fast, aggressive hockey but gave as clean a display as any ever seen on local ice.

Whether the Bob Cats were a bit over-awed by the visitors' record of eleven straight wins or not, the Bellevues did score four goals in the first period.

Going into the second the Ferguson-coached Bob Cats hit their stride and scored two goals in 7 seconds, Rudkowski and Chomyk of the Myrnam line combining for both, while Croft of the Mannville line added a third within 30 seconds. It was lightning-fast hockey and scoring. Parsons put the Edmontonians up five to three but the Cats came back to tie it up at 5-all. The Mannville line did the necessary. Croft from Manz, then Gerhart from Croft.

Kuzik and Field each added a goal for the visitors in the third to complete the scoring.

Actual paid admissions to the game numbered 466.

Russell Carroll and Ed Mistal refereed.

Variety of Matters Discussed At Regular Board of Trade Meeting

The regular meeting of the Vermilion Board of Trade was held on Feb. 19 with 24 present President E. A. Locke was in the chair.

The chairman welcomed Mr. Lester Metcalfe of the high school staff, and Mr. Les Hathaway, proprietor of the Shoprite.

It was announced that the Board of Trade work shop at St. Paul was scheduled for Feb. 27 and not Feb. 26 as stated at the previous meeting. Mr. M. Hill and Mr. R. Watkins are to attend if possible.

It was recommended by Warren Rosequist that the energy resources questionaire be returned as no one was capable of answering the questions contained therein.

The meeting of the retail committee originally scheduled for Feb. 19th was postponed until further notice.

Mr. Ashley Cooper announced that tenders were now being called for the erection of a new post office building in Vermilion. Mr. Cooper stated that this was a long time project of the Board and he had no doubt but that the continuing representations had kept the matter high in the minds of the post office officials and department of public works in Ottawa.

Moved by M. Hill, seconded by T. Watts that the Board of Trade supply the tickets to the annual banquet of the Curling club at the bonspiel; that a welcome from the Board be contained on the ticket similar to previous years, and that this matter be looked after by the publicity committee. Cd.

The president outlined the proposed page of advertising in the Edmonton Journal, cost to be met by the Board of Trade $100, Town of Vermilion, and individual business men. Total cost would be $780 for one page. Canvassing of the businesses would be done by the Journal representatives. In addition to the page a story of the town would appear. The following motion was made:

West-Mitchell: That a decision on the matter of advertising in the Edmonton Journal be deferred until the meeting of Mar. 5th and that the Journal be so notified. Cd.

The calendar of coming events was read and meeting adjourned.

Farm Radio Forum Panel To Discuss "Low Income Farmer"

Who is the "low income farmer"? Has he special problems and if he has what programs can be designed to help him? These questions and others will be answered by a three-man panel chaired by Bob Carbert, farm broadcaster from Wingham, Ont., March 3rd.

National Farm Radio Forum panel members are Dr. David MacFarlane, Macdonald College, Que.; Mr. Howard Conquergood, Canadian Labor Congress, Ottawa; and Mr. George McCague, vice-president, United Co-operatives of Ontario.

Many people say that support prices, import controls, marketing improvements, etc., are not going to help the low income farmer, that really his problem is special and needs a particular type of help. Is this true?

For instance, do you think that the present direction of extension work should be changed? Is it possible that our present extension programs are directed too much toward helping the better and more successful farmer become even more successful? Consider the policies of some provinces which give help to men who couldn't afford to buy a purebred sire on their own. Once the sire has been purchased for them is any advice or assistance given on how to feed that animal or how to use his progeny to establish a better grade of livestock on the farm?

4-H Club Meet At Derwent

DERWENT. — The Derwent 4-H club held its regular meeting recently at the Derwent school. The meeting was brought to order by the president and was opened with the 4-H pledge. Raymond Kiziak and Walter Polowy gave the members a quiz on minerals. Marshall Jaremco and Billy Fedechko reported on 'Parasite Control'. Paul Jaremco, the Club leader, demonstrated the process of making a calf halter, and also gave brief reports on 'What you get out of a 4-H Club' and 'How you may benefit from being a 4-H member'. The 4-H members decided to hold a raffle before Easter. Prizes are, 1st, horn; 2nd $7 cash.

Paul Pashulka and Marshall Kiziak will report on vitamins at the next meeting which will be held on March 13th at 8 p.m. in the Derwent school.

PARKLAND BARLEY

The Brewing and Malting Barley Research Institute reports the following information regarding Parkland barley.

Laboratories of the Department of Agriculture and Board of Grain Commissioners have tested Parkland barley for six years and have concluded that based on laboratory tests it is of better quality than OAC 21 and at least equal to if not better than Montcal. The Board of Grain Commissioners has, therefore, ruled that it is eligible for the highest grades of Canada Western six-row barley.

The malting companies were unable to obtain sufficient supplies of the 1957 crop of Parkland baley for adequate plant scale malting trials because the available supplies are being held for seed purposes. When the 1958 crop is harvested and moved to market adequate supplies will be available for such trials. However, the malting companies must ascertain the adaptability of the new variety to commercial malting as well as the reaction of the industrial users of malt before committing themselves to large scale purchases of the 1958 crop.

Well Attended F. U. A. Meeting At Stellaville

The regular monthly meeting of the Claysmore-Stellaville FUA 746 was held in the Stellaville Community centre on Wednesday, Feb. 19th with twenty members and several visitors present. Oliver Willes presided.

Preceding the regular business there was a most interesting and enlightening talk and question and answer session conducted by two representatives of the Co-op. Farm Supply Department of the Alberta Co-operative Wholesale and Mr. R. White, manager of the local A.C.W.A. store, Mannville.

Following a rather lengthy business session, coffee and lunch was served.

The next meeting, weather and roads permitting, will be held at Claysmore on March 19th commencing at 8 p.m. sharp, so please be on time. If our D.A., E. H. Buckingham, is not otherwise engaged it is hoped to have him in attendance to show slides of his recent trip overseas.

The weather is really nice again and evenings are growing much lighter. It's beginning to look and feel like spring.

It's springtime in my kitchen right now with the lovely hyacinths in bloom and a [illegible] of sillias. Sillias are pretty little flowers like a bluebell and several blooms come out on a long stem from each bulb. The bulbs are easy to care for you just plant them in the fall and bring them up to the warmth and sunshine in early spring.

News is very scarce these days, nothing very exciting has happened.

Mrs. Potvin spent a few days in hospital last week but she is now at home feeling much better.

Mrs. Gillies is spending a few days with the writer.

Mr. and Mrs. Maxwell and Mr. and Mrs. Risdale were supper guests at the writer's home on Sunday.

Had a nice chat with Mrs. Barr on Monday. We think it would be a splendid idea if there was a modern tea shop in the east end of town where one could get a nice cup of tea before leaving for home. I will think this over Mrs Barr, it certainly sounds like a good idea doesn't it?

We were glad to see such a handy place chosen for the rest room provided by the town and the Elks. A rest room is needed so badly when taking little ones in to town on a Saturday. We could never understand why the previous rest room was locked up tight on Saturday. Could anyone enlighten us.

OUR LETTER FROM EDMONTON

Alberta To Assume More Cost Of Education, Hospitalization

by KEN MASON

Edmonton—The 1958 session of the Alberta Legislature opened here in the capital last week without any major surprises.

The Speech from the Throne promised a legislative program concerned mainly with increased grants for municipalities, schools and hospitals, and amendments to the Liquor Control Act.

However, for one of the few times in recent years, most of the measures had been announced previously by the government in one way or another, so the speech wasn't exactly a startling document.

No one knew it at the time, but Lieutenant-Governor Dr. J. J. Bowlen was carrying a heavy burden of personal sorrow when he walked into the House to take part in the colorful opening ceremonies. The day before, he received word that his only son had died in Akron, Ohio.

Despite urgings from his family to cancel plans for the opening the governor decided to go through with it. He told no one about his son's death. Premier Manning didn't know until the next day. 'It's a hard thing to take, but we have duties that must be done,' the governor said later, adding that he wanted nothing to disrupt the House opening.

Dr. Bowlen could easily have turned the job over to the chief justice, but he's the type of man with the courage to want to see a job through, even if it is tough.

The Throne Speech referred to the study of provincial-municipal financial relations, which has been in progress for more than two years, with a view to easing the burden of local taxation.

'To this end, my government proposes to assume a greater portion of the cost of education, hospitalization and various other social services and at the same time increase the amount of direct financial assistance to local levels of government,' the speech said.

This is in line with the announced policy of doing away with the program of school and municipal loans in favor of increasing operating grants.

The speech proposed an 'improved formula for the payment of school operational grants,' and also promised that the province will assume full cost of mothers' allowances and child welfare. Personal property and poll taxes will be abolished.

ROYAL COMMISSION REPORT

Reports of two important royal commissions will be tabled during the session. They deal with the possibility of a uniform salary scale for teachers, and with northern development. The speech promised an aggressive program to encourage industrialization with special emphasis on the north.

Other measures forecast include:

Appropriations for flood control and soil erosion work, more money for prevention of brucellosis in cattle, increased grants for agricultural fairs, a new act governing junior colleges, a study during the coming year into the entire field of mental health services.

GRANTS FOR OLD FOLKS HOMES

A new formula of grants for homes for the aged and infirm; another major highway building program, including more four-lane divided roads; a major construction program for Alberta Government Telephones.

Legislation to compensate persons who have lost mineral rights on land through errors in the land titles office, and to return mineral rights to those who forfeited them for back taxes years ago when the rights were valueless.

Strengthening of the forest protection system (possibly including the purchase of another forestry aircraft), increased library grants, special assistance to Albertans of proven artistic talent.

More money for land use and conservation projects; a review of last October's plebiscite, are expected to permit the introduction of cocktail bars and licensed dining rooms on a local option basis.

The session is expected to be somewhat shorter than those of recent years, because Good Friday is early, falling on April 4. Members like to finish the session before Easter, and that leaves only six weeks. It may take plenty of long night sittings to finish within that time.

The House went into high gear this week when Liberal Leader J. Harper Prowse opened the Throne Speech debate.

Tips on Touring

By Carol Lane, Woman's Travel Authority

Mind your motoring manners and you never can be accused of being a despotic driver or a rude dude of the road. Even more important — you'll greatly decrease your chances of "an accident going somewhere to happen".

If you don't want to qualify as an automobile menace or a boorish bumper-bender, you might make the following your "code of the road" —

1. Don't cheat at a red light or a stop sign any more than you would at a game of cards.
2. Share the road instead of usurping the right of way from other cars and pedestrians.
3. Never use your horn to threaten or scold, but as a warning device in emergency.
4. Promptly dim your lights when meeting other cars at night.
5. Park so you do not use up other parking spaces or impede the movement of other cars.
6. Be considerate by driving at reasonable speeds.
7. Always signal your desire to stop, pull out or turn.
8. Be orderly by always keeping to the right, except when turning or passing.

Adherence to such etiquette of the road should prove a challenge to everyone interested in traffic safety.

FOR ALBERTA FARMERS

Plus

1,256,000 lbs of Beef

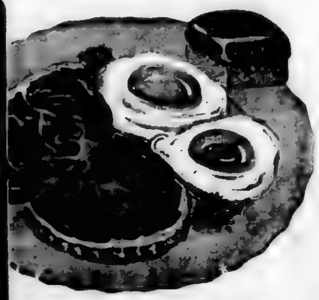
600,000 lbs of Butter

1,000,000 Loaves of Bread

2,000,000 Quarts of Milk

1,200,000 lbs of Vegetables

The above estimates are [illegible] on basis of 1 million Tourists visiting Alberta for average 5 day [illegible] and consuming 4 ounces of Beef, 2 ounces of Butter, 1 fifth of a loaf of Bread, one-half pint of Milk, 4 ounces of Vegetables DAILY.



3,000,000 SERVINGS OF HAM AND EGGS...

That's what a million visitors a year to Alberta would do towards [illegible] this province's farm products. [illegible]

This is only the primary distribution of tourist expenditures. [illegible]

And a million visitors annually is not an impossible goal [illegible]

The visitor industry is YOUR industry

Here are some of the things that YOU can do to assist in its promotion and development in your community:

1. Familiarize yourself with all local activities concerning the tourist industry.
2. Take an active interest in community organizations engaged directly or indirectly in tourism.
3. Impress upon representatives in municipal, provincial and national legislative bodies the importance of the visitor industry.
4. Receive visitors to your community in a courteous and friendly fashion and give them all possible information and facilities for the enjoyment of their stay.

TULLIBY LAKE

Another of the regular monthly Bible discourses was presented at the home of Mrs. Mollie Behrens on Sunday, Feb. 16th. This was entitled "The World Without Tears Before Us", which was delivered by Mr. Leo Woods from Lloydminster. The speaker pointed out the various causes of unhappiness in the world today, which have produced so many tears among humanity. Then, God's promise to restore Edenic paradisic conditions over the earth, was then reiterated. The afternoon came to a close by the serving of lunch. The next Bible discourse is scheduled for Willard's [illegible]tric in Marwayne on March [illegible] at 3 p.m. The public is cordially invited to attend these free Bible lectures.

Mrs. Christina Mass is home after a short stay in the Elk Point hospital.

Norman Lifeso has been hauling out bundles from the Fortin place, some for himself and some for Jimmie Hill of the Reserve. Mr. Fortin Sr. said that the coyotes are wrecking his stooks in their desperate search for mice.

The new employee we see at the Doug Cooke ranch is Harry Whitestone from the Reserve at Onion Lake.

We are sorry to report that Mr. Wesley Hayes is a patient in a hospital in Edmonton.

Alec Littlewolf from the Reserve at Onion Lake was a visitor at the Mollie Behrens' home on Wednesday last. While there Alec had his first experience in tape recording by recording on Juvenile's tape recorder.

We are told that the Alec Nolins are basking in the sun in California.

It's nice to see Mrs. Louise Huntley back again after a long stay in the hospitals at Lloydminster and Edmonton.

Seems like the measle epidemic is nearly over. Miss Margaret Campbell is back at her usual duties at the Central school.

The Great Lakes-St. Lawrence River system is navigable for more than 2,000 miles, the Mackenzie River system for more than 2,600 miles.

ANGLICAN MEN'S CLUB

Interesting programs have been arranged for the next two meetings of the Anglican Men's club. On Monday March 3 the speaker will be Charles Heckbert, the menu — fish and chips cooked on the spot. For the April meeting an official of the Child Welfare branch will tell of the various steps taken when a child is adopted in Alberta. 32-3

HOW CAN I?

By ANNE ASHLEY

Q.: How can I melt ice on cement steps?

A.: Sprinkle several handfuls of saltpeter on cement steps or walks that have ice on them. To keep ice from forming, wash with hot water in which a handful of salt is dissolved. This is better than sprinkling with salt.

Q.: How can I relieve a nervous headache?

A.: A nervous headache can frequently be relieved if one will drink a cup of strong black coffee, to which the juice of half a lemon has been added.

Q.: How can I whiten and purify sponges?

A.: Soak in milk, then rinse throughly in warm water with a little carbolic acid.

Q.: How can I remove oil stains from leather?

A.: By dabbing the spots carefully with spirits of sal ammoniac. After allowing it to remain awhile, wash with clean water. If necessary, repeat the treatment, but be careful not to injure the color of the leather.

Q.: How can I measure molasses accurately?

A.: Molasses can be measured accurately if the cup or spoon is dipped in scalding water before measuring. The syrup will not stick to the sides.

Q.: How can I avoid removing the gilt when washing gilt china?

A.: By not using too much soap, as soap will eventually remove the gilt.

Q.: How can I keep parsley during the winter months?

A.: If a good-sized flower pot is kept filled with growing parsley in the kitchen during the winter months, it will always be ready and convenient for seasoning and garnishing.

Q.: How can I use less sugar for sweetening any sour fruit when stewing?

A.: By adding a half teaspoon of baking soda when the cooking is nearly finished.

Q.: How can I prevent woolen garments from scratching the skin?

A.: This can be prevented by adding a few tablespoons of glycerin to the last rinse water when washing them. Also be sure that each water is the same temperature when washing the woolens, as it is the change from warm to cool water that shrinks them.

Canadian university students spent an average of $1,215 in fees, living and other expenses during the 1956-57 college year.

Health Unit Notes

WHOOPING COUGH

Whooping cough is a serious disease, especially with regard to very young children. When serious complications arise they occur most frequently in children under two years of age. This disease lowers the resistance, thus tending to the invasion of other diseases.

It is a highly contagious disease affecting the respiratory tract and is communicated from person to person by the discharge from the nose and throat. It may begin as an ordinary cold and until the typical 'whoop' may develop, it may be difficult to diagnose; the whoop may last six weeks or even longer. In many very mild cases, the child may have no whooping spells, the cough is usually more marked at night. The germs are more numerous in the discharges during the early period. The disease may be transmitted by droplet method that is the small particles of moisture and mucus expelled during the coughing which contain millions of germs. The germs may either be inhaled directly by [illegible] child or may contaminate some object which is later handled by a susceptible individual and passed to the mouth through medium of the fingers.

PERIOD OF INCUBATION

Symptoms usually begin some nine or ten days after the germ has entered the system. Each case should be isolated and kept away from other children. Those who have had the disease, however, are unlikely to acquire a second attack. During the acute stages of the disease the patient should be kept in a separate room and all discharges from the mouth and throat should be received in a paper handkerchief which afterwards should be burned. The period of isolation is twenty-one days from the beginning of the paroxysmal cough. Cups and other utensils in service of food should be thoroughly boiled after using and kept for the use of the patient only.

TREATMENT:

Careful medical and nursing care are of the utmost importance in preventing serious complications. The patient should be kept warm in bed and when the doctor says it is safe for him he should have plenty of fresh air and spend as much time as [illegible].

A vaccine is available for the prevention of whooping cough but it takes at least two months to develop protection.

The room occupied by the child with whooping cough should be thoroughly cleaned and disinfected after recovery.

Susceptible contacts are quarantined for ten days after the last exposure.

CHICKENPOX

Chickenpox is usually regarded as one of the minor diseases. The patient often is not very sick but the exception may occur especially in older patients.

The disease first shows as red spots which shortly become water blisters and then form a scab as they dry. These vary in size and appear in a succession of crops. The eruption is thickest on the back and chest, a number appearing on the face and scalp but few if any on the extremities. There is generally some irritation and the patient should be warned against scratching the pustules as when broken they leave a disfiguring scar.

INCUBATION PERIOD

This varies from two to three weeks. It is a highly communicable disease and is contagious even before the spots appear.

The Provincial Health Regulations require the isolation of the patient for seven days. There is no quarantine for contacts.

The Bible plainly shows that there is going to be World Government on this earth. The capital of the world is going to be Jerusalem. The Head of this Government is going to be Jesus the Christ, our Lord and King. Under His reign for the next thousand years there is going to be perpetual peace with the Laws of God administered, enforced and obeyed by the people of all nations. The standards of civilization, social conduct, decency and fair play will be those enunciated in the Commandments, Statutes and Judgments of Almighty God. Here is something really worth studying, proclaiming and working for.

The police-chief in a small western Texas town confiscated some counterfeit bills and wired the FBI in Washington to ask what to do with them.

He was told to send the bills there at once. Several weeks passed and the bills didn't arrive. The FBI sent an inquiry about the money. The chief studied the wire from the FBI and then sent a wire in return: *Bills should be there. Sent them by Money Order four weeks ago.*

A sweet little old lady came up to a cop on a busy corner the other day, tapped him with her umbrella, and said "Are you a policeman?"
The poor guy had probably been answering silly questions all day so he can be forgiven for saying sarcastically: "No, lady, I'm a plainclothesman."
"Oh really," said the old lady with interest, "then why are you in uniform?"
"Because," he barked "IT'S MY DAY OFF!"

"You forgot the cockroach powder, daddy."

The Ladies Auxiliary of the Canadian Legion, Post 158, will hold a tea and sale of home baking in aid of the polio fund on Friday, March 7th in Tracy Memorial hall.

Mrs. Wayne Barber and Larry of Minburn spent the week end here visiting with her sister and brother-in-law Mr. and Mrs. Everett Miller.

Church service was held at 7:30 p.m. in St. Johns' Anglican church on Sunday, Feb. 23 in order to accommodate the folks who are unable to attend the 9 a.m. service. These services will be held every two weeks. The next one will be on March 9th at 7:30 p.m.

The World Day of Prayer was held in the United church on Friday Feb. 21st with 25 ladies in attendance. Much thought had been put into the inspiring address given by Mrs. Stan Byrt. The theme this year was the Bread of Life. Mrs. H. Batty was at the organ and sang a lovely solo during the service. Several ladies from the three churches took part in the program which was under the leadership of Mrs. W. Swyripa and Mrs. G. Blake.

RENEWING PAINTBRUSHES

Not too much sympathy should be wasted on the painter who neglects to clean his brushes. But, at least, here's a tip on how to recondition those paint-hardened brushes: Fill up an old tin with vinegar, stick the brushes into it and put the can on the stove until it boils for ten or 15 minutes. This may cause falling bristles in the inferior-quality brushes, but it will soften them up considerably, and a good washing in soap and warm water should complete the rejuvenating process.

Paradise Valley

The regular meeting of the P.V.W.A. met on Feb. 6th at the home of Mrs. Thibodeau with Mrs. J. Guy as co-hostess. The W.A. have taken over responsibility of paying the M. and M. fund. Mrs. D. Odegard of Edgerton is the M. and M. treasurer. The W.A. treasurer, Mrs. Harold Fair, will have charge of the church organ memorial fund. The next meeting will be held on Tuesday, March 4th at 2 o'clock at the home of Mrs. Charlie Elliott with Mrs. Charlie Bleakley as co-hostess.

The fine play "Old Doc" put on by the Marsden Players on Feb. 19th at the P. V. hall was well patronized and much enjoyed.

Mr. and Mrs. A. M. Block have returned from their holiday in the States and have taken up residence in the Adams' house.

Mr. and Mrs. Hugh Leighton visited in town at the week end.

Solve a Crime
BY A.C. GORDON

YOU ARE THE DETECTIVE

With your coat buttoned tightly and your hat pulled well down over your face, you trudge through the downpour of rain to the door of the little cottage on the edge of the town. You are happy when your ring is answered promptly and you step out of the deluge into the comfortable shelter and warmth of the room. Here you are confronted by two beautiful young women, one a blonde and the other a brunette. The blonde introduces herself as Beth Dawson and, motioning to the dark-haired girl, "This is my sister, Anne."

Anne is busy hanging two soaking wet dresses over chairs in front of the fireplace, and your eyes are also caught by two pairs of wet shoes drying in front of the open fire.

"I hope you'll forgive us this mess," says Beth, as she nervously pulls her housecoat closer around herself and then runs a hand over her beautifully-coiffed blonde tresses. "We arrived home here just about fifteen minutes ago, and we phoned you and the insurance company immediately. It was a frightful experience being robbed right out on the street, and I'm still feeling shaky about it. And then that long walk home in the rain!"

Anne saunters across the room and plumps herself down on the sofa, and you can't help noticing how her raven hair contrasts so beautifully with the beige pattern of the sofa's upholstery. She lights a cigarette and picks up the story: "Beth and I were driving home from town tonight when suddenly in a particularly dark part of Monroe Avenue a car pulled in front of us and forced our car to the curb. Two men jumped out of the other car, flashed a gun at us, and made us hand over all our money — nearly a hundred dollars — and our two diamond rings, each of them worth at least $800. Then they slashed two of our tires so we couldn't follow them, and they drove away fast. There was nothing for us to do but walk home through the rain. Without umbrellas or raincoats, we managed to get pretty well soaked, as you can see," and she points to the apparel now steaming in front of the fire.

Beth chimes in, "If it weren't for the fact that we are completely covered by insurance, we'd be still unhappier. But we do hope that you can do something about catching those bold robbers."

"Bold is a good word for it," you agree. "And I mean that it's a very bold plan you girls concocted — but I don't think the insurance company will buy it!"

How do you know that the girls' story is a false one?

* * *

SOLUTION

Although the girls claimed they had walked home in the rain and although their dresses and shoes were soaking wet, their hair was dry! The fifteen minutes they claimed to have been home before you arrived was certainly not enough time to have dried their hair.

Sixteen Teams Enter All-Day Hockey Tournament March 8

It should be a big day in town on Saturday as no less than 16 teams have entered the rural village and town hockey tournament being held in Vermilion. The ambitious event has been planned by the Vermilion Tigers. Admission to the whole day is $1.00. Each team usually brings along a number of rooters and a really interesting day results. Two rinks, the arena and the V.S.A. are being used.

The draw has already been made and the first round sees the following teams clash: Vermilion Bone-Busters vs. Clandonald, 9 a.m. (Arena); Lloydminster Worms vs. Little's Outlaws, 9 a.m. (V.S.A.); Dewberry vs. Vermilion Bob Cats, 10 a.m. (Arena); Kitscoty vs. Utilities 10 a.m. (V.S.A.); Heinsburg vs. Lloydminster Kinsmen, 11 a.m. (Arena); Chauvin vs. Wainwright, 11 a.m. (V.S.A.); Marwayne vs. Irma, 12 noon (Arena); Irma vs. V.S.A. (Arena).

The draws will be worked down to the final at 8 p.m. in the arena.

The prize money will be split among the four top teams, in the sums of $[illegible], $[illegible], $[illegible] and $15.00.

Ladies' Bonspiel Tues. and Wed., March 11 and 12

The Vermilion Ladies' Curling club will hold their open bonspiel on Tuesday and Wednesday next week March 11 and 12. Entries should be in the hands of the secretary by March 8 at 6 p.m.

Ralph Cudmore Purchases Plumbing Business in Town

Ralph Cudmore has purchased the plumbing and heating business formerly conducted by Will Clifford. Mr. and Mrs. Cudmore have already taken up residence in the former Clifford home on the south side. Mr. and Mrs. Cudmore come from Edmonton.

Your attention is directed to his advertisement on page six, section one, of this issue, the first of a series.

Fire Damages Elks Clubroom

Fire which was discovered at 11:40 Sunday night did considerable damage to the lodge room portion of the Elks' premises. The club rooms are located upstairs above the new ladies' comfort station.

The lodge rooms had been in use earlier in the evening as the Elks were entertaining members of other lodges at the annual bonspiel. No one had been in the hall for some three hours and from investigations it appears that a cigarette butt had smoldered in a chesterfield, finally bursting into flame. The furniture in the club room was all ruined as well as the interior finishing. The flames almost burned their way through the roof, doing a lot of damage to the ceiling and the west wall against which the chesterfield was standing.

Fortunately a member of the lodge, Keith Maxwell, had gone into the building to check things over while on his way home and had discovered the place filled with smoke. The fire brigade was on the scene as soon as the siren sounded and this prompt response is responsible for preventing what easily could have been a major fire. Had the [illegible] burned out [illegible] the roof the fire [illegible] easily have spread to adjacent roofs on [illegible] side, the Elks hall on the west and [illegible]field Motors on the east.

Following the dousing of the [illegible] the brigade [illegible] much water damage by mopping up and draining the water from the building.

STOCK CAR NEWS

. . . . Bill Dowson.

Not a motor roared, not a pair of dirty coveralls was in [illegible], but the 1958 [illegible] season got underway with a tremendous bang this past Monday as stock jocks from Lloydminster, Vermilion, Wainwright and Mannville met in Vermilion to lay the groundwork for the 1958 season.

One of the measures adopted by the throttle-jammers was the inauguration of a brand new club, the Vermilion Stock Car Association. It was felt by members of both clubs that the competition created by this set-up would make for better racing all around, and would encourage other towns to form clubs on a similar basis. This situation would produce more in the way of inter-town competition, and was felt to be a great booster for the sport of stock car racing in this area. It is hoped by the members of both clubs that racing will take on a league aspect with this new system. So Vermilion can now proudly point to that group of greasy, battered, but nonetheless wary and skillful crew of stock car drivers it has produced, and say, "These are our boys!"

Rules and regulations, drawn up by the Lloydminster club, and considered by all to be about the best available, were adopted by the new club, and we hope the same will happen with newer clubs in other towns.

The balance of the evening was spent in that old Canadian pastime of gabbing, most of it directed of course to stock car racing in general, and who would win the Indianapolis 500. The club and its affiliate members from out of town would like to thank Gord Allen for the use of his establishment for this all-important meeting, thanks very much Gord.

No plans were put [illegible] yet for the annual get-together to be held in Lloydminster, but the scheme is afoot and it should promise to be a good night. More about this later.

Of course there's not much stock car drivers, builders and mechanics can do right now, except pursue their chosen careers, but you can bet that within a few weeks when the dust starts to swwirl down the country roads that the roars of those big V-8s will echo through the country once again. Listen . . . can't you just hear them if you try hard enough?

News from The Halls of V. S. A.

The West Wing Hawks have this year won the House League Basketball trophy for the 1957-58 term. They defeated the Mutnicks in two straight games last week by scores of 31-30 and 31-18. Ken Stiles of Didsbury, captain of the winning team, was also the highest scorer in the series with a total of 30 points. The basketball trophy will be presented to the winning team on 'Color Nite' March 28th.

March 1st the Vermilion School of Agriculture and Home Economics played host to the parents of many of the students. Parents taking advantage of the excellent weather journeyed to the school from far and near. One hundred and eight parents and friends registered. Each student was "host-for-the-day" to his or her parents, showing them their rooms in the dormitory, the classrooms and farm. Over 100 guests had supper in the dining room and many stayed for 'Play-Nite' which followed.

This week four students from the V.S.A. journeyed to Calgary to take part in the Junior Seed Fair as guest judges. Mickey Bendtsen, Marwayne, and Lawrence Steinach of Wostok represented the 2nd Year class in Agriculture while Ken Stiles of Didsbury and Bob Willis of Claysmore represented the 'Two-in-One' class in Agriculture. The V.S.A. boys together with two from the Olds School of Agriculture, judged classes in wheat, Durum wheat, malting barley, feed barley, oats, potatoes and flax. The senior judges present highly praised the standard of judging. The boys were chosen on the basis of their work in Field Husbandry and general standing in all phases of their courses.

Zazulak Rink of Derwent Wins Grand Challenge At Bonspiel

Skip Steve Zazulak of Derwent won the Grand Challenge in a thrilling extra end game with Lou Dobry of Viking. The standard of curling in the final set-to was excellent, particularly by the two skips, and was witnessed by an extra large crowd.

With Steve on his winning rink were Marshall Mudryk, Henry Lychak and Paul Zazulak. Skip Dobry had Helmer Hansen, Dr. Kline and Alf McIntyre.

Zazulak was one down coming home, and tied the score with last rock at 8-all. He then went on to score one in the extra end to win.

Steve won the Challenge here two years ago also.

Third in the Challenge went to the Johnson rink of Edmonton with McGuire skip, Hoffman 3rd, Johnson 2nd and Compton lead; fourth to Skip Alex Fallow, formerly of Vermilion, Ron Wilson, Les Nelson and Warren Bowles, all of Edmonton.

BRUNSWICK HOTEL

The number two competition, Brunswick Hotel event, brought forth a surprise when the Bill McGrath rink of the Preston-Wildmere club went through to cop the first prize. They didn't represent very many years of curling experience but they won their games in no uncertain manner. With Bill were Gerry Cruthers, Warren Marfleet and Franklin Wolters.

Second was won by the Chuck Thumlert rink of Mannville; 3rd, Aldous Kent, Vermilion; 4th, Don Christie of Blackfoot.

VERMILION BEVERAGES

The final of the number three competition, the Vermilion Beverages, was between Newt Cooper of the Vermilion club and Harris Electric of Lloydminster. This was a tight battle up to the 10th end with the score all tied, then the Harris quartet cracked with Cooper landing a 5 to put the game on ice. With Newt were Andy Hiss, Irvin Gordon and Len Cohn. Third went to Skip Scoggins of Mannville and 4th to Bill Veitch of Wainwright.

TELFORD MEMORIAL, No. 4

1st — Skip Roger Rowe, Keith and John King, Angus MacMillan.

2nd — Cliff Cruthers, Dick Donily, Frank Gibson, Howie Coburn, Wildmere.

Third went to Skip Roy Hitchcock, fourth to Frank Schmidt, Lloydminster.

CITIZENS EVENT

The Citizens Event saw four Vermilion rinks in the semifinals. Currah eliminated Mitchell, Gibbons defeated Geo. Webb Jr. Currah went on to win the cup against Glen Gibbons.

1st — Darrell Currah, Gordon Ross, Harvey Tebutt and Albert Dennills.

2nd—Glen Gibbons, Alec Callas, Stan Jones and Ed McGinnis.

Third, Reg Mitchell and Co.; 4th Geo Webb Jr.

Sixty-four rinks actually competed with 24 of these being local and forty visiting quartets.

A smorgasbord was served on Tuesday evening with the Ladies' Curling club catering, and all curlers, guests.

Draws went off very smoothly, the ice was excellent, the best it had been all year and the drip from the roof, experienced in former years had been overcome in a large-scale 'defrosting' job by the use of heaters, the previous week end.

A special prize for the first 8-ender of the bonspiel went to Skip Glen Gibbons and his rink.

The duties of drawmaster were ably carried out by Loyal Amos, Lorne Pockett and Elmer Stewart. President of the club Warren Rosequist was very much on the job to see that everyone was satisfied and enjoying themselves and to present the prizes.

Election Day In Vermilion River Sat., March 15th

Election day in two divisions of Vermilion River M. D. is on Saturday March 15th. In Division 2 sitting councillor James Wallington is being opposed by Donald F. Wilson of Vermilion.

In Division 4 no less than four candidates are in the race with present member R. D. Heath of McLaughlin, J. W. Gordon of Paradise Valley, John Serediak of Lloydminster, and Allan F. Weeks of McLaughlin all being nominated.

Can You Top This? 11-lb. Baby Boy

MANNVILLE — Mannville is producing bigger and better boy babies, as is proven by a recent report. On the morning of March 3, Mr. and Mrs. Bruce Cunningham became the proud parents of an eleven pound and one ounce baby boy, an unusual birth weight. Mr. and Mrs. Mac Smith, on February 19 welcomed a nine pound eight ounce boy into their family, which was thought to be a heavy baby.

Doctor Hasinoff claims the young man should be big enough to start school upon leaving hospital.

COF Ham Shoot Sat., March 29

The Canadian Order of Foresters are arranging for an Easter Ham shoot to be held in the armouries on Saturday, Mar. 29th commencing at 1 p.m. and continuing until the hams are all won.

A new departure in shooting is planned by using both the bulls-eye targets and bingo targets. The bingo target gives everyone a chance regardless of marksmanship as the highest total score wins. Contestants have the choice of what target competition they enter.

Rifles will be supplied, or bring your own, no scopes. Watch the Standard for advertising. Proceeds will go for community projects.

Conservative Candidate To Speak Here

Mr. Clifford Smallwood, Conservative candidate for Battle River - Camrose constituency in the forthcoming federal election, will speak to the electors of this district at a meeting to be held at Vermilion in the near future.

It is being arranged to have a prominent speaker of the Conservative party address the meeting and this promises to be one of the largest and most interesting political meetings held here by this party for some time.

Volunteer Canvassers To Collect For Red Cross — Give Generously

The Vermilion Branch of the Canadian Red Cross will conduct its annual canvass during the month of March.

Mrs. C. T. Herkbert, Mrs W F. Stewart and Mrs. L. Eldem are in charge of the committees which will canvass the residential sections of the Town of Vermilion.

It is expected that the canvassers will call at your home some time on Monday or Tuesday, March 17th or 18th.

Please invite the canvasser in to your home and arrange to make your contribution.

The financial support you give to the Canadian Red Cross Society carries on the traditional services of an organization dedicated to help people. Through your contribution you are also sharing in the day to day activities of the Canadian Red Cross for people in other lands who look to us for help and hope.

Full income tax deductions can be made on all donations.

Whenever and wherever there is a call for help the Canadian Red Cross must be ready to answer that call. A strong Red Cross must be maintained to meet the obligations of suffering people whether they are across the street, across the nation, or across the world. People of all colors, creeds and political opinions share in the many acts of mercy made possible through your generosity.

The Red Cross extends a Helping Hand everywhere.

Every 15 minutes someone in Alberta needs a blood transfusion. Every 15 minutes YOU are there to give it through your Red Cross.

Because YOU ARE THERE in the classroom with Junior Red Cross, children around the world are learning how to be healthy, helpful and humanitarian.

A fevered brow is soothed . . . a smile brightens a veteran's face because YOU ARE THERE through your support of Red Cross.

Hundreds of homeless refugees and floundering victims of disaster are not alone in their plight because YOU ARE THERE with Red Cross to give comfort and hope.

A young life is saved from drowning because YOU taught him how to swim with your contribution to Red Cross.

Foresters Will Sponsor Pony League Team

At the last regular meeting of the local court of the Canadian Order of Foresters it was decided to sponsor a team in the Pony League.

Bert Moore was selected as coach and he chose Wally Polinsky as his assistant. Uniforms and equipment are to be ordered immediately so that all will be in readiness for spring training.

In order to help finance the project, tickets are now being sold by members on a draw for a man's or lady's wardrobe, or, if the winner desires, a cash award of $150.00. Tickets are just 50 cents so help the boys to 'Play Ball' and also help yourself to a chance on the big prize.

It is hoped that the draw will be made the end of March, dependent of course on ticket sales. Winner of the prize will be announced in "The Standard".

Local Art Exhibit Monday, Tuesday

Prof. Wolfarth of the University of Alberta will be in attendance to discuss the art.

Everybody is cordially invited to come and see the progress of the club. Tea will be served Tuesday evening.

New School for Nurses' Aides in Edmonton

Twenty-seven women from points in Alberta, Saskatchewan and British Columbia are enrolled in the first 40-week course at the new school for nurses' aides in Edmonton. New classes will commence every five weeks as part of the Department of Public Health's expanded program of providing qualified staff to Alberta hospitals. Cost of training is borne by the provincial government. A course in "Mother and Child Care" is among eleven being taught. In the above picture Mrs. M. Watson, R.N., one of the school's instructresses, demonstrates techniques to be applied in bathing a baby. Looking on, left to right, are Olga Pylypiw, Fort Vermilion; Norma Lake, Lloydminster, and Rose Wasylishin, Vermilion.

200 Attend Annual Meeting Of M.D. Vermilion River

About 200 ratepayers attended the annual meeting of ratepayers held in the spacious Kitscoty school auditorium on Saturday, Feb. 15th which was under the able chairmanship of W. Lloyd Brown.

The Reeve Mr. J. H. Kelly, reported that 1957 could be rated as a very satisfactory year from the municipal viewpoint as tax collections were very good, which is gratifying in view of the difficulties with which farmers are faced at the present time. Below average snowfall allowed clearing of roads to be kept at a minimum thus enabling the municipality to complete a very large public works program.

The secretary treasurer presented and discussed the financial statement and was pleased to report that the year ended with a surplus of revenue over expenditure. A very thorough report of the Agricultural Service Board was presented by Field Supervisor A. Hosack.

The views of the ratepayers were sought over the question of adopting the County system of local government but as the ratepayers present were of the opinion that this matter should receive further study and discussion, a motion was passed requesting the municipal district to call a special meeting, and advertise it as such, to discuss the County System of government, the meeting to be held before the Alberta Municipal Districts convention in 1958.

As the council had recently received representation from the Vermilion Rotary club dealing with the support of a senior citizen's home to be built at Vermilion, the ratepayers' views on this question were sought. It was decided that this matter should be tabled for one year and that the M.D. [illegible] a survey of the need for such a home.

A [illegible] the M.D.'s social welfare problems and methods of handling same.

Some dissatisfaction was voiced over the present system of financing education whereas it was felt that the farmer was more than paying his share in comparison to the wage-earner which prompted the following motion: "That we instruct the Council to urge the Provincial Government, in consultation with representatives of the Alberta Association of Municipal Districts, to consider an entirely new system of taxation for educational purposes with a view to a more fair distribution of the load."

Junior High School Activities

A skating party put on by Gr. Sevens will be held on March 7th. After the skating which will surely be enjoyed, lunch will be served at the school.

On Feb. 20th all Grade 9 students witnessed the opening of the legislature on TV. On behalf of the Junior High school I would like to thank all those people who opened their homes to these students, namely Mrs. Caron, Mrs. Curry, Mrs. Jans, Mrs. Wheating, Mrs. Kehoe, Mrs. Upshall and Mrs. Kaslerdin.

SPORTS

On Feb. 18th a trip was made to Mannville by the girls and boys basketball 'A' teams. The drivers who took these players to Mannville are Miss Barr, Mrs. Bell, Mr. Perkins, Mr. Ackerman, Mr. Serayne.

Wainwright teams played return games on Feb. 25 against both Junior High teams, Wainwright winning by scores of 12 to 16 in the girls' game and 28 to 17 in the boys'.

The Mannville games on Feb. 26th resulted in two victories for the Vermilion Junior High teams with scores of 23-10 for the girls and 27-17 for the boys.

YOU CAN HELP TO STOP TRAFFIC ACCIDENTS

'No amount of technical progress will remove the basic cause of traffic accidents, human carelessness and stupidity', according to a report on the problem in the March issue of Chatelaine.

Public apathy was also blamed for the steadily increasing number of deaths on the city streets and highways of Canada. It was pointed out that 'the murder of one child by a sex maniac brings swift action and demands for action by parents, while the killing of children by cars causes little outcry.' In 20 years in Toronto the report continued, only three children under 11 were murdered. In the same period, 350 children were killed in street accidents in the city. Yet the community stood 'helplessly hoping that something would be done about it.'

According to Chatelaine, there were many things that could be done, in the home and in the community to stop traffic accidents. Unless they were done, the article predicted, 3,800 people would likely die on Canadian roads in 1958.

BEFORE IT'S TOO LATE

Breeding season for beef cattle is still five months away but it's not too soon to give consideration to bull requirements for this summer says W. C. Gordon Livestock Supervisor, Alberta Department of Agriculture. If early action is taken to secure the bulls that will be needed, the cattleman is more likely to find something that will suit him.

There will not be an overabundance of bulls this spring. Latest reports reveal the export of bulls from Alberta was over 300 head and increasing weekly. This is coupled with the situation that breeders made more steers a year ago than they normally have been doing. Judging by the activity in bull trade during January, those who wait until the last possible moment may have difficulty finding what they want, especially if export continues at the present rate.

Mr. Gordon adds that despite the high market price being offered for bulls, farmers would be well advised to hang on to their older still serviceable bulls until they have obtained younger replacements.

'APPEAL FOR HUMANITY'

It has been said that the work of the Red Cross is 'people helping people.'

Through its long history of doing good the Red Cross has never been concerned about a lack of volunteers. Here in Alberta more than 165,000 serve the Red Cross in one capacity or another. They range from our youngsters who participate in Junior Red Cross activities, to hundreds of women in the twilight of life who willingly knit and sew long hours for the Women's Work Committee. There are thousands who are regular blood donors of the Canadian Red Cross.

The people who volunteer their time talent and energy for the Red Cross come from all walks of life, have varied religious beliefs, and political opinions. They are of many colors and many nationalities. In turn, the work they do is done in the traditional manner of the Red Cross and benefits mankind regardless of color, creed or political belief.

Those of us who are unable to actively participate in the Red Cross do have an opportunity to share. We are able to do so through our dollars'. Our generosity this March will keep the Red Cross ready to give help whenever it is needed.

A WEALTHY PEOPLE

Millions of Canadian dollars will leave this country this year in two groups of transactions noted only briefly in the national balance of payments accounts says The Financial Post.

They are:

1. Migrant funds. Persons leaving Canada will take with them more money than will be brought in by newcomers.

2. Remittances. Our well-off residents will send more money to friends and relatives in other countries than will be received.

The reason: We are a relatively wealthy people.

This net outflow is not surprising to the financial experts and statisticians.

They have watched with some degree of national pride and unconcern both the shift in direction of migrants' funds since it began several years ago and the substantial post-war growth in outgoing remittances.

Canada has no foreign exchange control and places none. You can send as much money out of the country as you like.

Winter Forage Is Low in Vitamins

Sunshine and green vegetation are the richest natural sources of vitamins for animals particularly vitamins A and D. During the winter months warns the Canadian Medical Association, cattle should be closely watched for signs of vitamin deficiencies.

Night blindness may be [illegible] in some severe cases and economic losses may become heavy especially in younger animals, as the deficiency persists.

'I Got The Spotlight'

Skillful, Industrious Farm Families Will Again Be Rewarded

Master Farm Family awards will be continued this year announces Hon. L. C. Halmrast, Alberta's Minister of Agriculture.

Up to five awards are annually presented- one in each of the soil zones in Alberta. Every winning family receives one thousand dollars cash, a bronze plaque and a gate plate giving name in white raised letters on a green background. Farm families win these awards on merit and should they fail to reach the standards set, no award will be made.

Nominations for Master Farm Family Award must be made on the form provided by District Agriculturists, signed by at least three neighbors, accepted by the nominee and filed with the District Agriculturist first, says F. H. Newcombe, Extension Director, Alberta Department of Agriculture.

Master Farm Family Awards honor farm families who have achieved notable success in farming, homemaking and citizenship. These awards also draw attention to the advantages, wholesomeness and dignity of rural life and set before the rising generation the higher ideals of agriculture and the opportunities in rural citizenship.

PARADISE VALLEY NEWS

We are glad to see Mrs. Clifford Fredrickson and Mrs. Robert Bleakely home from the Lloydminster hospital where they underwent treatment.

We are sorry to hear that Mr George Dodd is a patient in the Lloydminster hospital where he underwent a serious operation.

We welcome a young citizen to our town in the person of Randy Neil who will make his home with Mr and Mrs. Virgil Phillipps.

The World Day of Prayer was held in the Church of God on Friday, February 21st with a fair crowd. Mrs D Fulgham led the service with Mrs C Ball assisting. Mrs. O Fulgham read the New Testament Scripture lesson and Mrs. W Gunn the one from the Old Testament. Prayers were read by Mrs F Sizett, Mrs G Gey, Mrs F Berlett, Mrs. J Gordon, Mrs L Knutson and Mrs. C Bleakley. Rev G Giffen gave the address, which was based on the importance of Prayer. Mrs H Johnson closed the service with the benediction. A very delicious lunch was served by the ladies of the Church of God and ladies of all Churches joined in an hour of fellowship.

The film 'Martin Luther' shown at the United Church on Sunday evening, Feb. 23 was much appreciated by quite a large audience. This was a very fine picture and it was unfortunate that more young people did not take advantage of this opportunity to see and learn how the protestant church was first started. Thanks to Mr D. Clark for so capably running the projector for this show.

The Paradise Valley Ladies Bonspiel came off successfully with four local ladies rinks one high school and eight visiting rinks. The men very capably served the lunches at the lunch counter and Mr. G. Venner and Mr D. B. Baxter looked after the draw. Thanks to all who helped with the ice, brought pies, cakes, etc. or in any way helped. Congratulations to all the local ladies in getting into the prizes. Mrs. Hoskins succeeded in leading her rink to the final in the Grand Challenge. The rink consisted of Mrs. Hoskins, Mrs. B. Baxter, Mrs. C. Bleakley, Mrs. R. Embury. Second went to Mrs. G. Elliott, McLaughlin, third to Mrs. T. Rayson Paradise Valley, fourth, Mrs G. Davidson Paradise Valley. In the second event, 1st went to Mrs. Sand, Lloydminster, 2nd to Mrs. L. Welin, River course, 3rd went to Mrs. Johnson, Lloydminster, fourth, Mrs. Zabados, Edgerton. First six ender, Mrs. Welin. Hard luck, Mrs. Parsons, McLaughlin.

Social Evening By Tulliby Lake 4H

TULLIBY LAKE. — The Tulliby Lake 4-H Calf club sponsored a social evening in the Central school on Feb. 21st. The entertainment for the evening consisted of the showing of several educational films, bingo and dart throwing.

One film, "The Most of a Miracle" displayed the wondrous production of plant life; another film, "Food for Millions" showed by what means all the needed food was produced for earth's teeming inhabitants. The last film on the program depicted the various activities at the Provincial Schools of Agriculture at Vermilion and Olds.

In the bingo Mrs. Alvin Rund and Juvenile Behrens were both lucky enough to walk off with two prizes, Mrs. Rund a pair of wool socks and a box of chocolates, and Juvenile a pair of dress socks and a three division candy dish. Dart throwing candy dish. The dart throwing, among other things, proved to be quite a novelty as one lady's dart went completely out of control.

The proceeds amounting to $42 will go towards furthering 4-H activities in the community.

The evening came to a successful conclusion with the serving of lunch by the ladies.

The Tulliby Lake 4-H Calf club wish to take this opportunity to thank all those who made the evening the success that it was.

Nervous Sows Are Farrowing Problem

Nervous sows may present a problem to hog raisers this winter and spring as the farrowing season gets into full swing. The Canadian Veterinary Medical Association says some sows may refuse to accept their pigs. In some cases veterinarians can give special sedatives to the sows to overcome their nervousness. In other cases, it may prove best to remove the pigs from the farrowing pen and keep them away from the sow for 12 to 18 hours, except for occasional nursing periods under close supervision. That may allow the sow to recover naturally from the exertion and tension of farrowing. The Association says there has been a mistaken impression among some that a sow's refusal to accept her pigs was caused by a fever. That isn't true—sows do not develop a fever from normal farrowing. When a sow which has just farrowed presents a problem the decision as to measures to be taken should be left to a veterinarian.

"GREEN ACRES"

SPRAYING WEEDS

This is not a very seasonable subject but I may forget to announce later on that new chemicals can be used to spray weeds in alfalfa and sweet clover fields. MCPB and 24-DB are the weed killers used. The 'B' stands for Butyric.

Another thing to remember is that MCP is much better in killing hemp nettle than 2,4-D.

FARM ACCIDENTS

The use of chemicals in killing insects on crops and gardens is becoming more general every year. Most of these chemicals are very poisonous to humans but the more we handle them the more careless we get. The record shows that the percentage of farm accidents due to chemicals is now 6 percent of the total.

Some weed chemicals are also poisonous. This is not so with 2,4-D. In fact you could drink a half a cup of it without harmful effects, although I would not advise it.

FORAGE SEED

Why not seed down some of that old land to grass this year? The price of grass and alfalfa is only about half what it was last year for the seed. Also, you can turn in up to 600 bushels of grain outside the quota to pay for grass seed. There is going to be a shortage of seed, especially brome. The supply of brome seed has run out but it can be bought in the U.S. The price of imported seed will likely be higher.

GROWING ALFALFA

There is no crop that pays off better than alfalfa when grown on a stock farm. It is rich in protein. It improves the soil. It promotes health and thrift when fed to any class of livestock. In this area the best yields are obtained when Alfalfa is grown with brome grass. Get a bulletin from this office entitled 'Hay and Pasture Crops for Alberta.'

T.B. TESTS

Dr Young informed me recently that T.B. testing in M.D. Vermilion River has just about been completed. It is possible that a few farms may have been overlooked so Dr Young asks that everyone should report to him if their cattle have not been tested. It is hoped to get the job done before the Spring break up. Over 63,000 cattle have been tested so far in Vermilion River municipality.

CROSS BREEDING IN PIGS

Many farmers are turning to crossing Landrace and Tamworth boars with Yorkshire sows in order to improve the vigor, thrift and resistance to disease of their pigs. A great deal more health could be obtained by cleaning up a lot of pig pens. Dry beds in pens with no drafts or condensation would help a lot. Then again thrifty pigs can not be expected until worms, mange, lice, erysipelas, bull nose, etc. are eradicated and plenty of vitamins, minerals and protein supplements are fed to keep the pigs healthy.

The troop of thirty-two men and horses of the Royal Canadian Mounted Police musical ride are shown above as they execute one of the many intricate and colorful figures in the ride, which will be a special attraction of the 1958 Edmonton Exhibition, July 14 to 19.

BOWTELL BULLETIN

Congratulations to Charlie Pearman and George Gow for bringing such fine cattle to our district.

The writer was pleased to have Mr. and Mrs. Pearman and son, Barney Powell and Frank Minard, Mr. and Mrs. Clarke and family as visitors this week.

The last card party was held at the home of Mrs. B. Gould. Prizes were won by the following:, Ladies', Mrs. Clarke, Mrs. Gillies and Isabell Repp; gents', Bert Gould, J. Repp and T. Sherwood.

We are pleased to see Logan Gow back in our midst and must congratulate him on being awarded a 20-year master certificate from the National Grain Co.

Mr and Mrs. Tom Sherwood enjoyed a visit Sunday afternoon at the home of Mr. and Mrs. E. Jones, while Beverly, Frances and Lynn skated on the rink.

William Walker while away fishing at Wabamun Lake had the pleasure of a visit with the Tweedy family. They wish to be remembered to their many friends here.

Mrs. D Harrison and Donaray enjoyed a week end trip to Edmonton.

Jim and Isabell Repp visited Wednesday at the home of Mr and Mrs. J. Payne.

At time of writing Mrs. Knutson and Mrs. Robinson are on the sick list.

Hope you enjoyed the apple cake Mr. Whitcher.

Sees New Methods As Force for Good

MONTREAL. — Although the introduction of machines to do the work in offices will be a tremendous force for good, the transition process will be a long and arduous task. This opinion was expressed by A. A. Mackey, the manager of CNR data processing services, in a recent interview.

He said that the factor limiting machines taking over the bulk of office work immediately was administrative, not technological.

But since 1954, considerable progress has been made in mechanizing the CNR's office methods, and the company already had in operation a computer dealing with a 35,000-man payroll.

Students Attend Varsity Weekend

MANNVILLE—Two buses driven by D. Enfield, chaperoned by [illegible] Doherty, and [illegible] Stevenson, chaperoned by Mrs. Enfield, and a carload chaperoned by Principal H. Doherty left Mannville Saturday morning at 7 o'clock a.m. for Edmonton to attend Varsity weekend. Included in the group were seven passengers who were student's union high school pupils from Lloydminster, having been driven to Mannville to catch the bus by Mrs. Dave McCauley. Arriving in the city about 10:30 pupils first registered at the students' union building where each was given a large round tag bearing the name 'guest' on same.

From then on students were free to continue any course interesting to them. Busses were running on schedule to the Varsity where various programmes of interest were carried out. Experiments were watched, others viewed scientific films, and the famous University choir was also on hand to supply top entertainment. Busses provided free rides from building to building wherever the students wished to pursue various classes of interest. Mannville busses were parked at C.N.R. in the parking lot there. At three o'clock students were free to go where they wished. No one got lost and all met at 7:30 at the North side bus station when they left for home. Students are greatly enthused over the trip, which proved to be highly educational to them as being given a free rein each could decide which was the most important class to watch, and leave to attend another on its conclusion. It was apparently a 100 per cent successful trip, much information was gleaned and fun was had shopping, all the essentials were available.

'The Bible Today'

Virtually unknown to the Civilized world a short century ago, the Congo Basin sprawls across the heart of Africa, the earth's second largest continent. Since the Congo contains nearly thirty million people who speak 200 languages, it presents a great challenge to the Bible Societies of the world.

In order to meet the increasing demand for Scriptures, the American Bible Society has announced that it will in future share jointly with the British and Foreign Bible Society the cost of the program of translation and distribution in the Congo Basin.

David Livingstone's first journey into the Congo was made in 1856 and Stanley's a mere 80 years ago. Since then some two million natives have joined the Protestant churches, and 30,000 members are added annually under the leadership of the 2,000 missionaries in the area.

Education and enlightenment are making their marks on the Congo, and the tremendous demand for the Bible is a challenge that the Bible Societies are straining their present resources to meet.

Suggested Readings for Next Week:

SQUARE NOTES From Circle 8

We believe that variety is the spice of square dancing and so do the many visitors who attend every square dance so regularly. The Legion Hall was filled again on March 1st when Frank and Dorothy Dorward travelled all the way from Onoway to call a very lively dance for us. From the applause we know that the crowd enjoyed Frank and Dorothy and they expressed their appreciation repeatedly for being asked to be our guests, saying that they are very busy calling but certainly never have turnouts like that in their district.

Our next dance will be on March 15th and there is a completely different line of entertainment in store for that night. Jimmie Lindsay of Edmonton will be our guest caller. Jimmie is no stranger to many in this area but this year he and wife Mable will assist in conducting a fashion show with a complete line of both women and men's square dance clothes. We understand that a similar show proved very popular in Wetaskiwin. You are assured the usual amount of dancing with this fashion entertainment as an extra feature.

Glancing ahead into the dancing season, Billy Coulter and wife Kay will be with us for our Easter dance on April 5th. Bill will need no introduction to the five squares from our club who recently went to Mannville to hear and like him very much. Johnny Maxwell is still calling to a hall full out at Bowtell every Monday evening and these dances will continue so long as the crowd desires with the purpose being to bring beginner dancers to an intermediate level so that we may all enjoy the variety of callers the Circle Eight has promoted this season.

Landonville Couple Married Here

QUICKSTAD—BUTZ

First United Church, Vermilion, was the scene of a pretty wedding on Saturday, Feb. 8th at 2:00 p.m. when Yvonne Georgia, eldest daughter of Mr. and Mrs. George Butz, exchanged vows with Albert Emery, youngest son of Mr. and Mrs. Anton Quickstad, all of Landonville.

Rev. C. D. MacKay officiated at the ceremony.

The bride, given in marriage by her father, chose a floor-length gown of white nylon and lace over satin. The all lace bodice, buttoned down the front with tiny covered buttons, and featured a wing collar and long sleeves. The full net skirt poised over satin and crinoline, featured a large scalloped lace peplum with satin applique and edging of braid and net. Her fingertip lace-trimmed illusion net veil misted from a bridal cap in pill box style with lace motif, nylon tulle crystal pleating all around and irridescent sequins. The bride's only jewelry was irridescent earrings. She carried a cascade bouquet of American Beauty roses.

The bridesmaid, Miss Margaret Knast of Dewberry, wore a strapless ballerina-length dress of red net over taffeta, with very full skirt and tiny bolero beruffled with red and white net. She wore a white pill box headpiece to match the bride's, white net gloves and irridescent earrings. Her bouquet was of white flowers and fern.

The groom was supported by Mr Joe Marciniw.

Richard Osinchuk and Tom Stockwell were ushers.

For her daughter's wedding Mrs. Butz wore a dress of navy blue taffeta brocade with coral red hat, earrings and corsage of roses.

The groom's mother wore a dress of black crepe, black velvet hat and corsage of American Beauty roses.

Music for the wedding was playe by Mrs. West of Vermilion and during the signing of the register Mrs. Norma Laird of Clandonald sang "Because", accompanied by Mrs West.

Following the ceremony a reception was held at Telegraph school where some 200 guests were entertained at a buffet luncheon. The bride's table, covered with an ecru lace cloth, was centred by a three-tiered pillared wedding cake, baked and decorated by the bride's mother Mrs. Blanche Butz, and the groom's sister Mrs. Elda Etherington. The cake was prettily topped by two lovebirds carrying gold rings, set in an arch of pleated net, flowers and wedding bells.

The toast to the bride was humorously proposed by Mr. Norman Stanley and ably replied to by the groom. Miss Deanna Butz, the bride's sister, sang "Marriage Vows" immediately prior to the toast.

Following the luncheon tables were cleared away and dancing was enjoyed to the music of the Osinchuk boys, Ed Lovell, Chester Botting, Lawrence Sharkey and Leroy Butz.

Later in the evening the bride and groom displayed numerous beautiful gifts received and thanked all for their kindness and good wishes. Midnight lunch was served and dancing resumed.

Mr. and Mrs. Quickstad will be making their home in Vancouver, B.C.

Among wedding guests from more distant points were Miss Helen and Mr. Walter Quickstad of Vancouver, sister and brother of the groom; Mr. Robert Butz, grandfather of the bride; Mr. and Mrs. Leroy Butz, Mr. and Mrs. Bill Taylor and [illegible], Mr. and Mrs. Merle Butz, Mrs. Jim Baillie, Mr. and Mrs. T. F. Bensmiller, Audrey and Beverly, Mr and Mrs T. S. Bensmiller, all of Calgary; Mr and Mrs. Ronald Deford, Mr. Donald Goad, Mr. and Mrs. Willard Sikstrom, Mrs. Richard Goad, Mr. Nick Marciniw, all of Edmonton; Mr. and Mrs. Chester Botting, Bonnie, Shirley and Henry of Cadogan.

Showers Honor Clandonald Bride

On the evening of February 4 Mrs. Lorna Stockwell and Mrs. Norma Laird of Clandonald were co-hostesses at a pre-nuptial shower in honor of Miss Yvonne Butz. Some twenty ladies were present. The gifts were charmingly presented by Mrs Laird with a few well chosen words. Deanna Butz entertained with two songs. After due admiration was given the lovely gifts received, Yvonne thanked all those present for their kindness and good wishes. A delicious lunch was then served.

Mrs. Teresa Smith, Mrs. Kate Polechuk, Mrs Joyce Waltze and Mrs. Isobel Etherington were co-hostesses at a district shower held in honor of Miss Yvonne Butz and Mr Albert Quickstad on the evening of February 6th at Telegraph school. The presentation was made by a lovely little talk by Mrs. Alice Quick, neighbor and life-long friend of the bride-elect. The gifts, pulled in by little Linda Garnier assisted by her brother Maurice, Debbie and Dale Waltze, on a prettily decorated wagon. Following due admiration of the varied array of lovely gifts, which were passed among those present, well delivered thank you speeches were made by both Yvonne and Albert. An invitation was extended to all those present to attend their wedding and reception to be held on Feb. 8th. The ladies then served a delicious lunch, bringing a pleasant evening to a close.

WILDMERE WINKS

Congratulations to Mr and Mrs. Neal Garnett of Rosewood district on the birth of a son on March 1, a little brother for Glenn.

Not a very big attendance at Church Sunday afternoon at Preston central. We were pleased to see Mrs. Wear and Lester, Mr. and Mrs. Lloyd Everett, Lorane and Frances, Mr. and Mrs. George Horton and Sandra. Mr. Scherman and three little boys came along with Rev MacKay. Rev MacKay gave a very interesting sermon. Church again on March 16.

On Sunday Feb. 23, Mr. and Mrs. Holte and Baillie and Mr. and Mrs. Hugh Leighton were supper guests at the home of Mr. and Mrs. W T Garnett.

FAREWELLS FOR MR. AND MRS. JOHN WILSON.

Friday evening saw a nice crowd of friends gather at Rosewood hall for a little party for Mr. and Mrs John Wilson who have left Wildmere to reside in Vermilion. A short dance and a lot of visiting was enjoyed. At supper time [illegible] Smith on behalf of their many friends and neighbors presented Mr and Mrs. Wilson with a beautiful [illegible] lamp and a copper trimmed frying pan. On behalf of the W.I. Mrs. Wallington presented Mrs. Wilson with a W.I. ring. She was one who helped get the W.W.I. organized and is a charter member. She is still a member of the W.W.I. and all hope she will be for a long while yet. Mr and Mrs. Wilson heartily thanked everyone for their kindness and gifts. And they [illegible] enjoyed getting back into their old home grounds saying they will always have a warm spot in their hearts for Wildmere where they lived for so many years. Hope to see you out this way often in the good old summer time John and Irene.

This week is the men's bonspiel and twenty-five rinks are taking part. We will have more about it next week.

Mr and Mrs Ken Shepherd of Vegreville spent Saturday in Wildmere and at the Shepherd home near Vermilion.

Mr. and Mrs. David Hughes and three children of Rosewood were Edmonton visitors over the week end taking in the Waist banquet held in the city Friday evening. Maureen Cruthers accompanied them to the city and visited with her uncle Norman Smith and family while there.

News from Clandonald

Lovers of sport, particularly at this time of the year, hockey, were treated to a thrilling exhibition of that dazzling game last [illegible] when a team composed mainly of Landonville players with a sprinkling of high school lads, put on an exhibition game which was slowed only by the very heavy condition of the ice. Backed by goalies Bill Goad and Ray Etherington, players such as Frank Molineux, Eddie Etherington, Horace Ostnchuk, Dick Dorey, the Brodkin Bros., George and Thomas, Clarence and Harry Goldsmith, the game was a spectacular one, long to be remembered. Also not to be forgotten was the performance of Bill Specht, Clandonald businessman and well known in local baseball circles. We understand that an all-star team plans to visit Vermilion shortly. No doubt the results will be nothing short of explosive.

Leon Roberge suffering from a world war two injury, entered an Edmonton hospital early last week for a routine check-up. The latest reports are that his absence from town will be longer than was first expected. Helping in the store while Leon is away is his father, now residing in Edmonton, but a very familiar figure hereabouts.

Friends of the family were saddened to hear of the passing of Lou Hicks in Vermilion recently at the age of 88 years. It is over 30 years ago that Lou set up the first barber chair in Clandonald, first in the Co-op store and later for some time in Tom Souder's general store. Sympathy is extended to the sorrowing widow and other members of the family.

Neighbors were very deeply shocked last Saturday night when word was received of the tragic death of Harry [illegible] of Hay Lakes, a brother of Mrs. Harry Brake. On the morning of the day he was killed, his mother had left here on her way home after a stay of several weeks with her daughter and family. Harry was quite well known here having visited on several occasions during the past twenty years. As a token of the esteem in which the deceased and family were held, several Clandonald residents were present at the funeral. Included was Mr. Ed Preston in charge of the Anglican parish of Clandonald. Also present from Tofield were Rev. and Mrs. Brian Brown.

Service conducted by Rev. Ek from Camrose, was held in the beautiful Swedish Lutheran church about midway between Hay Lakes and Kingman. Pallbearers at the funeral which was attended by a large number of mourners and friends were the six brothers-in-law. A memorial service for the deceased was held in the St. Mary's Anglican church Clandonald last Sunday.

Phil Taff, manager of the local branch of the Beaver Lumber company store here, left early in the week for Regina to be present at the golden wedding anniversary of his parents. During his absence the store is in charge of Mac Hancock from the Marwayne store.

MARWAYNE

There were six tables for cribbage and five for whist at the Feb. 28 Home and School Card Party. Crib winners, high Mrs. L. Dale, Mr G. Midgley. Low Mrs. I Fleming, Mr J Gardiner. Whist winners — high, Mrs. T Person, Mr A. Ferguson. Low Mrs Holmes, Mr T Person. The next party will be held March 11.

Mr. Lawson Allen, Regional Vice President of Home and School will be guest speaker at the H & S meeting on March 11.

A housewarming was held at the home of Mr and Mrs Rea on Friday Feb 21. Harley was home on holiday at this time. Mrs. Rea left on Saturday morning to attend her parents wedding anniversary celebration and then will go to Mannville to nurse in the hospital for the next two months.

Mrs. J Doull is home from the hospital and feeling much better.

A complete account of the Hobby Fair held last Thursday will be in next week's paper. A few old friends were seen visiting at the Hobby Fair. They were Mr. and Mrs. H. J. Graham, Mr. McLean, Mrs. J. Thompson, Mrs. Kidder and Miss E. McDonnell.

Mrs. A. Smith and children of Mannville were visiting at the home of her parents Mr. and Mrs. H. Hutchinson the past week.

Mr Stuart Beattie son of Mrs. C. Harrington, arrived from Ottawa last Wednesday and will spend the next three months convalescing from his recent illness.

Mr and Mrs. Baumont and family have taken up residence with Mr and Mrs J.R. Quist. Mrs Beaumont was formerly Violet Quist.

Mac Hancock is relieving in the Beaver Lumber Yard and Hardware at Clandonald.

Anyone having news items for the paper please phone 71.

NEWS from KITSCOTY

Mrs. Hilbert Kheun and a friend from Edmonton spent the past week here visiting with Mary's parents, Mr. and Mrs. J. H. Manson. Mrs. [illegible] accompanied the girls back to Edmonton for a few days holiday.

The Rev. R. E. Potter and Mrs. Potter attended the re-union of engineers in the class of 1948 which was held during guest week end at the U. of A.

Congratulations are extended to Mrs. J C. Potter who won the lucky draw for one hundred dollars' worth of groceries at the opening of Bailey's new Tom Boy store in Lloydminster.

Mrs. Charles N Gray was the lucky winner of one gallon of paint in the draw held at the Kitscoty hardware on March 1.

Mr. and Mrs. M. K. McDonald are spending a few days in Edmonton visiting with their son Norman, Mrs. McDonald and the family.

Mrs. Thomas J. Alton came up with a 29 hand while playing cribbage with Mr. Alton last Friday. This is the fourth 29 hand Kitscoty crib players have had this winter but the first one for Mrs. Alton who has been playing the game for many years.

Best wishes for a rapid and complete recovery are extended to Mrs. James Finlin who is a patient in Lloydminster hospital.

Grade 12 students and some from the other grades, accompanied by their principal Mr. C. A. Richardson, attended the Varsity Guest week end in Edmonton. They also took time to visit the parliament in session at the legislative buildings.

Mr. and Mrs C. Hornsby of Edmonton were guests at the home of Mr. and Mrs. E. Joy for a few days last week when Mrs. Hornsby and her rink took part in the ladies' bonspiel here.

Mr and Mrs. M. Christoffersen and Arlene motored to Edmonton on Saturday taking Eleanor to the air base at Namao where she boarded the plane Sunday for Vancouver and Comox.

Sincere sympathy is extended to Mr. and Mrs. Lawrence Watt and family in the sudden passing of Mr Watt's brother Mr. H. Watt of Wildwood, Alberta, who for many years was a resident of the Lavada district.

Don't forget to come to the tea and sale of home cooking in the Tracy Memorial hall on Friday, March 7th. Proceeds in aid of the Polio fund. Sponsored by the Ladies Auxiliary of Canadian Legion, Kitscoty branch.

The Right Rev. W. F. Barfoot, M.A., D.D., Bishop of Edmonton, will visit Vermilion on Sunday March 15th and will administer the Apostolic Rite of Confirmation at the morning service in St. Saviour's church. He will also preach at the evening service.

Word was received this week of the death in Calgary of Chas. [illegible], well known old timer of Vermilion.

V.S.A. STUDENTS ATTEND OLDS S. A.

A very good percentage of V.S.A. first year students decided to complete their course at Olds School of Agriculture after the Vermilion school was closed down. In doing so, they have brought considerable credit to Vermilion as well as to themselves in their achievements. We are told that Vermilion students are taking a leading part in the school activities. Stan Gould and Vic Lowe are particularly prominent in O.S.A. life. In the Christmas exams former Vermilion boys won laurels in taking the three top standings in the second class. Winners were Stan Gould, Vic Lowe and Billie Woodbridge. Among the girls, Gladys Taylor won honors in taking second place. Margaret Brown, '36, is pastry cook; Myrtle Killion is assistant housekeeper; Kae Nonnan is one of the waitresses. Miss Young and Miss Ferby are on the staff; Mr McCurdy is engineer, while Howard Armstrong and H. S. Patrick are on the farm staff.

The Stave Lock Silo Co. plans on erecting houses for the settlers in the Vermilion district at the rate of from 6 to 8 per day. Construction commences this week.

Councillors elected in the recent Grizzly Bear M.D. election were S. E. Parser, A. H. Green and Chas. Friedland.

Jack Morison, Andy Black, Ed Long and Don Montgomery won the Grand Challenge at the Islay bonspiel this week.

The school board has purchased the property formerly known as the west end school and will refit the building into two modern school rooms.

48 YEARS AGO

A staff of men under the provincial public works department are engaged in digging holes and erecting posts for another telephone line in town. The number of subscribers for local phone service now exceeds fifty.

Jim Connon, Harry Bowtell, M. A. Brimacombe, W. B. Cameron and Jas. Kelly were visitors in Edmonton.

Four rinks of Vermilion curlers skipped by Bill Pilkie, A. J. Dimmell, Bill Telford and C. E. Slater defeated Vegreville in a White cup competition. Total score for the four games was 50 to 47.

Teen Club Plans Sale, Mannville

MANNVILLE—Although the Teen Club really 'dig' this square dancing they are proving themselves capable of culinary arts too, as they plan to hold a Bake Sale on March 15, on main street in the office of M. Mercer. Meeting on Friday last we understand a wonderful evening was enjoyed by all present. A toboggan party is on the agenda for next meeting, providing there is enough snow left says leader Nancy Cantford.

Mrs. Anna Meece, 91 Years Young, Shops, Cooks

MANNVILLE. — On the occasion of her 91st birthday Saturday March 1st, Mrs. Anna Meece was at home to her many friends who called on her and offered well wishes. She was the recipient of numerous lovely gifts and cards, each bearing congratulatory messages. Mrs. Meece enjoys good health, does all her own work and cooking and is a well known and loved figure about town, still being very active. A good gardener, Mrs. Meece takes special pride in her flowers as well as raising excellent vegetables, cucumbers being her specialty.

CARD OF THANKS

I would like to take this opportunity to thank Dr. Swart, the matron, nurses and staff of the Islay hospital for their unremitting care and attention to me during my stay there. Thanks also to my friends who visited me and for the "get well" cards, fruit, etc. sent to me. Such kindness and thoughtfulness will not be quickly forgotten. Again, many thanks.

Rink of Lady Curlers In Edmonton 'Spiel

A rink of lady curlers from the Vermilion club is playing in the Edmonton ladies' spiel this week. The quartette is skipped by Mrs. Emma Locke with Mrs. Emilie Payment, Mrs Kae Shattuck and Mrs Ivy Pare.

Michael Ziomek Rink Wins At Elk Point

DERWENT. A rink of young Derwent curlers composed of Michael Ziomek skip, Edward Polowy 3rd, Stanley Ziomek 2nd and Andy Zaharko lead, brought home fourth prize in the second event in the recent farmers bonspiel at Elk Point.

The important fact about the Michael Ziomek rink was that they had never curled before. They lost the first game but got the feel of the ice and went on to win two in a row and then were stopped by the Kreller rink.

Wildmere Winks

A large crowd attended the Gay 90s dance on Thursday evening where a good time was enjoyed by everyone. Mr. J Miller was M.C. and Hauna's orchestra furnished the music. Glad to see Mr and Mrs. Harry Fredericks of Wainwright at the dance. Where were the Mannville members that evening?

Glad to chat with Mrs Haverlew, Mrs P. Larsen and Mrs. Moore on Friday while in Vermilion. Sorry to hear you have been quite ill Mrs Maggs. Hope you are soon better. The same good wish to Mrs. Cleland who has been in hospital.

IN MEMORIAM

In loving memory of
"MOTHER"
who passed away Mar. 7, 1957
"Past her suffering, past her pain
Cease to weep for tears are vain.
She who suffered is at rest.
Gone to Heaven with the blest."
Ever remembered by Edith and Adam.

IN MEMORIAM

In loving memory of
BEATRICE FRASER
who passed away Feb 23, 1957
To hear her voice and see her smile
To sit with her and talk awhile
To be together in the same old way
Would be our dearest wish today
Ever remembered by Angus, Marjorie, Lawrence, Agnes, Clarence, Annie and Family

IN MEMORIAM

In memory of a dear mother,
BEATRICE FRASER
who passed away Feb 23, 1957
We do not need a special day
To bring you to our minds;
The days we do not think of you
Are very hard to find.
They say time heals all sorrow
And helps us to forget;
But time so far has only proved
How much we miss you yet.
God gave us strength to take it
And courage to bear the blow
But what it meant to lose you Mom
No one will ever know.
Ever remembered and sadly missed by Bernice and Edward

CARD OF THANKS

We would like to take this opportunity to first of all say good-bye to our many friends at Vermilion whom we were not able to contact personally before leaving, owing to the rushed move we made. We appreciate everything that was done for all of us and thank you one and all.

If at any time our Vermilion friends find time to pay us a visit in Westlock needless to say you will be very welcome. A visit will be greatly appreciated and you are invited to make our home yours too while here.

Cpl and Mrs. Stan Surby and Family

CARD OF THANKS

The ladies of the Vermilion Curling club wish to take this opportunity to thank all those who so kindly donated pies and worked at the curlers' banquet and at the curling rink lunch counter. Without this support it would be impossible for the Ladies' Club to undertake these two worthwhile projects.

APPRECIATION

The members of the Buffalo Coulee Curling Club would like to express their thanks to all those businesses and persons who contributed to the Men's bonspiel held at the Buffalo Coulee curling rink. Thank you all very much.

CARD OF THANKS

We wish to thank the V.F.D. and all our friends and neighbors who helped us on and since the night of our fire.

Mr. and Mrs. Rand Calvert and boys.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Evans, Dr. King, Dr Hasinoff, the matron and staff at the hospital, the Rev Minchin, and all our friends and neighbors for their kindness during our recent bereavement at the loss of our husband and father.

Mrs L. R. Hicks and Family

ALLANDALE

The Allandale United church will hold a meeting on Monday, March 10th at 8:30 p.m. in the Allandale community centre. All those who have an interest in the church, please attend.

Wildwood East

Mr and Mrs. Curvey and son Morley of Edmonton were week end guests of Mr and Mrs. Ernest Jack recently.

Mrs Sholdice received the sad news of the passing of her uncle, Mr. Herb Watt, a one time resident of this district. The sympathy of the district is extended to all the relatives.

Mrs. Ruth Jack spent a few days at the week end with her daughters in the city.

Mrs. Dorothy Hilts returned from Saskatoon with the good news that her husband would be coming home shortly.

Mr and Mrs Ernie Edgar spent the week end at the Ernest Jack home. Mrs. Elmer Dirksen and daughters have returned home from Lloydminster. Miss Alberta Dryselus enjoyed the week end under the parental roof. Master Duane Shattuck we are glad to report is home again from hospital.

Miss Marion Campbell who has been in Ontario for the past two winters is enjoying a holiday here.

Several from this locality attended the political conventions in Viking.

A number of the young men of Wildwood are interested in hockey this winter.

The card parties in the hall seem to be very well attended this year.

Congratulations are extended to Mr Marshall H. Stone who celebrated his 94th birthday this week.

Mrs. J.K. Hogg went to visit her husband who has been in hospital in Edmonton. We wish Jim a speedy recovery.

APPRECIATION

The ladies of the Wildmere Curling Club would like to gratefully thank the following for their donations to the first annual bonspiel held on Saturday, March 1st: McLaughlin's Self Serve, W. Delainey, Webb & Sons, Rowe & Sons, Hareuthers Ltd., Macleod's Ltd., Stephens Ltd., Nelson-Hill Hardware, Craig's, the Northern Hardware, Vivian's Style Shop; Clendenning's, 5c to $1 Store.

Most people are apt to fall down when it comes to making the best of the worst of it.

CARD OF THANKS

I would like to thank Dr. Evans, his assistant, nurses and staff at the Vermilion hospital for the care and attention I received while a patient there. I would also like to thank my neighbors and friends for the gifts and cards and for coming to visit me. This is all greatly appreciated.

Mrs. B. Klashinsky.

Marwayne F.W.U.A. Discuss Many Projects At Meeting

The regular monthly meeting of the Marwayne F.W.U.A. was held at the home of Bella Ramsay on Monday, Feb. 24th with Dorothy Milne and Lillian Tupper as co-hostesses. There were sixteen members and one visitor present. The meeting opened with the singing of "Let Me Call You Sweetheart" and roll call answered by a "Country I would like to visit".

A beautiful 28 inch doll has been purchased and each member is to make a garment for her. This doll with her wardrobe and a trunk is to be raffled in June. Tickets are now being sold at 25 cents each.

A motion was made that, in view of the idea of the community kitchen being dropped, the offer to contribute $200 toward said kitchen has been withdrawn. Notice of this is to be sent to the O O R P. This motion was made to clear the books.

A donation of $10 was made toward the Legion Polio fund, also $8 which is 25 cents per member to the A.C.W.W. 'Pennies for Friendship Fund'.

The F.W.U.A. decided not to sponsor a Stampede Queen this year but to buy a book of tickets in the usual way.

A letter was read from the Kitscoty W.A. concerning interest in an Old Peoples' home in the M.D. We are interested and would send a representative if a meeting were arranged.

Frances Gray and Mildred Sinclair had cut hospital pyjamas and these were distributed to be sewn.

A motion was made to sponsor the 4-H Sewing club.

At the next meeting there will be an auction sale of remnants received from Eatons and Simpsons-Sears.

Frances Gray continued the convention report, several bulletins were read and discussed, especially the one on Education.

Next meeting will be Monday, March 24th at the home of Mrs. Kay Bacon.

Want Our Fur

World buyers are besieging Canadian fur auctions, reports The Financial Post. The rush for pelts could soon cause a shortage.

The present season, started around December 1, is heading for an all-time record. Sale of Canadian pelts are up 25% from last year. U. S. sales are even stronger.

Two likely explanations: (1), European purchases are heavier than ever before; (2), the growing trend towards using fur trimmings on coats, dresses, suits.

Slides Enjoyed By Mannville People

MANNVILLE — Highly entertaining service at Christ Church Mannville, last Sunday, Mr. E.H. Dunnaghan of Vermilion showed some interesting slides of pictures taken while in Great Britain lately. Most of the scenes viewed included churches and cathedrals visited while on tour of the old country, including of course, the famous St. Paul's Cathedral. These pictures were of special interest to those from the old land, to whom many of the shots were familiar. Mr. McPherson expressed the appreciation of the entire congregation upon conclusion of the slides.

FARM GADGETS

The farm future, predicts The Financial Post, holds: Two-way telephones and cigar lighters on tractors, plywood barns, electrical eyes for farm gates; indicators to keep the plowman on the straight and furrow.

FRAME OF MIND

A position never brought people happiness — it's the disposition that really counts.

A Home Away From Home

If you've never been away from home you'll find the welcome atmosphere at the Schools of Agriculture makes you feel as though you were at home, says J. E. Hawker, Superintendent of the Schools in Alberta. Consideration is given a student in choice of roommate and every effort is made to place compatible students together in a modern, comfortable dormitory.

Varied and excellently prepared meals are served by the students themselves. Tables are attractively linen covered and seat eight students. A seating rotation enables them to become acquainted with each other and to enjoy each other's companionship. Some girls will recall the comfort of having another girl at the table which helped them to overcome their shyness.

Past students will remember participation in exhilarating basketball, hockey or curling, badminton or volleyball; others who were unable to take part in the strenuous physical exercises, the interesting jobs found for them in connection with the sport.

Aside from the social, literary and athletic fields, basic subjects for the boys include Animal Husbandry, Field Husbandry, Farm Mechanics and Farm Management. Sufficient attention is also given to Horticulture, Poultry, Dairying, Economics and Co-operation, public speaking and academic subjects.

The girls' classrooms known as 'labs' consist of excellent kitchens, sewing rooms, laundry rooms and a home nursing room complete with dummy patient. Knowledge for hobby hours is provided through such courses as Horticulture and Handicrafts. Business subjects such as Typing, Bookkeeping and English are also given.

Another term will be over in April, but classes will re-open in October. Girls must be 16 at registration and boys 17 by the end of the year in which they register. Write to any Agricultural school at Olds, Vermilion or Fairview for a prospectus.

HOW CAN I?

By ANNE ASHLEY

Q.: How can I make sandpaper?

A.: Sandpaper can be made by coating stout paper with glue, and then sifting fine sand over its surface before the glue sets. Emery paper can be made in the same way, only that powdered emery is used instead of sand.

Q.: How can I remove brown stains from the steel fittings of the gas range?

A.: By using a rag dipped in vinegar. Then polish in the usual way.

Q.: How can I take proper care of ferns?

A.: A fern should not be moved from place to place, and should not be kept in very strong sunlight. Do not water it every day, but soak it thoroughly every third day.

Q.: How can I prevent wood utensils from cracking?

A.: When drying any wooden utensils, place them where they are not near a fire. Heat will crack them.

Q.: How can I make a good skin softener at home?

A.: A good method for softening and whitening the face, neck and arms is to mix a little raw cornmeal with sour milk and apply regularly.

Q.: How can I treat a rag rug that has been washed, so that it will lie flat on the floor?

A.: Try starching it somewhat heavily. This will make it lie flat, it will keep clean longer and will be much easier to wash next time.

Q.: How can I remove the melted wax from the sides of good candles?

A.: Try dipping the candles in hot water.

Q.: How can I prepare baked bananas, and how are they best served?

A.: After bananas are peeled, place in a buttered dish, season slightly, then sprinkle paprika and butter over the top. Baked bananas are delicious when they are served with pork chops or ham.

Q.: How can I avoid the spattering of hot grease?

A.: Try placing a little salt in the frying pan.

CHATSWORTH CHATTER

The winter is almost over—here it is March — and it has really been wonderful, with the roads open for motor traffic, and very little wind, hence no snow-drifting to speak of.

The Chatsworth F.U.A. met at the home of Mr. and Mrs. J. Farkash, Jr., on Feb. 11 with 12 members present. There was some correspondence re car insurance and discussion of same. It behooves all F.U.A. members especially, to get behind this plan and benefit themselves by the saving effected.

On Wednesday, Feb. 19th the Chatsworth Country club met at the home of Mrs. J. Farkash Jr. with nine ladies present. At this meeting, Mr. Fleming of the Alberta Wheat Pool, kindly attended to show a film "Better Than Kings", which provided a contrast between living and working conditions of grandma's day and the present time, and was very much enjoyed. The president brought before the meeting a copy of a letter from a recent issue of the "Voice of Motordom", the A.M.A. paper, from the governor of the State of Connecticut, which outlined the steps he had taken in a campaign to cut down on the appalling toll of highway accidents in that state and which has proven successful. A resolution was passed endorsing this campaign policy and commending it to the authorities.

The Sick committee reported one member, Mrs. M. Farkash, ill, and flowers had been sent to her. During the meeting word was received that a daughter had been born to Mr. and Mrs. R. Hutchinson at the Vermilion hospital.

Mrs. R. Good was made an honorary member of the club at this meeting. The nickel draw was won by Mrs. Angus Anderson. The Sick committee is Mrs. J. Thompson and Mrs. R. Good; Social, Evelyn Henningsen; Vi Anderson, Gladys Tovell, Mavis Tovell and E. Henningsen make up the lunch committee. The March meeting is to be held at Kay Good's on the 19th. A tasty lunch was served by the hostess assisted by the lunch committee.

Mrs. M. Farkash went to Edmonton on Feb. 23rd where she entered the General hospital for medical care. We wish her a speedy recovery.

A whist party was held at the Chatsworth centre on Feb. 21st under the sponsorship of G. Farkash and Dan Misik with proceeds for the F.U.A. There were ten tables in play, winners being ladies' 1st Evelyn Henningsen, 2, Emily Farkash, consolation, Kay Good; gents' 1st, Harry Good, 2, George Burton, consolation, Steve Jacula. Visitors from the Carleton district were Mr. and Mrs. Wilmer Jaremco. A lunch was served at the close of the evening. The next whist party is to be held Friday, Mar. 7th and everyone is welcome.

On Feb. 28th Chatsworth was well represented at Carleton, when Mr. and Mrs. Ludwig, Mr. and Mrs. D. Misik, Mr. and Mrs. H. Good, Mr. and Mrs. J. Farkash and Mr. and Mrs. H. Henningsen attended a bingo party at that school. An enjoyable evening was spent, H. Good won a bingo prize and a sociable time was enjoyed visiting by all.

The Chatsworth district welcomes a little newcomer at the home of Mr. and Mrs. Art Scoggins, a baby daughter.

The Ottawa R. E. A. annual meeting was held in the Legion hall in Vermilion on Friday, Feb. 21st with a goodly number in attendance.

The menfolk spent an afternoon last week salvaging the boards from the skating rink near the Ottawa school in the hopes that they would be of some use at the community centre.

Visitors at the Henningsen home over the week end were June and George Honey and little son Bobby and Mr. and Mrs. G. Honey Sr.

Congratulations and all best wishes are extended to Mr. and Mrs. R. Good on the occasion of their 53rd wedding anniversary, Sunday, March 9th.

Latest report on Billie Good, cousin of the "Chatterer" who was severely injured in a highway traffic accident on Feb. 14th was that he was making satisfactory progress towards recovery which is good news to relatives and friends in Vermilion and district.

Stellaville and Mannville Districts Mourn Passing Of Esteemed Old Timer

MANNVILLE — Highly esteemed old timer of the Stellaville district, Mrs. Esther Machin passed away suddenly on the morning of February 27 in the local hospital. Born in Rochdale, England, Mrs. Machin was 81 years of age at time of her demise. Coming to Canada in 1912, as Esther Bowen, she met and later married Fred Machin of Stellaville in 1915. Three children, all boys, blessed their union and the happy family remained in the Stellaville district, where Mr. Machin farmed. Mrs. Machin was an ideal settler with a keen sense of humor, a good business woman and a good neighbor. Active in all community affairs, as long as health permitted, she was also an ardent worker for her Church. Until the W.A. of St. Helen's Stellaville was formed, Mrs. Machin attended and was a staunch supporter of Christ Church W.A. for many years at Mannville. Mrs. Machin leaves to mourn her loss her loving husband, three sons, Andrew and Alexander of Mannville and Thomas of Edmonton and four grandchildren. Funeral rites are to be held in Christ Church, Mannville with interment in the Mannville cemetery where her brother is also buried. No flowers by request.

Scout and Cub News

The Vermilion Boy Scouts did more than just a good deed recently. They took over the janitor's job of cleaning the schools while Mr Hicks was attending the funeral of his father.

PRELIMINARY COURSE FOR CUB LEADERS

Mrs. Botterill, Mrs. Reid and Mrs. Christianson, along with some twelve other Cub leaders of the district, attended a training course at Kitscoty on Mar 1.

It was a one-day course dealing with new rules and regulations, new games, etc. for the Cubs.

Mr. Richard Clarke of Red Deer, along with Mr. Wally [illegible] and Mr. George Stone [illegible] Lake were in charge of the course.

BADEN POWELL SERVICE

The boys and girls of the Scouts, Guides, Brownies and Cubs listened very attentively to Rev. Schroeder's message at the Lord Baden Powell service held in the Legion hall on Sunday, March 2nd.

Rev Schroeder gave a very nice service honoring the founder of the Scouts and Guides.

Baden Powell's great love for the woods and his wish that all boys could share this wonderful outdoor life, led him to organize the first scout group. Later he formed the Guides, Brownies and Cubs.

Rev Schroeder used the theme "Thinking Day" and reminded the groups of the laws they had promised to keep.

Canadian Legion Notes

SATURDAY NIGHT SOCIAL

On Saturday of this week another friendly get-together of Legion members and their wives will be held in the club rooms. Ladies auxiliary members and their husbands are welcome also.

Present Medals At H. and S. Meeting

An interesting Home & School meeting was held in the [illegible] High school on Feb. 25th with 42 not present.

Following a brief [illegible] period Mr David presented three high school students with athlete's medals, won at the track meet at Kitscoty last year. The students winning the medals were Miss Lily Jacula, Dale Scott and Herbert Jones. The latter was not present.

The program took the form of illustrations and explanations of audio-visual aids in the classroom. The motion picture was explained by Mr Kindrachuk and demonstrated by Mrs. O Strome. Filmstrips and their advantages were given by Mrs. Ross and demonstrated by Miss Sunby. Mrs Shalka presented radio programs and the use of records in grades 1 and 2. Miss Foulcher demonstrated and explained the tape recorder which is used in high school.

The meeting closed with the singing of 'God Save the Queen'. Lunch was served.

Mr Lynn Hall will speak next month on t"eGtfdeChildhl month on the "Gifted Child".

Islay 4H Club News

A meeting of the Islay 4-H Grain Club was held in the school with 11 members present on Feb. 28. Our President, Ray Kowalski read some information on conducting a business meeting. A discussion followed on the type of grain we should grow this year. It was decided to grow barley again this year with some wishing to grow the new Parkland variety.

It was decided not to make a thematic display this year. Instead, it was decided to send the display we made last year up to the Edmonton Exhibition. It was also decided to have a Platter Party sometime in April.

The next meeting will be held on March 14 in the school. It is hoped that the Assistant D.A., Mr M. Douglas will be able to attend.

The meeting adjourned and everyone enjoyed some skating on the school rink. A delicious lunch was then served. We would like to thank our leader Mr MacLean for the pop which he supplied.

Bob Cats Go Two Games Up In Hockey League Semi-Final

Vermilion's Bob Cats are now two games up in their best of five league semi-final play-off with Kitscoty. The Bob Cats came out on the long end of a 7-1 score at the Vermilion arena Wednesday evening. The third game is scheduled for Kitscoty ice sometime this week end, with a definite date not set at press time.

Ernie Wolters scored the lone Kitscoty goal, with the Vermilion counters being as follow: Waldenberger; Dargatz, Edwards from Link.

Second period — Maggs from French, Edwards.

Third period — Schmidt from Leahy, Coyne from Leahy.

Eddie Mistal refereed.

Owing to lack of newspaper advertising only a small crowd saw the good game.

LINE UPS

Kitscoty— Fisher, Craig, Niven, Gallagher, Potvin, Wolters, Rabel, Sheppard, Maclion, Priest.

Vermilion— Reid, Waldenberger, Link, Dargatz, Jones, Leahy, Edwards, Coyne, Schmidt, Matheson, Gannon, Maggs, Hemmingway, French and Redman.

Tigers Lose Eastern Alberta Semi-Final To Bonnyville

Vermilion Tigers were eliminated from the E.A.H.L. play-offs over the week end losing two games to the Bonnyville Pontiacs 10 to 3 on home ice Saturday Saturday night and 15 to 1 at Bonnyville on Sunday afternoon.

The sharpshooters for the Tigers here were Redford from Dennill and Ewan, Brown from Anderson and again Brown from Anderson.

For the Pontiacs Serbu, McCabe, Sullivan, Belcourt and Sylvestre all scored two goals each.

While the Tigers did not win many games this winter they did put Vermilion back into eastern Alberta hockey which it should be. They demonstrated that a club can compete with town and district players, and that it can be done without going into the red. Patronage was never overly large but it was steady. The club management is to be congratulated for the businesslike way the affairs of the Tigers were conducted. Best of all, the hockey provided a group of young men with a splendid opportunity for healthful recreation. The boys all liked to play hockey, they didn't mind taking it on the chin when it came to scores in games, they never gave up and were always ready for the next encounter. The effort this winter was a laudable one and the results well worth the work and energy expended.

Walter Duncan Speaks To Local Rotary Club

Walter Duncan, Dairy Inspector for this area addressed the Vermilion Rotarians at their Friday luncheon meeting.

Mr. Duncan quoted figures to show that the dairy industry is expanding in Alberta and in this area. He reported that a plant was being built in Alberta to make butter oil. This is only the second plant of its kind to be set up in Canada.

Mr Duncan said that his work consisted of working with creameries, milk plants and cheese factories in an effort to maintain and improve the quality of dairy products. Mr. Duncan's work also includes the inspection of locker plants.

Ernie Buckingham introduced the speaker and Ken Greenwood thanked him for a very informative address.

Guests were Lawrence Coe of Claysmore district introduced by Ken Rowe, Edgar Wood of Edmonton introduced by Ernie Buckingham and Ken Stone of the School of Agriculture staff introduced by Alex Palin.

Secretary, Jim Robson reported that Vermilion Club was now in first place for attendance during the current year with Lacombe a very close second.

President Tom. MacPherson was in the chair. Mr. MacPherson thanked the speaker and welcomed the guests.

To Present Trophies To Most Valuable Hockey Players

Hockey players on the Tiger and Bob Cat hockey teams, adjudged the most valuable to their team during the past season, will receive handsome trophies which are now on display in the show windows at Craig's. Winners will be announced very shortly.

The individual trophy to the Tigers has been donated by Craig Bros. while that to the most valuable Bob Cat has been donated by Albert M. West. Watch for announcement of the winners to be made soon.

Glen Gibbons Wins Elks District 'Spiel

Skipping a rink of Vermilion Elks, Glen Gibbons won the annual district Elks bonspiel played here on Sunday. Sixteen rinks competed and the enjoyable day was wound up with a banquet served in the Elks hall at the conclusion of play. The Royal Purple catered.

Elks Lodges represented were Wainwright with two rinks, Vermilion 6, Lloydminster 2, Irma, Viking, Vegreville, Mundare and Mannville with one each.

Runner-up to the winner Gibbons was Aldous Kent, also of Vermilion Elks.

CLIMBING BABY CARRIAGE

NEWS from ISLAY

The [illegible] and School Association will meet the second Monday, [illegible] 10th at 8 p.m. A [illegible] on a report of Dr. [illegible] research into the educational system of the U.S. — which isn't too different to our own — will be on the [illegible] are not as well educated as 50 years ago" and "What has happened to U.S. schools?" This is a big topic and may [illegible] more than one evening — if the audience is interested. Points of interest too, are brought out by men of science as well as [illegible] trialists.

A ladies' rink consisting of Mrs. B. Tookey, Mrs. Bill Axley, Mrs. W McCaughan and Mrs. Gordon Gould played at the Kitscoty bonspiel. They report a couple of real enjoyable days. They each brought home a lovely box of [illegible] and a set of curling rocks for salt and pepper shakers.

Please remember that the W.A. hopes to pack clothing for [illegible] the end of March, cleaned used clothing as well as new, boys and girls, as well as adults. Who would like to give a towel kit composed of bath towel, face cloth, soap, comb, bobby pins, tooth paste and brush, shampoo? All or any of these articles very thankfully accepted.

The broadcast from the V.S.A. last Friday evening made one wish to be a student there, the [illegible] of a formal and informal [illegible] and the menus were so very appetizing. I would like to have been in the place of the announcer and had the dinners.

Mr and Mrs. Neufeld who have been residing here since last September have gone with their lovely trailer. Mr Neufeld was the superintendent in charge of the building of the new Pool elevator. Next crew to arrive when weather permits will be the painters.

The village has been canvassed for the second time within a few months by magazine peddlers who are trying to pay their way through college (so they say!) and both have said [illegible] came from B.C., their first time in [illegible] and what a [illegible] province it is. These agents are becoming too [illegible]. One can get the same magazines [illegible] their home town agent at the P.O. and be sure [illegible] reaches its destination.

[illegible] town Tuesday: Mrs. [illegible] Buchanan, Miss Hutton both of whom have been kept at home with sick folk for some time; Mrs. Coleman from far south; the [illegible] from the north and [illegible] Barnett who said brother [illegible] was in Ontario and word from him was that the winter hadn't been a bit nice; saw Bill Bell-[illegible], the Becks, Chas. Han-[illegible] Alex Dupuis, Harold Rosewell [illegible] who says the porkers are [illegible] fine, and Ken McLennan [illegible] is home from Victoria where he has been taking an electrical course. He will return to Kitimat after the spring work is done.

A number of Islay Square Dancers travelled 140 miles to Kelsey to get their "Knot Head" buttons. Hal Schacher was the caller and a real good time was enjoyed. The party consisted of Art and Ed Waterfield, Keith and Elaine Sherriff, Helen McKerihan, Bud Armstrong, Vera and Lyle Anson, Dunn Pearce, Allan Cundy, Lila Waterfield, Ken Gunn.

In order to obtain their 'Knot Head' buttons dancers must travel over 100 miles to a dance. Other parties were from Paradise Valley and Mannville.

Horned Larks and Starlings at Islay

Among harbingers of spring reported this week are a pair of horned larks and flocks of starlings observed by Lyle Anson of Islay. A pair of starlings wintered in the barn at the Anson farm.

The two hard luck prizes went to the Wagner and Murphy rinks of Minburn. Prizes were handed out by the committee in the Curling rink after the finals were played and decided.

Judy Sheppard Crowned Queen At Kitscoty Ice Carnival

KITSCOTY. — The annual ice carnival sponsored by Kitscoty High school took place on Friday evening, Feb. 21. It proved to be a very successful affair, so far as number and variety of costumes were concerned. The judges, Mrs. Shortt, A. Batty and L. Carpenter, had a busy two hours deciding on winners in the [illegible] classes. Fairly mild [illegible] helped make the evening more enjoyable. Following the costume judging, the carnival queen procession took over the ice. The queen, Judy Sheppard, was crowned by Mayor Stokes in fitting fashion. She was attended by Princesses Marilyn Owen and Joan Currie. Her standard bearers were Donna Sheppard and Margaret Miles while Jacqueline Gray bore the crown. Mannville Home & School Hears Talk On Safe Driving

MANNVILLE—With Mrs. R. Bing in the chair Thursday evening of last week, Home and School members were introduced to Corporal Alme of the R.C.M.P. who gave a most interesting talk in connection with driving schools and safe driving practice, and showed films to illustrate same, entitled 'Your Permit To Drive' and 'Practice Makes Perfect Drivers'. The A.M.A. have offered to arrange for Driving schools where there are 12 or more interested students 16 years of age or over at a rate of $15.00. With the extra $15.00 subsidy of A.M.A. price for adults the price is therefore $30.00. This would be a 24 hour course, eight hours of lecture and films, with sixteen hours of driving. That is, eight hours of actual driving and the remainder taken up with watching other students drive. The main advantage of course, as pointed out by Cpl. Alme was that many bad habits are passed on by untrained adult drivers, which could be avoided by having young people properly trained. Statistics show 234 people were killed last year in this country, with thousands of people injured and millions of dollars damages sustained. In the above course there are father-son (or daughter) agreements. The Home and School generously agreed to sponsor a school if desired.

The class shield was won by Mrs. Hamilton's room.

Commission Recommends Province-Wide Salary Scale for Teachers

by KEN MASON

EDMONTON—Members of the Legislature last week had a load of political dynamite dumped in their laps—the report of the Blackstock royal commission on teacher salaries.

The commission recommends the creation of a uniform province wide salary scale for teachers, and withdrawl of their right to strike over pay disputes.

A three-man government board would be set up with final and complete jurisdiction over salaries. Its decisions would be binding on teachers and on school trustees.

The big question is whether the government will do anything about it. Education Minister Anders Aalborg made it clear that there will be no legislation to implement the report at this session of the House, 'if at all.'

It appears doubtful at this point if anything will ever be done, because the province's schoolteachers are irrevocably opposed to the idea of a uniform salary scale.

As a matter of fact, although it has never been admitted publicly, the powerful Alberta Teacher's Association would consider calling a province-wide strike if the government decided to implement the findings.

On the other hand, of course, school trustees and [illegible] groups [illegible] the idea. The main argument in favor is that it [illegible] the interminable wrangling over salaries every year between teachers and local school boards.

The commission, headed by G. M. Blackstock, strongly criticizes the Alberta Teacher's Association for its attitude during the commission hearings. The teachers walked out of the hearings and never returned after they tangled with the chairman over whether they should present a brief or merely offer rebuttal of the arguments of other groups.

The 135-page report claims a uniform scale would improve teacher-trustee relations and raise the morale of teachers by creating more certainty in matters of salary.

Under the system recommended by the board, teachers and trustees would negotiate for a month every year, and if they failed to reach agreement the government board would make a decision binding on both parties. This would have the effect of eliminating all possibility of a teachers' strike.

So far, teachers and trustees have had nothing to say about the report, but there will undoubtedly be plenty of behind-the-scenes lobbying, and there may even be a debate in the Legislature before it's finished.

Premier Manning's government survived its first motion of non-confidence of the current session.

The motion was introduced by Liberal Leader J.H. Prowse, as he launched the Throne speech debate.

It was based on what he termed the government's failure to resolve provincial-municipal financing problems, and failure to find suitable use for the money distributed in oil and gas royalty dividends.

The Social Credit majority crushed the Liberal motion on a standing vote of 34 to 16.

The province's 1958-59 budget, calling for increased municipal, school and hospital grants, may be introduced this week. Provincial Treasurer Ted Hinman anticipated delivering the budget address Friday, if the Throne Speech debate ends soon enough.

BIG BUSINESS CONFERENCE!

The "board room" is a street corner, the "client" [illegible] . . . but the business they're talking is BIG business. Here's why: travellers like this [illegible] in one of Alberta's major industries, the tourist business.

Annually, tourists visiting Alberta spend $[illegible] here, buying accommodation, service, transportation, petroleum products, souvenirs, and other merchandise, and—most important—consuming a vast quantity of Alberta-grown farm products.

These are YOUR customers whether or not they're satisfied customers is YOUR business. Your business grows in volume and prosperity if your customers enjoy their visit here, prolong their stay, return again, and recommend Alberta to their friends.

Make the Tourists' Pleasure Your Business!

Here's How:

1. Know your district, its places of interest and places to eat or stay and what activities there are for visitors; know how to get here and there.
2. Know where such additional information as a tourist may need is available.
3. Make friendly conversation with visitors if they are not otherwise engaged.
4. Help visitors overcome any difficulties they may be having.
5. Use uniform courtesy when asked questions by a tourist, or, in any business situation be especially considerate of visitors.

NEWS from ALLANDALE

The weather is grand after our cold spell, the thermometer going to 46 above.

Welcome back, Chatsworth correspondent; we did miss you.

Mrs. Alvin Throndson was one of the curlers in the ladies' bonspiel in Clandonald. Mrs. Taschuk was skip and Mrs. Laird and Mrs. Huxley the other two members of the rink. They won second in the Merchants event.

Feb. 14th: Mr. and Mrs. Idelore Nelson and son Leslie, accompanied by Mr. and Mrs. Connie Kirwin and family motored to Lloydminster. They were supper guests at daughter Helen and Frank's (the Schmidt family) and called at the Johnny Nelson home for the evening.

Mr. and Mrs. Kirwin were called from Dewey, B. C. on the death of the former's father at Clandonald. Our sympathy is extended to the family.

Feb. 16th: Mr and Mrs. Kirwin and family were supper guests at the latter's brother's, the Jimmy Martin home.

Feb. 16th: Mr. and Mrs. Jimmy Armstrong and family had as their guests the latter's parents, Mr. and Mrs. Wm. Krause from Vermilion for their two eldest children's birthdays, Valerie's on the 16th and Bradford's on 18th.

Miss Anna Nelson from Lloydminster spent Tuesday and Wednesday, 18th and 19th, with her parents at the Idelore Nelson home.

Feb. 19th: Mrs. Ruth Butler sons Terry and Rhitt from the city were visitors at her parents, the Wm. Armstrong home. Ruth and boys had been visiting sister Myrtle and Norman Anderson and family at Lloyd. and other relatives near home.

While at the square dance in Clandonald a short time ago it was a great pleasure meeting Mrs. Bob Saville of Marwayne after some 35 years. In the early '20s Mrs. Saville was a nurse in the Islay hospital. It was grand to recall old times of ones we knew then. We hope before too long we'll meet again. It was good to see the square dancers again, if only for a wee while.

Feb. 20th: An enjoyable and interesting afternoon and evening was had at the Idelore Nelson home at a quilting bee when Mrs. Evelyn Throndson, Mrs. Mossy McPhee and Mrs. Omness were present and helped finish a quilt. It was started on Monday. We were grateful to Herb McPhee for taking us on his way to Clandonald and coming for us, bringing Orley along and enjoying euchre and lunch in the evening.

Feb. 21st: One of the whist parties sponsored by the Princess Ann W. I. was held at the Fred Dougan home. Families from Allandale were present and seven tables were played. Prizes: Travelling — Ladies, 1st, Nat Mead and Johnny Feenstra, ladies' 1st, Nat Mead, Mrs. Joy Dolman, 2, Mrs. Nancy Feenstra; men, Joe Parchewsky, R. Feenstra and H. Feenstra. Parties also were at the M. Simonet and Fred West homes. Mrs. Flora Throndson won second at West. The hospitality of Kay and Fred were appreciated very much.

Feb. 22nd: Birthday greetings to Mr. Wm. Armstrong, homesteader and old timer of the district, on his 76th birthday. May you have many more.

Feb. 23rd: Families of Mr. and Mrs. Wm. Armstrong gathered at home to honor their dad on his 76th birthday. Mr. and Mrs. Warren Edwards and family from town, granddaughter Dorothy and George Dimma from Forestburg, Mr. and Mrs. Norman Anderson and family from Lloyd, Mr. and Mrs. Ronnie Porayko and family from Royal Park, Mrs. Thelma Armstrong and family and Mr. and Mrs. Jimmy Armstrong and family.

Mr. Jack Dwyer of Edmonton, son-in-law of the Armstrongs, recently had a serious operation. He is now able to be home and getting on very well.

Feb. 22nd: Misses Sylvia and Donna Sheppard and cousin Miss Judy Sheppard from Kitscoty visited sister Evelyn and Alvin Throndson. Sylvia was home from the city for the week end where she is attending University.

Sunday, the next day, Mr. and Mrs. Alvin Throndson spent the day at the latter's parents, the Sheppard home south of Kitscoty.

Feb. 23rd: Mr. and Mrs. Ackerman from Ferguson Flats arrived at daughter Elsa and Idelore's (the Nelson home) to spend a week visiting.

Feb. [illegible]: Mr. and Mrs. Louis [illegible] accompanied [illegible] Glen and Evelyn to Camrose to spend the day with Aunt Mary and Uncle Wilmer Hanebaum. They had a glimpse of the Miss [illegible] there at the hotel. They were performing in that city the evening before.

Feb. 24th: Mr. and Mrs. Herb McPhee and family are [illegible] the former's sister, Mrs. Bessie Hamilton from Victoria, B. C. with them. Bessie has been visiting [illegible]

Conservatives To Hear Prominent Speaker March 7th

A meeting will be held at the high school auditorium in Lloydminster on Friday, March 7th at 8 p.m. with Mr. J. B. Hamilton, M.P. for North York, Ont., and Parliamentary assistant to the Hon. Geo. Hees, Minister of Transport, as the speaker. The meeting is being held in support of Albert Horner, Progressive-Conservative candidate for the Battlefords, and Clifford Smallwood, the candidate for Battle River Camrose. 33-4x

Communion [illegible] this week.

Our deepest sympathy to Mrs. Harry Brake of Clandonald on the death of her brother recently in an accident.

Feb. 24th: Had our roads opened in the district by our efficient operator Mr. Bill Axley, Islay.

Donations for polio from the district were $21.35. Thanks to those who contributed.

Wedding bells were ringing in Shelton Co., Antrim, Ireland on Jan. 18th for a well known lad around the district, Mr. Denise McCormick and Miss Elizabeth O'Neil. Congratulations and our very best wishes. They were honeymooning in Dublin.

Mr. and Mrs. McCormick Sr. are getting on well on their wonderful holiday, also their nephew John McIntyre. John's brother Joseph will be returning with the folks. We welcome the bride Betty and Joe to our fair Alberta. They plan on sailing home on March 9th and will be visiting relatives in Ontario on their way West.

Feb. 27th: Miss Dorothy Bailey, nurse of the Minburn-Vermilion Health Unit, of Vermilion, was a caller at homes in the district.

The next whist party will be at the Community Centre on March 14. Everybody welcome.

The week end of Feb. 21st Mr. and Mrs. Harold Cooper had as their guests their daughter Joyce and Don MacGillivray and family Lewis, Barbara and Janet from the city.

Feb. 28th: Mr. and Mrs. Jimmy Armstrong, Valerie and Bradford motored to the city to attend the hockey game. Daughter Dawn was with Granny and Grandad Armstrong.

Sorry about the evening of the 28th not going according to schedule through no fault of Mr. and Mrs. Stafford of the Vegreville Canadian Utilities. They are very anxious for us to see their films, perhaps at a later date. We did enjoy seeing so many of the folks out. A full report of the evening will appear in the paper.

Closing Thought: "To know how to grow old is the master work of wisdom, and one of the most difficult chapters in the great art of living."

W. I.

There will be a regular meeting of the Vermilion W.I. at the home of Mrs. Jones Sr. on Mar. 11th at 2 p.m. Ladies, don't forget your 25 cents. 34

ELEPHANT BRAND FERTILIZER RECOMMENDATIONS FOR ALBERTA

what, when and how much?

These are three very important questions to every farmer planning to use a fertilizer — what analysis should he choose . . . when should he apply it . . . and how much per acre should be apply?

Alberta farmers can find the answer to these questions in a new Fertilizer Recommendation Pamphlet, now available from all Elephant Brand Fertilizer agents and sales offices. A BALANCED ROUTINE BUILDS A BALANCED BODY.

PHYSICAL CHECK-UP

Check with your doctor [illegible] a year. [illegible] your [illegible] a year. Some physical defects, which can easily be corrected, cause poor [illegible] and strained muscles.

[illegible]

Follow Canada's food [illegible] for best nutrition. Don't let the snack habit rob your apetite for body-building, energy-producing foods. Pamphlets on nutrition can be obtained free from your local health unit or Provincial health department.

SLEEP

Save eight to ten hours of every twenty-four for sleep. A tired body sags and makes muscles even more tired. Keep dates and parties for week ends.

TOILET HABITS

Regular elimination is basic for good health. Maintain it by eating the right foods, drinking plenty of water, and taking lots of exercise. Don't depend on drugs. Chronic constipation reduces vitality.

UNFAILING CLEANLINESS

A well functioning body must be kept clean. Sweat is a form of body waste and should be washed away often. Brush your teeth immediately after every meal to help prevent decay. Regular hair shampoos, changes of clothing and attention to finger and toe nails pay off in health as well as appearance.

RECREATION

Exercise both mind and body, preferably in fresh air and sunshine. Develop interests in sports, crafts and hobbies. Leisure hours invested in learning something new bring relaxation and enjoyment.

POSTURE HABITS

Muscles grow strong with use. Practise using them properly until correct usage becomes second nature. Poor posture and fatigue come from bad postural habits, such as standing with the weight on one foot, slumping in a chair, etc.

Solve a Crime
BY A.C. GORDON

YOU ARE THE DETECTIVE

You and the frantic-looking, middle-aged farmer, Silas Handley, rush into his house through the front door, down the hall towards the rear of the house, and, turning the key that locks the kitchen door, you enter the kitchen. There Susan Handley's body lies on its back in front of the stove, her head propped up inside the oven. As you pull her body out onto the floor you notice the ugly-looking bruise on her forehead. A quick examination tells you too, that any attempts to revive her will be useless — she has been dead for at least two hours.

"Horrible, horrible!" exclaims the woman's husband from in back of you. "There I was so close at hand. I could have saved her — but I didn't dream she was here in the house taking her life.

"Of course, I knew she had been despondent for some time, but I thought she would snap out of it sooner or later. I was out in the yard this afternoon trimming some of the rosebushes. It suddenly dawned on me that I hadn't seen Susan moving about the house as usual . . . everything was so quiet. As I walked towards the back of the house, I began to suspect that something was wrong . . . because, in spite of the warm day, the kitchen door and the window were tightly closed. I peered in through the window and was horrified to see Susan lying on the floor, her head inside the oven. I smashed the window to let air in, climbed into the kitchen — but I was too late! It was several minutes before I could recover my senses enough to call you."

"Where did you phone me from?" you ask.

"From George Rogers' home just down the road. We don't have a telephone. I shut off the gas, of course, and then climbed back out through the window and ran to Rogers' place. I didn't tell them what happened. I guess they're still wondering what's wrong. I still can't believe that Susan is gone—dead!" And Handley bows his head and shakes it from side to side, mournfully.

"Well," you assure him, "your wife is dead all right. And I think you can tell me more about it than you already have!"

Why are you suspicious of Silas Handley?

SOLUTION

Your suspicions were first aroused because of the key locking the kitchen door from the outside — which Susan Handley obviously could not have locked herself. Handley must have known this was locked from the outside, or he would not have climbed back through the window to run to Rogers' telephone. The bruise on Susan's forehead leads you to suspect she was knocked unconscious and then her head thrust into the oven. It seems to you, also that Handley should have made much more of an effort to revive his wife than he apparently did — such as pulling her head out of and away from the oven.

TULLIBY LAKE

TULLIBY LAKE. — The annual meeting of the electors of the Tulliby Lake school district was held in the Central school on Feb. 28th at 8 p.m.

Chairman D. A. Cooke called the meeting to order. The secretary T. J Carmichael then read all the correspondence received during the past year.

The matter of alleged inadequate school bus service first came up for discussion by the electors. A decision was then approved to send a letter to Cr. Frank Wheat suggesting that certain municipal district roads be improved. This would prevent a lot of the present back-[illegible] by the buses. A [illegible] was made that all the bus routes be inspected once each [illegible]. The advisability of providing bus service for Joe [illegible]'s young boy was deemed [illegible].

Correspondence received from R. Ferris and W. B. Newcomb was then read, advising that the Tulliby Lake school section be offered for sale immediately. The electors decided that all matters pertaining to this proposed sale should be left in the hands of the Department of Lands and Forests.

It was decided that six cords of green wood for the principal's teacherage be purchased from W. B. Newcomb at a cost of $[illegible] per cord.

There were two vacancies on the board to fill. These were created by the moving of Leonard Park out of the district, and the term of Arthur Fortin Jr. having expired. Forbes Parks and Arthur Fortin Jr. were selected to fill these vacancies. The meeting then adjourned.

Thousands of Fish Fight For Survival in Vermilion Park Lake; Lack of Oxygen Causes Concern

One of the most unusual sights he had ever beheld greeted Game Officer George Senz at the Vermilion Park lake this week when he visited the open patch of water in the lake just above the spillway. This spot keeps open the year round. The sight was that of thousands of fish with their heads half out of the water, straining for oxygen from the air which they could not obtain from the water. They were tightly packed together like sardines in a can, as the saying goes. Their determined bid for life set off a battle to save the fish in the lake, and the effort is continuing, engineered by Game Officer Senz.

Vermilion Park lake is famous for its fishing the year round, due to the fact that a large area of water is kept open by the circulation of warm water from the nearby Canadian Utilities' steam electric plant as water from the lake is used for cooling purposes. However this winter the plant has been operating part time only and the patch of open water is much smaller than in previous winters. Residents of Vermilion just walk the short half mile to the lake and catch big jacks and the odd fine perch, any day in the winter or summer.

Commencing about a week ago a phenomenon was observed by Mr. Senz. Fish in unbelievable numbers were congregating in the open water above the spillway in the artificial lake. The open water, a patch triangular in shape containing approximately 9,000 square feet of surface, was teeming with fish, all with heads up, gasping for air.

Apparently the oxygen in the water under the ice of the [illegible] of the shallow water of the lake had become [illegible] and the fish had come downstream seeking water in which they could breathe and were endeavoring to obtain it from the small area of ice free water.

Unobserved [illegible] in the lake were large numbers of suckers of all sizes, many jackfish and a few perch. It was a terrible sight and one which demanded prompt action if the fish in the lake were to survive.

Game Officer Senz sought the co-operation of Canadian Utilities who immediately turned on their big circulating pump which means that 50,000 gallons of water per minute was being circulated through the lake in the immediate vicinity of the congregation of fish. This water became aerated to a certain extent on the way and caused a general movement of the lake which also helps considerably in increasing the life-giving oxygen in the water. The big pump [illegible] of the fire department is [illegible] spending much time at the [illegible] shooting streams of water through the air and back into the lake. The powerful stream was also being used to break away the edges of the ice thus enlarging the open space in the lake. W[illegible] also worked to break away the ice allowing more water surface to come in contact with the air. After two days the oxygen content had risen from a mere one part to as much as four parts. Fish require from two to three parts oxygen in their water to survive.

In the meanwhile fishermen were having a heyday. To begin with the suckers were ladled out by officials by the netful, possibly 3000 being removed to make room and give air to the more desirable finny brethren, the jacks and the perch. This netting of course also caught many jacks and these were returned to the lake. All a fisherman had to do was cast in a line, pull his hook through the water and he was bound to snag a fish, many weighing over ten pounds. The fish would not bite, being interested only in fighting for breath, not in eating, but were packed in so thick that the fish hooks would catch in them anywhere, fins, tail or body.

Word of the fishing spread far and wide until soon fishermen were coming from as far away as 100 miles. A warning was posted restricting the catch to fifteen per day, but, human nature being what it is, it was soon evident that this was being disregarded by devious means by many. 60 anglers were counted at one time on Monday, casting and pulling in fish practically ceaselessly. Game Officer Senz realized that with the fish so packed in the water of the small open space that they faced another peril . . . that of being eliminated entirely by the anglers, as well as by the lack of oxygen in the water. He therefore closed the lake to all fishing, preferring to battle against the lack of oxygen than against the fishermen. Wednesday the battle to save the fish was continuing, water was being circulated, attempts made to open more of the lake — and the eager fishermen were being held off.

If weather remains mild leaving the water open, there is a good chance, according to Mr. Senz, of saving the fish. A [illegible] by Ron Thomas, a fish biologist from the Department of Lands and Mines, revealed that the oxygen content had risen from one to four parts. Mr. Thomas spent two days here in the effort to save the fish.

The suckers taken from the lake were hauled away by the truck load as feed for chickens and pigs. Very few suckers had been noticed in the lake prior to this [illegible] apparently the first to feel the need for oxygen and to gather in large numbers in the open water. Not highly regarded as food, suckers are desirable in any lake as they are a scavenging fish, keep a lake clean, and young suckers provide food and are eaten with relish by the jackfish.

The biggest jack taken from the lake this week was a 14-pounder by Herb Simmonds, while others weighed in around the 12-pound mark. Several 3 and 4 pound perch are reported.

If the fish were left to die it would be necessary to restock the lake. This is expensive and it would be some three years before the good fishing enjoyed for the past few years, would be restored.

The effort to preserve what we have by Game Officer Senz and his helpers is decidedly worthwhile. The results are being watched with great interest with everyone hoping for the survival of the fish.

Poll No. 4 at The Woodvale School

Electors in Div 3 of Vermilion River M.D. is directed to the fact that Poll No. 4 is at the Woodvale school on Saturday, March 15th and not at the Wildwood school as incorrectly advertised last week.

First Robin Reported

Bob Mullen saw a robin on Saturday, March 1st and claimed that the redbreast songster was acting quite normally. It was the first robin reported to the Standard office.

The man who blames others always finds time to praise himself.

Eighteen Teams Enter High School Basketball Championships Fri. and Sat.

This week end will see the 3rd annual competition for the North Eastern Alberta High School basketball championships. Ten teams of boys are entered in the playdowns for the Boake Trophy presently held by Two Hills. Girls will be competing for the Clendenning Trophy won last year by Vermilion High girls. Eight entries are in hand for this play off with the games all being played in the Armouries. Both competitions are double knock out events. All boys games and finals will be run off in V. S. A. gymnasium.

Scheduling of games and referees has been done by V. S. A. who are hosts for the tourney. Six matches will be played Friday evening and the remaining minimum of 25 contests will be decided on Saturday. Play commences at 9 o'clock and continues straight through until 10 p.m. Teams are entered from Holden V. S. A., Vermilion High, Lloydminster, Chauvin, Wainwright, Two Hills, Derwent, Hughenden and Mannville with only the first two centers fielding one contender.

Valuable Players To Receive Trophies

On Monday night at the Sportsmen's banquet two valuable player awards will be made.

The A. M. West trophy will be presented to goaler Jim Reid, adjudged the most valuable player on the Vermilion Juvenile Bob Cats.

The Craig Bros. trophy will go to another goalie, Lorne Songgine who has been selected as the most valuable player of the Vermilion Tigers.

MIXED BONSPIEL STARTS TUESDAY

A wide open mixed bonspiel is due to start on Tuesday with entries going to Warren Rosenquist or Bob Rowe. An entry fee of $1.00 to club members and $2.00 to non-members is being charged. Every rink is assured of two games.

It should be noted that you do not have to be a member of the curling club to enter this 'spiel. Everyone is welcome.

News from The Halls of V. S. A.

The past week has seen almost incredible activity at the Vermilion School of Agriculture and Home Economics. The excitement had hardly subsided after the Parents' Weekend and Play Night last week, when, on Tuesday morning the Agricultural Short Course began. This annual event is sponsored by the Vermilion Agricultural Society and the Department of Agriculture. Although the number of district farmers in attendance on the last day was small, there was an unusually large turnout for the opening day with nearly 300 people in all taking part in the 3 day course. Several speakers, each prominent in his own field of agriculture, were featured. Some of their talks were heard by students at the school.

CAMP WAINWRIGHT INVADE

Thursday night saw the invasion of the school by the army from Camp Wainwright in a double barreled attack. They shot down the high flying V.S.A. hockey team in a spirited encounter ending 3-2 in their favour, but lost the thrill packed basketball game to the home squad. V.S.A. dribbled out a 37-32 victory to even out the evening's play.

SPRING OPEN DANCE

On Friday night the school opened its doors to their alumni for the annual Spring Open Dance. A good crowd was in attendance to renew old friendships and reminisce about the 'good old days' at V.S.A. School spirit has always been strong at V.S.A. and the alumni showed once again that their enthusiasm has not been weakened by the years.

COMPETE IN HOCKEY TOURNEY

The hockey tournament sponsored by the Vermilion Tigers began Saturday morning with games being played in the Arena and on the ice at V.S.A. The college Crew was drawn against a strong aggregation from Irma. After being snowed under in the first period, they rallied to display a good brand of hockey. It was just another case of too little and too late however, and V.S.A. bowed out of the tournament.

PREPARE FOR LITTLE ROYAL

Meanwhile, all week long, the boys of the graduating classes have been devoting all their spare time to the preparation and grooming of their animals for the Little Royal and Achievement Day. An outstanding show is in prospect. The girls too have been working overtime getting ready for the fashion show April 2 promises to be another big day in the calendar of events at V.S.A.

Bishop Clark To Visit Vermilion

The Right Reverend H. H. Clark, D.D., Bishop of Edmonton will visit Vermilion on Sunday, March 16, taking part in all services in St. Saviour's Parish. At 7:30 that evening, he will administer the Apostolic Rite of Confirmation to a class of 20.

Following the Confirmation service, there will be a reception in the Parish Hall for the purpose of meeting and talking with the Bishop and the members of the confirmation class.

Everyone is welcome at the reception.

Juvenile Final To Start Wednesday

The final series for the championship of the Juvenile League is due to start here Wednesday with the Bob Cats meeting the winners of the Mannville-Myrnam semi final. Game time is 8:00 p.m. and this will be a real hockey game. The Bob Cats have yet to defeat the Myrnam boys.

Students to Speak In Public Contest

Britannia Rebekah Lodge No. 48 are sponsoring a student for the United Nations Pilgrimage. Students must prepare and give a ten-minute talk on a chosen subject. The winning student from here enters the zone elimination in Edmonton. The student winning there has a three week expenses paid tour to United Nations in New York.

Five students from Vermilion High are competing in a public speaking contest on April 1st at the Junior High school at 8 p.m. It would be pleasing to have anyone interested attend to hear the students. 35-6

L. R. Brown Funeral Services Saturday

Mr Llewellyn Rubin Brown, well known farmer from the Buffalo Coulee district, passed away on Monday, March 11th at the age of 78 years. The funeral services will be held on Saturday March 15th at 2:30 o'clock in the afternoon at the Gospel hall in Vermilion. Mr. Ray Hutchinson will officiate. Interment will follow in the Vermilion cemetery.

Mr. Brown is survived by his wife, one son Harvey in Wainwright, one daughter Margaret in Vermilion; and one grandchild. There are three brothers, David, Vermilion, Jared, Meanook, Alberta; Arthur, St. Mary's, Ontario, and three sisters, Mrs Hardy Wear, Vermilion; Mrs Eldon Bailey, Lloydminster, and Miss Angeline Brown of St. Mary's, Ont.

Moyers are in charge of the funeral arrangements.

Student Drivers Urged For AMA School Here

An opportunity for student drivers to enroll in an A. M. A. driving school is available to all interested parties in and about Vermilion. The school will be held here sometime this summer, providing that enough applications are received to make it worthwhile. The cost of this course is negligible.

Of particular interest to all drivers under 25 years is the fact that many insurance companies waive the extra premium clause providing the driver has passed the course. This saving in itself is quite a consideration.

More information is available from the president of the 'Road Knights' Earl Pollard. This is an important step towards safer driving so enroll today and ensure the A.M.A. driving school for Vermilion this summer.

Claysmore To Hear Conserv. Candidate

A public meeting will be held at Claysmore school on Tuesday March 18th at 2 p.m. to hear Mr Clifford Smallwood Progressive-Conservative candidate for the Battle River-Camrose constituency. Everybody welcome. 35

Vermilion Couple Wins $1,000 Prize Given by Lloydminster Lions Club

On Tuesday, March 4th at exactly 11:45 p.m. a phone call was put through to Mr. Walter Coulter's residence in Vermilion. The call was made by Lion Sandy Hill and its purpose was to inform the Coulter family that they had been picked as winning an all - expense paid trip to Hawaii, a two-week holiday on this beautiful island in the Pacific.

This phone call climaxed a great evening for the Lloydminster Lions Club which held a carnival and dance at the Legion hall that evening. The winning ticket was drawn by Miss Alice Patzer on the stage of the Legion auditorium.

On the following day Mr Coulter, his wife Doris and their three children Beverley, George and Lannis motored to Lloydminster. They were met by a delegation of Lions. Their decision after great deliberation was that they would accept the money in place of taking the two week trip. Lion President Andy Johnston presented the cheque for one thousand dollars to Mr Coulter. The Lions present then congratulated Mr and Mrs. Coulter and as they bid them goodbye they felt that such a nice family well deserved the pleasant surprise of winning one thousand dollars.

This concluded another Lions Club project, a project in which all Lion members worked hard. The sum of $2000 was realized on this venture which was presented to the Jubilee Home for furnishing the recreation room.

Retiring President McPherson Farewelled by Rotary Club

A special meeting of the Vermilion Rotary Club was called for Thursday evening to bid farewell to the club's president, Tom McPherson and Mrs McPherson who are moving to Red Deer shortly. The meeting took the form of a dinner at St. Saviour's Parish Hall. Members wives were invited.

Jim Robson expressed the regret of everyone present that Mr McPherson was leaving town and that he had to give up his position as president of the Rotary Club before his year was out.

Mr Robson stated that the present good standing of the club was due more to Mr McPherson than anyone else. Mr McPherson had been secretary for two years and president for one year.

On behalf of the Club Mr. Robson presented a gift to the retiring President.

Reg Mitchell presented a past president's pin to Mr McPherson.

Three new members were inducted into the club by President McPherson as his last official duty of his term of office. These new members are Bernie Ackerman, Claude Brennan and Fred Stewart. They were proposed by Dr King, Jim Robson, and Reg Mitchell.

Gerald Stephens led a sing song which was accompanied by Mrs. Boake.

The balance of the evening was spent playing bridge. Prizes were won by Mrs. Maxine King, Gordon Park, Mrs. Grace Stewart and Claude Brennan.

Visiting Rotarians were Archie Miller and Carl Skrogland both of Lloydminster.

Heinsberg Wins 16-Team Hockey Tourney; Over 1200 Attend

A tireless team of hockey players from Heinsberg won the day-long tournament held at the arena and on the V.S.A. rink on Saturday last. Second prize was won by a team of Canadian Utilities employees, third went to Irma and fourth to a Vermilion team called the Bonebusters.

Sixteen teams entered but all games of the ambitious event were run off well on time. Three games were played at the V.S.A. rink which proved a big help in completing the tourney by 11 p.m. It was very well handled throughout and the Vermilion Tigers, the executive and management everyone, seemed to turn in and help with a will. They are deserving of the highest of praise for carrying out the undertaking which had been forgotten for the last few years. As a result of its revival the town was teeming with people all day long and over 1200 were in and out of the arena during the day.

Results of individual games were:

First Round - Bonebusters 2, Clandonald 0; Little's Outlaws 1, Lloyd Worms 0; Bob Cats 4, Dewberry 1; Utilities 2, Kitscoty 1, Heinsberg 4, Lloyd Kinsmen 3. Wainwright def Chauvin, Myrnam 3, Marwayne 2, Irma 9, V.S.A. 2.

Second Round - Bonebusters 3, Outlaws 0. Utilities 4, Bob Cats 0. Heinsberg 4, Wainwright 2. Irma 7, Myrnam 2.

Semi finals - Utilities 5, Bonebusters 1. Heinsberg 2, Irma 1. (overtime)

Final - Heinsberg 11, Utilities 8.

The Heinsberg team thus won the cash prize and while the Northern Hardware trophy was not presented that evening, it is being burnished and shined and will be forwarded to the Heinsberg Community Association who sponsor the dauntless hockey team.

FINAL FULL OF THRILLS

The final game between the Utilities and the Heinsberg team was a thriller from beginning to end. Heinsberg scored the first two goals but at the end of the period the Utilities were out in front 4 to 2. The scoring was reversed in the [illegible] period ended 6 all.

In the third period the reserve manpower of the Heinsberg team began to tell and the boys from the town on the banks of win handily by an 11 to 8 score.

Town Clubs To Intermingle At Bonspiel Sunday

The annual inter-club bonspiel will be played on Sunday with [illegible] rinks from each of 8 organizations in town taking part. The enjoyable event is scheduled to wind up with a buffet luncheon in the rink [illegible] room at 6 p.m.

Each rink plays three games, a system of points has been worked out and the club rinks which [illegible] the greatest number of [illegible] win the handsome trophy [illegible] some [illegible] ago for the annual competition by the Knights of Columbus.

Each club takes a turn at arranging and carrying out the bonspiel. This year the Rotary Club is host organization.

Growing Them Bigger And Bigger!

Last week the Standard reported an 11 pound 1 ounce baby boy born at the Mannville hospital. On Saturday March 8th at the Vermilion hospital a baby son weighing in at 11 pounds, 7 ounces was born to Mr. and Mrs. Rod MacMillan. Mother, son and Daddy Rod all reported as doing fine!

HI-SCHOOL HI-LITES

Well, the second set of exams are over and the High School is back to normal again.

There is a great deal of curling activity at the school these days and they are planning their bonspiel for March 22.

A high school rink went to the Marwayne bonspiel on Saturday March 8, and brought back fourth prize in the grand [illegible] which was a box of chocolates and a pair of sox for the boys, and chocolates and nylons for the girls. The rink consisted of skip, Bryon Calvert, 3rd Lynda Long, 2nd, Ken Graham and lead, Sandra Park.

The high school has been invited to send four rinks to the Kitscoty bonspiel on March 14 and 15.

Basketball isn't entirely out of the picture as the high school A teams have played a number of games. They went to Vegreville on March 8 and although they didn't win any games they gave a good showing of themselves as both games could have gone either way. The girls lost by a score of 15 to 14, and the boys were downed 53 to 51.

With House League Curling nearing an end, the standings are as follows: Carman 37 points; Service 29½ points; Laurier 21½ points.

The Parent-Student Dance was held on February 14 in the form of a Valentine Dance. Everybody seemed to be having a wonderful time and the camera that was being raffled was drawn for. The lucky winner was Joe Nelson.

Yellowhead Pass Route Given Impetus

The Yellowhead Pass Route committee promotion was given impetus at the annual meeting of the Edmonton Motor Courts and Resorts association when the organization declared its intention of promoting the route for tourist travel.

STAR GRADING FOR MOTELS

Tourists crossing the four western provinces will be able to rely on a star grading system for motels this year that will be uniform throughout the west. The new grading sheets are being prepared and ready to be printed and distributed to B.C., Alberta, Saskatchewan and Manitoba. The sheets bear the names of the four provinces at the top and are uniform in every respect. Use of these grading forms will ensure a three star motel in Alberta still being a three-star in Manitoba or either of the remaining provinces. The sheets work on the basis of deduction from a pre-set maximum figure possible for each desirable factor in assessing a motel. When marked the sheet is signed by both the motel owner or manager and the inspector. There are no hidden markings. The rating factors were prepared by the governments of the four provinces in co-operation with the motel operators. It is actually a self policing program with the government footing the bill.

Just to ensure that conformity follows through a metal sign is being prepared and will be issued this year to all graded motels. The sign indicates the grade of the establishment and at the same time presents the travelers with the assurance that the establishment has striven for the best accommodation possible for its prospective guests in keeping with its circumstances.

INCREASING CAMPING FACILITIES

Those catering to the tourist trade will no longer feel any need for apology in discussing Alberta's camping facilities with visiting campers. By the end of June of this year there will be 14 camping sites located in provincial parks and at least 25 up-to-date picnic locations along the main highways. These will be equipped with shelters, tables, stoves, wells, fireplaces and other conveniences. A plan for additional expansion is being considered for the following year.

Try to remember that it is about as easy to please everybody as it is for everybody to please you.

LEGISLATIVE BUILDINGS BIG ATTRACTION

A top attraction to tourists in Edmonton last year was the Legislative Buildings where conducted tours are arranged for visitors. Last year 11,713 visitors signed the guest book at the entrance to the building.

Of Many Things . .

By AMBROSE HILLS

IS IT REALLY A BARGAIN?

John is known in his home town as a close man with a dollar, a shrewd buyer, but his banker could tell you that John is not saving as much as some of his free-spending neighbors.

There are several reasons.

First — John spends a lot of time hunting for bargains. He never stops to realize that by using this time properly, he could make dollars instead of saving pennies.

Second — John frequently lays out hard cash for transportation in pursuit of bargains, spending dollars to save nickels.

Third — John's hard trading has given him a local reputation. People are not eager to deal with him, either as buyers or sellers, because he's known as a man who always wants to get the best of you. John will never know just how much this reluctance has cost him in money and friendship.

Fourth — Many of John's 'bargains' turn out to be expensive in the long run.

The other day the Canadian Association of Consumers, in a brief to the Tariff Board, indicated that some of the goods being sold cheap to bargain-hunters like John may be very far indeed from being true bargains. They noted, for example, that they'd been informed that some Italian fabrics selling at low prices here are made not from new wool but from second-hand material. Further, they indicated some concern about whether these fabrics are sterile and safe to use.

I've been told that in Prato, Italy alone, close to 200 firms buy or handle rags as part or all of their business, and it has become known as the rag capital of the world. Indeed, such inexpensive waste material is the back-bone of their expanding wool textile industry. Expanding fast, too, because so many people like John are fooled into thinking that a low price automatically means a bargain!

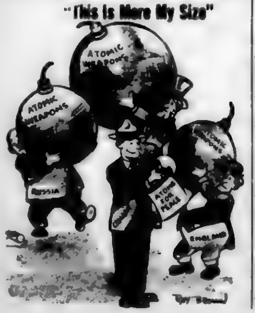
"This Is More My Size"



The Homemaker

EDNA M. CRAIG
District Home Economist
Wainwright, Alta.

At all times, but especially in the busy seasons, we should not waste our energy. Time and motion studies in the Michigan University determined that 75 per cent of a homemakers walking, 75% of her bending and lifting and 60% of her reaching can be avoided, merely by changing methods.

These studies were made at the instigation of the Michigan Heart Association with the idea of helping the homemakers who have heart conditions. For the cardiac housewife the saving of time and energy is a vital necessity and it can be of tremendous benefit to all homemakers, to those with disabilities such as polio, tuberculosis, paraplegia, arthritis and to the normal healthy woman as well.

Most women feel exhausted at the end of the day. They walk up to 500 feet preparing a single meal, stoop down a dozen times, and reach up 40 to 50 times. It may pay you to study your housekeeping methods, to see if and where you can conserve your energy.

Avoid kitchen bending and reaching by placing articles used daily — china, cooking utensils and tools, food and cleaning materials — on shelves no higher than your shoulder level, and no lower than fingertip level when you drop your arm in standing position.

Prevent back or shoulder fatigue by adjusting the working levels where possible to your working level — for a difference of even 15% too high or too low can double the strain. Where possible put platforms under large appliances that are too low (many washing machines, for instance) and remove ornamental bases from those that are too high. Put wooden rack under dishpan if sink is low.

Avoid unnecessary walking by keeping needed materials at the point of actual use, or as near as is possible. Ask yourself — "Why do I store these utensils or groceries in this particular place?" Maybe you have no special reason except that you've always stored them there.

HOUSEHOLD PRODUCTS

A recent development for the laundry is the fabric softener. This product sells locally under the name 'Fleecy'. The product is designed to produce the following results in laundering:

1. Bath towels, shag rugs and deep pile fabrics will fluff much more.
2. Woollens are given a softer, fluffier finish. Pilling and matting is reduced.
3. Clothes are easier to iron.
4. Diapers and other baby clothes are kept soft, and easier to pin.
5. Static electricity is reduced in synthetic fabrics.
6. Garments starched after using a fabric softener are easier to wear.

The Standard does not hold itself responsible for opinions expressed by correspondents

R.R. 1, Clandonald, Alta.

Dear Editor:

This letter is directed to the Councillors of the M. D. of Vermilion River No. 71.

We deeply appreciate the hard work each of you do as councillors. Yours is often a thankless job.

We do not wish to add more to your burden but we would like to know why the MUNICIPAL FINANCIAL STATEMENT was sent out so late with the notice of the annual meeting.

Our copy was postmarked at Kitscoty, Monday, Feb. 10. We received it Saturday, Feb. 15th at about the same hour as the meeting started.

The Clandonald and Dewberry rural mail days are Tuesday and Saturday, no doubt other routes are the same.

Even if we could remember that the meeting is the same time every year, we would still like to have time to read the financial statement first. One question we would like to have asked is "Why is a pound sale reported in the Standard after the sale, and not before?"

Mrs. Opal Cooper.

CARD OF THANKS

Our hearts were greatly warmed by the sympathy of our many friends and neighbors during our sudden and tragic bereavement of our brother and uncle, Carl Harry Sikstrom of Hay Lakes, Alberta. Kindly accept this acknowledgment for every kind gesture and for the many beautiful but silent tributes.

Mr. and Mrs. Harry Brake and family.

Some people have the idea they can sit around and pick out one of the various brands of success.

News from Dewberry

Congratulations to Mr. and Mrs. Oscar Isert nee Lorraine Hyatt who were married in Lloydminster on the 8th.

Leona Mathison and Joyce Parker were down from the U of A to attend the wedding. Both were classmates of the bride and graduated with her in 1957.

Jimmy Jones was home also and played for a dance at Vermilion with the Combo orchestra.

Visitors from Edmonton last week were Mr. Elliott Lively, Mr. Norman Elliott and son, Mrs. Tulloch, May and Shirley.

Patients in the Islay hospital are Mrs. Margaret Parker, Miss M. Whiteside and Mr. Anton Lively. Mr. S. Websdale has returned home and also Mrs. Kopercewicz and yours truly. To all who sent cards etc. many thanks. Thank you to Will and Elsie Porter, Vancouver and Mrs. Conlon in Edmonton whose cards were received this morning. To the Dr., Matron and staff of the hospital I again say thank you very much for the care and attention I received while in the hospital.

Four local ladies took part in the curling in Edmonton, Elsie Jones, Dora Mead, Annil Denall, and Bernice McKnight. No prizes were won but all report a very good time in the city. Can't always be winners ladies.

Death has claimed another well known Dewberry resident, Mrs. R. McDonald Sr. Mr. and Mrs. McDonald retired several years ago and went to Clandonald to live. For the last few years they have resided in Edmonton. Mrs. McDonald died of a heart attack in the city. Services were held in the St. Colomba Church, Clandonald with interment in the Clandonald cemetery. Our sympathy goes out to Mr. McDonald and family who are left to mourn her loss.

The birthday club will hold their March meeting on the 19th at the home of Mrs. M. Bacala. We now have 16 members.

Hello Mrs. McGrath of Tolland. Hope you are keeping better.

"GREEN ACRES"

BRUCE DOES IT AGAIN

A recent report lists Bruce County, Ontario as holding first place for grade 'A' pigs marketed in 1957. This county sold 32,097 grade 'A' pigs which figured out as 60.3 percent. This is a record for some districts in Alberta to shoot at. The Alberta record for 1957 is 29.7 percent grade 'A' pigs.

SEED TREATING

I am quite sure that every bushel of seed put into the ground this spring should be treated. Mercuric dust treatments such as Agrox, Ceresan, Panogen and Leytosan not only kill smut but protect the young seedling from root rot diseases, damping off etc. The three municipal seed cleaning plants can treat seed as well as clean it. Grain augers can be used for treating seed on the farm if you do not have a treating machine. Do not use Formalin.

ERYSIPELAS IN PIGS

This disease is getting rather common around this area. Where pigs are affected some of them may die but most of them remain crippled and slow feeders.

As a preventative the young pigs can be treated with a bacterin injecting 5 c.c. just under the skin at six weeks old. It is also advisable to inject the sows with 10 c.c. of bacterin a few days before the pigs are born. Should pigs old or young contact the disease a serum can be used. It is important to isolate sick animals and use lots of disinfectant around the pig pens.

CATTLE BRANDS

It is poor business to let your cattle go unbranded. Your license to brand runs out every four years. It is illegal for you to use a brand after it has expired. I have application forms to apply for a new brand or to renew an old brand. What you would lose in the loss of one calf would pay for a lot of branding. The fee is only $2.00.

BLACK AND BLUE MEAT

When bruises are found on meat at packing plants they must be cut away and thrown into the fertilizer tanks. Someone has to take the loss and I am sure it is not the packers. Bruises can happen on the farm, in loading and unloading and in the trucks. A lot of the bruises come from horns and when moving cattle around. Slappers and electric prodders are much better than sticks to get cattle to move.

"Christian Fellowship" Theme Of Annual Meeting Of W. A.

Mrs. H. Graham of Lloydminster, President of St. Paul United Presbytery, occupied the chair at the annual meeting held in Vegreville on March 5th. 78 delegates were present. Innisfree and Rife were represented at Presbytery for the first time.

Mrs. C. Gamble of Mannville gave an interesting report of the course she took at the Christian Leadership Training school at Naramata, B.C., and urged that every young person of our Church be given an opportunity to attend Naramata.

An inspiring worship service was given by Mrs. Bruce Bird of Vegreville who spoke of the prominent place Jesus gave women in his ministry on earth and stated that women today must still obey his commandment "Go and tell".

Mrs. W. Carter of Vegreville was guest soloist choosing the delightful selection, "The Garden of Your Heart".

The Lloydminster delegates conducted an in memoriam honoring the memory of former members, Mrs. V. U. Miner and Mrs. John Lee of Lloydminster; Mrs. N. Flesher, Ashmont; Mrs. R. B. Jones, Cold Lake; Mrs. Geo. Hardy, Minburn.

Mrs. T. M. Dyer, Edmonton, past president of Alberta Conference, was guest speaker and her topic was "Christian Fellowship". She said true love is the foundation of fellowship and is found at its best in the Christian family. The world's greatest need is friendship and by doing our part through the 'little things' we can help promote this Christian fellowship throughout the whole world.

Miss Rogers, matron of the new John Neil hospital at Cold Lake gave an interesting report on the hospital and said it would be ready for occupancy this summer. It is rated a 27 bed hospital with space for 9 bassinets.

The following slate of officers was installed by Mrs. T. Dyer:

President — Mrs. H. Graham, Lloydminster
1st Vice — Mrs. A. Stone, Vermilion
2nd Vice — Mrs. H. C. Martin, Cold Lake
3rd Vice — Mrs. W. S. McLean, Lloydminster
Corresp. Sec. — Mrs. N. R. MacKenzie, Lloydminster
Rec. Sec. — Mrs. J. Jennings, Vegreville
Treas. — Mrs. Davidson, Lloydminster
Devotions—Mrs. W. D. Boorse, Ashmont
Visiting & Christian Fellowship — Mrs. H. C. Martin
Christian Citizenship — Mrs. Effie Gunn, Vermilion
Christian Education — Mrs. W. Edwards, Vermilion
Christian Stewardship — Mrs. W. S. McLean, Lloydminster
Life Membership — Mrs. H. Peden, Minburn
Candidate Sponsor — Mrs. H. Cooper, Clandonald
Manse Conv. — Mrs. A. Desmond, Vegreville
Literature — Mrs. T. Davis, Vermilion
Press & Pub. — Mrs. A. Scholton, Vegreville
Leadership Educ. — Mrs. A. Stone, Vermilion

Rev. Gladys Griffin of Edgerton asked the Benediction at the close of the meeting.

Canadian Legion Stages Colorful Ice Carnival At Mannville

MANNVILLE. - Under sponsorship of the Canadian Legion and its Auxiliary a colorful ice carnival was viewed by a good crowd despite weather conditions and other diversions on Friday evening last. Parading the colors were Comrades Malin and M. Smith, as the Vermilion Pipe Band piped and led the Grand March of costumed young enthusiasts, along with Legion officials. Among the skaters in costume were noted Dominos, Robin Hood, Panda Bear, Persian Ghosts, Dutch Girls, Miss Canadas, Clowns, Abbot & Costello Rabbit, Mickey Mouse, Mannville Mirror, Negro Mammy, Indians, Headless Man, and the devil himself. After judging was completed came the crowning of the queen, who was resplendent in royal robes, and her name . Kay Emmott. Attendants and runners-up for the title were Doris Winters and Eleanor Keuschnig. Mayor Williams officiated at the royal ceremony in his usual capable manner, placing the crown ment vane, while the tug-o'-war between the Legion and the World saw the Legion go down in defeat.

Prizes awarded by the judges to costumes were as follows:

Pre-School — Fancy and National: 1st, Marlene Kreller and Roxanna Manz. 2 Bobby Rathje.

12 and under — Fancy and National: 1. Deanna Rudd. 2. Donna Majeau and Pat Thompson. 3, (tie) Phyllis Tmychyshyn and Janet Clark.

on the new queen's head, while gifts were also presented from the Legion and Ladies' Auxiliary. The queen thanked them for the gifts, for the honor conferred on her, and graciously expressed appreciation to her committee and those voting for her.

Prior to the presentation her majesty was escorted around the arena, seated in her royal coach (a glorified cutter) by all the contestants as well as other dignitaries. The Majorettes of Mannville presented a striking display of graceful steps, which pleased the public greatly, then marched behind the queen.

Another colorful exhibition was Mrs. Hubbard's grade two Balloon number. Balloons of numerous colors, were held aloft as they drilled for a most appreciative audience. Mrs. Keating's grade ones came in for their share of applause too, as they went through their Snowman Drill with real little snow people.

Men's broomball was an added feature and provided entertain

12 and under — Comic: 1st Marty Park. 2 (split) Judy Gerhart and Bonnie Proudfoot. 3rd, Merel Smith.

12 and under — Character: 1 Kevin Manz. 2, Geoffrey Holter. 3 Janice Bang.

12 and over — Character: 1st Janet Lattler and Judy Webb.

The Legion and its Auxiliary would like to thank all those helping and patronizing the event in any way. They also invite comments adverse or otherwise, as this is their first venture as far as carnivals are concerned, and suggestions for the improvement of this annual affair would be appreciated.

'The Bible Today'

A gift of $5,186 has been received from an annuity held by the late R. Russell Stroud of Montreal, the British and Foreign Bible Society in Canada has announced.

Some years ago Mr. Stroud invested in the Society's scheme known as donations bearing life interest, through which a generous rate of interest is paid on the investment during the lifetime of the donor and the capital goes into the general fund of the Society at his death.

This donation has increased the fund of the Bible Society at a time when it is faced with a world-wide demand that is taxing its resources.

Suggested readings for next week:

Vermilion River M.D. Has Second Highest Surplus in Alberta

Two municipal districts and their councils were singled out by the Hon. A. J. Hooke, minister of municipal affairs, for special praise during his address to the Alberta legislature on Monday. The M.D. of Camrose had a net surplus of $487,856 with Vermilion River a close second with a net surplus of $408,000.

Tax collections in these municipalities amounted to 98.68% of the levy compared with 99% in 1956.

CLAYSMORE CLIPPINGS

Mr. and Mrs. Chris Emsland and family were Sunday visitors at the H. J. Horne home.

Guests at the Allan Olstad home for the past week were Mrs. Olstad's parents Mr. and Mrs. Mike Karlstrom of Meeting Creek, Alta. Mr. and Mrs. Vic Karlstrom and boys motored up for the week end and took them home.

Several little friends and their mothers helped little Bernice Larcombe celebrate her 5th birthday on Monday, March 5th. Mrs. Larcombe served a delicious lunch to all, topped off with ice cream and birthday cake.

Gordon Van Nest was a hospital patient in Mannville for a few days last week.

Mr. and Mrs. Ernie Larcombe and family were Sunday dinner guests in Minburn with Mrs. Larcombe's parents Mr. and Mrs. George Dearle.

Junior Williamson is now at home after his stay in the General hospital, Edmonton. All wish Junior improved health.

There was a good turn out for the Alberta Wheat Pool show at Claysmore school on Monday, March 10th. Several good films were shown. Mr. Jackson of Irma was present and gave a very interesting talk. Milo Fleming and Art Christianson were also out from Vermilion. Coffee and doughnuts were enjoyed by all after the meeting. Mr. and Mrs. Olstad would like to thank all who helped serve the lunch.

S. C. Group to Meet This Saturday

The Vermilion Social Credit group will hold the regular annual meeting on Saturday evening in the Legion Hall. Besides the transaction of ordinary business, election of officers, etc., the group will hear their Federal candidate James A. Smith speak. Everyone interested is invited to attend.

It's better to be known by your aim in life than by your origin.

ELECTION CARD

Having consented to run for Councillor for Division 2 of Vermilion River Municipal District, I respectfully solicit the support of the electors at the polls on Saturday, March 15th. I have always been intensely interested in municipal affairs, and if elected can promise conscientious attention to the duties involved, with fair administration to all.

Your support on Saturday will be sincerely appreciated.

Education Week Marked At Mannville With Evening Program

MANNVILLE. Wednesday evening of last week was a night to remember, as pupils of the "Then" and "Now" days went all out to give examples of early school days and the changes effected in this age. It was amusing to note the change of styles in dress for instance, which was quite noticeable, many finding it hard to believe that such attire was stylish then. Names such as Annie Allanach, Nellie Thomas, Christina Clark, Fred Proudfoot, Pat Cotter and teacher Miss Lily Morris were vaguely familiar. The hi jinks that went on were purely coincidental, and reflected in no way on the former teaching system. Likewise in the present day classes that were presented, the clowning was for a touch of humor. The names in the present day classes had a familiar ring also such as Lily Finch, Sheila Johnston, Muriel Smith, Angus Smith, Alan Rostron and Alice Bothwell. The main point brought forth was the advancement in studies and the modern aids to study visual and otherwise. Classes were taught from grade two, Mrs. Hubbard (arithmetic class showing methods now adopted) then a spelling lesson was conducted by Mrs. Lagg, grades 4 and 3 where a diphthong was clearly explained, after which a recess was called and play activities were enacted by the 'children.' (Teachers from Principal down who acted their parts very cleverly.) Hop-scotch, jacks, basketball, catch and skipping were all enjoyed. Advancing in years, the class now returned to school to be taught choral speech by Mrs Gamble, which proved most interesting. The pupils become Junior High for Mrs. Park's lesson in Science with aid of a film strip on the subject being taught, which greatly aids learning. Next the classes instructed in the subject of typing by Mr. Rostron, who takes great pains to impart the correct manner of typing and this concluded the classes. Mrs. Morrison was mistress of ceremonies fo rthe evening, capably discharging her duties.

Interesting examples of pupils work were in evidence all around the gym. Grade one had a culmination of pictures. Mrs. Hubbard's grade two room had a spring enterprise diplay, and one of art as did Mrs. Otto's. Clay work and crayon on cloth was the work of Grade 4, Mrs. Hamilton. Notebooks on various subjects, and work of different classes were also on display. Grade three, Mrs. Baldwin, presented an art display recreation around the playground. Another art diplay was viewed also, that of Mrs. Enfield's grades 5 and 6. Under soil formation, Grade 7 displayed a science model (7b). Grade 4 had a display of necklets of South Sea Island type, a mural of the Calgary Stampede, and poster art, advertising the March 17 Shamrock Tea to be held in the gym from 1 30 to 3 30 for Red Cross funds, (teacher, Mrs. Lagg.) Alberta's tourist attractions were displayed by Mrs. Park's Grade 9 class. Typing displays were offered by classes of 10a and 10b, 20 and 30. The Home Economics room had an iced cake on display and some cookies which had been put through a cookie press. Knitting, sewing, flowercraft, table centre decoration, books of etiquet, good grooming and all subjects taught in that room were displayed. The Industrial Arts room also had a most interesting display of woodworking, showing [illegible] welding, drafting and sheetmetal work. The cake from the Home Ec. room was given to Mrs. F. Proudfoot (one of the yesteryear pupils) who held the lucky ticket on it. People present were invited to write names on a pad and the name drawn would win the cake. Mr. C. Gamble auctioned the lunch boxes in the before and after manner depicting changes in that field also, and those remaining enjoyed their lunch.

Life is a succession of trials, but it seems that there are only a few convictions.

Bowtell Bulletin

Congratulations to Mr. and Mrs. Jimmy Millar (nee Marion Pilkie) on the birth of a son recently.

Sheila Duddy spent Monday night with Beverly Sherwood.

Miss O Semkuik went tobogganing Sunday with friends from town.

We are sorry at time of writing to report Mrs. Knutson is in the hospital.

Mr and Mrs. J Semkuik were visitors to Edmonton for a few days recently.

Mr and Mrs. C. Robinson of Hazeldine and family were visitors at the Robinson home on Sunday.

It must be spring folks as Thelma Robinson saw the first crow last week.

Eleven members attended the March meeting of the Loafers Lodge at the home of Mrs. J Harrison. It was decided to have another card party March 21 at the home of Mrs. Caro. The lucky draw was won by Jean Harrison. The next meeting, which is the annual will be held at Mrs. G. Millar's home.

It seems to be that in the scheme of life the ideal husband and wife are two of a kind who never make a pair.

MARWAYNE

Mrs. Blades and Afton of Edmonton came down last week to visit with her parents Mr. and Mrs. Saltsberry and stayed on until Friday to help them move into the little house on Main street.

Mr. and Mrs. 'Doc' Cook and family moved into the house purchased from Mr. G. Perkin and vacated by Mr. and Mrs. Saltsberry.

Congratulations to Mr. and Mrs Joe [illegible] on the birth of a son in Lloydminster hospital.

The Marwayne and Dewberry hockey teams played to a 3-all tie here on Sunday afternoon.

Dick, Mrs. Dudlyke and Mrs. Banks attended the St. David's Day celebration in Edmonton last week and reported a wonderful time singing all the Welsh songs.

Mrs Gardiner has her mother Mrs. Shele of Duhamel visiting with her for a few days.

Lawrence Perks is a patient in Lloydminster hospital. Mrs. Paul Katzmarzyk has just come home from the hospital.

Remember the H. & S. card party in the school Friday, March 14th and the Ladies' Auxiliary bake sale in Mr. Elliot's office on Saturday afternoon Mar. 15.

Mrs. Sonley is home from the hospital. Mr. and Mrs. C. Brown and boys brought her home on Saturday.

The high school held a very successful bonspiel here Saturday. The prizes with the exception of the crests were donated by local merchants. The young folks appeared to have a lot of fun and some real good games.

The O.O.R.P. are having a Variety program in which there will be three one-act plays, on Wednesday, March 19th in the Elks hall.

Mr Ed Vitoychuk is the new Canadian Utilities assistant stationed here. Ed has been attending a Canadian Utilities training school in Vegreville for the past two months.

Mrs. Lloyd Van Camp is a patient in an Edmonton hospital.

Bob Banks is home from Victoria and staying with his mother, Mrs. Banks. Bob has finished his time with the army.

Congratulations go to Mr. and Mrs. Fred Rahn on the birth of a daughter in the Lloydminster hospital.

Annual Hobby Fair At Marwayne Attracts Four Hundred People

MARWAYNE. The 7th annual Hobby Fair sponsored by the United Church W.A. held in the Elks Hall at Marwayne on Thursday, Feb. 27 was another big success.

Over 400 people paid their admission to see the exhibits.

All entries were in the day before to [illegible] the judges were able to start their work early in the morning. The judges were Mrs. Moore, Mrs. Rogers and Mrs. W. S. McLean of Lloydminster and Mr Morley Douglas, assistant D. A. from Vermilion.

There were not as many exhibits but the quality of workmanship improves each year.

The school children's group work was excellent and well planned. There were not as many individual entries here either but all work was well done.

There were interesting displays from. Miss Allanach, Mannville, 'Round the world.' (a coin collection) and many more entries in the show. Mrs. Rea's display of beautiful Christmas decorations was lovely.

Mrs. Dudlyke's display was a varied one. It contained the most beautiful copper tooled picture of the Last Supper, done by B. Dudlyke: a special collection of coins sent direct from the mint at Birmingham where Canadian coins have been made for more than 100 years. These were coins from as far back as 1832. There were also Quebec Bank tokens of a penny and a half penny, a special invitation to Mrs. Dudlyke to attend the B.C. Centenary this summer and a map as a special tribute from this district to Davy Thompson, the map maker.

The Parker family display of their hobby contained ribbons and trophies won and many pictures. A marvelous display of the Eskimo and the work they do from Mr Souder of Edmonton.

There were group displays by the Vegreville Handicraft Guild, Explorers, C.G.I.T. and 4-H Sewing Club.

Other articles and collections that merit special mention for the amount of time and labor on them were, collections of hairpin lace by Mrs. Protsch; a crocheted bedspread by Mrs. Demchuk oil paintings, petit point and needle work done by Jean Leslie, the collection of water and oil paintings by Mrs. D Munroe, Dewberry, the replica of the Lea Park bridge by Jerry Kent and the woodwork done by Mrs. G[illegible] Allen of Alcurve.

[illegible] is the first year there has been such a large display of Basketry. It was entered by Mrs. Marjory Thompson and Mrs. Grace Brown of Edmonton and Mr. J. Humble of the C.N.I.B. Edmonton.

The exhibits were on display from 2 o'clock until 8:30 and the lunch counter was kept busy from 2 o'clock until 11 p.m. as they served many cups of coffee after the evening program.

There was very good attendance at the 'Local Talent Program' in the evening at the Community hall with the Rev Mr. Shortt as chairman. The play, 'The Bachelor's Baby', (a pantomime), musical selections, recitations, a juggling act and songs made up a most enjoyable program.

The ladies of the W.A. wish to thank all those who attended and helped to make the day such a success.

ENGAGEMENT ANNOUNCED

Mrs. Arthur Smith wishes to announce the engagement of her daughter Marjorie Frances, to Mr. Robert Earl Keast, son of Mrs. Herbert Mawhinney of Dewberry. The marriage will take place on Wednesday, April 9th at 2:00 p.m. in the First United Church, Vermilion.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Gordon Dow wish to announce the engagement of their daughter Elizabeth Felicia to Richard Arthur Smyth, son of Mrs. Winnifred E. Smyth and the late R. J. Smyth of Streamstown. The wedding will take place on Saturday, April 5th in St. Saviour's Church at 3:00 p.m. Reception to follow in the church hall.

Friends and neighbors please accept this as your invitation.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Victor Forsellie of Nampa, Alberta, wish to announce the engagement of their daughter, Marie Therese, to Michael Richard, son of Mr. and Mrs. Stanley Dyjur of Clandonald, Alberta. The wedding will take place on April 9th, 1958 at Sacred Heart Church, Calgary, Alberta.

At the annual meeting of the Alberta Division Canadian Red Cross Society held in Calgary recently, Mrs. Art Wiebe of Edmonton and formerly of Vermilion and Dr. A. Wiegerinck of Elk Point were recommended to receive the Badge of Service award. This award is made to members who have given outstanding voluntary Red Cross service and leadership to a branch or division.

Blyth B. Davidson of Drumheller spent a few days in town last week on business in connection with Canadian Utilities Ltd. Blyth renewed many old acquaintances and attended lodge and the Board of Trade luncheon while here.

Miss Dorothy Bailey, who has been a nurse with the Minburn-Vermilion Health Unit here for the past two and a half years, is returning to her home in England. She was due to sail from New York this week. Her many friends were very sorry to see this popular young lady leave Vermilion.

Mr. and Mrs. K.E. Rowe have their daughter Betty Mrs. (Dr.) McJannett and two children Laughlin and Megan from Truro N.S. visiting them. They plan to remain here until May.

Miss Connie Harle, nurse-in-training at the University of Alberta, is spending two weeks vacation at the family home in town, visiting her mother Mrs. Rose Harle and sister Norma. Gerrie Harle and Miss Nichols from Varsity were guests for the week end at the same home.

Henry and Margaret Wilson and Gordon Bell all of Edmonton were visitors at the Clarence Wilson home last week.

Mr. and Mrs. Steve Uniat of Beauvallon were in town on Wednesday visiting at the home of their daughter Mrs. Alex Marian. Steve called at the Standard Office while here for a pleasant chat.

Mrs. George Senz and little daughter Marilyn were Edmonton visitors Tuesday and Wednesday of this week.

Miss Ruth Strocher returned to Edmonton on Monday evening after visiting her mother, Mrs. C.E. Strocher over the week end.

Young people home for the week end from Edmonton during the past week were Stewart Cooper and Gerry Marshall from the University.

Miss Eileen Bauer, daughter of Mr. and Mrs. John Bauer spent the past week end with her parents, coming from Edmonton.

Surprised On 85th Birthday

On Tuesday evening March 11, friends and neighbors gathered at the home of Mr and Mrs. Dollman to surprise George on his birthday. The cake was baked and decorated with 85 candles, by Mrs. M. Simonett. Pictures were taken, whist was played and a very nice evening was reported by all. Those present were Mrs. McCambridge and Leo, Matt and Margaret Conaghan and the girls, Michael and Mary Simonett and family Annie Simonett and the family.

Golfers To Meet March 26th

The annual meeting of the Vermilion Golf club will be held in George's Lower Deck on Wednesday, March 26th, at 8 p.m. The film showing the play for the Seagram's Gold cup will be shown. Watch for further particulars next issue of the Standard. 35x

APPRECIATION

I wish to publicly thank the Boy Scouts for cleaning the high and junior high schools. This was very considerate of them and extremely helpful to me on that occasion.

Clyde Hicks

CARD OF THANKS

I wish to sincerely thank Dr King, Dr Lynn, the matron Miss McPhee, nurses and staff of the Vermilion hospital, for the excellent care and attention I received while a patient there.

Roy Anderson

CARD OF THANKS

The officers and members of the Elks Lodge of Vermilion wish to publicly express their sincere appreciation and admiration to the Vermilion Fire Brigade for the efficient and tireless work on the night of the fire in the Elks hall also to the general public for their assistance that evening. A special word of thanks also to the operators on duty at the Telephone Exchange that night, her fast work in calling the members of the fire brigade was a major factor in bringing the fire under control so quickly. Thanks again to everyone who helped in any way.

Shower Honors Miss Lenore Michael

A very enjoyable evening was spent in the Columbus Hall, Clandonald, when a large number of ladies gathered at a pre-nuptial shower for Miss Lenore Michael.

The floor show put on by a few ladies was very entertaining. Mrs. Michael, looking like Wilf Carter, sang 'Home On The Range.' Mrs. Pat Convey, the tramp, was very generous with her lunch. Madame Toner, the gypsy, very fittingly played her part. Last but not least, was a song by Miss Sarah Martin.

Miss Leona Michael and Fin McCormack then helped the bride-to-be open her gifts. They were then passed around for everyone to see.

Lenore very graciously thanked everyone and invited all present to the wedding. A delicious lunch was then served by the hostesses.

Surprised On Fiftieth Birthday

On March 5th Herman Dargatz was surprised on his 50th birthday by about fifty friends from Vermilion and Mannville. He was the recipient of many nice and very useful gifts. The following poem was composed and presented by Katie Tyler of Mannville.

A Birthday Wish for Herman

'Tis a pleasure to be counted in
As guests at your party.
To reminisce of days gone by
In the past half century!
At the golden age of fifty years
Still spry as you can be,
It's hard for us to realize
You're the grandpappy of three!
So tonight forget the tire shop
Put all your cares away!
We've come here to surprise you
On this your special day!
A happy, happy birthday,
With health and good fortune too,
To last you all your lifetime
That's what we're wishing you!

APPRECIATION

We would like to take this means to thank all our friends and neighbors for the wonderful party and reception given to us on the ocasion of our 40th wedding anniversary at the Greenlawn Hall, for the lovely gifts and for the good wishes received. It was all deeply appreciated.

Mr. and Mrs. Walter B. Jones.

CARD OF THANKS

The Wildmere Curling Club wishes to thank the businessmen of Vermilion for donation of prizes, and to the ladies who catered during the Wildmere Bonspiel.

Vermilion Boys At University Are Good Singers

Vermilion boys attending University are apparently good singers. As members of the Delta fraternity they were in the chorus of 54 voices and won the annual inter-fraternity song fest held recently. The boys from here taking part included Duncan Locke, Gerry Harle, Donald Stewart, Pat and Bob Bentley and Stewart Cooper. The chorus were also guests artists at the Rotary luncheon meeting held in the Macdonald hotel last Thursday. It so happened that Martin Shaika attended the meeting and entertainment, enjoying the singing immensely.

Local Curlers in City

Vermilion is well represented at the Edmonton spiel this week. One quartet is comprised of Ron Payment, Aldous Kent, Gordon Park and George Webb Jr. while Roger Rowe and Darrell Currah are playing with Lou Dobry and Harold McIntyre of Viking. At last reports both rinks had won six games while only losing one.

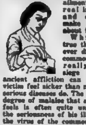
Most Common Cold

Nothing, it seems, is quite so demeaning as the common cold. Even the name of the disease suggests that uncommon people never get it, which of course is nonsense. As for the wheezing, dripping, bone-aching sufferer, the unfeeling spectator dismisses his ailment as of no real importance, and cartoonists make up jokes about it.



While it is true that nobody ever died of the common cold, a really heavy siege of this ancient affliction can make the victim feel sicker than many more serious diseases do. The fact is the degree of malaise that a sick man feels is often quite unrelated to the seriousness of his illness—and the virus of the common cold can produce more malaise per cubic inch in the human body than do many killers.

Luckily, in these days of new, effective drugs, the sufferer from the common cold is not entirely helpless. He can, for instance, clear out his stuffed nose most effectively with Tyzine, a clear solution which can be applied either by dropper or with an atomizer. In one recent test which lasted more than a year, over a thousand patients were treated in this way by a California physician, Dr. Jay G. Roberts. The results, Dr. Roberts reported, were "prompt and prolonged". A single application of the drug gave relief lasting from four to six hours, and produced no unwanted side-effects whatsoever.

Until an effective anti-cold vaccine is developed, sufferers will have to rely on relief of individual symptoms. Fortunately, these are becoming more and more effective as science learns more about cough, sneezing and pain.

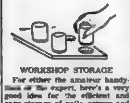
Sings with Radio Choir of University

GREENVILLE, S.C. — Miss Gladys Ellen Wilson, daughter of Mr. and Mrs. Harold Wilson, Vermilion, is a member of the Bob Jones University Radio Choir. A freshman, she is enrolled in the School of Commerce.

The musical program, 'Hymn History,' on which the Bob Jones University Radio Choir appears each week, is broadcast on a network of more than seventy radio stations in the United States and seven foreign countries. The broadcast is produced in the studios of W.M.U.U., the 1,000-watt commercial station owned and operated by Bob Jones University.

Each week the Bob Jones University Radio Choir and soloists, accompanied by organ, piano, and string quartet, [illegible] three hymns especially arranged for the 'Hymn History' program by the music staff of the university. In addition to this broadcast activity, the ensemble often participates in other University musical functions, such as the hour-long sacred and classical concert-recital, 'Vespers,' which is presented on the campus every Sunday afternoon.

Bob Jones University, a co-educational, liberal arts institution, affords its students high academic standards in an atmosphere of Evangelism and culture. Music, speech and art are offered without additional cost above regular academic tuition.



WORKSHOP STORAGE

For either the amateur handyman or the expert, here's a very good idea for the efficient and easy storage of nails, screws and other small parts. Merely secure with nail or screws the tops of screw-lid jars to the underside of your workbench or a shelf. Then turn the jars containing your items [illegible] tops, and the contents will be readily visible and easily accessible.

BOATING POPULAR

Rapidly growing recreational activity is that of boating and many tourist businesses are now taking advantage of the fact. Hon. A. R. Patrick, Minister of Economic Affairs for the Alberta government, told an outboard motor convention that more than 30,000,000 people in North America now spend a portion of their leisure time in boats and that there were 6,300,000 pleasure craft on this continent. The government is doing its best to make available more and more provincial park areas where boating might be enjoyed by Albertans and visitors.

Canadian Junior Red Cross Aids Seventeen Nations

A helping hand to youth in 17 foreign lands was extended last year by Canadian children through their Canadian Junior Red Cross. According to a year-end report released today this assistance for international help and understanding is valued at [illegible].

The funds to support this aid were raised by the Juniors through their various projects and also represents their contribution of pennies, nickels and dimes to their classroom branches.

The Canadian Junior Red Cross has 1,272,070 members enrolled in 30,408 elementary and high schools in every province.

Grants totalling $22,241.38 were given to Junior Red Cross sections in Austria, Yugoslavia, Germany, Ceylon, Korea and Poland to assist various self help projects established by the Canadian Junior Red Cross in those nations.

One of these projects is at Castle Wolfsgarten near Frankfort, Germany. Every year a portion of the estate is turned over to the German Junior Red Cross for three months to provide three-week vacations for crippled and handicapped children. The grant provides for the teaching of occupational therapy to the children. An album showing the work accomplished by the children last summer is now on a tour of Canada.

Another self-help grant is a special adoption project of the high school councils of Brantford, Regina, Toronto, Montreal and St. John's. A grant of $5,000 for Korea purchased microscopes and other laboratory material.

A special project of the Montreal Inter-High School Council was the provision of sewing machines and carpentry tools for youth in Ceylon.

Gift shipments, valued at $34,116.30, were sent to Austria, Ceylon, Cyprus, Ecuador, England, Ethiopia, Gaza, Haiti, Hungary, Korea, Lebanon, North Borneo and South Vietnam. The shipment contained 12,162 health kits, 2,030 miscellaneous health supplies, 21,889 school supplies, 3,118 children's garments, 3,843 baby garments, 230 layettes, 502 afghans and quilts and 4,013 toys. All of these articles were produced and packed by members of the Junior Red Cross.

NEWS from ISLAY

A nice visit was enjoyed from Mr. and Mrs. Caro and Jack on the week end of March 1st. The visitors stayed for dinner.

Also that week we had a call from Syd Gurney, and over a cup of tea recalled some of the early days. First time that I saw Syd was the summer of 1913. I was driving a team of buckskin ponies on the way home from Kokner school and met Syd driving a pair of oxen, he was standing up in the wagon, waving a long whip, trying to get a little more speed out of his team.

Hi, listen — do I hear sleigh bells? Yes, and we saw a team and sleigh, the driver was Emerson Ternoster. That was a good sound, not often heard nowadays and we hope we hear it again.

Mr. and Mrs. John Shaw of Vermilion spent the week end in Islay visiting members of their family, Mrs. Bell and Mrs. Teskey.

We had a surprise call on Sunday noon from Mr. Bob Ganton of Vancouver and his son Donald of Edmonton. They came to visit Mr. Ganton's sister Mrs. McGrath who is in hospital. They had started down to Mr. Jack Wytie's but couldn't get up the big hill known as 'Billie [illegible]'.

Hello Mrs. I. Winters out there in B.C., the Gantons were inquiring for you. Also hello to Mrs. Creasy, or as we knew you better, Mrs. Bob Davies. Glad to see by 'The Standard' that you folk are still there.

Islay church service time will change from 7:30 p.m. to 3 p.m. Easter Sunday.

The United Church W.A. met last Thursday at Mrs. Bill Axley's; though a stormy day there was quite a good attendance. Mrs. Sweet and Miss Anderson gave interesting reports on the W. M. S. Presbyterial they attended at Irma. Miss Anderson has the material for the autograph quilt so be prepared to receive a block. It was decided to hold the usual Easter tea a bit early and will be held March 31 served cafeteria style and begins in the morning, apron sale too. This is election day so we look for you to drop in to the church hall for coffee, tea, doughnuts, a sandwich, pie, etc.

Grade 9 pupils accompanied by Principal Mr. Moncrieff, and Mr. Tom Sherwood and Mr. Paddy McGuigan as two drivers went to the city where they visited the legislature in session and the government buildings from bottom to top. [illegible] of the city visited some of the larger stores and rode the buses, not one got lost and what is more, they could relate what they [illegible]. All in all they had a wonderful day and give much credit to Mr. Aalborg also many thanks to the drivers of the cars.

M. B. Vandusen Heads Red Cross

MANNVILLE. — The annual meeting of the Red Cross was held in the fire hall on the evening of March 8, with only five present. The same officers were returned, President M. B. Vandusen, Vice-President Mrs. J. J. Jones and Secretary-Treasurer Mrs. J. Coxford. A letter of thanks was read from Mrs. Delki and it was decided to publicize same for all to read, as an example of a small part of the work accomplished by the Red Cross. Tag day has been set for March 22, while a house-to-house canvass has been arranged as usual. No one but the mother knows her feelings as she folds her child closely who has just been saved from drowning by a trained Red Cross swimmer, and only the parents concerned can experience that feeling of gratitude when the Red Cross supply clothing and food to a burned out family.

YOUR contributions make this possible, so give to the Red Cross canvasser when a call is made. Veterans, crippled children, the destitute, all benefit from the Red Cross.

Telephone Coy. Meets, Thorncliffe

On Feb. 19 the shareholders of the Thorncliffe Mutual Telephone Company held the annual meeting at the Thorncliffe school with 17 subscribers in attendance with the thought expressed that next year everyone should try to make it a 100 per cent attendance.

The minutes of the last annual meeting were read and approved.

Mr Tom Thompson read a letter from Mr Spalding of Edmonton concerning other Companies who wish to use the Thorncliffe poles to run their circuit into Vermilion. The subscribers agreed that the Thorncliffe Mutual should continue as a single unit.

The financial statement was read and thoroughly discussed, and finally approved.

T. Thompson will continue to be the president for 1958, Mrs. Clark, sec.-treas. and Mr James Moore is the new director for the south [illegible] as Fred Clark has the trouble box for the south circuit, so that any southern folks with telephone trouble contact Al[illegible] at 2705. North circuit [illegible] man is Lowell McIntosh, phone 1304.

The Company plans to buy 60 good 25-foot telephone poles.

The fee will still be $8.00 per day for any subscriber who does not or cannot help to repair the line. As many as [illegible] are urged to turn out and [illegible] the line in 100 per cent [illegible] order. Many hands make light work. The yearly rental continues at $24.00.

A hearty vote of thanks was given the ladies for the coffee and lunch served.

Honesty may be the best policy, but beware of the man who is continually preaching it.

Local Bob Cats Oust Kitscoty

The Bob Cats eliminated the Kitscoty Monarchs from Juvenile League play-off, winning the third and final game 10 goals to two at Kitscoty. Scoring the goals were: Coyne from Schmidt; Matheson, in the first period.

Second period — Matheson (Waldenberger); Dargatz; Maggs (Edwards); Coyne (Schmidt); Leahy (Coyne).

Third period — Kit; Bill Potvin; Potvin (Sheppard); Link (Matheson); Potvin (Sheppard); Dargatz; Schmidt (Link).

Penalties went to John Machon, Waldenberger, Leahy and Potvin.

The Cats now meet the winners of the Mannville-Myrnam series. The first game is at Vermilion on Wednesday evening next, March 19th.

STOCK TO CALGARY etc-ons

Louis Hendel was in the office this week and remarked that he was busy preparing two Hereford bulls for the Calgary Spring show. Louis said that he will have lots of local company in Calgary as he knows, that Homer Campbell is taking four bulls and that Jack Cross will be there also.

40th Anniversary At Greenlawn

A surprise party was held in the Greenlawn hall on March 1st in honor of Mr. and Mrs. Walter B. Jones, the occasion being the 40th anniversary of their wedding.

The evening commenced with whist, prizes being won by Verna Boyce, George Lutey and Kay Walker.

Following the whist Mr and Mrs. Jones were presented with a platform rocking chair, and a lovely three-tiered wedding cake decorated by Mrs. V. Dennill. The presentation was made by Mr. Cecil Grant. Mr. and Mrs. Jones both replied to the toast.

The table was set for Mr. and Mrs. Jones, their son Lee and his wife Alice and son Terry, also a few of the oldest old timers who were at the wedding forty years ago. These included Mr. and Mrs. Archie Wood, Mr. Jim McGillawee, Mr. and Mrs. Geo. Lumley, Mr. and Mrs. Andrew Wood, Mrs. A. Lumley, Mr. and Mrs. Fred Madden.

Mrs. Archie Wood made the wedding cake for Mr. and Mrs. Jones' wedding forty years ago.

A large crowd was in attendance with many of the old timers recalling the progress of the community during the past forty years.

Anglicans Enjoy Talk on Insurance

The members of the Anglican Men's Club enjoyed a sumptuous meal of fish and chips cooked right on the spot by committee of Bill Fooks, Tom Watts, Lance [illegible] and Hugh Evans on Monday night last week. Following the meal, guest speaker Charles Heckbert gave a very interesting talk on the development of Insurance, how it works, and what it can do for the individual. [illegible] talk aroused a lot of interest was evident from the [illegible] that a question period and [illegible] table discussion lengthened to nearly an hour. A [illegible] questions were asked, particularly with reference to car insurance.

The April meeting will be ladies night and the committee in charge is convenor Jim Robson, Gib Stephen, Bill Boulton, John Barnes, George Hinton, A[illegible] Cooper and Alf Kaiser.

Farm Forums Discuss Federal Aid For Education

Do you think federal aid to [illegible] would endanger provincial rights? 80 percent of the Farm Forums across Canada replied in the negative to this question when they were discussing the topic "Education — Who Should Pay?" The Forums were told that approximately 65 percent of local education costs are met by municipal taxation, most of the balance of the finances needed for education being provided by the provincial governments. 90 percent of the Forums did not think that this was a satisfactory basis for obtaining money for our schools. Half of the forums held this opinion because they felt that the present system is unfair to property owners, they thought that all citizens should pay for education. 30 percent thought that education opportunities should be equal for all—not limited by local or regional economic conditions.

Among the suggested changes which the Forums thought should be made was more federal aid to education. The following is a typical quotation from the Forums: 'We believe that federal aid to education is long overdue and should come immediately in the form of per pupil grants. We feel that if equal opportunity for all in the field of education is to be a reality, it can only be accomplished by federal aid to education.' —Puri Ashdale, Antigonish County, N.S.

"Truth" by Florence Wyle, noted Canadian sculptor, is the Calvert Alberta Regional Trophy in the Dominion Drama Festival and will be awarded to the best play produced at the Regional Drama Festival to be held in Calgary March 12 to 15. In addition to the Calvert Trophy, the winning group will also receive a $100 cash award.

Richard West, noted British director and producer, will be in Calgary March 12th to 15th to adjudicate plays presented at the Alberta Regional Drama Festival.

As adjudicator Mr. West will decide which group will get the regional Calvert Trophy and the $100 cash award. He will also have a major voice in determining which regional play will be invited to the Dominion Drama Festival finals for the main Calvert Trophy and a $1000 prize. The finals will be held in Halifax May 12 to 17.

Coaching Clinics March 28 and 29

Track and field coaching clinics will be held March 28 and 29 at Grande Prairie and Camrose under the sponsorship of the Community Recreation Bureau of the provincial Department of Economic Affairs in co-operation with the local recreation departments.

Head coach at the Grande Prairie school will be Clark Burlingham, Stettler Recreation Director. Clare Drake, Edmonton Scona Composite High School physical education instructor, will act as head coach at the Camrose clinic. Both Mr. Burlingham and Mr. Drake were Alberta coaches for the 1957 Canadian Olympic Training plan.

The two-day clinics are open to all coaches, teachers and recreation leaders who intend to instruct track and field in their communities. Deadline for applications is March 21. Further information may be obtained from the Community Recreation Bureau Department of Economic Affairs, Legislative Building, Edmonton.

Business Outlook

Three sensitive indicators show signs that the pace of the business downslide may be slowing says Dalton Robertson in The Financial Post.

These are: Housing contracts continue upwards, the wholesale prices give evidence of firming hours worked in manufacturing edge upwards.

The last two of these may be temporary. They need to stay on the upgrade for another few months to herald any mid-summer improvement in business activity.

Even if the world owes every man a living, some wouldn't have sense enough to show up on pay day.

Every man should have an aim in life and it takes education to improve his aim.

D. B. Shirreff Appointed Chairman Of Islay Hospital Board

The regular monthly meeting of the Islay Municipal Hospital board was held in the hospital on March 4th at 2 p.m. with Messrs. Shirreff, Shaw, Garnier, Beckett and secretary present.

The oath of office was taken by the newly-elected board members, Mr Garnier and Mr Shirreff.

The minutes of the Feb. 11th meeting and the financial statement were adopted as read.

Clandonald United Church Notes

The Clandonald W.A. members and their families, the Princess Anne W.I. members and their families as well as many others were guests of the Allandale W.A. at a show in the Allandale hall, one hundred in all. Mr. Stafford, supervisor from the Canadian Utilities at Vegreville came down to show the films. On setting up the machine it was discovered that the film was missing. It had been left behind when the car was unloaded to change a tire.

Being a resourceful man, Mr. Stafford went to a nearby telephone where he contacted a member of the Vermilion Film board who agreed to loan a film and offered to meet Mr. Stafford on the road with it.

While waiting for the film the party enjoyed a sing-song of old songs. Mr. George Mead presided at the piano. Following this Mrs. Stafford and the children gave several songs and recitations which were greatly enjoyed by all present, proving that everyone still enjoys home-made entertainment. The film "The Life of Eli Whitney" was both educational and entertaining.

The evening ended by the Allandale ladies serving a delicious lunch.

The entertainment was not just what the committee had planned, but with the variety offered, it was enjoyed by all, thanks to Mr. and Mrs. Stafford, Mrs. George Mead and the children.

Mr Orley Omness acted as M.C.

Mrs. R. Feenstra and Mrs. Cooper attended the St. Paul United Church Presbytery annual meeting at Vegreville on Mar. 5. Mrs. Cooper was appointed candidate sponsor for Presbytery and was also elected as one of five delegates to attend a conference in Red Deer on April 15, 16 and 17.

Clandonald United Church W.A. News

The women of Clandonald observed the Women's World Day of Prayer in the Anglican Church. Mrs. Cooper gave the address of 'The Bread of Life.'

Mr. MacKay and Mr. Schurman addressed a well filled church on Feb. 23. They were accompanied by Mr. MacKay's three sons.

Ten members attended the Feb. 13 W.A. meeting held at the home of Mrs. Thompson. The president, Mrs. Cooper was in the chair. In common with many other W.A. groups it was decided to subscribe to the United Church Observer on the Every Family Plan. The members are also going to subscribe to the Missionary Monthly on a group plan. Each member is to bring seven to five cents to the March meeting to pay for her subscription as the rate has increased recently. Both of these magazines will be a very worthwhile addition to our W.A. devotions as well as in our homes.

Several items were turned in for the Fall Bazaar, including a very stylish doll jumper blouse donated by Mrs. Douglas and a model doll bed made by Mrs. Bill Thompson. Our sincere thanks to you both.

The March meeting will be at the home of Mrs. Olsen. Roll call a bazaar item and also the number of years you have been married.

On this same afternoon, Mrs. Cooper attended a delegate meeting at Lloyd where arrangements were made for the annual Presbytery meeting to be held in Vegreville March 5. Plan to attend this very important meeting.

We are sorry to report that Mrs. Gower spent a few days in the Vermilion hospital, a victim of a bad cold.

Mrs. Filgate is coming along nicely.

With the Clandonald Promenaders

On Feb. 19th the Clandonald Promenaders celebrated their second anniversary with Henry Lien of Bawlf doing the calling. Eleven squares were represented by ten clubs: Dewberry, Heinsburg, Islay, Vermilion, Lindberg, Elk Point, Kitscoty, Greenlawn, Blackfoot and Streamstown. A wonderful evening of fun and fellowship was enjoyed by all. The highlight of the evening was [illegible] passing of a delicious three [illegible] cake baked and decorated with Valentine motifs by Mrs. Orley Omness. Hope to see you all at our next dance.

Armena Meeting Hear Mr. and Mrs. James A. Smith

(Camrose Canadian)

A good crowd was out for [illegible] Social Credit meeting held at [illegible] E. S. Soderstroms last W[illegible] evening. Delegates for the Viking convention were elected, after which Mr James Smith, M.P. for Battle River-Camrose, spoke and gave a very interesting talk. During the question period, Mrs. James Smith spoke to the ladies and children on the Queen's visit and opening of Parliament in Ottawa last October. Mrs. Smith gave a very interesting talk and also showed many beautiful pictures of our Queen and parliamentary procedures.

Several cars from Camrose were present and an interesting evening was had by all present. Lunch was served.

WOODVALE NOTES

Here we are again with a few items, some rather old, some not too new.

Let's begin with belated congratulations for Mr. and Mrs. A. McQuid who became grandparents again when their daughter Marion (Mrs. Burton Clark) of Calgary had her first baby, a son, early in February. At the same time Mrs. Enna Lysons had her 20th grandchild, son of Mr. and Mrs. Clarence Lysons of Vermilion. Mrs. McQuid has been staying with her daughter in Calgary for over a month and was not back at time of writing. Congratulations go also to Mr. and Mrs. Hugh Pierman, the parents of a new baby daughter.

The telephone company held their annual meeting at Union school on Feb 25th with about [illegible] Crocker will again be president for the coming year and Bob Lamport secretary. The new director is Steve Krushinsky. It was decided that the president would appoint one man to check on the inleading wires on the farms. These have caused quite a bit of trouble in the past years.

On Feb. 28th the Tolland Community Association held their annual meeting with Arnot Brown showing his slides. These were much enjoyed and admired.

The association hopes to be able to move the Triangle school purchased last year this summer and make one big hall, with room for a kitchen at the Tolland site.

Mrs. C. Young has sent in her resignation as postmistress of Hindville P.O. Farmers in the neighborhood met at Watson hall [illegible] possible continuation of the post office in the district and hope that an application to have it moved to the Clarence Crocker farm will be approved.

The Red Cross auxiliary held two meetings as yet unreported. Due to the cold weather and bad roads, the one on Feb. 12th at the home of Mrs. Amy Portsmith was attended by only six members who worked on two baby quilts, that went with two more baby quilts, 3 complete layettes, several other baby garments and some nice used clothing and 7 children's sweaters, knitted by members, into a parcel for the Unitarian Service committee. The collection was donated to the Polio fund.

Another meeting for March 5 was called at the home of Mrs. Amy Portsmith and this time it was fortunate that so many were there as the quilt was hard to work, being made of very pretty but close woven material. There were thirteen members and one guest, Miss McNair of Manchester, Eng., who is visiting her uncle here. Each took turns to work on the quilt and were quite ready to enjoy the lunch served at 5:00 o'clock by the hostess and her daughter, Mrs. Betty Lysons. Besides the collection, donations were received for the March drive. The quilt will be kept for the Red Cross. The next meeting will be held on April 2nd at the home of Mrs. Etta Anderson at the Woodvale teacherage when a heavy patch quilt will be tagged.

Miss McNair will leave for Vancouver this week but expects to return in April for a further visit with her uncle.

Mr. and Mrs. Luther Thompson are on an extended trip east, returning in a new car via the States and visiting relatives on the way.

A square dance was held at Union hall on the 6th with Herman Wilson from Marwayne as caller and a nice crowd enjoyed the evening, with a carload [illegible] dancers coming all the way [illegible] Black Rock near Sandy [illegible]. Then, again at Union hall the Woodvale Willing Workers put on a [illegible] to raise funds for the school [illegible]. The Melody [illegible] orchestra furnished the [illegible] and a very large crowd, coming from as far away as Paradise Valley, had a good time and the club collected a tidy sum of money. Mr. and Mrs. Fussell played again at Isley the next night and will be the musicians this coming Friday, March 14th at Union hall when the Community club puts on a dance there.

Colds and sore throats are very prevalent and it looks as if quite a few of the schoolchildren will part with their tonsils during the Easter holidays.

We hope that Mrs. Eva Dixon, Mr. Tom Watt, Mrs. Belle McGrath and Mr. Jack Schaumleffel who were all hospital patients early this month, will be home again soon.

Congratulations to Bill McGrath and his rink for winning the Brunswick hotel event in the recent Vermilion bonspiel.

At the Wildmere spiel Bill McGrath, Kaare Seite and Art Lysons were skipping rinks and Mrs. K. Seite, Mrs. O. Wolters, Mrs. R. McQuid and Mrs. A. Lysons helped at various times in the booth.

A third room is being prepared for use in the Woodvale school basement. It is thought that it might be needed next September with more pupils entering this school every year.

The rest room in the Elks hall is greatly appreciated by many ladies in this district, especially those with children and the many Saturday shoppers.

Church will again be held in the Tolland hall on Sunday March 16th at 3:30 p.m. by the Rev. Morris from Lloydminster.

Mrs. J. Rose spent a short week with her daughter Mrs. Wes Isley.

Sandra Dixon is staying with Mrs. Roger Watt while her mother is in the hospital.

ALMOST WASN'T

This year's crop of Easter Bonnets almost wasn't, reports The Financial Post.

A strike very nearly wiped out this traditional sales hypo for the women's hat business.

And this may also surprise you. The trend is away from frills and flowers toward simpler Easter headgear.

Designers report women will love the new hats, as usual, and husbands and boy friends will probably be mortified, also as usual.

The millinery industry is centred in Montreal and Toronto [illegible] is valued [illegible]

Albertans Drill for Oil in Maritimes

Imperial Oil drilling crews and families from Alberta are losing no time getting settled in the Maritimes. The crews, who will drill Imperial's first well in its search for oil in Prince Edward Island, have arrived in Summerside, P.E.I., after a 3,000 mile train journey from Edmonton. The first few days were used for house hunting, school enrolment and getting aquainted with P.E.I. At the same time, 430 tons of rotary rig and drilling equipment from western Canada were being readied for 'spudding in' the 'wildcat' well at the site about 13 miles west of Summerside. Three-year-old Gregory Kippen, with his mother Mrs. C. Kippen of Edmonton, converts a lobster trap into a bucking bronco during a visit to a lobster factory at Summerside.

TO LOVE GOD

'You must love God,' I was told as a boy, both at church and at home. Now a boy is an independent creature. You can make him mow lawns, chop wood and empty the ashes, but you can't make him love God by ordering him. And one day I rebelled.

'Now Dad,' I said, 'that's nuts. I can't just get up in the morning and suddenly love God. You can't make yourself love anybody. You do or you don't and that's it.' For these rebellious words I expected a fatherly blast.

It didn't come. My Dad frowned, pulled at his moustache, shook his head. Then, with a sigh, he said, 'I know.' That was all he said, at that moment and I was surprised and strangely disappointed.

But my dad was a smart man, and he had handled my outburst in the best possible way, with that sigh and that acceptance of the fact. He left me free to think about the love of God as a problem of my own. But there has always been in the human heart a hunger for support and even a cocky young fellow knows that he is not, in himself, powerful enough to push the universe around. Or he soon learns to know it, and to realize that like all the rest of mankind he is a child of providence.

Some of us are dull enough to fight against this knowledge far too long, trying in vain to make the universe spin our particular way. Others, blessed with more wisdom and humility, accept the fact that there is a power greater than themselves, a power always available to them even when all other sources of inspiration fail.

These are the men and women who face adversity with courage, who know the joy of optimism and hope, who understand that they never really need to stand alone. They are untouched by the panic that bothers others at every twist and turn of events. They have a sureness, a steadiness, a sense of destiny in which they have tranquil faith. They enter the universe humbly, they leave it majestically, unafraid and peaceful.

Those who lack this faith in God try desperately to remake the world in their own image, shaping it to their own heart's desire. Often they mean well. If their eyes were opened to the harm they do, they would be shocked and repentent. They are the do-gooders who in their innocent egotism would play God, instead of loving Him.

No one can force us to love God. But good parents and a relentless universe can teach us.

NEW FORCE IN POLITICS

Prime Minister Diefenbaker's appearance in Winnipeg at the recent Ukranian anniversary celebration, and his apointment of a new senator of Icelandic origin, fit into a significant pattern, says The Financial Post, the development of a 'third force' that might break the partial deadlock in Canadian politics. With the Liberals linked with French Canada and the Tories having a traditional true-blue British tie, the best hope for a stable majority may lie at some future date with the party that can win the votes of Canadians who belong to neither of these groups.

For reasons of geography, the ethnic groups that could tip the balance are likely to be the Ukranians, the Icelanders and the Mennonites mostly located in the western provinces.

United States and Russia Side by Side At International Fair

Of the thirteen thousand exhibits at this year's International Samples Fair at Milan, Italy, it is likely that none will draw more curious attention from the four million expected visitors than those of the United States and the U.S.S.R. This year they will exhibit the wares of their countries side by side when the giant Fair opens on April 12.

Although this may seem a startling example, there are many such cases of countries, politically or ideologically opposed, who meet in Italy at the world-famous Milan Samples Fair for a common purpose. International trade and the selling of their wares abroad bring together the people of such countries as Abyssinia, Belgium, China, Dominican Republic, France, West Germany, Greece, Holland, Hungary, Lybia, Mexico, Poland, Somaliland, Tunisia, Turkey, Uruguay and Yugoslavia. Canada, too, is represented as well as Great Britain. Among the goods they display, the variety is equally wide: everything from fine fabrics, china and jewellery to machine tools, motor boats, elevators, confectionery, boilers and helicopters will be offered there to over 93,000 prospective buyers from around the world. As a result, a Canadian mink coat may end up in a Paris salon of haute couture, a German cabin cruiser may find its way to the shores of Lake Winnipeg or an Italian power shovel may prepare the site for a new Montreal hotel.

Not all exhibits, however, are of commercial nature. This year, an entire pavilion has been built to house and dramatize the story of technical progress that has been made in the field of supersonic flight and space navigation (where, once again, the United States and Russia appear side by side.) The Fair, too, sponsors an International Aviation Show where flyers and aircraft from many countries as well as Italy compete for honors.

Although the Milan International Samples Fair lasts for just 16 days, millions of dollars worth of business is transacted in this time. In its 36-year history it has more than doubled in size and has provided a permanent annual showcase where businessmen from all over the world can browse and buy. It has earned the important place it holds as a stimulant to world trade and has the undisputed right to its proud claim to be truly 'International'.

Happy Hour W. A. Active at Mannville

MANNVILLE— At the home of Mrs. M. McLuckie ten members of Christ Church Happy Hour W.A. met on Thursday evening last. Reports were heard from various committees, dorcas work was handed out and projects discussed. The annual diocesan meeting held recently in Edmonton was reported on by Mrs. Kreller and Mrs. McLuckie, who gave a most interesting and informative account of the Annual. Lunch was served during the reading of said report, and was enjoyed by all present.

CONTROL OF WINTER SOIL DRIFTING

The mild weather experienced so far this winter has indeed been pleasant. It has, however, encouraged a serious soil drifting problem on the Prairies.

We have the 'know-how'. If farmers would use the methods of control developed during the "30's"—trash cover and strip farming—most of the present loss of soil could be prevented. Where fields are bare and drifting emergency methods of control should be used immediately. Drifted fields mean poorer crops.

Tests carried out by the Experimental Farm, Lethbridge, show that a field damaged by soil drifting in the "thirties" produced 12 bushels of wheat per acre in 1953, whereas an adjacent undamaged field produced over [illegible] bushels.

Focal Points Important. Soil drifting usually starts from 'focal points' in a field. These may be knolls, ridges, or areas of light soil. Watch unprotected fields closely for such focal points.

Straw Valuable. A load of straw, if properly spread, will cover a surprisingly large area and is very effective in keeping the soil where it belongs. Many farmers, during the "30's" made it a practice to have a load of straw handy for spreading on focal points at the first sign of drifting.

Corn Lister Shovels. Where the soils are thawed to a depth of 2 to 3 inches or more corn lister shovels spaced 3½ to 4 feet apart on a duckfoot cultivator will make a good job of ridging a field and thus help prevent [illegible].

Listing With One-Way. To convert a one-way into a lister sufficient discs are removed to allow a spacing of 3 to 4 feet and washers added to take up the slack on the gang bolt. The heavy one-way will cut into the soil even if it is frozen. We are losing precious soil. Any effort made to save it will pay big dividends.

Save the Soil. It cannot be replaced.

BUFFALO COULEE ACTIVITIES

The ladies of B.C. have been very busy sweeping the curling rocks down at the rink. The Pheasey, Larsen and Staden rinks were in on the prizes at the Wildmere ladies 'spiel on Mar. 1. Last Saturday ten rinks took part in the B.C. ladies bonspiel with the following results: 1st in the Grand Challenge went to Croft of Mannville; 2nd — Ruby Larsen, Buffalo Coulee; 3rd — Manz, Mannville; 4th — Lois Staden, B.C. In the Merchants event: 1. Lillian Pheasey, B. C.; 2nd went to Dora Caron, Vermilion; 3rd — Jo McCaig, Vermilion and 4th — Firkus of Irma.

Mrs. Cunningham and Mrs. Brook served lunches during the day and a lovely turkey banquet was served at the rink about 6 p.m.

In the Wildmere men's 'spiel, the Pheasy rink took first in the Challenge with Geo. Eyben second. Henning Haveralew was second in the third event.

Not to be outdone by their seniors, the students of B.C. school held a one day bonspiel with seven rinks participating. Quite a number of these youngsters show prospects of becoming good curlers. First and second prizes were given in each event. In the first the winning rink was skipped by Grant Haveralew with second going to Elaine Everett's rink. The second event saw Eddy Smart's rink take first and Colin Kennedy's second. The kids were tired but happy when it was over and hope to have another one before the ice goes.

Mrs. Hardy Wear, Mrs. Lloyd Everett and Mrs. Alex Stone attended the W.M.S. Presbyterial held at Irma recently. Dr. Whitler of India was guest speaker and gave a most interesting talk on her work in that land. The memorial service was conducted by Lloydminster. A couple of buzz sessions proved most enjoyable and informative. The ladies of Irma W.A. served a lovely lunch in the late afternoon before the ladies left for home.

Auburndale W. A. group and Mrs. Holte and Mrs. Wallington from the Wildmere W.A. met at the home of Mrs. Forrest Seale last Thursday night. About 20 ladies were present. Mrs. Wear assisted by several members took the devotional which was based on the World Day of Prayer service.

Mrs. Norah Eyben, President, conducted the business meeting with Mrs. Jessie Crabb secretary.

Quite a number of ideas were presented by the different groups for use in Vacation School. These were given to the secretary to be kept for the student minister for his use this coming summer.

A motion was passed to give the evening offering to the Inter-Church Council of Women.

After the adjournment of the business meeting, Mrs. Eyben introduced Mrs. C.W. Mackay of Vermilion as guest speaker. Before begining on her chosen topic, Mrs. Mackay gave a report on the W.A. Presbytery held at Vegreville the previous day, which she had attended. This was the next best thing to being there as she brought so much of the enthusiasm and spiritual appeal that had been so evident in the meeting. Mrs. Mackay then spoke on the theme of the W.A. hymn 'Let The Beauty of Jesus Be Seen In Me.' In this she particularly stressed doing the little things, little acts of kindness that show the love and beauty of Jesus in our lives and always to look for the best in people.

Mrs. Muriel Harrison very kindly thanked Mrs. Mackay for her talk which everyone felt was most challenging and inspiring.

The Heatherbell W.A. group then served a delicious lunch. The next central meeting will be held in the church in June when plans will be made for the annual bazaar which is to be held on Farmers' day as this is a school holiday.

Wilson Brook and Bede Rogan are now connected up with Calgary Power through the Auburndale R.E.A.

Mrs. Robert Woodruff is a patient in Vermilion hospital while Mrs. Cleland has just returned home from hospital. Best wishes to both for a speedy recovery.

Congratulations to Mr. and Mrs. Chris Boler on the birth of a daughter in the Vermilion hospital.

MY NEIGHBOR

She gives herself in little ways of love
A kindly handclasp or a small caress
Calls gayly to you from her kitchen door,
Offers to help you make a summer dress.
Brings you a water lily from her pool,
A little pan of cookies hardly cool.

She gives herself . . . her loving heart and soul
Reaches across the barriers of creed
To find the hidden cove of loneliness
The deep unfathomed well of human need,
In whose rich depth eternal waters flow
Clean as the drifted fields of prairie snow.

She gives herself — and in the sacrifice
Gathers her just reward beyond all price.

—Edna Jacques.

New Booklets For Tourists in Alberta

The Alberta Government's Department of Economic Affairs is preparing another help for tourists in making their travels through the province more enjoyable. A new booklet which will picture and describe many places of interest will also locate their position on the road system on pieces of strip map alongside each picture. The booklet will be available soon.

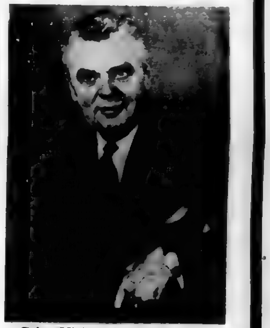
Meet Your

Progressive-Conservative Candidate

Battle River–Camrose Constituency

Cliff Smallwood



Prime Minister John Diefenbaker

Cliff Smallwood

Come to this meeting and learn for yourself the true facts concerning this most important election . . . the result of which will determine not only your immediate future, but whether or not the youth of Canada are to have the opportunities in life which they deserve.

Hear the record of what the present Government under the dynamic leadership of John Diefenbaker has achieved during the past nine months in such matters as . . .

- FARM POLICY:- Security to farmer – Fair price relationship to cost of production – Development of market overseas.
- Adjustment of export trade to meet Canada's adverse trade balance.
- Freeing of "tight money" – help to small business.
- Social Security Plan
- Northern development.
- Second Trans-Canada Highway.

Cliff Smallwood, Progressive Conservative Candidate for Battle River-Camrose Constituency, speaks Thursday, March 20th at 8:30 p.m. at the Legion Hall, Vermilion.

GUEST SPEAKER at this meeting will be W. J. C. (Cam) KIRBY, M.L.A., President of the Alberta Progressive Conservative Association — You will enjoy him.

EVERYONE WELCOME

The second of a series of 300-day Random Sample Tests designed to develop and produce superior strains of poultry in Alberta commenced at the Provincial Poultry Farm at Oliver early in March. Conducted by the Provincial Department of Agriculture, the second test includes a total of ten entries from breeders in Alberta, B.C., Saskatchewan, Manitoba, and a control entry from the Dominion Central Experimental Farm at Ottawa.

The first test, unique among provinces in Canada, is now at the halfway mark and has shown several production variations between entry strains. Details of performance will be published at the conclusion of each test. Name of entries will be coded and only breeders will know which particular entry belonged to them. Favourable results may be advertised provided the breeders publicize their entry's standings in at least four test factors.

Eleven factors are considered in the 300- day test periods which cover the span of life from egg to maturity. These are fertility and hatchability, average body weight, sexual maturity, egg production, egg weight, average age at which egg weight reaches 24 ounces per dozen, percentage livability, mortality causes, egg quality, feeding efficiency and income over feed cost.

Ten duplicate test pens are available, nine for entries and one for the control flock which is used as a standard for judging growth and production.

An entry consists of 360 hatching eggs from which officials select a sample of approximately 125 pullet chicks at random. Detailed records are kept during the test period.

Shown in the accompanying photographs are R.H. McMillan, Alberta Poultry Commissioner, (standing) and G.R. Milne, Poultry Supervisor for the Department of Agriculture, as Mr. McMillan takes weight readings of test flock eggs and Mr. Milne checks albumen height. Right photo shows Mr. Milne testing eggs for shell strength, through immersion in fluids of various specific gravity

Return
a Strong
Diefenbaker government

Clifford Smallwood

Today Canada stands on the brink of really big things. "Everything without regard to limit" will be done to provide work, prosperity and new opportunities for Canadians—through vigorous development of our resources, increased foreign trade, social security and moral leadership among the nations.

These are the pledges of the man and the Party who have already fulfilled their 1957 promises: to taxpayers, homebuilders, senior citizens, agriculture, industry . . . and you. The Diefenbaker Government has shown that it gets things done. A strong Diefenbaker Government will get the big things done!

Chatsworth Chatter

With the past week of snow flurries and slight wind, there has been a little drifting, consequently side roads are rather heavy. On Friday the snow plow was out to open the road to the school, and other roads hereabouts which had drifted.

The whist party held at the school on Friday, 7th, did not see as large an attendance as usual, partly due to the uncertainty of the road conditions, but an enjoyable evening was spent nonetheless. Five tables of whist were played, the winners being Ladies 1st, Mrs. Ian Davis, 2nd, Mrs. J Farcash Jr., and the consolation went to J. Farcash who was playing as a lady. The Gents prizes were won by George Farcash 1st, 2nd- Erich Ludwig and Philip Taylor won the consolation.

Mrs. Julia Farcash returned from Edmonton hospital last week, but she is not much improved in health. We hope she'll soon be feeling well again.

Other members of our community who are in hospital are Lillian Pich, who went in last Friday to have her tonsils removed. Also in hospital is Eddie Wasylik, who suffered quite severe burns in an accident last week when tar being heated took fire, and in trying to remove the tar container from over the fire, he was splashed with the burning liquid.

A skating party was held at Tovell's last Friday, when a crowd of young folks spent an enjoyable evening at the outdoor sport.

Ralph Wilson is spending a couple of weeks at Banff, taking in the Leadership course being held there under the sponsorship of the Alberta Wheat Pool. Frank Marciniw is doing chores for Ralph while he is away.

Not much news this week perhaps we'll do better next week.

Mr. and Mrs. Rudi Scheffelhaufer and little daughter of Edmonton, visited at the home of the latter's parents, Mr and Mrs. J.K Thompson last week end.

Steve Jacula was a visitor to Edmonton one day last week.

NOVEL BOOKRACK

Here's a bookrack which is novel, attractive, and practical, and which can be very easily constructed of some scrap lumber. The books it holds will slip right into place, and they will never tip over. Cut several boards to a length of 16 inches and a width of about seven inches and glue enough of these boards together to make a rack of from 5 to 6 inches in thickness. When the glue has dried, saw the block as illustrated diagonally from one upper corner to within one inch of the bottom and 2½ inches from the opposite end. You can then stain or paint the finished product, and glue some felt underneath as a protection to your furniture.

TULLIBY LAKE

Mr. and Mrs. Bjarne Beisheim are on a business trip to Edmonton.

Mrs. Mollie Behrens has again been having trouble with food poisoning. It was necessary for her to seek medical advice

Mr L. T Beisheim returned home Tuesday after a two week stay in the Elk Point hospital.

Mrs. Christine Mann is still attending to business matters in Edmonton.

Harry Whitestone from the reserve at Onion Lake was a guest in the Mollie Behrens home last Friday.

Mangy Hogs A Serious Problem During Winter

The winter housing season will present a serious problem to hog raisers if mange infestations are not cleaned up. Reports indicate a lot of mange in several areas of Canada during the past fall and early winter. The Canadian Veterinary Medical Association points out that the rough skin of mange-infested hogs lowers their market value. And mangy hogs do not sell well, resulting in higher feed bills. Since mange mites spread from one hog to another, the condition spreads more rapidly when hogs pile up to keep warm during winter months. The Association says a strict clean-up and treatment program will help keep mange under control and pay the hog raiser real dividends in faster gains and higher market prices. Bred gilts and sows should be given particular attention because baby pigs will have little chance of escaping the disease and mange causes marked unthriftiness and even death in baby pigs.

Health Unit Notes

YOUR CHILD'S SIGHT IS YOUR RESPONSIBILITY

Your child's sight is of such great importance that every consideration should be given to its care. If his eyes are injured or inflamed, get medical treatment at once and don't delay with home remedies. Bathe his eyes with clean water if dirt gets into them.

If your child has poor vision he is facing life with a definite handicap. He becomes clumsy and unable to compete well with other children. He may seem hesitant and slow, awkward and even 'stupid' when all the time the trouble is poor eyesight. Many a child has been unjustly branded as backward because his eyes are not up to their normal level of ability.

HIS EYES SHOULD BE EXAMINED

The important thing to remember is that your child will not complain of poor eyesight. He doesn't know he is not seeing as well as he should and the parents usually do not realize that their child cannot see normally.

POOR VISION QUITE COMMON

Recent surveys in Canadian schools have shown that about two out of five children in kindergarten and Grades one and two had eye trouble of one kind or another. Most children are long sighted at birth. As the eyes develop the vision tends to become normal. If the long sightedness persists, glasses are necessary to give normal vision and to prevent the development of cross eyes.

If short sightedness develops it comes on usually at about four or five years of age and may increase up to the age of sixteen. Short sighted children must wear glasses all the time. They should not try to read small print or hold their work close to their eyes.

GOOD LIGHTING IS IMPORTANT

Make sure that good light is always available for your child doing homework or reading and he should not be allowed to read in bed or in poor light. Many homes are poorly lit and this adds to his difficulties.

If your child squints (one or both eyes turn in, up or down) or blinks, has marginal redness on his eyelids, is clumsy when playing, holds things too close in order to see them—then he is showing signs of eye trouble. Be on the alert for any of these symptoms and when in doubt consult your doctor or local health nurse and follow their advice.

CROSS EYES IN CHILDHOOD

The great majority of cross eyes (squints) make their appearance between the ages of two and four years although some cross eyes are present from birth and a few cases develop during school age and in adult life. About three percent of children have cross eyes. All cross eyes can be straightened either by glasses and other medical means or by operation.

The cross eyes which develop between two and four years cannot only be straightened but normal vision restored in most cases if the treatment is begun soon enough. The squints that come on between five and twelve years of age are usually easier to treat successfully. The cross eyes present from birth can only be straightened by operation and normal vision cannot be expected.

WHAT TO DO ABOUT IT

Take your child to the medical eye specialist as soon as the squint is noticed. No child is too young for treatment. Those cross eyes which are caused by certain types of poor vision may be prevented by the fitting of proper eye glasses at an early age before the squint develops. That is why doctors advise that your child should have his eyes examined as soon as he is old enough to walk. Where the condition has already shown itself, glasses will cure it in many cases. Neglected cross eyes are the most frequent cause of one-eyed blindness. Other steps the eye specialist may decide on include eye exercises or an operation or a combination of both.

Remember, a child will not complain of poor vision because he knows no better. He will act and play as if normally sighted. The first indication of trouble may be the occasional turning inward of the eyes, but unless medical advice is sought early, many cases of poor vision are not detected until long after the child enters school. He may make poor progress because he can't see the blackboard well. If he has to strain to see it, then he will get headaches and other symptoms of eye strain.

Cross eyes are a definite handicap. The child tends to become shy and self-concious when he learns that his eyes are different from those of other children. When he grows up he will resent it deeply when he learns that his eyes could have been straightened and normal vision probably restored if his parents had taken the proper steps in time.

Every cross-eyed child should have this good chance of cure. No child is too young for eye treatment and if the treatment is to have a good chance for success, it should never be delayed.

Winter Calves Need Attention

With the winter calf crop now appearing on many farms, the Canadian Veterinary Medical Association offers several suggestion for helping get them off to a good start. One of the most important things is to see that a calf starts nursing early and gets plenty of cows first milk, or colostrum. Also, the new-borne calf's navel should be painted with iodine. Clean stalls which have plenty of bedding and draft free ventilation are important, too, in safeguarding the young animal's health during those first critical weeks. All calves should be watched closely. If signs of scours or other illness should appear, it is especially important to get a veterinarian on the job at once, so disease can be curbed before it gets too much of a start. The Association also points out that when calves are young it is a good time to tattoo the purebred animals because they are easier to handle then. Another key point for all cattlemen to remember is that to have a healthy calf born depends to a great extent on the care of the pregnant cow. She needs adequate ration with minerals and ample Vitamin A.

the Snapshot Guild

If you study the picture in your viewfinder you'll improve your snapshooting greatly.

Find a Picture to Keep

A few minutes ago we heard a group of youngsters outside our window chanting "Finders—keepers." Now, we thought, there's a good [illegible] for all picture takers to remember. For only if you really use your viewfinder—and use it properly—will you get pictures that you'll be proud of and want to keep.

With your eye centered on the viewfinder—and a second look before you click—you'll learn to see as your camera "sees." Make sure you've caught the scene you want in the viewer—then check to see that the picture elements are arranged to show up clearly. For example, if you're shooting a dark-colored subject, try to get it against a fairly light-colored background. Without such contrast, your camera won't be able to "see" enough to give you a really good picture.

If you're taking close-ups, you'll want to avoid "scalping" your subject. The best plan is to aim your camera so that the viewfinder shows an inch or two of air space over the subject's head. And in every case, be sure the action to be pictured is not lost against a distracting, cluttered background.

We think it's worthwhile to practice playing "finders—keepers." Just remember your camera can't give you a better picture than the one you see in the viewfinder. That's why a look before you click will pay off in all your picture taking.

Farm Forums To Hold Spring Rally At Lavoy March 24th

Calling all farm forums in this area! To wind up the 1957 season, a Spring Rally is scheduled for March 24 at the Lavoy Hall beginning at 8:15 p.m. Each Forum is asked to bring along a song, stunt or game plus lunch. An interesting program is being arranged and the evening elections will be held for the positions of two Northern Committee members.

Under the chairmanship of Dan Giebelhaus, the Northern Alberta Farm Forum Committee held a meeting Saturday afternoon, March 8, in Vegreville, when plans were laid for the spring rally, this year to be sponsored by the Lavoy group. Financial statement was given by Mrs. L. Smiley, sec treas., who reported a favourable year.

A most interesting report was given by Alberta Council Chairman, Hans Mayer, on his recent trip to Montreal where he attended the annual C.F.A. meetings, and on his return stopped over in Toronto where he visited with the National Secretary, Floyd Griesbach. Miss Muriel MacLeod, editor of the Farm Forum Guide is to be commended on her work in publishing this fine Farm Forum weekly, and Alberta should be extra proud of her work as Miss MacLeod hails from High River. Mr. Mayer returned to the west on January 31st. 25-35

Alberta Route Now Considered

Efforts of the Alberta Highways Minister Hon. Gordon Taylor, and members of interested groups and associations, resulted in Alberta being given serious consideration as a possible route for United States traffic from the Pacific Northwest to Alaska. The International Rail and Road Commission was going to consider B.C. only, before the Alberta group began working together preparing a brief. The compilation extolled Alberta's advantages and was presented to the U.S. Commission in Washington by Mr Taylor.

Agricultural Short Courses Prove Popular At Mannville

MANNVILLE. — Popular indeed was the three-day Agricultural short course for both men and women, sponsored by the Vermilion Agricultural Society, the Minburn Agricultural Service board and the Alberta Department of Agriculture, on March 5, 6 and 7 in the Legion hall and Elks hall respectively. On livestock day, with chairman J. Bryden in charge, the men on Wednesday saw an instructive film pertaining to the subject and heard the speaker give some pertinent facts concerning feeding for grade A pigs. Speaker was A J. Charnetski, Livestock Supervisor. Dr. E. E. Ballantyne director of Veterinary Services discussed "Old and New Livestock Diseases". Panel discussion on "Landrace and Lacombe Pigs Cross Breeding" was heard between A J Charnetski, Prof. R Berg and J Stothart from the University of Alberta and Lacombe Experimental station respectively concluded the first day with Jas Bennett as chairman. Thursday was Field Crops day and again films were shown with Wm. Lobay Supervisor of Soil Conservation and Weed Control as guest speaker. Thomas Smith was chairman. New chemicals in weed control were studied. O. A. Strome, President of Vermilion Agricultural Society, was chairman for early afternoon sessions when official welcome was given by Mayor Williams of Mannville. Welcoming guests also was Alex Palin acting principal of the V.S.A. Chairmen for the remainder of the afternoon were W. R. Cornish and Castle Scott. Topics, "Special Crops" by E. H. Buckingham, D.A. Vermilion and "Silage Has a Place" by W. C. Gordon, Livestock Supervisor, were dealt with. Friday was the final day of the course and began with a film, and with A. W. Roland in the chair. "Cutting Costs in the Use of Electricity" was the topic chosen by C. A. Cheshire, Agricultural Engineer, Extension Branch, Edmonton. He advised careful thought on planning outlets and unnecessary waste of wire. Afternoon chairmen were M. McDonald and C. Gamble when "Septic Tanks, Hot and Cold Water" was dealt with by Mr. Cheshire, this was of interest to those engaged in the farming industry. "The Business of Farming" was given wide coverage by B. J. McBain, Farm Management Supervisor. Men and women both gathered for meetings on this last day of study in the Legion hall. The ladies' course began on Wednesday morning with Mrs. R. Whitson, chairman, as Mrs. Wm. Bushko of Vegreville gave a demonstration of sewing machine attachments. A portable Singer automatic machine was used. Mrs. Bushko stressed using the proper thread, advising 40 or 50 super sheen. Blind hemming, decorative stitches, putting on bindings with attachments as well as making buttonholes, was also demonstrated. The topic of hair styling and cosmetics was cancelled, but in its place the subject of Horticulture was attended with interest. Mrs. C. Finlay was chairman. Listeners were advised not to plant anything that would touch the eaves of a house as it grew; also to avoid planting flowers or foliage that would advance beyond height of picture windows. Miss Edna M. Craig, District Home Economist of Wainwright, gave demonstrations and talks on the arrangement of flowers. Any flowers may be arranged in an attractive setting with a few 'props' or aids to placing, etc., centrepieces for the dinner table should not be so large that they obscure the vision of guests, for example. Colors should be chosen to complement a room, or wherever the flower arrangement is to be placed. With Mrs. H. Doherty as chairman Thursday morning and Mrs. Schreyer in the afternoon, following subjects were discussed: "Kitchen Planning" by Miss Pat Masculak, Home Economist, Vegreville, and "Choosing Becoming Clothes" by Miss Edna Craig. Working space in the kitchen should be planned so as to avoid wasted steps and clothes should be chosen to flatter the figure, proper colors for right people, and avoiding those clothes unsuitable to the figure, that is style, etc. Much information was gained from these interesting meetings. Lunch was served to men's classes in the Legion hall by Legion Auxiliary members and in the Elks hall to the ladies by members of the O.O.R.P. lodge.

WILDMERE WINKS

Last Wednesday Mrs. Holte and Mrs Wallington went to Vermilion and accompanied Mrs. MacKay, Mrs Kather, Mrs Davis and Mrs. Edwards to the St Paul Presbytery of the United Church held at Vegreville. 80 women were present. It was a good meeting and very educational on the spiritual side of our lives. Two Vegreville ladies gave the devotional and Mrs. Dyer past president of Alberta Conference W.A. spoke stressing the "Little Things" that count in our lives. In memoriam was held for five ladies who have passed on during the past year, one being Mrs. Lee of Lloydminster, who was treasurer of St. Paul Presbytery. Miss Rogers, the matron of Cold Lake hospital, gave a very interesting talk on the John Neil hospital, which was started by the W.A. Despite many obstacles it was built and will soon be opened. Donations to help furnish the wards are always welcome. Mrs. Gamble of Mannville gave an interesting talk on her attendance at the Naramata Christian Training school. Vegreville ladies served a tasty dinner as well as coffee in the morning and afternoon, and a bountiful lunch when the meeting was over.

On Thursday Albert Holte took Mrs. Holte and Mrs. Wallington to a W.A. meeting held at the home of Mrs. Forest Seale of Battleview. Mrs. Wear took as her devotional "The World Day of Prayer". Several ladies gave prayers. After the business was closed Mrs. MacKay of Vermilion gave a review of the Presbyterial meeting and spoke on the theme song of the W.A. — always look for the best in everyone not their faults. Heatherbell group served a tasty lunch. Thanks Mrs Seale for your kind invitation, we truly enjoyed it.

Mrs. C. Cruthers has been ill with the flu. Speedy recovery is wished you from your many friends. She missed the ladies' bonspiel at Buffalo Coulee last Saturday and in Vermilion this week. However, one ladies' rink from Wildmere is taking part in the town spiel. Good luck.

Lawrence Graham, Commissionaire at the R.C.A.F. base, Dawson Creek, B.C. visited at the Wallington home in Wildmere district from Friday until Sunday evening. He reported a very mild winter in this northern city not cold enough to freeze the ground for lumbering operations. He has met George Tagmeyer, John Shpytko and Ernie Minnett while up there. All these men have relatives around Vermilion.

Noticed around Mr and Mrs. Don Cooper and family visiting at the Fadden home on Sunday; Mr and Mrs. George Cruthers and family, Mr. and Mrs. K. Shepherd and Warren Marfleet at the Cruthers' home Sunday; chatted with Mrs. A Stone, we hope you are soon well Mr Stone; also chatted with Mrs. Sturt, Mrs. Sherwood, Mrs Rogan and Mrs. Leaky.

Don't forget the Preston Central Home and School meeting next Tuesday March 18th. Lunch committee is Mrs. Symes and Mrs F. Seale.

Remember folks, it's voting day for municipal councillors this Saturday, March 15th.

Congratulations to Mr. and Mrs. Jim Millar (nee Marion Pilkie) of Edmonton, on the birth of a bouncing boy.

HOW CAN I?

By ANNE ASHLEY

Q. How can I prevent mist forming on eyeglasses when coming from the outside air into a warm room?

A.: Try the following method: Mix olein-potash soap with about 3% glycerin and a small amount of oil of turpentine and polish the lenses with this solution.

Q.: How can I make windows stay clean for a longer time?

A. Add a little vinegar to the water when cleaning the windows and they will remain clean much longer. And a little bluing added to the water will produce more brilliancy.

Q.: How can I remedy soup that has become too salty?

A.: Put a few pieces of toasted bread in the soup for a few minutes, then remove, the bread will absorb much of the salt.

Q.: How can I prevent the metal tops of salt shakers from corroding?

A.: They will not corrode if covered on the inside with melted paraffin. Open the holes with a pin while the paraffin is cooling.

Q.: How can I thicken the juice of a fruit tart, and also prevent it from boiling over in the oven?

A. Both objects can be accomplished by mixing a little cornstarch with the sugar.

Q.: How can I make floors warmer?

A. The floors will be much warmer and less draughty if newspaper is spread under the rug or carpet. The paper also acts as a preventive for moths.

Q. How can I treat bruises to prevent swelling?

A. By applying immediately a cloth about five folds in thickness, dipped in cold water.

Q. How can I keep my potted palms glossy?

A. Sponge the leaves of the palms once every week with a solution of milk and water and they will keep their nice glossy appearance.

Q. How can I clarify coffee?

A. Before the percolator begins to boil, add the shell of an egg and see how it clarifies the coffee.

Q. How can I clean clogged burners of a gas stove?

A. Nothing is better for this purpose than a pipestem cleaner. It will remove all the dirt.

Q. How can I add more nutritive value to mashed potatoes?

A. By boiling the potatoes in their jackets, then removing the skins, and mashing the potatoes until fluffy.

"Canada's Role In World Affairs" Farm Forum Topic

What is Canada's Role in World Affairs? The last regular Farm Forum discussion for this season will deal with this topic when Charles Lynch, a former United Nations commentator for CBC is interviewed over National Farm Radio Forum on March 17.

Mr Lynch will be questioned by Mr Q.H. "Marty" Martinson, editor of Manitoba Co-operator, Mr J. Lincoln Dewar secretary of the Prince Edward Island Federation of Agriculture and Mr Andrew Hebb, general manager of Co-operators' Insurance Association, Toronto and formerly editor of the Rural Co-operator.

Medical Milestones

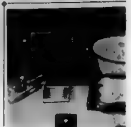
A New Remedy for an Old Disease

One of the oldest ailments known to mankind is diabetes, a condition due to the body's inability to utilize properly the sugar and starch contained in our food. Dietary restriction was the only way to fight the disease until some thirty years ago when two Canadians, Drs. F. G. Banting and C. H. Best, discovered insulin — a feat which won for Banting the Nobel Prize.

There is, however, one drawback to insulin. The drug cannot be taken by mouth because it is destroyed by the digestive juices. It has to be injected at regular intervals and there has never been a diabetic who did not wish he could do away with his syringe and needle.

Consequently, scientists have tried for quite some time to develop an anti-diabetic tablet. Only recently, though, has the attempt to discover a dependable drug of this kind been successful. German scientists found it accidentally when they were testing various sulfa compounds for their bacteria-killing ability. One of them — called Orinase and produced by Hoechst Pharmaceuticals of Montreal — turned out to be unable to fight infection but, instead, showed a remarkable ability to lower blood sugar.

Since its discovery in 1952, Orinase has been tested on scores of thousands of patients on both sides of the Atlantic, and is now widely used in several countries. According to medical reports, it will be successful in four out of five patients in the age group from 40 years and up, and in one out of three in people between 20 and 40.



This is particularly important in view of the fact that the incidence of diabetes goes up as the age increases.

Although Orinase may help the majority of diabetes sufferers to control their disease, they will have to continue watching their diet. They will also continue to need constant medical supervision. However, there can be little doubt that the development of a table to control their affliction is a major contribution to a fuller and more pleasant life for the diabetic.

W.M.S. Hear Missionary From India

Dr. Jean Whittier, a medical missionary from India, was the guest speaker at St. Paul United Presbyterial of the Women's Missionary Society of the United Church, when the annual meeting was held recently in Irma. Dr. Whittier spoke about missionary work, medical, educational, agricultural and evangelical, as it has been carried on in India for the past 80 years.

She went to India in 1934 and for the past 24 years has been helping with the work of healing the sick. The training of men and women to act as nurses and compounders has been another of her duties. She has been stationed at Banswara. Training schools are also carried on at the hospitals at Rutlam and Indore.

Mrs. W. F. Nicholson of Vegreville presided at the meeting which opened with a worship service conducted by Mrs. H. Riley of Irma who spoke on some essentials of Christian service.

The morning session was devoted to the hearing of reports from the different secretaries. There is a total membership of 343. The allocation of $2311 was exceeded. Money was voted to help build churches in Hong Kong. Many articles were donated for relief both in Canada and overseas.

A memorial service was held in memory of former members. This was led by Mrs. N. Davis and Mrs. W. Graham of Lloydminster. The afternoon worship service was led by Mrs. C. Alderson of Wainwright who spoke on "Our Capacity for Service". Mrs. R. L. Simmerman and Mrs. F. Jack of Irma sang a beautiful duet. They were accompanied by Mrs. W. Roebuck of Vermilion. Mrs. W. L. Robinson of Vermilion was in charge of the book display.

Discussion groups were held and interesting findings reported on four subjects: younger groups, Missionary Monthly and World Friends, candidates, associate members.

Rev. Shortt, Kitscotty, Rev. D. McPherson, Wainwright, Rev. R. Smith, Lloydminster, Rev. Gladys of Edgerton, led group discussions on the theme "What Does The Lord Require of Thee?"

The following new officers were elected, President, Mrs. A. Knapp, Cold Lake, Mrs. W. Morgan, Ashmont and the secretaries for Mission Circles, C.G.I.T., Explorers, Mission Bands and Community Friendship who are Mrs. L. Mitchell, Wainwright, Mrs. R. Smith, Lloydminster, Mrs. P. Okerstrom, Lloydminster, Mrs. R. L. Simmerman, Irma and Mrs. A. H. Sweet, Islay respectively.

All appreciated the dedicated work done by the retiring president and secretary, Mrs. F. Nicholson and Mrs. W. A. Hendrich Vegreville and also the kind hospitality of the ladies of Irma.

SEED TREATMENT PAYS

The treatment of smut and other seed borne diseases has come a long way since the days when the use of formaldehyde was standard practice and there are available today a number of reliable organic mercury chemicals for the treatment of seed which give very satisfactory protection at relatively small cost per bushel. In addition, there is now protection in the form of dual purpose treatments, against seedling blight, root rot and wireworm damage. Plan to use one of these seed treatments this spring.

PROVINCIAL GOVERNMENT GRANTS

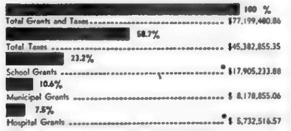
CITIES, TOWNS AND VILLAGES

Alberta's cities, towns and villages need money to provide diversified services for residents. This money is derived mainly from two sources—municipal taxes and Provincial Government Grants.

The 1956 municipal levy in cities, towns and villages in Alberta was $45,382,855.35 which, added to the Provincial Government Grant of $31,816,625.51 equalled a total of $77,199,480.06.

Provincial Government municipal grants are paid directly to the cities, towns and villages concerned.

School Grants are paid directly to the School Districts and Divisions and Hospital Grants are paid to hospital authorities.



Total Grants and Taxes	100 %	$77,199,480.86
Total Taxes	58.7%	$45,382,855.35
School Grants	23.2%	* $17,905,233.88
Municipal Grants	10.6%	$ 8,178,855.06
Hospital Grants	7.5%	* $ 5,732,516.57

* To express these grants in terms of their assistance to a municipality, school grants are pro-rated on an assessment basis. Hospital grants are pro-rated on a provincial per-capita basis. The resulting figures are therefore considered an approximation.

Provincial Government Grants to Alberta counties and municipal districts will be discussed in the next installment in this series.

COF Ham Shoot Sat., March 29

The Canadian Order of Foresters are arranging for an Easter Ham shoot to be held in the armouries on Saturday, Mar. 29th commencing at 1 p.m. and continuing until the hams are all won.

A new departure in shooting is planned by using both the bulls-eye targets and bingo targets. The bingo target gives everyone a chance regardless of marksmanship as the highest total score wins. Contestants have the choice of what target competition they enter.

Rifles will be supplied, or bring your own, no scopes.

Providing Free Blood Is Costly Business For The Red Cross

Providing blood has become a costly business. Should Red Cross continue to provide it free in Alberta? Before too long this question will have to be answered. If the answer is "yes" then residents of this province may have to go farther than voicing their approval of free blood transfusions. They will have to increase their contributions to Red Cross to cover the steadily accelerating costs of this free service. At this point readers will probably exclaim, 'But of course we want to continue free blood transfusions, don't we gladly volunteer to give blood as often as we can?' To this comment the reply is a most emphatic 'Yes'. The Canadian Red Cross Society has no higher praise than for those good people who so faithfully roll up their sleeves and give voluntarily of their life blood in order to maintain a fresh supply for hospitals and doctors in Alberta.

MERIT PRAISE

To many donating blood once or twice a year became a habit during the war and has been cultivated to the point where they have received 5th, 10th and 20th donor pins and scrolls in recognition of their generosity. In addition many new and young donors have responded to the growing need for blood and students from colleges, military personnel and new Canadians have joined the ranks of Alberta blood donors.

But the blood donor has only one role in this real-life drama of life-saving. There are many other 'Characters' and 'props' in the B.T.S. production and they all require money despite the tremendous voluntary effort of blood lenders and volunteer workers at B.T.S. clinics.

Three times more blood is collected and used today than when the service was inaugurated by Red Cross in 1947. This has resulted in the B.T.S. units travelling many more miles to get their precious product. This all means money. Money to operate vehicles. Money to keep these vehicles in running order in all kinds of weather. Money for hose, containers and other sterile equipment necessary for the job. Money to pay the team members who go out in all kinds of weather, at all hours, on all kinds of roads to keep blood banks stocked. Money for the highly skilled technicians who are responsible for testing, processing and labelling blood after its collection. Money for equipment at B.T.S. clinics and laboratories.

YOUR ANSWER?

Red Cross estimates the average cost for each bottle of blood collected, processed and distributed is $7.00. Cost to the patient receiving the transfusion is Nil. This situation is not repeated everywhere. In many centres of the U.S. patients pay anywhere from $20 to $100 for blood with most hospitals making a charge of from $7 to $12 to cover collection, storage equipment, maintenance and distribution. For the past 10 years such costs have been borne by the Canadian Red Cross in Alberta through voluntary donations of blood and money from the people in this province. These people hold the answer to the question 'Should Red Cross blood transfusions be free in Alberta?' By lending their blood and their dollars to Red Cross their answer will be a definite "Yes."

New Chief of D.P.W. Labs. Appointed

Norman Everton Laycraft, an employee of the Federal Department of Public Works for the past 15 years, has been appointed Chief of the Department's Testing Laboratories at Tunney's Pasture, it was announced today by Major-General H A Young, Deputy Minister.

Mr Laycraft was the successful candidate in an open competition conducted by the Civil Service Commission and replaces J. W. Lucas, who had been transferred to special duties at the laboratories.

Mr. Laycraft was born near Calgary, Alta., on April 6, 1916. He received his early education at the High School at Strathmore, Alta. and later attended the Calgary Normal School graduating with honours in teaching. He then taught school for two years at Vermilion, Alta. before commencing studies at the University of Alberta in Edmonton. He graduated in March 1942, with the degree of B.Sc.

After graduation he was appointed principal of the High School at Bentley, Alta., remaining there until July 1942 when he resigned to join the Department of Public Works at Ottawa as assistant chemist in the Testing Laboratories. He has been employed there since that time and has headed the chemical section since 1951.

Mr Laycraft was married in December 1942 to the former Dorothy Evelyn Clarke of Calgary. They have three sons, Bruce aged nine years, Gordon aged six years and Ross aged three years.

Mr Laycraft is an amateur astronomer and is interested in gliding, electronics and music. He is active in community affairs and has served on many government committees.

Mr. and Mrs. Laycraft and family reside at Glen Eagle, Que.

ABUNDANT LIFE

by ORAL ROBERTS

LOYD W. WAS AN ALCOHOLIC

Man's most severe struggle for faith is within himself. This is because his own sins condemn him. They stand before him when he gropes for contact with the Infinite. As long as this is true, faith cannot be very effective. But St. John said that "if our heart condemn us not, then have we confidence (faith) toward God" (I John 3:21).

Now I imagine this question presents itself: Does a person have faith whether he is right with God or not? The answer is "Yes, he does." For God gives a measure of faith to every man. But there must be a total commitment to God for faith to accomplish all that it could.

I am reminded of Loyd W. who for 15 years was an alcoholic. At various times through those years the pressure of [illegible] God consciousness within him would try to guide him aright. But the demon of alcohol would take control. Loyd's story is too long to relate here but I want to give a portion to illustrate how even a measure of faith will work in a human life.

"All through those harrowing years deep within me there was a God consciousness. One time when I was in Red River Parish, Louisiana, I stopped in a town and rented a hotel room. I bought some liquor and went to my room to drink. I had taken only a few drinks when I fell asleep. Sometime during the night I had a vision of the Lord. He had a crown of thorns upon his head and the blood was slowly oozing down his face. His eyes had a look of love mingled with pity.

"I felt so naked and ashamed and sinful. He never spoke a word to me, he just stood there in pity and sadly shook his head. The look was so penetrating that I wanted to cry out to him for forgiveness.

"Often before, I had felt a desperate need to serve God and be free from the deadly clutch of drink. Somehow that night, I felt that God in his infinite mercy would forgive me. But I needed something in addition to forgiveness. I needed complete deliverance from alcoholism. But I didn't know how, nor was I yet ready, to accept the deliverance I so desperately needed."

You see, Loyd found out what everyone else must find: faith cannot do its best work so long as there is sin in the person's life.

Sin is a devastating thing and it produces a division in the soul. The body and mind are keenly responsive to the soul. [illegible] impact of the soul's fears and weaknesses. This produces an easy prey for mental and physical ills. But when you turn from your sins and open your life completely to God, your faith will make you WHOLE.

Loyd, I am happy to say, did yield his all to God. He was delivered in mind, soul and body. Today he is a sober, healthy and happy young man. Complete faith brought complete wholeness.

Pleasant Valley News

Spring must be here, the black birds and crows have been seen and heard. The Tulips, Hyacinths and Amperia lilies are blooming too.

Had a nice chat with Mr. and Mrs. Bothwell last week. It was Mrs Bothwell's birthday and the flowers she received were really lovely. One wouldn't believe such flowers would grow during the winter, a lovely blue iris was among them.

Mrs. Hilda Bell entertained the family with a turkey supper with all the trimmings on Sunday.

Jean Keith and family were dinner guests with the writer and journeying into Mrs. Inman's, we foundd that she also had a turkey supper.

Hope you all enjoyed it folks!

A BY-LAW to regulate the use of all nuisance grounds within the jurisdiction of the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of Section 286, Sub-section "J" the Municipal District has authority to pass a by-law to regulate nuisance grounds, and

WHEREAS this course is now considered to be advisable as abuses have occurred in the use of nuisance grounds under the jurisdiction of the Municipal District of Vermilion River No. 71 and located within the boundaries of the Municipal District,

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

No person shall deposit straw, hay or animal manure or any dead animal or any car body or car frame or truck body or truck frame or running gear or box of any wagon or any piece of formed metal greater in area than four (4) square feet in pits on the property or on any part of the property provided and set aside as a nuisance ground by the Municipal District tof Vermilion River No. 71 and within the boundaries of said Municipal District.

Any persons who are found guilty of a breach of this by-law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five dollars ($25.00) and costs, for a second offence to a penalty of not more than fifty dollars ($50.00) and costs, and for a third or subsequent offence to a penalty of not more than one hundred dollars ($100.00) and costs.

DONE AND PASSED in Council this 10th day of December, 1957, A.D.

This by-law to become effective immediately upon the passing thereof.

JOHN H. KELLY, Reeve.
A. R. KAY, Secretary-Treasurer.

OUR LETTER FROM EDMONTON

Govt. To Provide More Direct Financial Assistance to M. D.'s

by KEN [illegible]

EDMONTON—Forecasts of a major change in the financial policy of Alberta's Social Credit government were borne out in the budget presented to the legislature by Provincial Treasurer E.W. Hinman.

In the face of diminishing natural resources revenue and uncertainty over gas export, the 1958-59 budget calls for expenditures of $263,684,083 a drop of $21,805,277 from last year's record $285,489,370, and the first decline in overall spending since 1946.

As predicted earlier, the budget sets aside more money for direct municipal assistance and much less for statutory payments which in past years have been used to build up reserves and provide low-interest loans to local authorities.

What it means is that the province has all but washed its hands of the lending business. Only small amounts will be set aside to buy debentures of municipalities when they can't get good rates on the open market.

If you don't count statutory provisions, spending will be up for the year. The budget estimates expenditures at $258,084,083 for the year, against $213,989,370 for the current year or an increase of $44,094,723.

The big difference is in statutory payments. They amount to only $5,600,000 of the budget total, compared with $71,500,000 in last year's budget.

Dropped from the budget are such items as last year's $35,000,000 investment in the Municipal Finance Corporation, $11,000,000 for school loans, and $10,000,000 for Alberta Government Telephones.

Overall Municipal assistance will use up $99,117,200 an increase of $13,883,100 over last year's figure of $85,234,100. According to Premier Manning, the increase in grants will cover the anticipated rise in the cost of education and leave enough over to permit an average reduction of 10 mills in municipal tax rates.

Education grants will amount to $50,750,000, hospital grants $16,180,000, and highway grants $12,250,000. All are up considerably from last year.

Grants to municipal councils no longer tied to the gasoline tax, will amount to $15,000,000, against $10,880,000 last [illegible]. These are the grants paid directly to local councils, with no [illegible].

Revenue will be up for the year $263,683,985, an increase of $11,087,100 over last year. But the main source of revenue natural resources is expected to decline to $111,865,000 from last year's estimate of $128,091,000.

This drop reflects the slowdown in the oil industry, brought about by dwindling U.S. markets, uncertainty over gas export and less interest in exploration and development work.

Speaking privately to reporters, Mr Hinman said the biggest revenue item, sales of leases and reservations will probably drop sharply if the oil situation doesn't improve. Unless there is an unexpected increase in revenue, expenditures will have to be cut next year.

As it is, he said, all government departments will have to budget closely in the coming year.

Other main revenue items include $52,275,000 from the federal-provincial tax rental agreement and federal subsidies, $316,215,000 from the gasoline tax, and $16,000,000 from liquor sales.

The budget indicates oil and gas [illegible] dividends will be slightly lower this year. It sets aside $10,000,000 for the dividends compared with $11,000,000 last year, reflecting a drop in royalties.

Education and highways continue to be the big spenders among the government departments.

The education department will spend a total of $37,524,980, which represents 22 per cent of the provincial revenue. The highways department will spend $19,442,680 on capital construction to continue the program of building main roads.

Liberal Leader, J.H. Prowse launched the debate on the budget this week, and it is expected to last more than a week.

Solve a Crime
BY
A.C. GORDON

YOU ARE THE DETECTIVE

Within fifteen minutes after the daring daylight robbery, you are in the private office of Albert Graves, the manager of the local bank, learning the details of the crime.

"He certainly made a fast, clean job of it," exclaims the gray-haired manager, as he fidgets nervously with some of the articles on his desk. "I was in here working at my desk when I thought I heard a disturbance. I walked to the door of my office just in time to see the bandit hurry out of the front door with a brown paper bag under his arm. According to our teller, Bob Calhoun, this fellow with his hat pulled way down over his eyes and with several pieces of surgical adhesive tape plastered on the lower part of his face walked up to Calhoun's window as cool as you please one hand stuck in the pocket of his coat, and ordered Calhoun to push the stacks of paper money through the window into his bag. Calhoun was too nervous to think of pushing his alarm button and he did as the bandit told him to do. But I think I have a real clue for you."

"And what is that?" you ask interestedly.

"I've lived in this town all my life and pride myself on my observa[illegible] of people and their mannerisms. Just from the rear view I caught of the bandit going out the door and from his manner of walking, I can almost swear that it was Joe Acomb, a fellow who lives alone in that shack on the other end of Sunset Road. He was in here about four months ago applying for a loan, but we had to refuse him, because of the fact that he has never held a job for more than a month or so at a time."

After a few more questions asked of the various bank employees, you drive out to the run-down place on Sunset Road where Joe Acomb lives. In response to your knock on the door, a feeble, hoarse voice bids you "come in" and upon entering you find Acomb lying under a dirty blanket on a cot in one corner of the cluttered room. After identifying yourself, you warm your hands over the logs burning in the fireplace as Joe Acomb tells you:

"Been powerful sick, I have. Weaker than a cat. Ain't been able to move out of this bed since last night when Doc Jenkins was here. He promised to send someone here this morning to help me out a bit, but you're the only one that's showed up. Maybe you'll get me a drink of water."

As you comply, you ask, "Then you don't know anything about the bank robbery?"

"Bank robbery?" How would I know anything about that? What do you mean by asking me that? I told you I've been too sick to get out of bed. Say," and he half rises from his pillow, "you ain't trying to pin something on me, are you?"

"I don't know whether I can pin the robbery on you," you say "but I'm still somewhat suspicious of you."

* * *

SOLUTION

Joe Acomb has told you that he has been too sick to move out of bed, and that no one had been in his place since the doctor the preceding night. But still there was a log fire burning in the fireplace!

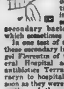
SCIENCE IN YOUR LIFE

The Flu And You

Asian influenza is now well launched on its unpleasant course in many U. S. communities. It seems probable, however, that nowhere in the United States will it be as severe as it was in two widely separated countries: the Philippine Islands and Chile.

The Philippine epidemic raged during May and June of this year, and the overall death rate for the islands was 16 per 100,000 of total population — far higher than its toll on the Asiatic mainland. As usual, these deaths were attributed not to the influenza virus itself, but to the secondary bacterial invasions which sometimes follow the flu.



In one test of means to combat these secondary invaders, Dr. Angel Florentin of the Manila General Hospital administrated the antibiotics Terramycin and Tetracyn to hospitalized patients as soon as they were admitted. While neither of these antibiotics had any effect on the flu virus itself, they were significantly successful in repelling the secondary germs, and in keeping down serious illness and death.

Dr. Florentin reported his work before the Fifth Annual Symposium on Antibiotics in Washington, D.C. A similar experience was related to the Symposium by Dr. Rogue Kraljevic of Chile, who treated 76 flu victims with antibiotics during the recent epidemic in his country. He found that Signemycin halted secondary infections in more than 9 out of 10 patients. In Dr. Kraljevic's study, secondary infection of the respiratory tract was proved in all but 11 cases.

Four Candidates Nominated For Battle River-Camrose

D. R. Mitchell, returning officer for the federal constituency of Battle River-Camrose, announced that four nominations were officially received for the general election on March 31st. Three of those nominated were the same as in the general election of June 10th, 1957, the only change of candidate was by the Liberal party which named Mr. Clifford Saville of Hardisty.

The candidates in the order in which they will appear on the ballot are:

Harold Roiseth, C.C.F., Rosalind, teacher.

Francis Clifford Saville, Liberal, Hardisty, rancher.

Clifford S. Smallwood, Conservative, Irma, farmer.

James Alexander Smith, Social Credit, Vermilion, teacher.

Mr. Smith was the member of the last parliament.

FIVE CANDIDATES AT VEG

The Vegreville constituency sees one of the five-cornered contests with the following nominated: Frank W. Fane, Conservative; Jacob Ruhl, Liberal; Peter Stafura, Social Credit; Mrs. N. Zaseybida, C.C.F.; Frank Maricle, Labor-Progressive.

Election day is Monday, March 31st.

Vermilion Branch, Canadian Red Cross, Hold Annual Meeting

The annual meeting of the Canadian Red Cross was held on Monday, March 10 in the Divisional Office with the President, Mr. S.D. Simonson presiding. After the reading of minutes of the former reports, the various committees gave their reports. Mr. J.R. Robson reported that the present campaign was nicely under way. Mrs. S.C. Heckbert reported that the 'Knit Wits' had made a shipment of 66 articles for the Red Cross. The Junior Red Cross is well organized in the schools, as was reported by Mr Fred Stewart. Special mention was made of a letter received from the Blood Donor Clinic in Edmonton, stating that the Clinic held here in November was the largest ever held in this centre with a total of 219 Donors, 72 of these being new members. This was organized by Mrs. Heckbert and Miss Keith as Mrs. Robson was unable to take charge. A letter of thanks was to be forwarded to Mr A. Cooper for his help in the publicity with the present Red Cross campaign.

At the election of officers for the coming year, the former slate of officers consented to remain in office. These are: President Mr. S. Simonson, Vice Pres. Mrs. J.R. Robson, Sec. Mrs L. Eidem, Treas.—Mr S.B. Anderson; Campaign managers—Mr. J.R. Robson and Mr D.R. Mitchell; Women's Work Convener—Mrs. W.R. Jory; Blood Donor Clinic—Mrs. Robson and Miss Keith; Swimming and Water Safety—Mr. W.F. Stewart; Publicity—Mr. W.F. Stewart; Hospital and Assistance—Mrs. W.F. Stewart and Mrs. D.R. Mitchell.

Mr. F. Stewart moved a motion to adjourn.

Wener Store Property Purchased By E. Clendenning

A business transaction was completed this week whereby Mr. E. Clendenning purchased the store building which he has occupied for the past six years and the adjacent lot on 50th avenue from Miss Dorothy Wener of Seattle, Wash.

It will be recalled that the firm of M. Wener & Sons established their business here back in 1912 and have owned property ever since that time. The original store was burned in the big fire of 1919 along with the main business section of the town. The present store was erected on the new site that same year.

Mr Clendenning rented the building six years ago and established the store now well and favorably known as Clendenning's Family Wear.

Proceeds will be used by the Foresters for community projects. 36-7

Mannville Students Visit Legislature

MANNVILLE—On March 11 grade 8 and 9 students were taken to see the Legislative Buildings. Two school busses were chartered for the trip. The following teachers supervised the students: Mrs. Thompson, Mrs Morrison, Mrs. North and Mr Bohaichuk. Mrs. Bang and Mrs. Doherty assisted the teachers.

The group was met at the Parliament Buildings by Russell Whitson, M.L.A. and conducted on a tour of the museum and library. A guide took most of the students to the dome from which they obtained an excellent view of the city. The Mannville students and supervisors sat in the member's gallery and watched their Legislature as an interesting session took place. Before leaving for home the group was treated to a lunch in the Cafeteria by Mr. Whitson.

A stop of a half an hour was made at Vegreville on the way home. Students, supervisors and drivers enjoyed a turkey supper. Busses arrived back in Mannville about 8 o'clock in the evening. Everyone reported a pleasant and profitable day.

Attends 2 Weeks Course At Civil Defence College

Mr. Albert Hareuther returned recently from two weeks spent at the Canadian Civil Defence College at Arnprior, Ont., where he attended a course in rescue work. This course is of special benefit to members of fire brigades. Life itself at the college was very interesting.

Albert visited Ottawa and enjoyed a three-hour conducted tour of the parliament buildings. On the way home he stopped at Oshawa and took delivery of a new Pontiac for his mother. He found motoring home very good all the way despite the winter season. The trip east was by TCA.

Junior High School Activities

The skating party, held on Mar 7 was enjoyed by all who took part. After the students skated, Grades 7A and 7B did a fine job of organizing games and serving lunch.

[illegible]

Curling is still the most popular sport in the Junior High School. The annual bonspiel was held on March 14 and 15th with twelve rinks participating. This year each rink played four games. A victory for a rink was good for four points and each rink also collected one point for any end which it won. This type of Bonspiel proved very popular with the students.

The first prize of cuff links and medallions was won by Murray Ross, Bob Park, Jack Keating and Miss Behnke, in order of their positions played. Jim Sinden and Wynne Puckett's rinks tied for second place with the latter emerging victorious after a four end tie-breaker. Wynne Puckett, Joe Beatty, Doug Wilson and Raymond McGaughey accepted the second prize of socks. Consolation prize, candy and records, went to Reta Porter, Margwynne Clendenning, Dick Upshall and Beverly Strome.

Meeting Tuesday To Hear Aalborg And Smith

A public meeting arranged in the interests of James A. Smith, Social Credit candidate for the Battle River-Camrose constituency, will be held in the Legion hall, Vermilion, on Tuesday evening March 25th commencing at 8 p.m. Speaking in support of Mr. Smith will be the Hon. Anders O. Aalborg, Minister of Education for the Province of Alberta.

The meeting is open to the public and everyone is invited to come and hear public affairs, events and legislation discussed.

An opportunity to meet Mr. Smith and Mr. Aalborg will be given following the meeting when free coffee and doughnuts will be served.

Vermilion Lodge Well Represented At Convention

Several members of Britannia Rebekah Lodge No. 48 attended the Sessions of the Rebekah Assembly which were held in Edmonton recently.

Annie Cameron, Past Noble Grand, had the honor of being chosen head of the Committee of Supplies for the occasion and Elsie Sinden, P. N. G., was the official delegate from the Vermilion Lodge. Other members attending were Jessie Stephens, P.N.G.; Addie Mead, P.N.G.; Marian Davis, P.N.G.; Kathleen Williams, V.G.; Edith Logan, Chaplain, and Corinne Downey, L.S.N.G. Louise Lang, P.N.G., joined the group to attend the opening tea which took place in the Hudson's Bay auditorium on Monday afternoon.

Hockey Players Receive Awards at Sportsmen's Dinner

Honored at the Sportsmen's dinner on Monday night were two favorite hockey sons, Lorne Scoggins of Vermilion Tigers and Jim Reid of the Juvenile Bob Cats. These two players, both goal keepers, were adjudged by the members of their [illegible] tive teams as the player [illegible] the season's play, was [illegible] the most valuable to that [illegible].

Lorne Scoggins, who is a Mannville boy, turned in scintillating performances against big odds all season for the Tigers. He received the Craig Bros. trophy.

Jim Reid, son of Mr and Mrs. Cliff [illegible] was the [illegible] for the [illegible] Bob Cats. The donor of the trophy presented to Jim was Mr. A. M West.

The presentations were made by Mr. West at the Sportsmen's dinner, together with appropriate words of praise to the two proud and very pleased winners.

FISH SURVIVE ORDEAL

It now looks as if the majority of the fish in the Vermilion Lake have survived the ordeal through which they were going last week, thanks no doubt, to the battle put up on their behalf by Game Officer George Senz and his helpers. While there are still fish in evidence around the open water, they are acting quite normally and swim and dart about swiftly apparently receiving all the oxygen needed.

Bernie's Bakery Takes Over Lunch Counter

Bernie's Bakery, which has been operating the bakery portion of the Elite business, has now rented the entire building from Mr. Don Wiwchar and is already operating the lunch counter and confectionery.

The proprietors will conduct a very modern lunch counter with new dishes, new lunches and new [illegible].

The lunch room and confectionery will be closed all day on Tuesday and Wednesday to allow for thorough spring cleaning, painting and renovations.

Customers may obtain their bread and baking needs by going to the door to the bakery itself on the east side of the building.

Attends Course In Leadership

Peter Noster of Derwent returned recently from two weeks spent at the Banff School of Fine Arts where he attended a class in 'Community Leadership'. This was conducted by the Department of Extension, University of Alberta, and proved intensely interesting and informative. Peter admitted that the professors made them really work and study but stated that the material was really worthwhile and practical.

Legion Curlers Winners of Sixteen Rink Inter-Club Bonspiel Here

The annual one-day bonspiel for the handsome Knights of Columbus trophy was played on Sunday with 16 rinks representing eight organizations of the town, competing. The clubs represented were the Knights of Columbus, Legion, 'A' Coy, L.E.R., Kinsmen, Masons, Foresters, Rotary and Elks.

Each rink played three games with the winners being decided by points awarded for each game won, each tie game and one point for each end scored.

The Legion rinks skipped by Curtis Martin and Vic Tillett emerged the winners, one point in front of the Kinsmen rinks skipped by Bob Rowe and Leo McKernan.

The host club this year was Rotary with Dr Ben King being in charge of all arrangements. Draws were right on time and everything was completed perfectly. A buffet luncheon prepared by six Rotary annes was enjoyed in the cafeteria in the curling rink.

Presentation of the handsome trophy was made by Joe McIntyre, Grand Knight of the K of C who originally presented the trophy for annual competition, to skips Martin and Tillett.

The inter-club bonspiel was inaugurated four curling seasons ago by the Knights. Each club takes a turn at being host entailing all the invitations, arranging the draws and the luncheon at the conclusion of play.

The club in charge next year is the Kinsmen.

Bantam Elks Are Supplying Much Hockey Action

All the hockey action in Vermilion at present is being supplied by the Bantam Elks team. These energetic players went to Marwayne Tuesday night and took a 5-1 victory from the Bantams there. Notching one goal each for Vermilion were Murray Ross, Henry Wasylik, Jim Sinden, Joe Beattie and Bob Ford.

Playing at Mannville last Thursday evening they lost a close decision 5 to 4. Just prior to that they played at Dewberry and won 4 to 2.

The Bantam Elks are coached by Roy Hitchcock and Don Taylor with Don making most of the road trips with the team.

As a result of their victories the Elks are sitting on the top of the Bantam League.

Forums Hold Spring Rally Mar. 24

Farm Forumites are again reminded it is that time of the year [illegible] time for their annual 'Spring Rally' this year sponsored by the Lavoy group and scheduled for March 24th in the Lavoy hall, 8.15 p.m. Each group is requested to bring along a stunt, game or song, and be prepared to enjoy themselves at this rally, for which an interesting program is being arranged. Ladies, please don't forget to bring a [illegible] lunch, coffee will be provided.

The Farm Forum season [illegible] 58 has ended and the rally will officially close a winter of interesting and vital topics to those engaged and those interested in the agricultural industry of Canada.

Two Councillors Defeated in M. D. Election

Two councillors seeking re-election were defeated in the Vermilion River [illegible] last Saturday. In Division 1 former Councillor R. D Heath ran third with J. W. Gordon the winning candidate. In Division 3 Don Wilson was the winner defeating Jim Wallington.

The complete count in Div. 1 was: Gordon 209; Weeks 133; Heath 48; Serediak 43.

The count by polls in Div. 3 was:

Poll	Wallington	Wilson
Bowtell	27	30
Vermilion	[illegible]	130
Thorncliffe	30	21
Woodvale	33	44
Donly	21	2
Harrison	36	1

Well Known Speakers Attend Farmers' Short Courses

Farmers who attended the Agricultural Short Course held at the School of Agriculture were well satisfied with the subjects discussed and the speakers who came from Edmonton and other points.

The first day was taken up entirely with live stock subjects and the meetings were well attended.

Mr Alex Charnetski, Live Stock Supervisor of the Provincial Department of Agriculture Edmonton, gave the meeting a lot of information on feeding hogs to get grade 'A' bacon. He stressed the point that well bred good type breeding stock is not what it ought to be. Mr Charnetski said that a great many good type pigs never get grade 'A' standing on account of wrong feeding. Fattening feeds were used in the finishing period which often resulted in pigs that were too thick and too fat for the higher grades.

LIVESTOCK DISEASES

Dr E.E. Ballantyne, Director of Veterinary Services, Edmonton discussed New and Old Live Stock Diseases. Such new diseases as Vibriosis are spreading. Mostly it is a matter of prevention. A good many outbreaks [illegible] being bought and run into the feed lots or pasture without isolating them for a couple of weeks or so.

Dr Ballantyne said that diseases such as T.B. and Bang's are being reduced by testing and calfhood vaccinations in certain areas. Some municipalities have not as yet commenced with these programs. Losses from Bang's disease in Minburn and Vermilion River Municipalities is now negligible after six years of compulsory vaccinations of heifer calves.

The panel discussion on swine breeds and cross breeding proved very popular. Alex Charnetski was chairman and Mr Jack Stothart, Superintendent of the Lacombe Experimental Station and Prof R. Berg of the University of Alberta were members of the panel.

The speakers all agreed that cross breeding of swine breeds is worth while but the breeding stock must be of good type and quality or good results cannot be expected. To use Landrace or Lacombe boars on Yorkshire sows would give good results but if the sows were of mixed breed and poor type results would be disappointing. It was brought out in the discussion that the great interest in [illegible] breeding would indicate the pig raisers are anxious to improve the type of their breeding stock in order to take advantage of the premiums available for high grading bacon sides.

FIELD CROPS DAY

The three speakers on field crop subjects bought a wealth of information to the meetings on the second day of the course.

Wm. Lobay, supervisor of Soil Conservation and Weed Control spoke on New Chemicals in Weed Control. E.H. Buckingham, District Agriculturist, discussed Special Crops and Chas. Gordon, Livestock Supervisor related the value and place of silage.

On the third day, Chas. Cheshire, Agricultural Engineer Edmonton gave talks on using electricity, septic tanks, hot and cold water installations etc.

Mr Stewart Duncan, District Agriculturist of Wainwright gave a comparison of revenue from various types of farms in the Leduc area. Where business methods were applied the profit per farm was greatly increased.

The ladies short courses were held at the same time and place as the men's meetings. The speakers were, Miss Craig, District Home Economist at Wainwright, Miss Masculak, District Home Economist, Vegreville, Mrs R. Carmichael of Vermilion and Mrs. Wm. Bushko of Vegreville [illegible].

The Short Course was sponsored by the Vermilion Agricultural Society and the Provincial Department of Agriculture. It was opened by Mayor Hill of Vermilion and the assembly was welcomed by President Strome of the Vermilion Agricultural Society and by Mr Palin, Acting Principal of the School Of Agriculture.

Vermilion Mixed Chorus Rehearsals

To all Vermilion Chorus members, past and prospective Music is now to hand, and there will be a practice in the High School at 7:30 on Monday evening, March 24th. Let us see you there, ready to get started and to put on a concert in the latter part of May.

Bishop of Edmonton Conducts Confirmation At St. Saviour's

The Apostolic Rite of Confirmation was administered to seventeen candidates on Sunday evening at St. Saviour's Anglican Church, Vermilion, by the Right Rev H. H. Clark, D.D., Bishop of Edmonton. The beautiful and inspiring service was attended by a congregation which completely filled the church.

Those confirmed were members of the classes taught for the past two months by the Rector of St. Saviour's, Rev. K.A. Minchin.

Bishop Clark in a short address to the newly confirmed, spoke on 'Prayer' leaving not only those newly inducted into the church but the entire congregation, with a deeply felt message.

Those receiving the Laying on of Hands were Ian Taylor, Thos Thompson, Julia Kaiser, Lucille Thompson, Lillian Thompson, Sandra Moses, Dianne Sinden, James Blake, Joseph Hart, Mrs. Florence Kaiser, Mrs. Ethel Thompson, Mrs. Evelyn Smith, Jean Hildreth, Harold Cooper, Mrs. Betty Cooper, George Hinton, Mrs Joyce Hinton.

NEW LAY READER

The Bishop also presented a member of the congregation, Mr Mitchell Taylor, with his license as a lay-reader of the Anglican Church. Mr. Taylor has been conducting evening services at St Saviour's for some time.

The choir directed by Mrs. Minchin, sang the appropriate anthem 'If Ye Love Me.'

Assisting in the service also was Canon Freeman, at one time Rector at Lloydminster and now retired in Edmonton.

WELL ATTENDED RECEPTION

Following the service the Bishop spoke at a well attended reception tendered in his honor and to the newly confirmed members of the church. Speaking also was Canon Freeman who had preached in [illegible] a half century ago, before the edifice was completed.

The Rector's Warden, Mr E. H. Buckingham without whom no Anglican church gathering is complete, acted as chairman of the enjoyable and informal gathering while Ashley Cooper on behalf of the congregation thanked the Bishop for his presence, his message which reached one and all, and for the beauty of the service as conducted by his Lordship.

Annual Meeting Of Vermilion Golf Club

The annual meeting and election of officers of the Vermilion Golf club will be held next Wednesday evening March 26th in George's Lower Deck at 8:30.

Following reports of last season's record-breaking activities, and election of officers for the coming season, the feature of the evening will be the showing of the film of the Canadian open tournament, the 'Seagram' Gold Cup.

With golf rapidly climbing to the peak of summer sports, it is strongly urged that all golfers and prospective golfers attend the meeting and help formulate plans for what promises to be the biggest year ever for golfing interest in Vermilion and district.

Remember, George's Lower Deck next Wednesday evening, March 26th at 8:30. Free coffee will be served following the film.

Gardeners to Hold Annual Meeting

The annual meeting of the Vermilion Horticultural Society will be held on Friday, March 21st in the court room at 8 p.m.

A series of slides on native flowers growing in your back yard will be shown by Mr. Dick Withington. Slides will also be shown of some of the gardens and flowers to be seen at the spring garden festival in Victoria. Everyone interested in flowers and gardening should come and bring a friend.

Henry Singer Smash Hit At Vermilion Sports Dinner

One Henry Singer, as he was [illegible] referred to by a certain B.C. football manager, became formally introduced to the sportsmen and women of this hockey conscious town last night and a few seconds after he strolled to the [illegible] had the hall ringing with laughter.

The Edmonton Eskimo executive, the latest rage on the [illegible] was the head guest speaker at the annual Vermilion [illegible] Sportsmen's Dinner [illegible] show that drew a full house of over [illegible] mixed patrons.

Despite Singer['s] burning desire to keep the Eskimos in the [illegible] with [illegible] speaking roles in the past month or so, hockey stole the show. No Eskimo players were present.

The head table included Edmonton Flyer general manager-coach Bud Poile, three of his injured [illegible] Jerry Melnyk, Metro Prystai and Chuck Holmes, club trainer Tiger Goldstick and the team [illegible] Red Wings scout Clarence Moher. They treated the fans to a filmed version of the Stanley Cup playoff highlights of last [illegible].

SHARPENS NEEDLE

Singer spent the first few uproarious minutes needling Poile and dinner master of ceremonies Ken Foss but then settled down to a more serious plane praising the Vermilion intermediate Tigers for their strictly homebrew talent operations in the Eastern Alberta Hockey League this season. It seems to me, Hank confided, "that a lot of pro clubs in all branches of sport would be better off to develop more local talent rather than go overboard for imports."

Poile the other main speaker at the king-sized feed served up by the Ladies Of The Royal Purple put in a few digs of his own but his tongue-in-cheek explanation of the Saturday night hassle in Calgary which resulted in fines and suspensions to four players, drew the biggest laugh.

"What really happened," remarked Poile with a straight face, "was that my guys saw the Calgary fans start moving in on the referees and charged across the ice to protect them. That's all there was to it, nothing as serious as the press and radio would have you believe."

He finished up by praising the Vermilion fans for supporting their club, despite a losing season. Tigers, who won only two league games all season, played to an average crowd of 400 people. Poile also drew attention to Vermilion native son Brent Macnab, who started a good pro career with Calgary Stampeders and then later switched to the St Louis Flyers of the American Hockey League. Macnab is currently a valuable performer with the coast division leaders of the Western League, Vancouver Canucks.

Dinner chairman was Tiger president Jack Brown and other head table guests were Mayor Hill, Ashley Cooper of the Vermilion Standard and Tom Harris of the Journal.

That Very Enjoyable Sportsmen's Dinner

Acting on that old adage that a change is as good as a rest, the Standard is reproducing the story of the Sportsmen's dinner as written by Tom Harris, a member of the Edmonton Journal who was a [illegible] on that occasion.

The [illegible] was an outstanding [illegible]. It was sponsored by the [illegible]ive and players of the Tigers Hockey Club and arrangements were carried out with the same care and attention which has characterized the hockey club's [illegible] all [illegible]. Plans were laid carefully, publicity was [illegible] the [illegible] being well [illegible] on developments with [illegible] doing his job well over CJCA. The ticket sales were energetically carried out, and the net result of the actual event itself was well nigh perfect.

Doing things well has been the keynote of the Tiger executive all winter. The main objective was to give the large number of local and district boys a chance to play hockey which they ardently desired, and to put Vermilion [illegible] into the E.A.H.L. where it [illegible] belonged. They had another ambition, that of operating [illegible] a deficit and with hopes of paying off the unpaid debts of other Tiger hockey clubs. [illegible] the Tigers were out to do a [illegible] job, the fans rallied, the support was steady and the Sportsmen's dinner was a [illegible] climax to a good year.

[illegible] extra pats on the back in the way of praise are [illegible] Jack Brown who worked whole-heartedly as Jack does, vice president Reg Ireland, sec. treas. Murray Millar and executive members Irvin Gordon, Joe Brower and Russell Carroll and every playing member of the Tigers, coach Lee Williams and his helpers.

Even though the Tigers didn't win many games during the season they gained the respect of every team in the league.

The season's activities proved to be a good job very well done by the Tigers Hockey Club.

Refrain from wasting other peoples time while wasting your own.

Red Cross Month

In the minds of most of us there is an inherent sense of duty and a desire to help others. This is not cultivated interest but one that is a part of us from birth.

This month we have an opportunity to share in thousands of kindly acts by giving our financial support to the Canadian Red Cross Society.

Through Red Cross we can give help with our dollars. They will form a powerful weapon when disaster strikes here at home or in any part of the world. We know the Red Cross will be on the job doing the things we would like to do for victims of fires, floods and famine. Truly Red Cross is a never failing friend for the unfortunate and through our interest we can share our good fortune.

In war and peace, the Red Cross has achieved an enviable record of service to humanity. In peace its work is equally as important as in war.

This year [illegible] canvasser calls at your home or office — think — then give generously.

Promotes Alberta Tourist Travel

Some idea of the scope of activities of the Alberta Travel Bureau on behalf of tourist business in the province may be obtained from data in the branch's annual report submitted to the legislature. Last year 29,305 people wrote in for information which was provided promptly. The [illegible] 750,000 pieces of literature covering attractions in every season of the year. The bureau helped bring in the more than two million tourists last year who spent $81,[illegible] in the province.

Launch "Get Out Vote" Campaign

The Canadian Chamber of Commerce announced today that it [illegible] national non-partisan 'Get-Out-The-Vote' campaign. To make the program fully effective right across the country Canada's national business organization is enlisting the aid of its over 730 member Boards of Trade and Chambers of Commerce and some 2400 [illegible] companies.

These groups, representing a cross-section of the country's business and community life are asked to co-operate in an all out effort to encourage people to go to the polls on March 31. They will bring into play such things as literature, lectures, speakers, door-to-door campaigns, posters. Throughout the campaign the Canadian Chamber will co-operate fully with the Junior Chamber of Commerce of Canada which is also conducting a national 'Get-Out-The-Vote' campaign. The Junior Chamber of Commerce of Canada has a membership of 30,000 young businessmen and 275 local units across Canada. Slogan being used is 'Vote As You Like But Vote.'

'Democracy depends upon the exercise of the free and [illegible] ballot,' stated President [illegible] Pybus of The Canadian Chamber of Commerce. 'Citizens should be kept informed only as [illegible] can put to effective use the full value and worth of the franchise—they should make sure their names are on the voters' lists, and most important of all on election day March 31, they should vote.'

Editor, Vermilion Standard,
Vermilion, Alberta.

Dear Sir:—

I was instructed at a meeting of Vermilion Branch, Canadian Legion, held on March 14th to write to you and express our thanks for all the valuable publicity you gave to us in the columns of the Standard in connection with our Polio Fund Canvass. Collections to date add up to $907 so we hope that when all donations are received the total will exceed the $1250 collected last year. The members of this branch are quite sure that the publicity that you gave had a lot to do in getting in such good donations.

Yours truly,
E. H. Buckingham,
Sec'y., Post. No. 11.

The Vermilion Municipal Hospital board have decided to purchase a new Ferranti X-ray machine at a cost of $2045 installed. The move has been under consideration for some time.

The Hospital board also purchased Victory bonds to the amount of $2000 in the recent issue.

The government gravel crushing crew and equipment moved away from Vermilion this week after spending the winter crushing rocks at two pits, one east of town and the last one just a short distance north of town. As a result of their work, there are now some 20,000 cubic yards of crushed gravel ready for surfacing of the highway in the spring.

M. Simonsen's sedan was the victim of a hit and run driver some time late St. Patrick's night or early the following morning. The car was left parked on the street in good condition Tuesday night but was sadly battered Wednesday morning having been crashed into head-on with the lights and fenders bearing the brunt of the damage.

The annual meeting of the [illegible] of Trade was held in the [illegible] hall when H. W. Harper was re-elected president, A. W. Ebbett vice-president and J. W. G. Morrison secretary-treasurer. The executive is composed of C. W. Robinson, C. L. Whitby, W. A. Fallow, F. J. Buck and W. R. Wiebe.

An important business deal took place whereby the firm of Stephens Bros. acquired the flour and feed business of W. R. McClinton. Messrs. Wiebe and Son, millers of Langham, Sask., who have been negotiating with the town for the installation of a 125-barrel flour mill, signed a final agreement on Tuesday mutually satisfactory to the town and to themselves.

Chas. W. Robinson has decided to give up farming and is having a clearing off auction sale on March 29th on 14-51-6.

Mr. and Mrs. Frank Baker returned this morning from the east. The Standard extends its heartiest congratulations.

GOOD DESIGN IN HANDICRAFTS

There are 3 questions to ask in determining the quality of design in an article:

1. If it is intended to do a job, does it work?
2. Is it genuine and well made?
3. Is it attractive?

The principles can be [illegible] applied when thinking of [illegible], silver, furniture and household items. For example, an attractive teapot in a plain shape, and one that pours well is of good design. A teapot which imitates a cat or a cottage is not genuine and not well made for pouring and serving. Why should it pretend to be a cat or a cottage when a well made teapot is attractive in itself. Examples of this [illegible] are [illegible] and with a [illegible] you can think of similar cases.

As a person who does a great deal of handicrafts, how do principles of good design effect you? Do you believe that these three [illegible] can apply to your handicraft articles? If so, to what extent?

The first rule, does it work, can be applied to any article that you make which you intend to put to work. For example, a pot holder, embroidered or crocheted, of felt or foam rubber [illegible] protect your fingers from coming into contact with a hot surface. A pot holder, if it is to be genuine, must be made to look like a potholder — not a bunch of bananas, or an animal. If you want a decoration to hang on your kitchen wall, don't make a potholder, make a picture, in keeping with your decorative scheme. Third and most important rule, is it attractive. Is a plain round or square, well made potholder of an attractive color any less attractive than an imitation of bananas?

These rules can be applied to any craft, then, whether it is crocheting, rug hooking, copper tooling, aluminum etching or any of the crafts in which we make an article with a specific use.

Well, as we ask these questions of different crafts, do we come to any to which the answers are all 'no'? Perhaps, according to personal taste, we do. If all these questions are negative, then this particular craft could well be considered a waste of time for you. Do you get any real pleasure spending several hours making an article only to set it aside and wonder what to do with it? If before beginning, you have a definite purpose in mind for the article, as a gift, to be used in your home or to carry out your decorative scheme, then you will experience satisfaction in completing the article.

(Please Note: This is Part I of a series of articles on Design in Handicraft. If anyone has any remarks or comments, I would appreciate a phone call or letter.)

NEWS from ISLAY

Mrs. Steiner has arrived to spend a while with her son Eddie and his wife.

Mrs. Sweet had a few days in the city and saw some of the old time Islay-ites including Mrs. Beecraft, Mrs. Fyfe, Yvonne Steinhauer, also Betty Martin.

Last week Mr. Neil McLennan and Bruce attended the three-day short course at the Agricultural college in Vermilion and on the last day Mrs. Bruce McLennan attended also. She was the fortunate one to get a free hair cut. They are very pleased with their three days.

Mrs. Winnie Torrance, also Mr. Dave Martin called on Mr. Dave Buchanan and had quite a nice visit with him. Mr. Buchanan is still confined to bed. Mrs. Buchanan enjoyed having the callers very much also.

At last the girls' 4-H Cooking class have Mrs. Neil McLennan demonstrating the making of that nice, smooth, creamy fudge for which she is famous. Monday night was a regular beehive of activity at the home of the Moncrieffs.

Some of these blocks for the autograph quilt have now begun to circulate.

Mrs. Violet Schaffer is assisting the house staff at the hospital while they are short handed.

Mark your calendar — church services change on Easter Sunday to 3 p.m. for the [illegible] months. Next Sunday March 23 is Holy Communion service at 7:30 p.m.

Election time is drawing near, March 31st. The United Church W.A. will serve tea, coffee, pie etc. beginning at 10:30 a.m. in the church hall that day. There will also be aprons for sale.

We are sorry to report Mrs. McNeeley in Edmonton [illegible]. Also that when Dalt [illegible] called at Lamont hospital to visit brother Victor he learned that Mrs. Calvert (nee Patsy Easton) was a patient there and had undergone an operation, but he was not able to visit her.

Mrs. Jim Allan and Mrs. Martin Sr. are in the Islay hospital.

Mr. and Mrs. Jim Miller motored to Edmonton on Sunday to see their new grandson, Norman [illegible] Miller, son of Mr. and Mrs. [illegible] Miller. Mr. Jack McNeeley accompanied them on the trip to visit Mrs. McNeeley.

The Islay Grade Niners Go To Parliament

By Lynne Davidson

On the morning of March 7th a group of ten Islay grade nine students and our principal Mr. Moncrieff left for the Edmonton Legislative Buildings. Two cars were provided for our trip, these being Mr. McGuigan's and Mr. Sherwood's.

We arrived in Edmonton at 11:30. We went directly to the Administration building where we were treated to a cafeteria style lunch by the Honourable A. O. Aalborg, the Minister of Education.

Then we walked to the Legislative buildings where we were admitted through the main door and spent the next two hours exploring. Some places we observed were the library, the museum and different floors of the building. We viewed pictures of late premiers, kings and queens, also present ones, now in power. We were shown up to the top of the dome. This dome is approximately 178 feet high. A guide showed us the Legislative assembly, pointing out the seating arrangements and explaining about the mace and sergeant-at-arms.

We then went into the Members' gallery to view the Parliament in session. It was officially opened with the mace being placed on the table by the sergeant-at-arms. A debate by one of the opposition members on the speech from the throne opened the session. Again on the opposition side another interesting speech was given. By this time our time to remain in the Legislative building had drawn to a close. When we again reached the main floor we observed that Hon. A. O. Aalborg was with us, this time to meet us personally.

Next on our agenda was the time for our pictures to be taken. We then caught a bus uptown for an hour of shopping, returning to the cars laden with parcels.

A stop was made for supper in Vegreville and we arrived home at 10:00 o'clock, a tired but happy group, with memories of a busy and eventful day.

Service Best In Canada Claim Alberta Blood Transfusion

During the past 10 years more than a quarter of a million blood transfusions have been given to hospital patients in Alberta, at no cost to the patient, through the Blood Transfusion Service provided by Red Cross. "No province in Canada, and to the best of our knowledge no transfusion centres anywhere else possess a more technically complete, as well as free blood transfusion service than Alberta." This unanimous opinion was expressed by Dr. D.R. Buchanan, medical Director of the Edmonton B.T.S. depot and Dr. Eric Nation, Red Cross medical Director of the Calgary B.T.S. Depot in their joint report on the Blood Transfusion Service for 1957.

The report showed that 34,027 bottles of blood were collected by Red Cross during the year representing collections of 25,391 bottles from northern Alberta points and 28,636 from centres in southern Alberta. More than 16,870 patients received transfusions from the year's collections.

Discovery of a rare blood type in a Canadian family of German origin, now residing in Edmonton, has already had far-reaching results with requests for technical details of the blood characteristics received from numerous countries throughout the world. Commenting on the discovery and the manuscript which was prepared as a result, Dr. Buchanan states in his report, "The main value of such applied research is surely that any added knowledge tends to make transfusion therapy safer for a growing number of patients."

CARD OF THANKS

We wish to thank our friends and neighbors for the kindness and sympathy extended to us during our recent bereavement, also for the beautiful floral tributes and expressions of sympathy. We wish to thank the pallbearers and all those who assisted with the grave, and a special thanks to Mr. and Mrs. Wade and Mr. and Mrs. Erven Garder.

Mr. Roderick McDonald and family.

WILDMERE WINKS

Our district was deeply shocked to hear that Mr. L. R. Brown had passed away, though all knew he was very ill. He is another of the old timers gone. Our pioneers are fast slipping quietly away. He has lived on his present farm which he homesteaded, for a good many years in what is known as the Willoughby district. At his funeral on Saturday the Gospel Hall in Vermilion was filled to overflowing to pay their respects to a fine man. The feelings of the people and even the very atmosphere seemed to say "Do not grieve or sorrow, he is now at rest" and how very true.

The community joins with the writer in extending heartfelt sympathy to the sorrowing widow, son Harvey and daughter Margaret and to his sisters and brothers left to mourn his passing. Mr. R. Hutchinson gave a sermon on "How Wonderful is God". Moyer's were in charge of the funeral.

There was a nice attendance at church on Sunday afternoon at Preston Central school. Glad to see Mrs. Stone, Alayne and Donald, Mrs. Wear and Lester, Mr. and Mrs. George Harrison and Sandra, also the Gibson Sweeney and Bill Garnett families. Church again on March 30th at the same time and place. Rev. MacKay spoke on "God Sustains," a very interesting sermon. Mr. Schurman gave the prayer and read the Scripture.

On Saturday last a curling bonspiel among the bigger children of Preston Central school was held with six rinks competing. Skip Adam Smith and his rink were the winners over the Carey rink. All had a lot of fun.

Curling at the Wildmere rink is fast drawing to a close that is the schedule of games for the winter. We are sure everyone has really enjoyed curling in the new rink.

Gary Cruthers is curling on the Billie Veitch rink at the Wainwright bonspiel this week. Good luck, boys!

The sick folks in our district, Mr. and Mrs. Albert Holte and Mrs. Cliff Cruthers are slowly getting better. They have really had a siege of the 'flu or what ever it is that is going the rounds.

We had a nice chat with Mrs. L. Barlow, Mr. and Mrs. Haverslew and Mrs. J. Larsen and had a cup of tea with Mrs. C. Moore on Friday. Hope you are soon feeling yourself again Mrs. Barlow.

Congrats to Mr. and Mrs. Chris Boler on the birth of a baby girl. This makes five Miss Bolers now.

Mr. and Mrs. J. Wallington attended the St. Patrick's dance at Islay Monday evening. Not a large crowd. It was good music by [illegible] orchestra but no floor [illegible] which it takes to keep things livened up a bit. A good lunch was served at midnight by the ladies. We were pleased to meet Mrs. Gordon Gould and Mrs. Meyle.

The writer attended the Rebekah [illegible] sale on Saturday at the Legion hall in company with Mrs. J. Wilson, Mrs. A. Morrison, Mrs. J. Morrison and Bruce Gist to hear Mrs. J. A. Smith won the tea set.

How's the painting coming Mrs. Rosie? Hope you got the right color off the tip of your glove and the powdered plaster out of your purse.

After Saturday's election we have a new councillor. We hope he will not forget his rate payers out 20, 25 and 30 miles from the town. They are the ones who need roads, not those near town or on the black top. Now when roads get blocked with snow and everyone wants them "opened at once" or the roads are rough and rutty they won't have old [illegible] to [illegible] at their beck and call. It will be Mrs. Wilson who will get the phone calls, but we wish the new councillor every success.

Wildmere W. I. are holding a [illegible] cooking in Stephens [illegible] in Vermilion on Saturday, April [illegible]. Keep this date in mind [illegible].

Messrs. Frank Gibson, Albert [illegible] and Wally Westman all of [illegible] took in the Sports [illegible] Monday evening in Vermilion.

'The Bible Today'

A branch of the Bible Society has been organized at Happy Valley, a growing settlement on the outskirts of Goose Bay in Labrador, it is reported by the Rev. B. P. Mohan, district secretary for Cape Breton and Newfoundland.

On a 200-mile trip by ship from Sydney up along the Labrador coast, the Bible Society secretary visited many isolated [illegible] in company with the missionaries who minister to them. While most Eskimos today speak English, they understand the Bible better in their mother tongue, and appreciate all that the Bible Society has done to encourage translators and provide Scriptures in the [illegible].

At Nain, some 600 miles north of Goose Bay, a small group of Eskimos presented $20 to Mr. Mohan as their thank-offering to help the Society's work in other lands.

"Everything without regard to limit . . !"

Today Alberta — and Canada — stand on the brink of really BIG things.

Cliff Smallwood

In the words of our Prime Minister, "everything without regard to limit" will be done to provide work for Canadians and an opportunity for the better things of life — through vigorous development of our resources, increased foreign trade, social security and moral leadership among the nations.

These are the pledges of your Diefenbaker Government, which has already fulfilled so many of its 1957 promises to taxpayers, home-builders, senior citizens, agriculture, industry . . . and YOU!

On March 31st — in Alberta — let's get moving on the vital tasks ahead . . . with YOUR member of John Diefenbaker's Alberta team!

SMALL TALK

by—

Cliff Smallwood

Conservative Candidate for Battle River-Camrose Constituency

With the election so near at hand I would like to outline a few of the steps taken by John Diefenbaker and his Government to build a better Canada, and maybe a good place to start is with Unemployment

There has been much talk of it lately, but the effects of [illegible] which in part led to much of the unemployment, were being felt long before the Conservatives assumed office

It was for this reason they [illegible] $150 millions to stimulate home building. Since that time another $150 million has been set up for housing in the low and middle income brackets. As our legislative program expands in Parliament, we shall of course deal with the problem on a broad [illegible] basis

Figures quoted certainly show more unemployed people but when all the figures are used they show too, that more people than ever before are employed. This includes the normal growth and the quarter of a million immigrants of last year. Certainly this is a brighter picture than is being painted by some people

Phone Call From Overseas Brings Joy To Mother

A phone call from her son in Scotland brought untold pleasure to an invalid mother in Edmonton on March 8th. The mother was Mrs. Mary Conlon who lived in the Vermilion district for over 26 years, coming here from Scotland in 1929 from Hamilton, Lanarkshire. Mrs Conlon has been an invalid for the past ten years, and now lives in the city. On March 8th the phone by her bedside rang and when she answered the operator said "London calling" and at the other end of the wire was her son who remained in Scotland after the last war and whom she had not seen for 14 years. Mother and son had a wonderful reunion over the telephone

The Conlon family will be recalled by many old friends here. They lived in the Rusylvia district. The large family has become scattered but all are in Alberta except for the one son in Scotland. The husband and father Bernard Conlon passed away in Edmonton six years ago. Mrs Conlon who is confined to bed receives the Standard every week and reads it eagerly for news of her old friends in the Vermilion, Rusylvia and Clandonald areas.

Tribute To Faithful Service

In tribute to her long years of faithful service to the Order, at a recent meeting of Frog Lake Chapter, I.O.D.E., Mrs. Sadie Carroll was made Honorary Regent. This is the first, as far as can be found in the thirty year records that such an honor has been conferred. All members felt that it was but a fitting token of appreciation for her years of active continuous service.

Only those who have worked closely with Mrs. Carroll know the zealous toil she has done quietly for this order in many varied capacities.

Home League Showers Miss Marjorie Smith

On Wednesday, March 12 Mrs Friswell's group was in charge of the meeting of the Home League. After opening the meeting with devotions a bride-elect, Miss Marjorie Smith, was escorted in by Lieut Morgan and seated in the bride's chair under an archway decorated with wedding bells and roses

Mrs. P Jensen gave a humorous reading and a few contests were played. A mock bride groom entered with a house full of gifts being transported on a house mover

Marjorie expressed her appreciation to members and friends for [illegible]

A dainty lunch was served and the meeting closed with prayers.

Line Left Out of Thorncliffe Tel. Story

A line apparently failed to cast in the account of the annual meeting of the Thorncliffe Mutual Telephone Co leaving out the name of the trouble man on the south circuit. The item should have read: " . . . as Fred Clark has moved to town Alfred Clark has the trouble box for the south circuit phone 2705. North circuit trouble man is Lowell McIntosh, phone 1504."

No banquet can be a success without a few good listeners.

Visitors' Night At Marwayne Home & School Meeting

MARWAYNE. — The Home & School had a visitors' night on Tuesday, March 11 when guests were present from Tulliby Lake, Dewberry and Kitscoty. Mr. Lawson Allen, Regional Vice-President of the Alberta Federation, was the speaker of the evening. The Alberta Federation of Home and School is now 30,000 members strong and should be able to make their weight felt.

This summer at sports events it is hoped to see all our school students wearing gold sweaters with Marwayne in black lettering across the front. Mr Gardiner will be sending out circulars about them soon. He had three samples at the meeting and the price is very reasonable, 20 per cent off regular price in large quantities.

At the H. & S. card party on Friday night there were 8 tables of cribbage and 4 for whist. The crib winners were: high, Mrs. Lucas and Mr Meiklejohn, low, Mrs. G. Boyce and Mr. T. Dale. Whist winners: high, Mrs. Bert McClean and Joe Ure, Jr.; low, Mrs. Holmes and Mrs. Midgley (as gentleman). The aggregate prizes will be given at the next party, March 28th.

Let The Specialists Help . . .

Good seed varieties are essential to successful crop production. Good seed is the farmer's responsibility; well tried varieties are the research man's.

Now available from district agriculturalists is the 1958 guide to grain varieties for Alberta.

Here are the combined recommendations of federal, provincial and university grain crop specialists covering wheat, oats, barley, flax and rye. They also have a word about seed treatment and disease, and tell you how good seed can be obtained.

A varietal zone map is included, brief descriptions of the varieties are given and a list shows clearly the best varieties for different parts of the province. Whether you live north, south, east or west in Alberta the varieties for your area can be readily found.

Ask your district agriculturist for the 1958 circular on 'Varieties of Grain for Alberta' or write for your copy to the extension Service, Alberta Department of Agriculture, Edmonton.

PARADISE VALLEY NEWS

BEEF CLUB MEETS
Meeting was opened on March 5th by repeating of 4-H Pledge. Minutes of the last meeting were read. Roll call was picking of a name for the club's calf. We discussed trip to Edmonton on March 7th when a tour of the packing plants, legislative buildings, parliament in session, the Dominion bank, the U. of A. was to be made. Lunch at the YW and later take in the hockey game that evening. [illegible] took place on local achievement day. Mr. Brassington is to see about our uniforms at one of the stores. "Learning how to groom your calf" at Mr. Brassington's at our next meeting.

Mr. and Mrs. Orville Forgaard of Enderby, B.C., spent part of their honeymoon visiting with Mrs. Forgaard's relatives in the town and district.

COLLINS WINS SPIEL
Curling is the big noise in the news these days. In the men's bonspiel Eric Collins of McLaughlin won first in the Grand Challenge; Wild of Rivercourse, second; M. Hoskins, P.V., third; Nickle of P.V., fourth. In the second event Haan, Rivercourse, took first; Nelson, Rivercourse, second; A. Weeks, McLaughlin, fourth; Gaberision, McLaughlin, fourth. Third event — 1. P. Stoddart; 2. R. Embury; 3. D.L. Clarke, all of Paradise Valley, 4th, Kobser of McLaughlin.

This week is it a mixed bonspiel, not yet completed. The final games are expected to take place Saturday.

4-H FOOD CLUB MEETS
The Paradise Valley 4-H Girls' Food club met at the home of Linda Stepnoff. Ellen Teasdale presided. Linda at the piano led a sing-song, also the 4-H Pledge. The making of a cook book was discussed and Linda and Sharon put on as a committee to get more information for this project. Roll call was "Sing, Say or Pay". Final plans for Scout Lunch. Ellen read a paper on "Eating your way to health and beauty". Social — lunch by Linda and her mother, game by Mrs. Levitt. The group met at the home of Mrs. Kragness on Feb. 24th. Ellen opened the meeting with O Canada and the 4-H Pledge. Instead of the usual procedure, four girls, Linda, Mildred, Edith and Sharon demonstrated how to make baking powder biscuits according to the club method at the beginning of the meeting, and while these baked the meeting progressed. Roll call was answered with social etiquette at the theatre. Mr. and Mrs. Don Levitt invited the group to a skating party at the rink with music and lunch. Plans were made for this party, the same number of boys of this age to be invited. A social time was then spent eating the biscuits with jelly, served by Mrs. Kragness.

Miss E. Craig, District [illegible]mist, will be at a meeting in the Paradise Valley United Church Sunday school room on Thursday, March 27th at 2:00 o'clock p.m. All ladies are welcome as this is an open meeting. She will speak on handicrafts and other items of interest.

New clothes hampers now on the market are easier on clothes and on housewives. [illegible] of unbreakable polythene in a basket-weave pattern, they are exceedingly strong, yet light to carry. Because the plastic is smooth and won't rust, chip or dent, the hamper cannot snag or stain clothes.

These hampers are designed with openings in the basketweave to provide ventilation and guard against mildew.

McLAUGHLIN'S SELF-SERVE

MARWAYNE

Mr and Mrs. Leonard Johnson and Valerie of Edmonton are visiting with relatives and friends in town for a few days.

Mrs. J. Culfords' sister, Mrs. J. Cox of Toronto is visiting at the Culford home and Mrs. Clarence Duckering of Red Deer, sister of Mrs. Swanson is at the Swansons'.

Mr. Gene Chester attended a convention in Vegreville the first of last week and Mrs. Chester and Glen spent the week in Edmonton.

Mr and Mrs. Jas. Hale were in Edmonton this past week taking Mrs. Hale's mother Mrs. J. Allen and Mrs. Saltzberry with them.

Congratulations to Mr. and Mrs. Al Lowrie on the birth of their second son in Vermilion on Saturday, March 8.

Mrs. L. Fleming is a patient in the Lloydminster hospital once again.

In the United Church the Service of reception for those who are ready to join the Church is to be held on Sunday March 23. The Sacrament of the Lord's Supper is to be observed on the same day. A Baptismal Service is to be held on Palm Sunday. Parents who wish to have children baptised at that time should contact the minister or a member of the Session. Service time will change on Easter Sunday, April 6. The new time for Marwayne will be 9:30 a.m.

We are glad to see Mrs. H.B. Dow back home after her extended visit to New Brunswick.

The F.U.A. meeting will be held at the home of Mrs. Carl Harrington on Monday, March 24. All members please bring your hospital sewing with you so that they can be taken to the hospital in one lot.

Two rinks skipped by Teddy Quist and Buster Shaw attended the Kitscoty Invitational Bonspiel on Friday and Saturday. Teddy Quist's rink with Joan Robbie Arnold Kvill a 4 Glenda Bystrom won the Grand Challenge.

The Pee Wees, (12 years and under) have had a most exciting week. On Wednesday they played Streamstown here and came out on top by a score of 2-1.

On Thursday after school the Cubs had a Toboggan and Ski Party on the river hills west of town. They had a weiner roast out there and then returned to the school, wet, cold but happy for hot chocolate, beans and bread.

On Saturday the Pee Wee Hockey Club coached by Mr H. Petryshen sponsored a tournament. 5 teams entered but Lloydminster was disqualified in the first game with Marwayne for having over-age players. Dewberry won over Streamstown 2-1. Marwayne over Kitscoty 4-0 and then Dewberry over Marwayne 3-0. Dewberry got $10.00 as first prize and Marwayne got $5.00 for second.

The photograph album raffled by the Ladies Auxiliary was drawn for on Saturday and won by Mrs. Elsie Demchuk of Marwayne.

TULLIBY LAKE

Two weeks ago we reported in this column that the Ingver Belsheim family had seen a crow. This week two more signs of spring have been brought to our attention. Mr Doug Ward reports spotting a gopher alongside the road. Mr Melvin Belsheim caught sight of a skunk in his field.

This month's free Bible discourse was presented in the Community hall at Marwayne on Sunday, March 9 at 3 p.m. The speaker, Mr. [illegible] of [illegible], spoke on the [illegible] "Which Religion Really Matters?"

A special meeting dealing with the subject of school bus routes was held in the Tulliby Lake Central school on March 8th at 2:30 p.m. Representatives of the Vermilion school division were in attendance. They were investigating the claimed irregularities in the school bus service.

Mr Alec Quinnie of Frog Lake has now ceased his employment for Cecil Trimble.

Mr Wesley Hayes has returned home after a stay in a hospital at Edmonton.

A shower in honor of Sylvia Ruud was held at the Forbes Parkes' home on the afternoon of March 8th.

Mrs Herman Johnson is spending a few days in the Elk Point hospital. Best wishes go to her for a quick return home.

Complete recovery is wished Darral Maas who is at present confined to the Elk Point hospital.

News from Dewberry

The Dewberry C.G.I.T. held a very nice tea on Saturday 15th. Good service, good food and very nicely served.

The Ellsworth school which has been in Dewberry for the last three years but which had not been in use for a year, has now been moved to Alcurve to be used as a store. An unobstructed side view of the new school can now be seen from the road.

The bingo held on the 12th was well attended. Cash prizes of $5 were won by Mrs. Dorothy McRobert, Joe Philbin, Michael McGuire, Richard Parker, Louis Garnier, Annette Garnier, Mrs. Ralph Lunden, Mrs. Margaret Fry, Jim McDowell, Mrs. Cusack, Ed Garnier. The grand prize of $15 was won by Mrs. Skayen. Nine numbers were called for the jack pot of $35. As no one bingoed the jack pot of $40 will be played off at the bingo on April 9th which is the last one of the season sponsored by the C.W.L.

Mr and Mrs Harold Mathison wish to thank all who helped with the fire at their home. Although the fire occurred at the early hour of 3:15 a.m. the call on line 6 was answered by 35 or 40 men who quickly extinguished the blaze. Fire damage was not extensive but the smoke caused some damage. The cause of the fire is a matter of conjecture.

Capt. James Munro of the N.B.F.B. was a visitor at the home of his parents Mr. and Mrs. D. Munro last week.

James, who had been taking flying lessons unknown to his parents, had obtained his private pilot's license and thinking to surprise his parents by landing in the field behind their home set off one day; on reaching Lloydminster he met with strong head winds and was forced to turn back. He arrived later by car to show them his pilot's license and assured them that he will make the trip soon. We will be watching for you Jim. He is also assistant trainer at the flying school in North Battleford.

We hear there is a movement afoot to have the Dewberry Boys' band started again. We sincerely hope so as it certainly was a credit to the village before and we would love to hear their music again.

NOTICE

Telephone subscribers are again requested NOT to call the operator when a Fire Alarm is sounded. This practice causes confusion, as a large number of firemen have to be located and called.

During the last two fires, some firemen were not called until quite late after the sounding of the alarm . . . . Please do not call the operator for at least ten minutes after the siren has ceased.

Weinwright Man Believes Honesty Is Best Policy

WINNIPEG What price an untroubled conscience? Two men who wrote recently to the CNR regional treasurer at Winnipeg are in a good position to answer this question.

Both have been troubled by their consciences for many years because of petty dishonest acts which involved the railway. Now however, they have a clear sheet, for they have both confessed to their dishonesty and sent in sums of money as reparation to the railway.

"Some years ago I took some material belonging to the railway which didn't seem to amount to much to me at the time but after I became a Christian it has been bothering my conscience," said one man, enclosing $20.

The other man confessed to shipping freight without paying more than 20 years ago.

The letters were postmarked Wainwright, Alta. and Killarney, Man.

Eighteen Teams Compete For Basketball Trophies Last Week

Three years ago, when the challenge trophies for basketball supremacy were first made available for competition here by Boake's Drug Store and Clendenning's Family Wear, only 6 teams were entered. Last year 12 teams journeyed to V.S.A. to contend for possession of these beautiful awards. Last week no less than 18 basketball squads were on hand for the annual tilt. It would appear that we are in for bigger and better tournaments in the years to come in this section of North-Eastern Alberta.

The contest is a double-knockout affair and with 18 teams entered, involved a minimum of 31 games. Several of these were played off on Friday night in outside gyms around the area. At 9:00 a.m. Saturday over 300 players and coaches invaded Vermilion to finish the competition. The gymnasiums at the Armouries and at V.S.A. school to the sounds of basketballs and whistles without let-up until 9:00 p.m.

Interest became concentrated at V.S.A. where the finals were played off. The first of these was between the Lloydminster and Hughenden girls teams. In spite of the hard grind to which the girls had been subjected, a fast, spirited and exciting game resulted. Lloydminster girls emerged on top to take the game and the [illegible] Trophy emblematic of basketball supremacy in North Eastern Alberta.

At 10:00 p.m. Two Hills and Lloydminster boys took the floor. Earlier in the day these two crews had met with Two Hills being victorious. Lloydminster went on to take the rest of their games and meet Two Hills once more. This time things went Lloydminster's way. No presentation could be made however, since both teams had lost but one game and therefore a play-off was arranged for next Friday night, March 21 at 8:00 p.m. in the V.S.A. gym. Winner will be presented the Boake Trophy after the contest.

Thanks are in order for Mr. Bert Moore at the Armouries, to the referees, J. Macdonald of Vegreville, J. Taylor of Wainwright, H. Morel of Lloydminster, H. Roebuck of Vermilion and to A. Palin, K. Stiles and L. Seath of V.S.A.

Mr. Sid Moore kept things rolling at both gyms, made arrangements for referees, dressing rooms etc. It was largely due to him that the tournament became the unqualified success it was.

Next year we hope that Vermilion and V.S.A. will have stronger teams and will go further in competition. It would be even nicer if we could win, although neither of us have any reason to be ashamed of our showings.

On Saturday night the annual Gym Show will be held in the gym at V.S.A. Advance reports would indicate that a good exhibition is in prospect.

The weather has been decidedly "March-like" with lower than normal temperatures.

Karl Balzun Speaks At Rotary Meeting

Vermilion Rotary Club was fortunate on Friday last to have Karl Balzum as guest speaker.

Mr. Balzum is presently an engineer at [illegible] plant in Vermilion but up to a year ago had spent all his life in South Africa.

The speaker related the history of South Africa from the early days to the present time. He mentioned also about industry, agriculture and the races of the country.

The speaker was introduced by Ashley Cooper and thanked by Elmore Stewart for a very fine talk on our sister dominion of South Africa.

Guests were Morley Douglas, Ass't District Agriculturist, L. Seath of the School of Agriculture staff and James Rea, Representative of Paramount Film Co., Calgary.

Rotarians Don Craig of North Battleford and Mel Lovold of Lloydminster attended the meeting.

Chairman Si Simonson thanked the speaker and welcomed the guests.

Secretary Jim Robson reported that there would be a bus load of Vermilion Rotarians going to the district convention at Grande Prairie on April 27.

4-H Clubs Meet At Marwayne

MARWAYNE. — The Marwayne 4-H Beef and Grain clubs held their regular monthly meeting on Tuesday March 4th. After a short business meeting the two guest speakers for the evening, Mr. Palin, principal of the Vermilion School of Agriculture, and Mr Deets, dean of boys of the same school, gave a very interesting talk and Mr. Palin showed some pictures of the college and activities there. This was thoroughly enjoyed.

Beef club members have now commenced work on their calf signs and shirts for achievement day.

On April 1st an amateur night will be held in the Marwayne Community hall. There will be junior and senior classes in vocal, instrumental, elocution and open classes. Money prizes will be given to successful participants. Entries can be mailed or phoned to Louise Parker, 112, or [illegible], Marwayne. All entries will be greatly appreciated.

"K. H. S. Highlights"

On Friday morning, Feb. 28, fifteen grade twelve students along with our principal, Mr. Richardson, left in three cars to attend the Varsity Guest Week end on the University campus in Edmonton. Friday afternoon, the students registered at the Students Union Building. Following this, they toured the Parliament Buildings and attended a session of parliament. Friday night most of the students were present at 'The Varsity Varieties,' a program put on by the University students. This gave us a chance to see the new Jubilee Auditorium which is one of the most outstanding buildings in the province.

Saturday morning some of the graduates from K.H.S. met us for lunch. Saturday afternoon was used to tour the faculties that interested each student most. The educational and enjoyable trip was completed by the return trip home at 6 p.m. Saturday night.

The K.H.S. Ice Carnival was again this year a success. Adding to its success was the large number of costumes. Judging was done by three of the local citizens, Mrs. Shortt, Mr. Lyle Carpenter and Mr. Allan Batty. Crowning of the Queen, Judy Sheppard, took place at 9:30 p.m. Following this a dance was held in the town hall where a nice crowd gathered.

Curling is near completion, with the Invitational Bonspiel on March 14 and 15 being the last event of the year. It is evident however that some of our high school rinks have done very well.

For all those students who aren't aware of the fact yet, our exams begin on March 26. Better luck in June!

W. M. S.

The W.M.S. of the United Church held their regular monthly meeting on Thursday afternoon at 3:00 on March 13 in the Church hall. The meeting opened with Mrs. W.D. Williams and her committee taking charge of the devotional. Then Mrs. M. Hill was asked to give a talk on the Crucifiction and the Resurrection which was very interesting. Mrs. C. Stephens and Mrs. W.L. Robinson were then asked to give their reports from the Presbyterial at Irma at which they were delegates. The reports were well worth hearing. The minutes were read and approved, old business was finished and the new business attended to and disposed of. Roll call was taken and there were 22 members and 2 visitors present. Then, Mrs. E. Filgate was called to the front by the President along with Miss G. Craig, who told how Mrs. Filgate had become a member of the W.M.S. 14 years ago. It all came about when Mrs. Filgate and Mrs H.N. Stephens were having tea at the home of Mrs. Whitby. Mrs. Stephens and Mrs. Whitby invited Mrs. Filgate to come to a W.M.S. meeting which she did and has done ever since. The President, after the telling of this story, came forward and presented Mrs. Filgate with a Life Membership Certificate for which she thanked all those present for the honor which had been given her.

The meeting then came to a close with the saying of a prayer.

The committee in charge served a very lovely lunch for the special occasion which was enjoyed by everyone and a social half hour followed.

"Power for Alberta's Progress"

More Government Aid for Education — No Need for Mill Rate Increase

by KEN MASON

EDMONTON—More details of the 'new deal' in municipal financing came out in the Legislature last week when Education Minister Anders Aalborg outlined a new formula for paying school operational grants.

Main feature of the new formula is an increase in equalization grants to school districts and divisions operating under the burden of heavy classroom enrolment without enough assessment to pay the shot.

Mr. Aalborg said it will be computed as in the past on the basis of assessment, number of pupils and number of teachers, but the additional grant will be 20 per cent rather than the present 10 per cent.

The minister estimated that the increased equalization payments will cost around $7,700,000 in the coming fiscal year.

The department of education will be spending an estimated $57,474,980 in the coming year, and of that amount $38,500,000 will go toward school operating grants, compared with $29,600,000 last year.

A basic grant will be paid to all school districts, divisions and counties at a rate of 55 per cent of a set of standard operational costs, including administration, teachers' salaries, instructional aids, plant operation and maintenance, and transportation of pupils.

Standard operating costs for all school boards are expected to total around $48,000,000, which means the basic grant will amount to about $26,400,000.

The new system will replace the existing formula which calls for payments of $1,000 per classroom, $10 per pupil and 40 per cent of the cost of operating school bus routes.

According to Mr. Aalborg, the new system will be more closely related to actual costs, and will fluctuate automatically with costs in each area.

In addition, he said, it is more predictable, and school boards will know in advance how much money they can expect to receive from the province.

Mr. Aalborg said the increase in grants this year will be more than enough to cover an anticipated rise of $5,000,000 in overall education costs in the province this year, and could stop the school mill rate from jumping.

THE BLACKSTOCK REPORT

An Opposition attempt to have a committee of the House study the Blackstock commission on teachers' salaries seems doomed to defeat.

Liberal members John Mills, Lac Ste Anne, and Hugh John MacDonald, Calgary introduced a motion last week asking that the House committee on education meet to consider the report and hear arguments from any interested parties.

The two members pointed out that the commission made its recommendations without hearing arguments from the Alberta Teachers' Association.

The commission recommended a uniform province-wide salary scale for teachers and withdrawal of their right to strike. The ATA is strongly opposed to the idea, but it didn't present its views because the association walked out on early stages of the commission hearings after tangling with the chairman over procedure.

Social Credit forces are opposed to the idea of a committee hearing so the Liberal motion is certain to be defeated. Education Minister Aalborg spoke on the motion last week and said he saw no need for a committee meeting.

At the end of the week, debate on the motion had not yet been completed.

FLUORIDATION

A major debate on fluoridation of public water supplies sparked some action in the House last week, but nothing definite was decided.

Members spent (some observers say wasted) nearly three hours debating a Liberal motion calling on the government to launch a program of public education on fluoridation.

The Liberals argued that the government should appoint a full time dental officer whose job it would be to educate the public and recommend whatever action he feels is necessary and desirable.

Government members and supporters are opposing the motion on the ground that fluoridation has already been given enough publicity.

The motion was still under debate at the end of the week, but there was little question about the outcome. It will be defeated.

There's a good chance the session of the Legislature will end Thursday, March 27, to give members a chance to get home and vote in the March 31 federal election.

Members like to finish the session before Easter every year, and Good Friday this year falls on April 4. If the session isn't prorogued March 27 or 28 (it usually ends on a Thursday) then members will probably have a day off to vote. This would mean returning for three days to finish off sittings. Rather than do this, the House may attempt to finish its work before the end of the month.

Fatal Highway Accidents in Alta. Rise in February

Motor vehicle accidents took 22 lives in Alberta during the month of February to bring the total for the first two months of the year to 40. This is the highest total on record for any January and February according to the Alberta Safety Council.

Accidents during the month totalled 2010 compared to 1801 last year. Injuries totalled [illegible] compared to 300 and deaths numbered 22 compared to 5.

NEWS from CLANDONALD

In spite of lusty predictions our hockey team failed to live up to expectations in the hockey tournament in Vermilion and got knocked out early in the day. The only explanation we can lay our hands on is that the other team must have had all the breaks!

Mr. and Mrs. Bob Michael were hosts to a huge crowd in the Columbus hall recently, the occasion being the wedding of their elder daughter Lenore to Marvin Little, son of Mr. and Mrs. W Little of Vermilion. Following the reception a very large number attended the wedding dance in the Orange hall. Music of a very pleasing variety was provided by the Bendixon orchestra from Marwayne. Best wishes and many years of happy and prosperous married life to a very likeable young couple. Also many thanks to Mr. and Mrs. Michael for a pleasant evening's entertainment.

The many friends of the MacDonald family were saddened to hear of the passing in Edmonton recently of Mrs. MacDonald, a long-time resident of the Dewberry and Clandonald districts. A large crowd was present at the funeral to pay their last respects to the deceased. Attending the funeral from outside points were sons Ronald from Edmonton and Roddy from B.C.

We are glad to report that a daughter-in-law of the deceased Mrs. Allan MacDonald is much improved following a serious operation in Edmonton recently. She is now back home making good progress toward recovery.

Residents here for several years where Harry was in charge of the station, Mr. and Mrs. Harry Rae and family recently left to make their new home in Millet, just out of Edmonton. During his stay here Harry proved a very likeable and [illegible] ing agent and it is with [illegible] regret that their many [illegible] bid the family farewell. We wish Mr. and Mrs. Rae and family every success in their new surroundings. Sorry we don't have the name of the new agent who, we believe, comes from Consort.

An event of considerable interest during the past week was the replacing of the steam locomotive on the mixed train by a diesel. Although there have been diesels through here on previous occasions, this is the first time that one has been placed on a steady run. We understand the steamers are going to South America.

Older residents will remember the gas-electric which operated through Vermilion on the Edmonton-Saskatoon run over 30 years ago. The locomotive of that day seemed only able to pull at the most one passenger coach. Much of the space was devoted to the cab, baggage and passenger compartments. On numerous occasions the 'skunk' as it was called, broke down and had to be rescued by a steam locomotive from the nearest divisional point. Needless to say it was anything but popular with the train crews. But this mode of transportation has come a long way since then, we are given to understand.

Those who might have been listening to the Lloydminster station on Saturday afternoon were very pleased to hear two local stars [illegible] rendered many numbers during the greater part of the three hour show. Patsy Thesen and Geraldine Kade seemed to be very popular with the staff and have been invited for a return performance any time they are free to appear.

Many farmers hereabouts are wearing broad smiles following receipt of some nice fat P.F.A. checks. Payments as high as $2 per acre were received by some farmers in the belt where the hail damage was most severe. Unfortunately some deserving cases were not eligible for payment for one reason or another. Apparently under the present set up it is impossible to deal with every individual case.

When money talks in a business deal don't pin too much faith on what it says.

Wildmere W. I.

The Wildmere W. I. held their March meeting at the home of Mrs. W J. Garnett on March 12th with six members and two visitors, Mrs. D. Dibben and Mrs. Geo. Dibben present. The president opened the meeting with Mrs. Wallington acting as the secretary owing to illness of the regular secretary, Mrs. C Cruthers. Mrs. Wallington told of a W. I. meeting she attended in Ontario which opened with the singing of "Opening Ode", which she read to the members. Roll call was answered by naming a favorite magazine or paper.

Subscriptions were given to Mrs. Wallington to renew the C.A.C. Bulletin. The treasurer is to collect from members who were absent.

The treasurer's report stated that $5 had been received from the Wildmere Beavers Girls' Club to help with the past Xmas treat fund. Treasurer's report was accepted as read by Mrs. Haines and Mrs. Howard.

Mrs Haines had put the W.I. initials on the blanket which was donated to the Preston Central school.

It was decided at the meeting to send birthday cards to members' mothers on their birthdays as was done last year.

Correspondence: Thank - you letters were received from Robt. Dibben, University hospital, and from Mrs. J. Wilson for the A. W.I. ring which was given to her. There was a letter from Quinton W.I. in England and one from Mrs. P. Sloan re the convention; a program from Mrs. Bielish of District 2 convention in the Masonic Temple in Edmonton. The Wildmere W.I. intend to send a delegate.

As funds are low, a bake sale will be held on Saturday, Apr. 5th in Stephens store. Each member is responsible for $1.20 worth of food for same.

Topic was by Mrs. J. Wilson, read by Mrs. W. J Garnett, namely "International Geophysical Year." It proved very interesting. This project is carried on by 38 nations. It originated in the U.S. and in 1950 it was decided to make it a world organization. Scientists hope to learn much by sending up rockets and [illegible] It was tied for by Mrs. Howard and Mrs D Dibben.

Johnny Jump Up was won by Mrs. Chas Sweeney. The meeting closed with members repeating the Creed. Lunch followed.

The April meeting will be held at the home of Mrs. Roy Dibben; roll call will be answered with a make of a car. Topic — Mrs. C Cruthers; Social — Mrs. Jas. Wallington; Lunch — Mrs. W.T. Garnett, Mrs. W. J. Garnett and Mrs. F Dibben.

We neglected to mention in our opening paragraph that the president welcomed our visitors and hoped they would attend again.

Farm Forums To Hold Spring Rally At Lavoy March 24th

Calling all farm forums in this area! To wind up the 1957 season, a Spring Rally is scheduled for March 24 at the Lavoy Hall beginning at 8:15 p.m. Each Forum is asked to bring along a song, stunt or game plus lunch. An interesting program is being arranged and the evening elections will be held for the positions of two Northern Committee members.

Under the chairmanship of Dan Giebelhaus, the Northern Alberta Farm Forum Committee held a meeting Saturday afternoon, March 8, in Vegreville, when plans were laid for the spring rally, this year to be sponsored by the Lavoy group. Financial statement was given by Mrs. L. Smiley, sec.-treas., who reported a favourable year.

A most interesting report was given by Alberta Council Chairman, Hans Mayer, on his recent trip to Montreal where he attended the annual C.F.A. meetings, and on his return stopped over in Toronto where he visited with the National Secretary, [illegible]. Miss Muriel MacLeod, editor of the Farm Forum Guide is to be commended on her work in publishing this fine Farm Forum weekly, and Alberta should be extra proud of her work as Miss MacLeod hails from High River. Mr. Mayer returned to the west on January 31st. 35-36

Former Vermilion Girl Wed in Lethbridge

REYNOLDS — SOBEY

The lounge of Southminster United Church in the city was the scene of the late January wedding of Shirley Ann Sobey and Gordon Julian Eugene Reynolds. The bride is the daughter of Mr. and Mrs. Norman C. Sobey of Stettler, formerly of Vermilion, and the groom is the son of Mr. and Mrs. John Gordon Reynolds of Gadsby. Dr. H. A. Frame officiated at the 4:00 p.m. rites. Following the ceremony a reception was held at the home of the groom's brother-in-law and sister, Mr and Mrs D A. Guichon in Lethbridge.

For her wedding the bride wore a gown of white satin styled with off-the-shoulder Bertha collar of lace with a nylon marquisette yoke. From the fitted waistline her skirt fell to a train. A satin bonnet held in place her veil of misty French illusion and she carried a prayer book overlaid with turquoise carnations and Sweetheart roses.

Bridesmaid was Miss Margaret Reynolds of Stettler, sister of the groom. She wore a gown of blue net over taffeta with a matching headdress and carried a colonial bouquet of pink and white carnations and mums centred with a pink rose.

Mr Glen A Reynolds of Lethbridge, brother of the groom, was best man.

Centering the bride's table at the reception was a tiered wedding cake flanked by tall white tapers and pink carnations. The toast was given by the best man.

For travelling to the United States on her wedding trip, the bride wore a brown tweed dressmaker suit with turquoise and brown accessories. A corsage of turquoise carnations complimented her ensemble. Mr and Mrs Reynolds will reside on the groom's farm at Gadsby Alta.

HOW CAN I?

By ANNE ASHLEY

Q.: How can I easily remove the seeds from dates?

A.: By washing them thoroughly in warm water, then, using a sharp knife to make slits in the sides for removal of the seeds.

Q.: How can I remove spots from suede shoes?

A.: Suede shoes that have become spotted with rain can be renewed by rubbing the spot gently with an emery board.

Q.: How can I keep piano keys white?

A.: By rubbing them occasionally with a cloth dipped in alcohol, then drying with another cloth. Do not allow any alcohol to get on the varnish, as it is a varnish remover.

Q.: How can I take away the stains from coat collars, and remove the shiny appearance that betrays the age of a man's suit?

A.: Rub with a spoonful of ammonia in which enough salt has been added to make a soft paste.

Q.: How can I keep egg yolks for several days?

A.: By covering them with cold water until needed.

Q.: How can I make Russian dressing?

A.: Use 1 cup of mayonnaise, add 2 teaspoons chili sauce, 1 can of pimentos chopped fine, and if one wishes, a small amount of grated cheese.

Q.: What can I do with a pair of white fabric gloves that are turning yellow?

A.: The gloves can be made a popular sand color by tinting them with coffee or tea.

Q.: How can I make mock goose?

A.: Parboil a leg of pork and remove the skin. Then rub with butter and sprinkle with salt, pepper, powdered sage, bread crumbs and minced onion. Roast in a moderate oven. A well-seasoned bread dressing can be baked in the pan with the pork. Serve with fried apples.

Q.: How can I easily draw threads for hemstitching?

A.: The drawing of threads in hemstitching will be simplified if they are first gone over with a wet brush that has been rubbed over a bar of soap.

MILITARY ENGINEERS

In Nassau the other day writes Napier Moore in The Financial Post, I walked by a secluded beach where a party of the British troops who were summoned during the general strike were having a spot of relaxation. Some were swimming, some were just basking in the sun. But what do you suppose two of them were doing? With obvious glee they were building a sand castle surrounded by a moat.

Dewberry L. A. Plans Easter Tea

The regular monthly meeting of the Dewberry Ladies' Aid was held at the home of Mrs. E. Brett with seven members in attendance. After the opening hymn and prayer the Upper Room was read by Mrs. Brett and Mrs. H. Craige read the twenty-second Psalm.

Arrangements were made for the Easter tea and apron sale to be held on Saturday, April 5, with home baking, produce and candy to be sold and also a 'White Elephant' table. Each member is to ask someone for a donation to the produce or home baking table.

Just before the close of the meeting, Mrs. G. Ewen gave her reading of interest. Mrs. May Braithwaite will give the one for next month.

The April meeting will be held at the home of Mrs. N. E. Jones on the 10th and members are asked to please note the change of date to the second Thursday in the month.

Days are much longer now and full of sunshine from early morning until eventide, a promise that the sun will soon kiss the snow [illegible] — and so will we.

"Tomorrow the 17th, the Irish day
For all attire in green,
And walk among the shamrock gay
Wherever they are seen."

The writer has a shamrock blooming now and all it needs is a drink of water once in awhile. These are very pretty and they bloom all winter long.

This is supposed to be neighborly news but it's very hard to find these days.

We hope you enjoy your reading these long evening Charlie. There's nothing like relaxing on your chesterfield after a good day's work.

Annie Clark has been confined to the house this past week with a bad chest cold.

Hi Mrs. Moore, do hope you are fine. It has been a long time since we've seen you.

Met a lady in Lloydminster the other day and she said how much she enjoyed reading the Vermilion Standard.

We sincerely hope you are feeling better Mrs. Ross.

Gordon Gould and family were supper guests at Lloyd Gould's home Sunday night.

On my table stands a lovely Amarillia dark deep pink with two large lily-like flowers that smell just like cinnamon. This is a new shade purchased at Lloydminster from Mrs. Noyes' greenhouse and was grown from seed.

Fatal Farm Accidents In Alberta Highest In Years

Alberta's fatal farm accidents are the highest in a number of years. According to Bill Perkins, Farm Safety Director of the Alberta Safety Council, not only are total fatalities higher than in recent years, but deaths caused by tractors are considerably higher too.

In 1957, 26 farm residents lost their lives because of faulty operation of farm tractors. Driving off road shoulders with resultant tipping killed eleven tractor operators. Innocent bystanders and young passengers run over by tractors took seven lives, while tipping in the fields accounted for six. Two operators fell from their tractors and were run over by machinery being pulled by tractors.

Ages of persons fatally involved with tractors ranged from two years to 79, but it was the youngsters who suffered most. Five children ranging from 2 to 8 years were killed by tractors. Four were between 12 and 16. All of these were driving tractors at the time of the accident.

Operators in age group 50 to 56 had five fatal accidents also.

Next largest source of fatalities was farm fires and these took 13 lives ranging in ages from 5 mo. to 80 years, with 9 of them under 12 years of age.

Farm vehicles caused the death of twelve farm residents, six of which were under 9 years old, 3 between 10 and 19, and the remainder were over 40.

The remaining fatalities were caused by farm machinery, firearms, animals and other miscellaneous causes.

While 1957 saw more farm fatalities than some of the more recent years, causes of the accidents are the same. Hurry and fatigue caused by long hours and pressure of spring and fall work were the big factors in fatalities to mature operators, while hurry and lack of care resulted in many operators running over children.

EYE STRAIN

DAYLIGHT: Our eyes have developed to see best outdoors in good daylight. The diffuse sunlight then about us does not injure the eyes and close work can be done without eye strain. However, modern conditions require us to work often in poor daylight and at least part of every day under artificial light. Since the light under these conditions is often unsatisfactory it is not surprising that so many persons complain of eye strain. The commonest cause of this eye strain, as you may suspect, is prolonged use of the eyes for close work under poor light. Under such conditions it is not the nerves of the eyes which play out but the muscles which move the eyes and change the focus of the lens and the size of the pupil. All these muscles become fatigued while trying to keep the eyes adjusted for good vision under poor lighting conditions.

ARTIFICIAL LIGHT: Artificial light, if properly shaded to prevent glare, will not harm the eyes. Fluorescent light is the best type, but adequate light can be obtained from ordinary frosted electric light bulbs or from kerosene lamps, provided the light fixtures are numerous enough and properly situated. The amount of light actually reflected on the work should equal at least 25 candlepower. Some tasks may require up to 100 c.p. If a light meter is not available, the necessary amount of light can be judged by the ability to see the work comfortably without apparent strain. Even with light of 25 to 50 candle power on the book or work, eye strain will develop if the background is too dark.

CONTRAST IN LIGHT: The marked contrast between the bright light on the work and the dark background is annoying and fatiguing to the eye muscles. This is partly due to the constant change made necessary in the size of the pupil to compensate for the greatly varying amounts of light which enter the eyes as the gaze alternates between the light on the work and the much darker surroundings. To avoid [illegible] contrasts the background should be illuminated uniformly with non-glare light of less intensity than that on the work, but bright enough to prevent sharp contrasts. This background illumination can be obtained by combining sufficient natural or artificial light sources with suitable reflecting surfaces on ceilings, walls, furniture and floors.

BACKGROUND ILLUMINATION: This can be also obtained by having the ceilings dull white or some off-shade of white; the walls light shades of ivory, buff blue or green. Windows are best situated so that the main light enters from one side, other windows should be screened to prevent confusing cross lighting. When natural light is used extensively there will be areas far from the windows where the light will have to be supplemented by suitable arrangement of artificial light fixtures. Such good lighting arrangements are becoming more common in newer buildings and homes. In older buildings insufficient thought was given to lighting problems and it was not realized that eye strain comes most commonly from poor light. Even in these older buildings suitable lighting can be obtained by improving existing arrangements. It is false economy to try to save on daylight, electricity or kerosene.

Mountain Named In Honor Of Hon. J. J. Bowlen

The name Mount Bowlen has been given to Peak 3 of the Wenkchemna Range in honor of the Hon. John J. Bowlen, lieutenant governor of Alberta according to an announcement by Mrs. Edith H. Gostick, secretary of the Geographic Board of Alberta. The naming of the peak was approved by the Canadian Board on Geographical Names at Ottawa at the request of the Geographic Board of Alberta.

Dr. Bowlen has been so honored as result of a lifetime of service, both provincially and nationally.

Pioneer rancher, farmer and sheepman, he served in the Alberta legislature as Liberal member for the City of Calgary from 1931 to 1944 and was leader of the Opposition for two years. As first westerner to be appointed to an executive position with the organization, he was named in 1947 a member of the Board of Governors of the CBC. He was appointed lieutenant governor in 1950 and re-appointed in 1955.

Mount Bowlen, with an altitude of 10,048 feet, may be clearly seen from Moraine Lake, Banff National Park. The valley just below is known as the Valley of the Ten Peaks. The range is on the border between Alberta and British Columbia.

Drowning Tragedy Takes Lives Of Dorothy and Arthur LeBrocq

Two little Vermilion children, Dorothy Ann Le Brocq, aged 6 years and her brother Arthur aged 5, were drowned on Monday afternoon when they fell through the ice on the Vermilion river. The double tragedy happened at a spot in the river not far from a favorite sleigh-riding hill of the children of the east end of town, and a popular spot to play the year round. Few parents however realized that the little children wandered from this place to the nearby river which curves in close to the wooded south side of the valley at that location.

The children were the daughter and son of Mr. and Mrs. Arthur Le Brocq. Mr. Le Brocq is an employee at the Texaco Service station. There are three younger children in the family, James, Charles and Ernest. The children are also survived by their maternal grandparents Mr. and Mrs. Albert Baldwin of Vermilion, and the paternal grandparents in Toronto.

Two other children Rochelle Jackson aged 5 and Janice Herzog 5, fell through the ice at the same time but were closer to the edge and within their depth when the crumbling ice gave way, and miraculously scrambled to safety. They were wet to the armpits when they returned home. A fifth child, Linda Giles, aged 3, was apparently with them also but had not fallen into the water.

The drowning, it appears actually happened about mid-afternoon, around 3:30. The three other children returned home but were frightened by their experience and not realizing the extent of the tragedy, did not tell the story.

No alarm was felt until supper time. When the Le Brocq children did not return home as usual, a search of the neighborhood was made by the parents. The police were then notified and a general alarm was spread. Parents of the other children quickly put the facts together. Two of the kiddies were taken to the spot and they pointed out where their two little ill-fated companions had broken through the rotting ice.

R.C.M.P. and fire brigade personnel immediately commenced dragging operations and the bodies were recovered in a matter of minutes at approximately 9:20 p.m.

Funeral services will be held on Friday, March 28th at 2:30 o'clock in the afternoon at St. Saviour's Anglican church. Interment will follow in the Vermilion cemetery.

Moyers are in charge of the funeral arrangements.

While nothing but time will partially erase the tragic memories of this double sorrow, the heartfelt sympathy of the entire community is extended to the young parents in their sad bereavement.

Dr. Kenneth Prior Guest Speaker At United Church

Dr. Kenneth Prior, the Field Secretary for Overseas Missions for the United Church of Canada, will be the guest speaker at the morning service of worship at 11:30 on Sunday March 30th at the First United church. Dr. Prior is a graduate of the Vermilion School of Agriculture, attending some 35 years ago.

Bob Cats Play Myrnam in League Final on Saturday

Vermilion Bob Cats and the Myrnam Penguins meet in the second game of their best of three final series for the Juvenile league title and the Knights of Columbus hockey trophy, here on Saturday night at 8 p.m.

As a result of winning the first game played at Myrnam last Saturday night the Vermilion team is one game up in the series and could wind it up with a victory on Saturday evening. Turn out and help the Bob Cats wind up the season in a blaze of glory!

Bob Cats Win First Game Final Play-Off

The Vermilion Bob Cats went to Myrnam on Saturday night and won the first game of the league finals from the Myrnam Penguins. The score was 4 to 2.

This was the first defeat suffered by the Myrnam team this season, having won all of their eight league games.

The scoring in the game, played on a poor ice surface due to the mild weather, was:

First period — Rudkowski for Myrnam; Schmidt from Coyne; Leahy from Coyne, for Vermilion.

Second period — Berezanski for Myrnam; Schmidt from Waldenberger for Vermilion.

Third period — Elmer Leahy for Vermilion.

These two teams meet in Vermilion on Saturday night in the second game of the best of three final series. A large crowd should be on hand as it may be the last hockey game of the season.

OLD TIMERS CENTRE REPORT

We are glad to report that interest is being maintained in the Old Timers centre. The daily registrations run a fraction below 23 for the 3 months of its operation up to March 12.

Total number of users now stands at 154 with 73 of these being one time users, most of these being visitors to town from distant points or wives of those who use the centre regularly. These latter perhaps, just drop in to check on the activities of their spouses.

We notice many from surrounding comunities using the centre and this fulfils one of its desired benefits.

To date of March 12 there have been 1680 registrations with 20 new names appearing on the register during the past month.

It is with regret that we report that there are those who do not respect the property of others as they should. We refer to those who come into the centre and deface the guest book and also remove items (stealing in other words) from the premises. We think these things have been done by fairly young children and we would caution parents to advise their children to resist such temptations in future. Darts have been missed from the centre and we would appreciate having them returned without delay.

Trespassing on the premises of the centre is a serious offence when it results in the curtailing of benefits therein. The centre is provided for the free use of our senior citizens and offences against it are offences against the private property of the sponsors: Clendenning's Family Wear, Schurman's Electric Appliance Service and Roy Watkins Real Estate and Insurance.

News Held Over

A very large quantity of current news stories, country bulletins and features have been crowded out this issue. All will appear next week.

Employer-Employee Relations Featured At Rotary Meeting

Aldous Kent arranged a film entitled "Every Minute Counts" to be shown at Friday's luncheon meeting of the Rotary Club. The picture related to number of difficult employer-employee situations and some suggested solutions to problems that arise from time to time.

Gordon Park gave a very informative and humorous introduction of his fellow rotarian Aldous Kent. This introduction will not be forgotten for quite awhile. Geroge Webb thanked Aldous on behalf of the club.

Visitors were Corp. Harry Aime of Vegreville, Curtis Alfke, Sid Moore and Mac Simonsen all of Vermilion and three Rotarians from Lloydminster: Archie Miller, George Baynton and Ray Nelson attending the meeting.

Chairman Si Simonson welcomed back Ed Corley from a stay of several weeks in Col. Mewburn hospital, Edmonton.

Mr. Simonsen also welcomed the visitors and gave a thank-you to Aldous Kent for the interesting picture show.

Dr. Ben King on behalf of the club, presented a ham to retiring president Tom McPherson. The inference was as Ben said, "as one ham to another."

Arrangements were completed for 16 Rotarians and wives to go by bus to Grande Prairie on April 27 to attend the district conference.

Junior Williamson Passes Away

Junior Williamson aged 26 years, a well known young farmer of the Claysmore district, died in the Vermilion hospital on Tuesday, March 25. He had been in failing health for the past year.

Born at Consort, Alberta Junior had lived at Claysmore since 1938. He leaves to mourn his loss, his loving wife and one son Dean Leigh, his parents, Mr. and Mrs. Harry Williamson of Claysmore, one sister, Mrs. Harvey Seymour of Vermilion and one brother in Ontario.

Funeral services will be held on Friday, March 28 at 1:30 o'clock in the afternoon at the United Church, Vermilion. Interment will take place in the Vermilion cemetery.

Moyer's are in charge of arrangements.

Successful Farm Implement Shows During Past Week

Three very successful demonstrations of the very latest in farm machines were held by local dealers this week.

Last Friday and Saturday over three hundred attended the Case show given by W. H. Little & Sons. Great interest was taken in the new line of tractors offering Case-o-Matic drive. The actual tug-of-wars shown on the screen demonstrated the advantages of this type of pull-power.

On Saturday afternoon Cliff McCormick, agent for the Nance Company held a school on Nance balers, rakes and mowers, and then showed a free movie at the Legion hall.

On Tuesday of this week the new Cockshutt Series 500 was introduced by the Ireland Farm Equipment, local agents.

Coffee and doughnuts were served on each occasion. Judging by the attendances these demonstrations of the new developments in farm machines are appreciated by the farmers. The dealers are to be congratulated too at the time and trouble they take to stage a good demonstration and show.

Appointed Livestock Supervisor

Bob Barr was recently appointed livestock supervisor for the Edmonton Exhibition Association. Bob, who is a son of Mr. and Mrs. Manson Barr, commenced work at his new position two weeks ago.

Letters to Editor

Vermilion, Alberta.
Editor, Vermilion Standard.
Dear Sir:

Vermilion Branch of the Canadian Legion conducted a canvass this week to help the Le Brocq family in their recent sad misfortune. The canvassing committee wishes to thank all those who so kindly gave to this fund.

As all people in the town and district could not be contacted it is felt that there are probably some others who would like to help.

Contributions can be left with Vic Tillett or E. H. Buckingham.

E. H. Buckingham,
Sec'y., Canadian Legion.

Canadian Legion Notes

The usual Vimy banquet will be held this year on April 10. All veterans, ladies auxiliary members and escorts will be welcome. Tickets can be obtained from Thos. Wilson or E. H. Buckingham. There will be no tickets for sale at the door.

Brigadier W. G. H. Roaf, Regional Administrator of D. V. A., Winnipeg and E. M. Scott, District Administration of V. L. A. Edmonton will speak at the banquet.

E. H. Buckingham will show pictures of his recent trip to England.

VIMY SMOKER

On Saturday, April 12 a smoker will be held in the Legion Hall. All ex-servicemen and women and escorts will be welcome. This is one of the big gathering of veterans held by Vermilion branch in the year. Come out and join with us.

NEW MEMBERS

Three veterans joined this branch at the last meeting. Their names are: William Roy Walker, Sylvester Grant [illegible] and Richard Reed.

Guess Date in Ice Breaking Contest

When will the ice move out of the Vermilion Lake? If you guess the right time or are the closest to the right time you can win $15 worth of fishing tackle or cash. The Vermilion Cubs are sponsoring this effort in a money-raising plan for the building fund of the Scout hall. Help the little fellows out, tickets are only 10 cents each, buy a couple. 37c

Annual V.S.A. 'Little Royal' and Achievement Day Wed., April 2

Wednesday, April 2 is the annual Little Royal and Achievement Day. This is a day of days at the Vermilion School of Agriculture and Home Economics, and a big day as well for the Vermilion district. The classrooms are thrown open to the public and people come from far and near to see the displays of student work.

The highlight of the day is the livestock show. Boys in the graduating classes are feverishly grooming their animals for this event. They are judged on the basis of their preparation and showmanship alone and competition is always keen for the showmanship award.

Meanwhile the girls are hard at work with their baking and sewing. Eye-catching displays of cooking and sewing are one of the attractions that bring local housewives out year after year and no pains are spared to make the displays worthy of attention.

Many other exhibits are made of classroom work in Field Crops, Botany, Horticulture, Poultry, Dairying, Woodwork, Science, Metalwork, Farm Mechanics and others. Lunch is always served at modest prices for those ready to take time out from their sight seeing with Mrs. Rosbuck at the piano.

April 2, 1958 promises to be a day for many to remember at V.S.A.

Vermilion Stock Again Tops At Edmonton Stock Show

Vermilion livestock and stock-raisers again swept the top prizes at the Edmonton Spring livestock show and sale.

Keith Barr and Betty Robinson dominated the Shorthorn class, Keith winning first and Betty second. They went on to win Junior champion and Reserve Junior champion, finally ending the sweep by Keith taking the grand championship of the show and Betty the reserve grand championship.

At the sale which followed the grand champion was sold for $1.15 per pound and the reserve grand champion for $1.05 per pound.

FIRST IN SHOWMANSHIP

That wasn't all as Keith Barr won the showmanship class.

Louise Barr stood fifth in the Shorthorn class and was selected along with brother Keith to compete in the showmanship event.

John Barr won 9th in a class of 21 Hereford calves, and was awarded a special prize for being the youngest exhibitor at the show.

Robinson & Son Win

Showing two head of Shorthorn cattle and winning three first prizes was the unique achievement of W. L. Robinson and son Billy at the Edmonton livestock show this week.

Exhibiting in the futurity classes in the Shorthorn bull class for calves born from Sept. 1st, 1956 to Dec. 31st, 1956, Glenrobin Loyalist won first in the class and reserve champion.

In the Shorthorn female class for calves born from Jan. 1 1957 to April 30, 1957 the Robinson entry of Glenrobin Lady Dorothy was also first in her class and reserve champion.

The two animals then went on to win first in the 'Get-of-Sire' class.

Keith Barr Wins High Standing At Calgary Stock Show

Exhibiting in the Junior classes at the Calgary spring livestock show and sale, Keith Barr, son of Mr. and Mrs. Manson Barr won second in the Shorthorn class and third in the showmanship competition.

Macleod Employees From Eight Stores Bonspiel in Vermilion

Employees from eight stores of MacLeod's Ltd., gathered in Vermilion last Sunday for the 3rd annual bonspiel. Represented at the enjoyable social event were the stores at Vegreville, Lloydminster, St. Paul, Bonnyville, North Battleford, Prince Albert, Saskatoon and Vermilion.

Rinks from the store at Vegreville emerged the winner, taking the final from the Lloydminster rink. Each team present curled three games.

Following the curling, a dinner was served in the Brunswick Hotel dining room. During a short program following the meal a Stetson hat was presented to Mr. Walter Gibson of Saskatoon, the district manager of MacLeod's.

Lloydminster Boys Win Basketball Championship

Lloydminster won the boys' high school championship of North-Eastern Alberta and the Boake trophy with a thrilling 27 to 26 victory over the Two Hills school team, the defending champions. The girls' championship and the Clendenning trophy had previously been won by the Lloydminster high school girls in a final against Hughenden. Eighteen teams took part in the two championship tourneys last week end necessitating a return to finish up the tourney.

The boys' final was anyone's game from the start to the final bell. For Lloydminster Kondu scored 14 points, Blair 2, Mah 1, Harding 1, Odinski 1, Lavold 2, Fisher 4 and Bain 2 points. The scoring for Two Hills was done by Babiuk with 10 points, Nikiforuk 7, Serna 4, Gorgichuk 3 and Keraluk 2. Referees were A. Palin and L. Seath.

Bantams Win

Two games of Bantam hockey were played last Saturday with the Vermilion Elks winning from Dewberry 5 to 2 and the Legion turning back Mannville 3 to 1.

Scoring for the Elks in their game were Ross, Wasylik from Ross, Ross from Beattie, Ross, Manyluk from Wasylik. Beedon scored twice for Dewberry.

The official scorekeeper for the Legion game failed to turn his scoring records in.

Ladies' Hockey Club Boosters Thank Public

We would like to express special thanks to the ladies who helped in any way in the refreshment booth at the hockey games this winter. We reached our objective in making enough money to make sure the hockey boys each receive a jacket at the end of the season.

We also express our thanks for the kind donation of enough hot dogs for one evening from the Ladies Softball team.

A special word of praise for the following ladies who hardly missed a game: Mrs. Ireland, Mrs. Young, Mrs. Jensen, Mrs. Brian Ford and Mrs. Stuart Barr.

Ladies' Booster Club,
Per Mrs. J. Brown.

Speaker Claims Government Party Back-Benchers Just Chair Warmers

Speaking before a full Legion Hall on Tuesday evening in support of James A. Smith, Social Credit candidate Ashley Cooper claimed that the Conservative party supporters argue from the public platform that this riding will not be effectively represented unless we send a government member to Ottawa that he will then be able to sit in on the inner councils of government and help formulate national policy. This theory said Mr. Cooper was blown to bits when it was definitely established that the backbenchers of the Conservative party had never seen the much debated bill to stabilize the price of agricultural products. This became evident during debate and the question was asked on the floor of the House "had the Conservative backbenchers seen this bill before it was introduced?" A Conservative member from Western Canada immediately answered, 'No we did not.' This information was taken from Hansard.

"It has been our belief" said Mr. Cooper "that the backbencher of the party in power does not sit in on deliberations of the inner [illegible]. Nor could these Conservative backbenchers criticize the material found in this bill as party discipline of government members frowns on such behaviour. Fortunately opposition members can and do. The Social Credit and C.C.F. members held up the passing of this particular bill until three amendments were made to it and the bill became at least of some use to the agriculturists of Canada. It was a sorry excuse when first presented by the Conservatives."

LARGE ATTENDANCE

The meeting, one of the most largely attended of the present election campaign with 132 actually counted was addressed by James A. Smith, Social Credit candidate for Battle River-Camrose and Hon. Anders Aalborg, Minister of Education for the Province. On the platform also were Mr. W.R. Cornish of Mannville, president of the Vermilion Constituency Social Credit group, Ernest Schurman and Angus McMillan vice-president and sec.-treas. of the Vermilion Social Credit group and Ashley Cooper chairman of the meeting.

Mr. Smith dealt in a very impartial manner with the work of parliament during the past short session stating that with the help of all parties a great deal of progressive legislation had been passed. The votes carrying the various bills were the largest in the history of the House of Commons, which caused one to wonder about the need for an election. Mr. Smith gave a wealth of information concerning the session free entirely from any party rancor and one which members of all political lines of thinking should have heard.

Hon. Anders Aalborg who was introduced by Mr. Cornish, traced the development of politics in Alberta leading up to the establishment of the present Social Credit regime. Told in an interesting and entertaining manner, Mr. Aalborg's talk was much appreciated and enjoyed.

The chairman urged the audience to ask questions and a number were forthcoming directed to both Mr. Smith and Mr. Aalborg.

A social hour was held at the close of the meeting with the ladies of the Social Credit Group serving coffee and doughnuts. Practically the entire crowd stayed for this part of the proceedings, taking advantage of the opportunity to meet the Minister of Education and Mr. Smith who has been a member at Ottawa for the past three years.

Monday, March 31 Election Day; Polls Open From 8 a.m. to 6 p.m.

Polls will open at 8 a.m. on Monday, March 31 and remain open until 6 p.m. of that day for the purpose of electing a new parliament for the Dominion of Canada.

Voters in the Battle River-Camrose constituency will make their choice between four candidates and these in the order in which they will appear on the ballot are:

Rolseth, Harold, Rosalind, C.C.F.
Saville, F. Clifford, Hardisty, Liberal
Smallwood, Clifford S., Irma, Conservative
Smith, James A., Vermilion, Social Credit.

Three of the above ran in the election of June 10th, 1957, the only change being in the Liberal candidate.

Results of voting in the June 10th election for Battle River-Camrose constituency were:

Smith, Social Credit	10,806
Heckbert, Liberal	5,419
Smallwood, Cons.	3,771
Rolseth, C.C.F.	2,156

1957 VERMILION RESULTS

In the Vermilion polls in the last election the votes polled by parties were:

Social Credit	588
Liberal	357
Conservative	79
C. C. F.	29

POLLING PLACES

There are three polling places in Vermilion, the Catholic church basement with two polls, numbers 183 and 186 — these polls take care of all voters residing east of 49th street (street runs north and south past Imperial Block) also includes some rural voters.

The Legion hall has two polls numbers 187 and 188 — all those people west of 49th street and between the railway tracks and the town limits to the north vote here as well as a number of rural voters.

The Motel poll is 185 and takes care of all the south side voters as well as a considerable number of rural voters.

Vermilion Fair Summer Camp For Farm Girls and Boys 13 to 18

Despite the fact that the Department of Agriculture has found it necessary to increase the cost of board and room at the School of Agriculture from $1.50 per day to $2.50 per day for junior activities during the coming summer the Vermilion Agricultural Society is proceeding with plans to hold the usual Summer Camp and invites applications from boys and girls age 13 to 18.

The camp will be held from Monday July 21 to Saturday, July 26 inclusive and practical instruction will be given by the staff of the School of Agriculture.

The total cost to those attending will be only $7.50 for the week for board and room and a small charge for materials actually used in practice sewing room and shops. The Agricultural Society will absorb the remainder of the cost for the students.

Applications will be accepted as received with preference being given those who have not attended previously and the lists will be closed as soon as 60 girls and 60 boys have been enrolled. Parents desiring to give their children a useful and enjoyable holiday are invited to obtain details of the courses offered.

School pupils and other young people are urged to plan to exhibit at Vermilion Fair this summer; school work prize lists are now in the hands of teachers throughout the area and additional copies may be had at the office of the Secretary Manager, S.C. Heckbert.

J. Beecroft 94 Years Old On April 2nd

Now making his home with his nephew Alfred Beecroft and family north of Vermilion, Mr. J. W. Beecroft will celebrate his 94th birthday on Wednesday, April 2nd.

Born in Leeds, Yorkshire, England, he first came to Alberta in 1905 but finally settled at Lashburn where he lived until five years ago. He is a brother to the late Charles Beecroft of Vermilion. Still quite active Mr. Beecroft is frequently seen on the streets of Vermilion.

Tom McPherson Receives Scroll

Tom McPherson, who proved himself a good citizen and a fine community worker during his 3½ years in Vermilion, was presented with a scroll extolling his virtues at the Board of Trade luncheon meeting on Wednesday of last week. The presentation was made by President of the board, Mr. Al Locke.

Wednesday evening Tom was again feted, this time at a stag party in the Elks hall, where some 100 of his friends gathered to enjoy a social evening and to present Tom with a new shotgun. According to Bill Sutherland who made the presentation, Tom needed either a new gun or shooting lessons if he continues to go goose and duck hunting.

Mr. and Mrs. McPherson and the family left here on Sunday [illegible] residing in the city of Red Deer.

Fight Pictures At The Columbia April 4, 5

The Sugar Ray Robinson vs. Carmen Basilio fight pictures will be shown at the Columbia theatre Friday and Saturday, March 4 and 5, coming direct from Edmonton. 37c

CCF Leader And Candidate Draw Big Attendance

A well attended meeting sponsored by Battle River-Camrose C.C.F. was held in the Elks hall in Vermilion on Saturday, March 20th. The C. C. F. candidate, Harold Rolseth, compared the philosophy of the C.C.F. with true Christianity, pointing out the similarity of the two movements.

Mr. Floyd Johnson, leader of the Alberta C. C. F. in an inspirational address, drew attention to the present condition of primary producers, caused largely by the terrific dividends paid by corporations as compared to the wages paid to labor.

The meeting attracted many people from distant points and was the most largely attended C.C.F. meeting held here for many years.

Let's Teach Them To Drive . . .

Every year the problem of accident prevention becomes more and more important and countless hours of research each year try to improve on the safety features built into our cars and highways.

The manufacturers of automobiles have given us countless safety appliances—steel bodies, safety glass, seat belts, power brakes, etc., and in every way tried to make the vehicle safer. The engineers who build our highways are constantly striving for safer roads and highways, longer curves, straighter stretches, better road signs and road markings.

In spite of all these safety efforts our accident rate mounts year by year until it has reached a terrifying figure. From this then, it would appear that safer cars and highways are not the answer to accident prevention. The only thing left to attribute these accidents to is the driver. Over 90 per cent of all accidents are caused by driver error and 9 out of every 10 accidents could have been prevented by observance of courteous and safe driving habits. It is about time that we, the motoring public woke up to the fact that driving has become a specialized field that has no room for dubs. There will always be a certain per cent of drivers who will completely disregard the rights of others and they will continue to be largely responsible for the toll of deaths and injuries. The best hope to eliminate this type of driver is to train the new generation through a system of safe, courteous, and [illegible] habits until we have drivers who will adopt a courteous defensive manner of driving along with skillful operation of a vehicle. This requires instruction under a capable teacher who not only understands the necessity of teaching good driving habits, but emphasizes good attitudes as well. We of the Alberta Motor Association have found that trained drivers and teenagers in particular who take such a course prove to be very desirable drivers. The good record set by these teen-agers has resulted in an increased demand each year for more and more training until in 1957 over 300 high school students were trained through the Edmonton office alone. For the past four years it has been our policy to have a car and instructor available to all country points upon request. The only requirements are that a class of at least 10 and preferably 14 be enrolled and that some local group or service club handle the booking and organizing the class. There is no additional cost to the applicants at country points. High School students receive the course for $15.00 while adult members and associate members of the A.M.A. pay $20.00 for it.

The course consists of eight hours of classroom instruction where the students are taught the basic principles of a car as well as a thorough grounding on the rules and regulations of traffic driving. The actual being behind the wheel instruction consists of eight lessons in the car each of which gives one hours driving and one hours observation time. Two students are taken out together for a two-hour period and while one drives for an hour the other observes. This observation time cuts down on the amount of time needed for behind the wheel instruction, as a person can learn a great deal through listening and watching the training of an other student.

We must all bear in mind that the drivers we shall meet face to face on the highways of tomorrow are the high school students of today. Bad grammar may make some people shudder, but bad driving can kill you, so — Let's Teach Them To Drive.

STRUCTURAL DESIGN —WHAT IS IT?

It's the actual shape and size of an article. The attractiveness of structural design depends on several things, among these are proportion — Proportion is a term referring to the relationship between parts. All parts of a chair, table, cushion or dress should be in the proper relationship. To illustrate this term, think of a table—the top of which is made of a heavy oak slab supported first by 1 inch square legs then secondly by heavier sturdy legs. The second picture is in proper proportion. Can you see why?

Structural design should be pleasing to the eye and be suitable for use. Simple lines such as straight lines or smooth curves are most attractive.

APPLIED DESIGN

This is another type of design which can either add to or subtract from the structural design. To be good design, the applied decoration should have some relationship to the shape of the structure. Round pat terns or rectangular shapes bear no relationship to each other.

Beauty in surface pattern is produced by individual design, arrangement of which must express personality and character, honesty of technique, evidence of joy of designer and harmony of article and design.

APPLIED DESIGN IN CRAFTS

Does the design you apply on an embroidered article, a rug, in crocheting possess these qualities? Ceramic roses applied at random to jugs, ash trays, bowls and bases sometimes give the appearance of a hasty afterthought.

Frequently structural beauty combined with richness of color forbids use of any added decoration. Consider these points in your craftmanship.

"GREEN ACRES"

DEHORNERS FOR LOAN

Any calves that were not dehorned last fall ought to be done now. There is a dehorner in this office for loan. Don't forget that there is a $2.00 penalty for horns.

GRAIN VARIETIES

A new circular on varieties of grain for Alberta (1958) has just come to hand. Everyone planning on buying seed ought to get a copy of this circular.

BABY CHICKS

Over heating or a chill can give baby chicks or poults a set back that may result in unthrifty birds that catch diseases easily. The best temperature at the height of the back of the chicks is 95 degrees. The temperature can be brought down gradually at the rate of 5 degrees a week. The first feed should be chick starter and don't add boiled eggs or milk. Watch floor space, clean water, and cleanliness.

SAVE THE PIGS

During the next two months, hundreds of pigs are going to die in this area soon after birth. This is where the profit goes so anything we can do to raise 8 to 12 pigs per litter will mean more dollars at market time. Care and feed of the sow has a lot to do with thrifty pigs. Feeding pig starter to the young pigs is important. Why not get a copy of '*Swine Production in Alberta*' from this office. There are a lot of good tips for pig raisers.

SALT FOR PIGS

Salt poisoning is death to pigs. They do not recover after getting too much salt. However, this does not mean that pigs should not get salt in their feed. All complete commercial feeds have about 1 pound of salt per 100 pounds of meal. This is safest way to feed salt to pigs and then they do not get too much all at once when they are hungry for salt.

SEED SOME ALFALFA

Alfalfa is the best crop we can grow for live stock feed. It is specially useful in feeding to sows before farrowing, to cows before calving, to all young stock, to pigs on feed and to milk cows. A few acres of pure alfalfa will add protein to the ration and generally keep live stock thrifty and healthy.

B. C.'s Birthday

British Columbia is celebrating its hundredth official birthday this year. This is the official date, explains The Financial Post, because there were really several dates, some earlier, some later, [illegible] which a choice would have [illegible] made.

The original colony of Vancouver Island was established in 1849, the colony of Queen Charlottes in 1853, the mainland colony of British Columbia in 1858 and the colony of the Stickeen Territory in 1862.

From that list of dates the provincial government has chosen the one that marked the centennial of the colony which later gave its name to the whole province.

But whether its real age is 100 years or 96, there's no doubt about the growth of British Columbia. From a few scattered fur trading centres along the coast a century ago, and cut off entirely by wilderness, it has become Canada's third largest

Says Conservative Government Should Be Given Opportunity To Effect Long Term Policies

Mr. Cliff Smallwood, Progressive Conservative candidate for the Battle River-Camrose Constituency, addressing a public meeting held at Vermilion on the 20th of March, stated the present Conservative Government had fulfilled as far as possible, during the short time it had been in office, its promises to the people of Canada made prior to the last federal election, but the time had now come to give this government the opportunity to put into effect its long term policies.

Mr. Smallwood also made the statement the present government had done more for the people of Western Canada during the short time it had been in office than any Dominion Government since Confederation, and he reviewed shortly some of the major things he considered the Government had already accomplished. He stated Vermilion had been urging the building of a new Post Office for some years and while other parties talked and thought about it, the Conservative Government had taken active steps to have one here.

Mr Smallwood complimented the people of Vermilion on the splendid town they have and the beautiful Provincial Park and Lake. He also paid tribute to Mr J.W.G. Morrison Q.C. and Mr W.J Macnab who in years gone by had been Conservative candidates for the Constituency of Battle River-Camrose.

Mr W.J (Cam) Kirby a prominent lawyer from Red Deer, Alberta, and a Conservative Member of the Alberta Legislature, was the guest Speaker at this meeting. He is also President of the Alberta Progressive Conservative Association.

Mr Kirby reviewed at some length the accomplishments of the present Conservative Government during the time it has been in office. He stated the export market for the agricultural products was diminishing when the Government came to power, and that the agricultural policy put into effect by this Government almost immediately, was one of the most important and valuable contributions to the farmers of Canada of any Government to date.

He said the first thing the Government did was to set up a Royal Commission to investigate the situation and get the facts. Secondly, the Government took steps to enlarge markets for agricultural products in England which had previously dropped alarmingly. As a result, Mr. Kirby stated, Canada was the only country to increase its export of wheat during the last six months of 1957.

He mentioned steps had been taken by the Government to halt the tendency of our economy to become dependent on the United States and cited as one of the steps taken, the Trade Mission to England, sent for the purpose of inducing England to buy our wheat to a greater extent and in turn increase the sale of England's manufactured products to Canada, thereby creating a supply of money to buy our wheat.

Mr. Kirby dealt in some detail with the Agricultural Stabilization Act passed by the Conservative Government, which he stated was the most forward piece of agricultural legislation ever placed upon the statute books and of the most benefit of Canadian farmers. He said the Government had taken opinions from various farmers and farmer representatives to evolve this legislation which had met with the approval of various farm organizations. He remarked the essential characteristic of the Act is its flexibility whereby adjustments can be made from year to year. He said the Government did not accept amendments to the Act suggested by opposition parties but that many of the recommendations of Farmer Unions and Farmer Organizations had been accepted and acted upon by the Minister of Agriculture.

Mr Kirby set out the objectives of the Act as, Firstly: A fair relationship between the prices for agricultural products received by the farmers and the prices for goods and services they buy, so that the farmers may have a fair share of the national income. Secondly: That the farmers receive a fair price for their products in relation to the cost of production.

In the course of his remarks Mr. Kirby asserted that the Government had reduced income tax so that approximately 100,000 taxpayers no longer had to pay income tax ... had increased building loan facilities ... started a programme of development of the North Country ... proposed establishment of farm credit for young farmers and crop insurance. The speaker concluded his address by saying in his opinion John Diefenbaker had implemented every promise he could in the short time at his disposal, and thereby deserved the confidence of the people of Canada.

Mr F.M. Stewart, Chairman of the local Federal Progressive Conservative Association, was Chairman of the meeting and introduced the speakers. Also on the platform were Mr J. W. G. Morrison, Q.C., Mr W.J. Macnab, Mr Don Wilson, President of the Provincial Conservative Association, Dr. A.H. Sweet of Islay, and Mr. Harry Brown, Secretary of the local Federal Progressive Conservative Association.

Mr. Stewart, in the course of his remarks, stated he was glad to see such a large crowd present at the meeting which he felt indicated a widespread interest in the present election and in the Progressive Conservative Party.

Derwent Locals

James A. Smith, Social Credit member in Ottawa for past three years and Peter Chaba were guest speakers at an overflowing Social Credit meeting held in the hall here Saturday evening. It was the largest political meeting held here in years.

A successfull Knights of Columbus meeting was held recently at the Derwent town hall.

Mr. Max Hanasyk attended a one-day sales conference sponsored by the Cockshutt Farm Equipment Ltd. in the sales pavilion at the exhibition grounds in Edmonton. In the evening Mr. and Mrs. Hanasyk attended a dinner where both dealers and their wives were guests.

John Zaharko and Nick Boyko were lucky ham winners at the Myrnam ham bingo held recently.

Mrs. Anne Palinka and Mrs. Anne Hanasyk spent a day in Edmonton visiting their many friends.

A Progressive - Conservative program was held at Derwent where Mr. Cliff Smallwood and Mr Bill Pidruchny Jr were the guest speakers.

'The Bible Today'

Although production of Scripture by the British and Foreign Bible Society has tripled in the past ten years, there are still hundreds of dollars worth of orders that cannot be filled due to lack of funds, reports the Rev. K. G. McMillan, general secretary for Canada. Since 70% of its Scriptures are sold at less than cost, the increasing demand calls for a larger subsidiary.

Mr. McMillan emphasized that while British and Foreign Bible Society has been at work for 154 years, the effort to provide Scriptures for the world is really in its infancy. In India, for example the rate of literacy is expected to increase from its present 17% to 50%, and the population of nearly 400 million is growing by five million a year.

This situation, as applied to other countries as well, presents the greatest challenge of all time to the Bible Societies.

News from Dewberry

The C.G.I.T. and their leader Mrs. Elsie Jones wish to thank all who attended the tea and sale of work on March 15th. Also to all who helped to make it the success it undoubtedly was.

Mrs. Durnin suffered a painful accident on March 17th when she slipped and fell on some ice in her yard as she was taking the clothes in off the line. Upon examination it was found that there were two bones broken in her wrist. Hope you will soon feel better Mrs. Durnin.

A speedy recovery is wished Mrs. Kiss in the Islay hospital, and Durward Bowman, a patient in the Vermilion hospital.

Congratulations to Mr and Mrs George Wowk on the birth of a daughter; also to Mr and Mrs Don Beckett of Hazeldine on the birth of a son.

The Ladies Aid are holding a tea and apron sale on April 5th. There will also be home baking, produce candy and a white elephant table. Keep this date open.

The local F.U.A. are holding their annual amateur hour on Easter Monday in the school auditorium. A dance will be held in the hall starting at 10 p.m. sharp. A large attendance at each is hoped for. If the amateur hour is up to past standards it will be well worth seeing. Local and outside talent is always good at these affairs.

Mr and Mrs Munro attended a birthday supper at the home of their daughter and son-in-law Mr. and Mrs. Bill Axley, Islay. The occasion was Jean's birthday. Many more happy birthdays Jean.

Measles and mumps are quite prevalent in Dewberry these days as are colds and flu.

Mrs. Ernest Garnier and Mrs. Erven Garnier have gone to Edmonton as their father, Mr Wade is in hospital seriously ill.

Bing! Bang! Win A Ham . . .

Yessir! Even you can win a ham at the C.O.F. Ham shoot on Saturday, March 29th in the Vermilion armories.

No need to worry about the dead-eye dicks, just shoot a [illegible] target and the highest total wins. The crack-shots can still shoot bulls' eye targets if they prefer. Two separate competitions.

Shooting commences at 1 p.m. and continues until all the hams are won. Rifles are supplied or bring your own. No scopes.

Proceeds will be used by the Foresters for community projects. 36-7

The winner of the quilt raffled by Christ Church, King Edward W.A. was Mrs. W.A. Corbett of Edmonton.

Dear Editor:

As a ratepayer I would like to voice my opinion on some statements made in the Wildmere Winks.

As to ratepayers living 20, 25 and 30 miles out. They being the ones that need the roads, not those living near town or on the hard top.

Perhaps this is why "conscientious old Jim" left the ratepayers shovel snow from November till mid-April barring a month before voting day. Then buck mudholes all summer and pay a higher rate of taxes for the privilege of living nearer town.

Perhaps Mr and Mrs. Wilson won't need to be phoned so often.

Thanking you for your space and time, Mr Editor.

An Appeal To The Voters of Battle River-Camrose by Harold Rolseth, C.C.F. Candidate

The local newspapers and radio stations are to be commended on the way they have made free space and radio time available for the free expression of political views in this election. It is an expression on the part of the Canadian citizens to maintain the democratic rights which have been gained for us through a hard and long struggle by our forefathers. But there are strong indications that the struggle is not yet over.

Had the will of the people been supreme and our democratic rights permitted to function without interference, there would have been no need for an impending economic crises. The agricultural industry would not have been faced with bankruptcy, and there would not have been three-quarters of a million breadwinners out of work in Canada today.

This situation exists because the will of the people is not supreme, and because the proper functioning of democracy is thwarted by the vested interests in an economic system of privilege. Millions of dollars are made in profits by large corporations which are irresponsible to the people of Canada. This undemocratic economic system functions within our democratic political system and spreads its poison into every aspect of life including the minds of many of our people. Profits take precedence over human rights and laughs in the face of Christianity itself.

A few figures will illustrate how unjust and undemocratic this so-called free enterprise system really is. The Canadian Bureau of Statistics show that between 1951 and 1957 commodities and services paid for by the farmers had increased by 12% while prices of agricultural products received by the farmers had dropped by as much as 22.4%. At the same time, just to take one example, the Steel Company of Canada increased its profits by 826%. But now that the income of the primary producer had been taken away by Big Business, they offered to lend it back to the farmers and workers at a price. What happened?

Between 1946 and 1956 the Industrial Acceptance Corporation, which is a lending agency, increased its profits by 3296%. This is highway robbery. This is not justice. This is not democracy. This is economic autocracy, but how can this take place in a democratic country like Canada?

A statement which appeared in a recent issue of The Financial Post answers this question for us. This statement says that $12,000,000 were made available by the big business interests to the free enterprise parties, Conservative, Liberal, and Social Credit to fight this election. Did the big business interests make this generous gesture simply out of the goodness of their hearts or do they have an axe to grind? It is important for them to keep the C.C.F. out of office because they know that the C.C.F. would, for example, nationalize such public utilities as the Trans-Canada pipeline, and they know that the C.C.F. would prevent wholesale handout to speculators and profiteers the means of life that rightfully belong to all the people.

We urge in this election you support the C.C.F. It is the most democratic party in Canada. The policy of the C.C.F. is democratically drawn up at conventions held every two years. The [illegible] of the C.C.F. are responsible to the party. They do not ask us to let "John" do it. The C.C.F. program is based on fundamental principles of justice and human rights. It is out of such principles alone that a policy of parity prices for farmers and employment for workers can be drawn.

Personally, I have no political ambitions, nor do I seek any personal gain. I offer to serve you because I have dedicated my life to humanity. I am your C.C.F. candidate because I believe in the underlying principles of the C.C.F. movement and I sincerely believe that fundamentally you do too. Do vote on March 31st. Vote C.C.F., and vote for economic justice and obtain your rightful share in the great abundance that Canada has in store for us all.

LOCAL NEWS

YE ED 85 ON MONDAY

Ye Olde Editor, S. R. P. Cooper, was 85 years of age on Monday and received numerous birthday congratulations at his home in Vermilion.

Mr. and Mrs. Murray Miller returned recently from a two weeks' holiday spent at Kelowna, B.C. They were accompanied on the trip by Mrs. Carmen Miller of Edmonton. During their parents' absence the Miller twins were taken care of by their grandparents Mr. and Mrs. Jack Brown.

Mrs. W. Axley has returned to her home in Dewberry after spending the past month in Calgary visiting her son and wife there. Mr. and Mrs. Axley brought her back by car.

Alex A. Barr who has been a patient in the hospital for the past three months, is now out and about again. It will be recalled that Alex had the misfortune to slip on some ice at Xmas time and suffered a broken hip in the fall.

Sammy Little is away on a three week holiday during which time he will visit his brother Wilfred at Cranbrook and an uncle at New Westminster as well as stopping over at Trail, Vancouver and other points of interest.

Mr. Paul Osinchuk who was called to Vermilion by the death of his father Mr. Philip Osinchuk, left on his return trip last Saturday.

Winner of Kinettes dress of the month was Mrs. Vivian Dyck. Anyone desiring a ticket for the next draw see any member of the Kinettes.

Check that date on your label.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. William J. Pettigrew announce the engagement of their daughter Iva Marie Miller to Mr. Gary Kent Giebelhaus, son of Mr. and Mrs. Giebelhaus, Edmonton, Alberta. The marriage will take place at St. Saviour's Anglican church, Vermilion, on Saturday, April 19th, 1958 at 2:30 o'clock in the afternoon.

Mr. and Mrs. Aldous Kent and Mr. and Mrs. Ed Herzog motored to Vancouver this week where Aldous will attend the annual convention of bottlers while Mr. and Mrs. Herzog will visit relatives.

Both teams were supported by groups of cheer leaders and rooters and excitement reigned supreme throughout the final contest.

Mr. and Mrs. Bruce A. Wilson of Fairview, Alberta were visitors in town this week visiting relatives and attending to business affairs. They intend to motor to Tillsonburg, Ontario to visit Harvey Wilson. They will be accompanied east by their daughter Mrs. W.B. Mix and Mr Mix, who will drive two trucks back.

Hiram H. Hodgins who has been confined to his home by illness for the past three weeks tells the Standard that the Doctor has ordered him to stay there for another five weeks. Hiram says that he fully intends to vote on Monday though.

Miss Bertha Wilson of Calgary is spending her holidays here visiting at the home of Mr and Mrs. George Jensen.

Mr. and Mrs. Steve Warawa and sons Jimmie and Wayne were week end visitors to Loyalist, visiting Mr. and Mrs. Peter Trach and Donny.

SMALL TALK

by—

Cliff Smallwood

Conservative Candidate for Battle River-Camrose Constituency

I think a good place to start this week might be on the farm policy being offered by the Conservative party in their bid to continue as your government. For nearly every voter in this constituency is more or less directly dependent on the welfare of the farmer.

Douglas Harkness, Minister of Agriculture, in his two appearances in this district, declared it his firm belief that with any luck at all the aggressive marketing policy now being [illegible] would see the end of the surplus problem in three years. A six bushel quota, he maintained, would clear up all but the very heaviest stockpiles of grain. [illegible] to the floor price and support price policies planned by the Conservatives and there is every reason to suppose the farmer would indeed receive what could be considered a fair portion of the Canadian economy. Not only that, but the suggested policy of using a ten-year average cost of production as the basic floor level should go a long way to level out the booms and slumps that farmers have always found in their income.

Add these to the other programs of development for the West which the Conservatives alone have suggested, and you will see why I feel you can best aid the building of a strong Canada on March 31st by giving your vote to Diefenbaker man . . . .

Shower Held For Clandonald Couple

Since their recent arrival back in town, Mr and Mrs. Gordon Shneider (nee Loretta Burns) were wished a happy and successful voyage in their married life on Tuesday night, March 18, when approximately forty ladies gathered in the Orange Hall.

Several games were played, followed by an amusing recitation, 'The Inventor's Wife' by Mrs. Fred Goddard. Patsy Thiessan, Geraldine Kada and Deanna Butz, favoured with a number of songs suitable to the occasion. Mrs. Matt Kada, on behalf of the ladies, then presented a gift laden table to Loretta, with all the very best wishes of their friends. Carlotta and Dale assisted their sister in unwrapping the gifts, which were passed around and admired by all.

Loretta thanked her many friends for their kindness and good wishes and extended an invitation for all to visit them.

Lunch was served by the ladies which brought the pleasant evening to a close.

WILDMERE WINKS

On Saturday the writer attended the high school bonspiel held in Vermilion where some good curling was enjoyed. The rink skipped by Ken Graham with Sandra Parks 3rd, Jim Sinden 2nd and Dorothy Jean Stewart lead, won the Grand Challenge. Kenny hails from Wildmere but attends school in Vermil. Good going kids. They received nice trophies, something thye will cherish for years to come.

Mr. and Mrs. J. Wallington journeyed on Sunday to Mr. and Mrs. L. (Red) Arthurs' of the Auburndale district. 'Red' and family live on Jimmie's homestead which he filed on fifty years ago on Sunday last (Mar. 23rd). Jim relates he caught a ride to Vermilion at that time on March 22nd, 1908 with a man driving a team of mules and made the return journey home on foot. Arriving at the home of Mrs. Davis where her daughter Annie Davis and William Hetherington were married that day. All these folks are now deceased. Jim says he borrowed $11 and after paying $10 for his homestead fee, 25 cents for supper, 25 cents for a bed and 25 cents for breakfast, he bought a 10 cent plug of tobacco and arrived home with 15 cents in his pocket, but he had a 'homestead'. Jimmie has seen vast changes in the country since that 23rd of March, 1908.

BUFFALO COULEE ACTIVITIES

With not too much spring-like weather to melt the ice, the curling pastime is still going strong. A mixed bonspiel with one or two school students on each on a three game point system has been under way and should be finished this week.

The Student's Union held another one day spiel with Grant Haverslew's rink again being the winner.

Ruby Larsen's rink did not do so well in the Vermilion Ladies bonspiel but took second in the third event at the Minburn Ladies Bonspiel.

Another Buffalo Coulee rink skipped by Lois Staden captured the Challenge at Minburn.

The B.C. ladies are having a one day local spiel this Wednesday which should pretty well wind things up for the season as most of the ladies are now talking of painting and spring cleaning.

A very interesting Home and School meeting was held last Wednesday with Sid Moore of V.S.A. as guest speaker on the topic of recreation. Sid brought his gymnastic troupe from College and put on a very fine display which was thoroughly enjoyed by the fairly good crowd in attendance. Sid is a former local boy having lived here with his family for several years when he attended the old Paradise Valley school so everyone was very pleased to welcome him back and see a demonstration of the work in which he is so vitally interested.

Alex Palin, acting principle of V.S.A. accompanied the troupe.

The Home and School organization sponsor the B.C. Boy Scout troop so it was decided to hold a Box Social this Friday to raise funds to help defray the expenses of the boys who plan to attend the Alberta Boy Scout Jamboree to be held in Banff, July 5 to 12. Quite a few of the boys are hoping to qualify for the trip which should be quite a highlight for them.

Proceeds from the sale of 'Vanilla' were turned in and the new coffee percolater put to use. This is a seventy two cup size and the ladies were quite enthusiastic about it. Thanks to all who bought a bottle and enabled the Home and School to secure this electric perc., which will fill a great need for all social functions held in the school.

FARM FORUM MEETS

The Auburndale Farm Forum group held their final meeting of the season at the home of Ernie Gabrielson on Monday night. The meeting was in the form of a 'Smorgasbord' supper at 6:30. Thirty five people, including children enjoyed a sumptous meal (even fried chicken.) About 8:30, Clifford Cunningham very kindly took the young people to their homes. The adults then listened to the broadcast and following the program a social evening of riddles and contests was enjoyed with coffee and cake served before breaking up. Everyone feels a little sad at the closing meeting but looks forward to resuming in the fall.

Several members of the Edenvale Forum attended the rally at Lavoy on Monday night for the final meeting. They had planned a supper for this coming Friday but may have to change their plans on account of the Box Social.

Mrs. Woodruff is still a patient in the Vermilion hospital for another week and Alex Stone who has been in the Royal Alex hospital in Edmonton for check-ups has to remain until the end of this week.

Mr. and Mrs. B.A. Macnab were city visitors over the week end. They brought Mrs. Majury back with them. She has been visiting her daughters for the past few weeks.

Mrs. Alex Stone, Donald and Alayne also were in the city from Thursday night until Sunday.

Mrs. Ruby Samuelson of Vermilion has been spending a few days with her parents Mr. and Mrs. F.H. Eyben.

Sonny and Dick Eyben returned this past week end from a trip to Portland, Oregon where they visited relatives.

Sorry to hear that Mrs. Wm. Irving who has been spending some time with her daughters in Edmonton is not so well and confined to hospital. Best wishes for a speedy recovery.

Alf Green made a trip home Thursday bringing down a car load of household goods preparatory to moving back from the city the first of next week.

Mannville Locals

Mrs. W. Osborn left on Tuesday for Saskatoon to visit her son Harry. News was received Sunday night of the birth to proud parents Harry and Elsie Osborn of a 7 pound baby boy at Saskatoon.

Mr. E.B. Allen flew with his son Robert via private plane to Fort McMurray and visited friends of 46 years ago from the homestead days.

Sympathy of Mannville and district is extended to relatives of J. B. Burch late of Edmonton on his passing. Mr. Burch was a real old timer. Attending the funeral in Edmonton from Mannville were, Ross and Norma Ewing, Mrs. R. Scott, Mrs. H. Thomas, Lloyd and Cynthia Boe, Laverne and Bob Gordon, Stan and Jean Boe, Donna and John Boe, Mr. and Mrs. R. Boe, Ken and Lorna Blackburn, Martha and Bruce Scott, Clarence Ewing, Russell Whitson, Maurice Mercer and Devon Coulter.

Flying over in their private plane Sunday, Vivian (Croft) and Norman Greenwall of Wetaskiwin visited the former's sister and husband, the J. McLuckie's.

Attending the recent sessions of Orange Grand Lodge were A. E. Williams and Mrs. Williams, Mrs. L. Colborne, Mrs. Milton Finlay, Edwin Torrance and Geo. Erickson of the Mannville Lodges.

Mr. and Mrs. Cliff Hamilton were Mannville visitors over Sunday.

Many a man who found it easy to write history turned out to be a failure when called upon to make it.

Bride-Elect Honored At Mannville

MANNVILLE — A pleasant afternoon was spent on Wednesday of last week when a number of old friends and neighbors gathered at the home of Mrs. J. J. Goshko to honor Miss Ruth Henderson on her forthcoming marriage. Many beautiful and useful gifts were received by Ruth, who now resides in Edmonton. Those unable to be present sent gifts and at the conclusion of the shower Ruth thanked everyone for the gifts in a few well chosen words, while lunch brought a delightful afternoon to a close.

PROVINCIAL GOVERNMENT GRANTS

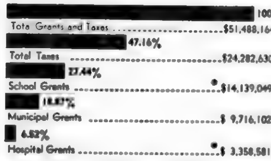
COUNTIES AND MUNICIPAL DISTRICTS

Alberta's counties and municipal districts must provide services for residents. Money to provide these services is derived mainly from two sources — municipal taxes and Provincial Government Grants.

In 1956 the municipal levy in counties and municipal districts was $24,282,630.37 which, added to the Provincial Government Grant of $27,205,533.37 equalled a total of $51,488,164.23.

Provincial Government municipal grants are paid directly to the counties and municipal districts concerned.

School Grants are paid directly to the School Districts and Divisions and Hospital Grants are paid to hospital authorities.



Total Grants and Taxes	100%	$51,488,164.23
Total Taxes	47.16%	$24,282,630.86
School Grants	27.44%	*$14,139,049.23
Municipal Grants	18.87%	$ 9,716,102.30
Hospital Grants	6.52%	*$ 3,358,581.84

* To express these grants in terms of their assistance to a municipality, school grants are pro-rated on an assessment basis. Hospital grants are pro-rated on a provincial per-capita basis. The resulting figures are therefore considered an approximation.

Death of J. B. Burch, Mannville Pioneer

A pioneer of the Mannville district 54 years ago, John Baker Burch, 79, of 10705 84th Ave., Edmonton, died in hospital Thursday morning, March 20th.

Mr. Burch was the owner of the first grocery store at Mannville. He served on the first town council, first school board and on the first vestry of Christ Church.

Born in 1879 at Taunton, in Sommerset, England, Mr. Burch arrived in Vancouver in 1903 and travelled by stagecoach to the Klondike gold fields in the Yukon.

He worked there for a year, then came to the Mannville district in 1903 and joined a dominion government land survey party surveying the area east of [illegible]

Later that same year Mr. Burch, using a tent for quarters, started the first general store in Mannville. He took his first load of wares from Edmonton to Mannville on a river scow on the North Saskatchewan and Vermilion Rivers.

In 1906 Mr. Burch married Terrie Bow, daughter of the first rancher on the Vermilion River. The couple celebrated their golden wedding anniversary in 1956.

He operated the general store until 1914 when it was destroyed by fire. He moved then to a farm two miles south of Mannville. In 1944 he retired and moved to Edmonton.

Mr. Burch is survived by his widow; two sons, Norman and Douglas, both of Edmonton; four daughters, Mrs. J. Whiteford of Calgary, Mrs. C. Allison of Vancouver; Mrs. A. S. Leitch and Mrs. L. Harney, both of Edmonton; one brother, Gordon of Toronto; three sisters, Mrs. A. Lemon and Lady Heron, in England and Mrs. H. Ashton of Victoria and 13 grandchildren.

Funeral services were held on Saturday at 2 p.m. in the Holy Trinity church with Archdeacon W. M. Nainby officiating. Burial took place in the Mount Pleasant cemetery. Hainstock and Son were in charge of arrangements.

Social Credit Group Holds Well Attended Annual Meeting

The annual meeting of the Vermilion Social Credit group was held on Saturday, March 15th in the Elks hall, possibly the current federal election campaign increased interest in the movement as thirty-six attended. The group was fortunate to have Mr. James A. Smith, Social Credit candidate for Battle River-Camrose present as guest speaker.

Election of officers for the ensuing year resulted in Ashley H. Cooper being re-elected president, Ernest Schurman is the new vice-president succeeding Lorne Dowling who has moved to Calgary, and Angus MacMillan is again the secretary-treasurer.

The executive members are Mrs. W. J. Fisk, Mrs. James A. Smith, Mrs. Peter Jensen, Mike Kupin, Leo Klashinsky, Peter Noster, Jim Irving, Castle Scott.

Plans were made for getting out the vote on March 31st with volunteers forthcoming for scrutineers, car drivers, and committee room help. Anyone else willing to help that day should contact the president, vice president or secretary.

RECEPTION POPULAR

Due to the popularity of the reception for Mr. Jim Smith one year ago, it was the opinion that this should be repeated during the present campaign. However Mr. Smith informed the meeting that he did not have one open night left until election day. It was then decided to serve doughnuts and coffee at the public meeting on Tuesday, March 25th. This project was turned over to the ladies on the executive.

Mr. James A. Smith then addressed the meeting. He commented on the large attendance for an annual group meeting and the fact that one-third of those present were ladies. He reviewed the meetings which he had attended in the present campaign, also touched on proceedings in parliament leading up to the dissolution.

A question period followed Mr. Smith's remarks during which time some interesting questions were asked and answered.

Representatives present from country areas told of political activity in their respective areas. Mr. Leo Klashinsky, Mr. Castle Scott, Mr. Jim Irving and Mr. Alf Redman speaking during this time.

SQUARE NOTES From Circle 8

The Legion Hall on March 15 was the scene of a very successful square dance and fashion show. Over fifteen squares of dancers and many spectators attended with thirty four enthusiastic 'Knot Heads' 'Idiots' and prospective 'Knot Heads' travelling from Edmonton. Among these were the five couples who attended two of our dances at the bandshell last summer. They inquired about square dances at the lake this summer and stated that they had found no finer hospitality than they had on each visit at Vermilion. Many thanks to the people who helped contribute to our fashion show, without this support such a venture could never have been possible.

Because there are five Saturdays in March square dancers will please note that there is a three week space between our dances this time making our next dance an Easter dance on April 5. Billy Coulter from Edmonton will be behind the mike that night and we have never heard anything but complimentary remarks for Bill so we know that you will want to be present in the Legion Hall for the occasion.

On Monday, March 17 square dancers of this area joined together at Bowtell to bid farewell to one of our faithful supporters Shirley [illegible] who left shortly after for Uranium City. On behalf of her fellow square dancers Johnny Maxwell presented Shirley with a beautiful hand painted circle skirt.

There will be a square dance at Bowtell on Monday March 31. Depending upon the condition of the roads this could possibly be the last of the series at Bowtell but a vote will be taken at this dance.

Junior Red Cross Work Shop For Teachers in April
